

Thank you 1131

Chapter 1131 Qi Qi, are you sure you want to do this to me?(3)

she bit him with her small mouth. "no, i don't want it."

Tang Yu laughed and lay back down to calm himself down. He let her go. After a while, the little person climbed over and whispered "daddy" into his ear.

this sound almost made tang yu go crazy.

they tortured her a few times, but they still managed to hold their last line of defense.

PEI Qiqi bit her lip and sighed as she lay on the bed. What was he waiting for?

what was the difference between them being like this and being like that?

pei qiqi was thinking about the moral aspect while tang yu was thinking about strategy.

The current PEI Qiqi was like a little kitten that couldn't be tamed.

She yearned for him and liked little Xinxin, but it wasn't enough because she still had an LAN in her heart. She couldn't do everything without hesitation, so Tang Yu would rather keep her hanging.

It was like a piece of meat. She tasted the juice outside and smelled it, but if she was not given a bite to taste, she would keep thinking about it.

Tang Yu accompanied them for the whole day. The next morning, he got out of bed and got dressed.

PEI Qiqi woke up and wrapped herself in the blanket. She looked at him, "you're leaving so early?"

Tang Yu tied his tie but his hands didn't stop. He bent down and kissed her, "I'll be back the day after tomorrow.

he didn't leave her lips immediately. instead, he kissed her deeply for a long time before muttering, "after seeing ye muyun today, let's eat out for lunch. i'll get old zhao to pick up little xinxin in the afternoon."

PEI Qiqi was a little worried. will she be fine when you're not at home?"

Tang Yu chuckled and then said, "old zhao will send her to my mother's."

"qiqi," he paused. "why don't i give you the address and you can send it over?"

"

"i don't want to!" she called out softly, her little face red.

Tang Zheng pinched her small face. you've known my mother for five years and you're still so shy.

he didn't force her and left after giving her a few more instructions. he paused for a moment. "little xin's teacher has been chosen. i'm 35 years old, so i can rest assured, okay?"

“I’m not worried.” She hung onto him and let him carry her to the changing room, where his luggage was.

Tang Zheng put her down and kissed her. be obedient at home, okay? ”

she looked at him reluctantly and did something else. she sat on his suitcase and walked around.

tang yu looked on helplessly.

she was like a cat that refused to let go and looked at him pitifully. “when i wasn’t around, did you meet anyone else?”

Tang Yu’s gaze was a little deep. He walked over, picked her up, and pressed her down on the sofa. She scratched around excitedly but he laughed and held her down, ” if I did, I wouldn’t be so tired.

He said two words in a low voice-hunger and thirst.

“Then how can you still hold back!” The little guy in his arms bit his lip and looked at him with eyes full of seduction!

tang yu let out a deep breath. ” qiqi, are you sure you want to tease me like this? ”

He had endured for two years. If he really did anything to her, it would be very rough and she might not be able to take it.

pei qiqi wailed and didn’t say anything else. she just carefully and gently touched him, a little reluctant.

Of course, Tang Yu knew. He kissed her on the lips, ” be good. Come back when you’re done.

She understood what he meant and blushed. He said it as if she really wanted to.

“I really have to go?” tang yu’s voice was a little hoarse, ” qiqi, say goodbye to dad. “

Chapter 1132 Ye Liangqiu (1)

PEI Qiqi was amused. She ignored him and buried her face into the sofa.

tang yu patted her little butt and left with his luggage.

the moment he left, pei qiqi felt a little lonely. she slowly sat up straight and hugged herself as she mumbled.

she was a little hesitant, but her mind cleared up after a while.

if he didn’t love her deeply, why would he have to endure it?

after her little heart had woken up, she made some delicious tomato egg noodles for her. after the little fellow was full, they went for a walk in the small park. they bought a beautiful fruit basket from the nearest store and went to the hospital.

Qin Anlan wasn’t around, and only ye Liangqiu was with ye Muyun. The atmosphere was a little uncomfortable, but it was still better than Qin Anlan being around.

xiaoxin was inexplicably afraid of ye muyun because her little brother’s eyes looked like they were going to eat her up.

Ye Liangqiu greeted them very indifferently. She even specially ordered a dessert that little Xinxin liked.

pei qiqi looked at ye tian. the diva that could only be seen on the big screen was now right in front of her. she wasn't cold like frost. at least, she was gentle to little girls like xiao xinxin.

ye liangqiu looked at little xin, who was sitting there obediently, and a touch of warmth appeared in her eyes. " i've always wanted a daughter, but i don't think it'll be possible in this lifetime. "

because qin anlan would not give her another chance. that day, he had sex with her five times madly, but he did not really give her a single time. she could not get pregnant.

of course, under such circumstances, she wouldn't deliberately use a child to tie him down. being stupid once was enough.

pei qiqi pursed her lips, not knowing what to say. ye liangqiu seemed to want to say something to her.

As expected, ye Liangqiu opened her mouth and said in a light voice, "Can we have a chat at the door?"

pei qiqi looked at little xin and then at ye tian. she hesitated for a moment before nodding.

however, she was still willing to stand at the door. she didn't want to leave her heart, afraid that something would happen.

but little xin was about to cry, because little brother yingying's eyes suddenly became especially bright. he wanted to eat little xin xin again, just short of a knife and fork.

xiao xinxin pouted and cried softly, " "Be careful, it doesn't taste good!"

Her voice was soft, afraid that the adults outside would hear her.

Ye mu Yun looked at the crying little bun. Originally, he hated little girls crying the most, but now he felt that this little bun's crying was quite interesting.

so, the corners of his mouth curled up slightly, and he was quite happy.

this was extremely rare for ye mu yun. he rarely had such happy moments. most of the time, he was so plain that he didn't look like a seven-year-old child.

His heart was the first toy in his life.

Delicious and fun Yingying (when I grow up, I'll be more delicious and fun)

the door was closed and ye liangqiu smiled. " little xinxin is very cute. "

PEI Qiqi was about to speak when she saw the Hickey on ye Liangqiu's neck. It looked strong and intense. She was sure that it wasn't there yesterday.

ye liangqiu could feel her wolfdog-like gaze. she reached out and touched her. " pei qiqi, there are many kinds of kisses. this one is to punish wanwan. "

Her voice lowered, as if she was melancholic. to punish me for giving him a disgraceful past.

ye liangqiu knew very well that if it wasn't for her, qin anlan wouldn't have been so passive in his relationship with pei qiqi. he wouldn't have helplessly watched pei qiqi throw herself into tang yu's arms.

Chapter 1133 ye liangqiu (2)

Because of mu Yun's existence, his situation had become awkward.

She thought, he must hate her!

So be it. even if she didn't love him, it was good to hate him.

PEI Qiqi suddenly felt sad and troubled.

she wanted to divorce an lan and fulfill their wishes, but an lan didn't agree. she couldn't be so cruel to him.

" i'll talk to an lan, " she said in a low voice after a long time. " ye liangqiu, you're not in the wrong. "

what was wrong was this fate. just like her and tang yu, she missed it.

after pei qiqi finished speaking, she smiled at ye liangqiu. her smile was sincere and without any pretense. ye liangqiu seemed to have fallen for pei qiqi in that instant.

perhaps, qin anlan liked her that much too.

pei qiqi coughed and said, " in fact, we can be very good friends, provided that you are willing to give me an autograph. Well, I am your loyal fan.

She leaned closer to ye Liangqiu. there's nothing between an LAN and me.

He blinked again, his gaze falling on ye Liangqiu's neck, his teasing look very obvious.

Ye Liangqiu was stunned. She didn't expect things to turn out this way. With Qin Anlan's beastly nature, how could he not have sex with PEI Qiqi?

feeling uncomfortable, ye liangqiu said in a low voice,"tomorrow's interview will continue as usual."

PEI Qiqi looked at the door, " what about mu Yun? "

"i'll find someone to take care of him." as ye liangqiu spoke, she seemed to have been triggered by something and didn't say anything else.

PEI Qiqi could feel the distance between ye Liangqiu and her. She could understand. After all, their relationship was delicate. If they were too close, ye Liangqiu would feel uncomfortable, especially during her marriage with an LAN.

at this moment, pei qiqi felt that she had to break off her marriage with qin anlan immediately. not for ye liangqiu, but for an lan.

she could feel that ye liangqiu loved qin anlan deeply.

ye liangqiu pushed open the door and looked at her son in surprise. he was looking at pei qiqi's family with a pair of bright eyes, his gaze passionate.

this was something that had never happened before.

mu yun didn't really care about little girls.

little xin, on the other hand, was about to cry. her eyes were filled with tears and she stopped eating her dessert. she just looked at ye muyun warily, urging her little xin not to be eaten!

When she saw PEI Qiqi, little Xinxin pounced on her and buried her face in PEI Qiqi's arms. She whimpered, "be careful, don't let her eat you.

ye mu yun's smile became even more obvious. this little bun wasn't stupid, he actually knew that he wanted to eat her.

Her name was little Xin, so he would eat little Xin Xin. Where should he start?

Her eyes were very black and beautiful. Her small nose was straight and her small mouth was red and moist like jelly. It must be delicious.

His gaze was fervent, and little Xin cried even harder. he wants to eat little Xin Xin.

PEI Qiqi smiled as she picked up the little one in her arms. At this moment, her little dependence on him was so obvious. If they weren't blood-related, how could they be like this?

Her heart softened a little as she held the little guy in her arms and comforted him, "how could that be? brother muyun wouldn't eat little xinxin."

"if she's willing." ye muyun spoke softly, his tone very gentlemanly. "i will eat her up if she agrees. "

pei qiqi was stunned.

ye liangqiu was also stunned.

how old was he, and he already knew how to pick up girls?

Besides, mu Yun didn't know what eating was, right?

the two adults looked at each other, not knowing what to do.

Chapter 1134 Ye Liangqiu (3)

at this moment, ye mu yun got down from the bed and slowly walked to xiao xinxin's side.

He lowered his head and gently nibbled on Xiao Xinxin's little nose. He was especially bold ...

PEI Qiqi was still there.

was little brother yingluo eating her after she was scared to tears?

"does it hurt?" ye mu yun's voice was very low. "if it hurts, i won't eat you. "

Little Xin shook her head, her face blank.

was that eating? it didn't seem to hurt.

ye muyun pursed his lips and savored the taste for a moment. then, his expression was a little faint. "little one."

It was the taste of the milk King bun!

he didn't like sweet food, but from now on, he liked it.

custard-flavored little xin xin!

there was cat urine in xiao xinxin's eyes. she was teary and looked really cute.

ye muyun kissed her little face again. "baby, don't cry. "I won't eat you."

If you want to eat, wait until you grow up to eat Yingluo.

little xin forgot to cry and just looked at him, thinking that this little brother looked really good when he smiled.

little xinxin's eyes were filled with tears. she said softly, "little brother, can i eat you too?"

little xin suddenly felt that little big brother also looked very delicious.

she mimicked ye muyun and nibbled on his straight nose. as she nibbled, she was worried that he would bite back. that careful look was extremely cute.

ye mu yun smiled lightly, his heart had forgotten to cry.

pei qiqi and ye liangqiu were stunned. their children's marriage was set just like that?

The adults 'matters had not been settled yet, but this child's matters had already been settled?

this world was in chaos, and it was a fantasy!

Ye Liangqiu was also a little helpless. Mu Yun was a very serious child.

pei qiqi bade her farewell. since she didn't understand, qianqian should just pretend she didn't know!

ye muyun would probably forget about it when he grew up. after all, the child was still young. however, when she thought of ye muyun's expression at that time, she sighed in her heart. it wasn't that simple. ye muyun's eyes were especially firm and didn't look like a seven-year-old child at all.

pei qiqi drove little xinxin to the city for a meal and specially brought her for dessert. she was actually a little reluctant to send her off, but she had to work tomorrow and couldn't take care of her.

Luckily, Tang Yu came back the night after tomorrow. PEI Qiqi suddenly stopped herself. What was she thinking? she didn't want him to come back earlier.

little xinxin happily dug into the ice cream and secretly looked at pei qiqi. her mouth was full, "qiqi, are you thinking of daddy?"

"I'm not!" pei qiqi snorted. as a punishment, she dug out a big piece of kasaya from little xin xin's little cup.

little xinxin was stunned for a moment when she saw the bottom of the cup.

After a while, little Xin said, " I saw daddy kiss you and fight with you, Yingying!

Xiao Xinxin's voice wasn't soft and everyone around looked at PEI Qiqi.

if it was called 'mom', it would be fine. if it was said by a child, the adults would at most laugh. but carefully, it was called' qiqi wanwan'. besides, pei qiqi looked quite young.

Was that the Father's little Vixen?

PEI Qiqi naturally noticed the weird looks around her. She coughed lightly, " be careful. You can't tell anyone about mom and dad.

"does qiqi want to be little xinxin's mother?" he was being very careful and playing around.

pei qiqi couldn't explain.

Chapter 1135 you're angry?(1)

at this moment, a waiter came over and placed the dessert in front of little xin xin. he snorted at pei qiqi, showing his disdain.

it was another shameless vixen who had climbed into the bed of her master!

PEI Qiqi was dumbfounded and glared at little Xin Xin.

Little Xin burst into tears. little Xin doesn't want anyone else to be her mother.

Act with all your might, act with all your might! The gazes from the surroundings became more and more critical.

PEI Qiqi was really a little angry. She picked up her heart, paid the bill, and left.

as xiao xinxin was carried away, her eyes were still fixed on the desserts on the table, and she cried even louder.

PEI Qiqi carried the little girl into the car and placed her in the child's seat.

He looked at her carefully."Qiqi, you're so shy."

pei qiqi ignored her and sat down in the driver's seat. she fastened her seat belt and drove back to xia city.

On the way, little Xin had cat urine in her eyes. She peeked at her from time to time, but didn't dare to make a sound.

PEI Qiqi was really angry. Little Xinxin was very smart but a child shouldn't be so mean to an adult and joke like this.

She kept ignoring her. After that, little Xinxin really cried. PEI Qiqi didn't care even when she cried.

When they arrived at Xia city, PEI Qiqi carried little Xin up. Her movements were gentle but she didn't talk to her.

Qiqi, ” little Xin wiped her tears, ” you’re using cold violence.

then, what you did at the dessert shop just now was called verbal violence, little Tang Xue ‘er! pei qiqi was angry. what she didn’t want was for little xin to use her intelligence to embarrass others at certain times.

Moreover, she was still a little sad.

if little xin could say that, was it because she didn’t consider yueyue as her mother in her heart?

after all, they had been apart for so long, and she had never thought of it. that was why little xinxin did not treat her as her mother.

she was sad, but she didn’t know who to tell it to. when she went back, she felt a dull pain.

little xin saw that she didn’t say a word and ignored her, so she became even sadder. however, seeing that qiqi wasn’t feeling well, that little chubby one still ran to the bathroom and brought a small cup of water over. her chubby little hand splashed water on pei qiqi’s forehead.

Then, she looked at PEI Qiqi pitifully. Her heart was scared. She was afraid that she had angered PEI Qiqi and PEI Qiqi would ignore her in the future.

her big round eyes were filled with tears as she looked at pei qiqi pitifully.

PEI Qiqi was sprayed with cold water. When she opened her eyes, she saw little Xinxin’s pitiful gaze. Her heart felt sour yet sweet at the same time. She reached out and hugged little Xinxin, ” “i’m fine,” she said.

Little Xin wanted to cry, but she held it in and said in a pitiful voice, ” “Mom’s fine.” She corrected him seriously.

PEI Qiqi laughed. She knew that the little guy actually cared. However, she didn’t comfort her right away. Instead, she teased her indifferently.

Sure enough, Xiao Xinxin had been sulking all the way until she left Xia city.

old zhao teased her for a long time in the car, but she didn’t say anything. when they reached lin yun’s place, old zhao told her about it, and lin yun told him to go back first, so she could comfort little xinxin.

after all, she had been little xin’s mother for two years. lin yun understood little xin’s temper very well. one look and she knew that little xin xin had a fight with pei qiqi.

he couldn’t help but laugh. this mother-daughter pair was still quarreling like little sisters!

this was all tang yu’s fault. he didn’t want to be a good wife and insisted on raising her like a daughter. that’s why his wife was so pampered and his little xin was even more so.

xiao xinxin looked at her grandma and snuggled into her arms. finally, she couldn’t help but cry.”mommy’s ignoring little xinxin.”

Chapter 1136 You’re angry?(2)

lin yun laughed in her heart. ” what’s going on? our little xinxin is so cute. how can she ignore little xinxin? ”

xiao xinxin sobbed and finally said, " i said that qiqi is not mommy, so qiqi is angry. "

Lin Yun thought that little Xin must have hurt PEI Qiqi's heart. Otherwise, why would an adult be so calculative with a child? however, she was a grandmother and little Xin Xin had always been her precious baby. How could she bear to scold her granddaughter? so, she coaxed her,"Then let Daddy and Mommy talk to her. Mommy will forgive little Xinxin."

Little Xin was in Lin Yun's arms, sneakily looking at grandma's face. Grandma still had a face full of love. Little Xin Xin twitched a few more times, crying until her face was dusted, like a little cat.

that night, lin yun naturally called tang yu to tell him about it. the mother and son chatted and found it a little funny. lin yun hadn't seen qiqi yet so she couldn't help but blame tang yu, " "aren't we living together? Why are you still asking Xiao Xinxin to call you big sister?"

tang yan's heart softened when he heard his mother's words. he smiled. " mom, qiqi is in a daze. "

Although it was a little hard to say, Tang Yu and his mother could tell each other everything, " Qiqi lost her memory these two years and her personality changed a lot. She's not as mature as she was when we met when she was 20.

lin yun thought about the 20-year-old pei qiqi and then realized that she was no better than a 20-year-old. she was stunned.

in that case, didn't that mean that she had two more granddaughters?

lin yun coughed,"tang yu, you've been working hard."

Tang Yu laughed, " Yes, Mom. I'll go back and coax her.

lin yun laughed and scolded, " after so many years, i've only seen you treat her like this. "

Tang Yu didn't really care about other people.

tang yu was about to hang up the phone, but after hearing what his mother said, he sighed helplessly, " " mom, luckily there's only one pei qiqi in this world. "

lin yun was fed dog food by her son. she looked up and saw zhao yi coming out of the bathroom in only a bathrobe. he leaned over and turned off the bedside lamp as soon as he came over, making the bedroom dark.

this was a habit that zhao yi would only have if he wanted to have a married life.

Sure enough, Zhao Yi came over after a while and hugged Lin Yun from behind. His voice was a little hoarse, " are you done talking? "

he directly grabbed the phone and casually chatted with tang yu. the last sentence was, " " tang yu, yunyun and i are going to sleep. see you the day after tomorrow. "

Zhao Yi was still the Vice President of Boyi, and he had a high position and power, so it was very natural for him to talk about such a personal topic.

tang yu felt like he was being fed dog food. lin yun was so embarrassed that she pushed zhao yi away and took the phone, "Tang Yu, if you have something to say, then continue. Your uncle Zhao drank too much.

"I drank too much?" zhao yi smiled and sat up on the bed. he hugged his wife's delicate body from behind and kissed her neck. his voice was a little seductive. "a drunk person can't do anything overboard, right?"

"Zhao Yi!" Lin Yun closed her eyes.

he hadn't hung up yet. tang mo would know if he did this.

"Do you want to hang up and continue or let Tang Yan listen?" Zhao Yi was usually serious, but at this time, he would be particularly shameless.

lin yun slightly closed her eyes. her fingers touched the phone on the bed. she picked it up and looked at it. as expected, tang yu didn't hang up.

Lin Yun cursed in her heart. She also thought that all men were bad.

Including her precious son.

Chapter 1137 you're angry?(3)

lin yun hung up the phone and wanted to pull the man up, but how could zhao yi let her go so easily?

he had only eaten meat once this week!

He pressed her down from behind and kissed her neck. His voice was low and hoarse."yunyun, from the back? Hmm?"

he liked to look at his wife's exquisite figure. he liked to stick to her back and put his face on her face to see her aroused look.

Besides, he knew that she liked it this way too.

on the other side, tang yu was in his early 30s. he was having a lively sex education class.

he hung up the phone, smiled, and thought to himself,"uncle zhao just got married at an advanced age, so it's understandable that he can't control himself in that aspect. especially once, zhao yi had a meal with me. he drank too much and complained to me that my yunyun was obsessed with buddhist scriptures and not with my meat."| Body.

tang yu remembered that zhao yi used to talk about buddhist scriptures with his mother for more than ten years. so it was all a fake hobby?

It turned out that men were all the same!

At this moment, Tang Yu smiled and called PEI Qiqi-

little xin was crying so sadly, that silly girl was probably angry too.

Although he had considered Lin Yun's words and thought that it was inappropriate to raise Qiqi like a daughter, he still felt that it was better to raise her like a daughter.

he dialed her number and she picked up very quickly. however, her voice was a little soft, so she must have cried.

Tang Yu's heart was sour and sweet at the same time, "are you angry with little Xin?"

on the other side, pei qiqi snorted, "how did you know?"

Tang Yu smiled, "mom said so! mom said that it's not good for me to raise you like a daughter."

pei qiqi said in a muffled voice, "you've always been a pervert."

he smiled. he was in A city, and he stood in front of the floor-to-ceiling window of the hotel. he missed her a little, and his voice became deeper. "Qiqi, I missed you."

Instead of comforting her, he said that he missed her.

From Tang Yu's point of view, the conflict between PEI Qiqi and little Xinxin wasn't a conflict at all. In fact, it was a little funny. Although Qiqi was pampered by him, she was still an adult. She would only get angry if little Xinxin didn't do a good job.

let's just consider it their period of getting used to each other!

When little girls were together, they would always make a fuss.

"are you only coming back the day after tomorrow?" pei qiqi asked him gloomily.

he hummed nonchalantly, then asked softly, "You miss me?"

she wanted to, but she couldn't say it.

tang yu looked at the dark night and listened to her light breathing. he smiled, "qiqi, sleep early."

she made an "oh" sound, but she thought in her heart, that's it?

But it was true. He said good night and waited for her to hang up.

pei qiqi was a little disappointed but she still obediently hung up.

for a long time, pei qiqi laid on the bed but couldn't fall asleep!

she took out her phone and called him, but she didn't call him?

In the end, she still dialed his number. After Tang Yu agreed, she quickly said, "i missed you too."

He quickly hung up the phone after speaking. Tang mo was stunned for a moment before smiling.

his qiqi would always be the cutest girl.

This time, he was the one who couldn't sleep. He felt that he had endless energy, so he went to the gym attached to the suite to vent his excessive energy.

but how could she bear it when she hadn't done it for two years? she couldn't take it anymore and went to the bathroom to take care of hanhan.

back in bed, he lay down and missed her again.

Chapter 1138 The real high class (1)

The next morning, PEI Qiqi was wondering if little Xin Xin was still unhappy. So, she took out Tang Yu's phone and called her.

Lin Yun picked up the phone. Her tone was a little funny and she talked a lot with PEI Qiqi. PEI Qiqi felt a little embarrassed because she was arguing with a child. Moreover, she gave birth to her own child.

however, she also knew that it was because of her memory loss that her relationship with xiao xinxin was different from that of a normal mother and daughter. she wasn't really angry. she just wanted to correct xiao xinxin's bad behavior.

It would not be good if the child was too smart and was harmed instead.

However, children were forgetful. When little Xin Xin talked to her, she had already forgotten about what happened yesterday. PEI Qiqi heaved a sigh of relief. Actually, little Xin Xin was thinking that her daddy had agreed to spank Qiqi's little butt!

But her father also said that he would spank her little ass. Xiao Xinxin felt that it was fair so she was happy. However, she didn't tell Qiqi about this. Xiao Xinxin had many tricks up her sleeve!

after getting little xinxin's forgiveness, pei qiqi walked to work in the wind.

She first went to the magazine agency and prepared the materials for the interview with ye Liangqiu. She also carried her camera and was about to leave when she ran into PEI Huan.

pei huan's existence in jia ren magazine was like the lady boss. in the past, she would always come to look for old kan. however, this time, it was obviously not the case. she came to look for pei qiqi and even brought someone with her-xiao mei.

"how can you go alone like this?" PEI Huan looked at PEI Qiqi and rolled her eyes, " do you know how big a shot ye Liangqiu is? "

pei qiqi gave her a dumbfounded look.

pei huan waved her hand. " forget it. i'll tell you, you idiot. ye liangqiu has to bring four makeup artists, eight bodyguards, and a manager to record a show. if you go alone, you'll be eaten up, little white rabbit! "

PEI Qiqi didn't understand.

"you know what? For a Heavenly Queen level event like this, you have to make it Grand for her to feel valued. Otherwise, it'll be a waste of time even if you go. She won't fight you one-on-one, she'll enjoy being surrounded by others, do you understand?" pei huan's mouth was dry as she spoke. she picked up the cup of fruit tea that pei qiqi placed on the table and gulped it down.

PEI Qiqi was still in a daze as she looked at PEI Huan in a daze.

After PEI Huan finished her drink, she started to get down to business. She called over a few employees and Xiao Mei, making a total of eight people. this setup will satisfy Heavenly Queen ye, understand? ”

PEI Qiqi nodded and then asked PEI Huan, ” you don’t seem to like her? ”

pei huan’s neck and eyes were straight. she looked at pei qiqi for a long time before sneering, ” pei qiqi, there aren’t many female stars in the entertainment industry who can compare to ye liangqiu. ”

pei qiqi thought of the cold and quiet ye liangqiu. no matter how she thought about it, she wasn’t as strong as pei huan said!

little seven, little fool, she can climb to this point, she can give birth to a Dragon and now she’s being supported. If she didn’t have some skills, do you think Qin Anlan wouldn’t strangle her to death? ” PEI Huan knew King Entertainment well, and he knew Qin Anlan even better.

ye liangqiu wasn’t an ordinary woman. if an ordinary woman tried to attack qin, they would have died halfway.

even that shen lian, didn’t qin anlan like her to death in the past? didn’t they fall out later on?

Ye Liangqiu’s ability to accurately identify Qin Anlan’s feelings was a miracle in Jin entertainment.

Chapter 1139 The real high profile (2)

PEI Huan said. PEI Qiqi nodded her head dumbly.

In the end, the eight of them went together. However, when they reached King Entertainment’s reception room, Amy and the others were stopped outside. Ye Liangqiu’s bodyguard said expressionlessly, ” “Miss ye only wants to see miss PEI alone. The rest of you can wait outside!”

If PEI Huan was here, PEI Qiqi really wanted to tell her that this was what it meant to act high and mighty!

she turned around and told amy and the others to wait in the meeting room while she went in alone. unexpectedly, only ye liangqiu and her manager were inside.

After seeing PEI Qiqi, the manager even smiled and left to give them some space.

“I’d like to have a private interview, do you mind?” “And the question will be written by us,” ye Liangqiu said indifferently.

before this, pei huan said that ye liangqiu was strong and powerful. pei qiqi didn’t really believe it because the ye liangqiu she met was a mother. the gentle, easy-going, and arrogant ye liangqiu in front of her was probably her true self.

pei qiqi sat down, took out her draft and placed it on the table. she took ye liangqiu’s and flipped through it. her voice was calm, ” “that will depend on whether our magazine agency has the ability to report on miss ye’s interview.”

She was almost certain that this interview was not simple. It was even a little forced.

Her goal was her and Qin Anlan’s marriage.

she had no problem. everything depended on an lan.

if an lan was willing, she could divorce immediately. however, she felt that ye liangqiu's actions would have the opposite effect, and it wasn't a smart move.

she skimmed through the lines and looked up at ye liangqiu. "are you sure? an lan isn't someone to be threatened."

All the answers to this question were written by ye Liangqiu's side. The content was quite explosive. It was as if they were betting on ye Liangqiu's glory. If Qin Anlan refused to admit it, then ye Liangqiu would be the one going to hell.

ye liangqiu looked at pei qiqi and laughed after a long time, "miss pei, you know him very well! but i know him better."

pei qiqi lowered her eyes, "but miss ye, you missed one."

she raised her eyes and looked at ye liangqiu. "i have feelings for an lan! i'm not a cold-blooded animal, i don't want to hurt him."

"if you hurt him, you can have a happy life long ago. isn't that attractive to you?"
Ye Liangqiu's face remained unmoved.

PEI Qiqi let out a long breath, "this is what you wanted? this isn't an interview, but an advertisement. jia ren is very expensive. i don't think there's any other place that would dare to publish miss ye's advertisement."

Ye Liangqiu did not say anything.

pei qiqi pushed the document back, "50 million."

"alright!" ye liangqiu's voice was calm. she took out a check from her bag and placed it in front of pei qiqi. after a while, she said, "i'm sorry. i just want to find a father for mu Yun."

there was a touch of sadness on her face. she was extremely beautiful, and sitting there like that was like a beautiful painting.

if pei qiqi's beauty was as rich as an oil painting, then ye liangqiu's beauty was the fine brush of a chinese painting. she was beautiful and dignified. every part of her was exquisite and beautiful.

pei qiqi looked at the woman in front of her and was a little stunned.

Based on what PEI Huan had said, ye Liangqiu was not telling the truth. She was wearing a mask.

Suddenly, PEI Qiqi said in a low voice, "ye liangqiu, if you turn your life into a play, then an lan probably won't be willing to enter a drama, especially one that was created for him."

Chapter 1140 the real high-caliber (3)

Ye Liangqiu's lips curved into a smile. Her expression was flawless. if it wasn't for the fact that I know you're not the right man for an LAN, PEI Qiqi, I would have thought of ways to deal with you.

it was as if she was climbing up to the top of KING entertainment step by step. those who blocked her way were all eliminated by her.

ye liangqiu's eyes were filled with determination as she spoke.

This was ye Liangqiu, the ye Liangqiu that PEI Huan had been talking about.

at this moment, she didn't hide anything and showed her naked body to pei qiqi.

pei qiqi took a long time to come back to her senses. then, she smiled and opened her camera to take photos of her.

Sensing ye Liangqiu's resistance, PEI Qiqi's voice turned cold, " miss ye, I have my reasons too. I want to use the photos that I took, not those photos that you use to deal with the public.

Ye Liangqiu was wearing a long bohemian dress today. Her slightly curly long hair was let down casually, giving her a lazy and beautiful look.

pei qiqi carried the camera and was a little excited.

what she said just now was just a bluff. she was a fan of ye liangqiu, and it was her dream to take photos for ye liangqiu.

Moreover, she had other thoughts.

pei qiqi directed ye liangqiu to get into the position she wanted. at this moment, she was ye liangqiu's master.

Her aura was the same as when old kan scolded PEI Huan to tears, shouting at her if she didn't listen.

" lie on the sofa and stare blankly at the camera. " pei qiqi narrowed her eyes and said impatiently, " the most touching expression isn't the most perfect one. i want to be direct, i want to be naked, not this dry expression! "

after a pause, pei qiqi roared, " what's with your expression when you're lying on qin anlan's body? Fantasize about it, Yingluo."

A hint of anger appeared in ye Liangqiu's eyes, as well as a hint of helplessness.

it felt good. pei qiqi captured it and took a photo. she looked at the photo with her camera and was very satisfied.

ye liangqiu's neck was a little stiff. she sat up straight and wanted to look, but pei qiqi didn't let her see nannan.

only then did ye liangqiu realize that pei qiqi was a tough person.

"I think you should know that I'm not doing this for the money. (Just for money, just for money)"PEI Qiqi snorted, ""but you have to think carefully. if this matter fails, you won't be the only one injured. mu yun will be injured as well. he's still a child, can he handle so much?"

Ye Liangqiu closed her eyes, " PEI Qiqi, you don't know anything. Do you know that you're not my only enemy? there are countless women in King Entertainment.

pei qiqi was stunned. she looked at ye liangqiu.

"perhaps i should thank you. with you around, he has been clean for the past two years. but pei qiqi, he will always let you go because he is soft-hearted. I think he'll probably be more indulgent than before. And now, this is my best chance."

Ye Liangqiu was taking a gamble.

it was just like how every step she took in KING entertainment was a gamble.

pei qiqi was stunned. she sighed and didn't say anything.

She knew that Qin Anlan would definitely blame her after this was published.

However, she would rather an LAN be angry at her than blame ye Liangqiu.

she'd rather it be like this, because she had so much of qin anlan, while ye liangqiu had given birth to mu yun without a status.

ye liangqiu might be good at scheming, but to pei qiqi, this kind of scheming made her heart ache.

ye liangqiu was actually only twenty-six years old, but she already had a seven-year-old child.

When she was with Qin Anlan, she was not even twenty yet.

seven years. ye liangqiu had persevered for seven years. she had waited for a man for seven years.
