Chapter 1281: she peed in her pants in fear (2)

At this moment, a white Bentley stopped in front of her. The window slowly rolled down, and ye Liangqiu was sitting in the driver's seat.

her face was covered with black sunglasses, and her expression was a little cold. " get in the car. ' su Cheng smiled and bent over to wave. " sister cold autumn. ' "

ye liangqiu felt that su Cheng was very divided. they had a grudge against each other. just because she had not done anything to su Cheng did not mean that she had forgotten.

su Cheng looked at her and could still smile and call her sister cold autumn!

Su Cheng got into the car and took the initiative to fasten her seat belt. sister cold autumn, where are we going? " she asked in a sweet voice.

"To a place with no one." Ye Liangqiu's tone was very calm. over there, you kill me, I kill you, and no one will know.

For a long time, su Cheng did not respond.

Ye Liangqiu sneered. are you afraid? " su Cheng turned her face to the side and smiled. " why would i? " "

"i really want to see sister cold autumn's face when she kills someone," she said as she leaned over.

Ye Liangqiu's pupils contracted. At that moment, she had really wanted to kill su Cheng.

she would never forget ye ling's death.

as she drove, su Cheng played with her delicate fingernails a little cynically and blew. " "Sister Liangqiu, some things aren't as simple as you think! This world is dirtier than you think."

"just like behind your innocent smile?" ye liangqiu's voice was cold.

su Cheng chuckled. " for mu yun? "

She didn't seem to care, nor did she care that ye Liangqiu knew that aunt Zhang had been bribed.

she smiled gently. " sister liangqiu, think about it. i've bribed aunt zhang. it's easy for me to do anything to muyun. ' "

" su cheng, qin anlan and i don't have a present, and we don't have a future. don't pester me anymore. " Ye Liangqiu's fingers gripped the steering wheel.

su Cheng was in a good mood and looked at her. sister cool autumn, i've told you before, i only want to play with you."

"is that so?" ye liangqiu stepped on the gas and the car quickly drove in the direction of the sea.

This was an uninhabited beach. There was no end to it, only endless sea water and sand.

The high-performance sports car screeched to a stop. Ye Liangqiu turned her head slightly. get out of the car. As she said that, she unbuckled her seat belt. su Cheng looked at her suspiciously, but she still got out of the car.

The car door on her side was closed, and the sports car started up again. The sound of the tires rubbing against the sand was frightening.

Su Cheng was stunned for a moment and quickly turned around.

the white bentley crashed into her. she screamed and ran forward, but she couldn't run fast on the beach.

this bentley could reach 200 in five seconds. no matter how fast su Cheng ran, she would not be able to outrun it.

She didn't expect ye Liangqiu to be like this. She didn't expect ye Liangqiu to want to kill her.

Su Cheng screamed and ran with all her might. She had never been in such a sorry state before.

she was the little princess of asia vision, and no one had ever dared to treat her like this.

wherever she ran, ye liangqiu's car would follow. slowly, she was being pushed towards the ocean.

he fell into the water, got up, and ran again.

her mouth was filled with a lot of seawater, and her body was covered in mud. her white dress had long lost its original color.

Su Cheng cried. She sat in the water, her hands behind her back, and kept moving her body backward.

Ye Liangqiu held the steering wheel, stepped on the gas, and madly rushed towards su Cheng.

[ fourth update tomorrow afternoon ]

Chapter 1282: she peed in her pants in fear (3)

Su Cheng kept retreating and fell to the ground. The seawater had soaked her clothes and sand had stained her hair. She was in an unspeakable sorry state.

But at this time, she couldn't care about anything else. At this time, she only wanted to live.

Once again, he stood up and ran forward crazily. He kept muttering in his heart, " "She's crazy, she's crazy."

The car behind her seemed to have touched her leg, but the car followed her and did not kill her immediately.

the feeling of being so close to the god of death made her feel suffocated.

su cheng's eyes were filled with fear. she fell to the ground and came back to her senses. her eyes widened.

ye liangqiu sat in the car, her fingers gripping the steering wheel. her voice was cold."this car belongs to qin anlan."

Su Cheng's body trembled. She instantly understood what ye Liangqiu meant.

"I didn't do anything to mu Yun." Her voice was trembling.

ye liangqiu finally stopped the engine. when the engine stopped, su cheng's body went limp and she collapsed.

He also realized that Xuxu had peed in her pants.

fortunately, her body was wet, so it couldn't be seen.

however, the heat made her feel ashamed and angry. she watched ye liangqiu walk towards her, step by step, like a vengeful goddess.

Su Cheng's eyes were a little hot. She pursed her beautiful little lips and stared at scared cold autumn.

finally, ye liangqiu walked up to her, raised her hand, and slapped her.

su Cheng turned her face to the side, and there were a few finger marks on her fair face.

"if you had done anything to him, i would have killed you just now." " don't think that i've forgotten about ye rou, " ye liangqiu said coldly. " su Cheng, this world isn't a place you can play around with just because you want to. "

su Cheng raised her eyes. there was a hint of hurt and a hint of mockery in her eyes."you hit me for ye ling?"

"Yes." Ye Liangqiu squatted down, her eyes locked on su Cheng. if I could, I really want to kill you with my own hands to avenge Ye Zhao.

Su Cheng laughed so hard that tears rolled down her cheeks.

"Sister Liangqiu, this is such a big joke." She raised her delicate and embarrassed face. " alright, i'll wait for you. come and take revenge for that idiot, ye ling! "

Su Cheng's eyes were filled with madness and desperation.

ye liangqiu narrowed her eyes and grabbed her by the neck. " you think i don't dare? "

"of course, sister cool autumn would dare!" A smile appeared on su Cheng's face. I believe that sister cold autumn will not let me down.

ye liangqiu suddenly let go of her, turned around, and started the car.

su Cheng was still able to get up and sit beside her. " sister cold autumn, you have to take me back. ' ye liangqiu's voice was filled with forbearance. " su Cheng, you peed your pants.

don't think i don't know. '

su cheng's expression froze. she glared at ye liangqiu with a dazed expression. "Sister Liangqiu, you know?"

ye liangqiu closed her eyes and looked at su Cheng for a while. she asked seriously, " su Cheng, do you want to go to the mental hospital for a check-up?

I wanted to kill you just now, and you're still calling me Sister Cool autumn.

"I don't have split personality." Su Cheng's voice was extremely soft and her face was innocent. Coupled with her disheveled appearance, she looked particularly pitiful. I know sister Liangqiu wouldn't hit me. You're just scaring me, right? ' ye liangqiu looked at su Cheng and couldn't bring herself to be angry. "Go to the sea and wash yourself before coming up." Her voice was still cold.

su Cheng was especially obedient to her..

Sorry for the inconvenience. Thank you very much!

Chapter 1283: A vague memory (1)

surprisingly, su Cheng listened to her. she opened the door and got out of the car. when they went deeper into the sea, she took off her underwear and threw it away. then, she washed her face and got ready to get into the car.

However, Yingying was dumbfounded when she looked up.

where was the car?

where's the car?

The White Bentley was already a few hundred meters away, and she couldn't catch up with it even if she flew.

Su Cheng followed behind her and ran with all her might. sister cold autumn, wait for me.

however, as the car drove further and further away, only a small white dot was left in the distance.

What the hell!

Su Cheng frowned and kicked the water. She sat down angrily and forgot that she didn't have a pair of underwear. It was hard to explain what she was doing. The bullet jumped up. there was a seafood pixiu on her thigh.

then, su Cheng burst into tears. her eyes were filled with tears and she was wailing in pain.

just like that, the little princess was thrown into the sea. she tugged twice, but the seafood refused to let go, and so the little princess was just like that. He walked toward the shore with the seafood in his mouth.

as she walked, she cried.

After walking for two hours, the sky was almost dark, and they had only walked about two thousand meters.

a white bentley stopped by the side of the road. at that moment, su Cheng felt like she had seen a family member.

With tears in her eyes, she opened the door and got in the car, sticking out her butt. “Sister Liangqiu, the fare.”

ye liangqiu looked at the little crab. the little guy was still holding onto the tender meat tightly.

She took the small crab down expressionlessly and carefully put it into the storage box. Mu Yun would probably like this.

su Cheng kept screaming in pain. “sister bingqiu, be gentler. it hurts. ‘

“stop the bleeding,” ye liangqiu said, handing her a tissue.

she furrowed her brows again. “it’s the same. su Cheng, you’d better go for a checkup. it’s not good to have split personalities. ”

su Cheng sat down and felt her whole body burning. It was spicy. she forced a sweet smile and said, “sister liangqiu, i’m not a slut. i think i’m just right. i’m quite cute. ”

Ye Liangqiu was disgusted. Su Cheng was only a year younger than her, but she was still a giant baby.

she didn’t say anything else and drove su Cheng back.

When they arrived at the SU residence, su Cheng did not get out of the car immediately. Instead, she pointed at the house and said sweetly, “Sister Liangqiu, I live here. Do you want to come in and sit?” her face was innocent and pure, but ye liangqiu couldn’t stand it. she coldly said, “no need.”

At this time, night had fallen. The SU residence was illuminated by lights and looked magnificent. Just by looking at it from the outside, one could imagine the prosperity inside.

su Cheng seemed a little disappointed at her rejection. after a while, she said softly, “then i’ll go back first. goodbye, sister cold autumn.”

Su Cheng’s fart hurt her thigh by the little seafood, and her walking posture was a little strange, but there was also an inexplicable sense of joy. She had been acting cute in front of him. How could ye Liangqiu not know?

She had actually planned to take revenge on su Cheng for ye Zhi.

However, as time passed, the hatred was not as strong.

su Cheng would often appear in front of her, acting innocent and not showing any malice.

Even when she hit her or scolded her, she didn’t fight back. She was like a little wife.

ye liangqiu didn’t know what to do with her. perhaps this was su cheng’s best point.

Ye Liangqiu sat in the car, looking at the black carved gate of the SU residence.

Suddenly, she felt a sense of familiarity. “Qianqian’s mother is here,”

“cheng cheng, why do you like Cheng so much?”

Chapter 1284: a vague memory (2)

A loving voice rang in her ears, but there was no one around.

ye liangqiu covered her ears to block out the sound from an unknown place.

she didn't know what was wrong with her. she only knew that she was afraid of this sound.

when she looked up again, she saw the mansion in the twilight. she was stunned like a monster. A voice resounded in her heart.

was this yueyue's home?

ye liangqiu was stunned. she got out of the car and ran to the cherry tree in front of the gate.

She instinctively knew that there was a box buried there.

She took some tools from the car and started to dig hard and persistently.

He dug out an iron box.

she brushed away the wet soil on it and opened it gently while sitting down.

there were two pieces of paper inside.

su Cheng was written on one, and qin anlan was written on the other.

Her hands started to tremble.

qin anlan had grown up with su Cheng.

Cheng Cheng, Cheng Cheng, someone was calling her name again.

sne pantea neav11Y, ana ner eyes were wmce. sne coman?c see anytmng clearly.

A gentle voice rang out. miss, what's wrong? ”

It pulled her back to reality.

Ye Liangqiu returned to her senses and looked at the woman in front of her who looked like a rich lady.

She recognized Mrs. Su.

Mrs. Su was a loving woman. She recognized ye Liangqiu immediately.

His expression turned calm. Oh, it's miss ye.

it was no wonder that she did not like ye liangqiu. she was happy to see su Cheng and qin anlan's marriage happen. moreover, the newspapers were always talking about qin anlan and ye liangqiu's relationship. of course, she would not like it.

Ye Liangqiu's eyes were locked on Mrs. SUS face. She was stunned for a while before she replied softly, ” yes.

she picked up the box and walked toward her car.

only then did mrs. su realize that there was a hole dug under the tree in front of her door. ye liangqiu's car looked familiar to her, and she later remembered that an Ian seemed to have driven it before.

It seemed that there was indeed something between them.

mrs. su didn't like it instinctively. this was for her daughter's sake.

Cheng Cheng liked an LAN and kept calling Yingluo 'big brother an LAN'. Now that the woman in front of her was Cheng Cheng's love rival, she would naturally not be polite.

Mrs. Su called out to ye Liangqiu, her tone polite but sharp. miss ye.

Ye Liangqiu turned around and looked at Mrs. Su.

in front of her, there was a white mist again, and she couldn't see anything clearly.

mrs. su continued. "chengcheng and an Ian's relationship is very good. miss ye is also a famous person. i don't think she would do anything that would damage her reputation, right? "

Ye Liangqiu finally got a good look at Mrs. Su. She felt like a stranger.

she smiled faintly and said, "president qin seems to be single." And these words shouldn't be said to me by Mrs. Su."

After that, she turned around and got into the car. She didn't have the courage to look at Mrs. Su again.

in his heart, he was sad.

she didn't want to think about what was going on behind the scenes. she instinctively wanted to escape.

When Mrs. Su saw her leave, she thought that ye Liangqiu was guilty.

She elegantly returned to her car and said in a soft voice, " drive in.

The chauffeur drove the car into the SU residence.

As soon as Mrs. Su got out of the car, su Cheng, who had already changed her clothes, rushed over and said in a soft voice, " "mom, you're back from playing mahjong?"

Mrs. Su looked down at her younger daughter and said, " where's your father? "

daddy is back. He's playing chess with brother an LAN in the study. Su Cheng stuck out her tongue.

Usually, Mrs. Su would be pleased, but now she didn't look so good..

Chapter 1285: A vague memory (3)

Usually, Mrs. Su would be pleased, but now she didn't look so good.

Chengcheng, " he pulled su Cheng to the side and reprimanded her, " how was your relationship with an LAN in the end? "

Su Cheng's eyes froze, then she looked at Mrs. Su carefully. mom, why do you ask? "

"talk nicely to mom," mrs. su said, sounding a little displeased.

su Cheng looked shy and replied, 'it's pretty good! Isn't brother an LAN at our house?"

"He came to our house," Mrs. Su said with a straight face, "I thought he was dating your father." When he came to our house, did he say a few words to you?

at most, he touched your head. Cheng Cheng, have you eaten?"

After a pause, Mrs. Su continued, "He hasn't entered your room yet, has he?" su Cheng lowered her head. "mommy, mommy. ' mrs. su looked at her and said with a look of disappointment, I saw ye Liangqiu outside just now. She chased us all the way here. Chengcheng, if you don't act now, your brother an LAN will become someone else's.

Su Cheng looked at Mrs. Su and slowly asked, " "mom, you saw her?"

"mm! It's even better than on the movie screen, but he seems to be a little listless." mrs. su thought for a moment and pinched su Cheng again. " "Put in more effort, or else your boyfriend will be snatched away." su Cheng fell into deep thought.

mrs. su looked upstairs and mysteriously took out a bottle of red wine from the wine cabinet. she placed it in su cheng's hand. " this wine is very strong and has a strong aftereffect. Pour a cup for an LAN later.

there was a strong hint in her words, and su Cheng understood.

She looked at her mother hesitantly.

just then, su shixian and qin anlan happened to come downstairs. mr. su smiled. " what are you and your daughter talking about? "

"Chengcheng just came back, I was just asking her," Mrs. Su replied with a smile.

he then gestured for su Cheng to bring the wine over and poured a glass for qin anlan and mr. su.

"cheng cheng, why aren't you drinking?" Mrs. Su asked with a smile. Su Cheng stuck out her tongue. it's not convenient for me.

the child urged mrs. su to ignore her and continued to talk to qin anlan.

After the meal, Qin Anlan drank some wine. Naturally, his blood was boiling.

after helping her into su cheng's room, mrs. su gave her a look.

Su Cheng took it, closed the door, and helped him to the bed.

Qin Anlan fell heavily to the ground. Then, his fingers began to pull at his collar. Inexplicably, he felt very hot.

He was also a person who had walked through a myriad of flowers, so how could he not know his current situation?

she tilted her head and looked at su cheng's bright little face.

it turned into the face he was familiar with.

Ye Liangqiu.

"You're back?" He pursed his lips and smiled, then lay flat again. come here, let me hug you. he seemed to want to sleep when he was drunk. he would sleep better if he could hug her.

Su Cheng adjusted her phone and pulled down her skirt, revealing her fair shoulders. Her small body leaned into Qin Anlan's arms and adjusted the angle of the kiss to take a walk.

Her expression was one of disgust, but she tried her best to look happy.

She took a few exciting photos and sent them to ye Liangqiu. Then, she stuffed a pillow into Qin Anlan's hands and slept on the sofa.

she had no interest in qin anlan at all.

however, she was looking forward to seeing ye liangqiu's reaction when she saw those photos. would wanwan be angry?

would he take her to the beach and play the game of death again?

it was really exciting and fun!

sister liangqiu had taken the little seafood from her back..

Chapter 1286: come on, let's hurt each other!(l)

When Qin Anlan woke up, he saw su Cheng's magnified face.

He groaned and lay down, then carefully felt his body.

He was an experienced man, so he could naturally tell if they had slept together.

Su Cheng was sprawled at the side, her expression happy. brother an LAN, we've done it.

qin anlan glared at her for a long time, then rubbed his eyebrows. " "Cheng Cheng, stop messing around." thinking about it, the wine he drank last night was probably a little stronger, but it wasn't a village medicine.

how could he not know whether he did it or not?

Mrs. Su and Mr. Su were probably getting impatient!

qin anlan could not understand why mr. and mrs. su would want su Cheng to marry him when he had a bad reputation.

He would never be a good husband. They knew that.

Then the only possibility left was a relationship of interests.

in comparison, qin anlan felt that su Cheng was more honest and cute. at least she had never plotted against him after spending so much time with him. even if they were to sleep in the same bed, he would not have to worry about having another child.

This was one of the reasons why he had been able to be in a scandal with su

Cheng in the past few years.

su Cheng chuckled and said, " " brother an Ian, i've sent the photo to sister liangqiu. ' qin anlan stood up and asked casually, " "What picture?"

"our bed photos," su Cheng said matter-of-factly, " i'm so happy! i've killed another rival in love." qin anlan's movements slowed down. he finally buttoned his shirt and frowned. "Cheng Cheng, why are you doing this?"

su Cheng raised her head and sat up with the blanket. "because i like brother an Ian."

qin anlan's gaze was unfathomable. su Cheng looked at him, a little afraid, and shrank back.

qin anlan narrowed his eyes. "really? if you really like me, i'm also lacking a wife!" as he spoke, he began to unbutton his shirt. "then let's do it first."

su cneng ? not move at nrst. sne just IOOKeC1 at Qin Anlan, proDaDIY not believing that he was serious.

It was only when she was pressed under him that she believed what he said.

brother an Ian, i was just joking. "we're fine like this," su Cheng stammered.

&Nbsp;

Qin Anlan's gaze was locked on her as he chuckled. "oh, really? however, i will misunderstand if you spend so much effort to get rid of your love rival."

His eyes were so sharp that su Cheng thought he had seen through her.

after a while, she pushed him away, and he did not stop her.

i just saw that you like pei qiqi. i felt that ye liangqiu had bad intentions towards brother an Ian. i just wanted her to give up. "Brother an LAN, I'm helping you," su Cheng pouted.

qin anlan's gaze was fixed. "then can you help me get tang yu's wife?" brother an LAN, "su Cheng glared at him. I really like you.

"you're lying to a ghost!" Qin Anlan said coldly. He had already gotten off the bed and walked over to wash himself.

He left before the two elders of the SU family got up. Otherwise, no one would look good.

su Cheng followed behind him. "are you angry?"

qin anlan glanced at her. "what do you think?"

With that, he went downstairs.

Su Cheng stood at the top of the stairs and shouted at him, "She doesn't belong to you." qin anlan stopped in his tracks and looked up at su cheng.. he asked her seriously, "Who is this" she ?

Chapter 1287: Come on, let's hurt each other!(2)

su Cheng couldn't say it. she just looked at qin anlan.

Qin Anlan smiled at her. don't do this again in the future. There's nothing going on between ye Liangqiu and me. Su Cheng's breathing stopped.

Nothing?

Ye Liangqiu gave birth to a child for you, and you, you casually said that there was no such thing as a Kasaya.

su Cheng pursed her lips, her heart aching.

and this kind of pain was unknown, the most hidden pain in her heart.

brother an Ian, ” she called out softly.

Qin Anlan looked at her, and she finally said, ” “brother an Ian, it’s nothing.” nothing, it’s just that you deserve to die!

Qin Anlan walked out, got into his car, and immediately started the car.

he didn’t slow down until the car left the su residence. he smoked a cigarette and held it between his lips.

There was an indescribable annoyance in his heart, and he couldn’t tell what it was either.

Finally, he drove the car to the front of King Entertainment’s building. It was only eight o ‘clock, an hour before work. Besides, ye Liangqiu might not even come.

He sat in the car, smoking. After a while, he picked up his phone and called

Kime. tell sister Ying to ask ye Liangqiu to come to my office at nine O ‘clock. perhaps miss ye has an appointment? ”

Qin Anlan’s eyes were a little red. then get her to reject all of them and get her ass over here immediately.

kie had never seen boss qin so angry before. he agreed in a low voice and hung up the phone.

On the other side, Qin Anlan pinched the cigarette and smoked it fiercely.

He went to the office and waited for two hours before ye Liangqiu arrived. It was 10:30.

Very good, she had never listened to him.

when the door was pushed open, qin anlan looked at ye liangqiu. his eyes were still slightly red.

Ye Liangqiu closed the door and leaned against it. He looked at him indifferently.”President Qin, if it’s a private matter, I don’t think there’s a need to talk.”

“it’s business,” qin anlan interrupted her.

Ye Liangqiu was startled, but he still walked over.

She sat opposite Qin Anlan and looked at him.

he was unusually frustrated, and there were already more than ten cigarette butts in the ashtray in front of him.

Qin Anlan raised his eyes and looked into her eyes. After a long time, he said in a hoarse voice, ” “the company has decided to send you to the united states to study. in the future, the focus of your work will be hollywood. the resources won’t be bad.”

Ye Liangqiu wasn’t surprised. Sister Ying had told her about it before, but she said that President Qin hadn’t made a decision yet because her position in the country was stable, so he was hesitant.

at that moment, he suddenly decided that she had a vague feeling that it had something to do with the photo su Cheng had sent last night.

“because of su cheng?” Ye Liangqiu lowered her eyes. Qin Anlan, Are you sure? ”

“this is the company’s decision,” he looked at her.

“isn’t it your own decision?” Her attitude was also strong.

Qin Anlan pursed his lips and said unhappily, ” “ye liangqiu, mind your attitude.”

“President Qin, do you think I should care about fame and status?” ye Liangqiu smiled.

his heart slowly sank.

Ye Liangqiu had never been an obedient master.

I went back to the entertainment industry, I went back to King Entertainment, all for money. “not for you, president qin!” she said rudely.

she had probably suppressed it for a long time, and now she had to spit it out.

they were like two injured wild beasts, madly hurting each other..

Chapter 1288: come on, let’s hurt each other!

“President Qin! Whatever you do with any woman has nothing to do with me, including who you sleep with.” ye liangqiu smiled and sent the photos to him. ‘ you probably haven’t appreciated su cheng’s photography skills, have you? ” it’s a great shot.”

qin anlan’s phone on the table rang a few times. he picked it up and opened it, seeing the picture she had sent.

Those who weren’t present wouldn’t doubt that they had sex. They would definitely think that they did.

he looked at it for a while and deleted the photos.

“President Qin, I’m sorry, but I sold your fiancée’s photo to the media. It’s not expensive, five thousand Yuan each.” Her smile was charming, but there was no smile in her eyes.

only she knew how sad she was.

He did not know that she had not slept the entire night while looking at these photos.

after looking at these photos, she finally understood what it meant to give up.

she knew that her previous thoughts were a mistake and a joke.

it was true. all these years, she had been with so many women, but she had never encountered such an embarrassing scene. in the end, it was su Cheng who had ruthlessly beaten her to her senses.

some people were not worthy of love.

Because you don’t even exist in his heart.

Qin Anlan’s eyes narrowed as he stared at her in disbelief.

“ye liangqiu, how dare you!” he gritted his teeth.

“There’s nothing I don’t dare to do!” She slowly got up and placed her hands on both sides of the table.

at this moment, her entire person was filled with an imposing aura, and all of her aura was cultivated by him.

All the fame and status she had were also given by him.

now, she was using it against him. it was really ironic.

Qin Anlan squinted his eyes and looked at her. He smiled gently.”very good! ” Ye Liangqiu’s body leaned forward, and his face was very, very close to his.

it was a little ambiguous, but only they themselves knew that both sides were filled with killing intent.

at that moment, kie came in and saw them like that. he thought they were kissing and quickly closed the door.

even so, qin anlan still roared, ” get lost! ”

Ye Liangqiu appeared much calmer. She leaned even closer, so close that he could smell the cold fragrance on her.

“president qin, i’ll be waiting for you to be frozen!” she said. by the way, i’ll be going back in a while. the people in the frozen storage don’t have any work, right?”

There was a hint of mockery in her tone.

‘Damn it!’ ‘damn it!’

Ever since Qin Anlan took over King Entertainment, ye Liangqiu was the person he supported the most. She was also the person he had the most interest in Wanwan.

She was not afraid of him at all. Every word she said was sarcastic.

she disdained him from the bottom of her heart.

Qin Anlan’s pupils contracted as he stared at her. He then said slowly, ” “You really don’t care?”

No one would be willing to give up after reaching the top. Ye Liangqiu was an A-list female star, a Heavenly Queen. How could she give up so easily?

“It doesn’t matter!” “President Qin, it doesn’t matter if you keep me frozen for one year or ten years,” she said calmly.

She got closer to him and spat out, “I, one leaf, one cool, one autumn, no one, want to do one by one.”

This was the first time someone dared to challenge him like this!

&Nbsp; Qin Anlan closed his eyes. it’s good that you don’t regret it.

He sat up straight and pressed the internal line..”please stop ye liangqiu’s work!”

Chapter 1289: come on, let's hurt each other!

Kim was shaking on the other end of the phone.

It was a small matter for Miss Ye's work to be scheduled for a year later. The penalty for breach of contract was sky-high and could not be covered by a billion yuan. KING Entertainment had to pay for all of this.

To put it more clearly, it was Boss Qin who was paying for the meal.

Both Kie's heart and soul were trembling. Ye Liangqiu was an A-list celebrity in the entertainment industry and had 78 million fans in Weibo. Why did Boss Qin have to do this?

Why would he be angry with a little girl and money?

Qin Anlan hung up the phone forcefully. At the same time, King Entertainment's building shook three times.

Ye Liangqiu smiled and lowered her eyes, President Qin, it's going to be a long time.

She left just like that.

She opened the door and left without looking back. There was no trace of nostalgia, nor did she plead with him.

Qin Anlan looked at the closed door and felt as if he had returned to that night a few years ago. When she came back to the apartment to find him and met him and Shen Lian, she was the same. She dared not say anything and left immediately.

Now, she was in a daze.

He did not want to think about it.

From the beginning to the end, he had refused to have any feelings for her.

She was the only person he could hug to sleep soundly, so he didn't want to fall in love with her.

Falling in love with her was the same as giving himself up completely. Qin Anlan was unwilling.

However, when she left, he could feel Ye Liangqiu's despair.

She had really given up on him.

Thinking about it, how could he not give up after seeing a photo of him and Su Cheng in bed?

It was a good thing!

Qin Anlan smoked his cigarette. He felt that the smoke today was especially bitter.

He couldn't help but curse. Then, he smashed everything on the table and in the cabinet.

The office was in a mess. There were broken pieces everywhere, and there was not even a corner.

When KIME came over, he looked at the passing typhoon and said carefully, "Miss Ye has already left the company. Do you want sister Ying to talk to her?"

Maybe she'll change her mind?"

"There's no need." Qin Anlan's gaze was cold.

if she wanted to leave, then she'd better go far away. it'd be best if she could come back in a few years.

however, this time, she did not ask for it back.

There were some things that even Qin Anlan himself could not control ran ran.

[ cute separation talismans ] the second month after ye liangqiu left, he had a hangover and found himself lying on a speedboat.

He remembered that he was with su Cheng and they had a drink. After that, Shen Lian came to find him.

After that, he could not remember.

when she woke up, she saw pei qiqi in front of her.

PEI Qiqi in her wedding dress.

wasn't she the one getting married? Why was she with him?

why did she ask if she was awake?

her body was very hot, and she instinctively knew what medicine she had taken.

he had thought that su Cheng was just messing around and would not dare to do anything. but when he woke up, he had a vague feeling that all of this had something to do with su cheng.

he and pei qiqi fell into the sea together.

PEI Qiqi lost her memory and he became her husband. husband in name.

She did not love him, even after she lost her memory.

After working hard for a month, she still couldn't accept him, so they slept in separate rooms, Hanhan.

the next time qin anlan saw ye liangqiu was a year later.

he was going back to city B. he didn't want tang yu to know about his two-day schedule.

when he left, he saw ye liangqiu with a man at the airport, and a little boy of five or six years old!

Chapter 1290: Who is he in love with?(1)

qin anlan just looked on, his gaze falling on her.

the young man put his hand on her shoulder and then held the child in one hand and her in the other.

The family of three looked happy and harmonious.

it's true, very good.

qin anlan laughed softly. she was really doing well. she was living very well.

It turned out that she was willing to retire from the industry and not be put in the cold because she wanted to live such a peaceful life.

It was pretty good.

Qin Anlan lowered his gaze. After a while, when he opened his eyes again, his eyes met hers.  
she was on the other side of the ladder, and he was on this side.

Their bodies missed each other, and then they gradually drifted away.

Qin Anlan did not greet her and only looked at her coldly.

Ye Liangqiu was the same.

from the day they were cut off, there was no need to be polite to each other.

however, at this moment, he felt a sense of anger from being deceived.

She already had someone else, so why did she still pretend to be sad and angry about su Cheng?

As their eyes met, there were so many things in his eyes that she could not understand. Even he himself could not understand the pain ...

It was deeply engraved in his heart.

doctor lin also saw him and asked ye liangqiu in a low voice, ” “do you need to say hello?”

initially, she was not feeling well and she did not reject him when he hugged her.

however, in the man’s eyes, it was a little ambiguous.

Doctor Lin recognized the man. He was Qin Anlan, the president of King  
Entertainment.

Mu Yun was his son.

Doctor Lin carefully pressed mu Yun’s face against the side of her neck so that Qin Anlan would not be able to see Hanhan.

It was ye Liangqiu’s decision to speak or not to speak.

ye liangqiu pursed her lips and looked up at doctor lin. after a while, she said softly, ” “let’s go!”

Hence, they walked side by side and passed by Qin Anlan.

there were some things that you would miss forever after missing them once.

she couldn’t tell if she had any expectations of him later on, but she knew that after seeing su cheng’s photos, she had decided not to look forward to it.

She couldn’t stand the fact that other women would appear by his side at any time.

The love she wanted was to be dedicated, not to share it with others.

gradually drifting away

qin anlan arrived at the underground parking lot and felt that the lights in the parking lot were particularly dim today.

It was not until he sat in the car and old Zhang talked to him that he came back to his senses.

Xiao Xiao said, "I just bumped into an acquaintance."

Although it was in the middle of the night, Old Zhang was still full of energy. Young Master, I saw Miss Ye just now. She even brought a child with her.

Looking at this child, I'm afraid Miss Ye has been married in secret for a long time. "

Qin Anlan pursed his thin lips and rebuked, "You're too talkative," Old Zhang didn't dare to continue. He shut up and drove.

However, Qin Anlan's heart felt as if a stone had been thrown into it, and he could not calm down for a long time.

There was a sweet taste in his mouth, and he swallowed it down.

Old Zhang drove the car to their destination. Qin Anlan met up with the person and came out two hours later.

It was already one o'clock at night when she came out.

His original plan was to return to New York immediately, but he changed his mind while sitting in the car. He dialed Ye Liangqiu's cell phone. "Do you have time? Shall we have a cup of coffee together?"

Ye Liangqiu was still awake. She had just settled Mu Yun down, and Doctor Lin was still there.

She looked at Doctor Lin and covered the phone. Qin Anlan.

She did not cover it tightly, but Qin Anlan could hear a man. Was it that man?

Her husband?
