

## Thank you 1231

Chapter 1231 the jar of vinegar flipped (2)

the male lead was okay. ye liangqiu hesitated.

The director personally explained, " it's just a kissing scene. You just need to put in more expression. It's probably only two minutes after the editing.

Ye Liangqiu knew that this was a very small scale!

she still agreed, but as a newbie, she had no choice.

The scene was still the same. It switched to her failing to assassinate the male lead and finally being pressed down on the bed by the male lead.

Her back hurt as she looked at the man in front of her in shock.

In front of her eyes, his shadow and Qin Anlan's were actually overlapping. Her eyes were filled with confusion and confusion!

And pain.

the director was a little excited. this feeling was on point. he even held his breath. this girl would definitely be famous in the future.

the male lead stared at ye liangqiu, reaching out to stroke her red lips and slowly rubbing them. the lips under his fingers trembled. her breathing was very chaotic, and every pore and expression was filled with pain and desire.

the male lead lowered his head and wanted to kiss her. half of it was for the plot, and the other half was because of his desire.

The male lead was considered to be extremely popular. He had acted with countless female stars, so his heart had long stopped moving. Even his physiological reaction would not have much of a reaction. But now, he really wanted to kiss this girl.

her eyes darkened, and she was about to kiss him, or even kiss him deeply.

A cold voice came from behind. what are you doing? "

the male lead was stuck.

director zhang's heart trembled. he turned around and saw that qin anlan's expression did not look too good. he quickly stepped forward and handed him a cigarette. " i think this child is easy to train. if we add more scenes, it will be easy for her to become popular. "

qin anlan glanced at him coldly, then said slowly, " that's true. "

director zhang was breaking out in cold sweat. was this the meaning of letting her kiss him?

She wanted to continue, but Qin Anlan quickly said slowly, " "Let's borrow the position!"

Director Zhang wanted to scold him. Now that everyone was doing it for real, why did they need to borrow positions to film a kissing scene?

Didn't the audience like to see the real thing?

however, director zhang still had to be careful with qin anlan's words. no matter how stupid he was, he understood that the relationship between the girl and president qin was not simple. he was afraid that it was just like the rumors, they were a couple?

Then he really had to borrow a position!

director zhang gave the order, and the male lead unhappily took over the position. even though he was taking over the position, he was kissing quite happily.

Qin Anlan's gaze was a little deep. He took a deep puff from the cigarette and sat at the side to watch with director Zhang.

Elder sister Ying stood at the side, trying to hold back her laughter.

no matter how she looked at it, boss qin was like a wolf dog watching over his house, as if he was looking at his little sheep.

when had boss qin ever been like this?

After the kissing scene was over, the final scene was ye Liangqiu's long shot. The scene cut to a gorgeous banquet hall. The male and female leads got married, and she stood at the entrance of the church looking at them.

She was dressed in a light outfit and her long hair was scattered on the side of her face, covering half of her face.

her gaze was so intense that it couldn't melt away the enigma in it.

He slowly turned around and left ...

qin anlan looked at his back and suddenly felt a little sad.

with the cigarette between his fingers, he looked at the back of the light green figure, watched her walk on the stone steps, watched her start to jump lightly on those squares like a child, and then jumped again.

the sun was shining brightly outside, and her body suddenly froze. she turned around and looked in the direction of the church.

She smiled and cried.

The image was fixed on her beautiful face for more than ten seconds.

Qin Anlan had forgotten to smoke. He only looked at her. At this moment, she was the only one in his eyes.

Chapter 1232 She had just left, and he was already missing her (part one)

Ye Liangqiu's gaze fell on Qin Anlan's face.

She was still smiling and crying.

Qin Anlan returned her smile and gave her an encouraging look.

Director Zhang also smiled. it's very good, especially good.

qin anlan's gaze was still on ye liangqiu. after a while, he turned to director zhang and said, "If you praise her like that, she's going to fly into the sky."

Director Zhang heaved a long sigh of relief when he was finally done with the shoot. He said that the crew wanted to have dinner together that night.

qin anlan muttered to himself for a moment and declined in a calm tone. "i'm not eating. i'll treat director zhang again the next time i return to B city. "

since he was so polite, how could director zhang not give him face? so, it was settled.

then, director zhang's desire to cherish talents rose again. he spoke to qin anlan in private, " this young lady is not bad. i'll keep an eye out for her next drama and pick a good one for her to be the female lead. "

Qin Anlan smiled and beckoned ye Liangqiu to come over.

ye liangqiu walked over and pursed her lips. " president qin, what's the matter? "

He looked at her and seemed to have suddenly realized that he quite liked the clothes of the Republic of China. She was dressed in a very special way and had a kind of charm that no one else had.

After staring at him for a while, she said, " director Zhang has arranged for you to be the female lead in his next movie. Hurry up and thank director Zhang.

ye liangqiu quickly thanked him.

Director Zhang was dumbfounded. It couldn't have been that fast. But after the young lady thanked him, he still nodded and said with a smile, " "have a few more drinks tonight."

He had just finished speaking when Qin Anlan said indifferently, " "i'll be taking her away in a while. drink a few more glasses tonight. just send the bill to sister ying. "

director zhang was taken aback.

Ye Liangqiu also felt that this was not a good idea, but Qin Anlan had already grabbed her shoulder and walked toward his car.

"I haven't changed out of my costume." she couldn't help but ask.

Qin Anlan's voice was a little lazy. "It doesn't matter if you don't want to exchange. it's pretty good."

"isn't it bad to just leave like this?" she tilted her head. " aren't you sleepy? "

"I'll sleep when I get home." he reached out to open the front passenger seat, stuffed her in, and sat in the driver's seat. however, he didn't close the door. instead, he waited for sister ying to approach and whispered a few instructions.

ye liangqiu heard that it was about the scenes and the amount of money.

she was a little shocked. she could even buy scenes?

sister ying nodded and left. qin anlan took out a cigarette from the dashboard and lit it up. he took a long drag and closed the car door. he turned his head and glanced at her. “why are you looking at me?”

Ye Liangqiu pursed her lips and weakly said, ” “I didn’t know it could be operated like this.”

“you don’t like it?”

“No.” Her voice was even weaker.

qin anlan placed the cigarette between his good-looking thin lips. he held the steering wheel with one hand and started the car with the other.

Ye Liangqiu raised her head to look at him.

he took out the cigarette and held it between his fingers. he smiled. ” or do you prefer to be taken in by the director? ” Ye Liangqiu, do you know that without a background, sometimes even the lighting crew has to sleep with you to make you shine so well and look good in the photos?”

She lowered her head.

“so, it’s better to go home with me, right?” he smiled and rubbed her hair with the finger holding the cigarette.

“Qin Anlan, please don’t burn my hair,” ye Liangqiu said coldly.

He didn’t seem to care and chuckled, ” “If you burn it, I’ll buy you the best wig. I guarantee you won’t be able to tell.”

Chapter 1233 She had just left, and he was already missing her (2)

She looked out of the window and said softly after a while, ” “So what if you can’t tell? you still have to take it off when you shower at night.”

Qin Anlan could not help but look at her.

“is it okay for you to drive?” ye liangqiu turned back.

“You know how to drive?” He raised his eyebrows. why don’t you stop by the side of the road and drive? ”

“I don’t have a driver’s license.” she ignored him and looked out of the window again.

He chuckled softly. so, ye Liangqiu, leave everything to me.

Her heart trembled. She wanted to turn back to see his expression, but she was afraid to see it.

“You’re not saying anything. Are you touched?” He smiled and resisted the urge to ruffle her hair.

He thought about it. She was younger than him by a few years. Should he treat her as a younger sister or a younger brother?

when he was with ye liangqiu, he wasn't bored. on the contrary, he found it interesting, so he just let it be.

He would support her and give her everything she wanted.

Qin Anlan's gaze became a little sharp. Su Cheng had indeed been a little mischievous. His relationship with the SU family was not good enough for him to do anything, but if ye Liangqiu could hold back and endure for so long, it would be good for her to do it herself.

In this industry, it was not a good thing to be too innocent.

and he wasn't naive enough to think that ye liangqiu was as obedient as she appeared to be. she had pride in her bones.

(Later on, he thought that he had fallen in love with PEI Qiqi. It was only after he lost ye Liangqiu that he realized that all these years, he had thought that his love for PEI Qiqi was only because he was looking for her. He was looking for the shadow of Liangqiu in her. The one he had always loved was ye Liangqiu.)

Qin Anlan tilted his head and looked at her.

She lowered her head. I'm not touched! "Qin Anlan, this is an equivalent exchange. Do you think I don't know that you're treating me like sleeping pills?"

he was stunned for a moment, and then he couldn't help but laugh.

she had a cold personality, and it was rare for her to say such a cold joke.

In the end, he still ruffled her hair. be careful that I don't mistakenly take you as a birth control pill one day.

"Aren't the ones in your bedside cabinet enough?" Her face was a little hot. It was too sensitive to talk about such a topic when a man and a woman were alone.

He wasn't used to this kind of thing, but to her, it was very embarrassing.

she rolled down the car window to calm down her overheated face.

qin anlan smiled and did not say anything else.

it took him two and a half hours to drive from this city to B city, and he had smoked half a pack of cigarettes. even ye liangqiu felt that he had smoked too much.

her voice was a little soft. " qin anlan, aren't you tired? "

"i'm not tired!" He parked his car in the underground parking lot, looking a little tired. I'm just a little bored.

She looked at him, her tone still gentle. I thought you were living a Wonderful Life.

“you mean those women?” qin anlan opened the car door and was stunned as he spoke. it seemed that he had not touched a woman for a few months since ye liangqiu. he did not even have any thoughts about it.

he lowered his head and looked at himself, wondering if he was missing some part of his body.

Ye Liangqiu pursed her lips and didn’t speak.

He looked at her and put his hand on the car door. He smiled. women are not everything in life.

He was just a little bored because he didn’t have a woman who loved him deeply.

ye liangqiu’s eyes focused on him.

qin anlan smiled. ” what’s the matter? ”

she shook her head.

“Bring me my briefcase,” he said as he walked towards the elevator.

Chapter 1234 she had just left, and he was already missing her (part three)

She hurriedly went to the car to look for it, but she did not see a briefcase. Instead, she saw a beautifully wrapped box.

after looking at it for a while, her eyes became a little hot. she held it carefully and followed behind him like a little nanny.

Qin Anlan especially liked to see ye Liangqiu’s cold and indifferent appearance as his follower.

in the elevator, he leaned against the wall and looked at her. then, he said slowly, ” there were a few people in the garage who were watching you just now. ”

She froze for a moment and touched her face.

qin anlan laughed even more happily, and his tone was very light. ” he probably thought that you transmigrated from somewhere! ”

Ye Liangqiu looked into the mirror and remembered that she was wearing clothes from the National period!

his fingers cupped his beautiful and smooth chin, and he hummed before slowly saying, ” “maybe others have another idea.”

She glared at him, not believing that he could say anything good.

&Nbsp; Qin Anlan’s eyes were bright. they probably think that I have some Special Hobby!

she glared even more fiercely!

Qin Anlan was smiling quite happily. When the elevator door opened, he took two steps and turned around.”ye liangqiu, let’s go!”

she reluctantly followed behind him in a daze.

When he swiped open the apartment door, he said slowly, ” “you’re willing to come back with me, is it because you can eat and drink for free without paying?”

ye liangqiu held the box, raised her chin, and proudly said,”I transmigrated here, how could I have money?”

He was stunned for a moment before he laughed. His laugh was especially joyful.

He reached out and hooked her little chin. His eyes were warm, but he didn’t say anything.

When they reached home, he was not in a hurry to sleep. Instead, he took a shower and ordered her to find some ingredients in the refrigerator to cook.

ye liangqiu found a lot of ingredients in the refrigerator, which had obviously been replenished recently.

She ran to the living room outside and said to the air, ” “president qin, it’s time for your part-time helper to start work.”

“yes, you’re right here.” he said matter-of-factly.

“I’m talking about the original aunt,” ye Liangqiu replied after a pause.

he had probably just taken a shower when he came out of the bedroom, so he only had a bathrobe on. his hair was still wet, and water droplets were dripping down his hair.

Of course, she also saw his naked body.

qin anlan put on his indoor slippers and walked to the sofa to take a cigarette. after that, he went to the bar counter and poured himself a glass of red wine. he looked at her and asked slowly, ” “You want me to sleep with her in my arms?”

Ye Liangqiu couldn’t help but laugh, the image of him hugging that old woman to sleep flashing through her mind.

“You still dare to laugh!” he walked to the sofa and sat down, patting the box. ” “It’s for you.”

“Oh,” ye Liangqiu replied, somewhat surprised.

however, since he gave it to her, she had to put it in no matter what. she walked over and half-knelt to open it.

Her expression was focused, and it was rare for her to lower her head. Qin Anlan looked at her and smiled slightly.

He clearly knew that he was just a tool to her, a stepping stone on her path to success, but he still liked to spend time with her. Yingluo, maybe it was because she wasn’t like other women who always talked about love and wanted to tie him down!

Ye Liangqiu opened the box. Inside was a gown that suited her 19-year-old age.

The blue denim long dress was exquisitely curtained, and the suspenders on her shoulders had the brand’s logo printed on them.

It came with a pair of shoes.

Chapter 1235 she had just left, and he was already missing her (4)

qin anlan's voice was a little low. "this film will be edited as fast as possible and sent to the berlin film festival for selection. you might have to walk the red carpet then. The company will prepare four sets of evening gowns for you."

he said it plainly, but she knew that he was already giving her special treatment.

"what about this set?" she asked in a very light voice.

Qin Anlan smiled faintly. when I accompanied my female companion to pick out clothes, I felt that it suited you, so I bought it.

after he finished speaking, ye liangqiu responded with an "oh."

His meaning was very obvious, he was just doing it in passing!

she put down her clothes and turned to the kitchen. qin anlan coughed lightly."Are you unhappy?"

"no, i didn't! " i'm very happy. " she turned around and gave him a happy expression. he smiled. " your smile is uglier than your crying face. "

She ran to the kitchen to be a housekeeper. It was indeed quite pleasing to the eye to look at her from behind in that outfit.

qin anlan looked at it and smiled faintly. then, he walked over.

When she noticed his presence, he had already hugged her from behind.

"Don't move! i just want to experience what it's like to be in a relationship with the national goddess." He chuckled and tightened his arms around her. were you angry just now? "

"No, I didn't!" The housekeeper continued to be cold.

Qin Anlan laughed in a carefree manner and bit her neck from the side. " i think so too. we're not really girlfriends, so i don't think he'll be angry. "

he released her after he finished speaking and left the kitchen.

Ye Liangqiu stroked her neck and pursed her lips.

he said that they weren't really a couple, but everything he did to her, which one of them didn't seem like a real couple?

She was even a little afraid of the unknown future.

To her, Qin Anlan was her salvation and also a form of sustenance.

he said that she lived here because she was freeloading, but he didn't know that it was because she was afraid. she was afraid of the dead silence at home.

That was because ye Ling would never come back.

She made some simple dishes because she knew that he must be very hungry.

they ate in silence, and he didn't say anything else. after the meal, he called her into the bedroom and began to tease her.

Ye Liangqiu stood at the end of the bed, unwilling to go up.

He patted the seat beside him. He was a little annoyed because he hadn't slept well for a long time. He almost lost his temper."ye liangqiu, get up here."

"it's 500000 yuan for you to sleep with a woman." she reminded.

qin anlan stared at her in a daze.

"i'm not going to sleep with you," he finally said after a long time.

"it's still the same price whether i sleep with you or not." she lowered her head and played with her fingers.

based on her observation, sleep was more important to him than playing with women.

She admitted that she was a little too arrogant, but as a sleeping pill, she had enough capital to ask him for money.

qin anlan looked at her and sat up in resignation. he took out a stack of checks from the bedside table. " "five million a month."

She agreed without a second thought.

"If you're out for filming, make up for it." He said expressionlessly, tore the check off and handed it to her. Then he said impatiently, " "Hurry up and get on."

She carefully folded the check and said slowly, " "If you sleep with me, ten million."

"Ye Liangqiu," Qin Anlan laughed coldly,"I'd rather sell it to you for a hundred million than sell it to you."

She lowered her eyes. there's no difference between once and twice.

Chapter 1236 she had just left, and he already missed her (5)

he looked into her eyes as if he was judging her, but he couldn't see through her heart. in the end, he didn't say anything more and pulled her up to hug the sleeping xuxu.

It was only evening, but when he drew the curtains, it was as dark as night.

as a pillow and a sleeping pill, ye liangqiu still felt uncomfortable in the arms of such a strong man.

She had only had sex with him once.| She could only vaguely feel that it was very painful, but she couldn't remember anything else.

Therefore, she didn't have much desire for this kind of thing. However, when she smelled the pleasant scent behind her, her heart still beat faster.

It was an indescribable feeling.

she had never experienced such panic before, and she was afraid.

She lowered her eyes and convinced herself to sleep. It would be fine if she fell asleep. She would earn the money if she fell asleep.

she closed her eyes in panic and endured for a long time, but she still couldn't fall asleep. instead, the front button of her shirt was unbuttoned by a pair of big hands.

“qin anlan?” her voice was trembling.

Qin Anlan held her hand and did not let her struggle. He insisted on taking off her clothes and throwing her off the bed. Then, she was held in his arms again. I don't feel comfortable holding you with your clothes on.

what did he mean by 'not feeling well'?

Ye Liangqiu calmed down when she felt that he really didn't plan to do anything. She obediently lay in his arms. She convinced herself that it wasn't the first time he had held her.

He was very domineering when he slept. He hugged her like this, and she was not even allowed to turn over.

his face was buried in her neck, as if he could only fall asleep by smelling her.

Ye Liangqiu thought to herself that if she didn't wash her hair for a week, he wouldn't want to hug her to sleep anymore. At least he wouldn't be so close to her.

She was probably too tired after a long day. Slowly, she began to feel a little sleepy. Slowly, slowly, she closed her eyes and fell into a deep sleep.

When she woke up, the room was wet and hot.

he didn't even turn on the air conditioner on such a hot day!

Ye Liangqiu felt her back covered in sweat, and the body she touched was very uncomfortable.

The moment she moved, he woke up. Then, he grabbed her waist out of habit, and his voice was hoarse and unhappy.”sleep a little longer.”

“I'm not feeling well.” she wanted to move but twisted twice.

maybe he wasn't fully awake yet. she said she wasn't feeling well, so he just wanted her to feel comfortable.

two seconds was enough for ye liangqiu to wake up.

She opened her eyes, lowered her head, and looked at his large palm.

“Qin Anlan.” She patted his hand and almost jumped up. “Not this, Yingluo. I don't want this.”

he grunted and retracted his hand lazily before hugging her tightly again.

ye liangqiu felt particularly uncomfortable being hugged. yingluo's body was very strange.

“i want to go to the bathroom.” She said softly.

Qin Anlan’s hand tightened and loosened. Then, he laughed.”Do you want me to carry you?”

“abnormal!” she pushed him away and ran to the bathroom to wash herself.

she was a little embarrassed, but of course, she was also frightened by that fierce jade desire.

qin anlan, who was in the bedroom, sat up as well because his arms were empty. he only felt that his body was covered in hot sweat, and he could smell her body scent.

He casually took a cigarette from the side, took two puffs, and decided to go take a shower.

however, as soon as he opened the door to the bathroom, he held his breath and was stunned.

her body was very beautiful.

Even though he had seen it before, he was still a little shocked to see it in such an unexpected situation.

Chapter 1237 She had just left, and he already missed her (6)

Even though he had seen it before, he was still a little shocked to see it in such an unexpected situation.

Ye Liangqiu was also startled. She turned to look at him, her expression somewhat dumbfounded.

Like a gentleman, Qin Anlan strolled back to the bedroom and drew the curtains of the French windows. He took a deep breath.

his mind was filled with the scene just now.

it was extremely beautiful.

And he also had a desire that he shouldn’t have.

it wasn’t a good thing to pay too much attention to an item.

he looked at the dark night outside and wanted to smoke again, but he held back in the end.

When ye Liangqiu came out, he was still standing there. When he heard her footsteps, he turned to look at her. “you can go back now.”

ye liangqiu was taken aback, but she wasn’t an insensible person, so she nodded in acknowledgment.

She started to look for clothes to wear. There were no clothes for her here, and she couldn’t wear her costume out. In the end, she took a set of clothes from him, but she still took the five million Yuan check with her.

his eyes flickered, while she took the monthly payment.

When she left, Qin Anlan just stood there and looked at the dark night outside. Her true emotions could not be seen.

he only turned around after the door was closed.

he seemed to have gone too far with the little girl just now, but he was afraid that if she didn't leave, he would eat her.

Now that she wasn't here, he felt endless loneliness again.

She walked out and wanted to drink a glass of water, but she saw that she didn't take the dress he had given her.

he thought to himself, the little girl must be angry!

He went to get his phone and dialed her number. His voice was rare to hear. "Why didn't you take the gown away?"

The other side was silent for a long time before saying softly, "qin anlan, don't be too nice to me." after that, he hung up the phone.

At this moment, he felt even more melancholic. He felt that calling this number was even more unbearable than not making it.

He stood there for a long time before sighing.

She looked down at her phone and realized that it was one o'clock at night.

his heart skipped a beat. at one point, he might not even be able to get a taxi. She was also wearing his clothes. What would happen?

hence, he didn't bother to take a shower. he put on his shirt and pants, took his car keys, and went to find her.

After looking around, he couldn't find her. He stopped the car and thought that she might have taken a taxi, but then he realized that she had nothing on her except for a check.

at the thought of this, qin anlan's fingers paused for a moment. he snuffed out the cigarette and continued to drive forward.

As he drove away, ye Liangqiu came out from a corner.

She looked in the direction where his car had disappeared, her eyes a little dazed.

She didn't know why she didn't want him to find her. Perhaps she was really angry!

She would just wander around the streets because he would find her again!

After walking for more than half an hour, his car turned around and came back.

qin anlan got out of the car very quickly. after he jumped down, he pressed on her shoulder and looked at her with a frown. "why are you hiding?"

"I didn't." She turned her face away, not wanting to see his face.

This little awkwardness soothed his anxious heart. He looked at her for a long time and then laughed. "You're still angry."

"sleeping pills have no human rights." she couldn't help but retort.

the smile on qin anlan's face deepened. he ruffled her hair. " alright, let's go back. "

If she didn't move, he wouldn't pull Yingluo away.

he looked at her. "ye liangqiu, i'll count to three. are you leaving?" ""

Chapter 1238 pampering her only (1)

Qin Anlan looked at her, "ye Liangqiu.

"Who knows if President Qin will kick me out again." her voice was a little stubborn, and she was unwilling to look at him.

qin anlan raised his hand and looked at his watch. he was a little helpless."it's already two o'clock."

ye liangqiu walked forward, snorting after a while."you still know that it's two points?"

No one had ever lost their temper with him, so Qin Anlan just put his hands in his pocket and looked at her helplessly.

After a long time, he smiled and followed her again. "Then I'll follow you."

The angry little guy in front walked for about five minutes, then turned around and stammered.

Under the moonlight, her brows were furrowed, and her eyes were a little moist as she looked at him.

it was her, who had never been so soft and fragile.

Her voice was soft, but he could hear it. "in the future, you can't leave me behind."

her appearance was as pitiful and lively as an abandoned animal. even though his heart was as hard as stone all these years, it had softened a little.

"as long as you're willing to be my pillow, i probably won't." he stood in the dark night and smiled slightly. then he waved her over.

ye liangqiu didn't want to go over and look at her. she felt that this girl's temper was really stubborn.

in the end, he was the one who walked over and held her hand as they walked towards the car.

He walked in front and she followed behind, looking up at his side profile in a daze.

In addition to using some tricks on him, she was also a little confused ...

"qin anlan, what's our relationship now?" she asked in a low voice.

He clenched his fist and said in a hoarse voice, "It's a monthly relationship. Or I can book the whole year."

She smiled, but he didn't see how forced and bitter her smile was.

In the end, she was just a commodity to him, or rather, he was just doing it on a whim.

And what was he to her?

Ye Liangqiu lowered her eyes and smiled lightly, laughing at herself for being a little too silly.

Why did she have such hopes for a man like Qin Anlan?

It was probably because he had given her a gentleness that was different from others. It was probably because he had given her too much hope.

Ye Liangqiu, these were all fake.

the truth was that su cheng had caused ye zhi's death.

she had to climb to the top, she had to.

she did not say a word when she got into his car.

Qin Anlan's hands were on the steering wheel. He thought for a long time before he said softly, "ye liangqiu, i'm willing to pamper you in my own way, but everything is within a safe range. can you accept it?"

She suddenly looked up at him in a daze.

"a safe zone?" she repeated the word.

qin anlan smiled. "that's right. it's a safe zone. it's just like what we did tonight. "We're closer than friends."

His expression suddenly turned serious. "of course, this relationship can not be known to a third party."

she was stunned for a moment, and then instinctively said, "but others think we're a couple.

"No one feels that it can last long." He spoke very quickly, and this somewhat hurt her young girl's heart.

Ye Liangqiu pursed her lips, and after a long time, she asked,"What can I get?"

an opportunity for King Entertainment to promote you. His fingers slowly touched the steering wheel, and then he looked at her with a sharp gaze.

ye liangqiu's heart beat faster. after a long time, she asked hoarsely, "if i'm not willing, will you stop supporting me?"

"Yes!" he said firmly.

She was stunned for a moment, then glared at him. "Qin Anlan, you're a pervert."

Chapter 1239 Pampering her only (2)

"I don't deny this." He reached out to rub her little face and said in a seductive voice, "liangqiu, we want to get something from each other. you want a chance, and i want someone to accompany me. "

"We each take what we need, right?" she sneered.

"If it weren't for me, how long do you think you'd be able to survive in an environment like the entertainment industry?" he asked slowly.

his words were cruel, but the reality was indeed like this, or even crueler.

just like today, if qin anlan had not appeared, she would probably have been raped by someone.

however, she was still angry. her natural pride made it impossible for her to agree to his request.

It was one thing to sleep with him, but the words 'safe range' hurt her a little.

it was as if he wanted to keep in touch with her, but he was afraid that she would fall in love with him and ask for something from him at any time.

She was not willing, but she had no choice.

She did not make a sound.

Qin Anlan's voice became gentler. if that's the case, I'll take it that you've agreed.

He ruffled her hair as he spoke.

"Qin Anlan, is this also a safe area?" she looked up at him.

"Yes," he said lightly, then started to drive back to his apartment.

She was silent and thought that he would not say anything, but he spoke in a very calm tone. if you have anything, you can move it to my place tomorrow.

She hummed in agreement.

Qin Anlan held the steering wheel with one hand and her hand with the other.

Her fingers were a little cold, and her heart was beating a little fast.

She felt like she was walking into an abyss. She felt like she had betrayed her own soul.

He drove back to the apartment and took a shower after he went back. When he came out, she was already lying on the bed.

He stood there and smiled, as if seeing that the house was full while she was lying down, his heart did not feel so empty anymore.

He lifted the blanket and got on the bed. Probably because she had walked out once before, he did not hug her so tightly this time that she could not breathe. Instead, he hugged her gently, including her arm.

But ye Liangqiu still felt that he was quite perverted.

Qin Anlan fell asleep very quickly. Sleeping for many years was not easy to make up for.

ye liangqiu lay there and only fell asleep after a long while.

in the quiet night, their breathing finally became the same.

The morning sun shone through the thin layer of gauze and into the room. Qin Anlan woke up. He rarely woke up so naturally, and it felt good.

ye liangqiu got up after he let go of her and said in a calm voice, "i'll go wash up and make breakfast."

Actually, he wanted to hold her for a little longer. Even if they didn't do anything, her body was really wonderful.

however, he didn't force her to leave. after she went to the kitchen, he got up and went to the gym to exercise for half an hour to vent his excess energy.

Ye Liangqiu's breakfast was not bad and he liked it. After Qin Anlan finished eating, he thought of something. "Don't go to the company today. Move your things."

She hummed in agreement.

He went to get her phone and asked her to jot down a cell phone number. "this is old zhang's number. he's been working for me for a few years now. if you need anything, get him to pick you up. i'll tell him to come over and get your things for you."

ye liangqiu's fingers trembled. she lowered her eyes and said, "qin anlan, i've said it before. don't treat me too well."

he smiled and reached out to pinch her face. "it's within the safe range! you just need to remember this."

Chapter 1240 a vicious slap (1)

he paused for a moment before saying, "when you become famous, maybe our relationship will be over."

He had already made an exception for ye Liangqiu.

She nodded and did not say anything.

After a while, he went to the company and told old Zhang.

however, ye liangqiu didn't let old zhang send her anything. she said that she didn't have many things to give her.

In fact, she didn't want to bring a lot because she was just a passer-by in this apartment. She would have to leave eventually.

however, ye liangqiu had not expected to run into su cheng at the old apartment.

Su Cheng was only 18 years old, but she had already learned how to drive. She drove a mini Bentley and looked especially innocent in her white dress.

She leaned against the car and watched ye Liangqiu get off the bus. A cold smile appeared at the corner of her mouth. sister Liangqiu didn't come back last night? "

ye liangqiu did not continue to walk home. instead, she stopped and looked at su cheng with a frown."What are you doing here?"

A smile slowly appeared on su Cheng's face. Her voice was as sweet as an Angel's. sister cold autumn, I came to see you.

"I have nothing to see," ye Liangqiu said coldly.

She walked past su Cheng in the direction of the apartment. Su Cheng looked at her straight back and suddenly raised her voice. I know you're with brother an LAN.

Ye Liangqiu slowly turned around and looked at su Cheng.

there was a hint of malice in su cheng's eyes. she said softly, " "Yes, I know you're with him! you're trying to make use of brother an lan, right? you want to marry him?"

"right! you're right." ye liangqiu's voice was even colder. if she could, she wanted to kill su cheng right now.

But she would have to sacrifice herself.

She could wait until the day she could destroy su Cheng on her own. She wanted su Cheng to be like ye Zhi, or even worse.

Su Cheng gritted her teeth at her denial. "do you think it's that easy to get into the qin family? auntie qin doesn't like female celebrities the most."

Su Cheng's smile was strange. Auntie Qin said that female celebrities look pretty, but they're actually very dirty. They can sleep with anyone.

"su cheng, don't you think you're dirtier?" Ye Liangqiu looked at the SU family's little princess and slowly said, " other people might have their own difficulties, but you just think it's fun. you even think it's a game to play with ye ling's life. "

How could Princess su Cheng take it?

"it was ye ling who wanted to jump off the building, what does it have to do with me?" She was furious.

Ye Liangqiu ignored her, because she knew that she couldn't do anything to the SU family.

she quickly left, but su cheng ran over and grabbed her arm.

ye liangqiu had probably been holding it in for too long, so she instinctively slapped su cheng.

Su Cheng was stunned for a moment, then realized that she had been hit.

she looked at ye liangqiu, her hand covering her face. after a long time, she said softly,"you hit me."

"Right! If I hit you, you can Sue me. " After ye Liangqiu finished speaking, she walked back to her apartment.

When she returned home, there was a thin layer of dust. She then remembered that she had been away from home for many days.

She burned some incense for ye Rou and her father, cleaned the house, and packed a few pieces of clothes.

when he went downstairs, to his surprise, su cheng was still there.

Ye Liangqiu walked to the side of the road and waited for a taxi.

su cheng walked over and stood beside her. ye liangqiu ignored her.

“You slept with Qin Anlan?” su Cheng’s tone was a little gloomy.
