

Thank you 1111

Chapter 1111 His mermaid line is really nice (part one)

“i’m talking about chicken noodle soup. one thousand yuan per bowl.” She was all smiles.

Tang Yu glanced at her and then patted her head, ” “Alright,” he said.

she watched as he left and let out a sigh of relief. she was actually afraid, afraid that tang yu would go forward. she was afraid that he would tell her about their past and that he wanted her to be with him.

she wasn’t ready, and she really didn’t want to be entangled with an lan.

even though she was about to drool at his body.

She should have taken a bite this morning.

PEI Qiqi was vexed, ” why didn’t you secretly take a bite? ” His V-Line is so pretty, Yingying!”

After thinking for a while, she made some food, changed her clothes, and went to the magazine agency according to the address.

Jia Ren magazine agency had moved once and was now located in a more prosperous area of B city. It was only a Street away from the Bo Yi building in B city.

The company just had a new boss, and the next day, they were already moving at such a speed.

So, when PEI Qiqi arrived, the magazine agency was a little messy and many things weren’t cleaned up.

the managing editor had been replaced, and so had all the employees. other than old kan and amy, everyone else was gone.

PEI Qiqi walked in and saw Amy and old kan sitting on the messy desk. Amy nudged old kan, ” “he’s really here!”

ai meimei was nervous. she had never acted before!

In the past, he and PEI Qiqi were in the same pot, but now, he had to pretend he didn’t know her. How difficult.

The old man glanced at her. just treat her as a new employee. By the way, the instruction is that Wanwan bullied her!

“why did the bad guy ask me to do it?” amy was quite angry.

old kan grinned, showing his white teeth. ” my wife doesn’t allow me to bully her. ”

His wife, his wife, his wife, and AI Mei rolled their eyes. However, they were also quite envious. Old kan and PEI Huan were really happy.

thinking back to the first time pei huan stepped into their magazine agency, that arrogant look on her face, she would never have thought that she would be together with old kan!

She nudged old kan again. you can continue to be smug!

Jian Mingzhu really felt that this life was quite good. The only thing that was lacking was that after Qiqi went missing, PEI Huan would often think about her and be unhappy. Now that she was back, everything was fine.

old time tea passionately felt that their married life could be improved from once a week to five times a week.

PEI Qiqi stood by the door and looked at Amy and old kan. It was as if she was looking at the real Beauty and the Beast.

“Is this place recruiting people?”

“i’m looking for a photographer.” old kan nodded.

PEI Qiqi came over, ” I want to apply for a job.

“what works do you have?” Old kan asked calmly. He knew PEI Qiqi’s level all too well. He was the one who brought her up and he didn’t know if she had grown bored in the past two years.

Works?

All of PEI Qiqi’s cameras were with Qin Anlan, so how could she have any of her works on her?

However, she thought for a moment and immediately smiled. “wait a moment.”

She picked up her phone and clicked on a certain photo. “i took this. It’s from the camera.”

Old kan’s Adam’s apple bobbed when he saw this. His gaze was meaningful.”Good shot!”

amy was also curious as to what kind of photo would make lao kan’s expression so interesting, so she also went over and was stunned after one look.

F ** k, this speed!

she was still suffering from amnesia, and they had just met when she returned, but they were already together.

They were definitely rolling around together. Otherwise, PEI Qiqi wouldn’t have taken a nude photo of Tang Yu.

looking at his smooth muscles and well-defined facial features, he was simply a fantasy of a woman.

Chapter 1112 His mermaid line is really nice (2)

“it’s not bad!” Amy swallowed her saliva, enjoying the feast of her eyes.

in his heart, however, he was thinking that mr. tang, who looked so noble on the surface, was actually very shameless in private.

old kan looked at amy,”amy, get her a desk.”

Then, she turned to PEI Qiqi, "I'll start work today. My monthly salary will be 15000 Yuan and I'll get an extra 2000 Yuan. However, I'll have to get used to all kinds of overtime.

pei qiqi didn't have anything to be picky about. right now, she just wanted to have food to eat.

she thought about it. she could pay tang yu's money back in two months and then take out 3000 to rent his house. even though she knew that it would take 20000 yuan a month to rent that place and the interior was luxuriously decorated.

Old kan left quickly. After a while, he threw her a magazine. look at this. Ye Liangqiu. She'll be in B city next week. You can interview her then.

Ye Liangqiu?

PEI Qiqi felt that the heavens must be joking with her. This was Xuanji an Lan's mistress and now they wanted her to interview her?

if they saw an lan, the scene would not look good.

She wanted to reject him, but for the sake of 18000 Yuan, she held back. who's the one who released the draft? I'll cooperate."

"there's only one person working here, no partner, unless it's a special need."

Old kan had a full beard and when he smiled, he revealed his white teeth.

However, PEI Qiqi felt that he was gloating.

in the end, she still accepted the job.

next week, next week, it was already friday.

"oh right, weekends off every week!" Old kan patted her shoulder and almost broke her into pieces. we are a Humane Society. Do your best.

PEI Qiqi nodded in a daze.

People around her were secretly looking at her because Yingluo was too good-looking.

old kan clapped his hands, and more than 20 employees stopped. the old woman cleared her throat and said, "There's a new employee here."

"What's your name?" he tilted his head and asked PEI Qiqi.

PEI Qiqi said her name.

Old kan smiled again, showing his white teeth. alright, " he said. you'll be called little seven from now on.

why was it called little seven? it felt like a pet's name!

The small employee Pei Xiao Qi was angry but did not dare to say anything!

Old kan clapped his hands. today is Friday. Everyone has worked hard. Let's go to the night bar tonight. It's on us.

Cheers sounded around them. One by one, they came over to greet PEI Qiqi, especially the male employees.

amy looked on and sighed in her heart. pei qiqi was such a god-like harvester. you guys can forget about it. didn't you see that every piece of clothing on her cost five to six thousand? that pink diamond was low-profile to her, but it was still worth over ten million!

Amy wanted to go over and hug PEI Qiqi, this bad child, and kiss her.

she really wanted to die!

“Be careful of your image. Don't talk about personal matters during work hours,” she said in a harsh tone.

PEI Qiqi immediately came over with a smile and hugged Amy's arm, ” sister Amy, I understand. Please guide me more in the future.

Amy was disgusted.

She seemed to be seeing PEI Huan's teasing in the past.

did pei huan and pei qiqi exchange souls?

pei qiqi looked at amy's expression and pursed her lips. she secretly laughed.

I'll kill you! give me a show of strength

ai meimei took a long time to come back to her senses. she snorted softly. ” i'm only twenty! ”

pei qiqi was still smiling, ” then, from now on, i will take good care of you and treat you like a little sister. ”

she reached out her hand and touched amy's hair as if she was touching a pet. amy froze again!

He had been tricked! i've been tricked by the silly girl!

Chapter 1113 Help her recall her past (part one)

amy froze again. she felt like she had fallen into pei qiqi's trap!

what silly and sweet?

PEI Qiqi is still so bad! He was still so Black-bellied!

old kan nudged amy. ” little seven just arrived, don't bully her. ”

amy rolled her eyes. wasn't it for acting? Wasn't it to let PEI Qiqi 'relive the old dream'?

Otherwise, she didn't want to be the bad guy!

however, it didn't seem to be of any use. pei qiqi didn't seem to have any intention of recalling it.

amy's eyes started to tear up as she read on.

while pei qiqi was talking to her colleague, amy hugged her from the side.

PEI Qiqi froze for a moment and felt that Amy was a little ... Distracted.

”pei qiqi, welcome to the team.” Amy’s voice was filled with excitement. the rule in our club is that you can’t dress better than me.

PEI Qiqi laughed.

she was smart enough to guess that amy and old kan were people she knew.

The business card was given to her by Tang Yu. How much of her past was hidden in it?

PEI Qiqi didn’t ask because Tang Yu told her to look for it herself.

She didn’t want to find one, because she wanted to live a carefree life. She wanted to be happy.

Just like that, she took root in Jia Ren magazine. The forthright old kan, the smart and cute Amy, and PEI Huan, who had just appeared in the afternoon.

pei huan carried the child over at two in the afternoon. the moment she arrived, she pulled on kan mingzhu’s ear and lectured her. then, she threw the child to old kan and came over to amy’s place to chat. however, her eyes were fixed on pei qiqi’s face.

pei qiqi smiled and turned on her computer to search for information on ye liangqiu.

pei huan was still chatting with amy a second ago, but the next second, she stopped and looked at pei qiqi, ” ye liangqiu is very difficult to deal with. ”

PEI Qiqi raised her eyes and looked at PEI Huan. She felt the passion in PEI Huan’s eyes. It was like a dog looking at a bone.

she touched her face. there was no cummin on it.

” KING entertainment helped ye liangqiu become famous, but even qin anlan can’t control her completely. ” pei huan had been in KING entertainment for quite some time, so she knew a little about the inside story. it was mainly because xiaomei would often nag at her.

it was funny to think about it. xiaomei had hoped that she would become a diva like ye liangqiu. later, xiaomei said, ” what’s so good about being ye liangqiu? it’s lonely at the top. just thinking about it makes me tired. ”

However, it seemed like ye Liangqiu was tired because her ultimate goal was King Entertainment’s Big Boss, Qin Anlan.

as pei huan said this, pei qiqi asked softly, ” will Qin Anlan be back in B city next week? ”

“i heard from xiaomei, my manager, that they’ll be coming back together. the main reason is that ye liangqiu has been quiet for more than two years and now she’s making a high-profile comeback. she might even join a hollywood blockbuster as the female lead.” PEI Huan told PEI Qiqi everything she knew. What she meant was,”your darling is with ye Liangqiu now. She might have to support ye Liangqiu a little more.”

PEI Qiqi pursed her lips and smiled. She didn’t say anything more.

Perhaps an LAN and ye Liangqiu's relationship was no longer a secret in the industry. Asking her to interview ye Liangqiu was probably to tear down this layer of shame, but it was better this way.

PEI Qiqi prepared some documents. After that, PEI Huan kept pestering her to chat and insisted on attending the gathering that night.

The veins on old kan's forehead were popping.

"why are you the only one allowed to go to the bar, but i can't?" "Are you going to raise a mistress behind my back?" PEI Huan snorted.

Chapter 1114 Help her recall her past (2)

Old kan looked left and right. He was so embarrassed.

He lowered his voice and coughed lightly. if there's something, we'll talk at home.

however, pei huan was not someone who was easy to talk to. " kan mingzhu, tell me. it took me two years to finally make it. " she did not need to say it too clearly for old kan to understand the latter part.

his eyes were a little hot, and he finally said in a deep voice, " alright! let xiaomei come over to help you take care of your child for the night."

how could he not know that pei huan missed pei qiqi? they hadn't seen each other for two years, so there must be a lot to say.

although pei qiqi didn't really remember and it must have been a chicken talking to a duck, pei huan's brain capacity was small. she was still happy and satisfied.

old kan entered his office and let pei huan speak.

at six o'clock in the afternoon, he directly ordered takeaway. because it was summer, he ordered two pitchers of beer and ten catties of crayfish. there were also some other dishes, mainly spicy.

pei huan ate until her mouth was full of oil. she chatted happily with pei qiqi and said, " qiqi, you definitely won't be able to eat such authentic crayfish in United States. let me tell you, a summer without crayfish is not a complete summer. "

pei qiqi also ate a lot. seeing pei huan like this, she felt very close to her.

"Why are you looking at me? eat! didn't you see amy eating alone? I'm telling you, Amy's daily talk about losing weight is a lie, she's even more capable than a pig." pei huan and pei qiqi were simply confiding in each other.

pei qiqi just laughed foolishly.

ai mei glared at her and pei huan glared back.

suddenly, pei qiqi felt a little envious. it was also the first time she wanted to retrieve her memories.

She wanted to live like PEI Huan, like Amy, for real.

At this moment, all her dreams seemed unrealistic. Without any memories of the past, she was like duckweed without roots. She would drift wherever she went.

pei qiqi's heart softened. she looked at pei huan and then at amy.

pei huan couldn't hide her excitement. although amy was fierce, she was really silly and cute.

These people must have been her friends in the past. Otherwise, why did they look like they were crying when they were clearly smiling?

they chatted until eight o'clock, and the people from the magazine went to the night bar together.

pei huan pulled pei qiqi into old kan's car. amy squeezed in and sat next to pei huan, whispering, "I must send the foreign man out tonight."

pei huan sighed in her heart. if it wasn't for qiqi's headache, she would have hugged pei qiqi and cried her heart out. she would have cursed at this stupid child for the past two years!

PEI Qiqi felt the fierceness in their eyes, but her heart felt warm.

This was probably what it meant to be homesick!

When night fell, old kan ordered his men to clear the place and sat down at the closest tables. The employees of excellent people magazine all loved to play and old kan was also very indulgent towards them, so he dragged PEI Qiqi to drink and play games.

although he was drinking fruit wine, the aftereffects were quite strong, and he felt dizzy after a while.

PEI Qiqi's forehead was covered in sweat. She guessed correctly with the two employees in front of her and lost again!

"PEI Qiqi, you're so useless." pei huan leaned over from behind and reached out to knock pei qiqi, "you're going to be punished again. "

this child had no idea that she was facing two nightclub masters. she was very familiar with these little games.

PEI Qiqi groaned and laid on the table, "you want to drink again?!"

Chapter 1115 Help her recall her past (3)

At this moment, Amy brought over a cup of XO and placed it in front of PEI Qiqi, "it's this this time."

pei qiqi lay down again, "you will die if you drink it. " Moreover, she couldn't drink hard liquor. Her body didn't allow it.

she laughed as she leaned on the table. "do you have any other way of punishing me? "

She tilted her head and looked at Amy like a little animal.

even amy was a little surprised, and she said excitedly, "of course there is. for example, you can find a man with a female partner in a bar and kiss him! "

"you're so lacking!" PEI Qiqi lowered her head and laughed, "PEI Huan, can I kiss your old kan? I don't mind him having a beard.

Old Kan pursed his lips and said with a serious expression, "I mind."

Pei Huan hugged his neck and kissed him hard. Then, she tilted her head and looked at Pei Qiqi, "Pei Xiaoqi, I'm telling you, men are like clothes, and brothers are like limbs. Whoever wears my clothes, I'll break their limbs."

Pei Qiqi couldn't stop laughing. She leaned on the table and pounded on it.

Amy pushed the glass of XO and coughed, "The new little seven, you haven't drunk the wine yet!"

Pei Qiqi lay on the table like a dead dog and looked at them pitifully, "You guys only know how to bully newbies!" This 17,000 yuan was really not easy to get!

Just when Amy thought she was going to drink all the wine, PEI Qiqi stood up and said, "Isn't it just kissing a man? It's not like we haven't kissed before."

In addition, it was dark here, so he could just run away after kissing.

Pei Huan put one hand on Old Kan. "I want a man with a female companion."

"Does being killed count as martyrdom? It's a work injury, right?" PEI Qiqi asked seriously.

PEI Huan could not stop laughing. I'll protect you. She acted as if she was telling PEI Qiqi to kiss her without worry and that she would protect her from behind.

Pei Qiqi laughed and really did sway her way into the darkness.

The moment she left, PEI Huan asked Old Kan nervously, "Will you kiss the wrong person?"

If she kissed the wrong person, her Old Kan would either be injured or killed in the line of duty!

Old Kan reached out and touched his wife. "No!" A man like Tang Yu usually made no mistakes.

PEI Qiqi walked to the front and after searching for a long time, she finally found a male animal with a companion.

Since she was drunk and didn't see clearly, she apologized to the pretty woman in a low voice and kissed the man in black.

The touch on her lips was very familiar. The faint smell of tobacco had a heartbreak that was engraved in her heart.

Pei Qiqi subconsciously took a few steps back. When she saw the person in front of her, she was stunned.

It was Tang Yu!

She stepped back, her back against the wall of the cubicle. She looked at him and the woman opposite him helplessly.

It was a very intellectual and decent woman who seemed to be familiar with him.

PEI Qiqi's first reaction was, was she his girlfriend?

her little mouth opened slightly and she looked at him in a daze. she looked quite cute.

Tang mo smiled and said nothing.

xiao ran held back his laughter, " tang yu, i'll be leaving then. "

she didn't call him president, but tang yu. there was also a little bit of scheming in her voice ...

this way, if pei qiqi had any feelings for the president, her thoughts would probably run wild!

Xiao ran was also a woman, and he knew what a woman was thinking.

when she left, she felt a little sad.

today, she was here to play along with tang yu's act.

To be able to make a man care so much about a woman, arrange her path, and repeat what she had experienced, it was really a blessing.

when xiao ran walked out, his eyes were a little hot.

She looked up at the neon lights outside and laughed silently.

however, even she herself felt bitter about that smile.

Chapter 1116 Happy Birthday (part one)

PEI Qiqi leaned against the wall and looked at Tang Yu. Tears welled up in her eyes.

he was still sitting there, his black clothes blending into the darkness. his voice was a little hoarse. "Why don't you ask who she is?"

pei qiqi leaned back and looked at him. after a long time, she said, " "who is she?"

if I say that it's my girlfriend, Wanwan, " he smiled at her, " PEI Qiqi, will you be angry? "

pei qiqi glared at him, "she should be the one angry right?."

She didn't notice that the surroundings had already dispersed, and there were only the two of them in the bar.

On the table beside them, there was a small birthday cake with a lit birthday candle.

The music in the bar turned into birthday wishes, very soft and gentle.

Tang Yu looked at her, " Qiqi, Happy Birthday.

She was still looking at him in disbelief.

he walked over, held her, and brought her to that table. her small body was placed in front of him, and his thin lips were close to her ear. " "Qiqi, you can blow out the candles now."

"How did you know my birthday?" Her voice trembled a little. She wanted to turn her head to look at him, but he held her small face and did not let her move.

She then remembered that his password was his birthday. Was all of this a coincidence?

the reason why she was called pei qiqi was because her birthday was on the 7th of july, a day that no one wished for.

tang yu's voice was soft, " qiqi. "

she came back to her senses and looked at him again. then, she smiled and bent over to blow out the candle.

His large palm never left her waist. He buried his face in her neck and said in a low and hoarse voice, " Can We Dance? "

She wanted to refuse, but her body and legs were weak. The lights above her head became dim and soft, and the music became soft and gentle.

she was held in his arms from behind, moving gently. his lips were on the side of her neck. no woman could stand such torture, not to mention that he had always been familiar with her body.

In that moment of intimacy, she turned her face and asked in a low voice, " "Have I ever loved you?"

she thought that there should be. otherwise, she wouldn't have such feelings for him and wouldn't be so undefended.

"there are!" He turned her around and lowered his head to kiss her deeply. He did not allow her to struggle. He went straight in and wrapped himself around her.

She was stunned, not used to their new relationship!

This must have been prepared long ago, right?

why didn't he tell her the truth, and instead made such an arrangement?

PEI Qiqi raised her head and opened her mouth slightly. Her entire body was soft and he couldn't help but lower his head and kiss her again.

pei qiqi pursed her lips and bit his lip, " why? "

he sighed and patted her head. " qiqi, i don't want to make things difficult for you. i don't want to give you a headache. just be yourself. you can do whatever you want, okay? "

He wanted her to be happy. Even if she could never remember, it didn't matter.

as long as she still loved him, it was fine.

He could wait for her here. He could wait for her to have enough fun outside and go crazy. As long as she was willing, she could come back.

pei qiqi raised her head and looked at him. after a while, she suddenly took a deep breath, " i'll feel guilty if you do this. "

"Qiqi, you don't need to feel guilty." he ruffled her hair. " i'm willing to do so. "

she had already felt guilty and put herself in a difficult position for qin anlan. he did not want her to carry more burden.

Chapter 1117 happy birthday (part two)

PEI Qiqi's eyes were a little hot. She looked at the cake again and suddenly said, "I want to go to the movies."

His gaze was a little deep. I drank some alcohol. I probably can't drive.

"then run." she was also drunk, but her eyes were bright.

Tang Yu smiled, reached out his hand and looked at her, "Then, let's go?"

PEI Qiqi lowered her eyes and looked at his palm in a daze.

he, on the other hand, did not make a sound. he waited quietly, as if he had a lifetime to wait.

finally, she placed her small hand on his palm, and he held it gently. "let's go and watch a movie."

they were finally walking on the streets like ordinary lovers.

She hadn't changed much from before. She still had her noodles in clear soup and had her hair tied up in a ponytail, looking like she was in her twenties.

Although Tang Yu was handsome, he had the aura of an elite. When the two stood together, there was an obvious age difference but it was strangely harmonious.

when they reached the cinema, she took out his wallet and bought two tickets and a big bucket of popcorn.

tang yu laughed,"you can eat it?."

"There's still you," she said naturally as she lined up to check the tickets.

Tang Yu smiled and placed his hands on her shoulders. His face was full of love.

There were already many young ladies around them secretly looking at them. PEI Qiqi also noticed Yueyue.

"It's all your fault, you're too attractive." She turned around and hugged his waist, clingy like a koala.

Tang Yu patted her. PEI Qiqi, many people are looking at you.

"i'm not afraid." Her voice was like that of a little lamb. you said that you would be my slave.

yes, PEI Qiqi. I actually want to change that day into night. He smiled and pushed her into the cinema.

when the movie started, he raised his eyebrows. "pei qiqi, are you sure you want to watch a horror movie?"

"yes, i'm not afraid!" she ate the popcorn like a little mouse and said with a smile.

tang yu didn't say anything else. however, when the movie was 10 minutes into the movie, the little mouse was in his arms. it was shrieking and trembling.

“you're not afraid? hmm?” he lowered his head and looked at the little guy in his arms.

pei qiqi's little hands hugged him tightly and her voice was muffled, ” i'm not afraid. i'm just excited. ”

His gaze softened and he patted her little head. then, continue to be excited.

After that, he simply put her on his lap and let her sit in his arms.

the people on the left and right looked on with envy. this painting was really crispy.

After the movie, PEI Qiqi was excited for half the time.

I wasn't afraid in the past. I wasn't even afraid when I watched it with an LAN. She looked up and said softly.

however, to him, it was like dropping a super bomb.

tang mo narrowed his eyes.

Did she and Qin Anlan watch movies together often?

however, he couldn't bring himself to ask this question because his pride didn't allow him to.

in reality, he didn't know that he was acting in a fit of pique.

pei qiqi felt his body stiffen and laughed gloomily. she poked his heart with her little finger, ” “Are you angry?”

They had agreed to be sharpshooters for one day, or rather, just for one night.

The more she spent time with him, the more she felt that she and Yingying had a past.

she thought of being careful and thought of that possibility.

her heart was broken for him.

if that was really the case, then what kind of feelings did he have when he saw her return to the country with qin anlan and saw her become someone else's wife?

Chapter 1118 happy birthday (part 3)

PEI Qiqi wasn't a fool. Plus, Tang Yu was so obvious. He obviously wanted her to remember everything but was afraid of agitating her.

this fool!

even if she could not recall anything, she already liked him very, very much.

It was just the fifth time they met.

However, just like him, she had the intention to continue this ambiguous relationship to the end. This was because she was still an Lan's wife right now. Before they resolved it, neither of them was willing to talk about the matter.

"let's go, tang yu." pei qiqi lay in his arms. the people around them had already left, leaving only them and the cleaning lady.

Tang Yu reached out and touched her. He smiled, "okay.

he was not in a hurry.

his qi qi had already guessed it.

He also knew that Qin Anlan would find out about everything that happened tonight.

since qin anlan was not in B city, he would definitely send someone to follow him, and KIME was the best candidate.

when they went out, there was a flash of light. tang yu didn't care about yingying and just held her hand as they walked to a nearby food plaza.

although it was almost midnight, it was still very lively there. tang yu took her around to eat and fed the pig until it was full. he watched her run in front of him and raised her hands for him to take pictures. he watched her smile brightly.

His face was full of love.

PEI Qiqi, as long as you're happy.

the silhouette of time and her gaze were eternal in his eyes.

when she smiled, her eyes curved into crescents. he looked at her and felt that they had not been different for the past two years.

he felt that she had never forgotten about it.

even if she were to become someone else's wife, he would always have a place in the depths of her heart.

tang yu's eyes were a little wet. he was waiting for her and his qiqi had been waiting for him too.

he took a picture of her smiling face and walked over. he hugged her in the crowd and lowered his head to kiss yingying.

It was drizzling, and the small stalls were all closed.

the early summer night became cool, and the surroundings became empty.

but he still kissed her over and over again, murmuring her name, yingluo.

the rain was getting heavier, but he didn't drive. it was late at night, and there was no car to be found on the street. in the end, he took her to a small public phone booth to take shelter from the rain.

the transparent glass was covered with water droplets, and every drop of water reflected the prosperity of B city. in that colorful world, she leaned in the small space and looked up at him helplessly ...

Both of their clothes were wet. At this time, in the small space, the temperature rose, and they were both wet and hot.

that kind of intimate temperature could almost burn people.

Her breathing was a little rushed, and her heart was heaving up and down. Her little hand was placed flat on the glass behind her, and she leaned back more and more because he was getting closer and closer to Yingluo.

she was suddenly kissed, and their lips touched each other. it was extremely hot.

she stood on her tiptoes because it was more convenient for her to cater to his every desire.

His lips and tongue invaded hers, and his large palm was like fire, branding every inch of her skin.

It was still raining outside, and the air was cool and refreshing.

in this small space, it was warm and ambiguous-pei qiqi lowered her eyes. her eyes were filled with tears. she looked at his head and said in a weak and charming voice, " don't whine like this. "

he half-knelt in front of her, his hands firmly holding her small waist, giving her all the wild imagination.

perhaps it was the environment, or perhaps he was too familiar with her body, but pei qiqi felt like she had died once.

She felt like she had gone crazy. How could she allow him to kiss her in such a place?

Chapter 1119 happy birthday (part four)

"dirty." She panted heavily, her little hand tugging at his black hair, but he staggered as if he couldn't feel the pain.

It was only when her body went soft that he caught her and held her in his arms.

PEI Qiqi bit his shoulder and wrapped her arms around his waist. She was afraid that if she let go, she would turn into ashes.

She was a little afraid. She was afraid of this strange, strong feeling.

she had never felt such a strong feeling in her memory.

She couldn't accept an LAN, but she was kissed by Tang Zheng like this ... It was a little shameful.

After a long time, she let go and bit her lip. you have to forget.

it was too embarrassing.

tang yu smiled. " qiqi, if i forget, i will never be able to find you again. "

His hands cupped her small face. It was the most straightforward confession, and also the closest to the truth.

Although PEI Qiqi had already guessed it, she was still shocked.

She looked at him, her lips trembling.

Qiqi, I've told you. You have to find the answer yourself. His fingers gently caressed her lips. do you want to explore it now? "

His eyes were extremely deep.

pei qiqi raised her head and said after a while, " "for now, i only want to explore your body."

"i'm honored." he smiled. " i'll be there anytime if you want it. "

PEI Qiqi's face turned red.

however, he took a tissue from her small bag and helped her clean it up. his actions were very skilled.

she had no doubt about their relationship, but she still felt a little guilty.

she thought that he didn't really want her because of the environment.

"Qi Qi, no!" as if he could read minds, he sighed. " "i just don't want you to feel guilty."

she stopped talking and just reached out to hug him.

She hugged this unfamiliar, familiar man whom she should have once loved deeply.

Tang Yu, I'm little Xinxin's mom, right? " "there's a wound on my lower abdomen," she suddenly said.

perhaps, it was because of this wound that she could not accept an lan and could not be his real wife.

that wound was left behind when she was giving birth, and she could vaguely feel that the man who had impregnated her was not an lan xuanji.

Tang Yu didn't say anything but he tacitly agreed.

pei qiqi pouted.

in an instant, he felt like he no longer had any advantage over an lan.

he had a child with ye liangqiu and she had a child with tang yu. what was this?

why did she and qin anlan become husband and wife?

"Qi Qi, don't think about these things." He was afraid of losing her, afraid that she would suffer. He would rather that she didn't know anything, forget those dark past, and start a new life.

pei qiqi and he stood in the small public phone booth and looked at each other for a long time.

They didn't know when the rain stopped, but when they went out, the air was so fresh that they greedily took a few breaths.

” tang yu, can you carry me back? ” she wrapped herself around him and was extremely sticky.

Tang mo squatted down and patted her. “Get on.”

pei qiqi happily laid on it, ” let’s go, old ma. ”

he patted her little butt to show his punishment, but he still walked in the direction of xia city.

After the rain, there were puddles on the ground. In the dead of the night, it was especially clear when one stepped on it. At first, PEI Qiqi could still disturb him. Later on, she felt sleepy and leaned on his shoulder. Her voice was also muffled, ” Tang Yu, you must have loved me a lot in the past.

“yes, i treat him like a treasure.” his voice was even gentler than the night. he turned to look at the little guy on his shoulder, and his heart was filled with love.

PEI Qiqi acknowledged him and wrapped her little hands around his shoulders. She was very delicate and called him ‘brother’ by his ear. She wanted to tease him.

Tang Yu knew what she was thinking and patted her as a punishment.

later on, she was so tired that she fell asleep on her stomach.

tang yan listened to her light breathing and his eyes softened. ” qiqi, i missed you so much! ”

tang yu, i miss you too.

her dream was sweet and fragrant. she dreamed that she was on tang yu’s shoulder.

He asked her who she liked and urged her to say that she liked her father.

she was hit on the butt. later, she told him that she was tang yu’s father.

Tang Yu’s father?

PEI Qiqi was awoken by her own perversion. When she woke up, it was already morning.

the morning after the rain was particularly fresh. she sat up and found a white rose on the bed.

He smiled and picked up the Rose. After looking at it for a long time, he smiled.

He got off the bed barefooted, opened the window, took a deep breath, turned around, and saw a little person sitting on his bed ...

Be careful.

Xiao Xinxin was dressed in a small white dress and carrying a small bag on her back. She was sitting on her bed in a very neat manner.

PEI Qiqi blinked her eyes. Towards this little guy who could very well be her child, her feelings were very complicated. Did she really give birth to this bad little thing?

she looked at the little bad guy, and the little bad guy looked back at her.

After a long while, little Xinxin pouted. "Qiqi, you don't look surprised at all."

pei qiqi immediately stiffly laughed, "very surprised! little friend, how did you get in?"

"Dad brought me here." daddy is on a business trip for two days. I want to stay here, " she said confidently.

PEI Qiqi coughed,"you know about our Yueyue's relationship?."

"dad said that it was because his YY chromosomes and your X chromosomes crossed, that's why i was born." Little Xin's face tensed up, " PEI Qiqi, are you trying to deny it? "

pei qiqi didn't know whether to laugh or cry. he made it sound like she was the one who had sex and then abandoned her.

However, she could tell that little Xinxin was bluffing. The little guy was fierce, but he was actually afraid that she would not love him!

PEI Qiqi walked over, bent down, and looked at little Xin Xin seriously, " " i might not be able to accept having a daughter all of a sudden, but i really like little xinxin. "

"i can call you big sister." Little Xinxin said with some disdain, " I've been called that before anyway.

PEI Qiqi didn't know whether to laugh or cry.

Little Xinxin dropped another bomb. in the past, you used to call daddy brother. Sometimes, you even called daddy Wanwan like I did.

PEI Qiqi was shocked. Was Qianqian that perverted?

was it better if she didn't recover her memory?

little xin's heart jumped into her arms and she hugged her tightly. then, she started crying.

little xin was terrified after not having her mother by her side for a long time. she was afraid that qiqi would never come back. now, she was afraid that qiqi would not like her. she was even more afraid that qiqi would never remember her and would not want her anymore.

"qiqi, i miss you so much." xiaoxin laid in her arms with her soft and cute face. her little mouth was moving around in her arms. pei qiqi's heart softened and she unbuttoned her shirt.

Little Xin lay on her stomach and ate contentedly. Although she didn't, she still smelled nice in her mother's arms.

Little Xin chirped a few times before crying again in dissatisfaction. Why did her little milk bottle smell like smoke?

daddy must have eaten it secretly!
