

Thank you 1261

Chapter 1261 Meeting again (part one)

ye liangqiu had left the sect for four years.

the fans held up a memorial for her. this year, there was still no main character who appeared.

in front of KING entertainment's building, 3000 fans had set up the venue and the event was carried out in an orderly manner.

What made Kime especially confused was that these fans could still remember that one work for so long!

it was clear that ye liangqiu was a natural superstar.

he stood behind qin anlan and was well aware of ye liangqiu's position in boss qin's heart. otherwise, how could he have allowed these fans to cause such a scene in KING entertainment's building?

he was afraid that president qin was trying to keep ye liangqiu popular.

At one point, he even suspected that boss Qin was behind all this!

At that moment, looking at the fans who were screaming crazily below, Kime asked Qin Anlan with a headache, " President Qin, do we need to dispatch the Special Forces? "

However, Qin Anlan did not answer the question. He asked in a calm tone, " "It's her fourth anniversary?"

kim was stunned for a moment before he nodded. " "Yes, I am."

"President Qin, you also think that it's a pity for ye Liangqiu, right?"

he had predicted that she would become popular, but he didn't expect her to be that popular.

Most of ye Liangqiu's fans were female, which was a strange sight.

in particular, many young fans called her husband " darling please " because they didn't understand the thoughts of young people nowadays.

qin anlan's tone was indifferent. " let's go down and take a look! "

" what? " kim was stunned.

There were only a group of fans below, and another 3000 fans waiting for their husband. Would CEO Qin be eaten if he went down?

There were rumors among ye Liangqiu's fans that ye Liangqiu had been banned, so it was very dangerous for boss Qin to do this!

&Nbsp; before Kie could stop him, Qin Anlan had already gone downstairs. He quickly followed.

Downstairs, the fans were in high spirits, waving the light beams in their hands and calling ye Liangqiu's name over and over again.

on KING entertainment's big screen, the image of 'gentle breeze' was played over and over again.

Even Qin Anlan's eyes heated up when he walked over and looked at her.

It was a long-lost feeling.

he thought back to when she was filming this film. he had instructed her to shoot kissing scenes and told her, "look at me, you know i'm acting yingluo."

she had filmed a classic film and everyone in the entertainment industry was waiting for her.

Kime asked the security guard to clear the way for Qin Anlan so that he could stand in the front row.

At this time, the fans were already crying madly, calling for ye Liangqiu to come back for a walk.

This was Qin Anlan's first time being so close to her. His heart tightened, and he could not describe the feeling.

He looked up at her beauty on the screen, and his eyes were a little hot.

He was there when the last scene was shot. Now that it was reenacted, it seemed like they had returned to four years ago ...

the voices around him became more enthusiastic, but qin anlan's world seemed to have quieted down.

His gaze was somewhat fixed on the person who was slowly walking up the stage.

it was ye liangqiu!

She was wearing a pair of white long pants, and her long hair had already reached her waist. She stood on the stage without using the microphone, and with tears in her eyes, she used her lips to gently say to the fans below, "I'm back,"

I'm back, King Entertainment.

I'm back, this is a world that I'm not attached to, but I have to return to.

i'm back. this time, i'll stand at the top of the world.

the lights shone on her. at this moment, she was the center of attention. at this moment, she was so dazzling that even qin anlan looked up to her.

he was standing right in front of her, but her gaze never fell on him.

He had used this kind of disregard on many people, but he had never been disheartened by the fact that he had been ignored.

Chapter 1262 meeting again (2)

At that moment, Qin Anlan's loneliness for the past four years reached its peak.

And there was no way to resolve it.

he was just like those fans, looking up at her dazzling brilliance.

He heard her say that she had returned.

there was an indescribable feeling in his heart. it was as if he had been waiting for her for so long, and she had finally returned.

But now that she was back, they were no longer the same.

Although it was only a few words and she was still as cold as before, Qin Anlan knew that the ye Liangqiu in front of him was no longer the ye Liangqiu of the past.

just as he had hoped, she no longer had any expectations. they were now in an absolutely safe range.

He just looked at her with a complicated gaze.

Kime, who was watching from the side, thought to himself that something was wrong. There was really something wrong with boss Qin's eyes.

this was not the look of someone looking at a subordinate that willfully disappeared for a few years, but the look of a long-lost lover.

Kime didn't dare to say anything. He looked at everyone helplessly. The fans around him started to cry, scream, and get emotional. The venue lost control and a large number of fans rushed onto the stage to cheer.

At this time, it was very easy to be trampled on. Qin Anlan walked a few steps forward and went up the stage. He held ye Liangqiu's hand and said in a low voice, "follow me."

Ye Liangqiu's gaze fell on his face.

Her eyes were filled with shock.

qin anlan laughed bitterly. he held her fingers and gently pulled her into his arms. he put his arm around her shoulders and quickly left the scene under KIME's command.

after they left, kie and a few dozen security guards began to disperse the crowd. however, the fans refused to leave. they stood together at the foot of KING entertainment's building and kept calling ye liangqiu's name.

their idol had finally returned.

It was a sleepless night!

qin anlan pulled ye liangqiu's hand and led her to his private elevator. once they were in the elevator, she shook his hand off and stood on the other side of the elevator wall. she said in a calm tone, "president qin."

His tone was polite and respectful, and he was no longer as close as he was before.

Qin Anlan was also stunned for a moment, then he responded with a soft "hmm."

The atmosphere was a little strange, and no one spoke until they reached his office. He walked in first.

ye liangqiu followed.

After closing the door, Qin Anlan walked to his desk and sat down. He looked at her with a burning gaze. does sister Ying know that you're back? ”

ye liangqiu didn't hide anything from him and nodded.

at this moment, qin anlan carefully sized her up.

Four years had passed, and he had grown more mature in her, as well as more persevering and weary.

However, her appearance hadn't changed much. She was still beautiful.

He lit a cigarette in frustration. what do you plan to do? ”

After taking a puff, he looked at her faintly.

“That'll depend on what President Qin does,” ye Liangqiu laughed.

qin anlan narrowed his eyes and stared into her eyes in a daze.

He had to admit that ye Liangqiu was different today. She had become somewhat cunning.

he walked to the floor-to-ceiling window and looked at the crazy fans below. he turned his face back, and his handsome features seemed particularly deep.

“Ye Liangqiu,” he said in a low and hoarse voice, “you should know that in a situation like this, if King Entertainment wanted to do anything to you, these fans would probably tear down the building.”

In the past few years, she had not been around, but he had seen the power of her fans.

he couldn't help but think that he was right when he said that they would break up and not be together.

Chapter 1263 Another meeting (3)

At the very least, she would reach the peak of the industry and even become a classic.

ye liangqiu was slightly startled, but then she smiled.

“qin anlan, do you still have your promise?” she looked at him.

“ye liangqiu, you're already red.” I'm inviting you back to King Entertainment now, ” he said calmly. are you willing? ”

her lips curled up into a slight smile. looking at him in the dark, he felt that her entire body was glowing.

“Thank you for transferring my income into my account over the years,” she said softly.

although she did not do anything, the 10 million dollars for the remade advertisement and the endorsement were all given to her on time. perhaps he did not do it himself, but she did not think anyone would do it without his permission.

“this is what you deserve.” He pursed his thin lips.

all of a sudden, he felt that talking to her was a little tiring, or rather lonely.

Such Public Affairs, such disinterest.

Qin Anlan's tone was a little dull. that's it. Sister Ying will tell you about the rest.

"Alright," he said. "i'll go back first." she was even more indifferent than him.

she nodded and walked towards the door without looking back or looking back.

At the door, Qin Anlan suddenly called out her name. His voice was low as he asked, " ye Liangqiu, where have you been all these years? "

ye liangqiu's hand was on the door, but she didn't move.

after a long time, she turned around and smiled. " i went to a small city in the south. "

he looked at her deeply, as if he wanted to say something, but in the end, he didn't say a word.

ye liangqiu opened the door and walked out.

Qin Anlan stared at her tall and slender back, his gaze focused.

he took a few puffs of his cigarette and felt his chest tighten even more.

She seemed to be in a worse mood when she came back than when she didn't.

qin anlan sat in his office for the whole night. he only wiped his face when the sun rose.

when she looked out the window again, the fans from last night were no longer there. only the garbage left at the scene proved that they had been here.

this also proved that ye liangqiu had indeed returned.

KIME knocked on the door and came in. he looked a little tired and rubbed his eyebrows as he walked over."this group of young girls is too noisy. they only left at dawn."

qin anlan did not say anything.

Kie looked at his expression and tried to guess what his boss was thinking. boss Qin, then ye Liangqiu is pretty.

qin anlan looked up at KIME. after a while, he turned his chair around and looked at the white sky outside the window. he said in a hoarse voice, " "prepare a press conference. the main topic is ye liangqiu's return."

"Alright," he said. " what's wrong? " kie was relieved. actually, this was what sister ying asked him to ask.

He went out, and Qin Anlan sat alone for a long time.

That night, that day, he had a feeling that he had completely lost the good times he had with ye Liangqiu.

He thought that if he had said that they were going to leave and she had told him that she would maintain a safe distance, would he still be willing to give them a chance to persuade him to leave?

But ye Liangqiu, she was ye Liangqiu, why would ran ran beg him?

if she was willing to beg him, she wouldn't be ye liangqiu.

She would only be a mediocre woman and not a superstar on the International stage.

yes, he wanted to make her an international superstar, not just in asia, but also in the light of the chinese.

his expectations for ye liangqiu were higher than any other female star.

perhaps, he had been waiting for her to say something.

Four years, ten years, he thought, he would still wait.

Chapter 1264 Another meeting (4)

Ye Liangqiu went to find sister Ying.

“President Qin didn't make things difficult for you, did he?” sister Ying asked, a little worried. as he spoke, he walked over to the sofa with ye liangqiu and sat down.

ye liangqiu shook his head. ” no! ”

elder sister ying heaved a sigh of relief and smiled.”I think so too. I've been watching you coldly all these years. President Qin must've been coveting you.”

ye liangqiu smiled slightly, but didn't say anything.

was he staring at her?

If he was afraid, it was because she was an artist, not because she was called ye Liangqiu.

Perhaps, when she heard him say that he didn't need a child, she should have given up completely and not look for him.

that would be no different from asking to be humiliated.

elder sister ying looked at her expression and knew that she still couldn't let it go, but the little girl pretended not to care.

in the past few years, the gossip about president qin was enough to make a woman's heart give up.

Sister Ying didn't have high hopes for them either, even though Wanwan had already given birth to a child.

The two of them talked for a while before sister Ying sent her to the parking lot.

Ye Liangqiu lived in the outskirts of B city and drove a white BMW.

After getting into the car and fastening her seat belt, sister Ying was still worried and came over again. She said in a low voice, ” “This time, don't be so stupid.”

actually, a woman's puberty was only that long. it was not worth it to do it for a man.

only by holding on to what he should hold on to would his future be secure.

Ye Liangqiu knew what sister Ying meant. She smiled and said, " I know.

This time, she had come back to gain a foothold in the entertainment industry and give mu Yun a good future.

She was not the one who had reconciled with Qin Anlan.

she, ye liangqiu, did not need him.

As he spoke, he started the car and slowly drove away from the parking lot. Sister Ying watched from behind.

she sighed in her heart.

in fact, even if president qin wanted to marry her, it was impossible with the background of both parties.

sometimes, a marriage with the wrong family background would really not lead to happiness.

Ye Liangqiu gripped the steering wheel tightly.

yes, sister ying had always known about her giving birth, but she had never told qin anlan.

In the past few years, if it wasn't for sister Ying, it wouldn't have been so smooth for her to give birth to mu Yun alone. It would have been much more difficult.

the car drove for an hour before they arrived at a small white villa in the suburbs.

It was located in a quiet place, and on such a night, it seemed even quieter.

Auntie Zhang opened the gate and her car drove in.

as soon as she got out of the car, auntie zhang said in a hurry, " "miss ye, there's a little girl at home who said she's your relative. i won't chase her away, so she's been staying here until now."

Ye Liangqiu was suspicious, but she walked in with aunt Zhang.

the person inside surprised her, and even his blood was frozen.

it was su cheng.

How did she know that he lived here?

besides, she had only returned to B city for a few days, so no one should know ...

Unless this person had been following her.

So, su Cheng knew everything about her in the past few years?

ye liangqiu was terrified, but he didn't show it on his face. he only asked indifferently,"What are you doing here?"

Su Cheng was wearing a light purple dress and her hair was combed into a princess's hairstyle. She looked very Grand, as if she was attending a banquet. She looked at ye Liangqiu and smiled sweetly. to see you, of course, sister Liangqiu.

“i'm not worthy of you calling me your sister.” Ye Liangqiu's voice turned cold.

Chapter 1265 I just want to play with you (part one)

Su Cheng looked at ye Liangqiu with a strange expression in her eyes. She seemed to be startled for a moment before she said, ” “sister liangqiu, do you really hate me that much?”

ye liangqiu looked at her and sneered, ” what do you think? ”

su cheng was still sitting like a little princess, her fingers on her skirt.

It was obvious that she had put in a lot of effort to dress up tonight. It was already late at night, and her makeup was perfect. It was obvious how much effort she had put in.

Ye Liangqiu thought it was a little ridiculous. Su Cheng seemed to take this meeting very seriously, but there was no need to do this.

su cheng's beautifully shaped lips curved into a smile. ” i know that it's impossible for you to forget me over the past few years. ”

ye liangqiu frowned.

Su Cheng's next words made her even more uncomfortable. if you remember ye Zhi for a day, you won't forget me.

this was the same as poking ye liangqiu's sore spot-

su cheng had caused ye xuan's death, and she had yet to look for su cheng, but su cheng had come to her door to remind her time and time again.

her thin and small lips were pressed into a straight line as she looked at su cheng. ” “don't worry, i'll come and find you.”

Su Cheng's gaze was a little complicated. She lowered her eyes and smiled. sister Liangqiu, aren't you afraid that I'll tell others that you've given birth to a child? think about it. If I tell them, will your fans still call your name like crazy and support you? ”

ye liangqiu's eyes narrowed and she looked at su cheng with a dangerous look.

“sister liangqiu, are you trying to kill me?” Su Cheng chuckled, a little crazy.

ye liangqiu kept looking at her.

Su Cheng's laughter suddenly stopped. the child is Qin Anlan's, right? ”

“no.” Ye Liangqiu coldly spat out these two words.

Only she herself knew how weak her body was when she said those two words.

her entire body was cold. she did not dare to imagine what qin anlan would do if su cheng told him everything.

However, su Cheng told her, " Auntie Qin is a traditional woman who values family status very much. She will never accept you as her daughter-in-law. Uncle Qin passed away very early, and Auntie Qin raised brother an LAN alone and handed King Entertainment to him. Brother an LAN can't go against Auntie Qin's wishes.

ye liangqiu's voice was cold as she looked at su cheng."What do you want?"

su cheng laughed softly and happily. after a while, she tilted her head and said, " nothing much. yingluo just wants to play with you. "

play?

"i'm not your toy to kill time." ye liangqiu's voice was a little stern. " i'm not ye ling. "

"Of course you're not him! sister liangqiu is so smart, how could she be so stupid?" su cheng's smile was a little strange, and her voice was so soft that it made one's hair stand on end."sister cool autumn, if you hate me, then don't let me go."

Ye Liangqiu looked at her, and after a long time, said in a cold voice,"Don't you think you're a pervert?"

in her opinion, su cheng's willfulness had caused ye zhi's death, but su cheng herself was a tragedy.

su cheng chuckled. " yeah, i'm a pervert! But it's fun!"

after a while, she gave ye liangqiu a strange look. " i forgot to tell you, sister liangqiu. i'm also going into the entertainment industry. "

as the pearl in the palm of ya shi's hand, su cheng was also very pretty, so it was easy for her to become famous.

ye liangqiu felt a chill run down her back. she felt that su cheng had her eyes on yingying.

as for the reason, she didn't know.

Perhaps only su Cheng knew, but ye Liangqiu would not ask.

Chapter 1266 I just want to play with you (part two)

Su Cheng stood up and suddenly said, " "mu yun is very cute. she looks more like you."

when she spoke, a touch of gentleness appeared on her small face, as if she was reminiscing about something.

but ye liangqiu's body was covered in cold sweat.

Su Cheng did not stay any longer and left quickly.

Ye Liangqiu stared blankly for a long time as that pure white disappeared into the night.

after that, she called aunt zhang over and pursed her lips. " "in the future, don't let miss su in."

Although aunt Zhang was avoiding them, she could tell that there were some subtle changes in their interaction. She felt a little uneasy and nodded. “yes, i know.”

late at night, ye liangqiu didn’t feel sleepy.

Su Cheng was clearly here for her, and she believed that su Cheng would not tell Qin Anlan about mu Yun.

If she had said that she would not have made this trip ...

Then why did su Cheng do that?

Just to play with me?

Ye Liangqiu didn’t fall asleep until dawn. She had only slept for a short while when a little person climbed onto her body. She opened her eyes and saw mu Yun.

the three-year-old xiao muyun was already very smart and cute. most of her looks were like hers, but she still had qin anlan’s charm between her brows.

Occasionally, she would look at mu Yun in a daze.

she reached out to stroke her son’s soft hair and said in a gentle voice, ” why aren’t you sleeping? ”

Ye Muyun proudly supported her chin with her hand. it’s already eight, mom.

He pinched her nose. mommy’s up. Mommy said it’s her first day at work.

If he hadn’t mentioned it, ye Liangqiu would have forgotten.

after a few years, she had almost forgotten that she also had to work.

She smiled and let her son sit on her stomach for a while. She told him a story to make up for last night.

Xiao mu Yun was very sensible. She went downstairs in her one-piece after hearing that. She flipped to the side and obediently went to prepare a towel and toothbrush for her mother.

ye liangqiu left the room, and the two of them stood together to brush their teeth.

She looked at herself and mu Yun in the mirror and smiled.

however, she still felt a little heartache as she looked down.

mu yun was very sensible, but a small person like her had to bear the pain that many adults could not bear.

it was probably because she did not protect the child well during her pregnancy that mu yun was born with an illness. she would turn green when she was touched and she would not be able to stop bleeding.

however, it was not serious septicaemia.

Doctor Lin said that she’ll recover when she’s in her twenties.

These words had been ye Liangqiu’s motivation.

She had to earn more money.

Because Wanwan and mu Yun were Rh-negative, she found two people with Rh-negative blood through the doctor and spent a lot of money to convince them to roll up their sleeves when mu Yun needed blood.

however, as mu yun grew up, she needed more and more blood. so, she needed money, a lot of money.

When ye Liangqiu left the house, she told aunt Zhang to take good care of mu Yun and drove to King Entertainment.

This morning, King Entertainment had held a press conference for her to announce the news of her comeback.

when they arrived at the company, sister ying came up to them and said in a low voice, "Liangqiu, just now, the mainstream media received news that the little princess of Asia TV, su Cheng, has announced that she will be entering the entertainment industry. Many of the media outlets that are close to Asia TV have gone to see her. At this moment, President Qin is a little angry.

Chapter 1267 Boss Qin, physiological disorder (1)

originally, there were only a few dozen first-class media outlets. now that half of them had left, the seats were empty, which inevitably made qianqian feel a little cold. it would not look good if word got out that they were trying to make up the number of people.

Ye Liangqiu stopped in her tracks and looked at sister Ying. change it to an interview! If it's possible, we can do a live broadcast and find someone to flood the screen. I think the response should be better than the original."

Sister Ying had the same idea, but she was afraid that ye Liangqiu wouldn't be willing or couldn't control the situation.

However, at this moment, she had no such doubts at all, so she immediately reported to Qin Anlan.

Qin Anlan muttered to himself for a moment before he agreed.

During the live broadcast, the popular host Nana was invited to talk to ye Liangqiu about her recent plans.

at first, sister ying and qin anlan thought that with ye liangqiu's personality, she would probably take the cold and aloof route. however, they thought that she was very friendly and her eyes were filled with unspeakable warmth in the camera.

It immediately reminded people of the last scene of 'gentle breeze'.

"I think the movie" gentle breeze "can be considered as his own character." ye liangqiu turned to look at nana. "that's right. when it comes to love, i'm also a little timid. "

I don't dare to tell him. I might just wait here. As ye Liangqiu spoke, he smiled. just like the role in the gentle breeze, the male lead's aura is too dazzling, so I might not have the courage to fight for it.

After she finished speaking, she also felt dejected.

Nana was stunned for a moment, but she quickly recovered and continued to ask, "then, has our cool autumn met such a male lead in her life?"

Ye Liangqiu lowered her eyes and only looked up after a long while. She stared at the camera in a daze.

However, Qin Anlan was also in the direction of the camera, so her gaze met his.

In that instant, his body trembled.

soon, her eyes were fixed on the camera, and she smiled calmly. "Yes, but you should be relieved now!"

he was relieved!

hearing her say this, qin anlan felt that he should be at ease.

But for some reason, from now on, he somewhat resented ye Liangqiu.

he didn't know the reason, but he just hated it.

Nana quickly smiled and said, "liangqiu's words must have resonated with the audience. i think we've all liked the same person before. maybe he was high and mighty, but that doesn't stop us from liking him. however, if one day he walks into our lives, we'll find that reality isn't as good as it is. because of the gap between us, we're destined to be unable to walk together."

The image was fixed on ye Liangqiu's face. There was a faint sense of regret and melancholy on her face.

however, qin anlan knew that all of this was no longer for him. it was the script for ran ran's live broadcast.

She was so damn good at acting.

After the live broadcast ended, the production team began to celebrate.

The number of viewers for this live stream reached more than five million, breaking the records of many A-list celebrities.

qin anlan's face was dark as he called ye liangqiu away.

sister ying was worried and reminded him carefully, "president qin doesn't look too good, don't mess with him."

ye liangqiu nodded and walked out briskly, even saying goodbye to nana.

nana packed her things and chatted with sister ying at the same time. "what's wrong, president qin? are you unhappy with the number of people online?"

Chapter 1268 Boss Qin, physiological imbalance (2)

elder sister ying didn't want to say too much, so she just smiled and said, "Maybe it's Yingluo's physiological disorder?"

there was a hint in her words, because everyone knew that president qin's scandals had decreased recently.

Nana covered her mouth and laughed. sister Ying, you're so evil.

she then patted sister ying's arm and said, " your company has found a treasure. i've really never seen someone who retired for a few years and then came back so popular. with one or two outstanding films, he'll be an a-lister. "

Elder sister Ying nodded,"it's a pity that a few years have passed." However, Yingluo "

She changed the topic. she suddenly became famous a few years ago. It's good for her to retire for a while. After all, she was young then and wasn't used to fame and fortune. Now, it's just right.

After all, he was only 23 years old and still very young.

Nana thought about it and agreed. She lowered her voice and said, " did you realize that she looks very similar to Lin qingxia when she was young? " At first glance, he doesn't look very outstanding, but his facial features and figure are impeccable. He's really good to look at."

"that's because you like her. she's good no matter how you look at it," elder sister ying laughed.

"you don't like it?" "i've rarely seen you help a newbie like this, sister ying," nana laughed.

Elder sister Ying didn't express her opinion. She just smiled and sent Nana off.

when she turned around, ye liangqiu still hadn't come down. she sent a message to KIME and asked him to keep an eye on her.

At this time, Qin Anlan and ye Liangqiu were standing in his office. He was smoking while standing with his back facing her.

Ye Liangqiu looked at his tense back and thought of what sister Ying had said in private. She agreed with him.

qin anlan's body was probably not in good condition right now, so his temper was strange.

It was better for her to not provoke him.

he smoked half of the cigarette before turning back. his voice was a little hoarse. " how does it feel to use your past to please the public, miss ye? "

his eyes were locked on her, not letting go of any of her expressions.

ye liangqiu's face didn't show much expression. after a long while, he said softly,"President Qin, you're overthinking it."

he walked over slowly and approached yingying step by step.

she retreated step by step until she was in front of the door, her body pressed against the door.

his body was tightly pressed against hers, so she could only hold herself back and not let her sensitive parts touch his.

however, the more it was like this, the more her perception was magnified. even the contact of a single pore was enough to make her tremble.

His hands were on top of her head, trapping her, and she could not move at all.

“Am I overthinking?” He lowered his head and was very close to her, so close that they could see each other’s existence in each other’s eyes.

ye liangqiu raised her head slightly. it was as if she had brought her lips to his. as long as he spoke, he would be able to kiss her.

“of course, there’s a script for this.” She looked at him fearlessly. Even though her back was already sweating, her legs were weak, and even though she knew that her body had changed slightly because of his contact, she still looked extremely calm.

qin anlan trapped her with one hand and slowly explored her lower body with the other. he moved his hand from her shoulder to her arm.

As he explored deeper and deeper, the back of his hand would occasionally touch places that he shouldn’t be wiping ...

they all trembled at the same time.

his gaze was unfathomable and indescribable.

however, he still continued to move down. he grabbed her hand and slowly touched the small book in her hand.

This was the script that the director had asked someone to write on the spot.

Chapter 1269 Boss Qin, physiological disorder (part three)

He took it and trapped her while looking at Yingying.

as he read on, his expression turned ugly.

It turned out that her every answer had been carefully planned.

it turned out that the so-called past she was talking about had nothing to do with him, qin anlan.

He felt as if he had been slapped in the face. it was a burning pain.

how could she not see that he was angry from embarrassment?

“president qin, it’s all in the past. there’s no need to bring it up again,” she said in a calm voice.

she looked at him. ” i think for president qin, sleeping pills and pillows have an expiration date. if it’s over, then it’s over. i’m not the only one, so i don’t think about it. president qin, you don’t have to take it to heart. ”

she said it coldly as if she was reminding him of her hanhan.

the other side of qin anlan's face seemed to have been slapped by her again.

"have you forgotten all about it?" he narrowed his eyes and looked at her.

"Yes!" she said firmly.

He let go of her, turned around, and walked to the French window. He stood there and looked at the entire scenery of B city.

after a while, he said, "it's good that you forgot!" Ye Liangqiu, there are some clothes for you. Go get them when you have time."

"I will," she nodded.

She was so determined without a trace of nostalgia, which made him hate her even more.

He suddenly turned around and looked at her, a cold smile on his lips. ye Liangqiu, you've turned your life into an act. You're a natural-born actress.

"President Qin, you flatter me. It's better than you acting without knowing." she retorted.

he glared at her because of her disrespect.

ye liangqiu looked at him indifferently. " when i'm insulted, i'll return the favor, no matter who it is. "

what she did not say was that if it was someone else, she would have judged the situation. however, qin anlan, i told myself in my heart that i would never bow down to you and never beg you again.

What I want, I'll ask you for it. I'll fight for it. I won't beg at your feet anymore.

This was probably her self-esteem!

"i'll wait for you to get the things tonight," qin anlan's voice was a little tense.

"good! However, I don't wish to see a woman there." She also said bluntly, " President Qin, I don't think it's difficult for us to respect each other, right? "

when she said this, he thought of the day she left. she saw shen lian in his house. in fact, there was nothing between him and shen lian.

Perhaps at that time, he still couldn't let it go, but now, he wouldn't have anything to worry about.

Shen Lian only wanted to deal with PEI Qiqi now. Where would she find the time to find him?

However, from his point of view, she must be dreaming. Did she think that after PEI Qiqi left, it would be her turn?

When he thought of PEI Qiqi, he compared himself to ye Liangqiu, who was in front of him.

he was a little confused ...

in the end, he laughed. pei qiqi's personality was a little cuter.

The woman in front of him, on the other hand, would only try to make him think that he was willing to endure her bad temper because he wanted her to become a superstar.

However, he never thought that ye Liangqiu's willingness to return to the entertainment industry today was already a sign of lowering her status. In front of him, she was uncompromising and disrespectful, just like a child who was secretly in love with someone, and the more arrogant she was in front of that person.

ye liangqiu was like this, and qin anlan was the same.

He thought he liked PEI Qiqi, but the first time he saw PEI Qiqi, he thought of ye Liangqiu.

at that time, he thought that if ye liangqiu didn't return, pei qiqi might be the one who could replace her as a superstar.

Chapter 1270 my moral integrity has fallen (1)

That night, ye Liangqiu asked aunt Zhang to go to his apartment, but she did not get it because Qin Anlan said that ye Liangqiu had to come and get it herself.

aunt zhang was from city H. when she got back, she said to ye liangqiu, " "That young man is really handsome, but he's too cold. I think he likes miss ye."

ye liangqiu saw that there was nothing in her hands and knew that aunt zhang had not received it, so she forced a smile and did not say anything.

she didn't want the things anymore.

not long after she returned to KING entertainment, sister ying helped her to take on two shows, a commercial film and a literary film like 'gentle breeze'. however, the two shows were shot almost at the same time, so it was very hard.

When ye Liangqiu left, she was still worried about mu Yun. Aunt Zhang said that there would be no problem in leaving mu Yun in her care, so she was willing to leave.

On one hand, it was also because if she brought him near the set, she would not be able to save mu Yun if something happened to him.

After much thought, she decided to leave mu Yun in the care of aunt Zhang and doctor Lin.

doctor lin was in her thirties and had always been very good to mu yun. she felt at ease thinking about it.

In the car heading to Hengdian, sister Ying looked at her and said gently, " what's wrong? are you worried about Muyun? "

in the past few years, sister ying had watched mu yun grow up. when she was free, she would go to the south to take a look. she was not married and had no children, so mu yun was like her godson.

ye liangqiu nodded and looked out of the car window. " sister ying, " she said softly, " if it wasn't for mu yun, i wouldn't have come back. "

she liked the peace in the south. she liked the place where qin anlan was not around. if she could, she did not want to face him again in this life.

How could elder sister Ying not know what she was thinking? she could only sigh in her heart and not say much.

“Elder sister Ying, don't worry. I won't get hurt again.” “If you don't have expectations, you won't get hurt,” ye Liangqiu said in a low voice.

Elder sister Ying felt sad for her.

There was nothing wrong with Liang Qiu, and she did nothing wrong. She just liked someone she shouldn't like.

she pondered for a moment before speaking. ” there are many new people in the company recently. there's a person called pei huan. i think she has potential, but she's not good at heart. it's hard for her to achieve anything. ”

elder sister ying had some reservations. in her heart, she still felt that president qin and liang qiu still had hope.

That was why she had never mentioned Qin Anlan's lace.

How could ye Liangqiu not know that she wanted to do this?

It had only been a few days since she returned to the company, and Mo Xiaoqi had already listed about a dozen newcomers' names in front of her. They were all harem Qianqian who Qin Anlan had pampered.

in the end, mo xiaoqi said to her, ” ye liangqiu, we're actually no different. in president qin's heart, we're both goods, not women. ”

yes, how could she not know?

she knew it better than anyone else.

ye liangqiu thought about it and smiled. ” sister ying, you don't have to hide it from me. if you don't tell me, someone else will. ”

from the beginning to the end, probably only KIME and sister ying knew about her and qin anlan. she knew sister ying's thoughts, but some things were not missed. they were simply impossible.

elder sister ying didn't say much. she sighed and said, ” you can decide for yourself. ”

Ye Liangqiu made a sound of agreement, and the two of them stopped talking.

by then, filming in hengdian would be tough, especially when she had to work on both sides.

she often flew here and there, alternating between the set and the airport every day. in less than a month, she had lost seven or eight pounds. sister ying was so distressed that she said she wouldn't take on two shows in the future.
