### Chapter 131

#### 131 A top student (3)

his breath completely enveloped her, and so did her body. her hair rustled under his palm.

she had no way to escape, and even moving would hurt. she could only beg in a low voice, " i want to sleep. "

he had clearly turned off the lights to make pei qiqi's eyes widen. she couldn't believe that he would actually tease her.

however, she had indeed been teased. tang mo reached out and gently touched her small face, his voice a little hoarse. "You don't want to do it?"

No one wanted to do it with him!

pei qiqi didn't dare to say it out loud. she only closed her eyes slightly to show that this was what wanwan meant.

Then, she heard his chuckle and opened her eyes in surprise. Now that she had adapted to the dim light, she could actually see his expression clearly.

He was very happy?

PEI Qiqi pursed her lips. After a while, she softly called out, " "big brother."

Originally, Tang Yu was planning to let her go after she screamed.

However, he had overestimated himself!

when pei qiqi laid on top of him like a little beast and called him 'big brother' in such a soft way, he became a beast. his blood started to boil and he kissed her lips uncontrollably like a young man.

PEI Qiqi didn't know how many times she called him 'brother', but he still didn't let her off.

The entire night, Tang Yu was immersed in 'brother's' game and never got tired of it.

Before she woke up, PEI Qiqi's phone rang.

She woke up and realized she was in Tang Yu's arms. She wanted to pick up the phone but her body was trapped by him.

pei qiqi pushed him and said in a small voice, " "i need to answer the phone."

tang yu's eyes were still closed. he reached out and took her phone and put it in her hand.

pei qiqi wanted to go outside to answer the phone. she bent over and wanted to get up, but he was holding her waist. she could only lie on the bed and answer the call with her back to him.

Surprisingly, it was PEI Huan on the other end of the phone. Her voice was urgent, " PEI Qiqi, we're almost at the hospital. Dad can't take it anymore.

PEI Qiqi was stunned. PEI Huan was already crying, " hurry up and come. Yueyue's father is in the operating room.

then, she hung up the phone. pei qiqi looked at the phone in her hand mechanically and mumbled, ”  
“Daddy, Yingluo”

Tang Yu was already awake. He looked at PEI Qiqi’s dazed expression and reached out to Pat her little face. His voice was low, ” Qiqi.

pei qiqi turned her head and looked at him, ” tang yu, i want to go to the hospital. ”

He had already gotten up and walked to the changing room to get two sets of clothes. change into them.

In less than half an hour, he parked his car in the parking lot of the First People’s Hospital. PEI Qiqi didn’t say a word on the way. She pursed her lips and the color of her lips was so pale that it was almost colorless.

when he arrived at the operating room, zhou meilin, pei huan, qianqian, and lin jinrong were standing at the door.

PEI Qiqi slowly walked over and stared at Zhou Meilin, ” how did dad get sick again? ”

looking at pei qiqi’s eyes, zhou meilin shrank a little but quickly put on a false show of bravado, ” ”  
it’s not like you don’t know about your father’s health. isn’t this normal? ”

PEI Qiqi didn’t say anything more. She just stared into Zhou Meilin’s eyes for a long time.

Because Tang Yu was beside her, Zhou Meilin didn’t dare to act rashly. She endured it for a long time.

PEI Qiqi stood there and stared at the door of the operating room. She stared the entire time and didn’t even blink.

there was something empty in her eyes.

In PEI Qiqi’s twenty years of life, she only did it for PEI Ming and Wanwan.

## Chapter 132

### 132 A vicious slap (1)

She didn’t know what was left in her life after PEI Minghe fell.

she could give up anything, lin jinrong, and herself.

Time seemed to pass by very slowly. She just looked at him like this. Her eyes were very dry, but she couldn’t bear to blink. She was afraid that if she blinked, Hanhan’s father would be gone.

The doctor came out a few times with a critical condition notice for Zhou Meilin to sign.

in the beginning, zhou meilin was also a little calm, but later on, she couldn’t stay calm anymore.

her fingers were shaking as she signed the papers. she kept asking the doctor, ” is hanhan okay? ”

“it’s hard to say,” the doctor looked at zhou meilin, ” the patient recovered very well last time. she said repeatedly that she can’t be provoked. why is she like this again? ”

Zhou Meilin’s lips trembled, and so did her fingers. She retracted her hand and didn’t make a sound.

She looked up and saw PEI Qiqi's dazed eyes.

Zhou Meilin shrank back and quickly lowered her eyes.

Two days ago, Rong Lei had a huge argument with her, so she had no choice but to secretly take PEI Minghe's seal and withdraw 30 million yuan from the PEI family's account.

However, she didn't know that PEI Minghe actually found out in less than two days.

He and she had a big fight and then went to sleep. In the morning, the servants at home saw PEI Minghe lying on the bed, his mouth crooked and his eyes slanted.

PEI Qiqi must not know about this, Yueyue.

The doctor sighed and went back into the operating room.

It was already nine o'clock in the morning. The sun had already risen, but it couldn't penetrate the walls of the hospital. There were only a few lonely lights accompanying them.

Lin Jinrong stood by the window and didn't say anything when he saw Tang Yu.

PEI Huan was crying on the side. Although she always felt that PEI Minghe was biased towards PEI Qiqi, she couldn't let anything happen to him.

She was going to marry Jinrong soon. It wouldn't be good if something like this happened to her family.

But what Zhou Meilin was thinking was, if PEI Minghe went, what should she do, Yingluo?

Everyone had their own plans, and PEI Minghe was lying in the operating theater, looking even more miserable.

Tang Yu's phone rang. He walked to the window and said in a hoarse voice, "What's the matter?"

On the other side of the phone, Xiao Ran was a little surprised. President, I have a meeting this morning.

She hesitated for a moment. It starts at nine.

Tang Yu said without thinking, "Cancel it. Cancel everything for this morning."

Xiao Ran was surprised, but he did not say anything.

Tang Yan made a phone call to the director of the First People's Hospital and gave him a few instructions.

He hung up the phone and walked back to PEI Qiqi. He sighed and brought her to the window. He put his arm around her shoulders and let her lean against him. Her body was so stiff that it was unbelievable. She just leaned against him but her eyes were still staring at the door of the operating room in a daze.

About 10 minutes later, another two or three doctors entered the OR. They looked at Tang Yu at the door.

Tang Yu didn't say anything. He just nodded.

the person in his arms moved slightly. he patted her and said in a hoarse voice, " "it'll be fine," her body was still frozen. she closed her eyes, " tang yu, i can't lose him. "

How could he not know? PEI Minghe's gift from ten years ago, she had hugged it to sleep. When she was sick, she would call her father to take a nap.

lin jinrong looked over silently for a long time. then, he took out a crumpled cigarette from his pocket and lit it. as he lit the cigarette, he looked over at pei qiqi and tang yu.

PEI Huan looked at him. Even now, jinrong's heart only had PEI Qiqi!

Why, why?

She's already pregnant with Lin jinrong's child, ran ran.

she stopped crying and looked at him in a daze.

Chapter 133

133 a vicious slap (2)

Tang Yu knew PEI Qiqi couldn't eat anymore so he patted her shoulder, " I'll go get some food.

PEI Qiqi didn't respond. He paused for a moment before going out. When he came back, he brought one set of breakfast. Just one set. He didn't even have one for himself.

Zhou Meilin looked at her and gathered her courage, " PEI Huan is pregnant. Qiqi, let her have it!

Yield?

tang yu glanced at her and asked, " "the child is mine?"

zhou meilin was stunned for a moment and didn't say anything. then, she said to lin jinrong, " jinrong, pei huan can't be hungry. go and buy her breakfast. "

She was still lacking in confidence. Lin jinrong had already given her enough face by coming.

Now, Zhou Meilin could tell that Lin jinrong was here because of PEI Qiqi.

lin jinrong put out his cigarette and walked towards the elevator.

PEI Qiqi didn't eat. She shook her head, " I can't eat.

Tang Yu didn't force her. He placed it on a chair and waited with her.

PEI Huan probably ate a lot of Kasaya to take care of the Dragon fetus in her stomach.

after waiting for a long time, as long as a century, the doctor finally came out. he looked tired."Mr. Tang, the patient was sent here too late. Although Zhenzhen's life was saved, she may have difficulty moving in the future."

in other words, he was paralyzed.

Tang Yan frowned and turned to look at PEI Qiqi.

there was no expression on her face. she just closed her eyes gently, and two drops of tears rolled down from the corner of her eyes.

He couldn't bear to see her like this and held her shoulder. I'll find the best doctor.

if he hadn't supported her, she would have almost collapsed.

The doctor's voice was a little soft. the incision has been properly handled and sutured. The patient will be under observation for another half an hour. If there are no problems, she will be transferred to the intensive care unit.

at this moment, zhou meilin pounced over and grabbed the doctor's front lapels. her voice was a little torn, " what did you say? how could pei minghe be paralyzed? did you guys use it? "

The doctor turned his face away helplessly. He had seen many family members like this in the hospital.

PEI Qiqi then coldly asked, " Auntie, what did you do to dad again? "

Her eyes were as sharp as a sword, making Zhou Meilin feel a little guilty, but she pretended to be calm, " what can I do? "

"You know what you're doing," pei qiqi didn't look at her and shifted her gaze away.

zhou meilin didn't really want to fight with the doctor anymore. she wanted to argue with pei qiqi but gave up.

on one hand, tang yu was here. on the other hand, what if pei qiqi knew something?

That wretched girl had always been very smart.

When PEI Minghe was pushed out, PEI Qiqi saw that his head was covered in bandages and almost cried.

however, she held herself back and wanted to go forward, but the nurse stopped her. " the patient is still unstable now. try not to disturb him. there can only be one person taking care of him in the ward. "

Zhou Meilin was a little dizzy from the smell and didn't want to go in, let alone PEI Huan. She was pregnant with the Lin family's child, Yingluo.

PEI Qiqi followed her in. The nurse put the drip on and left after giving some instructions.

pei qiqi sat at the side and looked at pei minghe's withered and yellow face in a daze.

every time she closed her eyes, she would think of the time when she was young, when her father lifted her up high.

but now, he was lying here in silence, in a daze.

pei qiqi's long eyelashes trembled slightly. her throat seemed to be blocked and she couldn't say a word.

She was extremely guilty.

Chapter 134

134 a vicious slap (3)

If she had cared more about him, this would not have happened!

PEI Qiqi's fingers gently reached out and touched PEI Minghe's face.

dad, Huahua. her voice trembled. She was afraid, afraid that she would never be able to call him again.

She didn't dare to close her eyes and just stared at his light breathing.

for the entire day and night, pei qiqi didn't drink a single sip of water or eat a single grain of rice.

tang yu went to the office in the afternoon. when he came back, it was already late at night.

The long corridor in the hospital was quiet and deserted.

his steps shattered the silence. far away, tang yu saw lin jinrong leaning against the wall.

He looked into the ward through the glass.

Tang Yu's steps stopped but he still walked over.

lin jinrong's gaze slowly shifted to him. the expression on his face was a little subtle. they had not spoken a word since early morning.

however, as men, even if they were a few years apart, there were some things that didn't need to be said. they all understood in their hearts.

Tang Yu was holding a midnight snack in his hand. He slowly walked over and said in a calm tone, " jinrong, let's go back first.

lin jinrong stared at him for a few seconds, smiled, and walked towards the exit with his coat.

tang yu didn't go into the room immediately. instead, he stood there for a while before pushing the door open.

from morning till night, other than giving pei minghe the necessary treatment, pei qiqi didn't move at all. she just stared at his face.

"qi qi!" tang yu placed the supper on the small table and said in a hoarse voice, " eat something! "

she didn't eat in the morning, so it was obvious that she wouldn't eat in the afternoon either. ran ran's heart ached.

This kind of pain was not only because of his heartache for her, but also an inexplicable emotion.

it was a kind of jealousy towards pei minghe.

right now, she was like this for pei minghe. if it was him, would she be sad?

pei qiqi still didn't move. a wave of anger rose in his heart. his big hand grabbed her slender arm and pulled her over. pei qiqi fell on the single seat sofa. she looked up and her eyes were a little dazed.

" pei qiqi, look at yourself. the sky hasn't collapsed yet. even if it does, you still have me! " he held her down, his expression stern and his voice low.

the words “you still have me” made her ears buzz.

Would she be able to have Tang Yu?

she was the child of pei minghe and zhao ke. if tang yu knew about her identity, would he still say the same thing?

pei qiqi felt that she was despicable and shameless, like a liar.

“Let’s eat!” tang yu’s voice was suppressed.

pei qiqi didn’t reject him anymore. she ate it in small bites. although she couldn’t swallow it down, she still ate half of it.

Tang Zheng heaved a sigh of relief and his tone eased. go to the inner room to sleep. I’ll help you look after it.

Of course, he could hire a dozen caretakers to do this kind of thing. However, the one lying here was PEI Minghe. PEI Qiqi would rather sacrifice herself to protect PEI Minghe. He didn’t have any intentions of toying with her, so it was more appropriate for him to take care of her personally.

PEI Qiqi raised her eyes. She didn’t expect Tang Yan to say that.

“what’s wrong?” under the light, his handsome face was mesmerizing. he raised his hand and touched her pale little face.

PEI Qiqi looked at him and said softly, ” Tang Yu, you don’t have to be so nice to me.

She would feel guilty if she did that.

tang yu didn’t say anything. he just reached out and patted her head, ” little girl, sleep early. ”

Chapter 135

135 a vicious slap (4)

pei qiqi laid down in a small room inside but she couldn’t fall asleep.

tang yu sat in the ward and opened his notebook while looking at pei minghe.

pei minghe was still on the drip. occasionally, tang yu would look up.

the more he looked at her, the more he felt that pei qiqi didn’t look like pei minghe’s yueyue at all. he also didn’t know what her mother looked like, which was why she gave birth to such an awkward little thing.

late at night, tang yu was still sitting calmly in his kasaya.

pei qiqi couldn’t fall asleep. she walked to the door and stared at him blankly.

tang yu looked up, ” why aren’t you sleeping? ”

“i can’t sleep.” PEI Qiqi walked over and sat beside him. Her gaze fell on PEI Minghe’s face.

tang yu closed his laptop and accompanied her, letting her lean on him.

just like that, he didn't do anything. he even helped her look after the most important person in her life.

His heart was actually filled with shock.

The next morning, Zhou Meilin came over with the company's finance department. However, she didn't expect Tang Yu to be in the bathroom.

zhou meilin pursed her lips and looked at pei qiqi. her face was full of harshness, "pei qiqi, if you don't believe me, manager li is here. your father is sick because of the company's financial problems."

manager li repeatedly said yes.

pei qiqi sat in the ward and tilted her head to look at zhou meilin. after a while, she said, "auntie, daddy is still lying here. what do you want to do?"

Zhou Meilin sneered, "what do you want?" Qiqi, you can't call being filial just because you're sitting here and serving. Your father is fine, but he still has to come in after he's discharged and his company has fallen!"

Just as she finished speaking, PEI Qiqi slowly stood up and walked in front of Zhou Meilin.

Her hand slapped down hard. Zhou Meilin was stunned and didn't come back to her senses. A five-fingered mark appeared on her face.

"little b \* tch, you dare to hit me!" zhou meilin's eyes were red. this wretched girl, she raised her for so long, and now she dared to hit her.

manager li sighed and pulled her back. he said in a low voice, "i still have to get to the main point."

Zhou Meilin covered her face and glared at PEI Qiqi, "let me tell you, if the company doesn't pay the 20 million right now, the company will close down and your father will go to jail.

pei qiqi wasn't a fool. from the moment she saw zhou meilin fooling around with that pretty boy, she knew that it was all zhou meilin's doing.

But the saddest thing was that she couldn't do anything to Zhou Meilin, because she was PEI Minghe's wife.

That was a relationship that PEI Qiqi couldn't touch.

Just like now, Zhou Meilin had broken the law and used the company's money to stick to the pretty boy, but the one paying was PEI Minghe.

pei qiqi didn't say anything. zhou meilin could tell that pei minghe was pei qiqi's weakness.

no matter how fierce this girl was, she couldn't escape from her.

Initially, she had wanted to return the slap, but she held it in. One day, she would definitely return the favor.

It's good to keep this girl to trick Tang Yu.

“get out!” PEI Qiqi’s entire body was shaking. She pointed at the door and growled at Zhou Meilin.

she felt that it was not worth it for her father. the woman whom he felt guilty about had betrayed him a long time ago.

before zhou meilin left, she looked at pei qiqi and left a meaningful sentence, ” PEI Qiqi, do you know that everything that happened today was because of you? your dad shouldn’t have to go through all this. If you didn’t appear, I wouldn’t have ended up like this with him.

Chapter 136

136 Taking back everything I

“get lost!” PEI Qiqi repeated the word. Her eyes were like daggers.

Zhou Meilin still left with manager li. At the door, manager li wiped his sweat, ” this Hanhan isn’t good!

zhou meilin laughed coldly, ” i gave you a million yuan in commission. don’t think you can stay out of this. let me tell you. if pei qiqi leaks this out, none of us will be able to live. ”

manager li was sweating more and more as he wiped.

in the ward, tang yu walked out from the inner room. pei qiqi looked up at him and then lowered her head again.

he was in a sorry state.

“Do you need my help?” his voice was hoarse.

PEI Qiqi shook her head. She didn’t dare to and didn’t have the confidence to make him spend money again.

from the day zhao ke appeared, she didn’t dare to do so anymore.

tang mo looked at her quietly before suddenly reaching out and touching her small head.

she didn’t move at all and was extremely stiff.

“but there’s a little kid who’s crying so sadly!” tang yu’s fingers slowly came down. his warm fingertips wiped the tears from her eyes.

pei qiqi just stood there and looked at him.

she forgot to struggle, forgot everything, and her heart was beating strangely.

His expression was as warm as the temperature of his fingertips.

“rest well!” he had to go to the office, but he was worried about her. ” i’ll get auntie li to come over and accompany you! ”

as a man, tang yu also felt a little sympathy for pei minghe. he was so sick and only pei qiqi was by his side.

PEI Qiqi didn't reject him. She really did need help. PEI Minghe needed to eat something after he woke up. She couldn't leave. Zhou Meilin's mind was filled with money. How could she care about her father?

tang yu touched her little ear and smiled, " don't worry. everything will be resolved. "

she stood there and watched him leave.

At that moment, PEI Qiqi understood. She vaguely knew that Tang Yu ...

he would not let her go.

it was also at that moment that pei qiqi decided to leave him.

tang yu walked out. when he reached the elevator, he took out his phone and called meng qingcheng, " qingcheng, help me check the pei family's funds for the past few days. especially a sum of 20 million. "

with that, he hung up the phone.

the elevator had already reached the first floor. he walked to the parking lot and opened the car door. meng qingcheng's call came.

there was indeed a sum of 20 million transferred to a small trading company. Meng Qingcheng told them his name and account number.

tang yu thought for a moment, " contact the pei family's lawyer and ask him to send a lawyer's letter to sue that company for fraud. "

originally, he would not have bothered to deal with such a small matter, but he did it.

this was better than giving 20 million to pei qiqi. it would also give her more respect.

That little fool thought he didn't know what she was thinking.

Meng Qingcheng coughed lightly, " Tang Yu, I was just about to tell you. That company is just a leather bag company. The person in charge is called Rong Lei. He's Just a Gigolo who walks among the rich ladies. this time, he probably made enough money. he's already gone abroad, and the funds have been withdrawn long ago. it's probably impossible to get him back."

when tang yu made this call, meng qingcheng immediately guessed that pei minghe was probably cheated on.

"forget it!" tang yu hung up the phone and placed it on the central control.

His body sank deeply into the back of the leather seat. He held his forehead with his hand and thought for a moment before he sat up again and started the car.

Chapter 137

137 taking back everything (2)

when zhou meilin realized that rong lei had run away, it was already a day later.

PEI Minghe woke up and could speak, but it was very difficult.

He looked at PEI Qiqi and only cried as he called out to her.

pei qiqi had already heard about zhou meilin and rong lei from tang yu. she couldn't bear to do it and felt guilty.

she had thought that forbearance was to fulfill her father's wish.

however, she had harmed him.

Half of PEI Minghe's body couldn't move and he couldn't speak, but he was clear in his heart.

Qiqi, she knew everything.

forgive Yingluo. PEI Minghe suddenly grabbed her hand and looked at her with longing eyes. His voice was intermittent, and he used up all his strength. forgive your aunt, Yingluo.

PEI Qiqi's body froze. The water that flowed through her body was like ice-cold water.

"Dad, is it worth it?" in her heart, she couldn't wait to cut zhou meilin into pieces.

She held PEI Minghe's hand with tears in her eyes.

this pair of hands could no longer hold her up easily like before, and could no longer lift her up above her head.

the pair of hands hung limply by his side.

pei qiqi couldn't control herself but she didn't dare to cry in front of him.

She wiped her tears away and they flowed down again.

PEI Minghe looked at her, and his old eyes seemed to be wet.

Qiqi, don't cry. Daddy will be sad, Yingluo.

he closed his eyes, and a hot tear rolled down the corner of his eye. he said unconsciously, "Yingluo is me. I let her down first.

PEI Qiqi sat up straight. She felt like her tears had dried up. She looked at PEI Minghe's face for a long time before softly saying, "Dad, I know."

if she was pei minghe's sin, then tang yu was her sin.

She was destined to owe him, to owe him for a lifetime.

when she closed her eyes, she would remember what he had said ...

PEI Qiqi, if we have a child, let's get married.

pei qiqi, would you deliberately get pregnant just to marry me?

the truth was about to surface, and she didn't dare to think about it anymore.

Every thought she had was a sin.

pei minghe fell asleep. pei qiqi carefully cleaned his face with warm water and watched him silently for a long time.

She stood up and wanted to take a breather outside, but when she turned around, she saw Lin jinrong at the door.

He just stared at her in a daze.

In the past few days, he had appeared every day. He appeared during the day and Tang mo would come at night.

When Tang Yu came, he would leave.

they met each other every day, but pei qiqi felt like she hadn't seen him for a century, yueyue.

The school, the young and inexperienced feelings, and the ignorant feelings, in the face of these heavy reality, paled in comparison.

She slowly closed the door and stood in front of him.

Lin jinrong put one hand in his pocket and quietly leaned against the wall opposite the ward. He looked a little different from before, and his whole body was filled with gloominess.

pei qiqi raised her head slightly, "in the future, don't come."

PEI Huan and I are getting married. Shouldn't I be here to visit him?" Lin jinrong's voice was calm, but there was a hint of suppression.

PEI Qiqi didn't say anything more. Her lips moved and she just looked at him.

Lin jinrong too.

After a long time, he suddenly grabbed her arm. this is making you uncomfortable, isn't it?"

In addition to his depression, there was a hint of mockery in his tone. "you're afraid tang yu will overthink it, right?"

PEI Qiqi struggled hard but she couldn't break free. His big palm was like a pair of pliers holding her in place.

## Chapter 138

### 138 Taking back everything (3)

PEI Qiqi looked up and said in a low and hoarse voice, "Lin jinrong, you knew.

"i don't know!" he laughed coldly and let go of her, "pei qiqi, are you very happy being with him? How does it feel to be a pet?"

If it was just a light mockery earlier, it was now a complete provocation.

pei qiqi struggled like crazy but she couldn't break free. she lowered her head and bit his hand hard.

But even so, Lin jinrong did not let go. He quietly looked at the top of her head, his face filled with sorrow.

he and qiqi had ended up like this.

"But how come I've never seen you smile?" he asked quietly.

pei qiqi let go and looked at the wound on his hand. it was already bleeding.

She watched in a daze as the blood slowly dyed her eyes red.

Suddenly, she chuckled and took a step back. She looked up at him. "lin jinrong, i'm smiling. look, i'm smiling. "

"Liar!" He suddenly reached out to grab her waist and brought her in front of him.

his gaze was sharp and shouldn't have been at his age, "pei qiqi, you can make up a better lie to yourself. "

pei qiqi stared at him, " what does it have to do with you? lin jinrong, don't forget about qianqian. "

"I didn't forget!" he also stared into her eyes and said word by word, " i have never forgotten. i slept with pei huan. "

he had slept that night, and he had to bear all the consequences in his life.

PEI Qiqi's eyes widened.

Lin jinrong smiled bitterly. He suddenly took out his hand from his pocket and placed a piece of paper in her palm.

Then, she let go of him and slowly walked towards the elevator.

pei qiqi was stunned. she lowered her head and opened the paper.

It was a money order with a denomination of 20 million Yuan.

Her eyes were a little sore. She blinked and looked up in Lin jinrong's direction.

He didn't turn around and just waved his hand, " PEI Qiqi, I just don't want you to go and beg him. Don't think too much about it, PEI Huan and I are getting married, Yingluo."

he just wanted her to live with more dignity in front of tang yu.

he just hoped that one day, she would still be standing so beautifully under that tree on campus.

When she looked up, she was already a city-toppling beauty.

pei qiqi looked at lin jinrong's back and closed her eyes. she clenched the paper in her hand tightly.

she wanted to say something, but her voice was so hoarse that she couldn't say a word.

she slowly squatted down and hugged her body tightly.

tang yu stood on the other side and watched quietly.

from the beginning to the end.

he saw the sparks in her eyes when she looked at jinrong, and the surging undercurrent between them.

looking at her, facing the person she once liked and might still like.

He couldn't stand up, pull her away, and tell jinrong that she was his woman.

However, he asked himself if PEI Qiqi was really his woman.

She wasn't!

Tang Yu took out the check from his pocket. After looking at it for a while, he slowly tore it apart.

It wasn't his style to fill up the holes in the PEI family, but he still planned to do it. However, PEI Qiqi might not need Qianqian.

Tang Yu didn't go in. Instead, he walked back to the elevator.

when he turned around, his eyes met pei qiqi's.

pei qiqi was shocked. he saw it?

His eyes were filled with coldness, without a trace of warmth.

Chapter 139

139 taking back everything (4)

pei qiqi had seen this look before. he was like this when she first came to his side.

after that, there was a hint of warmth and adoration in his eyes.

Occasionally, he would even call her little friend Yingluo.

now, he was going to take back everything, right?

the elevator door slowly closed, and they could no longer see each other.

her heart felt as if it had been stabbed by a needle, and it hurt a little.

his gaze fell on the ground and saw a few pieces of paper.

PEI Qiqi slowly walked over and picked up Wanwan.

she stared at it for a long time, then searched in the trash can at the side.

He found them one by one. Yingying lay on the ground and carefully put them together.

It was a check, a check for 20 million Yuan. Below it was Tang Yu's signature

pei qiqi clutched her chest.

She closed her eyes as if she could see through his heart.

however, she did not dare to open the kasaya when she saw it.

If she chased after him now and explained Hanhan, he might be able to call her 'little friend', teach her to do her homework, and even ask her to call him 'brother' 'when he was in the mood.

but could she?

She couldn't.

after opening the door, all the ferocious beasts of jade hope were released.

Those wild beasts would devour them.

PEI Qiqi held those fragments and looked at the world. If she had to say what she owed, it was PEI Minghe in the past. Now, she had paid him back.

Right now, she only owed Tang Yu.

She owed him money, and she also owed him a love debt.

She didn't even dare to think about whether she was a little moved by him.

Isn't it, isn't it Yingluo?

tang yu arrived at the hospital's parking lot. he sat in his car and smoked for the whole night.

pei qiqi didn't call him, wanwan didn't.

He raised his head and looked up. For the first time, he felt that he had been a fool.

he was actually hoping that she would like him a little more.

her gentleness was only to serve the one hundred million he had once given her.

That was all.

He raised his hand, looked at the watch on his wrist, and laughed at himself.

So silly!

he reached out and took the watch off. then, he put the watch back on!

.....

pei minghe stayed in the hospital for about a month. no matter how good the doctor was, he couldn't stand up again.

PEI Huan and Lin jinrong's marriage had been delayed for more than a month and was scheduled for the sixth day of the eighth month of the lunar calendar.

zhou meilin had suffered a huge blow and didn't have the mood to care about this anymore. her pretty boy, rong lei, ran away with her money.

What she couldn't accept the most was that he actually had several women at the same time.

after zhou meilin lost her gigolo, she also temporarily put away her feelings for pei minghe and felt a little guilty.

however, her heart trembled when she saw pei qiqi. she felt guilty.

Half a month later, PEI Qiqi no longer stayed in the hospital every day. This was because Zhou Meilin finally remembered that she was PEI Minghe's wife. She started to visit the hospital more frequently.

auntie li also hinted to pei qiqi that she didn't need to accompany her at night.

PEI Qiqi knew what Auntie li meant. She, Wanwan, was an outsider.

She packed up and went to talk to PEI Minghe.

Zhou Meilin knew that she was leaving, so she couldn't bear to see the father and daughter being so intimate, so she found an opportunity to go out.

pei minghe didn't say it out loud, but he was very clear in his heart.

He used all his strength to hold PEI Qiqi's finger and whined.

He tilted his head and looked at PEI Qiqi. He looked at her small face that was as beautiful as a painting.

## Chapter 140

### 140 Deliberately neglecting PEI Qiqi (1)

He wanted to tell her that Yueyue had told her that he wasn't her father.

However, she swallowed the words that were on the tip of her tongue.

Her tears fell slowly. She was his child.

PEI Qiqi looked at PEI Minghe's tears and thought that he couldn't bear to leave.

"I'll come see you tomorrow." PEI Qiqi squeezed out a smile and adjusted his blanket, "rest well. The company's matter has been resolved.

No matter how unwilling she was, she still added, "Auntie, Hanhan is doing well now.

pei minghe was like this now, and she didn't want him to be sad again.

Sure enough, after she said that, a faint smile appeared on PEI Minghe's face. Although it was very faint, PEI Qiqi could see it. Her hand gently brushed his face and she smiled with him.

PEI Minghe watched her leave, and the smile on his face slowly disappeared.

He was sick, very sick, but he was not muddleheaded.

he couldn't manage the pei family anymore. he wanted to let a professional manager manage it. as for the finance department, he had to replace wanwan.

he wanted to leave the little things behind him for qiqi.

This child had suffered too much, so he would take it as a little compensation.

The muscles on PEI Minghe's old face trembled slightly as he slowly closed his eyes.

by the time pei qiqi returned to her apartment in xia city, it was already very late. it was around 8 pm.

Tang Yu wasn't there.

She heaved a sigh of relief, put her things away, and went to take a shower.

When she came out, she was surprised to see that he had already returned to the bedroom and was lying on the bed.

The slight hint of drunkenness in the air told her that he had drunk.

tang mo's eyes were closed and he was half-leaning against the head of the bed. he hadn't taken off his shoes and the three buttons of his shirt were unbuttoned. his forehead was covered in a thin layer of sweat and his handsome face looked inexplicably sexy under the dim yellow light.

pei qiqi hadn't seen him for almost half a month. they didn't even talk on the phone.

she adjusted her pajamas and walked over with light steps. she carefully removed his shoes and put them away. then, she took a hot towel and wiped the sweat off his forehead.

tang yu didn't drink too much so his breath was hot. when his breath landed on her soft neck, it almost burned her.

when he touched his chest, pei qiqi didn't dare to look down. she wiped him randomly and reached out to tidy his clothes.

she had also seen the watch on his wrist. it was the one he used to wear.

after staring at it for a long time, she gently put the towel back into the bathroom, picked up a thin quilt, and wanted to sleep in the guest room.

however, she had only taken two steps when she was grabbed by the wrist.

A force forced her to fall, and the next second, she was in his arms.

The lights dimmed, and the surroundings were pitch black.

He had always liked to hold her under the bright light and liked to see her white face turn red.

now that he had turned off the lights, he probably didn't want to see her!

pei qiqi closed her eyes in despair.

tang yu's heavy breath landed on her neck. the heat made her extremely afraid. PEI Qiqi subconsciously struggled and said in a weak voice, " No.

however, he held her two small arms and pinned her down firmly, his dark eyes looking at her almost maliciously.

They couldn't see each other's expressions.

But he could feel that she wanted to leave him.

She had never felt the same way as him. She had never liked him or had her heart moved!

To her, he was just a buyer.

The beauty in her heart was jinrong.

His dearest cousin!
