

Thank you 111

Chapter 111

111 zhou meilin's pretty boy (1)

PEI Qiqi acknowledged him and took his backpack.

They were already on the top floor and there were a few higher-ups waiting for him, but Tang Yu still pressed the button for the first floor and sent her down.

PEI Qiqi rejected the chauffeur's offer to pick her up and took the bus there.

She didn't want to be so high-profile in front of Zhou Meilin. It would only make Zhou Meilin laugh at her.

after alighting from the bus, they still had to walk a few hundred meters. because it was summer, the sun set late, so it was close to six o'clock, but the sun was still very strong.

She took out an umbrella from her bag to block the sun and her face.

About 200 meters away from the PEI family's Villa was a small park with more than a dozen cars parked by the side of the road. Most of them were people nearby who had brought their children here to play.

Just as PEI Qiqi was about to walk past, she heard a familiar voice. She wasn't mistaken-it was Zhou Meilin.

PEI Qiqi's body froze. She instinctively hid her body under the umbrella and also took a step back. She stood by a tree and looked over carefully.

"Ronglei, are we not going to make any money from this investment?" zhou meilin and a relatively young man were standing in front of a white sports car.

The man named Rong Lei was about 30 years old. He had slicked-back hair and looked like a pretty boy. He leaned against the sports car and coaxed Zhou Meilin, who was over 40 years old, "baby, of course you can earn money. It's just a matter of time!

zhou meilin's face was filled with worry, "but i've already invested tens of millions. last time, i withdrew so much money from pei minghe's account behind his back. the company almost died. now, i have to put in so much money again. i'm worried that i'll lose everything. rong lei, i'm a little scared. when the time comes, i'll run."

"No need to worry. The money invested will be recovered in the end. When this project makes a lot of money, I'll take you far away. You don't have to look at that bad old man's face." The pretty boy with the surname Rong said as he stepped forward and pinched Zhou Meilin twice.

zhou meilin, who was half-old, was happy to be coaxed, but she still had some scruples, "You're just saying that, how can I really go with you? although PEI Minghe is useless, PEI Huan is looking for Lin family's ran ran."

Rong Lei smiled frivolously. I know you can't give up this wealth. But it doesn't matter. As long as we love each other, it's fine.

as he spoke, he forcefully pressed Zhou Meilin against the car and kissed her. From the way they caressed each other, one could tell that they had known each other for a long time.

PEI Qiqi's blood froze. She didn't like Zhou Meilin and Zhou Meilin didn't like her.

However, she always thought that Zhou Meilin loved her father, so she couldn't tolerate her. She didn't expect Zhou Meilin to have a gigolo outside. The last time, the PEI family's crisis couldn't be solved because Zhou Meilin withdrew the company's funds.

pei qiqi really wanted to rush out, but she couldn't.

Zhou Meilin and Rong Lei kissed for a long time. She reached out and pushed him, "I'm going to die. People will see!"

Rong Lei's back was against the door, and he smiled a little devilishly. Then get in the car!

as he said this, he pulled Zhou Meilin into the car. Zhou Meilin was also greedy and half-refused.

PEI Qiqi looked at the shaking car without any expression on her face. However, her stomach felt uncomfortable and she wanted to throw up.

she slowly turned around and walked towards the PEI family's villa in a daze.

Chapter 112

112 Zhou Meilin's pretty boy (2)

at this moment, her heart was filled with sadness for PEI Minghe.

The family that he had been supporting with all his might had betrayed him long ago.

When she entered the living room and saw PEI Minghe's harmless face, PEI Qiqi was stunned for a long time.

pei minghe brought out two plates of desserts from the kitchen and placed them in front of PEI Qiqi. he was very happy, "hurry up and eat. your auntie is not here."

PEI Qiqi looked at this honest man. Even when he was nice to her, he had to avoid Zhou Meilin. However, Zhou Meilin was having sex with another man in a car two hundred meters away from home!

her voice was a little shaky, and her eyes looked straight into PEI Minghe's eyes. "dad, do you know where auntie went?"

pei minghe also noticed that PEI Qiqi's expression wasn't right. the smile on his face slowly froze, and his face went from lively to stiff. the muscles on his face trembled. after a long time, he slowly smiled again, but it wasn't as natural as before, "what else could it be? she's playing mahjong with her old friends. she's a wastrel, so there's no choice!"

PEI Minghe said as he looked at PEI Qiqi carefully.

PEI Qiqi understood in her heart that her father might know about Zhou Meilin's situation.

her lips were trembling. she wanted to pretend that she was fine, but her expression betrayed her.

pei minghe was silent. after a long time, he looked up. his face seemed to have aged by more than ten years, and his voice was a little heavy. ” qiqi, i let your aunt down first. she hasn't been doing well all these years. if she's happy now, it's a good thing! ”

As if he was comforting himself, he repeated, ” “It's a good thing.”

as he spoke, he looked like he was looking for a fruit knife to peel an apple for pei qiqi. the person who could peel the apple off the whole skin actually broke into a few pieces.

PEI Qiqi was sitting opposite him.

PEI Minghe forced a smile and lowered his eyes. Qiqi, it's better to pretend that you don't know some things. It'll be easier to live like this.

daddy mumble mumble ” PEI Qiqi's lips were pressed into a straight line and her eyes were a little hot.

Before, she thought she was helping PEI Minghe. But now, she found out that the 100 million RMB she sold to Tang Yu was because Zhou Meilin was keeping a gigolo.

Her heart was filled with sadness, but she was helpless and couldn't tell PEI Minghe.

PEI Minghe's hand slowly moved up and down, and his face was desolate. just get along like this. Dad just hopes to see you and PEI Huan find a good home.

pei qiqi could see the helplessness and forbearance in his slightly cloudy eyes.

She also knew in her heart that PEI Minghe's forbearance was mostly for her. He was worried about her background and whether she could continue to stay in the PEI family.

however, he didn't know that she couldn't stay here any longer, yingluo.

if it was the past pei qiqi, she might have fallen out with zhou meilin. but just like how pei minghe was worried about her, she was also worried about pei ming and qianqian.

When PEI Qiqi went out, her heart was heavy.

zhou meilin also came back with a small bag.

Although she was tidied up, Zhou Meilin's face still had an abnormal blush.

PEI Qiqi had known about love affairs for a long time and naturally saw the reason.

She stood still and looked at Zhou Meilin. Zhou Meilin's voice was strange and sharp, ” “yo, you're leaving? yingluo, what's wrong? you're leaving when you see me coming back? are you scared?”

she wanted to say 'you're afraid i'll ask you for money', but zhou meilin suddenly remembered that pei minghe was there and quickly shut her mouth.

PEI Qiqi's lips formed a straight line, ” I'll be leaving first.

Chapter 113

113 zhou meilin's pretty boy (3)

zhou meilin originally wanted to say! few more mean words, but it was probably because rong lei was enjoying his service that she held it in. it was only after pei qiqi left that she complained to pei minghe! ” minghe, look at the bastard you’re raising outside. he has no manners at all. now! he doesn’t even call me ‘auntie’! ”

PEI Minghe looked at her quietly/ in your heart, she’s just a b/stard. How can she respect you? ”

Zhou Meilin sat down, flicked her long wavy hair, and said casually, ” “It’s just a habit.”

Sensing that PEI Minghe was staring at her, she sat up unnaturally. why are you looking at me? ”

PEI Minghe continued to look at her. After a long time, he said in a hoarse voice, ” “This hairstyle is pretty good!”

“it cost me three thousand yuan!” Zhou Meilin carefully held it with her hand and said proudly.

PEI Minghe stared at his wife of more than 20 years and suddenly said, ” “Help me to the bedroom.”

zhou meilin was shocked. she looked at pei minghe and then sneered, ” you’re not serious. it’s broad daylight and you can even shake this bone a few times. aren’t you afraid it’ll break? ” As she spoke, she glanced at PEI Minghe with a bit of attention.

PEI Minghe laughed. I just wanted to try if that thing still works.

Zhou Meilin let out a sigh of relief. She walked to the kitchen and shouted, ” “Aunt Ying, is the tonic for Sir ready?”

When PEI Minghe heard this, he slowly stood up and walked upstairs.

he closed the door and took out a will from the safe. after looking at it for a long time, he took out his phone and made a call. i’m pei minghe, there’s something i need to trouble you with again.”

downstairs, zhou meilin was still thinking about the supplements.

PEI Qiqi walked out of the PEI family’s house. It took her a long time to walk that few hundred meters.

there was no bus at this time and she didn’t want to find tang mo to pick her up. she wanted to take a taxi back.

a white bugatti veyron slowly stopped in front of her. the window rolled down and tang yu’s face was revealed.

It was only seven o’clock. She looked at him in a daze, unable to say a word.

“get in the car.” Tang Yu smiled gently.

pei qiqi was in a daze for a while before she walked to the other side of the car and sat beside him. tang yan held the steering wheel and looked ahead. ” there’s milk tea beside. ” if you’re hungry, you can have some.”

she lowered her head and saw the bag of milk tea.

She looked up again at his side profile and said in a low voice, "Tang Yu, why are you so good to me?"

tang yu smiled and focused on driving. he only had time to answer her, but it didn't make a difference, "what do you think?"

PEI Qiqi didn't say anything more. She pursed her lips but was still stunned by the fact that Zhou Meilin had a gigolo.

"What would you do if your wife, Wanwan, were to have an affair one day?" she asked hesitantly.

he was a man, and she wanted to know the answer.

It was a red light, so Tang Yu stopped the car. He turned his head and looked at her seriously, "PEI Qiqi, will you cheat on me?"

PEI Qiqi was stunned. She stared at him for a long time before softly saying, "I'm asking about your wife."

"yes, i'm asking you too!" his expression was still very serious, and he didn't seem to be joking.

pei qiqi felt that her heart was beating a little fast, as if something was about to jump out of her chest. it felt like it was about to stall.

his dark eyes were still staring at her in a daze in the darkness.

Chapter 114

114 tang xin (1)

The air seemed to freeze. PEI Qiqi couldn't answer his question. If she answered, it would mean that she admitted that she was his Mrs. Qianqian.

he had said the word "married" several times, but she had never thought that tang yan wanted to marry her.

At that moment, his phone rang.

"Phone!" her voice was weak.

tang yu's gaze didn't move. it was still on her little face. he stared at her, "don't worry."

She still wanted to say more, but she didn't dare to, so she could only watch.

PEI Qiqi deeply regretted asking him.

After a long time, the phone continued to ring unyieldingly. He finally reached out to pick it up. The voice on the other end was very soft and light. brother, where are you?"

Tang Yu's gaze returned to PEI Qiqi as he replied, "I'm on my way. What's wrong?"

when he spoke, his voice was very low and deep. however, the intimacy he revealed made pei qiqi raise her eyebrows slightly.

Yingluo should be a girl!

on the other side, tang xin sat at the door of the apartment in xia city and pouted, " brother, come back quickly. i'm starving. "

tang yu smiled gently. he knew she was at his door, " okay, don't run around. "

As he spoke, he put his phone back. When he started the car, he noticed that PEI Qiqi was still looking at him.

" my sister, tang xin. you don't mind taking her in for a night, do you? " He was focused on driving and asked her casually, not pursuing what he had just said.

at first, pei qiqi heaved a sigh of relief. but now, she tensed up again.

Tang Xin teased her sister.

Right now, she was in Tang Yu's apartment watching PEI Qiqi see that cute child. However, she never thought that one day, she would have to live under the same roof as her.

For a long time, she didn't say anything. Tang Yu smiled and reached out to hold her little hand. His voice was low, " not happy? "

pei qiqi shook her head in a daze, " no. i just didn't prepare for it. "

his big warm hand held her little hand, looked at her sideways, and said something that made her heart jump again, " it's not like we're meeting our in-laws, what's there to be afraid of? tang xin is just a little kid. "

PEI Qiqi's fingers moved. She felt his warmth and wanted to let go, but he held her tightly. He didn't let go even when they reached Xia city.

all her attention was focused on her hands. she didn't notice that tang yu was driving very fast. it was almost a hundred.

the car slowed down and came to a stop when it reached the apartment's parking lot.

pei qiqi followed behind tang yu. when they reached his floor, the elevator door opened and she saw the familiar yet strange young girl, tang xin.

tang xin was wearing a white mickey mouse top with a denim skirt. her hair was tied into a ponytail and she was carrying a big bag on her back, looking like a little girl who had run away from home.

her face was also a little pale. when she looked at tang yu, she weakly called out, " "brother, i'm so hungry."

although he didn't have any strength, his eyes were unusually bright as he looked at pei qiqi behind him. he reached out his little paws towards her, " hi! "

pei qiqi smiled. only she knew how forced she was, " hello! "

tang yu's hand didn't let go of pei qiqi. he took out the door card and swiped it open. then, he took his sister's bag, " how did you get here? "

tang xin jumped in and pouted, ” “Mom and dad were quarreling, so I sneaked out to whine.”

Chapter 115

115 Tang Xin (2)

tang yu put down his bag and turned back to look at tang xin. he had already put pei qiqi down and placed his hands on his chest, looking at tang xin, ” i’m asking, how did you get here? he didn’t ask for the reason.”

she had already told yingluo this reason countless times.

tang xin lowered her little face and played with her fingers like a primary school student, her voice very soft, ” i took a taxi! ”

She looked up and smiled. When she realized that Tang Yu’s expression was still ugly, she looked at PEI Qiqi again. try your best to make a cute expression. Yingying, help me!

PEI Qiqi blinked. Tang Xin was really cute.

PEI Qiqi didn’t even have the time to react before she said, ” didn’t you say you were hungry? ”

“Yes, yes!” Tang Xin stuck out her tongue and ran behind PEI Qiqi. She was still a little afraid of Tang Yu. Every time she came, her brother wouldn’t give her a good look.

she mustered up her courage and said, ” older brother, you won’t be able to find a wife if you’re so fierce. ”

Tang Yan snorted coldly and looked at PEI Qiqi. His deep gaze made PEI Qiqi’s face heat up.

she didn’t know why she felt hot!

“I’ll go cook!” pei qiqi said softly.

Tang mo grabbed her hand and she turned her head.

we were supposed to eat outside, Yingluo, ” he only said half of the sentence. Tang Yu wasn’t used to apologizing.

pei qiqi smiled lightly. in reality, her heart was in a mess today and she wasn’t in the mood to eat out.

she just wanted to be alone for a while, but tang xin was so curious about her that she wouldn’t let her be quiet.

tang xin immediately ran into the kitchen and looked at pei qiqi as if she was looking at delicious food.

PEI Qiqi’s hair stood on end as she watched. She went to the fridge and took out an orange and squeezed a glass of juice for her.

tang xin held it and watched pei qiqi handle the ingredients skillfully. she was a little envious, ” sister, you’re so good! ”

PEI Qiqi was shocked by the 'sister'. Then, she smiled and didn't turn around.

a pampered girl like tang xin wouldn't understand how it felt to live under the y-power of a stepmother like zhou meilin for a long time.

Tang Xin finished her juice and became restless again. She stood behind PEI Qiqi and looked at Qianqian.

"qiqi is in a daze." tang xin felt that her relationship with pei qiqi was good after staying here for a while.

if pei qiqi and her brother were together, it was very likely that she would be his sister-in-law, qianqian. besides, qiqi was so young. calling her 'sister' sounded too old.

tang xin carefully tugged at pei qiqi's hair, "your hair is so black and shiny."

Seeing that PEI Qiqi didn't have much of a reaction, his little hand moved down again to tease PEI Qiqi. She wasn't prepared and was taken advantage of.

Tang Xin was still young and had been sick for/long time, so she hadn't fully developed yet. Her fingers pinched PEI Qiqi's there and she sighed sincerely, "your ass is so perky!

her skin was also very fair.

She was practically drooling as she looked at PEI Qiqi's soft and smooth skin.

pei qiqi almost jumped up after being hit by her. she turned around and her gaze was extremely complicated!

Tang Xin was a delicate girl?

No, he was simply a hooligan!

tang yu saw this from the door. he leaned against the door and said unhappily, "Tang Xin."

tang xin was shocked. she looked back at her brother, bit her lip, and walked over obediently.

pei qiqi continued to make dinner.

tang yu took his sister away to educate her. when pei qiqi was left alone, she lowered her eyes and looked at the ingredients in her hands.

Chapter 116

116 Tang Xin (3)

She had never thought that one day, she would find out who her mother was, that she would know how to cook and feed her sister.

tang yu silently appeared behind her. his big hands wrapped around her waist and his face was on her shoulder. he leaned over to check on her progress, "how much longer?" "I'm a little hungry."

PEI Qiqi didn't dare to turn her head because she would kiss him if she did.

her face was burning, and so was her voice. "it'll be done soon."

She paused for a moment. let's make it simple. It's late.

he mumbled a sound of acknowledgment and had no intention of leaving.

tang xin secretly looked over from the door and said naughtily, " qiqi, my brother is the most powerful man in the world. "

pei qiqi was shocked. she subconsciously wanted to push tang yu away. she felt that this wasn't good.

tang yu chuckled and held her waist tightly, not letting her escape. then, he raised his voice to the outside, " tang xin, go back to the living room! "

Tang Xin shrank back, but after a while, she popped her head out again.

And then, and then they saw a scene not suitable for children.

big brother is kissing qi qi.

It was the kind of scene in TV movies where the male and female leads kissed deeply and drooled at each other.

How embarrassing!

tang xin's eyes were wide open, and there were pink hearts in her eyes.

she was young, but she understood.

Her brother liked Qiqi very much. He had never had such close contact with a girl.

when tang yan let go of pei qiqi, pei qiqi's legs were a little soft. if it wasn't for his big palm holding her waist, she would have fallen to the ground.

"Continue cooking!" his warm breath fell on the back of her ear. then, he took out his phone from his pocket and dialed a number. he had no intention of letting go of her.

pei qiqi calmed down and continued to cut the vegetables, but her hands kept shaking.

She heard Tang Yu's voice. It was a little cold as he said, " " tang xin is with me. i'll send her back tomorrow. "

pei qiqi's body froze. she wasn't sure if it was tang zhiyuan or xuxu or zhao ke.

fortunately, tang yu hung up the phone quickly. tang xin's head popped out again, " brother, is that my mom's call? "

tang yu put away his phone and smiled, " no, i called. i called your dad. "

tang xin was a little disappointed. after a while, she looked at tang yu with dissatisfaction, " dad is also brother's dad. "

tang yu just smiled and didn't say anything.

pei qiqi lowered her head and didn't say a word. her face was red from tang yan's kiss but now, it was white.

on the other side, after tang zhiyuan hung up the phone, zhao ke quickly asked, " are you at tang yu's? "

yeah, " Tang Zhiyuan replied. he said he'll send it back tomorrow.

zhao ke was stunned, and then said without thinking, " zhiyuan, let's take tang xin back now, okay? "

" what are you worried about? will tang zheng harm tang xin? " tang zhiyuan was a little unhappy, " tang yu has always loved tang xin. he will take good care of her. "

zhao ke closed her eyes. " i'm just afraid that the girl tang zheng is raising will lead tang xin astray. "

the day had finally come. tang xin met pei qiqi and wondered how long the secret of pei qiqi being her biological daughter could be kept.

pei ming and that stupid wife, if she didn't spend ten million yuan to seal her mouth, this matter would have long been exposed.

Zhao Ke's heart trembled as she thought of the consequences.

tang zhiyuan felt that she was making a mountain out of a molehill. " it's only one night. you're being too careful. besides, the one that tang yan is raising looks decent. it's not as bad as you say. "

Chapter 117

117 lamb waiting to be slaughtered (1)

zhao ke's voice was a little harsh. the battle between the two of them that had just been put out suddenly started again. zhao ke's voice was a little sharp. " tang zhiyuan, i know i'm old and not as good as a young girl, ran ran, but you don't have to think about your own son. "

"Zhao Ke, what are you saying!" tang zhiyuan finally got angry. he glared at zhao ke with his slightly red eyes. " you can think whatever you want. i think you've been pampered all these years and have a lot of problems. "

after tang zhiyuan finished speaking, he went upstairs. zhao ke stood alone in the luxurious living room and gritted her teeth.

If Tang Zhiyuan only knew how to coax her when she was young, why would he talk to her with such an attitude?

Zhao Ke's heart was as cold as ice water, and her face slowly twisted.

the atmosphere in xia city apartment was very relaxed. tang xin kept pestering pei qiqi to talk.

PEI Qiqi had to deal with it, but she felt a little tired.

Yes, she was very tired, Yingluo.

zhou meilin, zhao ke, pei huan, chen xinjie, and now tang xin, it made her physically and mentally exhausted.

As long as one of them appeared in front of her, she would have to be armed, otherwise she would be stabbed all over.

tang zheng glanced at tang xin and said lightly, " talk less and eat more. "

" oh, " tang xin replied and ate her food obediently. she was a little afraid of tang yu and didn't dare to provoke pei qiqi anymore. however, this intimidation didn't last long. soon, pei qiqi was being pestered by tang xin in the bedroom.

when pei qiqi came out of the shower, tang xin immediately jumped out of the sofa and looked at pei qiqi's body. her little hands couldn't help but touch the silk pajamas.

tang yu came out of the study and slapped her hand away, " go to sleep. "

Tang Xin was obviously disappointed. She said 'Oh' and went out with a little rabbit in her arms. She looked at PEI Qiqi with reluctance.

she knew that with her illness, she might not be able to live past 20 and she wouldn't be able to have a boyfriend in the future. so, she was envious of pei qiqi.

When she went out, Tang Xin's voice was a little hot, and the last syllable of " Qiqi " was dragged out, making her unable to say anything.

pei qiqi didn't hate tang xin, but she was afraid to face her.

the mother who hated her looked at tang xin with such loving eyes.

She watched Tang Xin leave reluctantly. Her hair was rubbed by Tang Yu's big hand. She looked up at him almost helplessly.

Tang Yu smiled, " why? are you afraid of her? "

PEI Qiqi mumbled as if someone had stepped on her tail, " I'm not.

As she spoke, she seemed to have thought of something. She went to the changing room and found a pair of pajamas that she used to wear. It was the cotton kind. I'll give her pajamas.

tang yu picked up a towel to dry his hair. as he watched pei qiqi walk out, he found it funny, " actually, she couldn't take it.

PEI Qiqi took her pajamas to Tang Xin's room. Tang Xin was taking her medicine with a glass of water. PEI Qiqi watched as she grabbed a big handful of medicine and swallowed it down. Then, she drank some water.

seeing pei qiqi standing at the door, tang xin put the medicine into her bag and smiled, " qiqi, are you coming over to sleep with me? "

although tang yu was like a beast in bed, pei qiqi would rather sleep with him.

"I'll get you your pajamas!" PEI Qiqi placed the clothes on the bed and looked at Tang Xin. She couldn't help but ask, " "what medicine did you take?"

Chapter 118

118 Lamb waiting to be slaughtered (2)

Tang Xin smiled. you're a girl. You have to take some vitamins to maintain your beauty.

pei qiqi frowned. " you're only a teenager. you don't need to eat these! "

Tang Xin looked like a little princess on the outside, but she was actually very funny inside. She immediately jumped over and hugged PEI Qiqi's arm with her little hands. She rubbed against it like a kitten, " "qiqi, you care about me!"

PEI Qiqi's entire body felt cold and she actually ran away.

Tang Yu was right, she was afraid of Tang Xin ...

she was afraid that her brother would fall in love with tang xin!

back in the bedroom, tang zheng half-leaned on the bed, only wearing a bathrobe. he held a cigarette in his hand but didn't smoke it. he just held it between his slender fingers and let it burn.

she was holding her phone in her other hand and seemed to be reading the news.

When he heard PEI Qiqi's footsteps, he looked up at her, " Tang Xin is asleep? "

pei qiqi acknowledged him and carefully lifted the blanket to lie down. her head was right next to his waist.

Tang Yu maintained his original position and looked down at her. Then, he put the half-smoked cigarette to his lips and took a few deep puffs. He quickly finished the cigarette.

he stubbed out the cigarette and dimmed the bedside lamp, but he didn't turn off xuxu.

PEI Qiqi's eyes darkened and her small hands clutched onto her clothes. She had lived with him for quite some time and she understood his habits.

just like earlier, he was obviously waiting for her.

as expected, he moved closer to her back and teased her.

" don't whine. " pei qiqi panted lightly. her little hand grabbed his hand tightly, not letting him move.

but his lips were on her thin shoulder, and his voice was extremely hoarse. " why? "

pei qiqi felt an indescribable heat. she half-closed her eyes and said in a broken voice, " " tang xin will hear it in the next room! "

As she spoke, the people behind her stopped in their tracks.

PEI Qiqi heaved a sigh of relief and let go of her hand.

he let go of her completely and sat up. he tidied his bathrobe, lifted the blanket, got out of bed, and walked out of the door.

PEI Qiqi kept her eyes open and looked at the door like a lamb waiting to be slaughtered.

in less than five minutes, tang yu returned. he gently closed the door and the sound of the door being locked rang out. he immediately sentenced pei qiqi to death.

tang yu's back was against the door and he smiled, " tang xin is asleep. "

PEI Qiqi's eyelashes trembled slightly. Under the dim light, they looked like two small fans, extremely moving.

Tang Yu walked over and sat down. He picked her up and put her in his arms.

“Tang Yu!” She didn't dare to resist and could only beg him to let Hanhan go.

However, he was a man who had grown up for a long time. He had never had a woman before her. Now that he was in love, how could he let her go so easily?

Tang Mo's interest was so bad that he didn't let her sleep until the second half of the night.

(omitted 10000 words, 10000 words! 10000 words!!!! Omitted 10,000 words, 10000 words! 10000 words!

PEI Qiqi snuggled in his arms. Her eyelids were pink and there were two drops of tears on her long eyelashes. They trembled slightly and she looked extremely delicate.

tang yu, on the other hand, was extremely satisfied. he hugged her and coaxed her for a while.

the little girl was easy to coax, and it was fun for a mature and successful man like him to coax her.

He coaxed her like this until PEI Qiqi fell into a daze. Then, he suddenly leaned against the back of her neck and asked softly, ” Qiqi, will you cheat on me? ”

PEI Qiqi woke up immediately and her hair stood on end.

Chapter 119

119 lamb waiting to be slaughtered (3)

pei qiqi's body froze. the definition of 'cheating' was something that happened after a legal marriage.

She did not expect him to bring this up again.

with her back to him, she hurriedly closed her eyes and pretended to sleep.

He knew that she was avoiding him. He smiled and bit her soft neck unwillingly. if you dare to, I'll hit your little butt.

As he said this, his large palm slapped over, and with a “pa” sound, a “bang” was heard.

how could her body, which had just calmed down, withstand his actions? so, she wailed and raised her little face.

tang yu chuckled. he pulled her into his arms and turned her around, letting her sleep on his arm.

Early in the morning, PEI Qiqi was shocked when she opened her eyes, Qianqian.

in front of him was tang xin's enlarged face.

She looked at PEI Qiqi and Tang Yu sleeping together with curiosity.

if she could, pei qiqi suspected that she had already lifted the blanket and looked down.

Tang Yu woke up as well. Facing Tang Xin's childish behavior, he covered PEI Qiqi with the blanket and looked at his sister angrily, ” “tang xin!”

“i’m just taking a look. brother, don’t be stingy!” tang xin smiled sweetly.

Tang Yu’s face was cold, ” you’re still a child.

He didn’t know how she got in, but after thinking about it, he reached out his hand and teased her.

Tang Xin pouted and put the key in his hand, and Tang Yu put it in the bedside table.

tang xin whispered, ” but qiqi isn’t that old. she’s still a student. ”

With that, Tang Xin made a face at Tang Zheng, ” brother, you’re such a beast!

she was afraid that tang yu would punish her, so she ran out after saying such outrageous words.

just then, the doorbell rang, so tang xin opened the door.

the door opened, and it was zhao ke with a gloomy face.

“mom!” Tang Xin’s smile froze, and she put down her little hand obediently, standing aside.

she looked behind zhao ke again. she was eager to see tang zhiyuan. although her father wasn’t that close to her, he wouldn’t be like her mother. sometimes, he would be sunny. sometimes, he would be gloomy.

zhao ke’s face didn’t look good, and tang xin looked at her as if she had seen a ghost.

She had worked hard to raise her up, and Tang Xin’s illness had broken her heart.

however, the most important person in tang xin’s heart wasn’t her mother. it was tang yu.

in the past, she naively thought that tang yu’s love for tang xin could offset what she did to lin yun. but after so many years, she saw it clearly. tang yu clearly knew that his hatred for her didn’t decrease at all.

zhao ke looked at tang xin, ” come back with me. ”

tang xin didn’t want to and bit her lip, ” mom, i haven’t had breakfast yet. ”

Zhao Ke frowned and then sized up her daughter with an unhappy expression. look at what you’re wearing!

Zhao Ke didn’t come from a good family, so she raised Tang Xin with strict requirements of a lady from a famous family. Even if Tang Xin was sick, Zhao Ke still insisted on doing it.

so, whenever zhao ke and tang zhiyuan quarreled, she would carry her bag and look for tang yu.

Zhao Ke reproached, and then there was a string of all kinds of criticism.

tang xin stuck out her tongue secretly.

at this moment, tang yu came out. he was still wearing a bathrobe. he frowned at zhao ke.

Zhao Ke immediately shut up. She thought of PEI Qiqi inside and didn’t want to go in. Of course, Tang Yu wouldn’t invite her in either, ” I’ll take Tang Xin back first.

Chapter 120

120 Low-key luxury (1)

tang xin turned around and looked at tang yu pitifully, " brother, i haven't had breakfast yet. "

Tang Yu looked at her and then at Zhao Ke. He asked Tang Xin, " did you take your medicine? "

as soon as he asked, tang xin's little hands twisted and she said in a small voice, " "Not yet, I'll go and eat now!"

zhao ke's face felt like she had been slapped. tang yu accused her of ignoring tang xin's body.

she stood there, feeling a little upset.

she was the head of the tang family, but she was standing in front of tang yu's door and he didn't even try to be polite.

Tang Yu quickly went into the bedroom to change his clothes and treated Zhao Ke like air.

PEI Qiqi didn't know that Zhao Ke was here. She put on a long white t-shirt and tied her hair up with a black hairband. After a simple wash, she was ready to go to the kitchen to make breakfast.

recently, auntie li almost never came. she didn't know if it was tang yu's idea.

she didn't ask, because she didn't have the right.

So when she walked out and saw Zhao Ke, she wasn't prepared.

PEI Qiqi just stood there and stared at Zhao Ke in shock.

knowing and seeing are two different things.

That pair of beautiful but not-so-young eyes stared at PEI Qiqi's young body. There were more or less traces of Tang Yu on her.

This made Zhao Ke almost jealous. In her life, she just wanted to find someone who was worthy of her.

however, even tang zhiyuan had to make do with it, let alone pei minghe.

as for tang yu, his looks stood out and his personality was cold. he was like that person in every way. when zhao ke looked at tang yu, she didn't look at him like an elder looking at a junior.

Other than jealousy, there was also contempt in her eyes.

pei qiqi's heart ached from that look of contempt. she lowered her head and walked into the kitchen, not intending to have any conflict with zhao ke.

Zhao Ke called out to her, " PEI Qiqi.

pei qiqi stopped and looked up at zhao ke in a daze.

Zhao Ke took a few steps forward and lowered her voice. if you're smart, you'll know what you shouldn't say.

pei qiqi looked at her and didn't speak for a long time.

The first time they met, she only felt that Zhao Ke looked very similar to her and recognized her as her mother with a single glance.

but now, looking at the same face, why did she feel that he was a stranger? he did not look like her at all.

Zhao Ke's voice turned even colder, " you should know that if Tang Yu finds out you're my daughter, you won't be able to stay by his side!

"thank you for your concern!" PEI Qiqi didn't have a smile on her face, " "Mrs. Tang, don't worry. I never had a mother. I only have a father called PEI Minghe."

zhao ke's expression was a little twisted, and her facial muscles were trembling as if she wanted to say something, but she held back.

pei qiqi didn't talk to her anymore and walked into the kitchen, leaving zhao ke standing there. she mumbled, " how could you be PEI Minghe's child? how could a man like that be worthy of having a child with me? "

Zhao Ke suddenly raised her head, and her body trembled violently. She walked out as if she couldn't control herself.

after a while, she called tang xin, " i'm leaving first. you can ask your brother to send you back in the afternoon, or your father and i will come to pick you up. "

Tang Xin had just finished taking her medicine and was naturally happy to hear it. When she ran out, Zhao Ke was already gone.

she heaved a sigh of relief and walked into the kitchen to see pei qiqi preparing breakfast. her movements were smooth.

tang yu also came out of his bedroom. his wardrobe was filled with white shirts and suits. the styles were almost the same, but pei qiqi knew that they were different.

This was probably the low-key luxury of the rich!
