Chapter 1151 My heart hurts so much (4)

tang yu looked at pei qiqi and was speechless.

Could a man be described as a soul?

However, he still felt a little helpless as he looked at her, because he had caused his little girl to be in pain.

Lying side by side, he said in a low voice, "it won't hurt anymore in the future.

"but, you did it a few times, and it still hurts." PEI Qiqi turned over and lay in his arms. She said shamelessly, "I won't do it again.

Tang Yu lowered his head and looked at the little person in his arms. His heart was filled with warmth and helplessness.

however, at a time like this, he was still willing to coax her. "alright, i won't do it anymore. "

PEI Qiqi raised her head and looked at him for a while before lowering her head again, "you're lying.

He seemed to be enjoying it so much, so how could he be willing to give up?

tang yu laughed in a low voice, "yes, i lied! "

As she said that, she felt a wave of disgust.

she widened her eyes in disbelief. didn't yueyue say that men had to rest for half an hour?

Moreover, he had only done it a few times just now.

she hugged him tightly with her small hands, afraid that he would mess around again.

Tang Yu felt the little thing in his arms was scared. He patted her head and said in a low voice, "you're in so much pain. How can I come again? " Hmm?"

She buried herself in his arms and only said after a long time, "I cried before too, but you didn't stop either.

As he listened, his heart softened. His fingers touched the place where she had endured him before and he asked gently, "does it still hurt?"

"it hurts," her small hands were wrapped around his neck as she spoke in a delicate manner.

Tang Yu smiled and gently comforted her. As he rubbed her, not only him, but her breathing also became a little erratic. Her little body kept snuggling into his arms.

She didn't feel much in front of her except for pain. She couldn't take it anymore. She pursed her lips and said in a hoarse voice, "don't move. The ending note was a delicate silver that couldn't be stopped.

tang yu naturally felt the change in her. he chuckled and whispered in her ear, " qiqi, if you want, i can feed you a little more. "

"i don't want to." She closed her eyes tightly and patted his shoulder with her small hand."Time to sleep."

he was only teasing her because her body could not take it again.

the two of them lay together. they had a lot to say in their hearts. pei qiqi's little face was on his waist. her voice was like a little lamb, " tang yu, an lan agreed to the divorce. "

he propped himself up and looked down at her.

pei qiqi also raised her head and looked at each other in a daze.

after a long time, tang yu finally spoke in a low voice, " qiqi, are you sad? "

"i will." she threw herself into his arms, " tang yu, i don't know what happened in the past, but he's been by my side for the past two years. he's been very good to me. i think, without an lan, i might not be able to appear in front of you so perfectly today. "

he sighed in his heart. how could he not know about this?

that was why he did not stop qin anlan from meeting her. if he did, he would have lost.

Tang Yu hugged her like he was hugging his daughter.

she buried herself in his arms and cried for another man, and he could only accompany her.

His heart was heavy, but he knew that she had finally returned.

Qiqi, come back. You will slowly forget about those two years.

late at night, he hugged his little girl and resentfully obtained her body again. however, his heart felt even more empty. it was an empty hole that could not be filled no matter what.

Chapter 1152 The promised happiness (1)

the days passed by just like that. pei qiqi went to visit qin anlan twice but didn't say anything. she just sat by his bed and took care of him, peeling fruits for him.

qin anlan was already able to get up and walk, but most of the time, he was still resting in bed.

he quietly watched pei qiqi peel the fruit and suddenly said, " " i've asked KIME to bring the agreement over. you can sign it if there's no problem. "

pei qiqi's gaze landed on his face and then moved to the leather bag by the bed.

after a long time, she finally spoke softly,"an lan hehe."

"sign it," He laughed and looked at her, " PEI Qiqi, I didn't do this to help you. I did this for myself.

She did not understand.

he continued with a smile, " i'm going to marry ye liangqiu. "

PEI Qiqi couldn't believe it. They decided to get married so quickly?

"So, sign it!" Qin Anlan looked out the window, " PEI Qiqi, you don't have to feel guilty because you never liked me in the past! i probably couldn't take it lying down, so i told you i was your husband after you lost your memory."

his gaze slowly returned to her face and he smiled bitterly. " "From the beginning to the end, it was all my own wishful thinking."

"now, pei qiqi, you are free." There was a hint of sadness in Qin Anlan's eyes. I should be the one saying sorry. I'm the one who wasted two years of your life. I was selfish and wanted to keep you.

pei qiqi didn't say anything and just looked at him.

After a long time, she got up gently and went forward to hug him. an LAN, there's no relationship that's apologetic. Let's not talk about this in the future, okay? "

He closed his eyes, and there was a touch of pain in his eyes.

qiqi, this was the last hug.

this is the last time, let me hug you.

the girl who acted coquettishly with him, the girl who reached out to ask for pocket money, the girl who asked him to build a snowman during the winter in new York would never appear in front of him again.

Qin Anlan's eyes were a little hot, and his voice was hoarse. "Sign it, or I'll regret it."

pei qiqi's fingers were trembling when she signed-

an lan, if this was a mistake, then it was also a beautiful mistake.

An LAN, thank you.

Her eyes were filled with tears as she looked at him. an LAN, I wish you happiness.

He nodded. I will! I'll be getting our marriage certificate in Las Vegas, so I won't be inviting you."

pei qiqi understood that with ye liangqiu's status, she wouldn't disclose her marriage. she didn't ask qin anlan why he suddenly wanted to marry ye liangqiu.

just like what KIME had said, it was best not to ask.

she and qin anlan had officially divorced. when she received the green book, she felt as if she was in a dream.

after she went back, she lay on the bed and had a dream about new York.

In her dream, an LAN wasn't there. Instead, it was Tang Yu.

when she woke up, she was covered in sweat. she felt like a small animal was licking her body.
when she opened her eyes, she saw tang yu's head.

The bedroom was dimly lit. PEI Qiqi pursed her lips and reached out to pull his black hair, ”
“you're back?”

These days, he had been away on many business trips, and he would always be away for one or two days. She could only see him two or three times a week.

Tang Yu acknowledged her and buried his face in her neck. His voice was a little hoarse, ” ” qiqi,
has your marriage with qin anlan been canceled? ”

“You saw it?” She sat up slightly, trying to avoid his kiss, only to realize that he was neat and tidy, and even his tie had not been taken off. He must have just come back.

Chapter 1153 The promised happiness (2)

“hurry up and take a shower,” she said, pushing him.

He sniffed at her neck and smiled. Qiqi, you smell like sweat! we'll shower together.”

before she could reject him, she picked her up and walked straight to the bathroom. as she walked, she coaxed her to unbutton his shirt.

pei qiqi's little face blushed and she glared at him. then, she wrapped her arms around his neck and unbuttoned his shirt with one hand.

her movements were clumsy, and she couldn't untie it for a long time. later, she got angry and simply pulled it.

“Little thing, what's the rush?” He reprimanded her.

PEI Qiqi's eyes were filled with tears. Her hands hung around his neck and her face was pressed against his neck. It was soft and indescribably moving.

tang yu's heart was about to melt. this little thing!

He held her in one hand and filled the bathtub with warm water with the other. Then, he lowered his head to kiss her and murmured, ” “let's bubble together, hmm?”

pei qiqi raised her head and accepted his kiss. then, her clothes scattered.

She didn't wake up until they were in the water together. She opened her eyes, and her body bobbed up and down. She quickly clung to him and kissed him.

tang yu laid back nonchalantly and patted her back, ” qiqi, when did we get married? ”

She was a little stunned. Then, she lay in his arms and muttered, ” “How many marriages have I been married to?”

he couldn't help but smile and kiss her little face. ” “PEI Qiqi, you know it too!”

“Who asked you to lose me?” she complained. then, her little body crawled over, wrapped her arms around his neck and kissed him. she kissed him until his blood started to boil.

he had not been able to bear to hit her so hard before, but now the little one had actually offered herself to him for a kiss.

Tang Yu held her little head and kissed her deeply. He also let this kiss ignite the fire in his body.

in the end, it was yingying who went to the bedroom to do it for the second time. it was different from the last time. it was obvious that she put in a lot of effort this time. occasionally, when he was heavy, she would bite her lip and meow like a kitten.

tang yu didn't dare to be too rough. this time, he followed her feelings and stacked them on top of each other. finally, she was thrown into the air and slowly landed in the air.

She was a little scared as she lay in his arms. Her trembling made Tang Yu's heart ache as if he was the one who bullied her.

he coaxed her for a long time before she finally fell asleep.

tang yu didn't sleep. instead, he looked at the book for a long time before he finally put it away.

pei qiqi fell asleep. he sat on the balcony for a long time. he smoked a cigarette and looked at the night sky.

his phone rang twice. he walked over to take a look. it was a call from qin anlan. tang yu picked it up and said in a calm voice, ” anlan. ”

tang yu, treat her well. ” qin anlan's voice was even lonelier than the night. he only said six simple words.

Tang Yu held onto his empty glass and smiled, ” I will.

between men, there was no need to say too much to understand each other.

liang yu hung up the phone and turned back to look at pei qi qi. she was hugging the blanket and sleeping soundly.

after a while, she kicked the blanket away, probably because she was afraid of the heat. she only had a bathrobe on her, and it was all over her now, making her look extremely attractive.

Tang Yu put down the cup in his hand and walked over to her. He bent down and kissed her. His voice was low and deep, ” Qiqi, kiss me.

she mumbled his name unconsciously, and he reached out to pull her bathrobe open.

Chapter 1154 The promised happiness (3)

The entire night was filled with gentle and beautiful teasing.

pei qiqi slept all the way until noon. she opened her eyes and looked around.

this was the rose garden, the place where she had stayed for a night.

“you’re awake?” tang yu leaned over and kissed her on the lips. his voice was a little hoarse.

PEI Qiqi raised her head and looked at him helplessly. After a long time, she asked softly, ” “How did I get here?”

tang yu sat next to her and his voice was a little hoarse, ” this morning, my family called and said that little xin xin had diarrhea, so i came back. ”

pei qiqi sat up,”so what’s the situation now?”

tang yu reached out and gently pinched her face, ” you’re not angry at her anymore? ”

“I’m talking serious business with you!” PEI Qiqi pulled his hand down and acted coquettishly.

tang yu smiled, ” i’ve already gone to the hospital. i’m feeling much better after taking my medicine. ”

pei qiqi lifted the blanket, ” i’ll go and take a look. ”

tang yu stopped her, ” wait a minute. ”

PEI Qiqi looked at him in confusion. He smiled, ” Qiqi, change your clothes before you go.

She ran to the bathroom suspiciously and ran back after a while. She put her face on his neck and bit him hard to vent her hatred.

Tang mo let her mess around and just reminded her, ” my mother and uncle zhao will be here for lunch. qiqi, are you sure you want to keep this? ”

pei qiqi glared at him.

Tang Yu hugged her, ” didn’t you say you’re going to see little Xin? change your clothes. Be good.

He ruffled her hair as if he was treating his younger daughter. He was practically spoiling her.

pei qiqi pouted,”i really don’t know how i used to like you.”

He buttoned her clothes for her and said in a serious tone, ” “In fact, Qiqi, I liked you first.”

her eyes were very bright. if it wasn’t for the fact that she was worried about him, she would have pestered him to tell him about the past.

she ran to xiao xinxin’s bedroom. the baby was lying on the bed and happily stealing food.

tang yu followed behind pei qiqi. at the door, he saw little xin trying to hide the milk king bun. he coughed, ” “the doctor said she can’t eat for 12 hours.”

She carefully handed over the little milk bun. Before Tang Yu came over, she stuffed another mouthful into his mouth.

pei qiqi finally knew why xiao xinxin was so fat. she and tang yu were both not fat.

tang yu was both angry and amused at the way little xinxin was acting. he reached out and patted her chubby little palm, " you can't do this once. "

little xinxin was hit and let out a cry. then, she obediently lay in pei qiqi's arms.

pei qiqi's heart was about to melt when she saw such a soft and fragrant little fellow obediently lying in her arms. she was about to say something when little xin xin made a " gu gu " sound.

pei qiqi looked at tang yu and tang yu looked at little xinxin.

The chubby little guy hung his head dejectedly. I'm going to go to the toilet.

She had just eaten something, and when she went in again, she dropped the poop.

xiao xinxin's face was red and she kept saying 'yes'. pei qiqi's heart ached a little and she accompanied her even though her kasaya was extremely smelly.

she probably gave birth to it herself. later, she washed her heart clean without being afraid of dirt and brought it to bed.

tang yu brought a glass of water over and served the little princess. being surrounded by so many people, he became a little arrogant and especially tsundere.

tang yu was about to scold her. actually, he was just trying to scare her. however, pei qiqi didn't allow it. she hugged him and acted shamelessly, " don't scold her. "

tang yu's hand moved down and finally landed on her shoulder. he smiled, " qiqi, you're such a spoiled child. "

Chapter 1155 The promised happiness (4)

She snuggled into his arms. She was not a kind mother. She was his little baby.

Tang Yu looked at her and found it both funny and annoying. It was just like what his mother said; they had two kids. But she was fine like this.

pei qiqi wailed and little xin blinked.

xiao xinxin smiled happily and her mother was no longer angry.

At noon, Lin Yun and Zhao Yi brought little Zhao Yan over. Little Zhao Yan was born two months later than little Xin, but he looked much more mature, a standard little gentleman like Zhao Yi.

although pei qiqi didn't remember it, her marriage with qin anlan had been dissolved. how could she get together with tang yu without any status? moreover, they were husband and wife in the past, so they still had to get their marriage certificate done.

As for the wedding, Tang Yu rejected it without even thinking. He had a phobia of weddings.

After Lin Yun and the others left, PEI Xiaoqi started to make a scene. She clung onto Tang Yu like a little monkey, " you didn't want to hold a wedding. You must think that I'm getting married twice, right? "

tang yu sat in the study and read some documents. he looked at pei xiao qi in disdain and coughed, " pei qiqi, you're not getting married twice. you're getting married three or four times. "

she widened her eyes, and he kissed her on her seductive lips, chuckling. ” “but i’m still your only man.”

she was still petrified. he said she would get married three or four times!

“tang yu.” “you’re so annoying,” she snorted.

he laughed soundlessly. just for such a childish sentence, even if she was married a hundred times, she would still be the twenty-year-old girl in his heart, appearing in his room like that.

“what do you not hate?” he pretended to be focused on work, his eyes falling on work, and his voice calm. ” i’ll try my best to do it. ”

PEI Qiqi knelt in front of him and snatched the documents from his hands, ” I want you to take back what you just said.

Tang Yu’s gaze stopped on her little face for a few seconds. Then, he smiled, ” Qiqi, you’re becoming more and more like a child.

“I quite like it.” he pinched her little face after he finished speaking. ” i’ve always been tolerant of you. ”

She could sense his good mood, and it was probably because she had broken off all ties with Qin Anlan.

In the past, he didn’t show off much and didn’t seem to care much. Now, he really showed his true nature.

PEI Qiqi pinched his face angrily,”I want to wear a wedding dress.” &Nbsp;

mr. tang nodded in agreement. ” yes, you can wear it for me alone. ”

she was stunned and looked at him.

Tang Yu got up and held her hand as they walked to the changing room that came with the bedroom. He pressed a button and one of the walls of the changing room moved to the side. In the huge space, a Swarovski wedding dress hung in the middle. It was dazzling and eye-catching.

PEI Qiqi looked up and her mouth opened slightly in surprise.

“Do you want to try?” he pressed on her shoulder and smiled.

pei qiqi’s voice was like a little lamb, ” Tang Yu, is he really mine? ”

“Even I’m Yours here.” He hugged her from behind and whispered in her ear, his voice hoarse and pleasant to the ear. shall I help you change? ”

she didn’t even have the time to say no before her dress fell to the ground.

He personally helped her put on the wedding dress. The British style wedding dress was sewn with tens of thousands of crystals. It was very heavy, but it was super dreamy.

Finally, she put on the dress. She was so beautiful that it didn’t seem real.

Chapter 1156 The promised happiness (5)

He tied her hair up and secured it with a diamond hair fork. Looking at her in the mirror, she looked like a princess from a fairy tale.

Tang Yu knelt down and helped her put on her crystal shoes. She was standing while he half-knelt in front of her. It was a little humble.

Holding onto her little white feet, Tang Yu lowered his head and kissed her skirt.

” qiqi, this is our wedding, ” he said in a hoarse voice.

she was stunned. he got up and held her in his arms.

did she feel a burning sensation on her neck? was he crying?

After a long time, she heard his voice. “qiqi, welcome home.”

Now, she was finally back. She was no longer someone else’s wife but his.

PEI Qiqi looked up at his handsome face and smiled, ” Mr. Tang, can I have a dance with you? ”

Even if she didn’t remember, he loved her, and she loved him. That was enough.

Even if their memories started from that dance, it was still perfect.

at least, she fell in love with him at first sight, or rather, fell in love with his body at first sight.

tang mo smiled. ” of course you can. ”

they danced in the bedroom for the whole day until she was exhausted. in the end, she was forced to sign the marriage contract. that night, she was forced to do it by him for the whole night.

PEI Qiqi shed tears and realized that being single was better. At least it wasn’t so tiring!

perhaps it would be good to be an lan’s wife. she would not be so tired and would not need to do physical labor.

PEI Qiqi was especially honest now. She dared to say and do it. She was very straightforward with her thoughts. So, Tang Yu pressed her down even more and stuttered.

she was exhausted and he was too shameless.

She couldn’t take it and wanted to sleep. It was useless to beg him.

in the early hours of the morning, he was still in high spirits and taught her naughtily, ” “Baby, call me daddy and you’ll go to sleep.”

She didn’t want to scream. It was so perverted!

but if she didn’t call out to tang yu, he would hold her down and mercilessly whip her. even if she begged to die, it was useless.

She could only hold back her tears and obediently call out.

but he lied. he clearly said that he would let her go if she called out to him. in the end, he didn’t let hanhan go the entire night, but this time, she didn’t feel any pain.

it was probably because she wasn't in pain and had feelings again, so tang zheng was unusually open. the man who had been suppressed for two years finally showed his beastly nature. the result was very messy and very tired.

The next day, PEI Qiqi had to go to work. She got up in a hurry and patted Tang Yu's shoulder, "I have to go to work.

he carried her to the bathroom and carried her like a baby to wash her face and brush her teeth. in the end, they had to share a set of toothpaste.

As the two of them played around, PEI Qiqi suddenly said, "I want to go for a wind-gathering next week."

She said it while nestled in his arms. Tang Zheng frowned and looked at her. "where to?"

they had just gotten together, and he didn't want to be separated from her. besides, what was the point of caifeng?

he still wanted to mess around but pei qiqi stopped him. she lowered her voice, "it's a public photography exhibition. tang yu, i want to go. "

"you must have been tricked by old kan," he laughed helplessly.

pei qiqi's eyes widened. tang yu laughed, "Lao kan has fooled a lot in the past two years, but he is indeed a good person.

He pondered for a moment. I can go, but I can't go alone? "

she was a little happy. at least he supported her and didn't restrict her. so, she hugged him and kissed him. the kiss made tang yu's blood boil. he pressed her against the sink and kissed her.

Chapter 1157 Mr. Tang's marriage leave (dog food)

After they were done, Tang Yu carried PEI Qiqi and helped her put on her clothes as if he was taking care of little Xin.

however, pei qiqi continued to bite him. because her neck couldn't be seen anymore, how could she go out like this?

tang yu smiled and kissed her. "between husband and wife, this is normal. "

The tip of his nose touched her, and he paused for a moment before he said meaningfully, "Qiqi, you are much better than before."

Much better, Yingluo.

pei qiqi looked at him with tears in her eyes. after a while, she glared at him, "you're so bad. "

"isn't it?" He pressed her little face against his chest, and his thin lips naughtily taunted her by her ear, "Wasn't it much better just now? you all know to ask for more."

she was a little embarrassed and bit his neck. "You're not allowed to say anything."

Tang mo saw that she was really shy and smiled. He finally let her go and carried her downstairs to eat breakfast.

Downstairs, the maidservants stood in a line and smiled. “good morning, sir and madam.”

tang yu nodded his head elegantly. pei qiqi’s little fist pounded on his shoulder, ” if i marry you like this, wouldn’t it be a loss? ”

Her eyes were bright and dazzling. He looked at her for a while before he said, ” Qiqi, do you still want to wear a wedding dress? ”

She covered her face!

He simply didn’t want to hear it.

He was a pervert!

That gorgeous and dreamy wedding dress had been torn in half by him with one hand, and she didn’t want to wear it again.

she stared at him with her watery eyes. tang yu’s heart softened and he rubbed her hair, ” “Eat. I’ll send you to work later.”

pei qiqi drank her milk, ” don’t you have to work today? ”

tang yu laid out the napkin and then looked at her. he said slowly, ” “I’m on marriage leave!”

PEI Qiqi was shocked. She stared at him deeply and helplessly.

Tang Yu chuckled, ” Qiqi, you can also apply for marriage leave.

” i don’t want to. there’s no wedding, and we’re already married several times. ” she pouted her little mouth and looked aggrieved.

” that’s true. ” mr. tang happily agreed. ” then, how about this? i’ll send you to work every day during the marriage leave, okay? ”

pei qiqi didn’t reply and continued eating her breakfast.

Qiqi, ” Tang Yu suddenly said, ” I made breakfast.

She looked at him and was a little surprised. She didn’t expect him to get up so early to make breakfast for her, even though there were so many servants in the house.

looking at her silly expression, tang yu smiled and patted her head like a little lamb, ” mrs. tang, do you feel like you’re newly married? ”

she glared at him and continued eating her breakfast. however, the breakfast she ate was sweet.

Tang Yu looked at her satisfied little face and felt satisfied.

let’s just leave it at that. she’ll be cute no matter what she becomes, even if she’s a little silly.

in fact, his qiqi had always been a silly girl. it was just that she had worked too hard in the past, so she looked more profound than her peers.

now, he was willing to pamper her until she was eight years old, and it would be best if she could not take care of herself ...

this was a perverted thought in tang yu's mind.

PEI Qiqi still hadn't changed her identity as someone's wife. Luckily, she always thought of being careful before going to work, so she ran upstairs to see her.

xiao xinxin was still asleep. she was sleeping like a little piglet, sleeping soundly.

PEI Qiqi looked at her and leaned over to kiss the little person. The more she looked at her, the cuter she became, like a little pig.

"she's so cute." she looked up and asked tang yu, " did i really give birth to him?"

"

Chapter 1158 Mr. Tang's marriage leave (dog food)

she felt proud of herself. tang yu laughed in his heart but he still smiled, " "of course."

pei qiqi looked at her for a while longer before leaving reluctantly. just as she left, little xin xin opened her eyes and touched her face with her little hands-

Her mother had kissed her.

little xin's other hand opened, and there was a milk king bun inside.

As little Xinxin looked at it, tears welled up in her eyes again-the milk King bun fell off.

Downstairs, Tang Yan fastened his seatbelt and looked at PEI Qiqi. He smiled, " Qiqi, this is for you.

he threw a big bag of wedding candy on her lap and pei qiqi hugged it subconsciously. after taking a closer look, she snorted, " "i don't want to post it."

"we're getting married. shouldn't we give your colleagues some wedding candy?" He turned the steering wheel easily and took advantage of the gap to glance at her.

pei qiqi hugged the wedding candy,"i don't want it."

"Then I'll go post it." tang yu said in an infuriating manner.

After he finished speaking, PEI Qiqi glared at him. He didn't get angry and just smiled, " Qiqi, shouldn't you let your colleagues get to know your husband? "

she bit her little finger. when did he become so friendly?

She couldn't figure it out, but when she arrived at Jia Ren magazine agency, she saw through his dark thoughts.

was there someone like him who was giving out wedding candy while telling his male colleagues that he was pei qiqi's husband?

He had mentioned everyone in Jia Ren magazine, young and old.

PEI Qiqi felt terrified. What happened to the overbearing President and the noble and threatening man?

she squinted at him and he smiled indulgently. he reached out and patted her little head. " please take care of our little seven in the future. "

It was as if he was sending his younger daughter to school. How was this giving out wedding candy? it was simply feeding dog food.

the male colleague gave up on his goddess yingluo while eating the dog food.

indeed, goddesses belonged to the ceo!

tang yu didn't stay for long. he locked himself in the office with old kan, smoked two cigarettes, and left.

When they came out, old kan had his arm around Tang Yu's shoulder. PEI Qiqi felt like the world was a little surreal. The two of them seemed to have a good personal relationship.

Tang Yu told her to take her to the elevator so she couldn't hide her thoughts from him.

"Qiqi, old kan talked to me about public welfare just now." He cleared his throat.

PEI Qiqi couldn't help but laugh. She raised her head and looked at him, her eyes filled with warmth.

he had done a lot for her and given her enough freedom. he said that as long as she had enough of flying and remembered that she had a home in B city and that there were two people waiting for her, it would be fine.

however, he was such a good man, so how could she bear to fly away?

pei qiqi gently stepped forward and hugged his waist, " tang yu, thank you. "

Thank you for waiting for me forever in your best years. Thank you for never giving up. Thank you for allowing an LAN and I to be together. Even in your heart, you never agreed with an Lan's way of doing things.

Her soft body in his arms made Tang Yu's heart melt. He reached out and rubbed her head, " "Qi Qi, I'm going back. I'll pick you up in the afternoon. What time do you get off work?"

"Six O 'clock," She answered obediently, then looked up and teased,

he smiled and lowered his head to give her a kiss.

Her little face was a little red as she slowly left his arms. Tang Yu rubbed her again and turned to walk into the elevator.

PEI Qiqi watched him leave and turned around to enter the magazine agency. However, there was a crowd gathered at the entrance.

old kan and amy stood in front.

Chapter 1159 Mr. Tang's marriage leave (dog food)

amy smiled meaningfully, "pei qiqi, do you think you're married by giving out wedding candies like this? "

"What else?" PEI Qiqi asked.

no matter what, Tang Yu has to strip or perform a ten-minute tongue kiss for you guys. amy voiced out the thoughts of the public.

the scene just now was so beautiful!

if they kissed, the scene would definitely be so mesmerizing.

pei qiqi nodded and said seriously, " i'll ask tang yu then. "

so, she returned to her seat. she probably thought that once he got home, she would directly tell tang yu what amy wanted.

Tang Yu came back five minutes later because he was waiting on little ye during those five minutes.

this marriage leave was very satisfying!

After serving Xiaoxin, he came out to take a breath of fresh air, lit a cigarette, and returned ...

"qiqi, what do you want to choose?"

pei qiqi looked at that sentence and snorted. it was the standard tang response.

"i choose you to strip." pei qiqi sent the message and laughed.

He would definitely be angry!

Tang Yu looked at her and laughed, " Qiqi, I'd rather we kiss.

"I don't want to!" "you danced!" she mischievously sent another message.

tang yu sent one last message, " add one more. every colleague will receive 100000 yuan as a red packet. they can choose from three conditions. "

his new wife asked amy on her phone.

After Amy heard this, she immediately shouted, " Tang Yu is so unreasonable!

pei qiqi's little face looked at her pitifully. amy immediately cupped her face and said shyly, " i chose 100000 yuan. "

Everyone agreed to the 100000 Yuan.

PEI Qiqi sent a message to Tang Yu and concluded, " it's good to be rich.

Mr. Tang, who was on his marriage leave, was making mashed potatoes for Xiao Xinxin. He was wearing the cartoon apron that Xiao Xinxin had designated and was holding his mobile phone in one hand. Qiqi, there's nothing that money can't solve. If 100000 Yuan doesn't work, then 200000 Yuan will do.

PEI Qiqi laid on the table and wailed.

she thought of the night before yesterday when she mentioned charity to him, but Mr. Tang made a very embarrassing request to her. In the end, she wanted charity, and he paid for the service.

That night, Pei Qiqi earned more than three million yuan. Her mouth was numb.

From that night onwards, Pei Qiqi felt that Tang Yu was perverted and perverted! Sonorous! Fen!

Afterwards, Tang Yu touched her and said to her in a meaningful tone, " " Qiqi, you have to understand a man who has been single for two years. "

Pei Qiqi was so angry that she bit him.

But now, he was clearly reminding her of what had happened that night. Her little face was burning.

Tang Yu called again, " Qiqi, I've prepared a sum of money. It's about 20 million. Do you want it? "

"I want it." She said helplessly.

Tang Yu chuckled, " Qiqi wants it? Then I'll be forced to do it tonight. "

This time, it was a phone call. Pei Qiqi didn't feel anything. Her face was a little red as she said anxiously, " "I mean I want money, not that. "

"Isn't it the same? If you want me, it means you want money." He reminded her.

Pei Qiqi was defeated. She felt that Old Kan's public welfare was a scam, especially when he talked about it with Mr. Tang!

After the deal was settled, she hung up the phone and saw many pairs of ambiguous eyes.

Amy cupped her little Xin Xin. " Pei Qiqi, is this how you and Tang Yu's daily life is? "

Xuxu, who wants to come and go, is so embarrassed!

Chapter 1160 Mr. Tang's marriage leave (dog food)

Pei Qiqi's face was burning and she coughed, " "Aren't we getting married?" "

Amy looked at her Little Neck and whined, " "Oh yeah! The wedding is so intense. "

Pei Qiqi gritted her teeth and pounced over. Amy screamed.

The entire Jia Ren magazine agency was in a jubilant mood. When Pei Qiqi was done, she stopped and put her arm around Amy's shoulder. She felt a little emotional ...

Tang Yu arranged for her to come here probably to make her happy.

Tang Yu, thank you. I'm very happy.

Not because of anything else, but because you love me!

She was in a state of excitement the entire day. In the afternoon, Pei Huan came over with Kan Xing.

Poor child, he still hasn't changed his name.

Pei Qiqi and Pei Huan were familiar now. She looked at the little gossip star and asked Pei Huan, " "What's your name?" "

PEI Huan looked a little depressed. Kan Xing.

pei qiqi was stunned for a few seconds before she laughed, " "Kan Xing, carpet Xing! Haha, old kan really knows how to name things."

pei huan flew into a rage out of humiliation. " how do you know that it was him? "

PEI Qiqi coughed lightly, " I don't think you have such a great self-deprecating spirit.

"PEI Qiqi, you're still so annoying!" pei huan said angrily.

pei qiqi was playing with the little gossip star when she looked up at pei huan. her voice was soft, " "then why are you still so concerned about me?"

pei huan's eyes reddened, but she hid it on purpose and snorted, " " who cares about you? come on, you damn child. you've been gone for two years and you've become more annoying when you come back. "

pei qiqi kissed the little gossip star,"aren't i back now?"

PEI Huan looked at her and only hummed after a long while. Her voice was very low, " PEI Qiqi, it's a good thing you're back. Otherwise, I would only have this annoying father and son left in this world.

PEI Qiqi felt touched. It was the kind of feeling where you knew that no matter where you were, there would always be someone waiting for you.

She looked at PEI Huan and smiled. I won't leave again in the future.

pei huan saw that she was a little sad and patted her. " i heard that you're married! If you're getting married, make me happy. You're so happy that we're jealous, you know?"

pei qiqi only smiled and looked at pei huan.

She could not remember this girl who had grown up with her but did not get along with her. She could only see the deep emotions in PEI Huan's eyes.

pei qiqi had a feeling that the people around her were all people who loved her and loved her.

Although Tang Yu didn't restrict her freedom, he gave her a lot of love and arranged a lot of love for her.

She was a little touched, so when he came to pick her up, she sat in the car, fastened her seat belt, and leaned over to kiss him on the face.

tang yu was obviously surprised. then, he smiled, " what's wrong? why are you so clingy? "

PEI Qiqi hugged his arm, " Tang Yu, how's last year's movie? "

he lowered his head and pinched her small face. " i thought you didn't like to go out? "

She acted especially coquettishly,"we're newlyweds!" It's fine if you don't have a wedding, but you don't even have a stroll?"

"Of course you can." He kissed her forehead and said, " Mrs. Tang, sit up straight. We're leaving.

She hugged his arm and shook it like a little girl. I want to hug you.

Tang mo shook his head helplessly but still drove away.

she just hugged his arm and sang. as she sang, she looked at tang yu's handsome face.
