

## Thank you 1121

Chapter 1121 He's shameless (1)

Little Xin started crying and PEI Qiqi was a little dumbfounded.

she had sacrificed herself, but the little bad guy was still not satisfied.

little xin cried for a while, but no one consoled her that huahua's mother was bad.

PEI Qiqi was actually a little mischievous. It was quite interesting to see little Xinxin like this. It was just like how Tang Yu didn't feel bad when he saw her cry. Instead, he enjoyed watching her cry.

little xin cried even harder. she held it in her small hands and forced herself to eat a few more mouthfuls. then, she actually cried and fell asleep.

PEI Qiqi looked on and found it a little funny. Her heart softened and she reached out to touch the little guy's head. Because of the crying, his forehead was covered in a thin layer of sweat.

“baby, let's take a shower together, okay?” She rubbed her slightly curly hair and had a feeling that she was willing to give everything she had to the little person in front of her.

Little Xin cried and cried. When she heard this, she was revived. Her eyes opened wide and she looked at PEI Qiqi, ” “Really?”

pei qiqi carried the little guy into the bathroom, filled the tub with warm water, and laid down with him.

little xin sat on her waist and was having a great time.

PEI Qiqi lowered her head and looked at the faint scar on her waist. Then, she looked at her heart and her eyes became hot.

This was her child.

He reached out and touched her, easily accepting this reality.

Just as she was feeling touched, the bathroom door was pulled open. She looked up in shock at the god-like man at the door.

Her little mouth was a little wide open!

Tang Yu didn't expect to see this scene after his flight was canceled and he changed his mind. But he quickly chuckled and leaned against the door, ” “Taking a bath so early in the morning? you'll get dizzy if you soak for too long.”

pei qiqi carefully covered her body and stuck her head out, ” “Didn't you go on a business trip?”

he was wearing a formal handmade suit, looking noble and elegant. she noticed that he even had cufflinks on, so he was probably going to an important business event.

She pulled a long face. Why did he come back?

Tang Yu took off his jacket and threw it aside. Then, he took off his cufflinks and rolled his sleeves up to his elbows.

If she still didn't know anything about all this, then what else did she not know when he unbuttoned his shirt one by one and used his belt to tease PEI Qiqi?

She closed her eyes and said in a weak voice, "Tang Yu, be careful.

His body was submerged in the warm water. Fortunately, the bathtub was large enough, and he was on the other side of the bathtub. He moved over and grabbed her small feet. what do you think about it when you're not here? "

pei qiqi snorted,"no way."

she covered herself. in fact, she didn't know that she looked more attractive like this.

tang yu calmly took little xinxin off her body and placed her on his waist. at first, she didn't think much of this action, but after two seconds, she immediately covered her body. then, she was shocked to see that he had seen her naked.

she shrank back and glared at him.

he was too evil.

tang yu just smiled. he grabbed little xinxin's arm and played her favorite game with her. at the same time, he spoke to pei qiqi calmly. he was extremely calm.

little Xin is five years old. I want her to go to kindergarten in the fall. he glanced at her as he spoke.

Truly a vivacious beauty| it smelled good, but his eyes swept back to little xin's chubby little body, as if the little fat on her body attracted him more.

Chapter 1122 He's shameless (2)

PEI Qiqi bit her lip, "you can decide.

He looked at her again. I'm discussing with you, Qiqi.

This ordinary sentence had a profound meaning. She was a little stunned and couldn't say anything for a long time.

Tang Yu laughed again, "Qiqi? "

she came back to her senses and was in a daze for a moment. she finally understood that he was discussing this matter with her as little xin xin's mother, but she was not ready yet.

This was different from playing with little Xin. This change in identity made her a little helpless.

Tang Yu reached out and carried her over. Xin Xin was in front and she sat in the back row.

and, and as soon as pei qiqi sat on it, she felt something strange!

She shifted her body uneasily, but the more she moved, the more she got stuck.

tang yu acted as if he didn't feel anything. he half-propped his body up and also hugged little xinxin. pei qiqi immediately moved forward as well. that feeling made tang yu let out a deep breath and his eyes deepened.

I've bought over a chain of institutions, and all of their teachers are here. Take a look and see which one of them is suitable to be a teacher for little Xin? " Tang Yu handed his phone to her.

PEI Qiqi took it over and sat on his body to read it. She looked through it one by one and pouted, " they all look very young and pretty. Little Xin Xin can call them little sister.

tang yu laughed, " jealous? "

"I didn't!" she looked especially cute and pouted. " i'm glad you like it. "

As she spoke, she threw the phone back to him and said carefully, " "your father is going to find you a new mother."

little xin covered her face and cried out.

Tang Yu sat up and pinched PEI Qiqi's face, " nonsense.

he was both angry and amused. she was a little older, but it seemed like she was still alive.

In the past, although she would act coquettishly, she had never acted like this.

She was messing around, but Tang Yu was also messing around. He held her waist and moved her back a little.

pei qiqi cried out in pain and glared at him with tears in her eyes.

However, because of her heart, she could only bite her lip and endure the heart-wrenching feeling.

Tang Yu chuckled, " are you still spouting nonsense? "

she got through that and gritted her teeth, meaning to bite him.

tang yu chuckled and leaned in close to her ear, " then, should i carry little xin outside? " hmm?"

PEI Qiqi lay down and bit him on the waist.

Tang Yu's gaze was a little deep. He lifted her little head and kissed her on the lips through little Xin Xin.

he kissed her over and over again, and little xin was screaming in the middle as if she was about to drown.

PEI Qiqi punched him,"be careful, be careful."

however, his voice was swallowed back into his stomach. he chuckled. " don't bother about her. "

This kiss ignited the fire in his body. In the end, Tang Yu took a half an hour cold shower.

back in the bedroom, the two of them sat on the bed and piled up building blocks. it was a lovely scene.

tang mo silently watched for a while before throwing the towel in front of her. “help me dry my hair.”

he sat down to play with little xin, and she naturally knelt behind him to dry her hair. at that time, some fragmented images kept flashing in her mind ...

PEI Qiqi shook her head and looked at Tang Yu. Her lips moved and she called out, ” “tang yu.”

this ‘tang yu’ was different. it sounded like she was unconsciously teasing him. she wasn’t calling him the tang yu she met by chance, but the man she once loved deeply.

Chapter 1123 It looks delicious (part one)

Tang Yu looked at her with a deep gaze.

Reaching out, he gently stroked her long hair and called out her name.

She looked up, her mouth slightly open, and her eyes were filled with an indescribable fragility. She seemed to have thought of something, but she wasn’t sure. She just looked at him.

tang yu. tang yu looked at her and felt like his name was engraved in her heart.

she was finally certain.

he got close to her and did so many things just to make her remember the past. she couldn’t remember it, but she was sure that he was the person she was looking for.

It was the reason why she wanted to stay in B city.

She was wearing a bathrobe and sitting in front of him gently. Her long hair was let down and it was very tangled.

This gaze was like a promise of a lifetime. However, her expression suddenly became pained, and she pressed her head with her hand. it hurts.

Tang Zheng was shocked and quickly got out of bed. He found the medicine and fed it to her.

After a while, she calmed down and leaned in his arms with a pale face.

Qiqi, I’ll take you to the hospital to see the doctor, okay? ” Tang Yu pressed her little head into his chest and felt a little heartbroken. He couldn’t keep taking this medicine like this!

PEI Qiqi was afraid of going to the hospital so she shook her head and buried her face in his chest. Her little hands wrapped around his waist and she didn’t say anything.

He felt a little helpless.

Little Xin’s chubby little body hugged PEI Qiqi from behind. Her chubby and short legs were very cute as they wrapped around PEI Qiqi’s waist. She was like a Little Bear without a tail and her voice was soft, ” “Qiqi, listen to your father.”

although the little guy usually didn’t care, he was especially nervous at this time. he pursed his lips and kissed her back twice. Qiqi, be good. Xinxin is not afraid of injections.

pei qiqi felt so embarrassed.

tang yu smiled. he looked at the one in his arms and the one behind him. his gaze was extremely gentle. he pinched pei qiqi's little face and said in a hoarse voice, " " look, even little xin isn't afraid. our qiqi is already so big. she should be even less afraid. "

His words were full of love. PEI Qiqi stayed in his arms. She had a feeling that she would never want to leave. He lowered his head and kissed her on the forehead, " I'll change your clothes. Be good and go to the hospital.

he had wanted to bring her there for a long time because she had been treated in the United States and had never had the opportunity to do so. this time, he just happened to mention it to her.

PEI Qiqi was afraid of pain and wanted to deny it, but Tang Yu had already walked into the changing room and picked out a set of clothes. He helped her put on her clothes carefully and seriously, as if he was taking care of Xiao Xinxin.

PEI Qiqi's heart softened. No wonder Xinxin said she used to call Tang Yu " dad " and " bashful " about how they interacted. Was it really that perverted?

she pursed her lips. when did she suspect that this was the place she had stayed in?

Perhaps everything here was to her liking-the decorations, the decorations, everything.

Perhaps she could find what she was looking for with her eyes closed, and even the things in the refrigerator were exactly the same as her habits. Not to mention, the smell on the bathrobe was the brand she was used to, and even the paper towels in his car were her favorite.

Tang Yu's understanding of her far surpassed an Lan's. Not to mention, there was also little Xin Xin.

this child looked more like tang mo, but his eyes also resembled hers.

tang yu also changed his clothes and carried her out. she pulled on his sleeve and said in a low voice, " i can walk by myself. "

Chapter 1124 It looks delicious (2)

Xiao Xinxin followed behind and looked at her father as the princess was replaced. In the past, her father only carried her, but now it seemed that he loved Qiqi more.

Xiao Xinxin's eyes were watery. Xiao Xinxin had fallen out of favor.

Tang Yu touched PEI Qiqi's head with one hand, " "Carry on! i'm going to sleep in the car."

he did not care if he had spoiled her. he just wanted to spoil her so that she would not be able to leave him.

PEI Qiqi's head was indeed a little dizzy. She fell into a deep sleep in his arms.

tang yu put her in the car and looked at little xin xin, " "You have to take good care of your mother."

little xin nodded with tears in her eyes.

Of course, Tang Yu knew what his little princess was thinking. He patted her head and chuckled, " from now on, we'll have our Prince to protect us.

As for father, he had to protect mother.

he got into the car, fastened his seat belt, and drove to sheng yuan hospital.

On the way there, he had already contacted doctor Yuan. Once he arrived, he would head over directly. When he parked the car in the hospital's parking lot, PEI Qiqi woke up.

“we’re at the hospital.” Tang Yu unbuckled his seatbelt and opened the back door. He carried little Xin with one hand and helped PEI Qiqi out of the car with the other because she insisted on not being carried by him.

the lobby of sheng yuan hospital was clean and the marble floor tiles were polished until they were snow-white. there were many patients because it was the weekend.

tang yu led pei qiqi and carefully to the elevator. they were ready to go upstairs and find dr. yuan.

However, she did not expect to meet Qin Anlan's family of three.

a family of three meeting a family of three, the scene was very subtle.

Qin Anlan was carrying ye Muyun in his arms as he walked side by side with ye Liangqiu to the elevator. Ye Liangqiu was wearing sunglasses and didn't look too good.

tang yuan's family of three happened to be standing in the elevator, so they were face to face.

The atmosphere became tense.

Especially Qin Anlan and PEI Qiqi, who were doing that during their wedding. Their expressions were especially interesting.

(Ah, you're out?)

(ah, you're out too? i'm relieved!

At this time, if they said more, it would undoubtedly make the situation more embarrassing, so neither side said anything about it.

pei qiqi sneaked a glance at the little boy. he was very good-looking and looked more like ye liangqiu.

Qin Anlan and Tang Yan nodded, but their eyes were locked on PEI Qiqi's little face. They said in a hoarse voice, ” “what's wrong?”

pei qiqi's voice was a little dry, ” my head hurts. i came over to take a look. ”

As for why he was having a headache, Qin Anlan knew. He looked at Tang Yu with a reproachful gaze.

tang yu didn't argue.

ye liangqiu didn't say anything, as if he didn't care.

however, her son, ye muyun, kept staring at little xinxin. he looked at that small, soft, and fat little fellow. yingying had never seen such a beautiful little thing before.

moreover, she was fat and cute, and her arms were small. she must be delicious.

ye mu yun was a perverted picky eater and wasn't interested in any kind of food. but now, he finally felt that one thing was delicious.

it was the little xinxin in front of him.

The seven-year-old ye Muyun decided to eat his heart up.

his gaze was unusually fervent. the adults didn't notice the storm brewing between them, but only little xin xin herself saw it, her eyes filled with tears.

this little brother's eyes were so scary, as if he wanted to eat her heart.

Be careful, you know the truth!

ye muyun's usually pale face turned red. his eyes didn't look like those of a seven-year-old child.

Chapter 1125 It looks delicious (3)

Xiao Muyun slowly struggled out of Qin Anlan's embrace ...

little xin xin didn't even let anyone carry her, so he didn't want an adult to carry her.

His gaze became even more fervent, and his heart felt a dense malicious intent.

she didn't want to be eaten!

as soon as the elevator door opened, xiao xinxin was the first to rush out.

the nurse at the elevator door was holding a few hot water bottles and was about to come in when little xinxin rushed over and bumped into huahua.

the hot water didn't burn little xin, but as the nurse dodged, little xin's body was sent flying towards the wall.

tang yu immediately reached out his hand to block but a small figure was faster and blocked xiao xinxin.

it was xiao mu yun.

however, he was still young and his body was extremely fragile. usually, his body would be covered in bruises when he touched it. after the collision, blood immediately flowed out of his forehead like a fountain. he needed qin anlan, the mobile blood bank, to replenish his blood!

little xin was scared out of her wits as she stared blankly at the little brother in front of her, who was spurting out blood like a fountain.

Being careful and afraid of blood, she looked at it for a while before her chubby little body lay down and fainted.

this kind of change was not something the adults could have imagined.

Qin Anlan pressed on Xiao Muyun's forehead. Tang Yu carried little Xin and said in a deep voice, " send an ambulance immediately. i'll arrange for a doctor. "

he didn't like qin anlan, but qin anlan's son had become like that because he wanted to protect little xinxin. the child was only a few years old, but he didn't cry or make a fuss when he bumped into him.

From the bottom of his heart, Tang Yu admired her.

The group of them rushed to the emergency room. When they arrived, a doctor helped ye Muyun stop the bleeding. However, his physique was special. It took five minutes for the bleeding to stop. During this time, Qin Anlan had to give 200 ml to ye Muyun.

PEI Qiqi had long forgotten about her headache. She looked at the child and ye Liangqiu's enduring expression.

She suddenly felt that it was shameful to be Mrs. Qin. Her real wife and child were here.

pei qiqi pursed her lips and looked at little xin. little xin had already come back to life and was staring at ye muyun.

Ye Muyun's bleeding had stopped, but the doctor said with pity, "there might be a scar on his forehead."

"But for boys, appearance is not the most important," he paused.

Qin Anlan didn't say anything, so ye Liangqiu calmly said, "it's fine as long as you're fine."

From the beginning to the end, there was no communication between the two women, because their relationship was too delicate.

PEI Qiqi felt bad, especially when she saw how strong Xiao mu Yun was. Her eyes turned red like a little rabbit and she said in a low voice, "thank you for saving little Xinxin."

ye muyun sat weakly on the bed and looked at her mother who was teasing pei qiqi about the delicious desserts. then, she looked at little xin. the little girl's eyes were deep and unfathomable. she just smiled and didn't say anything ...

such a fat and tender little fellow was like a small steamed bun. if she were to break it, it probably wouldn't be delicious anymore. qingqing, save her. she just wanted to preserve the food's integrity so that she could eat it in one bite in the future.

the adults all felt that ye muyun loved his little sister. how would they know that he had so many thoughts?

only little xin's eyes were filled with tears as she looked at ye muyun wanwan, this little big brother, who was once again showing an expression of wanting to eat her up. how terrifying!

However, she didn't dare to cry. She only dared to look at him with tears in her eyes, making her look even more tender and delicious.

Chapter 1126 I'm sorry, an LAN (1)

ye liangqiu and the doctor were discussing the child's condition. qin anlan glanced at pei qiqi, "let's go out and chat for a while. "

He took the lead and left.

pei qiqi looked at tang yu helplessly and then looked at pei qiqi with caution.

after a while, tang yu smiled and patted her head, " go! I'm here to look after the child."

He was very generous, but this generosity was bitter and had to be done.

Her life was saved by Qin Anlan, and she had feelings for him. He had seen her holding Qin Anlan's arm like an older brother. How could he destroy such feelings?

if it was destroyed, then he would probably be detested in qiqi's heart.

He had done so much for her, so much so that only he could feel the bitterness.

However, he didn't want to make things difficult for his Qi Qi. Not at all.

Ye Muyun raised his eyes and looked at this uncle. He was obviously unwilling, but his mother still left the food to take a stroll.

PEI Qiqi walked out and paused. She saw Qin Anlan at the end of the corridor with a cigarette in his hand. He was looking at her quietly.

she walked over slowly until she was two steps away from him. she called out to an lan.

Qin Anlan's gaze was a little light. He rarely looked at her with such a light gaze.

"You've been with him for the past two days?" he asked after a long time.

pei qiqi nodded her head heavily and looked up at him, " an lan, our yueyue. "

"wait for me to finish." he interrupted her, his tone a little rough.

PEI Qiqi pursed her lips.

qin anlan turned around and looked out of the window, leaving her with a desolate back view.

He took two deep puffs of his cigarette before saying softly, " "Qiqi, this is my past."

She was stunned for a moment, knowing that he was going to lay his cards on the table.

If he didn't run into ye Liangqiu and ye Muyun today, he probably wouldn't have told her about them. He didn't ask about her and Tang Yu, which meant that her past was between Tang Yu and little Xinxin.

"An LAN." She called his name softly. why didn't Zhenzhen accept her? "

His back froze and he didn't say anything for a long time. PEI Qiqi thought that he wouldn't reply but he slowly turned around and looked at her, " Qiqi, if we didn't exist for these two years and mu Yun didn't exist, I would have decided to marry her, Yueyue.

As she spoke, she laughed at herself. Ye Liangqiu had been living a pure life all these years for this day. However, no one would have thought that God would arrange for PEI Qiqi to be by his side.

"With these two years, I can't give up." he looked at her with pain in his dark eyes."qiqi, do you think i'm someone you can give up?"

His words trapped her.

PEI Qiqi lowered her head, "an LAN, I'm sorry.

"you still want to divorce me, don't you?" His voice was hoarse, and his hand trembled. The cigarette in his hand almost burned himself.

especially since he just had his blood drawn, he didn't look too good. this made pei qiqi's heart ache. after all, they had lived together for two years. he was very good to her. in the two years when she lost her memory, he was the one who took care of her. in fact, these two years could be considered happy.

Even though they were only husband and wife in name, he would still give her flowers on Valentine's Day, present her birthday, and take her to go skiing on Christmas Day.

he had done so much for her, and she had not forgotten any of it. all of this made her unable to say yes to him. that was too cruel to an lan.

Chapter 1127 i'm sorry, an lan (2)

How could Qin Anlan not know that he was using the past to force her? he felt that he was a little pitiful. They were clearly two parallel lines, but he had to hold her down and not let her go far.

qin anlan laughed softly but bitterly. "qiqi, i'm back in B city. if you're free, remember to come home. "

He placed a key in her palm for a long time before he said in a low voice, " "You know the address."

pei qiqi looked up and saw his pained eyes.

He turned around and said in a hoarse voice, " "Qi Qi, go! before i regret it, let's go."

He didn't agree to the divorce. He had a negative attitude towards it. He wanted her to be with Tang Yu because ye Liangqiu was by his side. It was too much of a coincidence.

PEI Qiqi stood behind him, her heart filled with unspeakable sadness.

It would be a lie to say that she did not like Qin Anlan at all. It was just that there were too many mixed feelings. She was very comfortable with him, just like family. She was less moved.

but if he was sad, she would be sad too.

she gently stepped forward and hugged him from behind, just like how they had hugged each other in new york. she hugged him a little shamelessly. "an lan, don't be angry. "

His back stiffened for a moment, and after a while, he laughed bitterly. I'm not angry with you.

"I'm angry with myself," he said in a lower voice.

Qiqi, if I wasn't so ridiculous before, I wouldn't have let you go. I would never have hesitated.

after pei qiqi left, kie appeared silently behind qin anlan, "boss qin. "

qin anlan's eyes were a little red when he turned around. "did you get the thing? "

Qin Anlan looked at boss qin's expression and didn't dare to say anything more. he quietly handed boss qin a kraft paper bag and left.

Qin Anlan lowered his head and looked at the document. After a long time, he untied the thread.

when he opened the folder, there were dozens of photos inside. every photo was of tang yu and pei qiqi.

There were scenes of them celebrating their birthday at a bar, of them at the cinema, of them kissing passionately in a public phone booth, and of Tang Yu carrying PEI Qiqi home late at night.

Qin Anlan's eyes were a little red, and his hands were shaking.

after a while, he took out a cigarette from his pocket and took a long puff. he looked up, not letting the heat fill his eyes.

Ye Liangqiu stood behind him, silently watching this man, watching him grieve over another woman.

"mu yun might need another 200 ml of blood," she said slowly.

Her voice was cold and emotionless, as if he was a blood bank.

Qin Anlan suddenly turned around, his eyes locked on her.

ye liangqiu's gaze fell on the leather bag in his hand. she knew that it was given to him by KIME but qin anlan didn't know that KIME had betrayed him and was now working for tang yu.

Qin Anlan looked at ye Liangqiu and asked slowly, "in your heart, I'm just a mobile blood bank, right?" Sometimes, he even suspected that this woman was cold-blooded.

If she loved him as much as she showed, then how could she be so calm when she drew his blood?

ye liangqiu's voice was very light as he calmly said, "Yes."

qin anlan sneered. "ye liangqiu, why are you telling me about mu yun's existence at this time?" "don't tell me you didn't make a deal with tang yu?"

"The deal was on that day." she was blunt and always dared to speak.

qin anlan's expression turned even colder. "as far as i know, city A's rh-negative blood bank has not been particularly tight for the past two months. with your resources, it's not impossible to get it."

Chapter 1128 i'm sorry, an lan (3)

Ye Liangqiu remained unmoved by his question. because I want to give the best to mu Yun. Your blood is the best for him, "she said calmly.

Qin Anlan could not deny it.

however, he had the urge to strangle the woman in front of him.

ye liangqiu's tone was indifferent. "mu yun is waiting."

She was the first to leave, but Qin Anlan held her back.

ye liangqiu turned around and saw qin anlan looking at her with a burning gaze. that gaze was definitely not kind, and before she could analyze his meaning, her body was pressed against the wall. then, her lips were kissed fiercely.

she widened her eyes and looked at the man in front of her in disbelief. he was kissing her?

Right after PEI Qiqi left?

however, she soon found out that he wasn't kissing her, but punishing yingluo.

he bit her lips and abused her little mouth. he bit her until it was swollen and painful. it was definitely uncomfortable, and it would not be fast at all. | grateful

She struggled for a moment, but in exchange, he took her even more violently. Her body was almost crushed against the wall by him, and her ribs hurt one by one, as if they were about to break.

his thin lips pressed against the side of her neck, and he bit her punishingly.

Ye Liangqiu called out in a low voice. Her beautiful eyes opened in a daze, a trace of pain in them.

“ye liangqiu, you also know pain?” qin anlan tasted the sweet taste of her blood.

he moved his face up and pressed it against hers, looking into her eyes. his voice was even colder. ” ye liangqiu, i thought you weren't afraid of pain and couldn't feel it. it turns out that you can feel pain too. ”

as he spoke, he suddenly let go of her and licked the blood on his lips. he looked at her coldly and retreated continuously, leaving her alone in the end.

ye liangqiu's hands were pressed flat against the wall, and she struggled to support her body.

she looked at his back and touched the wound on her neck. she teased him, thinking that she would not feel pain.

how could she not be in pain?

that nineteen-year-old girl was called to his office and was opened in such a shameful way. how could she not be in pain?

When she was pregnant, she didn't dare to tell him because he said that she was King Entertainment's rising star. If she told him that she was pregnant, he would definitely make her abort the child.

What he wanted was the goods, not her as a person, and not her child.

at that time, she had endured the immense pain and completed work after work. she would feel pain.

later, she hid and gave birth to the child. in that small hospital, she used all her strength to give birth to mu yun. that heart-wrenching moment, if it was not pain, what was it?

At that time, she was not even twenty years old.

she had given birth to a child for a man who didn't love her and treated her like a commodity.

and now, he was saying that she didn't know pain?

'Qin Anlan, it's not that I don't feel pain. I'm just numb to the pain. It's so painful that I want to give up.'

She walked into the bathroom and looked at herself in the mirror.

In the mirror, she was extremely pale, but there was a red bite mark on her neck, which was very ambiguous.

Ye Liangqiu gently caressed it and smiled. Who would have thought that this was a hickey filled with hatred?

By the time she returned, Mu Yun had already received a blood transfusion and was lying down quietly asleep. Qin Anlan's palm gently caressed Mu Yun's small face. His expression was very gentle, not at all like the coldness he had when facing her.

Ye Liangqiu chuckled. She laughed at herself and at Qin Anlan.

If he didn't love her, why did he force himself on Yingluo?

Did she scheme against him, or did he make her lose her?

I can't calculate it!

## Chapter 1129 Qi Qi, are you sure you want to do this?(1)

After this incident, Pei Qiqi's head miraculously stopped hurting. She walked over to Dr. Yuan's place. However, when Tang Yu was talking to Dr. Yuan, a stack of medical records magically appeared in his hands. She glanced at them and saw that they were hers.

In the end, Tang Yu decided to let her take Little Xin out to play while he talked to Dr. Yuan.

Even though it was a hospital, the two men were much more relaxed behind closed doors. Tang Yu and Dr. Yuan each had a cigarette and were smoking hard.

After a long time, Doctor Yuan asked with a slightly bitter tone, "How has Chongshan been recently?"

Tang Yu held the cigarette between his fingers and glanced at Dr. Yuan silently. Then, he slowly said, " " Sometimes it's good, sometimes it's bad. When it's good, it's normal. But when it's bad, we don't even know who it is. Mrs. Shen's eyes are damaged. "

Doctor Yuan sighed.

Originally, Chongshan would not have any problems so quickly. It would not be a problem for him to endure for another five or ten years. However, after being provoked by Shen Lian two years ago, he was not in a good state.

Doctor Yuan's voice was heavy. "Where is Shen Lian?"

"In the sanatorium, with people watching over her." Tang Yu said it nonchalantly, but Dr. Yuan knew it wasn't the case.

Shen Lian's brain wasn't too damaged and could be treated, but Tang Yu didn't send her to jail. Instead, he locked her up at the nursing home. There, she had to live in darkness even more than if she was in jail.

there were four people who looked after shen lian all day long. shen lian's hands and feet were also tied up every day.

Her mind was clear and she was suffering, but this was the price she had to pay.

although dr. yuan felt that she was too ruthless, it was just like how she came out to harm people. the person was not crazy, but the devil in her heart was too deep.

doctor yuan let out a long breath. " i didn't expect chongshan to have such a happy life and end up like this. "

Tang Yu looked at the cigarette between his fingers. After a while, he said, " "Fortunately, there's always someone to accompany him."

dr. yuan understood and sent him out. before they parted, he looked at tang yu, " perhaps, it's a kind of fortune that qiqi will never remember. "

Tang Yu nodded.

doctor yuan smiled. " take good care of her. she's chongshan's only bloodline. "

he wanted to say something but stopped. tang yu knew what he wanted to say so he paused, " " i'll help qiqi take care of the company. it's just that she's acting like a child now. let's play for a few more years. "

The truth was, Tang Yu didn't want PEI Qiqi to work so hard. Qiqi had talent but she never wanted to manage a company herself. He didn't want to make things difficult for her.

doctor yuan nodded dejectedly.

This was Chongshan's last wish. However, Tang Yu couldn't bear to part with PEI Qiqi and wanted to protect her.

This was understandable.

Tang Yu slowly walked down the stairs and sat in the car. Behind him, the two of them were lying on their stomachs. They looked at him and it was obvious that they had waited long enough.

pei qiqi looked at tang yu, " are you okay? "

"what can happen?" tang yu turned to her and touched her face.

pei qiqi cried out and hugged his arm, " "I'll come over tomorrow to take a look! I heard from the nurse that ye Muyun needs to be hospitalized."

Tang mo fastened his seat belt and said, that's good too. Bring little Xinxin along.

"what about you?" she didn't know that her voice was full of reliance. although she said she didn't remember, in her heart, tang yu was already extremely important. he was so important that he was the person closest to her.

perhaps, she had not forgotten him at all.

Tang Zheng smiled. I really have to go on a business trip tomorrow.

pei qiqi hugged his neck from behind, " then, you don't have to worry? "

Chapter 1130 qi qi, are you sure you want to do this?(2)

tang yu's breathing was messed up. feeling her hug, he felt like he had returned to the past.

After a while, he patted her hand and said in a hoarse voice, " " alright, qiqi, stop messing around. otherwise, you might be laughed at. "

" don't call me 'mommy' so carefully, " she said in a particularly serious tone. " i want to be an older sister. "

Little heart called out 'big sister' from the side.

Tang Yu turned the steering wheel and said, " " then, qiqi, you have to call me daddy too. "

when her father returned home, he would press the little girl down and kiss her in the bathroom while she was asleep. they were so sticky that she couldn't get enough of it. she could also feel his excitement.

PEI Qiqi's body was as soft as water. If he didn't support her, she would have fallen.

She had always yearned for his body, and now that he was kissing her like this, she couldn't take it anymore. Her little hand hung around his neck, and her little mouth moved closer for him to kiss. It was slightly red and swollen.

But why was he still kissing her?

the little girl was a little dissatisfied and rubbed her face against his.

tang yu lowered his head and nibbled on her ear, " "You want me to kiss you there?"

pei qiqi looked up. her watery eyes were filled with an unquestionable desire. she remembered him kissing her in the pavilion. the humidity from the rain and the dazzling brilliance in the sky.

she shook her head, then nodded, looking at him pitifully like a puppy.

tang yu nibbled on her little neck, " beg me to call me daddy. "

Abnormal!

Her little foot kicked him, but it was caught by his hand, and he did something indescribable.

all of this was beyond pei qiqi's imagination. she felt like her feet were on fire.

tang yan kissed her and murmured, " qiqi? "

she bit her lips and looked up at his handsome face. she bit him again and said in a low voice, " you're a pervert. "

He picked her up and raised her high up in the air. Then, under her gaze, he kissed Yingying impressively.

she couldn't help but cry out in pain. her little hand grabbed his arm tightly, and her body felt like it was thrown into the sky.

he didn't know where he touched, but the water in the bathroom drifted down, making the hot temperature a little cool. his head was dizzy, but he still had a little bit of rationality.

He wanted to torture her, not to mention that this was a place that was a hundred times more intimate and convenient than the small pavilion. However, he didn't really give it to her until the end.

Just this alone was enough to make PEI Qiqi feel like she was on her last breath. She deeply felt the profoundness of this field of knowledge.

After they were done, she lay in the bathtub with him. She lay in his arms like a little beast and bit him gently.

After watching a certain man's shameless act, PEI Qiqi's three views were completely destroyed.

what nobility, what abstinence, they were all lies. looking at his expression when he was enjoying it, it was especially dazed.

She had never known that a man's breathing would be so pleasant when he was in love. It made her blood boil.

she lay on her stomach and her little hand grabbed onto him. " tang yu, you're not thinking that hanhan can't do that, right? "

how could a normal man be able to resist?

as soon as she finished speaking, she cried out in pain because he was teasing her.

tang yu looked at the little guy in his arms who was looking for death. his fingers gently touched her slightly swollen lips and his voice was gentle, " qiqi, do you really want to know if i can do it? "

She immediately hugged his neck and hugged him tightly like a baby.
