

Thank you 1271

Chapter 1271 my integrity has fallen (2)

Ye Liangqiu didn't care. The more she worked, the more time she would have to accompany mu Yun.

In the three months she had been filming, she would see news about Qin Anlan every two days. Unsurprisingly, he appeared with su Cheng.

ever since su cheng debuted, she had always been involved in scandals with qin anlan. today, they would go shopping together, tomorrow, they would attend the opening ceremony together, and the day after, they would appear at the hotel together for a walk.

rumors were flying everywhere, and it was difficult for ye liangqiu not to know.

Sister Ying expressed her dissatisfaction. President Qin, you're just praising someone else. What is this? is he trying to surpass you? "

sister ying was not to be outdone. she immediately released the previous scandal between ye liangqiu and qin anlan. the higher-ups were very vague in saying that su cheng had stolen ye liangqiu's love, so ye liangqiu had escaped to a small city in the south.

And once she returned to the entertainment industry, su Cheng began to play Enchantress again.

ye liangqiu couldn't bear all of this, and his heart sank.

the fans were naturally not willing. one by one, they went to su cheng's weibo to scold her, calling her shameless, calling her a scheming bitch.

When ye Liangqiu saw this piece of gossip, she was stunned. She looked at sister Ying and asked, " "You did this?"

"yes!" sister ying admitted. I did it. Do I have to watch that woman do it? it's obviously done for you to see, so i'll just do it a little more."

Ye Liangqiu lowered her head to read her script. as long as President Qin doesn't look for us.

sister ying didn't seem to care. " don't admit to this kind of thing. just push it to your fans. think about it. you have so many fans. there are many people with big brains. "

Ye Liangqiu pursed her lips and looked at her. Finally, she smiled."Elder sister Ying, you're such a rascal."

Elder sister Ying also laughed. it took Zhenzhen so many years to comprehend this Dao. Little girl, learn from me!

sister ying then said, " president qin will probably settle scores with you tonight. think about what you're going to say. "

ye liangqiu lowered his head and looked at the script in his hand. he said indifferently, " "in any case, i didn't do it. i don't know who did it either."

"you're a fast learner," sister ying smiled in satisfaction.

in this circle, one had to have no moral integrity.

they had just finished talking when qin anlan's call came.

ye liangqiu looked at sister ying, smiled, and picked up the phone.

qin anlan's tone was a little cold, and he spoke in a business-like tone, "Did you see the news?"

"about you and su cheng?" Ye Liangqiu was still reading her script as she spoke to him. congratulations, President Qin, " she said.

Her tone was extremely sincere.

in qin anlan's ears, it was extremely ironic.

His voice turned colder. did you do it? "

"what?" "who's president qin with?" ye liangqiu asked lazily,"why are you asking if i did it?"

she was a complete scoundrel, and he couldn't do anything to her. she didn't even admit what had happened and pretended not to know.

Qin Anlan's voice was slightly hoarse. do you really want me to be with someone else that much? "

these words tugged at ye liangqiu's heartstrings. she held her phone in her hand and didn't speak for a long time.

After a long time, she said softly, " President Qin, I don't think we need to talk about such a private topic.

"i think so too," Qin Anlan's voice became even colder. su Cheng and I are just in that kind of relationship. We'll still be what we were in the past.

Was he trying to explain to her?

ye liangqiu's breathing was a little messy and hurried.

and he had already hung up.

Chapter 1272 suppressing su cheng with beauty (1)

ye liangqiu's finger slowly slid down the screen. after putting down the phone, she looked at sister ying and said,"i'm angry."

"it'd be weird if i wasn't angry!" Sister Ying smiled. then let ran ran make him angry.

This didn't change anything. Instead, it made boss Qin feel even more worried.

sister ying was also testing him-seeing how angry president qin was, he probably wasn't relieved.

Ye Liangqiu closed the script and smiled. I'm going outside. It's time.

sister ying also went out with her.

Although ye Liangqiu wasn't a specialized major, she had a high level of comprehension and was very photogenic.

even director zhang said that she was born to be a grandmaster.

Director Zhang was very satisfied with the "seeing red" film. He said that ye Liangqiu had shown the determination of women from that period. Director Zhang was very confident in this film and was ready to use her to win major awards.

the other commercial film was a war film, and ye liangqiu was definitely the female lead.

The momentum was very good, especially since the owner was a big film and television company with a big production ...

half a year later, ye liangqiu's era would come.

her two movies swept the box office of the entire spring festival, and the two movies together broke five billion yuan.

Moreover, at all major film festivals, ye Liangqiu was crazily sought after wherever she went, especially by the media, who said that she would be Lin qingxia's next superstar.

ye liangqiu was very busy. she was busy with all the major film festivals and taking up endorsements.

She had accepted more than ten international endorsements and was in the limelight for a while.

Therefore, she could only see Qin Anlan once every two to three months.

after a long time, she had gotten used to it, and he seemed to have forgotten her.

He only remembered ye Tianhou, not ye Liangqiu.

ye liangqiu had been busy for a while, and when she finally had some free time, it was already two years later. in these two years, she had made four movies and not a single tv show.

She became a top celebrity with an annual income of 200 million.

She had long passed the time when she needed to work hard. This year, ye Liangqiu turned 25.

Ye mu Yun, five years old.

that night, it was KING entertainment's year-end collaboration with asia tv.

ye liangqiu didn't want to participate at first. she just wanted to stay at home and accompany mu yun.

mu yun had not been feeling well the past two days, so she was worried.

however, sister ying had specially informed her to participate in this event and said that she had to show off. she had reluctantly agreed.

she chose a black v-neck for her evening dress. the front was considered conservative, but her back was almost completely exposed, which was very dazzling.

“Do you have to do this?” elder sister Ying cried out.

they had never seen cool autumn use such a powerful weapon.

ye liangqiu smiled and looked at sister ying. ” didn’t you say that i’m too conservative? ”

Sister Ying did not say anything.

The two of them arrived at the venue. When the black RV alighted, it caused a burst of screams- every single one of them was calling out ye liangqiu’s name!

“Ye Liangqiu! ye liangqiu!”

Ye Liangqiu gave them a slight signal, and they strangely calmed down, turning to look at their idol silently.

“No wonder they call you hubby,” sister Ying laughed.

The beauty of cool autumn was not only gentle, but also had a rare heroic spirit, but it was not masculine.

Ye Liangqiu and sister Ying walked the red carpet alone.

She didn’t need any male companion because she could support Yingluo on her own.

Both sides of the red carpet were filled with reporters with their cameras aimed at them.

ye liangqiu walked slowly, cooperating with the media to take a few official photos

Chapter 1273 Suppressing su Cheng with beauty (2)

“aren’t you too plain? other people can’t wait to get a few more styles and oppress you with their beauty!” elder sister ying whispered.

Ye Liangqiu’s voice was a bit low, but she smiled.”right now, i don’t need to oppress anyone with my beauty.”

as she spoke, sister ying turned her head and was also shocked.

Today’s Ye Liangqiu was no longer the ye Liangqiu from two years ago, and certainly no longer the little girl from six years ago.

Ye Liangqiu held sister Ying’s hand. I only need to hold sister Ying’s hand.

At that moment, sister Ying was so touched that she was a mess.

“you’re a bad child.” elder sister ying’s voice became unstable. ” you’re making me sad. ”

ye liangqiu smiled. ” i thought you would be happy now. ”

“Yes!” Elder sister Ying sighed. i’m happy.”

No one could compare to Yingluo now, the little girl that she had brought up by herself.

She was a well-deserved Heavenly Queen.

Sister Ying looked at ye Liangqiu and hesitated.

There were some things she wanted to tell Liang Qiu, but she didn't know how to say them.

After hesitating for a long time, she still couldn't say,
in the end, she decided to let president qin tell her.

Just as the two of them were about to enter the hotel, there was a commotion on the red carpet.

ye liangqiu turned her head and saw su cheng and qin anlan.

They had been tied together for the past two years.

ye liangqiu had heard that su cheng was qin anlan's mother's future daughter-in-law, so it was not strange that they were together.

She didn't take another look and walked into the hall. She took a glass of wine from the waiter and drank half of it.

Sister Ying reminded her in a low voice, " don't get drunk now. If you lose your composure, the reporters will write nonsense for a while.

Sister Ying sighed in her heart. Cool autumn looked indifferent, but she had never let it go.

if she had let it go, she wouldn't have drunk such strong alcohol. usually, no matter what the occasion was, she was always cautious and never touched such things.

Hearing this, ye Liangqiu looked down at the wine in her glass and said in a low voice, " help me back later.

elder sister ying glared at her. " if you're dead drunk, i'll just leave you here. i don't care about you.
"

although he said that, his heart softened, and his voice became much gentler. " "do you still want to go home? will mu yun see it soon and the impact will be better?"

Ye Liangqiu knew that there was no way she could hide from sister Ying. Just as she was about to speak, a clear and sweet voice rang out in her ear."Sister Cool autumn, what are you guys talking about?"

Ye Liangqiu and sister Ying were stunned. They turned around and saw Qin Anlan and su Cheng, the little princess of Asia Vision, standing behind them. Their backs were covered in cold sweat.

How much did Qin Anlan hear just now?

su cheng's eyes flashed with a sly look and she said with a smile, " "i have something to discuss with you, sister autumn. i believe you're free, right?"

Ye Liangqiu saw the threat in her eyes, and she had no choice but to follow su Cheng to a corner.

sister ying looked at her BOSS and asked unhappily, " "president qin, aren't you afraid that liangqiu will bully your little girlfriend?"

"Su Cheng is not my little girlfriend." Qin Anlan frowned.

sister ying smiled and said, "i know that president qin likes president tang's wife, yingluo."

That's immoral!

Qin Anlan's face darkened. you really dare to say that.

"It's the truth," "however, president tang's young wife and our liangqiu seem to have a similar temperament," sister ying said sarcastically.

Chapter 1274: You know how to play all these little tricks (1)

This was the most obvious hint that ran ran was implying that President Qin liked ye Liangqiu, but he didn't know it.

Qin Anlan looked at sister Ying and pursed his lips unhappily. "Don't talk about it."

Sister Ying laughed. Was this 'can't talk about Liang Qiu' or 'President Tang's wife, PEI Qiqi'?

On the other side, su Cheng and ye Liangqiu were standing side by side. Su Cheng took a glass from the waiter and handed one to ye Liangqiu. "sister liangqiu, you don't look happy."

Ye Liangqiu took the cup from her hand, but didn't drink it. She just held it.

why? " su Cheng smiled. are you afraid that I'll drug it? "

Her smile was sweet and she looked like an angel, but ye Liangqiu knew that there was an evil soul living in su Cheng's heart.

Two years had passed, but su Cheng had not done anything to her, nor had she mentioned mu Yun's existence.

She did not understand. She did not understand what su Cheng was thinking.

ye liangqiu looked at su Cheng and chuckled. " why would i? " however, she still didn't drink it. if she fell for this little provocation, she would have wasted her years.

if there was one person in this world that she had to be on guard against, that person would be su Cheng.

after su Cheng entered the entertainment industry, ye liangqiu had thought that she would compete with her, but it seemed that she didn't.

su Cheng seemed to prefer to stir up gossip about her and qin anlan. every time she did so, ye liangqiu would be in the headlines as well. the three of their names seemed to be tied together.

As time passed, ye Liangqiu should have let her guard down, but she didn't. Instead, she felt that su Cheng was a mystery.

she felt that what su Cheng really wanted was in ye liangqiu.

she knew that su Cheng had gone to look for mu yun in the past two years.

when auntie Zhang brought mu yun out, she had gone to play with mu yun and

even Drougnc toys.

Mu Yun told her about Wanwan in full detail.

Ye Liangqiu couldn't see through su Cheng.

At that moment, she looked at su Cheng through the crystal glass and said in a low voice, su cheng, it's been two years. have you played enough games? " sister Liangqiu, " su Cheng said, still smiling sweetly. are you so eager now? "

"Don't play any tricks with me." Ye Liangqiu's voice was cold. I'm not interested in playing these childish games with you. If you want to play, you can go find Qin Anlan.

At the mention of Qin Anlan, su Cheng smiled playfully.

She tilted her head and looked at ye Liangqiu. sister Liangqiu, don't you love him the most? aren't you afraid that i'll hurt him?"

"if you can hurt him, then do it." "This has nothing to do with me," ye

Liangqiu's voice grew even colder.

"Oh, what if my Yingying slept with him?" "sister liangqiu, you don't care?" su Cheng smiled even more sweetly.

Ye Liangqiu's gaze fell on su Cheng's wine glass. Her wine glass reflected a slender figure, a figure that made her feel suffocated.

ye liangqiu also laughed softly. she tilted her head and looked at su Cheng. " it's okay. i don't care. '

"Is that so?" a low and hoarse voice came from behind her. it was qin anlan.

su Cheng immediately put on a sweet smile and hugged qin anlan's arm with both hands. " brother anlan. '

qin anlan looked at ye liangqiu, but his words were directed at su Cheng. " "Your father has arrived. Go and say hello."

"Oh," su Cheng replied obediently. Then, she winked at ye Liangqiu and mouthed a few words."sister cool autumn, be careful.."

Chapter 1275: You know how to play all these little tricks (2)

ye liangqiu smiled a little girl's trick!

After su Cheng left, ye Liangqiu looked at the glass in her hand and suddenly raised her head to drink it in one gulp. The spicy wine slid down her throat and the feeling made her tremble.

Qin Anlan squinted at her. is that so? it doesn't matter who I sleep with? " ye liangqiu put down her cup and leaned lazily on the back of the sofa. she looked at qin anlan in front of her and smiled gently. " Qin Anlan, why don't you sleep if you have a relationship? "

She was already feeling a little dizzy. He had become two, four, and many more!

She fumbled around and sat down on the sofa, but it felt like she was sitting on a boat and she even felt seasick.

her fingers dug into the back of the sofa, and she gently spat out a long list of names with her red lips.

Qin Anlan's expression changed slightly. Then, he leaned forward and looked into her eyes. aren't we fine? " why do you remember it so clearly?"

ye liangqiu's skin was porcelain white. upon a closer look, he realized that she had only applied a little bit of honey powder. her skin was so good that it was clear.

She opened her eyes. Her long eyelashes fluttered, and when she blinked, it was as if they were flowing with light and color.

At this moment, she was enough to cause the downfall of a city.

At this moment, she was like an exquisite piece of art.

qin anlan's eyes were locked on her face. after a long time, he said, " you're drunk? Hmm?"

she laughed softly and placed her hand on the sofa's armrest. her heart was beating rapidly. she looked at qin anlan and whispered into his ear, " su Cheng gave me the wine. '

Qin Anlan's eyes were cold. He grabbed her arm and said in a cold voice, " "Follow me."

Her body was very hot, and he was shocked.

"I don't want to go with you." She smiled lightly, a cold fragrance floating on her face.

qin anlan pursed his lips and forcefully pulled her up by her wrist. They passed through the bustling Hall, everyone, and the dumbfounded su

Cheng.

su Cheng saw that something was wrong with ye liangqiu and was shocked.

there was no problem with that glass of wine.

If it was just a little stronger, he wouldn't lose his composure like this even if he drank a cup.

how could this be?

when qin anlan passed by su Cheng, he glared at her and said goodbye to mr. su in a restrained manner.

At this moment, there was only ye Liangqiu in his heart. He was afraid that she would lose her composure and create a scandal.

ye liangqiu walked out in his arms. when she passed su Cheng, she blinked at her.

she also knew how to play little tricks!

At that moment, su Cheng's expression turned ugly.

She narrowed her eyes and looked in the direction they had left.

what would they do?

What would Qin Anlan do to ye Liangqiu?

No, no!

su cheng's eyes flashed with malice. how could she let that happen? that was her thing and no one was allowed to touch it.

In the past, she had already made a mistake and caused them to have a child. But Yueyue couldn't do it again.

Qin Anlan helped ye Liangqiu into the car. She lay on her side in the back seat and seemed to be asleep.

the white evening gown covered the back seat, giving off a kind of stunning beauty.

qin anlan paused for a moment and looked at her deeply.

After a while, he closed the door and sat in the front row.

he called sister Ying to tell her that he had taken her away. before sister Ying could come back to her senses, he had already hung up.

The car window rolled down slowly. He turned the rearview mirror and reflected the charming scene of the back seat.

He looked at her for a while before he pursed his lips and started the car.

qin anlan did not hesitate and brought her to his penthouse..

Chapter 1276: He hasn't been moved for a long time (1)

When he opened the car door, she was still lying there, covered in sweat.

Qin Anlan picked her up. Her hair had spread out helplessly and reached her waist, complementing her white dress.

In such a dark night, it was as if he was carrying a long-haired Princess. With every step he took, it was as if countless magic elves were following behind him.

The moment he moved, she woke up and slowly opened her eyes. Her beautiful and charming eyes were filled with a little desire. Wang.

That expression made Qin Anlan tremble.

he didn't know how long it had been since he had been so impulsive. doing it with a woman seemed to be a process. he didn't want it, but it was to relieve his boredom.

however, she was so beautiful that he had the urge to kiss her hard on the lips and ravage her.

He didn't even know why he had brought her back, when it was clearly the best choice to hand her over to sister Ying.

it was probably because she was too beautiful right now, and he would not feel at ease even if she was handed over to someone of the same gender.

In the elevator, she began to feel restless. Her slender arm hung around his neck, and she called him an LAN hehe softly.

“Are you alright?” his voice was extremely hoarse.

Ye Liangqiu bit her lip. With a light bite, it seemed as if blood would drip from it, the bright red tempting people to taste.

“Hot, uncomfortable.” her small hands hugged him tightly, and her face was even closer to his neck, like a little bird rubbing against an old bird. At this moment, she was as soft as cotton and very light.

She was tall, but in his arms, she felt small.

in fact, he could still remember her xuxu.

Qin Anlan pursed his lips and narrowed his eyes. He looked at her and was caught in a battle of wits.

She was very upset, and he was Yingluo too. Could they be together and not be so upset?

no one knew who kissed who first, but they kissed passionately in the elevator. there was no gap between their lips, and so was their bodies. they hugged each other and stumbled into the elevator wall.

it was so violent that the elevator shook, but no one could care about it.

Qin Anlan kissed her greedily. The wonderful taste made him reluctant to let go. His large palm moved up her waist, stirring up a burst of fire.

“qin anlan.” She called his name softly and raised her neck to receive his overly hot kiss.

he followed her soft skin from her neck back to her lips. her hands were raised above her head, and her body was firmly pressed against him. separated by a layer of clothes, he began to do the most embarrassing thing.

Even if she didn’t drink any aphrodisiac, the wine was enough to make her fall in love.

Perhaps, it was the man in front of her who made her fall in love.

ye liangqiu realized that he had gone too far.

She had only wanted to dampen su Cheng’s spirit, but now it seemed that it was difficult for her to get out of the situation.

he rubbed against her little by little, so he could naturally feel the change in her.

At that moment, the elevator door opened with a ding.

there were also people outside.

ye liangqiu subconsciously buried his face in his neck. the people outside happened to be playing with their phones. when they saw ye liangqiu, they recognized him and quickly took a picture.

Qin Anlan pursed his thin lips tightly. He wanted to step out, but the elevator door had already closed.

That person didn't come up.

"He managed to capture it?" Ye Liangqiu looked up and asked softly.

Qin Anlan did not say anything. He only pulled her little face and kissed her hard twice.

Once they reached the apartment, he held her shoulders and kissed her without restraint.

He didn't think about what he would do after he had her. He only knew that he wanted her now, crazily..

Chapter 1277: it's been a long time since he's been moved (2)

They hugged each other and stumbled to the sofa.

qin anlan looked down at her beauty, his gaze almost full of worship.

Her rare beauty had settled down with time.

at this moment, what was under him was a poison.

he kissed her eyebrows, her lips, and her neck bit by bit.

he was incredibly gentle, and ye liangqiu accepted his gentleness, but he didn't accept his heart.

luckily, she didn't put her heart on him, or else wouldn't she be sad again? she laughed softly, raised her neck, and said with a trembling voice, " "qin anlan, it's itchy." he continued to kiss her, and with every kiss, he asked her in a hoarse voice, " "is it itchy here?"

he was probably too emotional, and he had done some things to her that he had never done to a woman before. only god knew that he had never served a woman.

Ye Liangqiu raised her head. From his perspective, her body was extremely beautiful, like the most beautiful mountain peaks.

her body suddenly went limp as she panted. " qin anlan, that's enough.

her eyes were a little wet as she looked at his emotional expression. so this was what qin anlan looked like when he was desperate.

he did not seem to hear her and continued to kiss her.

ye liangqiu pursed her lips and smiled lightly. " qin anlan, i'm serious, ran ran. ' she sat up slightly and looked into his eyes, her expression clear."i don't want to." she didn't want it, but he did.

For a man to be seduced like this, stopping him was no different from taking his life.

Especially when he was facing such a beautiful woman.

Qin Anlan looked up and supported himself with his arms. He moved forward and kissed her lips fiercely, his voice swallowed by her lips and teeth.”Be good, don’t move. ”

She kicked him, but he held her down with force.

her dress was half-removed, and it looked like venus. however, she was not incomplete. she was perfect.

Qin Anlan held onto his belt with one hand and clasped her hand with the other, forcing her to untie his belt.

“aren’t you afraid i’ll pester you?” Actually, she didn’t care. She didn’t love him anymore. So what if they had sex?

It was nothing more than a love leaf.

qin anlan lowered his body and kissed her. ” then, use your body to wrap around me first. ‘

His heart was clear at this moment, and he even felt that this was quite good. If she said that she wanted him to marry her, then he would marry her, Hanhan.

He was like a hot knife through butter, and she was already unable to resist. In the end, she could only lean against his chest and say in a low voice, ” “To the bedroom.”

Qin Anlan reached out and carried her into the master bedroom. He threw her on the bed and undid his tie, causing his shirt to fall.

She took the photo frame from the bedside table and caressed it gently with her fingers. She looked up again. Qin Anlan, have you forgotten about our safety zone? ” his expression changed slightly, and he looked at her stiffly for a long time.

In the end, he sat down, took out a cigarette from his pocket, and lit it. you did it on purpose? ‘

“Yes! i’m just pretending.” “He was drunk at first, but he woke up in the car,” she said in a faint voice.

“Why?” He looked at her deeply, not letting go of any expression she had.

Ye Liangqiu chuckled. I just think that my relationship with President Qin isn’t very interesting, so I’m trying to adjust it.

She didn’t mean what she said.

how could he not know that she was deliberately trying to anger su Cheng?

Chapter 1278: you have a man now?(1)

she might not believe it, but there had never been anything between him and su Cheng.

There was nothing in his heart. Besides, Qin Anlan had never felt that su Cheng was interested in him. From the beginning to the end, the person who was most enthusiastic about their relationship was probably his mother. He didn't want to get married. With su Cheng in his way, he was happy.

he felt like he was waiting for someone. That person was not Shen Lian Jue Jue.

he thought it was pei qiqi.

That was why he stayed single. He also thought that since he didn't look for a woman recently and had few desires, he might not be interested in any woman other than PEI Qiqi.

However, he had overestimated himself.

Just now, he was so crazy that he wanted ye Liangqiu to sleep and forget about PEI Qiqi's existence.

He looked at her while smoking. sleep here for the night!

just like before, the two of them lived in peace.

ye liangqiu looked at him quietly and pursed her lips. in a low voice, she said, "

i want to go home. '

"Home?" he smiled faintly. " this used to be your home too. have you forgotten?

She raised her head and looked at him. After a long time, she smiled gently.

don't you think it's ironic?

this was never her home.

She was just a passer-by.

This house was like that, and so was Qin Anlan.

Qin Anlan's eyes narrowed as he stared at her in a daze.

"I'll send you to the office tomorrow," Qin Anlan said after a long while.

she still wanted to say something, but qin anlan had already made up his mind.

he walked to the bathroom to take a shower.

ye liangqiu leaned against the headboard and stared at the photo frame for a long time. at this time, she even needed a cigarette.

but she didn't smoke. she had mu yun. no matter how troubled she was, she wouldn't touch cigarettes or alcohol to relieve her stress.

looking around, this place was still the same as before. the decorations were cold and hard, without a trace of feminine softness.

he didn't know if this was a good or bad thing.

as ye liangqiu was thinking about this, her phone rang. she took it out and saw that it was aunt zhang.

Aunt Zhang's voice was a little anxious. miss ye, come back quickly. Mu Yun fell and hurt her head.

"Did you lose a lot of blood?" ye liangqiu had already stood up and was pulling at her clothes. her voice was even more anxious than aunt zhang's.

aunt Zhang hesitated for a moment and said, "no!" i'll call doctor lin to come over."

Ye Liangqiu walked out and said, "observe for a while longer. if it doesn't work out, ran ran, inform those two. "

Those two people were mu Yun's blood bank.

aunt Zhang nodded.

Ye Liangqiu had already reached the apartment's door. She put her hand on the doorknob and opened the door.

At this moment, there was only mu Yun in her heart and nothing else.

even qin anlan did not feel anything.

"It's so late, why are you going back dressed like this?" his voice rang out from behind her.

she paused and slowly turned around.

he was wearing a white bathrobe, just like how she had seen him in the past.

ye liangqiu pursed her lips. "then lend me a car. "

he looked at her and frowned slightly. then, he looked at her and asked, "there's a man? "

"yes!" She didn't deny it. Instead, she admitted it.

Qin Anlan stared at her for a long time. In the end, he took out a car key and handed it to her. "The one I was driving just now." ye liangqiu took it, thanked him in a low voice, and then quickly walked out.

Qin Anlan heaved a long sigh. He really could not understand how these women could walk so fast in high heels! not to mention that she was wearing a long evening dress..

Chapter 1279: you have a man now?(2)

he couldn't help but think of the time when he had carried her. at that time, she had been lying in his car, beautiful and dazzling, and infinitely luxurious.

qin anlan pursed his lips and suddenly felt a strange feeling in his heart.

he suddenly felt that there was something wrong with her just now.

he walked out in his bathrobe and went straight to the underground parking lot. but by the time he reached the underground parking lot, ye liangqiu's car had already started and was driving towards the exit.

He ran a few steps and the car had already left.

Qin Anlan stood at his original spot. His expression was a little unsightly, and his gaze was even more far-reaching.

he had to admit that he had been played by her tonight.

As for the reason, half of it was probably because of su Cheng. The other half was probably because ye Liangqiu still hated him.

He looked at it for a long time, but in the end, he still slowly walked back.

tonight, he was accompanied by a glass of red wine and a sleepless night.

He didn't even know how long it had been since he had a good night's sleep. The last time he had a good night's sleep was five or six years ago, when ye Liangqiu was still here.

He smiled bitterly.

His phone rang. He reached out to take it. It was su Cheng.

“why are you calling me now?” Qin Anlan's tone was a little indifferent.

Su Cheng's voice was very soft. brother an LAN, how are you and sister Liangqiu? ”

Qin Anlan's tone was a little indifferent. she left.

‘ i thought that brother an lan liked her very much. ” su cheng's voice had always been soft and tender like a young girl's, and it made people feel defenseless.

Qin Anlan had always treated her as his younger sister. Other than the incident with Ye Jin, she had not done anything wrong.

He had also asked su Cheng about ye Xuan's matter, but su Cheng had managed to fool her.

He didn't pursue the matter, because if ye Liangqiu wanted to do something, she would have the opportunity and the ability to fight su Cheng.

However, after so many years, they still lived in peace.

” she's KING entertainment, or rather, asia's most popular female celebrity.

chengcheng, don't mess around. ” qin anlan's voice was a little cold. it could be considered a warning.

Su Cheng smiled gently. of course I won't. Where's the person an LAN likes? ”

when qin anlan heard her words, he only felt that it was a little strange, but he could not put his finger on what was strange.

su Cheng stuck out her tongue and said in a light tone, ” ” brother an lan, tonight's show was really good. it's a pity that you went back early. ‘ qin anlan smiled faintly. ” the programs in the past years are all similar. ” Su Cheng did not say anything more and hung up.

She looked at the phone in her hand and smiled playfully. It seemed that nothing had happened between them, Yingying.

It wasn't brother an LAN who was unwilling, it was ye Liangqiu who was unwilling.

Thinking of ye Liangqiu, su Cheng looked at her phone and tried to recall the number, just to be safe.

at 10 pm.

by the time ye liangqiu rushed back to the villa, doctor lin had already arrived. she had checked and said that mu yun had only knocked her lightly. there was almost no wound, so it was not a big deal.

She heaved a sigh of relief and walked doctor Lin out.

doctor lin's white sports car was parked at the entrance. she walked out with him.

She didn't know how beautiful she looked in the white dress, especially when she walked on the lawn. Under the moonlight, she looked like a Moon Goddess.

Doctor Lin had known her for a few years. He had watched her grow from a 20-year-old girl to a 25-year-old with great looks.

He knew that she was a movie queen and a superstar. He could see her in advertisements everywhere, but this was the first time she had appeared in front of him dressed like this..

Chapter 1280: She peed in her pants in fear (1)

Doctor Lin was a little moved. Her heart, which had never been moved by a woman before, also skipped a beat.

he knew that this feeling was the feeling of being moved.

However, it was unlikely that they would have the chance to be together.

Doctor Lin knew that they were from two different worlds.

however, as a man, he still admired her.

When he opened the car door, he suddenly turned around and looked at her with a burning gaze. Liangqiu, my suggestion is still the same. Find the child's father and have another child. The stem cell transplant will save mu Yun from so much pain, and she won't have to bear unknown risks."

Ye Liangqiu pursed her lips, and after a long time, she said,"i'll think of a way."

in fact, she was not willing. she was not willing to beg qin anlan, and she was even more unwilling to let herself and mu yun become unbearable.

She did not want to see Qin Anlan's shocked and suspicious face when he found out about mu Yun's existence.

At that time, the love she once had had become so insignificant.

"Because mu Yun's blood type is special, so no one else can do anything about it," doctor Lin said after a moment of silence.

Perhaps, if not for this reason, he would have more courage!

ye liangqiu looked at doctor lin for a long time before she smiled. she looked up at the endless moon.

how long had it been since she had a good rest?

Doctor Lin did not say anything more. She got into the car and left.

It wasn't that ye Liangqiu didn't feel anything. Doctor Lin liked her, and had liked her for many years.

doctor lin had been by her side since she was twenty years old. at that time, doctor lin was twenty-five years old and had just graduated from medical school. now, he was thirty years old, the prime of a man's life.

she thought that if there was a need, she would like to have a chat with him. there was no need to wait for her.

She no longer looked forward to love, Yingluo.

she had given her love to the most honorable and heartless man in the world. she had once given up everything for a little warmth, but he did not want it.

yes, qin anlan knew from the start that she liked him.

Ye Liangqiu stood in the darkness for a long time.

When she returned to the villa, it was already half an hour later. She changed her clothes and went to see mu Yun.

mu yun had fallen asleep while aunt Zhang was taking care of her.

"i'll take care of it tonight," ye liangqiu said indifferently.

Auntie Zhang's voice was very uneasy. miss ye, I didn't mean to disturb you.

mu yun was fine, but what if she disturbed miss ye's career?

Ye Liangqiu's salary was twenty thousand a month, which was impossible in other families. Aunt Zhang also valued this job.

"it's fine. mu yun's matter is the most important." ye liangqiu's tone was calm, without the slightest hint of displeasure.

Aunt Zhang heaved a sigh of relief and said, "yes, I was also frightened at that time." I'll be more careful in the future." after aunt Zhang left, ye liangqiu sat down and looked in the direction that aunt Zhang had left.

aunt Zhang was a cautious person and would never make such a mistake.

she didn't say it because she had never hurt mu yun qianqian.

And it was obvious who was behind this.

ye liangqiu lay down on her side and looked at mu yun's small face.

Doctor Lin's words flashed in her mind, making her hesitate. She even considered it.

Mu Yun would bleed from time to time. She would worry and her heart would ache.

The next afternoon, at the entrance of Asia TV.

su Cheng walked out of the building and waited for her assistant to drive over.

however, after waiting for a long time, there was still no taxi. she raised her hand to look at her watch and was a little impatient..
