

Thank you 1211

Chapter 1211 The consequences of angering him (4)

the sarcasm in her words angered mo xiaoqi. she raised her hand and was about to slap her again when a voice rebuked her, ” “What’s going on? when did KING allow you to do it in the company?”

It was sister Ying.

Qin Anlan was beside her. Qin Anlan seemed to be discussing something with sister Ying, and sister Ying sent him out of the office.

Mo Xiaoqi immediately put on an obedient look and said, ” Oh, sister Ying, I just wanted to teach this disobedient newbie a lesson. Who asked her to disrespect me? ”

“if you change your temper, your career will probably be much better.” Elder sister Ying looked at her, then at ye Liangqiu. let’s continue with our work.

She sighed in her heart. She was such a good girl, but she ruined her future.

When she turned around, she saw that Qin Anlan was already heading straight for the elevator.

Mo Xiaoqi left unwillingly.

the interns did not dare to do so. they were all counting on sister ying to promote them.

they lined up in a row. sister ying looked at them one by one and said in a stern voice,”Go and do a thousand deep squats!”

She couldn’t bear to see internal strife in the company. Would she become famous after defeating her own people?

after everyone had left, sister ying looked at ye liangqiu and said in a gentler voice, ” get up! Come to my office for a moment.”

ye liangqiu put down the things in her hands and followed elder sister ying in.

“ye liangqiu, you joined KING entertainment just to get 4000 yuan and to sweep the floor?” sister ying flared up the moment she entered.

“no.” ye liangqiu pursed her lips.

sister ying continued to fire,”do you see president qin’s attitude?” He didn’t care! President Qin has always hated mo Xiaoqi’s behavior, but do you know what it means that he didn’t intervene today?”

ye liangqiu finally looked up at sister ying.

“it’s president qin who’s suppressing you, not anyone else,” sister ying said slowly.

Although it was cruel, it was the truth.

Ye Liangqiu’s expression was a little awkward. Sister Ying looked at her and felt a little sorry for her. She said lightly, ” I’ll talk to President Qin. go and do your work!”

Ye Liangqiu thanked him and left.

sister ying did not manage to convince qin anlan either. she told him that ye liangqiu would continue to spend the rest of her life cleaning up and receiving and sending documents.

she had not been able to wait for qin anlan to unseal her. fate had played a huge joke on her.

ye ling had committed suicide.

he had ended his young life by jumping off the eighth floor of the school.

Ye Liangqiu's legs were weak when she arrived at school.

Ye Ling's face was covered by a white cloth as he lay straight.

She walked over slowly. She wanted to call his name and wake him up, but when she opened her mouth, it was only a hoarse voice. She couldn't say a word.

ye wanwan was so young, innocent, and beautiful.

She slowly knelt down beside ye Ling, her fingers trembling as she removed the White cloth covering his face.

ye xuan seemed to be alive, but he was asleep.

Ye Liangqiu's fingers lightly touched his face. They were cold.

She remembered that ye Ling's body had always been hot, especially so that she would often hug him to keep warm in the winter.

ye wanwan

a stream of blood slowly seeped out from the back of his head and stained her eyes red.

"ye ling." Ye Liangqiu closed her eyes and knelt on the ground, silently crying.

at this moment, it was as if they had returned to the day their father passed away. she was helpless and didn't know where to go.

ye sheng held her hand and told her to take good care of her mother and ye wanwan.

But ye Zhi still died.

Chapter 1212 provoking him once more (1)

Ye Liangqiu's tears fell silently. The surroundings were silent, and no one dared to step forward.

in this silence, ye liangqiu let out a shrill cry,"ye wanwan."

However, he could no longer stand up and call her sister.

people started to pull her back and comfort her.

But how could she restrain her grief? her mother had gone crazy and ye Xiao was dead.

Her only hope was ye Rou. Ye Rou would never be able to come back to life. Even if they didn't have a home, ye Rou wouldn't be able to find a place to go home even if she wanted to.

Ye Liangqiu experienced the most sorrowful day of his life.

She didn't know how she sent Ye Jin away, but someone kept pulling her along in a daze.

When he went to the school to settle Ye Rou's funeral, the school gave a vague explanation, saying that it was due to Ye Rou's personal feelings and had nothing to do with the school.

Ye Liangqiu was sitting opposite the principal. She had once been the most admired female student in King's College, but now she was the parent of the incident.

"Liangqiu, I understand how you feel, but Yingluo, I have my own difficulties too!"
"We're all very sad to see such an outstanding student like Ye Jin in trouble,"
Principal Wang hinted.

"There are some things that we're not too sure about," Principal Wang continued.
"We're still investigating, but I think that as Ye Jin's sister, you should know more about his private life than the school."

Ye Liangqiu looked straight at Principal Wang.

Principal Wang squeezed out a bitter smile. That's what happened. I can only say that Ye Zhao's psychological quality is a little weak. Gossip is a fearful thing, and it can kill people!

Ye Liangqiu's eyes were fixed on Principal Wang, and her tone was gentle. It was Su Cheng who spread the rumors in the school, saying that Ye Zhao wanted to rape her, right?"

Principal Wang did not say anything, but he sighed.

The answer couldn't be any clearer.

But out of admiration for Ye Liangqiu, Colonel Wang still kindly reminded him, "Liangqiu, if we go head to head with her, not only will we not be able to find any evidence of Su Cheng's crimes, but you'll also be pushing yourself onto the fire.

He looked at Ye Liangqiu with burning eyes. "Liangqiu, you understand what I mean, right? The arm can't win against the thigh!"

Ye Liangqiu looked at Principal Wang. After a long time, she said softly, "I understand."

How could she not understand!

She had nothing. What could she use to sue Su Cheng?

What should he tell Su Cheng?

However, Ye Xuan had indeed been killed by Su Cheng's rumors.

She would not let it go!

Ye Liangqiu's eyes were as cold as ice.

She would not let it go, but she would wait until the day she had the ability to seek justice for Ye Ling.

Out of morality, the school compensated ye Ling's death with 500000 Yuan, and ye Liangqiu didn't refuse.

She took the money and took out the remaining money, begging the buyer to sell the house to her.

She had sold it for 1.5 million Yuan and bought it for two million Yuan. She now owed the bank hundreds of thousands.

On the day she received the house, she brought ye Xiao's photo back home. He passed away at such a young age, so he had to have a home to return to after his death.

ye liangqiu looked at ye ling's photo and stood there for a long time-

that night, she took out her phone and played the video.

She clearly knew that she needed fame, money, and power.

only qin anlan could help her with this. however, after such a long time, perhaps qin anlan had forgotten who she was.

The only thing they had in common was that sex.| things.

ye liangqiu clenched her fists. at that moment, she was hesitant, but reality did not allow her to escape. she had to get qin anlan's attention, whether it was good or bad.

Chapter 1213 provoking him once more (2)

ye liangqiu closed her eyes, and when she opened them again, she was fearless.

She quickly logged into a website and clicked "send" with her finger. The video was sent.

Almost immediately, the video went viral. The public might not know the male lead, but mo Xiaoqi's fans knew every inch of glory that their idol had.

Moreover, mo Xiaoqi's main image was that of a pure and innocent girl, so in just one night, her fans had taken over her social media account and were all scolding her for being a green tea.

The news spread even further. Like sharks that had smelled blood, the reporters swarmed to King Entertainment in the middle of the night. Mo Xiaoqi, who was still filming late at night, was surrounded for no reason.

she was so aggrieved that she cried, but in the end, her manager found a way to get her out.

mo xiaoqi exploded in the car, " who did this? "

although she wanted to trap boss qin, after all these years, she had long given up hope.

"the person who posted the video is so sinister!" "President Qin must think that I did it," mo Xiaoqi said hatefully.

She looked at her manager with a slightly panicked expression."Do I need to explain to President Qin, or should I hold a press conference to clarify things?"

her agent was a thin middle-aged man in his forties called liang kuan.

He gently comforted her,"the point is, is this woman you? If it's not, wouldn't you be walking right into the muzzle if you go to the call yourself?"

Mo Xiaoqi only took a few glances and said with certainty, ” “of course it wasn’t me,”

Liang Kuan laughed. let’s see how President Qin handles this. What I mean is, we should bide our time!

As for who this woman was, boss Qin should know best in his heart.

with tears in her eyes, mo xiaoqi looked at liang kuan, pursed her lips and nodded.

at KING entertainment’s headquarters.

All of the company’s employees were summoned back urgently because the video posted on a social media site this afternoon was a huge scandal for King Entertainment.

the arrow pointed to KING entertainment’s unspoken rules.

Kie stood at the door of Qin Anlan’s office. He was almost scared out of his wits.

president qin lost his temper.

kie wanted to ask if it was mo xiaoqi, but he didn’t dare to ask. he only stood at the door, trembling.

Qin Anlan sat in front of his desk and took a long drag on his cigarette. Then, he looked at his friend. “call sister ying and ask ye liangqiu to come over.”

Kime was obviously stunned.

Ye Liangqiu?

did president qin mean that the woman was ye liangqiu?

this was simply shocking!

Wasn’t ye Liangqiu miserable enough?

She actually dared to provoke boss Qin?

How much courage did he have?

After the initial shock, KIMED immediately went to get it done.

sister ying had called ye liangqiu in front of him, and ye wanwan had turned off her phone.

sister ying looked at him. ” his phone’s off. i can’t help it. i’ll contact you tomorrow! ”

sis, I’m begging you, please ask this young lady to come back quickly! Kim pleaded.

sister ying looked at him and said, ” ye liangqiu hasn’t come to work for more than ten days. ”

” what’s going on? ” it can’t be that you can’t bear the pain, right?”

sister ying’s expression became serious and she said softly, ” “Ye Liangqiu’s brother, Ye Wanwan, committed suicide.”

even KIME was stunned. how could this be?

Sister Ying smiled. Kime, you've been with boss Qin for so long. You can't even control him as well as a little girl.

I'm sorry, " Kime laughed bitterly. He agreed with sister Ying's words.

ye liangqiu was really good at it.

Chapter 1214 Provoking him once more (3)

Returning to the CEO's office on the top floor, Kime's voice was trembling. "ye liangqiu turned off her phone."

then, he watched as boss qin snuffed out the cigarette in his hand. based on his understanding of boss qin, he knew that there would be a massacre later!

"President Qin, something happened to ye Liangqiu's family." her brother jumped off a building and died."

qin anlan's body trembled for a moment. he then looked up and stared at KIME for a few seconds.

Kie knew that if he was unlucky, he would probably have to pack up and leave if he provoked boss Qin, but he still braced himself and said, " "President Qin, can you please show some mercy?"

qin anlan's gaze was fixed on KIME's face. he looked at it for a long time before he said softly, " give him a way out? by doing so, not only would she destroy mo xiaoqi, but she might also put KING entertainment at an irredeemable disadvantage."

Qin Anlan laughed coldly. also, Kime, go and take a look at King Entertainment's lobby. How many reporters are there? "

Of course, Kim knew that, so he was not confident when he pleaded for mercy.

qin anlan lit another cigarette. " ask her to come see me. if i don't see her tonight, i'll use my own methods to solve this. "

"I'll find her and bring her back," Kime said as he walked out of the room.

But when he opened the door, he saw ye Liangqiu standing outside.

the light in the office shone on the corridor outside, casting a bright shadow on her face. it was very pretty, but it made her look paler.

qin anlan had always felt that ye liangqiu was suitable for the big screen. at first, he wasn't too sure about her acting skills, but after this incident, he had a new understanding of ye liangqiu.

At the age of 19, he was at least 30 years old!

he thought that he hated it.

He hated women who played mind games with him, but at the same time, he admired them.

He squinted at her pale face and said in a calm tone, " " excuse me, i have something to discuss with miss ye. "

kie left the room and motioned for ye liangqiu to go in. he then closed the door.

Ye Liangqiu and Qin Anlan were the only two people in the huge office. He did not make a sound, so the room was so quiet that only her rapid breathing could be heard.

Qin Anlan looked at her. He sat on the sofa and said in a stern tone, "miss ye, what do you want this time?"

Ye Liangqiu's back was pressed against the door. After a long time, she said in a soft voice, "I want a chance at King Entertainment's support."

After she finished speaking, Qin Anlan's gaze was focused on her. After a long time, he slowly stood up and walked over to her in a daze.

She instinctively moved to the side, but he was faster and quickly trapped her between himself and the door.

with one hand on her shoulder and the other pinching her chin, he looked at her with a deep gaze. "Why are you doing this?"

He sneered, "it can't be because of mo Xiaoqi!"

He leaned closer to her and said in a cold voice, "because of su Cheng? hmm?"

he was too shrewd and she could not hide anything from him, so she simply admitted it. she raised her little face and smiled gently. "yes!"

so, you killed two birds with one stone and made a joke out of my King Entertainment, huh? "His voice rang in her ears. It was very gentle, but there was a touch of hair-raising in it.

ye liangqiu slowly opened his eyes and turned to look at him. "What do you think, President Qin?"

his fingers gently caressed her delicate little face, and he smiled coldly. "don't you know that i've been friends with the su family for generations?"

"i know." she did not avoid his gaze.

Qin Anlan held her small face and forced her to look up.

Chapter 1215 making their relationship public (1)

their lips were so close that they could almost see each other's eyes. he stared into her eyes. "you know, but you still dare to provoke me?"

"because i have no other choice." her beautiful eyes were too dazzling at this moment.

Her eyes were filled with hatred.

she was like a vengeful angel. if her gaze was on the big screen, it would be enough to shock the hearts of hundreds of millions of viewers.

this pair of eyes had also convinced qin anlan.

he was a businessman, and he only did things that were beneficial to him.

suddenly, he let go of her and took two steps back.

ye liangqiu immediately reached out to hold the door, or else she would slip.

qin anlan pulled her over and called for KIME. " help me contact the media downstairs. i want to hold a press conference. "

Seeing Qin Anlan's arm around ye Liangqiu, Kie's jaw dropped in shock. Then, he heard Qin Anlan's calm voice. I want to disclose my relationship with ye Liangqiu.

Relationship?

KIME was busy looking for his chin. was boss qin joking?

Could this relationship be said so casually?

Moreover, since boss Qin was willing to do as he said, it was enough to show that ye Liangqiu had enough value. But boss Qin also tied her to herself. Wouldn't it be troublesome for Wanwan in the future?

However, Kime could not go against his wishes. He nodded and said, " I'll make the arrangements immediately.

After Kie left, Qin Anlan lowered his head. His gaze was gentle, but his voice was cold. later on, just do as I say. Ye Liangqiu, if you dare to mess up again, I promise you'll regret it.

She pursed her lips tightly and did not speak ...

her stubbornness made him unhappy, but qin anlan had never thought about what would happen next ...

They were partners and enemies, so he instinctively didn't like her personality. Later on, he met PEI Qiqi and was deeply attracted to her. For a few years, he never thought that PEI Qiqi was the other side of ye Liangqiu.

It was ye Liangqiu, the person he wanted to like but was unwilling to like!

after he finished speaking, he took the lead and walked out. his voice was very calm."To the meeting room."

ye liangqiu ran a few steps to catch up, her small hand holding his large hand.

Qin Anlan stopped in his tracks. He turned his head and looked at her small hand with a complicated expression.

ye liangqiu raised her head and smiled."an lan, let's go!"

he didn't move, and only spoke after a while, " "Pay attention to your eyes. There's no love in them, only fear."

she was stunned for a moment. he had already walked forward, and his large hands closed together, slowly holding hers.

he walked in front and she followed behind.

Ye Liangqiu was very tall at 172 cm, but she was like a little bird leaning on a man behind Qin Anlan, who was 186 cm.

Kie had already arranged seats for the reporters. Even though it was late at night, there were still more than 20 mainstream media outlets attending the meeting. From this, it could be seen how big of a rock ye Liangqiu had thrown.

qin anlan held ye liangqiu's hand as they walked in. he stood at the head of the table, his posture calm, but his gaze on ye liangqiu was as gentle as water, full of love.

kie, who was at the side, secretly wiped his tears. their boss qin's acting skills were the best. if boss qin went to act, there would be no place for those young hunks.

his eyes and body movements were full of acting!

Qin Anlan helped ye Liangqiu up the stage and took the microphone. He looked at her lovingly and said, "i'm sure the video of me and cool autumn tonight has caused a lot of trouble for you. i would like to apologize to the public for my inattentiveness in causing the video to be leaked. of course, i would also like to apologize to my cool autumn for not protecting you well."

he leaned forward and gave her a light kiss on the lips.

Ye bingqiu froze-

Chapter 1216 Making their relationship public (2)

Qin Anlan only gave her a light kiss before leaving her lips. However, his gaze was gentle, and at that moment, ye Liangqiu's heart trembled.

He didn't say much and only touched her cheek with his palm. Everything was conveyed without words.

anyone who suspected their relationship would be dispelled.

No one would doubt that those eyes were not from the person in love.

"Yes, that's it." Qin Anlan leaned close to her ear, his voice low and hoarse.

then, he put his arm around her shoulder and said indifferently, "does anyone have any other questions?"

"president qin, " a reporter asked sharply, " i heard that miss ye is a female artiste under KING entertainment. what i want to ask is, did she become your girlfriend first or the company's artiste first? "

Qin Anlan smiled. is this important? "

The reporter said it was important.

qin anlan smiled faintly. " this is not important to me at all. liangqiu is a very talented girl, and i hope to be able to help her. "

the last sentence was very important.

The reporters had been in this industry for a long time, and President Qin's words had a deep meaning ...

It seemed that ye Liangqiu was a newcomer that King Entertainment had been promoting. On closer look, she was indeed very special. She didn't have the sweetness of the Asian queen mo Xiaoqi, but her aura.

Given time, it would definitely shine.

Qin Anlan's voice was very serious. miss ye and I are in a legitimate relationship. Please take note of size when you write. If there are any false contents, King Entertainment will take legal action.

when he looked at ye liangqiu, his eyes became gentle. " she's a good girl. i want to treat her well. " give her the best."

The reporter was originally here to catch up on the news, but now he was fed dog food and was caught off guard.

However, it was the entertainment industry, and there were sudden changes. Who knew what would happen in the future?

However, the headlines in front of them were enough to say that King Entertainment's boss had found his true love and had turned from a Sparrow into a Phoenix.

Ye Liangqiu stood beside Qin Anlan. She was dressed in plain clothes, but she did not seem weak at all. She had her own pride.

The press conference ended quickly. Kime treated everyone to supper and politely sent them off.

she walked to president qin's office, but she still didn't dare to go in. she turned around and saw sister ying.

"Let's avoid it!" Kime advised.

Sister Ying nodded and went to Kime's office with him.

in the president's office, qin anlan held a new document in one hand and a cigarette in the other. his handsome face was cold. after reading the document, he pushed it to ye liangqiu, who was sitting opposite him. " take a look and see if there are any problems. if not, then sign it. "

ye liangqiu took it and carefully looked through it.

Ten years was like selling one's life.

she raised her eyes and fixed her gaze on qin anlan's face. she only paused for two seconds before she lowered her head and signed.

qin anlan pressed her hand down. his voice was a little hoarse. " are you sure you want to sign? "

the back of his hand was warm, while her fingers were cold. her hand trembled when she felt the hot and cold.

She looked up again and met his eyes.

Qin Anlan felt that he had never seen such a determined look in her eyes. For some reason, his heart softened a little. ye Liangqiu, have you thought it through? if you sign this, it means that you'll be spending the best of your time in King Entertainment, no matter if it's good or bad.

she looked at him, and suddenly, a light smile bloomed on her cold face. " i've thought about it. "

Chapter 1217 making their relationship public (3)

He suddenly felt a little depressed. He stubbed out the cigarette and lit another one. He looked at her indifferently. okay.

He kept the documents and looked at her deeply. Then, he pressed the internal line. come in with sister Ying for a moment.

'kid' arrived in a minute. he looked at qin anlan with a burning gaze.

Sister Ying was much calmer.

we'll start training her tomorrow. Report to my office from four to six in the afternoon. qin anlan's voice was faint.

what? " Kie was in disbelief. boss Qin didn't pursue ye Liangqiu? "

How big of a mess had this caused?

however, qin anlan did not pursue the matter. he only raised his hand and motioned for them to leave.

After they had left, Qin Anlan sat alone in the office. He felt a little lonely in the quiet surroundings. That kind of loneliness was close to invincibility, close to boredom.

It had been a long time since King Entertainment had any surprises. It was like his life.

She had once liked someone so passionately, but in the end, it was like a firework vanishing, and her love was nowhere to be found.

Qin Anlan was very lonely. His life was like stagnant water.

thus, when ye liangqiu appeared, her dauntless and fearless attitude had piqued his interest.

However, that was not love between a man and a woman. His greater interest was to make her into a classic work.

he sat and smoked a few cigarettes, only leaving the company at two o'clock in the morning.

When they went out, it was drizzling.

The black sports car was driving a little slowly. He held the steering wheel with one hand and smoked nonchalantly with the other.

in the dark night, there were no pedestrians on the road, only the occasional car that passed by.

He drove slowly until he saw a familiar figure.

It was ye Liangqiu.

her face and body were covered in the rain as she walked in the rain.

Her face was pale, and not a trace of her soul could be found in her.

She was as clean as white paper, but there was a gloominess in her bones that could not be dispersed. Qin Anlan looked at her like this and felt that she was a mystery.

He couldn't see through it and couldn't guess.

he could have driven the car over and not care about her, but in the end, he still stopped the car beside her.

The car window rolled down. He looked at her drenched appearance and said in a cold voice, "get in the car."

ye liangqiu slowly turned his head and then fell to the ground, softly, without any warning.

Qin Anlan squinted his eyes and cursed under his breath. He opened the car door and immediately got out of the car.

he picked up the person on the ground and put her in the car. he then touched her forehead. fortunately, she was not feverish.

However, it was definitely not okay to wear wet clothes like this. Qin Anlan did not hesitate to rip her clothes off. He removed the Kasaya and appeared as tender as she was. The visual impact of black and white was so obvious that his breathing became a little heated.

He covered her with a blanket in a sorry state.

When he sat in the driver's seat again, his hands were on the steering wheel. Qin Anlan's gaze slowly looked down at his own desire and laughed at himself. When did he have such poor self-control?

he drove the car to his penthouse apartment in B city and parked it in the underground garage. he took the elevator and carried her upstairs, with only a blanket wrapped around yingluo.

he carried her straight to the bed in the guest room and put her down. he wanted to get up and go back to the room to take a shower, but his feet were not stable, and his body was covered on top of hers, tightly and without a trace.

ye liangqiu also woke up.

She opened her eyes and looked at the handsome face magnified in the darkness, as well as the environment they were in.

Chapter 1218 Qin Anlan, you bastard!(1)

her womanly self-awareness let her know how unbearable she was.

ye liangqiu pursed her lips and instinctively tried to slap him.

in the pitch-black night, the sound of the slap was particularly clear.

qin anlan's face was smacked to the side.

Her breathing was a little messy, and her body struggled. "let me go."

Qin Anlan's thin lips were tightly pursed as he stared at her face with a sinister gaze.

No woman had ever dared to treat him like this!

almost immediately, her hands were held down and raised above her head, where the kasaya was nailed to.

Qin Anlan narrowed his eyes and sneered. ye Liangqiu, do you think I need to force a woman? ”

he held her down with one hand and turned on the bedside lamp with the other.

She felt even more embarrassed under the bright lights.

he seemed to be deliberately humiliating her as he looked at her carefully under the light ...

In bed, she had a breathtaking beauty. If it wasn't for the fact that King wanted to make her popular, Qin Anlan thought that he would have made love to her right now.

Ye Liangqiu was both embarrassed and angry. She reached out to kick him, but when her foot kicked him, Qin Anlan cursed softly and flipped to the side.

it was as if she had kicked something she shouldn't have.

ye liangqiu sat on her knees at the side and bit her lip. ” qin anlan? ”

her voice was a little weak, but it strangely hit his heart.

Qin Anlan reached out and suddenly pulled her onto his body. Her lips happened to be pressed against his.

It was soft and hot. She looked at him, her small hand pressed against his chest, and she felt a little helpless.

compared to him, she was like a piece of white paper, innocent and fragile.

Qin Anlan kissed her without restraint. He sucked on her little mouth and tasted every bit of her beauty.

At this moment, he had a rare feeling of passion.

His big palm could not help but throw the blanket aside. His ten fingers clasped together, and he slowly worshipped her beauty.

ye liangqiu panted lightly, her long hair spreading out helplessly. her fingers were held by him, and if she struggled, she would be sent to him to be enjoyed.

the air was filled with the smell of hormones.

She no longer struggled. Lying down, she felt that she was being carried very, very high by him, as if she couldn't come down from the high sky.

“Qin Anlan,” she called out his name in pain.

qin anlan's body trembled for a moment, then he stopped and looked down at the person in his arms.

Her hair was wet and stuck to her smooth face. Her red lips trembled slightly, and it was extremely alluring.

She was ye Liangqiu! It was not anyone else.

qin anlan calmed down and let go of her in the end. he lay down at the side. ” “Go and take a shower.”

just now, they were just one step away from having sex again. to qin anlan, this was against his principles.

Both of them were in a sorry state. For Qin Anlan, it was even more difficult for him to accept that ran ran could not control her own emotions.

she did not move for a long time.

He tilted his head and looked at her for a long time before he got up quietly.

he walked to the window and took out a cigarette from his pocket. he didn't light it, but just put it in his mouth.

ye liangqiu looked at him in a daze. she had never thought that someone like qin anlan would be lonely.

ye liangqiu pursed her lips. she sat there, hugging her knees and looking at him.

she didn't know that she was studying this man and analyzing him in her heart. she didn't know the reason why.

After a long time, he turned his head and looked at her with a deep gaze. “ye liangqiu, don't fall in love with me.”

Chapter 1219 qin anlan, you bastard!(2)

She lay on her knees and smiled gently. Qin Anlan, don't you think you're too superior? ”

he didn't find a smile in her eyes, but he continued to look at her.

ye liangqiu's eyes drooped. after a moment, she said, ” “I won't fall in love with anyone.”

“That would be best.” His voice was cold as he walked towards the door.

With his hand on the doorknob, he said in a calm tone, ” sleep early! Also, don't wander around. I'll have you prepare your clothes tomorrow.”

Ye Liangqiu was still hugging her, completely unaware of how alluring her current appearance was.

Qin Anlan walked out, leaving behind a dark room.

Only then did ye Liangqiu collapse. She wrapped herself in the bedsheet and looked around.

It was late at night, and the sound of light rain could be heard outside. The sound was especially clear after the lights were turned off.

she didn't sleep, but just stared out the window in a daze.

Ye Zhi, I'm one step closer to success.

yes, her fainting was fake. everything was fake. only her pain and her hatred were real.

She had to get Qin Anlan's attention in order to succeed. Otherwise, she might be trampled to death before she could succeed.

she couldn't fall asleep and kept her eyes open until four in the morning. in the end, she couldn't help but go to the bathroom attached to the guest room to take a shower.

there was a bathrobe in the bathroom. she put it on and walked out of the bedroom barefooted.

the apartment had a large flat floor, more than 200 square meters, and the large living room was about 100 square meters.

her fair feet stepped on the pure white wool carpet without a sound.

She walked in the darkness, and darkness was the most suitable for her state of mind.

All of a sudden, the lights in the living room turned on. Qin Anlan was sitting on a set of sofas in front of the floor-to-ceiling window. He was wearing a bathrobe, and the collar was loose, revealing his masculine muscles.

he held a glass of red wine in his hand and looked in her direction with a burning gaze. " i can't sleep. "

Ye Liangqiu tightened her legs and wriggled her toes uneasily. President Qin, I'll go back to sleep first.

His gaze fell on her bathrobe, as if there was a deeper meaning to it. After a moment, he said indifferently, " "If you can't sleep, come over and have a glass of red wine."

Ye Liangqiu slowly walked over and sat down across from him, somewhat uneasy.

Qin Anlan casually took a cup for her and poured half a cup for her. it's to help you sleep.

she took it but didn't drink it.

He laughed, raised his head, and drank the wine in his cup. After he finished, he chuckled."What, are you afraid that I'll give you a medicine?"

ye liangqiu lowered her eyes and smiled. " why would president qin need it? "

She took a small sip and stopped drinking.

Qin Anlan looked at her. She was so well-behaved that she looked like a little saintess.

He chuckled, then lay down, closed his eyes, and asked her a question, " "Ye Liangqiu, if you were given a choice between being my wife and being an International Movie queen, which would you choose?"

Ye Liangqiu pursed her lips. After a long time, she said softly, " if it's because of love, I'd rather be Mrs. Qin.

Her answer was obvious. Qin Anlan smiled and continued to pour himself some wine.

It was strange. He should have hated her and pushed her to the bottom of King Entertainment, torturing her.

But he didn't. Instead, he let her chat with him in his bathrobe.

19 years old, how young!

Perhaps it was because she had suffered too much, but her stubbornness touched him.

also, her courage.

Chapter 1220 Qin Anlan, you bastard!(3)

Barefooted, ye Liangqiu suddenly stood up and walked to the floor-to-ceiling window behind him. She lay down and looked out at the endless night sky. Qin Anlan, do you believe in fate? ”

“what's wrong?” He laughed drily, his voice a little confusing.

Ye Liangqiu's voice became even lower. I didn't believe it before, but now I'd rather have ghosts and gods.

in that case, ye ling would not have disappeared from this world. he would have left some spirit behind.

Even if it was just a soul.

otherwise, she would be too lonely in this world.

Qin Anlan looked at the wine in his glass. After a long time, he finally replied, ” ye Liangqiu, I believe that you're not the kind of person who would believe in these things.

if she did, she wouldn't have done these things.

she raised her head and stood in front of his floor-to-ceiling window. she looked at the bright moon outside and cried.

she did not believe in fate in the past, but ye ling's death made her understand that there was a kind of reincarnation that could not be escaped.

Qin Anlan waited for a long time but she did not speak. He stood up slowly and looked at her back.

Her thin shoulders were trembling, and she was crying?

qin anlan remembered what KIME said and pursed his thin lips.

He wasn't a soft-hearted person, but on a night like this, he was willing to go and comfort the sad little girl.

Just treat it as Yingying doing it for the value of his goods.

he stood behind her and pulled her into his arms.

ye liangqiu's body froze for a moment before he was pinned down on his shoulder.

his body had a refreshing scent after a bath, and it smelled very good.

Her face was buried in his shoulder. The warmth made her want to cry.

“If you want to cry, I can lend you to lean on.” Qin Anlan’s tone was light, but because it was light enough, and because of the night, it seemed especially gentle.

Ye Liangqiu’s face was buried even deeper. Perhaps it was because she had been lonely and hurt for too long, but she didn’t refuse this gentleness.

Even though she knew it was dangerous and that it was like poison, she still reached out and hugged his waist tightly.

qin anlan lowered his head and looked at the little black head in his arms. he reached out and ruffled her hair. ” how can there be such a stubborn little fellow? ”

He had to admit that he had been lonely for a long time. That was why he had taken in such a little thing and allowed her to enter his world.

Ye Liangqiu was stunned for a moment when he rubbed her little head. Then she buried herself deeper in his arms.

Then, he felt a warm and wet sensation in his chest, which made him very uncomfortable.

he allowed her to cry. standing at the top of the city, he held her and told her, ” ye liangqiu, if one day you don’t want to cry, then you have to stand higher than anyone else. stand at a position where no one can hurt you. ”

When he said this, he didn’t expect that she would use these words to reply to him in the future. She was telling him that he couldn’t do anything to her.

But no matter what, ye Liangqiu was still a girl who looked strong on the outside but was weak on the inside.

whatever she wanted, she had to go through qin anlan. hence, she was like walking on thin ice.

Even she herself hated this side of herself, and felt that she was detestable.

Ye Liangqiu was crying, but every tear was for herself.

Qin Anlan’s warmth could warm her body, but it could not warm her heart.

She raised her small face and wrapped her small hands around his neck. She was a little dazed as she moved her small mouth close to his and mumbled,
