

## Thank you 121

### Chapter 121

#### 121 Low-key luxury (2)

Tang Yu didn't ask where Zhao Ke was going. He sat at the dining table, refreshed. Since he had to wait a little longer, he picked up the newspaper and started reading.

tang xin didn't bother pei qiqi in the kitchen, so she walked out and sat beside tang yu. she whispered, " brother, why do you always ask qiqi to cook? "

"what's wrong?" tang mo turned a page and didn't raise his head as he asked lightly.

tang xin pulled his arm, " look, my mom either gets a beauty treatment, gets nail polish, or goes out to play with others. qiqi has to go to school and do housework. " It's been too hard on you."

Tang Yu glanced at his sister and said calmly, " she still has to work. She's at Sheng Yuan, two hours in the afternoon.

tang xin widened her eyes and stared at her brother, " then, yueyue, yueyue has to accompany you at night. isn't she tired? "

Finally, Tang Yu closed the newspaper and looked at Tang Xin with a serious expression.

At this moment, PEI Qiqi came over with breakfast. He looked up and said slowly, " I'm the one who's tired!

pei qiqi didn't hear what they said before. she sat down and ate her breakfast quietly.

tang xin's little heart was greatly shocked, and she was taught an X education class by her brother.

after tang yu finished speaking, he continued to eat seriously. tang xin sneaked glances at pei qiqi from time to time.

In her eyes, PEI Qiqi was unbelievably beautiful. Although Tang Xin was beautiful herself, she seemed to be lacking something when compared to PEI Qiqi.

she studied painting, so she quickly thought of a word-rich.

That's right, Qiqi's beauty was like an oil painting that went deep into her bones.

she then looked at her brother. soon, tang yu's face turned into a pile of bones and everyone died!

tang xin buried her head and laughed secretly, in a particularly good mood.

It was rare for Tang Yu to see her like this. In fact, Qiqi's personality was a little cold. He didn't know why Tang Xin liked her so much, Hanhan.

it was good that she just liked him.

" hurry up and eat your breakfast. i'll take you to the company later. you can go back at night! " He knocked on Tang Xin's little head.

Tang Xin smiled, " I want to go to school with Qiqi.

She had never been to school, so she yearned for it.

tang yu naturally saw the desire in her eyes but he still didn't agree, " or i'll just send you home. "

"I choose to go to the company!" Tang Xin raised her hand and blinked at PEI Qiqi.

her eyes were very bright and clear. pei qiqi was dazed for a moment and was caught by the light.

Tang Xin was very lively, which was what she yearned for.

she was also zhao ke's daughter, but her experience was completely different from tang xin's. however, she really couldn't hate tang xin.

she silently lowered her head and continued to eat breakfast, but tang xin pouted and asked, " "Qiqi, do you not like me?"

PEI Qiqi looked up, not knowing how to answer this clingy little thing.

She subconsciously looked at Tang Yu. Tang Yu didn't help her but continued to read the newspaper.

PEI Qiqi turned her head. Tang Xin's expression was like a dog seeing a bone and she wouldn't let go.

"I don't dislike it!" PEI Qiqi didn't have a choice. She wasn't used to it.

When she was with PEI Huan, there was only mockery and sarcasm, and Tang Xin was a cute, soft, and warm little thing.

Tang Xin automatically understood her words and happily took her hand, " "Then, Qiqi, you like me!"

She rubbed her face against PEI Qiqi's arm, " let's sleep together tonight, okay, Qiqi? "

Chapter 122

122 low-key luxury (3)

Tang Xin rubbed against PEI Qiqi like a puppy and almost bit her.

Tang Yan smiled. let's go!

Was this a disguised rejection?

tang xin followed obediently and pei qiqi finished her meal.

They went downstairs together. PEI Qiqi saw that Tang Xin was there, so she wanted to sit in the back seat.

Tang Xin isn't an adult yet. You sit in front! Tang Yu looked at her and said.

pei qiqi could only sit in the front while tang xin sat in the back. she excitedly leaned on the front seat and wanted to chat with pei qiqi.

in the beginning, pei qiqi only thought that tang xin was lively. later, when she found out that tang xin never went to school, she understood that xuxu tang xin was just lonely.

she wanted to ask why she didn't go to school, but it wasn't something she could ask herself.

Tang Yu parked the car at the entrance of B. PEI Qiqi got out of the car while Tang Xin waved her hands in the car.

He continued to drive and looked in the rearview mirror. Tang Xin was still looking at PEI Qiqi with her hand on the door.

Tang Xin took a while to turn around and look at Tang Yu's back, " brother, you like Qiqi a lot, right? "

tang yu's long fingers were on the steering wheel as he laughed silently. he then responded nonchalantly with an " en. "

tang xin immediately leaned over excitedly and put her face next to tang yu's ear, " brother, did you notice that qiqi's butt is especially perky, her hair is especially straight, and her breasts are quite big! "

although tang yu agreed with what tang xin said, what tang yu was thinking was that zhao ke wanted to train tang xin to be a socialite, but now it seemed that her education had failed.

"Tang Xin!" his ears were a little hot, and he reprimanded her in a low voice.

Tang Xin didn't dare to say anything more and sat back obediently. But after a while, she couldn't help but say, " Qiqi's waist is quite thin.

tang yu couldn't be bothered with her anymore. when he arrived at the office, he threw her to xiao ran wanwan.

Xiao ran and Tang Xin were already very familiar with each other, so he was happy to accept it and specially asked people to prepare a lot of snacks.

In the past, Tang Xin was very happy at Sheng Yuan because she could get away from Zhao Ke's control. But today, she was counting the time and waiting for PEI Qiqi to come earlier.

She was wrong. She should have asked for Qiqi's phone number so that she could call and ask.

she didn't dare to ask her brother for hanhan now.

tang xin held her chin and sighed.

She didn't understand why she liked Qi Qi so much. Perhaps it was because she was the person her brother liked.

After class, PEI Qiqi carried her bag and prepared to leave. Chen Xinjie caught up to her and panted, " Qiqi, Run Run.

PEI Qiqi stood still and looked at Chen Xinjie. Then, she smiled.

chen xinjie walked out with her and asked, " Qiqi, how are you and Tang Yu these days? "

"It's alright!" PEI Qiqi said nonchalantly.

chen xinjie felt that pei qiqi didn't treat her the same as before. she quickly walked in front of pei qiqi and bit her lip, " " qiqi, i didn't do it on purpose. i just thought that you would still like lin jinrong as you did before. "

PEI Qiqi stopped in her tracks. She looked at Chen Xinjie and said slowly, " Lin jinrong is going to marry PEI Huan. No matter what, PEI Huan and I are sisters.

she wasn't a person without principles. putting aside what happened between her and tang yu, even if pei huan used underhanded means, she and lin jinrong were fiancée and they would get married soon after pei huan got pregnant.

If she acted like she did in the past, she would feel disgusted.

She wouldn't think that Chen Xinjie was doing this for her own good, but she wouldn't easily fall out with Chen Xinjie either, as that wouldn't do her any good.

## Chapter 123

### 123 fake seriousness (1)

chen xinjie heaved a sigh of relief. " that's right, qiqi. you're different from pei huan/"

PEI Qiqi changed the topic, " I'm going to Sheng Yuan.

chen xinjie wanted to bring up the matter of her going to sheng yuan, but pei qiqi was obviously cold and distant.

pei qiqi took the bus to sheng yuan. when she arrived at the company entrance, she saw tang xin squatting there and mumbling.

"what are you doing here?" pei qiqi walked over and looked at the skinny body squatting down. an indescribable feeling rose in her heart. this feeling was heartache that she didn't want to admit.

Tang Xin teased her sister.

PEI Huan had never given her such a feeling before.

Tang Xin looked up with a wronged expression and said, " Qiqi, why are you only here now? I've been waiting for you for a long time!

she stretched out her fair and delicate hand. " qiqi, pull me. my feet are numb! "

pei qiqi felt helpless but still reached out and pulled her. tang xin took the opportunity to rub some oil on her.

Even if she knew, PEI Qiqi would pretend not to know.

The moment Tang Xin saw PEI Qiqi, she immediately went into puppy mode and hugged PEI Qiqi's arm, " " qiqi, it's hot outside, right? there's air conditioning in brother's office and a lot of delicious food. he's not here now. "

PEI Qiqi walked into the elevator with her, " I have to work.

Tang Xin's eyes were full of stars, " I've asked for leave for you!

after she finished speaking, she looked at pei qiqi carefully. pei qiqi looked back at her and didn't say anything for a long time.

tang xin pulled her hand boldly, " qiqi, i just think you're working too hard! " Just one day, I promise." because she would not be here tomorrow.

PEI Qiqi was angry and amused at the same time. She couldn't help but knock Tang Xin's head like Tang Yu did, "you really didn't do it for yourself?"

Qiqi is the best! Tang Xin rubbed against him like a puppy again. &Nbsp;

As expected, Tang Yu wasn't in the office. PEI Qiqi was pestered by Tang Xin to chat and play games.

Tang Xin was finally relaxed. She ate with a round stomach and lay on the sofa, groaning, " " qiqi, do you know that my mom doesn't allow me to eat too much? she's afraid that i'll gain weight! "

However, she felt that she was still a baby. Besides, Yingluo might not live for long. If she couldn't even eat what she liked to eat, wouldn't she be too pitiful?

She didn't tell Qiqi about this. She didn't want Qiqi to pity her, so she accompanied her.

pei qiqi smiled lightly and tang xin rolled around on the sofa again, " i hope dad and mom will fight once a week. that way, i can run out more often. "

as she spoke, she blinked at pei qiqi.

PEI Qiqi's heart softened. She used to think that other than PEI Minghe, she would never be soft for anyone else. But Tang Xin was so cute and so pure.

PEI Qiqi held a book in her hand and looked at Tang Xin. Tang Xin blinked at her again.

as if she was possessed, pei qiqi reached out and touched tang xin's hair.

tang xin stopped moving. she laid there and stared at pei qiqi. after a long time, she asked softly, " qiqi, you really didn't consider letting me stay today? "

PEI Qiqi retracted her hand and grunted. Then, she returned her gaze to the book.

you're as silly as your brother. Tang Xin pouted, " fake serious.

pei qiqi looked at her.

at this moment, tang xin was hit on the back of her head by a file. she turned around and saw tang yu.

## Chapter 124

### 124 Fake seriousness (2)

"big brother!" Tang Xin pounced on him and hugged him, looking especially affectionate.

Tang Yu removed the little monkey from his body and snorted, " what did you say about me just now? "

Tang Xin bit her little finger, " did I? I don't really remember.

tang yan bent down and knocked her on the head. then, he turned to pei qiqi, " "qi qi, tell me."

His tone was like he was talking to two little kids. PEI Qiqi was pretending to be reading a book, but now she had to look up at him. Oh, " she said slowly, " Tang Xin just complimented your Yueyue.

tang mo smiled. ” really? ”

then, he pressed tang xin’s little face into his arms and covered her little ears so that she couldn’t hear.

his body leaned forward slightly and he got close to pei qiqi’s ear. his beautiful thin lips touched her little ear and his voice was hoarse with a hint of a smile, ” what about you? do you think i’m amazing too? ”

as he spoke, he lifted his head slightly and focused on admiring her blushing face.

pei qiqi bit her lip. her eyes seemed to be covered in a thin layer of tears as she glared at him.

Tang Xin was like a Caterpillar in Tang Yu’s arms. Her face was red but he still held her down and looked at PEI Qiqi with determination.

then, he lowered his head slightly and kissed her on the lips. his voice was a little hoarse. ” when we’re free, let’s try. ”

PEI Qiqi didn’t want to try it with him at all, but with Tang Xin around, she didn’t dare to say a word.

tang yu smiled and finally let go of tang xin.

“what are you guys talking about?” Tang Xin looked at this and then at that, her tone puzzled.

tang mo chuckled, got up, and went to his desk to sit down and deal with business.

“Qiqi, why is your face so red?” tang xin stared at pei qiqi’s face and asked seriously.

pei qiqi lowered her head and looked at the book in her hand, ” no. ”

“there’s obviously one!”

“no, i didn’t!”

” i do. you can look in the mirror. ” tang xin was very honest.

pei qiqi finally couldn’t take it anymore. she raised her eyes and coughed, ” tang xin. You shut up!”

“i’m telling the truth.” tang xin said, then reached out her little hand and felt it carefully, ” “I don’t have a fever, Yingluo.”

pei qiqi glared at her while tang yu laughed in a low voice.

.....

pei qiqi ignored tang xin. tang xin pestered her for a long time but it was useless. she didn’t stop until it was time to get off work.

” qiqi, ” tang xin said, ” i’m leaving. just smile. ”

PEI Qiqi gave him a fake smile.

“This one isn’t pretty, try another one!” tang xin was like a piece of sticky candy. did pei qiqi really suspect that she and tang yu had the same father?

even if they were born from different mothers, the difference was too great.

The first time she saw Tang Xin and Tang Yu, they were more like siblings. Now, it was a little hard to explain.

Tang Zheng closed his notebook and looked at the two little girls. okay, let’s go eat!

as she spoke, her phone rang. it was tang zhiyuan.

Tang Yu answered the call and responded casually. His eyes were on Tang Xin.

tang xin shrank back and looked at tang yu pitifully. after he hung up, she said with a bitter face, ” brother. ”

“They’re waiting for you downstairs.” Tang Yu said calmly.

tang xin still wanted to struggle, but seeing tang yu’s expression, she stopped talking.

she liked tang yu the most but also feared him the most. in her heart, tang yu was the person with absolute authority.

## Chapter 125

### 125 Fake seriousness (3)

Tang Xin hung her head dejectedly and sighed. Every strand of her hair seemed to be depressed.

PEI Qiqi looked on and remembered what Tang Xin said. She hoped that Tang Zhiyuan and Zhao Ke would fight more often.

there was also an unspeakable heartache in her heart.

tang xin came over and hugged her. it was a bear hug, and her voice was a little low, ” ” qiqi, i’m leaving. can you send me down? ”

PEI Qiqi didn’t want to see Zhao Ke, but she couldn’t reject Tang Xin now.

She was so sad and couldn’t bear to let go of her tears.

He hummed and pushed Tang Xin away a little.

tang xin sniffed and said to tang yu, ” “Big brother, I’ll be leaving first.”

Tang Zheng sighed but still came over to help her carry her small backpack. He rubbed his hair. I’ll pick you up in the future.

In fact, Tang Xin knew that her brother was just saying it. He liked her, but he would also be worried about his mother, Yingluo, and that he couldn’t keep in touch with her often.

she hummed in a low voice, carrying a small bag and a small bear in her arms. ” “Qi Qi, let’s go!”

pei qiqi looked at her dejected expression and almost wanted to ask her to stay, but what position did she have? what right did she have to ask her to stay?

His throat suddenly felt like it was blocked and he couldn’t describe the discomfort, but he still took Tang Xin’s hand and sent her to the first floor.

In the living room on the first floor, Tang Zhiyuan stood and admired the famous paintings on the wall. Zhao Ke stood straight and her gaze fell on the electric ladder. Her whole body was a little tense.

When she saw PEI Qiqi, her beautiful eyes revealed a dangerous glint.

Tang Xin slowly walked over and said in a low voice, "mom.

zhao ke said in a low voice, not too gentle, " "Go back to the car with your father."

tang xin nodded and walked in front of tang zhiyuan. tang zhiyuan smiled gently, " "your mom and i will bring you to eat your favorite french food later."

tang xin made a face in her heart. french food was what her mother liked because she thought it was high class. she never liked it. she would rather eat qiqi's stir-fried meat. it was very good.

Tang Zhiyuan placed his hand on Tang Xin's shoulder and looked at PEI Qiqi. He said politely, " "thank you for taking care of tang xin for a day. "

PEI Qiqi just smiled.

As she watched Tang Zhiyuan and Tang Xin leave, Zhao Ke's expression turned ugly, " PEI Qiqi, don't try to use Tang Xin to persuade her. Even if you please her, it won't bring you anything. It's even more impossible for you to marry into the Tang family because of this.

PEI Qiqi was already numb to Zhao Ke and her words.

She smiled faintly and said in a light tone, " Mrs. Tang, aren't you the one who used Tang Xin to marry into the Tang family? "

zhao ke's face turned ashen as she glared at pei qiqi.

"Mrs. Tang, not everyone is like you." pei qiqi didn't want to talk to her anymore so she turned around and walked towards the elevator.

zhao ke was furious. she looked at pei qiqi's back and blurted out, " "Do you think Tang Yu's true to you? Do you know his past?"

PEI Qiqi's body froze and a bitter smile appeared on her face.

tang yu's past wasn't something she could care about and it wasn't something she could pursue.

he was the one who had bought her. he might like her a little today, but he might not like her tomorrow.

If she took it seriously, she would be really pitiful.

Zhao Ke gritted her teeth. At the same time, she deeply felt that PEI Qiqi was different from her.

Chapter 126

126 mr. tang's confession (1)

she used to try so hard to get that person's attention, but he still didn't want her even without yingluo having sex with her and even getting her pregnant twice.

that person was just like tang yu. he had no heart. but now, tang yu liked pei qiqi.

Zhao Ke was a woman, a woman who had dated many men. She knew how a man would look when he liked a woman.

PEI Qiqi returned to the top floor and didn't say anything else. Tang Yu was on the phone. As he spoke, he glanced at her.

There was a faint smile on his face. It was very light, and it softened his usual cold lines.

Holding the phone, his snow-white cufflinks with a pair of Black Diamond cufflinks glistened. Coupled with his calm demeanor, he looked very pleasing to the eye.

pei qiqi stood there and looked at him for about five seconds before sitting down. when she picked up her book again, she was so upset that she couldn't focus on it. she didn't know if it was because of zhao ke or tang yu.

tang yu's gaze drifted over again. then, he smiled and ended the call.

He tidied up his desk. Qiqi, let's go.

She looked up in a daze and then looked at the time. It was only half past five.

"i said i'd eat outside today!" he looked at her, his eyes focused.

" oh, " pei qiqi replied. tang yu walked over and helped her pick up her bag. he carried it himself and pei qiqi followed beside him.

Although she was not used to having the president of Sheng Yuan beside her, who was shining like a Super Diamond, she had to get used to it.

He seemed to be enjoying himself.

tang yu didn't take her to a high-end restaurant. instead, they went to a private restaurant.

he probably came here often, so they were very familiar with each other.

the manager personally came over and led them to a private room. " mr. tang, are we still following the old rules? "

tang yu sat down and grunted.

The manager left.

Tang Yu poured a cup of hot water for PEI Qiqi. PEI Qiqi was a little overwhelmed and wanted to stand up to serve him.

His fingers were holding her small hand. He only used a little force, but he pressed her there so strongly that she could not move.

"Drink some water!" he finally let go of her. at that moment, pei qiqi felt her legs go soft.

tang yu just smiled and drank some water.

fortunately, the manager came in with the waiter and quickly served the dishes.

there were about six dishes, a soup, and a dessert.

pei qiqi didn't really have the chance to eat desserts. it wasn't because zhou meilin was so harsh on her, but because she didn't have the mood to eat desserts.

she looked at the flame and ice cream in a daze, and her face was pinched. ” “what's wrong?”

Before she could say anything, Tang Yu had already placed the dessert in front of her. He smiled, ” “do you want to eat it now?”

PEI Qiqi raised her eyes and looked at him in a daze.

“Silly!” He smiled and rubbed her head. “Just a little bit will do. Eat more vegetables.”

pei qiqi acknowledged him. she wasn't used to it.

she had been with him for more than a month, but they had never had a meal together outside.

There seemed to be something different.

she couldn't put her finger on it, and she felt uneasy. she felt a little uneasy throughout the meal.

After dinner, she thought she would go home immediately. However, Tang Yu took her to a shopping center. The largest and most complete range of luxury goods in B city were all gathered here.

he obviously didn't have the patience to stroll around, so he went straight to a luxury watch counter.

## Chapter 127

### 127 Mr. Tang's confession (2)

the service staff saw tang mo's noble appearance and was particularly warm and sweet, trying to introduce the new products in the store.

tang yu said lightly,”help this lady pick a suitable watch.”

This was because Qiqi had looked at the time on her phone today.

pei qiqi rejected him subconsciously. ” i don't want yueyue. ” her voice was weak and it carried a hint of fear that she would anger him.

He only ruffled her hair and walked to the women's Watch counter.

The waiter quickly regained his senses. His heart was clear as a mirror as he enthusiastically recommended the latest watch for PEI Qiqi, ” miss, take a look at these. They're the new designs that just arrived a few days ago. There's only one of them in this city, and you can't buy them anywhere else.

this brand's watches were simple, fashionable, and low-key.

PEI Qiqi studied design and immediately thought that the design of the watch wasn't bad. However, the price of the Kasaya wasn't bad either.

Even the cheapest model cost more than 300000 Yuan.

she lifted her eyes and looked at tang yu. even if she didn't say anything, he knew what she was thinking.

tang yu smiled and pointed at a platinum one, " look at this one. "

The waitress was ecstatic. This watch was worth more than a million Yuan. If she could get it, she wouldn't have to worry about this month's sales. However, she maintained a reserved and professional look on her face as she took it out with her white gloves and handed it to Tang Yu.

tang yu looked at pei qiqi. she was in a daze.

"give me your hand," he coughed and laughed.

It wasn't like PEI Qiqi didn't know how to read the mood and embarrassed a man like Tang Yu. Although she thought it was expensive, she didn't say anything and obediently reached out her hand.

The Platinum body and the blue gemstone on the dial made the numbers more colorful. It was a watch suitable for young girls. It looked indescribably beautiful on PEI Qiqi's hand.

"this one!" obviously, tang yu was someone who liked to make decisions quickly.

pei qiqi didn't object as she thought he was going to pay the bill. however, tang yu asked the waiter, " "Do you have the same Men's Watch?"

the waiter could no longer maintain his reserved expression. his smile was so stiff that he said, " "yes, yes, please wait a moment!"

she carefully took out a men's watch. it was naturally more expensive, almost two million yuan.

tang mo took off the watch he was originally wearing. the waiter secretly looked at it and was shocked. that watch was worth tens of millions. now, in order to wear a couple's watch with a little girl, he was willing to change it to a two million watch.

She looked at PEI Qiqi with envy and sighed in her heart. No wonder she doted on PEI Qiqi so much.

tang yu's original model was more mature. he looked at it silently and frowned.

pei qiqi thought that he wasn't satisfied and hoped that he wouldn't buy it.

it's too strange to wear couple-style watches, yingluo.

However, Tang Yu smiled, " time to issue your bill!

From the moment they walked out of the counter to the moment they sat in the car, PEI Qiqi felt a heavy weight on her wrist. It was as if Tang Yu was using something to tie her down.

Of course, she didn't dare to take it off.

tang yu casually threw the box of the watch he was wearing to the back of the car and turned around to look at pei qiqi, " "do you like it?"

pei qiqi felt that he asked a little too late but she still smiled, " i like it. "

He smiled, put one hand on the steering wheel, and started the car.

This action also allowed her to see the watch on his hand clearly. It clung to his wrist so naturally, just like her.

pei qiqi was in a daze. as tang yu drove, he picked up a cigarette box from the control center with one hand. he lit a cigarette with the other and took a puff.

## Chapter 128

### 128 Mr. Tang's confession (3)

he was actually in the mood to chat with her. he asked casually, "do you like tang xin?"

pei qiqi unnaturally sat up straight. tang yu was very casual at this moment, but it made her even more guarded.

this wasn't the tang yu at work, but the tang yu in his daily life. it seemed like he didn't mind exposing some of his habits to her, like smoking while driving.

PEI Qiqi thought of Tang Xin and her expression became gentler and more natural, "I do. She's quite cute."

Tang mo held the steering wheel, a cigarette in one hand and occasionally took a puff.

he wasn't a regular smoker, but the way he smoked was very pleasing to the eye. when he heard her words, he smiled."did i?"

He paused for a moment, then turned to look at her and smiled. you're quite cute too. I like you too.

PEI Qiqi paused for a moment. She didn't expect him to say that.

also, tang yu looked down on tang yu for being a mature and reserved man. what's more, he was a businessman, an especially successful businessman.

In PEI Qiqi's heart, this kind of man wouldn't say the word 'like'.

she didn't know how to respond to wanwan for a long time before she lowered her eyes.

at this time, the night was already dark, and the street lights slowly came on. the road was like a long fire dragon.

it was very dark inside the car, but the car lights from the outside would occasionally shine in and into her eyes, dyeing them with a layer of color.

PEI Qiqi blinked her long eyelashes and said softly, "Tang Yu, What do you like about me?"

Tang Yu finished his cigarette and put it out. Then, he looked at the child beside him. She looked very confused.

Patting the back of her hand, his eyes were full of smiles. Then he said slowly, "it's probably just as Tang Xin said.

PEI Qiqi was really listening to him seriously.

"tang xin said that your hair is very black and straight, your back is also beautiful, especially your buttocks are very perky, " mr. tang also said very seriously, but he still chuckled in the end.

pei qiqi glared at him.

His eyes were fierce and Tang Mo's lips curved into a smile.

She didn't know that she was already cute enough without these external conditions.

After that, she didn't say anything more. PEI Qiqi turned her little face to the window and watched the street lights flash by.

soon, they arrived at xia city apartment.

The car stopped and she bumped her back against the seat. She came back to her senses and unbuckled her seat belt silently.

her fingers were on the car door. when she opened the door, tang yu held her other hand down.

she turned her head and looked at him. he did the same. he turned his handsome face and looked at her quietly. his black eyes were filled with an indescribable expression. it was especially clear and bright. pei qiqi realized that it was a jade gaze.

Suddenly, she felt that her lips were very dry, and it was difficult to breathe.

The narrow car felt even more cramped. PEI Qiqi realized that her legs were soft and her heart was trembling.

That feeling of powerlessness came back again, and he lost all resistance. His pure male scent was all over her.

She watched as his face inched closer and closer, and her eyes widened in shock.

tang mo chuckled, his warm palm covering her eyes and his thin lips kissing her small mouth.

pei qiqi almost jumped up. his lips were hot like lava.

she struggled subconsciously, but he immediately grabbed her wrist and pressed it to the side of her body.

her little hand twisted a few times, and her kasaya fell weakly.

## Chapter 129

### 129 A top student (1)

Tang Yu chuckled imperceptibly and deepened the kiss. He raised her small face and adjusted it. he had never been like this before.

pei qiqi was a little scared. it felt like they weren't just kissing, but he was exploring her soul.

Two drops of tears rolled down from the corner of her eyes and slid on their skin. It was cold and uncomfortable.

He paused. Although he did not let her go immediately, he slowed down and kissed her gently as if he was coaxing her.

PEI Qiqi was like a floating duckweed, unable to find her roots.

She could only lean on Him and wrap her little hands around his neck. She could only hug him with difficulty.

after a long time, tang yu finally left her lips. he was still on her forehead.

he wasn't any better himself. his breathing was short and his heart was beating fast.

The temperature in the car rose because of this kiss, and the whole car was filled with sweetness. She didn't know when he had leaned forward, but his entire body was pressed against her crotch. her small hand was wrapped around his neck, and her fingers touched his shirt. his shirt was a little hot from the thin sweat.

he moved away slightly and pei qiqi felt a little cold. she wrapped her small hands around his neck and didn't allow him to leave.

tang yu's body froze and his muscles tensed up. however, his voice was gentle as he called her " baby " in the dark.

He buried his face in her hair and coaxed her gently, " baby, get out of the car.

PEI Qiqi only came back to her senses after a while. When she was more clear-headed, she looked into his smiling eyes. Her face was a little red and she let go of him.

Tang Yu chuckled. He got out of the car first and walked over to her side. He opened the car door and carried her up. PEI Qiqi was very uneasy. He patted her, " "Be good, don't move."

he carried her into the elevator with his briefcase in one hand. in order to not fall, pei qiqi could only hold onto his neck.

Her little face was buried in his heart like a little kitten, entangling him so much that his soul was gone.

Tang Yu lowered his head and suddenly kissed her on the lips as if he couldn't control himself. they didn't kiss like meng yilang did before, where they only kissed lightly and deeply.

PEI Qiqi had nowhere to hide so she weakly turned her face away.

Tang Yu pressed her against the elevator wall and chuckled.

PEI Qiqi's little face was on his shoulder and she lightly punched him. you're too evil.

The elevator also arrived. He half carried her back to the apartment. When he put down his things, PEI Qiqi's people had already left.

Tang Yu smiled. He poured himself a glass of red wine and slowly drank it.

After that, she took her bathrobe to the bathroom. When she came out of the shower, the bedroom was still quiet.

He placed the watch he had taken off on the bedside table and saw PEI Qiqi's watch on the other side.

he narrowed his eyes and walked into the study without saying anything.

pei qiqi was sitting on a small desk and reading a book. in front of her was an exam paper.

He pushed the door open and she looked up at Yingluo, especially when he was only wearing a bathrobe.

Tang Yu slowly closed the door and walked over, " how much longer? "

it was already close to nine o'clock.

pei qiqi bit the tip of her pen and said in a soft voice, " about two hours. "

Tang mo smiled silently and then sat down on the sofa next to her. He said very casually,"alright, i'll go with you."

## Chapter 130

### 130 top student (2)

He sat down, stretched out his long arm, and pulled out an original book from the bookshelf at the side, reading it leisurely.

PEI Qiqi looked at him silently. Then, she lowered her head and continued to do her paper.

Occasionally, she would look up some information. When she didn't know how to do it, she would frown and her expression would be quite cute.

This was what Tang Yu thought.

he rarely spent time alone with others, but at this moment, he actually felt that it was wonderful.

under the dim yellow light, pei qiqi held her head. there was a question she couldn't think of even after thinking for a long time.

tang yu put down the book in his hand and raised his eyebrows, " you don't know? "

pei qiqi looked at him and nodded.

"Let me see!" His tone was indifferent.

PEI Qiqi hesitated for a moment. She stood up and walked over. She showed him the paper and pointed at a line, " "This is the place."

She stood up straight like an elementary school student, and she looked quite cute.

Tang Zheng glanced at her, lowered his head, and then knocked on her head. stupid.

pei qiqi bit her lip and didn't say anything.

his hand went up and caught her little hand, very, very naturally pulling her into his arms.

He rested his chin on her head, smiled, and began to guide her on how to do the questions.

after he said that, he knocked her on the head again."You know?"

as he hugged her like this, her mind was like mush and she couldn't understand what he was saying.

She sat in his arms without moving or making a sound.

"Qi Qi?" He held her small chin and forced her to look up at him.

PEI Qiqi's neck felt like it was going to break. She cried out, " "I don't understand."

He stared at her for a while before he reached out and carried her to his lap.

PEI Qiqi felt even more uncomfortable. She pursed her lips and looked at him.

"Call me big brother." He suddenly said,

PEI Qiqi's eyes widened in disbelief (actually, he didn't ask her to call him anything else.)

tang yu pinched her face and smiled, " i'm six years older than you, qiqi. isn't it normal to call me brother? "

It was normal!

however/it would be/little perverted to call their relationship that.

PEI Qiqi couldn't say it out loud so he didn't force her and repeated it in detail. Luckily, his little friend wasn't too stupid and knew how to do it this time.

PEI Qiqi immediately jumped off his lap and focused on her paper.

Tang Yu chuckled then picked up his book and started to read again.

it was very quiet in the study. he was sitting while she was half-lying on her stomach, her black hair brushing against her face ...

This scene was as beautiful as an oil painting.

Tang Yu would glance at her from time to time. Later, she was so engrossed in her writing that she didn't even notice when he went out to pour her a glass of water.

pei qiqi only finished writing at 10:30 pm. when she looked up, tang yu was still reading.

She was a little embarrassed. I'm done.

He looked up quietly and looked into her eyes. PEI Qiqi felt a little uneasy and pursed her lips.

"Go take a bath and sleep!" he said indifferently, then put down his book and walked out.

pei qiqi had been feeling uneasy the entire night. when she came out of the bathroom, she saw that the bedside lamp was off. only then did she let out a sigh of relief.

it seemed that he was not in the mood tonight.

Reality proved that PEI Qiqi was too naive.

When she lifted the blanket and wanted to lie down, her body was suddenly lifted up. The next second, she was under him.

she let out a low groan and looked up. in the dark, she looked at the pair of black eyes above her and her body trembled.
