

Thank you 1161

Chapter 1161 Mr. Tang's marriage leave (dog food)

Qiqi, if you keep looking at me like that, I might not be able to drive properly. he patted her little head, his voice full of love.

she rested her face on his shoulder, " tang yu, did i sing well? "

he sighed. " it doesn't sound good. "

"mr. tang, it's not good to be too pragmatic." she laughed as she leaned on his shoulder.

Tang Yu looked forward and smiled, " sometimes, it's a good thing.

He slowly pulled over to the side of the road.

PEI Qiqi didn't understand, " why did you stop? did the car break down?"

"Mrs. Tang, you have violated the traffic rules." he rolled down the window and pinched her little nose.

at this moment, a police car stopped in front of them. two police officers got out of the car and walked over to tang yu's car window. they bent over, " sir. "

tang yu opened the door and got out of the car. the traffic officer took out a ticket, " your female companion didn't follow the traffic law. she's fined 200 yuan. here's the bill. oh right, show me your driving license. "

tang yu turned around. pei qiqi had already handed him his identification. tang yu was both amused and angry. he took it and handed it to the traffic police.

the traffic police officer was copying numbers. when he saw tang yu's name, he paused. he looked at tang yu and recognized him. just as he was about to say something, tang yu calmly said, " "Punish him however you want. I'll get my Secretary to handle it later."

The traffic police officer smiled and saluted him. "Thank you for your cooperation."

After that, he wasn't so serious anymore. He looked at PEI Qiqi, " your wife? "

"mm! She's still young and insensible, but I'll pay more attention in the future." tang yu put away his documents, signaled to the traffic police, and got in the car.

PEI Qiqi carefully looked at him, " Tang Yu, I'm sorry.

he only gave a faint "hmm" and did not speak.

PEI Qiqi pouted, " do you still have movies? "

tang yu looked at her, " what do you think? "

"yes." she reached out to hug him.

she chuckled and nibbled on his neck.

Tang mo looked at her and finally started the car.

They ate first, then went to the movies. She was as happy as a little bird. Tang Yu let her be and he was filled with satisfaction.

Did she remember that they were both his Qiqi?

when they reached the cinema, pei qiqi hugged her popcorn and picked out movies.

she saw ye liangqiu's new film, which was shot by an artistic director and was very popular.

"let's just watch this!" she held the popcorn in one hand and tang yu's arm in the other. she looked up and laughed.

Tang mo glanced at her silently and then chuckled. you like to watch kissing scenes between love rivals? "

he said it in a more obscure way. The show was quite popular. Ye Liangqiu was acting in her own character, and she had real sex with the male lead. In short, there were all kinds of rumors.

in fact, the film had been shot three years ago, but it was later banned, and the film had no more light. it was only recently approved for release.

PEI Qiqi pouted,"he's not my love rival."

then, she laughed again. " if she likes you, then that's it. "

Tang Yu touched his smooth chin, " PEI Qiqi, your words are getting more and more pleasant.

"I learned it from Mr. Tang," She rested her small face on his arm and smiled happily.

In the end, she almost hung onto him as she entered the arena. Tang Yu coughed, " "qiqi, people will laugh at you."

I don't care. I just want to feel your warmth, " she said.

Chapter 1162 Mr. Tang's marriage leave (dog food)

" qiqi, " he muttered, " we can use another method to feel the temperature. it's more direct. "

" tang yu, you're getting more and more shameless. " after she sat down, she laughed in his arms. he laughed too and ruffled her hair. " didn't you want to watch a movie? How do you see it?"

pei qiqi wailed, " when watching a drama between love rivals, i have to lie in my husband's arms. that's the only way to feel safe. "

he was both angry and amused. he patted her and focused on the movie.

the funniest thing was that the person who wanted to watch the movie was sleeping the entire time. when he pinched her little face, she would lie down and say that she was tired.

tang yu finished looking at heavenly ye's bed alone. she woke up after the movie ended and asked him in a daze where he had seen her.

"It's over." Tang Yu held her hand and stood up. He patted the popcorn off her body.

"ah?" pei qiqi asked, "is it over?"

"Yes," His tone was obviously not very good. He did not tell her that when men watched such films, they would also have a reaction. It would be very interesting if Madam could cooperate a little.

There were couples all around, and only the one in his house was sleeping like a little pig.

pei qiqi looked at him and said, "tang yu, is it nice?"

she still had the nerve to ask!

Tang Yu reached out his hand and flattened her little mouth. He pulled it to both sides and made it look ugly.

pei qiqi mumbled and glared at him!

tang yu's voice was a little hoarse, "next time, play it at home."

"Don't!" She buried herself in his chest. I won't allow you to look at anyone else.

tang yu hugged the little guy. his heart softened and he couldn't describe the feeling.

After a long time, she finally spoke softly, "PEI Qiqi, can you not look at others?"

She stared at him, and so did he.

After a long time, they all laughed.

Tang Yu, let's go eat skewers! she hugged his arm. "let's go eat bunnies."

tang yu's expression was hard to explain. he coughed, "Qi Qi, are you sure you want to eat rabbit?"

"I ate it with Amy and the others last time, it was really delicious, spicy bunnies are the best." she swallowed her saliva as she spoke.

Tang Yu looked at her in a daze with an infuriating gaze.

Even if he didn't eat it, she would eat bunny. If he kissed her after they got home, it would be like him kissing Bunny's corpse. Thinking about it, Tang Yu sighed.

in the past, pei qiqi didn't eat these.

PEI Qiqi pulled him out of the studio and pointed in a direction, "There's a small eatery over there. The taste is really good. Let's go and eat."

tang yu secretly made a decision. tonight, he would do it directly. he wouldn't kiss her. even if she doted on him, he wouldn't be soft-hearted.

The road wasn't far, so they walked there. When they crossed the road, he held her little hand and walked around like he was holding a child.

On the other side of the road, a black limousine was parked by the side of the road. Qin Anlan sat in the back seat, and ye Liangqiu was beside him.

The car window rolled down. Qin Anlan's eyes were on Tang Yu and PEI Qiqi.

"They're a good match," ye Liangqiu said indifferently.

Qin Anlan didn't say anything. His gaze was still on PEI Qiqi.

More than half of her body weight was on Tang Yu. She looked very happy!

qin anlan watched silently. he took out a cigarette, lit it, and slowly smoked.

"You just got discharged," ye Liangqiu reminded him.

"What does it matter?" He smiled bitterly and was about to roll up the window when his eyes stopped.

because pei qiqi saw him.

Qin Anlan smiled and waved.

Chapter 1163 mr. tang's marriage leave (dog food)

at first, pei qiqi was stunned. then, she ran over to him like a puppy. when she let go of tang yu's arm, tang yu's heart sank and he felt a little disappointed.

Ye Liangqiu was the same.

pei qiqi and qin anlan's relationship was very subtle. it was a special existence.

no one could destroy it.

PEI Qiqi ran over but before she could reach him, Tang Yu had already rushed over and reached out to hold her hand, "you're walking so fast and you don't pay attention to your safety!

His tone was reproachful, but it was also filled with endless pampering. At least, Qin Anlan's teeth ached when he heard it.

She opened the door and got out of the car, allowing PEI Qiqi to see ye Liangqiu.

she thought to herself, 'now that they're together, it looks like an lan's marriage is true.'

pei qiqi waved her little paws at ye liangqiu and then looked at qin anlan, "you're smoking right after you're discharged?"

qin anlan immediately threw the cigarette butt away and stomped it out with his calf leather shoes.

Then, he looked up at PEI Qiqi, "Are you here to watch a movie?"

"Yes." PEI Qiqi waved her little paws at ye Liangqiu.

This time, ye Liangqiu had to come out. She nodded at Tang Yan and said softly, "What do you think after seeing it? it's my first time shooting a literary film."

pei qiqi was a little embarrassed because she was sleeping the entire time.

luckily, tang yu still helped her out, "she's not easily touched by tears. she kept crying with her head buried. she probably doesn't even know what she's looking at."

Ye Liangqiu's gaze landed on PEI Qiqi's face. After a while, she smiled, "is that so?"

"it's really nice and touching." PEI Qiqi cupped little Xin Xin.

Ye Liangqiu smiled and looked at Qin Anlan. we'll be leaving then. Mu Yun is still waiting for us at home.

qin anlan had no objections and held the car door for ye liangqiu to get in.

After she got in the car, he got in the car himself. His gaze fell deeply on PEI Qiqi's little face.

her gaze made tang yu's heart ache.

PEI Qiqi waved her little paws again and watched their car leave.

tang yu coughed, "are you still eating?"

His feelings were rather complicated now. He would rather she eat bunnies than watch Qin Anlan's car butt like this. Vroom.

pei qiqi turned around and held his hand. she said lightly, "of course i'm going to eat."

She ran in front, and he quickly followed. He shook his head. This glutton.

She was the one who gave birth to little Xinxin. There was nothing wrong with that.

tang yu didn't get to eat any rabbit meat here, but when he got home that night, he still tasted the spicy flavor of the rabbit. he frowned, "why do you like this taste so much?"

PEI Qiqi wrapped her arms around him and kissed him, "next time, change to a five-scented one?"

he smiled helplessly and kissed her little mouth. then, he wrapped himself around her and kissed yingying again and again.

When PEI Qiqi left, he bit her little mouth and said in a low voice, "Qiqi, I think I like the taste of bunnies too. Let's eat together next time?"

She laughed and crawled into his arms. She kissed his thin lips and murmured, "Tang Yu, I'm going to turn you into a hot and spicy rabbit.

Finally, there was the spicy ham (indescribable)!

After they were done, Tang Yu patted her head, "I forgive you for falling asleep while watching a movie.

it was actually pretty good. she was asleep, so she was full of energy now!

however, the expression he gave pei qiqi in the end was somewhat thought-provoking.

spicy hot and spicy rabbit buns aren't that delicious! (You can guess the reason?)

Chapter 1164 Mr. Tang's marriage leave (dog food)

early in the morning, the room was quiet and beautiful.

pei qiqi was in a deep sleep. even tang yu slept a little late because of the indulgence of being newly married.

in such a quiet time, a little person hugged a small pillow and tiptoed in. then, she decisively climbed onto the bed, lifted the quilt, and bravely crawled in.

Little Xin was so happy in her father and mother's arms. Her little belly turned around and rolled around. Then, she pulled open her mother's bathrobe and whined,

although tang yu had washed pei qiqi and she smelled good, little xin still smelled something nice.

It was the smell of bunnies, the spicy taste.

Little Xin ate a few mouthfuls, her expression especially satisfied.

pei qiqi woke up from the pain. she lowered her head and saw a small black head. she smiled, "little xin xin?"

little xin yelped and wrapped her arms around her mother's neck.

PEI Qiqi hugged the little fellow and placed her hand on her little butt. she felt that it was chubby on her thighs. this little fellow was really well raised.

she was too sleepy as she hugged the little person, so she fell into a deep sleep again, leaving little xin to bare her fangs and brandish her claws. "little xin xin wants to eat bunnies."

"Eat your father. He's more delicious." PEI Qiqi said in a daze. She also said what was in her heart.

Little Xin raised her head. Her hair was curly, and her round face was filled with confusion. Then, she burrowed into her father's arms.

there was also the smell of spicy rabbits everywhere.

Little Xin licked Tang Yan like a satisfied puppy. When she kissed his lips, Tang Yan woke up. He thought it was PEI Qiqi and was about to kiss her deeply. But when he opened his eyes, it was little Xin.

Tang mo lay down and said in a soft voice, "Be careful, do you still want your younger brother and sister?"

little xinxin didn't care about this. she licked happily while calling for spicy rabbit.

tang yu lay flat and let the puppy lick him. then, he turned his head and looked at pei qiqi. his lips curved up slightly.

She too, smiled at him.

At this moment, she was so happy.

She gently placed her hand on his palm and stared into his dark eyes. After a while, she said softly, "what about being careful?"

Tang Mo closed his eyes and said with some impatience, "let her eat, she'll be obedient in a while." She smiled and reached out to hold his hand. This time, she would not let go of him and make him wait.

Tang Yu, I love you. she told him with her lips.

In fact, he had never told her about it, at least not after she lost her memory. But she knew that he loved her very much, so she didn't mind telling him first.

His pupils contracted. Then, he couldn't care less about his heart and turned to hug PEI Qiqi.

He hugged her tightly. Qiqi.

She was well-behaved and everything was perfect.

She just waved her little paws in confusion. Rabbit, Rabbit.

The poor little guy didn't even know that he had been treated as a Milk King bun by ye mu Yun and had become food. He still had to eat rabbits and finally became a Rabbit brand Milk King bun.

tang yu hugged pei qiqi and laughed in a low voice. his fingers reached over and ruffled little xin xin's hair.

PEI Qiqi frowned,"she is so noisy."

Tang Yu coughed, "you gave birth to him. You can't be disgusted!

PEI Qiqi also went to rub little Xinxin's hair.

tang yu suddenly took out a checkbook from the bedside and wrote down a series of numbers. he then gave her 2.6 million.

"mrs. tang, the reward." "continue to work hard tonight," he said as he placed his hand on her palm.

Chapter 1165 Mr. Tang's marriage leave (dog food)

pei qiqi cried out and buried herself in his arms. the little heart between them was squeezed into a flat heart.

it stretched out its little paw with difficulty and waved it.

Tang Yu smiled as he carried the little guy out and kissed her on the forehead, "do you want a younger brother or sister?"

xiao xinxin nodded her head adorably. "i want a sister."

Tang Yu muttered to himself, "if you want a sister, be careful when you go back to your room. Daddy will work hard to make one, okay?"

In the middle of a battle between her heart and soul, she gave the two spicy bunnies one last reluctant look. After hesitating between her sister and the spicy bunnies for a long time, she climbed down, ran out, and even thoughtfully closed the door.

the moment the door closed, tang yu pressed pei qiqi down like a beast and said in a hoarse voice, " little Xinxin is so sensible. Shouldn't we work harder? "

PEI Qiqi's long hair was loose and her small face was white. Under the morning light, she looked like a painting. Her bathrobe had long been in a mess.

she bit her finger, tears welling up in her eyes. " it seems like you haven't used yingluo's. "

she was too embarrassed to say the word 'set up', because her shyness made her look particularly moving.

– Of course not, I've already had a vasectomy! When he said he wanted to have a child, he was just lying to you!

Tang Yu hummed nonchalantly and started to kiss her. His voice was a little deep, " "qiqi, let's have another child."

She thought of how cute little Xinxin was and wanted one too.

But, was she pregnant? it had been so many times, but he had not taken any preventive measures.

however, it was always better to do more. thus, pei xiao qi cooperated with wanwan.

Tang Yu ate to his heart's content because he told her that it would be easier for her to get pregnant up there. He coaxed her to sit on his waist.

Pei Xiao Qi believed him. After working hard for an hour, she finally lay in his arms and her breathing became a little messy. " tang yu, do you think you're pregnant? "

little fool!

Tang Yu smiled and reached out to caress her, " "I didn't get pregnant this time. I'll try again next time."

he added, " our qiqi can not give up. "

PEI Qiqi acknowledged him and looked especially obedient.

Tang Yu smiled and reached out to pull her into his arms, " let's go and take a shower together.

Newlyweds were bound to indulge themselves. In the bathroom, he had sex with her again to tease PEI Qiqi. She suspected that he was really excited in a certain area.

So, when old kan told her to go to the mountains to collect wind a week later, PEI Qiqi agreed with tears in her eyes and gratitude.

After she came back, she told Tang Yu. Tang Yu sat on the sofa and flipped through some documents. He looked up at her and asked casually, " "then what about me?"

PEI Qiqi kneeled beside him and her voice trembled, " what what what do I do? "

tang yu put down the magazine and reached out to hold her pointy little chin. he smiled, " if you leave, we'll have sex at night. What about your life?"

pei qiqi was stunned. she looked left and right and saw a few servants preparing dinner!

she angrily lowered her head and bit his finger. " you do it yourself! " Anyway, he had been living like this in the past!

then, she clenched her fists, " tang yu, as a successful man, you shouldn't be thinking about this all the time. "

He let go of her and began to flip through the magazine very casually, his expression very calm ...

PEI Qiqi was experienced now. The more inattentive Tang Yu was, the easier it was for her to fall for his tricks.

Chapter 1166 mr. tang's marriage leave (dog food)

sure enough, her profiteer only flipped through two pages before looking up and saying in a serious tone, " " it's because i'm successful in my career that i have other things to pursue. for example, do i have too few children and i should work harder? "

pei qiqi was so speechless that she couldn't refute him. she clenched her little fists and stared at him.

Tang Yu laughed again and said calmly, " you've been gone for so long. Two weeks and you've been sleeping for so long. What do you think I should do? " How can a person get pregnant?"

PEI Qiqi squeezed out two words from between her teeth, " unscrupulous merchant.

Tang Yu chuckled, " you can go too. I'll make it up to you when I come back.

Come back and make it up-PEI Qiqi really admired Tang Yu. He was able to make such a shameless thing sound so reasonable.

she waved her little fists and said in a weak voice, " it's enough for qianqian to do it once a day. "

however, he had done it with her once, twice, or thrice a day. if he came back to make up for it in the past half a month, how many times would it take a night? do you still want to sleep?

pei xiao qi really felt that her marriage with tang yu was in deep water and fire. she was so tired!

how about this? I'll go with you guys. This way, it won't affect the delivery. You can do your work during the day and I'll do mine at night. he suggested kindly.

pei qiqi thought about it and let it be. everyone's tent wasn't soundproof. if he didn't rest for the whole night, would she be able to see anyone in the future?

she glared at him for a long time before she snorted softly. " i think i'll make it up to you when yingluo comes back. "

She always felt a little dejected. She felt like being with Tang Yu was too low and humiliating.

Tang Yu chuckled and reached out to touch her little face, " Qiqi, I'll wait for you to come back.

After he finished speaking, Big Boss continued to read his magazine. PEI Qiqi clenched her little hand, " why do you manage three companies and take such a long marriage leave? "

"you can also invite him! But are you sure you want to apply for marriage leave?" tang yu smiled again. " marriage leave is very tiring. this is my experience. "

PEI Qiqi wailed again and fell into his arms. Her voice was a little soft, " Tang Yu, can I return the goods? "

He sat on the sofa and twirled her hair gently with his fingers. He said in a gentle voice, " Qiqi, is my money so easy to take? "

pei qiqi's entire body was paralyzed. in her heart, she was greeting all eight generations of old kan's ancestors.

Tang Yu chuckled and brought her to dinner, " little Xin Xin isn't here tonight. Eat more.

PEI Qiqi was already familiar with his tricks. She clenched her fists. Tonight, she won't be able to sleep!

Looking at her angry expression, Tang Yu laughed, " Qiqi, is it that bad? " i remember that when you're excited, you'd also beg me not to end it. "

she buried herself in his arms and couldn't listen to him anymore.

surprisingly, that night, he didn't torment her like before. instead, he only did it gently once, for a long time, about two hours.

Very, very gentle. His eyes were so gentle that water seemed to drip out. His actions were even gentler.

He kissed her, complimented her, and whispered sweet nothings into her ear. That night, PEI Qiqi was a little lost in it. It felt like the night of their wedding.

although he didn't indulge too much, he still went to bed very late because he hugged her and said a lot of things.

they would be separated for about half a month, so pei qiqi couldn't bear to sleep. she stayed in his arms and listened carefully to qianqian. although she was tired after the marriage, she was happy every day she spent with him.

Chapter 1167 mr. tang's marriage leave (dog food)

the next morning, when pei qiqi woke up, tang yu was no longer there.

but there was a soft sound in the living room. she got out of bed and walked out barefooted.

Xiao ran arrived early in the morning with two secretaries. She was talking to Tang Yu.

"This one's pretty good. It tastes pretty good." "qiqi should be able to eat it for three days without getting sick of it," xiao ran said professionally.

Tang Yu reached out and took out another type, " have you confirmed the manufacturer of this spicy rabbit? " food safety?"

xiao ran held back his laughter and said, " safe! It's absolutely safe."

the two secretaries were having a hard time holding it in-pei qiqi was out for a field trip and BOSS was making it seem like his own children were on summer camp.

but thinking about it, he had lost it once, so he was being so careful.

Xiao ran once again counted the amount of food PEI Qiqi wanted to take away. It was a total of 10 kilograms and was carried in a huge backpack.

pei qiqi stood at the door,"i can't carry it."

Tang Yu turned around and glanced at her. After making sure she was dressed properly, he said, " "Isn't there old kan?"

Xiao ran nodded at PEI Qiqi, " we'll be leaving then. Qiqi, have a good time for the past half month.

looking at the poor child's face, he knew that she had overdone it. she must be very happy to leave the BOSS's evil clutches.

PEI Qiqi grunted. thank you. Let's go for coffee when you're back.

Xiao ran smiled and left with his second and third secretaries.

at the door, the second secretary couldn't help but say, " the president really dotes on pei qiqi. he's raising her like a child. "

Xiao ran agreed. actually, Qiqi is good like this. President will like her no matter what.

the third secretary told the truth,"his looks have always been online!" You see, she's been like this for the past few years. And this time, she looks even more like a young girl."

the three of them looked at each other, and there was an unspeakable tacit understanding.

In the living room, PEI Qiqi sat down and opened her bag. She was quite happy as it was filled with her favorite food. However, it was hard for old kan. Carrying 20 pounds of things must be very heavy.

"Have fun, Qiqi." tang yu leaned over and kissed her, " go get changed and eat breakfast. i'll take you there in a bit. "

pei qiqi acknowledged him. after she washed up, she went downstairs. tang yu was already sitting there. for the first time, he wasn't reading the newspaper. instead, he fed his pei xiaoqi until she was full and sent her out.

there were more than ten people in the group, but only pei qiqi had a 'parent' gift. she was laughed at for a long time.

the journey was like this. they drove all the way to zengcheng, parked the car at the foot of the mountain, and walked up to the mountain to get some wind. the mountain took half a day to grow. with old kan taking care of her, tang yu wasn't too worried. he was just worried that she might not be used to her soft skin.

Old kan looked at the bag in Tang Yu's hand, took it, and made a "two" gesture!

Two million!

Tang Yu exchanged a look with him. Deal.

PEI Qiqi got into old kan's car while Tang Yan stood there and watched the car leave.

after a while, his qiqi would lean against the car window and wave her little paws at him, "tang yu, wait for me to come back, hanhan."

make up!

before he left, she really missed him. pei qiqi, what a useless person!

tang yu smiled. he put one hand in his pocket and waved the other at her. he thought to himself, "it's like my child is always on my mind when she's out."

old kan was driving the car. he looked at the couple's lovey-dovey expressions from the rearview mirror and smiled. "qiqi, absence makes the heart grow fonder. you'll know that kind of happiness when the time comes. it's like riding on the clouds."

Chapter 1168 The fragrant and soft little bun!(1)

PEI Qiqi glared at him, "old kan, now I know why you get along so well with Tang Yu.

it was because they were both frivolous and shameless!

old kan just smiled. he probably understood what she meant.

After driving like this for more than an hour, PEI Qiqi was almost done talking. She was a little sleepy and wanted to sleep.

old kan took a sip of red bull and said in a rough voice, "Let's sleep for a while. The road is long. We still have eight or nine hours before we reach Zengcheng."

PEI Qiqi laid down but she couldn't fall asleep. She took out her phone and sent a message to Tang Yu-

What are you guys doing?

the other side replied immediately-

she was giving little xin a bath. she had just pooped and it was very smelly.

PEI Qiqi laughed. Suddenly, she missed them so much. She had the urge to drive the car back, but that would be too spineless. After thinking about it, she decided not to.

pei qiqi and tang yu chatted for a while-

sometimes, he replied quickly, and sometimes, he only replied once every ten minutes. he was probably just trying to blow his little heart's feathers.

after chatting for a long time, pei qiqi fell asleep. she hugged her phone and slept soundly.

When they passed a red light, old kan leaned over and took her phone. He sent a voice message to her. she's asleep.

These four simple words made Tang Yu's heart feel especially comfortable.

He smiled and helped his little girl tie her braids. Little Xin's requirements were very high, and as a father, he didn't have much experience, so it was still ugly after a long time.

xiao xinxin burst into tears. her cries were earth-shattering as if this was a particularly big matter. however, for a young girl, this was a big deal.

Tang Yan coaxed her for a long time. His heart felt both sweet and sour. He turned around and heard old kan's words. It was as if PEI Qiqi was right beside him.

Little Xin's delicate face was as exquisite as a painting. She blinked her watery eyes and asked Tang Yu, "when will mommy be back?"

"About ten days." As Tang Yu spoke, he sighed.

He was a newly-wedded man, and they had only been together for a few days. He hadn't even tasted it yet, and she had already left without a word.

This girl had probably wanted to leave long ago!

Tang Yu smiled helplessly and hugged his heart, "Daddy will take you to eat ice."

The little girl with the ugly braids clapped her hands. Yingluo, daddy is the best.

in the end, tang yu took little xinxin to the ice room. there, they met ye liangqiu and ye muyun.

It was rare that Xiao mu Yun was not hospitalized. She sat in the ice room and her eyes lit up when she saw Xiao Xinxin.

at first, our little xin xin was very happy. but when she saw ye muyun, she was so scared that tears started to well up in her eyes. her chubby little body twisted and turned as she laid on tang yu's shoulder. He faced ye mu Yun-

be careful, don't let your heart be eaten.

Tang Yu's heart softened. He was amused and angry at the same time. He reached out and patted his little daughter, "xue 'er, how can you do this?"

Ye mu Yun's eyes brightened. So the little one was called Xue 'er and not little Xin Xin.

Xue 'er was quite nice to listen to. It was as if she melted like snow in her mouth.

in short, ye mu yun always thought of food.

little xin didn't listen to tang yu for once. she twisted her body and ignored him.

Ye Liangqiu came over with ye Muyun. It was broad daylight and she was still wearing sunglasses. She nodded at Tang Zheng. Mr. Tang.

Chapter 1169 A soft and fragrant little bun!(2)

Tang Yu also nodded slightly and carefully sat in another seat.

without pei qiqi around, he wouldn't have much contact with other women. even if they knew each other, based on tang yu's personality, he wouldn't sit together.

Little Xin was quite happy. She gritted her teeth at ye Muyun, who was a few tables away.

You can't eat it!

Ye mu Yun looked at little heart who was baring her teeth and smiled.

she was so young, but her face was calm and collected beyond her age (tang yu's heart was bleeding. why did he and qiqi give birth to such a silly girl?)

little xinxin gritted her teeth again, and then she was conquered by the food. she ate very happily.

Ye Muyun looked at her eating so happily and smiled-

eat more. the more you eat, the faster you grow. when you grow up, you can eat it in one bite.

As Xiao Xinxin ate, she secretly looked at ye Muyun. His gaze was really terrifying. As she ate, she started crying. Daddi, he wants to eat me.

Tang Yu's eyes swept across the little radish head. As a man, he could keenly sense ye Muyun's interest in little Xinxin.

tang yu's lips curved into a smile and he said calmly, " why would i? He just wants to eat the dessert in your small bowl."

little xin blinked her teary eyes, " really? "

tang yu smiled, " really. "

He looked at ye Muyun warningly. If you want to court my little girl, come back after 15 years!

Under his stern gaze, Xiao mu Yun did not back down. Instead, she looked straight at him.

the two men's gazes met in the air, igniting a flame, and finally returning to calmness.

Ye Muyun looked at ye Liangqiu and said indifferently, " mom, let's go first. Doctor Zhang still has to do a checkup later.

This child was so calm that she didn't seem like a seven-year-old child. Ye Liangqiu was both relieved and sad. She nodded and had her assistant pack up a dessert just like little Xinxin-she thought that mu Yun wanted to eat little Xinxin's dessert because she saw her.

it was only after they had left that xiao xinxin snuggled into her father's arms. there were still tears in her eyes.

This little brother was so scary. She was careful to cry every time she saw him.

be careful not to be eaten up!

Tang Yu laughed. He reached out and ruffled his daughter's hair. His voice was a little hoarse, " "With daddy here, he won't dare to eat little Xinxin."

Little Xin blinked her eyes. really? "

“of course it’s true,” tang yu patiently wiped the little girl’s mouth clean and said gently, ” let’s go to grandma’s house to play later. how about it? ”

Xiao Xinxin was happy again. Zhao Yan is much cuter than the little brother just now.

tang yu smiled. that’s because little zhao yan didn’t want to eat you.

He took little Xin Xin to Lin Yun’s place. The two kids had a great time. Tang Yu chatted with his mother. Since Zhao Yi wasn’t there, the mother and son had nothing to worry about.

“you didn’t bring qiqi with you when you got married,” lin yun said with some blame.

She had two children in total. One was Tang Yu and the other was little Zhao Yan. They were both male.

qiqi was now the same as xiao xinxin. she raised her like a daughter.

now that she heard that she went to the mountains in zengcheng for a walk, lin yun glared at tang yu, ” she’s so delicate and expensive. how could she bear to go to the mountains? ”

Tang Yu chuckled, ” mom, she’s 77 years old. If she wants to play, then let her play for a few days.

Chapter 1170 Recovery of memory (1)

qiqi had been with him since she was twenty years old. she had been living a tense life. now, as long as she was happy, he was willing to give her freedom.

Lin Yun glanced at him and didn’t say anything.

Her son was willing, so what else could she say?

When Tang Yu left in the afternoon, he left on his own. He left little Xin at his mother’s place for a few days.

he drove back to the rose garden, went upstairs to get a suitcase, and put it in an off-road vehicle. he also changed into a set of casual clothes and sports shoes, put on sunglasses, got in the car, and drove in the direction of zengcheng.

8 p.m., zengcheng.

old kan got out of the car and beckoned pei qiqi to get out as well.

At this moment, they were at the foot of the mountain. The Twilight reflected the last ray of the setting sun, creating a profound atmosphere.

Old kan turned his head to look at her. every time I come here, I feel like I’m far away from the hustle and bustle of the city. I feel very calm.

PEI Qiqi raised her head and looked at the sunset on the other side of the mountain. She shouted, ” “zengcheng, i’m here.”

Old kan laughed and took out two crumpled cigarettes from his pocket. He handed one to PEI Qiqi, ” “Do you want one?”

pei qiqi looked at him.

Old kan laughed, "you're afraid Tang Yu will scold you?"

"No," she snorted.

Old kan didn't force him. He lit the cigarette and slowly took a puff before saying, "pei huan used to smoke too. huai kanxing used to smoke but stopped after she got pregnant. she quit after a long time."

as he spoke, his gaze landed on pei qiqi's face. there was something distant in his eyes.

That was a story that belonged to old kan!

PEI Qiqi looked at old kan and placed her hand on his shoulder. She leaned on his side and said, "you'll be fine as long as you quit."

She smiled.

old kan also laughed and ruffled her hair. "yes, you'll be fine after you quit."

He was referring to su Yue.

su yue was a shadow in his life that he couldn't erase. she was a secret that no one knew about. she was the white moonlight that was hidden in his heart.

It had been so long, and she had forgotten everything that she should have forgotten. However, she would still feel heartache occasionally.

and he couldn't tell this to pei huan.

but, pei qiqi understood.

Even though she had forgotten everything.

PEI Qiqi tilted her head and looked at old kan. She smiled, "are we staying at the foot of the mountain tonight?"

Old kan grunted and pointed to the flat ground at the side. we'll set up camp there.

there were more than twenty people in their group and they had set up more than ten tents. old kan arranged for pei qiqi and the two girls to stay together. the men worked and the women could chat and take pictures of the scenery.

The other two girls were the girlfriends of the photography enthusiast Jian Jia. The two girls were young and delicate. When they sat in the tent, they looked at PEI Qiqi's snack packet and were stunned. Did she need to eat so many snacks in the past ten days?

one of them said rather unhappily, "you're always talking to death! If his PEI Huan knew about this, she would definitely be very unhappy." Her words revealed how close she was to PEI Huan.

after all, kanmingzhu was quite famous and pei huan was rich, so many girls still wanted to curry favor with her.

PEI Qiqi smiled, "I don't think so!"

Although she had forgotten all about it, PEI Huan looked at her like a puppy looking at a bone. Her feelings were firm.

another girl spoke up for the first girl. "any woman would be unhappy when she sees another woman ordering her husband around."

they didn't know about pei qiqi's background and thought that she was a cheap slut that old kan found outside.
