

Thank you 1331

Chapter 1331: His choice (3)

Perhaps, this was the fundamental reason why they had never been able to be together.

she didn't want to.

it wasn't that she couldn't give it to him, but that even though she had lost her memory, that person was still hidden in her heart. as long as she saw that person, everything would be released.

in her heart, there was also a feeling that she was only a relative. He looked at her and sadly realized that he had actually given up.

but he didn't have the courage to tell her yingluo.

He stood in the dark and watched her get into the car.

He clenched his fingers and held the phone.

On it was the reason why he had to give up on PEI Qiqi. It also contained the last bit of softness in his heart.

The car slowly drove past him.

His gaze was a little cold as he looked at the back of the car and pursed his lips.

when the car was out of sight, he got into the car and sat in the back seat. he closed his eyes and said, "to the airport." old Zhang, who was driving, was also an elder of the qin family. he hesitated for a moment."young master, do you want to go back and see old lady?"

Qin Anlan opened his eyes slowly and looked at uncle Zhang. no need. We're going to the airport.

Old Zhang shook his head and sighed in his heart. He wanted to say something, but in the end, he didn't say anything.

when the car arrived at the airport, qin anlan's private plane was already prepared. they arrived in city H in less than two hours.

Sitting in the car, he looked at the bustling night view of city H, and his heart was in turmoil.

did he really let go of pei qiqi, king entertainment, and his mother just for mu yun?

In such a quiet time, he was willing to admit to himself that it was not like that.

Mu Yun's illness wasn't acute, and he had clearly found out that ye Liangqiu had two mobile blood banks.

He really didn't need to stay by mu Yun's side all the time. Then, who was he so eager to return to city H for?

In his heart, he might have known, but he was unwilling to admit it to himself.

he didn't want to admit that a relationship that he had given up on was carved into his heart.

The black limousine stopped at the entrance of the five-star hotel. Qin Anlan opened the door and got out. He was dressed in black, and he looked a little bleak in the middle of the night.

The phone in his hand rang. He took it and saw that it was a call from Kime.

“president qin, miss pei ran ran is missing again.” ” but don’t worry, president qin. i’ll find miss pei.

qin anlan raised his head to look at the lights on the street, and his lips twitched slightly-as expected!

since he did not say anything, KIME became even more uneasy and did not dare to make a sound.

after a long time, qin anlan hummed softly and hung up.

Perhaps, what was meant to come could not be stopped, and what did not belong to him would never belong to him.

He slowly walked in and met an unexpected person in the hotel lobby.

“Mom?” qin anlan frowned slightly and looked at the lady sitting on the sofa and su xiu.

Su Xiu nodded at Qin Anlan, then helped Mrs. Qin up. the old lady just arrived too. She heard that young master had returned to B city and was wondering if she had missed him. She didn’t expect young master to come back.

Qin Anlan looked at his mother and then looked around. He said indifferently, ‘ “Did you get a room?

su xiu shook his head, and his gaze was somewhat profound.

Qin Anlan received the signal in her eyes and knew what was going on. He carried his luggage and asked for a suite from the front desk. Naturally, he would not be on the same floor as ye Liangqiu.

“Are you afraid that I’ll make things difficult for her?” Mrs. Qin slowly asked.

“i’rn just afraid that you’ll be angry.” qin anlan forced a smile..

Chapter 1332: His choice (part four)

Mrs. Qin looked at her son and couldn’t contain her anger. However, she didn’t want to lose face in public, so she snorted.”you know that i’ll be angry?”

Qin Anlan smiled and did not reply.

su xiu tried to smooth things over. ” how long has it been since we last met?! ” The mother and son talk like they’re holding a gun and a stick together, what a joke.”

“are you an outsider?” mrs. qin’s tone was not very good. su xiu knew that she was not in a good mood, but he did not make a fuss. he only glanced at qin anlan again. This old lady had to be coaxed properly.

Su Xiu went to the suite to clean up.

Mrs. Qin and Qin Anlan were sitting in the study room. It had been a long time since they had appeared in the study room together in such a serious manner. Mrs. Qin sat upright and took a sip of the tea that Qin Anlan handed over. She then said indifferently, "What's wrong? You went to B City to comfort the little Vixen and now you're back to find a Vixen?"

to a woman who was beautiful and could make her son fall head over heels for her, she was a vixen.

As for that Pei Qiqi, she didn't meet her because she knew it wouldn't last long. Her son had been living with her for so long and they didn't even touch a hair. She wasn't afraid of her.

On the other hand, this Ye Liangqiu was very capable. Not only did she secretly give birth to an Ian's child, but she also made an Ian let go of Pei Qiqi.

Mrs. Qin couldn't accept a woman like Ye Liangqiu. She couldn't in the past, and she couldn't even accept her now.

This kind of woman was too scheming, and no one in the Qin family would be able to stop her.

After hearing her words, Qin Anlan smiled bitterly. Mom!

"Your heart aches?" "Let me ask you, are you thinking of the one in B City or the one here?" Mrs. Qin sneered.

Qin Anlan did not think for too long before he said slowly, "Mom, I have a son!"

"Don't use our son as an excuse!" Mrs. Qin's voice was a little stern. "Anlan, you should know that our Qin family has been running KING Entertainment for so long. There's an unspoken rule that we can't marry any female artistes under our banner! You used to know when to advance and when to retreat, but why can't you do that now?"

Qin Anlan sat down slowly and looked straight at his mother. "Then, what do you want me to do? Don't want Mu Yun? Just take it that he didn't have this son? Is that so?" Mrs. Qin looked at Qin Anlan and said, "What do you think?" He's just a sick child, what can he do?"

"Mom, you're too cruel." Qin Anlan wiped his face. When he looked at Mrs. Qin again, his gaze was firm. "I will not abandon Mu Yun. He is my flesh and blood, my child."

Mrs. Qin was furious. Ye Liangqiu gave birth to her with ulterior motives. She's using her as a tool to threaten you into marrying her!

"She won't." Qin Anlan blurted out.

Mrs. Qin's tone was also a little cold. "She wouldn't ... wouldn't tell you that you have a son after seven years?"

“An LAN, you’ve never believed in women, have you?” mrs. qin closed her eyes. ‘ feelings are the worst thing in the world. think about how your father treated us back then. ‘

Qin Anlan’s fingers tightened around the Kasaya.

“He abandoned us and ran away with another woman.” mrs. qin’s voice carried a hint of sternness. ” she’s from a small family, so she can’t be raised well! Did you forget that he took all the company’s money away? did you forget that I took you with me to run a company that was on the verge of bankruptcy and struggled hard?” of course, that heartless man was also dead!

“Liangqiu is different from him,” Qin Anlan said with difficulty.

“Is that so?” mrs. qin sneered, ” tang yu gave us 100 million.. what’s the big deal? “

Chapter 1333: i want you and our son (part one)

Qin Anlan looked at his mother and felt a chill in his heart. “Mom, you knew about mu Yun’s existence a year ago, didn’t you?” she asked.

Mrs. Qin’s heart skipped a beat, but she didn’t show it on her face. She only asked casually, “Did she tell you?”

“Yes or no?” qin anlan’s tone was a little unyielding.

Mrs. Qin was so angry that she was about to turn around. At this moment, su

Xiu came over and tried to calm him down. no matter how angry young master is, he should at least think about old Madam’s health.

qin anlan pursed his lips and only spoke after a long while. ” mom, let’s not talk about this anymore! I’ll get someone to send you back tomorrow.”

Mrs. Qin caught her breath and glared at her son. and then watch you and her be together? ” an Ian, are you trying to anger me to death?”

“mother, do you love me?” qin anlan asked after a long silence.

“Of course.” Mrs. Qin’s tone softened, and her eyes were filled with warmth.

Qin Anlan looked at his mother and said softly, ” “I also love Yun! I love my child. ”

mrs. qin knew that she had been tricked, so her face darkened and she didn’t say anything.

Su Xiu looked at this and then at that, and laughed. look at you two, quarreling like children. I’ll go make a cup of tea. You two take your time to drink and quarrel.

Su Xiu was an old woman by Mrs. Qin's side, so Mrs. Qin could hear the teasing in her words. Of course, she also reminded her, so she suddenly sobered up a lother son was all grown up now, and it was naturally not right to go against him.

when she was forced into a corner, an Ian abandoned KING entertainment. was she supposed to let this old woman continue to manage the company?

Mrs. Qin rejected the idea from the bottom of her heart. She wanted to enjoy a few more years of peace and quiet.

at the thought of this, her expression softened and she looked at her son. ' forget it, you can go back first! ' as for su xiu and i, we'll naturally go back when we're tired of staying in city H."

Qin Anlan didn't leave immediately. He waited until su Xiu finished brewing the tea and accompanied Mrs. Qin to drink it before leaving.

He didn't blame Mrs. Qin for what happened to mu Yun. He wasn't that irrational.

in the end, it was his own fault. his mother had her own stand, and he didn't agree with it, but he had no right to blame hanhan.

However, when he went out, his heart was heavy.

When he returned to the Presidential Suite on the top floor, he opened the door and saw that the suite was dark.

he shook his head and turned on the lights. he was quiet and did not make a sound.

he walked towards the master bedroom with light steps. when he entered, he did not wake up the adult and child sleeping on the bed.

Ye Liangqiu was curled up and sleeping. Xiao mu Yun was lying on her back like a weak little animal.

They slept so soundly that he didn't wake them up even when he turned on the light.

it was already close to midnight.

he was exhausted and his heart was filled with sorrow.

He had given up two years of persistence just for this scene.

he walked in slowly and sat dejectedly by the bed. he reached out and touched Xiao mu yun's hair. the little fellow was like a newborn calf as she placed her head in his large palm. his heart could not help but soften.

suddenly, his eyes met ye liangqiu's.

she had already woken up and was staring at him in a daze.

qin anlan's voice was a little hoarse. " you slept for half a day? " mm! " she replied, her voice even hoarser than his.

He looked at her deeply for a while, then took off his coat and opened the collar of his shirt.

As he did all this, her body trembled a little..

Chapter 1334: I want you and our son (part two)

qin anlan paused and looked at her. ” “Afraid?” she did not make a sound.

the corners of his mouth curled up into a cold smile. ” “Ye Liangqiu, I thought you were not afraid of anything.”

She sat up slowly and lowered her head to look at Xiao mu Yun. Then, she reached out to cover the little fellow with the blanket.

“is this how you usually take care of your child?” Qin Anlan frowned. His tone was not very good, but his voice was very soft.

Ye Liangqiu glanced at him, then gently got off the bed, put on a sleeping robe, and tied the belt.

“Your body seems to have recovered.” he smiled and followed her out. he said in a light tone, ” “I’m a little hungry, make me a midnight snack.”

She glanced at him without saying anything and went to the attached kitchen.

She had been living here for a long time, and the kitchen utensils here were all available, including fresh ingredients every day.

she opened the freezer and took out a portion of dried chicken, a few fresh shiitake mushrooms, and a small handful of vegetables.

qin anlan frowned when he smelled the food. ” i don’t eat chicken noodle. ” What he hated the most was chicken noodle!

Because Tang Yu loved to eat and because PEI Qiqi loved to cook, he went from not liking it to hating it.

Ye Liangqiu used a beautiful bowl to fill a bowl and placed it in front of her on the table.

After that, she started to eat in front of him ..

qin anlan was a little angry. ” i’m hungry.

“i thought you didn’t like chicken noodle soup?” her voice was very indifferent as she glanced at him.

“I like it now.” He was thick-skinned, but it actually smelled pretty good.

Ye Liangqiu blew on it and put the fat mushroom into her mouth. After eating it, she slowly said, ” “The man who went to find another woman has no right to make me cook.”

“lin xingyuan has one, right?” He was filled with the smell of gunpowder.

ye liangqiu put down his chopsticks. ” if you mention him again, get out of here. ”

“Does your heart ache?” he looked at her mockingly.

Ye Liangqiu glared at him for a long time before suddenly saying, “yes, my heart is aching. However, I don’t think it’s as painful as the trip to B city.” he was a little angry. she was serious and did not avoid him at all.

he stretched out his long arm and snatched the bowl from her hand. he lowered his head and took two bites from her bowl and chopsticks.

His actions were Swift, and she only reacted after a while. Qin Anlan, isn’t it dirty? ”

as soon as he finished speaking, he let go of her hand and looked up at her, his eyes a little deep.

After a long time, slowly, shamelessly, he said, ” don’t talk about saliva. I’ve also eaten ice cream at your place.

ye liangqiu’s face was completely red as she glared at him.

“You’ve never seen it? Or do you not believe me? do you want to try again?” His voice was very cold as he said the most shameless thing in all seriousness.

ye liangqiu ignored him and turned around to get another bowl of chicken noodles. the ingredients in the bowl were even more abundant than the previous one, and even more tempting.

However, as soon as she served it, it was taken away by a shameless man.

Then, the bowl that both of them had eaten came back to her.

“qin anlan, can you be any more shameless?” She pursed her lips and only grumbled a little. She didn’t try to snatch it.

Whoever snatches it will be childish.

Qin Anlan’s body was leaning against the back of the chair. His hands were placed in front of him as he looked at the bowl unhappily. help me pick out the vegetables.

“i’m not your mother.” she lowered her head and ate her noodles.

he watched as she used his chopsticks to eat the noodles, especially her lips.

the way her tongue wrapped around the chopsticks made his eyes dim and misty..

Chapter 1335: I want you and our son (part three)

After a long while, he said in a hoarse voice, ” “i don’t like to eat vegetables.”

ye liangqiu put down her chopsticks and stared at him. this was a habit she hated, because mu yun didn’t like to eat.

“hurry up and help me pick it out.” he looked down at her.

ye liangqiu finally moved, but she didn’t help him pick. instead, she picked all the vegetables in her bowl and put them in his. didn’t yingying dislike them?

Then let’s eat as much as we want!

She didn't know that her actions were almost childish, but in his eyes, they were a little cute.

Especially after Qin Anlan quarreled with his mother, he was in a bad mood. He had been depressed, but now he was much happier.

he looked at her, smiled, and finally reached for his chopsticks.

for the first time, a person who never ate vegetables had finished all the vegetables in his bowl.

His brows were furrowed, and he looked like Crayon Shinchan. He was a little ugly and cute.

ye liangqiu picked up the noodles and admired his appearance. the corners of her mouth couldn't help but twitch.

Even though it was only a slight movement, he caught the surprise on Xi Jue's face.

how long had it been since he had seen her smile?

other than on the big screen, he could only see her smile in his dreams.

he looked straight at her smile, and she probably felt his gaze. her smile froze on her lips and she lowered her head to eat her noodles.

Everything fell silent again, and the atmosphere was a little stiff.

He looked at it for a long time, then finally lowered his head and started to eat his noodles.

he didn't like the shredded chicken noodles, but he could actually eat it at this time, probably because he was hungry.

ye liangqiu's fingers touched her hand as she was clearing the dishes. "i'll do

She looked up and met his eyes. At the same time, her hand trembled.

He was the same.

she hesitated and wanted to move her hand away, but in the end, she did not ...

at the same time, they thought of the time in the apartment. sometimes, after they had finished eating, she would actually dare to ask him to wash the dishes.

now, he was used to yingluo.

their eyes met for a long time. ye liangqiu's voice was very soft. "no need. "

She let go of his hand and began to clean the bowl, then washed it in the sink.

She did all of this with grace. She was very different from the little girl who used to be busy in the kitchen.

Qin Anlan looked at her back and suddenly asked, "Liangqiu, are you unable to go back?"

Her back stiffened for a moment, and then she washed her hands. After about five minutes, she picked up a paper towel and wiped her hands dry. Her voice slowly came through. "You didn't cherish the past, so why should I?" she turned her head and looked straight at him. "qin anlan, i

wanted to give birth to this child. it has nothing to do with you! if it wasn't for your mother going against xingyuan, i wouldn't have let mu yun appear in front of you."

"are you laying your cards on the table now?" " you think you've achieved your goal, so you're done using me, right? " he frowned and looked at her.

He slowly walked forward, step by step, and trapped her by the pool. His voice was a little gloomy. do you think you've completed Tang Yu's mission? " "it's not your fault." She gritted her teeth.

"being so stubborn is not a good thing for a woman." he said coldly, " ye liangqiu, do you dare to say you don't like me? if you don't like me, why are you still willing to sleep with me? hmm?"

he grabbed her chin and looked at her from her eyes to her nose and then to her lips.

Suddenly, his eyes stopped in a daze..

Chapter 1336: One hit, one kiss !(1)

He saw the ring appear on her neck again, striking and glaring.

Her fingers paused and she clenched them in her hands. Her voice was also slightly cold."You went down to look for it?"

"Yes," she didn't hide anything. the cleaner had found it and returned it to her.

he looked at her clothes and suddenly sneered, " "I thought you couldn't move your legs, but you still have strength."

"qin anlan, you can be even more shameless." she was embarrassed and angry, reaching out to slap his handsome face.

Her hand was caught by him, and his strong fingers pinched her thin wrist. you have to change this bad habit.

"i don't need to change how i treat you," she said, glaring at him.

he looked at her for a long time, then suddenly leaned over and kissed her on the lips.

She wanted to struggle, but his hands quickly pinned her hands behind her back. She leaned against the sink and moved forward, as if she was in front of him.

Ye Liangqiu was extremely embarrassed. what do you want to do? "

He pressed his body against her and let go of her hand. "Ye Liangqiu, you can hit me as you wish, but I can't guarantee the consequences."

She leaned back and looked at him in shock.

However, she still tried to slap him, a light slap.

"you're very bold," qin anlan glared at her.

with that, he leaned forward and kissed her on the lips.

he tasted the shiitake mushroom, and she also tasted the faint tobacco in his mouth.

she was shocked and immediately reached out to hit him, but the fiercer she hit him, the fiercer he kissed her.

their lips and teeth intertwined. he was frighteningly hot, and ye liangqiu felt as if a layer of skin had been worn off from her lips.

after a long time, he finally let go of her lips and looked at her deeply.

Just now, she responded to Yingluo.

The two of them were panting slightly, especially the glistening lips on her lips, which was very embarrassing.

she subconsciously licked it. as he looked at it, his eyes darkened and his adam's apple unconsciously moved.

then, he moved closer to her, his face very close to hers, and his voice was extremely hoarse. "i'll kiss you every time you hit me." ye liangqiu greeted him on his handsome face again, but his face was like an iron wall. he didn't even move an inch when he hit her. he directly pressed his lips against hers, and everything he had imagined came true.

his lips moved down and bit her small neck, making her almost jump up.

Then, she tilted her head and bit his neck.

qin anlan raised his eyes slightly and looked at her. then, he relented.

he let go and she let go, but he didn't leave her neck. instead, he slowly sucked out a hickey on her neck, blue and purple.

after a long time, he finally opened his mouth and said in a hoarse voice, "This is a mark."

Ye Liangqiu stared at him in a daze.

Qin Anlan tilted his head and looked at her. again?

she ignored him and pushed him away. "you're crazy. ' even though she was scolding him, her ears were red.

Qin Anlan took two steps back, turned around, and walked into the hall.

ye liangqiu followed behind. "where's my collar?"

He turned around and stared at her, his eyes fixed on her.

her heart was beating wildly, but she forced herself to look at him.

"I've thrown it away." He said as he walked towards the bathroom.

ye liangqiu hurriedly followed him. he paused at the door, and she fell straight onto his back.

Out of instinct, she reached out and hugged his waist to stabilize herself..

“You’re throwing yourself at me, but you’re also missing someone else!” “ye liangqiu, you’ve really grown up,” he said coldly.

She stood up straight and stretched out her palm.

He lowered his eyes and looked at her fair palm. She was tall, so her palm was naturally beautiful and fair.

“I won’t.” His voice was stiff.

But then he remembered su Xiu’s words. They were also like two children. The fiercer they fought, the more Yingluo cared.

His Hanhan probably cared about it. He actually felt very uncomfortable when he saw her wearing a ring that another man had given her.

This kind of discomfort surpassed the feeling of having Tang Yu in PEI Qiqi’s heart.

At least, he had been patient with PEI Qiqi for two years. If nothing unexpected happened, he could pretend to be him for the rest of his life.

but ye liangqiu couldn’t!

he attributed this ‘no’ to the fact that she had given birth to his child-(a self-deceiving straight man cancer!)

He let go of the necklace and it fell into the toilet bowl. Then, there was the sound of water.

“it’s flushed away.” He flashed his white teeth at her. so, you don’t have to think about it anymore.

Ye Liangqiu looked at him and turned around. Qin Anlan, ” she said. you’re so childish.

when he couldn’t see her, she smiled gently and gently.

Would he die of anger tomorrow?

Qin Anlan looked at her back and went forward to hug her waist from behind. He rested his face on her shoulder. “he’s not childish? hmm?”

ye liangqiu couldn’t stand his hot breath on the side of her neck, but she still said, “it’s not easy to compare.”

He let go of her immediately, and his face was a little dark. Did she really want to compare?

Qin Anlan took off his bathrobe, washed up, and slept in the secondary bedroom. He seemed to be throwing a tantrum.

It was only one o’clock in the morning, but he had already fallen asleep.

because she was next door.

The next morning, he woke up to a lick.

He reached out and touched it. It was a fluffy little head. Qin Anlan opened his eyes and saw Xiao Muyun.

“Morning.” his voice was a little hoarse as he kissed the little head in his arms.

Xiao mu yun’s face was a little red. she looked up and said, ” mommy has made breakfast. daddy is up.

it was rare for qin anlan to sleep so deeply. he lay flat and looked at the sky outside. he then grabbed the watch on the bedside table to look at the time. it was almost nine o ‘clock.

he sat up, stretched his body, and picked up the little lamb with one hand. ‘ wash your face and brush your teeth with daddy. ”

Xiao mu yun’s face was still slightly red, but she did not reject him. An adult and a child stood together in the bathroom to brush their teeth. They looked quite loving.

ye liangqiu stood at the door, tears welling up in her eyes.

At this moment, she felt that she had let mu Yun down for the past, the present, and the future.

“It’s time for breakfast,” she said in a light tone.

qin anlan turned his head and looked at her. ” i’ll be done in a while. ”

He looked at her for a while longer and realized that she usually liked to wear long dresses at home.

A rather feminine Yingluo.

he smiled and reached out to pull off his bathrobe. when he walked into the changing room, he remembered that he had not packed his luggage.

however, when he opened the cabinet, his clothes were already neatly hung up. every piece of clothing had the faint scent of his favorite laundry detergent.

she took out a set of clothes and put them on. when she walked out, Xiao mu yun was already sitting upright at the dining table. ye liangqiu was taking care of him while he ate breakfast.

The morning light shone on her face, making her look gentle and beautiful, even her hair was hazy.

qin anlan slowly walked over and sat down.. ” what do you want to eat? “

Chapter 1338: One hit, one kiss!(3)

there was nothing in front of him.

“President Qin might not be used to a Chinese breakfast, but you can call for customer service.” after ye liangqiu finished speaking, she sat down and had breakfast with Xiao muyun.

qin anlan looked at the food in front of them and frowned. ” “are you sure you want to call me president qin in front of mu yun?” ye liangqiu glanced at him, but didn’t say anything.

qin anlan reached out to take the bowl from her hands. there were still two small side dishes and he started eating.

“daddy, don’t you think it’s dirty?” “Mommy said that saliva can spread a lot of germs,” Xiao mu Yun said with a serious face.

qin anlan raised an eyebrow and looked at ye liangqiu.”You said that?” ye liangqiu glared at him. ” i said it! ”

then we’ve kissed so many times. why didn’t i find you dirty? and there’s hanhan. ” he hesitated. she immediately covered his mouth. ” don’t spout nonsense. ‘

“He told me not to mess around last night, and now he’s telling me not to say anything.” He smiled and pushed her hand away. Liangqiu, don’t mess around. Let me eat properly. Hmm?” she angrily put down her hand and glared at him.

he smiled. ” no more? ”

She went to get a bowl, and when she was eating, they had a fight again.

Xiao mu yun looked at them and felt that they had not grown up yet.

Qin Anlan finished his breakfast and said indifferently, ” “KING entertainment has a meeting this afternoon. I’ll be leaving in a while and will be back around 8 pm.” his tone was indifferent, but ye liangqiu was stunned.

“You didn’t have to come back last night,” she said after a long time.

he was already full and looked straight at her. ” i told mu yun that i was coming back. ‘

Just because of this reason?

Her heart skipped a beat. She had to admit that even though he was a jerk, he was a good father.

“I don’t need to be touched.” qin anlan wiped his lips and stood up. he patted Xiao muyun’s head and said softly, ” “Daddy will be back tonight.”

” oh, ” Xiao mu yun replied. ” then, daddy must rest well. ‘

Qin Anlan laughed.

so obedient.

he looked up at ye liangqiu. her face was a little hot, and she turned her face away uncomfortably.

He smiled and got up to change into a more formal set of clothes.

Ye Liangqiu followed him and stood at the door of the changing room. is King Entertainment still not doing well? ”

He pulled out his jacket and put it on. He looked straight at her, "do you think King Entertainment's predicament is because of Tang Yu?" she didn't say anything, which meant that she agreed.

qin anlan lowered his gaze and smiled. after a while, he said, "tang yu has no interest in the entertainment industry. "

she looked at him and wanted to ask more, but he slowly walked in front of her and placed his slender index finger on her lips. his tone was very light and indifferent. "Don't ask too much, or I'll think you care about me."

"What if I am?" She still looked at him very indifferently, but she said the words that touched his heart the most.

qin anlan's body trembled. he looked at her in a daze.

After a long time, he smiled faintly and rubbed his fingers on her lips, not saying anything.

when he left, her body was a little soft.

Something seemed to be different.

He didn't say anything, but she could feel the change in his heart.

qin anlan left the suite but did not leave immediately. instead, he went to pay his respects to mrs. qin.

mrs. qin was a person who abstained from eating and prayed to buddha. she was wholeheartedly paying tribute to the buddha. when she saw qin anlan walking over, her tone was not very good.. "how did our president qin have the time to come and see me? "

Chapter 1339: The person he truly loves (part one)

qin anlan touched his nose. "liangqiu called me president qin just now. you're calling me that too now, mother. "

Right now, he was on the inside and outside, and everyone hated him.

"You should!" mrs. qin put away her arrogant expression and sized up her son. after a while, she said softly, "is there something important to do?"

Qin Anlan pursed his lips. mom, I think you know about King Entertainment's current situation.

Mrs. Qin's gaze also turned sharp, and she sneered, "that's why a marriage alliance with Asia TV is the best way.

qin anlan shook his head when she said that. "mom, why are you so confused? Mr. Su is a ruthless man. Do you think I can stop his ambition after I marry su Cheng? "

"at the very least, we can delay it and ease the situation." Mrs. Qin's tone was a little cruel. Anlan, for King Entertainment, it's nothing to sacrifice su Cheng.

she paused for a moment. "you already have ye liangqiu, don't you? in the future, even if you don't want to touch su Cheng, it's fine. just pretend to be okay. ' mrs. qin said that because she knew that su Cheng was in a gay relationship.

Su Cheng would not like an LAN, and an LAN would naturally not like her either.

Qin Anlan smiled. mom, do you think Mr. Su will still let su Cheng marry me? "

"what we are thinking is also what he is thinking." mrs. qin's eyes were filled with cunning. " this is the time to test our patience. ' "

"i won't let mu yun and ye liangqiu be in that kind of situation," qin anlan said without thinking.

"she is now!" Mrs. Qin's voice was stern, "have you forgotten about your relationship with PEI Qiqi?."

qin anlan clenched his fists and said in a suppressed voice, " I will break off my marriage with Qiqi.

Mrs. Qin's eyes were filled with shock. an LAN, you're crazy! This is a life-saving straw for you and King Entertainment. You should know when to make use of it. ' "

' mom, if everything in my life is calculated, what's the point of living? " Qin Anlan's smile was a little forced. that's all. I'll handle my personal matters.

he turned around and left, leaving mrs. qin fuming.

Su Xiu rushed over and patted her chest to coax her,"alright, old lady, young master has grown up and has his own ideas! You see, he already has a son.

Naturally, he wouldn't want to lose his father's prestige in front of his son. This time, you should let young master settle these vexing matters himself. You should just enjoy your life." there was a hint of sorrow in mrs. qin's eyes. " i wanted to do this too, but su xiu, anlan wasn't like this in the past. in the past, anlan would do anything to achieve her goals! "

But now, what had he become?

Su Xiu sighed,"young master is probably lonely!" He also needs people to understand him." loneliness?

Mrs. Qin was stunned for a moment. After a long while, she smiled. "Then what about my loneliness? su xiu, look at how cold that ye liangqiu is. she doesn't have a trace of humanity. can she bring happiness to an Ian?"

"Old lady, it's fine as long as young master likes it!" su xiu patted her back. " be good. don't f * Ck. " madam qin seemed to be hanging on for a long time before she finally calmed down. " " my heart feels terrible. an Ian only has that vixen and Xiao yan in her heart.

"Little young master and old Madam also like him a lot." Su Xiu tried to persuade him..

Chapter 1340: The person he truly loved (part two)

the young master looks like a smart child. He's been checked and doesn't have any life-threatening illness. He'll be fine when he grows up. su xiu paused for a moment. "i heard that if you have another child with this disease, you can use the stem cells in the umbilical cord to transplant. this way, you will be better. ' mrs. qin's eyes were filled with hesitation. in the end, she sighed."let him be!"

At this moment, su Xiu finally heaved a sigh of relief. However, Mrs. Qin muttered again, " look at that woman. she didn't even come here to see me. she really doesn't care about an old thing like me. '

"Miss ye didn't know that old Madam was here either." Su Xiu coaxed her like a child. if the old lady wants to see her grandson, we can go and see him tomorrow.

"You want to change it to tomorrow? I'll be going back to B city tomorrow." The old lady's temper flared up again. su xiu laughed in her heart, but her words couldn't be more serious. "Alright, then we'll go and take a look later!"

The old lady was unhappy again. if you want to go, you can go. I won't go.

After that, she started to chant the Buddhist scriptures again. She sighed and swayed her sleeves.

old mrs. han still felt that miss ye's status was a little low.

Just as she was thinking this, Mrs. Qin spoke again, " " her status is indeed a

little low, but i dislike her even more because she's too scheming. an Ian can't control her at all. '

Su Xiu didn't say anything. Miss ye was indeed not easy to deal with.

in the end, they didn't meet and mrs. qin returned to b city in the afternoon.

she was really worried about an Ian fighting with that old fox of the su family.

In B city, Qin Anlan sat in the back seat of the car and looked down at some documents. After a while, he said in a calm voice, " Kime, what do you think Mr. SU's intention is this time? "

Kime was a little agitated. "it's clearly a trap!"

Qin Anlan put down the documents in his hand. His gaze was unfathomable. he has always liked to play the pig to eat the Tiger. It's obvious that he's still unwilling to fall out with us even now.

will president qin really accept his proposal? " kie asked.

in today's meeting, mr. su suggested a marriage between the two families.

Qin Anlan's fingers were on the document. After a long time, he said softly, " su Cheng is not their biological daughter. If she was, do you think they would be willing to sacrifice her? " he thought of his mother's words and could not help but sigh at su Cheng. raising this was just like raising a kitten

or a puppy. it was just to relieve boredom. when it was time to use it, he would not be soft-hearted at all.

that's right, " Kime nodded. they've never given up on finding their daughter. Su Cheng is just a stepping stone.

He paused for a moment and looked at Qin Anlan again. then why didn't you reject it, President Qin? "

I can't let Mr. Su know how important Liangqiu and mu Yun are to me. I'll deal with them first! qin anlan said and closed his eyes.

'Please' did not say anything. Qin Anlan opened his eyes and realized what he had said.

he paused for a moment and looked at KIME. " don't talk nonsense. " "Got it, boss Qin." &Nbsp; Kime tried to hold back his laughter.

"Don't call me President Qin in the future. " Qin Anlan was having a hard time today.

' then what's it called? "

Qin Anlan snorted. forget it.

kie felt that boss qin was very awkward. he was a little worried. was he going through menopause?

however, boss qin was only in his early thirties. that shouldn't be the case!

but after thinking about it, weren't men in love like this too?

On the other hand, Qin Anlan's heart was a little unsettled.

he cared about ye liangqiu, not only because of mu yun, but also because he had never forgotten her after all these years. He had never fully recovered from his insomnia..
