

Thank you 1351

Chapter 1351: his confession (2)

he can cook?

ye liangqiu was a little surprised, but he had already gone to the small kitchen.

soon, she could smell the seafood porridge. she ran over and saw that he was dividing a pot of porridge into several small bowls and letting them cool.

Qin Anlan looked up and saw her surprised expression. He smiled gently. this is Qiqi's favorite.

She leaned against the door and said slowly, "it seems that your cooking skills have improved a lot in the past two years.

he paused for a moment and asked in a harsh tone, "qin anlan, how is it? how does it feel to be a grandson? "

he glanced at her. "i don't really know, but it feels good to know that you're jealous of me! "

"i'm not!" She sat down and took a small sip, but he knocked the back of her hand with his chopsticks. you didn't brush your teeth or wash your face!

the back of her hand immediately turned red. she raised her eyes and glared at him.

"what are you looking at!" He snorted. hurry up and go.

ye liangqiu muttered, "old mom. "

"i'm sure i'm a man! i think you should be more clear about this." There was a hidden meaning in his words, and he said shamelessly.

Ye Liangqiu looked at him and suddenly said, "We'll go back to city H when

Muyun wakes up."

after she finished speaking, she walked towards the washroom. however, she had only taken two steps when he grabbed her hand.

"i didn't mean it that way." qin anlan pursed his lips. "i have no feelings for su Cheng. besides, i'm not going to marry her. "

"you don't need to explain to me." Ye Liangqiu's voice was cold,"explain it to PEI Qiqi!."

he smiled and pulled her into his arms with a little force. he placed his thin lips on her ear and said, "liangqiu, i've already sent the divorce papers over. " she was stunned and then began to struggle.

there was an inexplicable fear in her heart, and she did not know what she was afraid of.

perhaps, deep down, she did not want to hear his confession of love. this was not what she wanted. however, how could he let her go? he held her in place and said in a slightly hoarse voice, "liangqiu, don't you want to know what i've been through all these years? "

She shook her head desperately. I don't want to. I don't want to at all.

"you must know." He growled in her ear, I didn't intend to tell you! however, you're so fond of letting your imagination run wild. i think that if i don't tell you, you'll dare to be with another man in city H. i'll go crazy then."

As he spoke, he hugged her tightly. Liangqiu, do you think I've gone crazy? " she was completely stunned. she looked straight at him with tears in her eyes.

I admit that I thought I liked Qiqi. I thought I loved her. He buried his face in her neck, as if he was trying to hide something. Liangqiu, when I first saw her, you left me and went missing. No one knew where you were that year, including sister Ying! When I saw Qiqi, I thought she was a bright star. But I never thought that the reason I paid so much attention to her was because she looked like you."

He said a lot, more than what he usually said to her. "Liangqiu, if it wasn't for you, I think I would have fallen in love with her too! However, after I fell in love with you, I fell in love with her only because of the comfort of my heart.' this was a replacement. because he had lost it before, he subconsciously wanted to find something to make up for it.

his heart was covered in dust. he couldn't see his own heart, which was why he had lost her for so many years..

Chapter 1352: his confession (3)

Ye Liangqiu lowered her head and looked at the person on her shoulder."did you suddenly come to your senses?"

He didn't say anything, but she chuckled. "But I don't believe a single word of it."

'qin anlan, i can't believe you.' no matter how hungry i was, i wouldn't dare to eat a piece of meat you threw at me.

he pressed on her shoulder and closed his eyes. " it's okay if you don't believe me. '

Because he had a lifetime to make her believe him.

ye liangqiu's body stiffened. this was a bit too much for her.

Moreover, she didn't really want to know. She was afraid that if she knew, she wouldn't be able to bear to leave Hanhan.

Qin Anlan looked into her eyes and chuckled after a long while. Liangqiu, I don't think you'll leave without saying goodbye again, will you? " "of course i won't," she pursed her lips. " i'll leave in a while. "

"don't go!" He grabbed her arm again. Liangqiu, don't go.

She raised her eyes and looked straight into his eyes.”You were the one who asked me to leave,” he laughed bitterly, “if they have the intention to deal with us, what can we do even if we run to city H?” Liangqiu, stay!” at least in B city, he could still protect her.

ye liangqiu’s eyes fell on his face for a long time before she said softly, ” qin anlan, are you sure? ”

‘Yes!” “Liangqiu, stay with me,” he murmured as he held her in his arms.

now that he said it, he realized how lonely he had been and how much he had missed her all these years.

perhaps, giving up on her was the stupidest thing he had ever done in his life, but he was not willing to admit it.

fortunately, she was still there.

fortunately, she had given birth to their child.

Luckily, she had loved him when she left him.

they hugged each other but did not notice that Xiao mu yun had woken up.

The little guy rubbed his eyes and ran over. He hugged Qin Anlan’s leg and said in a soft voice like a little animal, ” daddy.

qin anlan’s heart was unbelievably soft. he carried the little guy and said, muyun, are you hungry? daddy will help you brush your teeth. ‘

“Dad, you’re not injured?” ye Muyun asked in a small voice.

Qin Anlan kissed his little face. ” of course, daddy has an indestructible body. if you don’t believe me, you can ask mommy. ‘

Xiao mu yun then turned to look at her mother.

ye liangqiu sneered. ” that’s right. he’s as thick-skinned as king kong. ” i can’t break it. ‘

“right?” qin anlan’s lips curled into a gentle smile as he looked at his son. ” “see, even mom said so.’ could this person’s skin be any thicker?

ye liangqiu didn’t want to talk to him and went to the ward to pack up.

Qin Anlan brought his son to brush his teeth, wash his face, and eat breakfast.

Xiao Muyun asked curiously, ” ” dad isn’t injured. why should i pretend? ”

Qin Anlan sat down and looked at his son’s soft little face. He pinched it and felt very good to the touch. He was satisfied.

only then did he smile. ” because when daren fights, sometimes the real and the fake will be hard to understand! ‘

Xiao mu yun expressed that she did not understand.

qin anlan used the simplest words to say, ” “it’s just that sometimes, you don’t need to be too honest.”

“don’t teach your son the wrong things.” Ye Liangqiu’s voice drifted over.

Qin Anlan looked at her and said, “ye Liangqiu!” You’re the least qualified to say that. Have you forgotten your dark history?”

“what dark history do i have?” She snorted coldly.

you escaped with my seed and didn’t say anything for so many years. Isn’t this your dark history? ” qin anlan seemed to be smiling yet not..

Chapter 1353: his confession (4)

Xiao mu yun was a little depressed. ” daddy, is the seed you’re talking about

Also, when did dad bury him in mom’s body? did he sprout like a plant and grow up?

qin anlan paused and coughed lightly. ” “more or less.”

ye liangqiu looked at him. ” qin anlan, do you need me to tell muyun about your dark past? ‘

His face darkened.

The corners of ye Liangqiu’s mouth lifted.

Qin Anlan couldn’t help but look at her again, his eyes filled with gentleness.

is daddy a little afraid of mommy? ” Xiao mu Yun asked eagerly.

before ye liangqiu could say anything, qin anlan smiled faintly. ” yes! daddy was afraid that mommy would be angry, so he gave in to her. ”

A satisfied smile appeared on Xiao mu Yun’s usually cold face.

Qin Anlan reached out and patted his little head. I’ll get a doctor I’m familiar with to check on you again later.

however, he didn’t expect to meet pei qiqi and tang yu.

Xiao mu Yun had also touched his little cutie pie.

the moment Xiao mu yun saw little xin, she felt that she was soft and fragrant.

her entire body seemed to be emitting a milky fragrance. she looked like a custard bun that had just been taken out of the cage. once she bit into it, she would definitely be soft and fragrant.

Little Xinxin was so scared that she started crying and hid in Tang Yu’s arms.

however, after a while, she stuck her chubby little head out again and looked at Xiao mu yun pitifully.

When she saw the look in Xiao mu Yun’s eyes, she started crying again.

The little brother wanted to eat her.

Tang mo coaxed her for a long time, but little Xinxin didn't look back. Instead, she faced him and refused to come out.

qin anlan looked at tang yu carrying his younger daughter and felt a little envious. he thought that if he and liang qiu had another daughter, she would definitely be very cute and soft.

it wasn't that he didn't love mu yun, but as a father, he would like his younger daughter more.

As he thought about this, his gaze fell on ye Liangqiu, and then naturally moved down to her lower abdomen.

she had been taking were vitamins. Perhaps she was already pregnant.

he had to remember to be gentle when they had sex in the future.

Maybe it was because his gaze was too passionate, but Tang Yu could clearly see the meaning in his eyes.

He found it funny, but he also sighed.

Qin Anlan looked like a smart person, but he was actually mentally retarded.

however, he still smiled and said very generously, " an LAN, I owe you a favor.

these words carried a lot of weight. qin anlan could make him return this favor at any time.

qin anlan's gaze landed on pei qiqi. so did she.

Their eyes met, and the intimacy they once had could only turn into a greeting.

He could only greet her.

he smiled and said, " alright.

from the beginning to the end, ye liangqiu and pei qiqi's gazes only touched the lunch boxes lightly without much discomfort.

if something really happened between pei qiqi and qin anlan, then it would be like meeting a dog.

When they left, only little Xinxin and Xiao Muyun would miss each other. Nothing else mattered.

That absurd incident was over.

as for tang yu, to protect qin anlan and pei qiqi, he used some methods to erase the marriage in new York.

Back in his Ward, ye Liangqiu leaned back on the sofa and looked at the man who was lying on the bed again.. how do you feel?

Chapter 1354: I want to get married (1)

qin anlan was flipping through some documents. when he heard her words, he did not raise his head and only asked indifferently, " "What do you mean by" how is it

"The feeling of seeing your ex-wife." She pursed her lips and snorted.

he finally looked up at her. after a while, he smiled. ” are you jealous? ” “I didn’t.” Her voice was a little childish.

Qin Anlan continued to read the documents and said casually, ” Liangqiu, there’s actually no need for that. For example, food. There’s something you want to eat, but you can’t eat it. After a long time, you won’t have a good appetite, let alone miss it.

“shameless.” she glared at him and decided not to talk about this topic with him, but he seemed to be interested. he got up, walked to her, and bent down to look at her. “It’s not like there are some things that you can’t forget after eating and want to eat again and again.”

Ye Liangqiu’s face turned red and she glared at him.”you’re talking nonsense.” you know very well whether I’m talking nonsense or not. Liangqiu, don’t you miss it? ” he didn’t make things difficult for her. on one hand, he was a little busy. he straightened up, pinched her face, and left.

To her surprise, she found that her touch was no worse than mu Yun’s.

Her parents had already flirted with her, but she didn’t expect Xiao mu Yun to follow suit.
food?

Can’t forget after eating?

no wonder he felt that the little heart was like a custard bun. so this was the reason.

So it’s edible. Daddy will eat mommy.

Xiao mu Yun was initially a little embarrassed, but she felt that it was normal now.

he decided that when the custard grew up, he would eat her.

Qin Anlan stayed in the hospital for about a week. During that week, su Cheng came again. It was nothing much, just for a short while. Ye Liangqiu did not meet her and left.

she still couldn’t forget how ye ling died. these few years, mu yun was born in an accident and mu yun’s health wasn’t good. ye ling’s death was only a hurdle in her heart.

she couldn’t skip mu yun to take revenge, but that didn’t mean she had forgotten.

After sending su Cheng off, Qin Anlan saw that she came out with a bad expression. He wanted to tease her a little, but in the end, he did not say it.

she had not forgotten, and neither had he.

next week, asia tv and KING entertainment will be holding a joint starlight gala. you’ll be coming with me. ” He paused for a moment. King Entertainment and Asia TV have come to an agreement. There will be many collaborations in the next three years.

Ye Liangqiu was focused on another question. She looked at him and asked indifferently, is it her personal identity or her identity as a female artist of King Entertainment? ”

She felt a little strange. Qin Anlan had initially wanted her to make a comeback, but he had not mentioned it for so many days.

She wanted to ask, but she didn't have such a plan in her heart, so it wasn't appropriate for her to ask.

at this moment, qin anlan looked at her and smiled. "of course it's because of my identity as a female artiste. liangqiu, it's not yet time to make our relationship public."

"Relationship? What do I have to do with you?" "you're so shameless," ye liangqiu snorted.

Qin Anlan narrowed his eyes. you didn't? " he reached out and pulled her to the sofa, trapping her in his arms.

ye liangqiu bit her lip. " mu yun is here. " he lowered his head to kiss her lips and murmured, "he's asleep."

"Just lower your voice." As he spoke, he kissed her delicate Little Neck, and her bathrobe was also pulled down by him..

Chapter 1355: i want to get married (2)

she was panting a little and put her hands in front of her. " no, i can't. i can't. i can't. i can't. " her voice was soft and suppressed.

Qin Anlan's lips moved to her ear. "to the washroom, huh?"

She was really embarrassed, and she was teased by him like this, so she leaned on his shoulder and nodded slightly.

Qin Anlan, who was hospitalized, picked her up and carried her straight to the bathroom.

As soon as the door was closed, he impatiently kissed her lips.

their lips and teeth were entangled, and their clothes fell to the ground.

she was pressed against the cold wall, and her body was burning hot in front of her.

Although he was in a hurry, he was not in a hurry to take her. As he kissed her, he forced her. "Liangqiu, do you really want me?"

She shook her head, her expression a little frenzied.

Qin Anlan reached out and pinched her cheek. He explored his body to kiss her deeply. In the midst of their hopeless entanglement, his voice was sent into her mouth and crushed. "Liangqiu, you said you wanted me to run away."

She opened her eyes and bit him on the neck.

His gaze became deeper, and it occupied her all of a sudden.

However, for some reason, probably because they were too excited or too nervous, their cooperation was a mess.

She was in pain, and so was he.

In the chaos, she bit his neck. ” qin anlan, don’t you know a lot of people? ‘

He lowered his head and looked at the woman in his arms. It was as if he had returned to many years ago, when she was still a young girl.

She was in pain, but she didn’t dare to say it. She could only clench her teeth and endure it.

At that time, he thought that her face would look good on the big screen, but now, he felt that she belonged to him and no one else was allowed to see her.

Hence, he kissed the corner of her lips and said with a meaningful expression, ” “that was a long time ago,”

However, he was as gentle as he could be. He kissed her again and again and finally carried her into the bathtub.

This was the best they had ever done. Meatl Unity was probably like this.

After Qin Anlan was discharged from the hospital, ye Liangqiu and Xiao Muyun moved into his apartment.

He was very busy, but he still had time to accompany the mother and son.

mrs. qin did not agree to this, but qin anlan still insisted on doing things his own way.

especially when mrs. qin found out that qin anlan’s female companion on the day of the starlight gala was ye liangqiu, she was even more disapproving.

She personally made a trip to King Entertainment’s headquarters.

Qin Anlan came back from a meeting. When he saw his mother, he smiled faintly. mom, what brings you here? ”

“if i hadn’t come, you would have probably forgotten what your last name is.” mrs. qin’s tone was a little stern. ” anlan, you’re too muddleheaded. you clearly know that asia tv is eyeing KING entertainment like a tiger, so why do you still want ye liangqiu to be in the middle? don’t you know that at this time, marrying su Cheng is the most beneficial thing for us? ” you can use her to confuse mr. su. an lan, i don’t believe you didn’t think of that.”

or course, cun Anlan wantea to, Dut ne was not willing to ao so.

without liangqiu, he might have been able to do it, but he wouldn’t hurt liangqiu now.

liangqiu would misunderstand, and she would run away again.

He had been lonely and empty for so long, and he did not want to lose her again.

“Why? you want to marry her?” Mrs. Qin’s eyes lit up.

“what’s wrong?” Qin Anlan poured himself a glass of wine, but he did not drink it. He remembered that he and ye Liangqiu did not use birth control, so he did not drink the wine.

Mrs. Qin also realized that her son had changed! In the past, an Lan’s living habits were not so good!

at the thought of this, mrs. qin’s heart softened..

Chapter 1356: I want to get married (3)

As for why Qin Anlan had changed, Mrs. Qin knew very well in her heart.

It was probably because of ye Liangqiu.

thinking of this, she felt that ye liangqiu was not completely useless. at least in terms of personality, although she was cold, she was more mature than su Cheng. from this point of view, ye liangqiu was clearly more suitable for an Ian, and an Ian also liked her.

however, what madam qin didn’t like was ye liangqiu’s background.

not only was it a small family, but it was also a broken one!

She looked at Qin Anlan and pursed her lips. Anlan, do you know her family and her past? ”

“that’s not important,” qin anlan said indifferently.

“that’s very important!” “Her mother was living in an asylum before her death,” Mrs. Qin said seriously. “Su Xiu went to investigate and found that ye Liangqiu didn’t visit her in the two years before her death.” think about it, how ruthless can you be?”

mrs. qin’s heart turned cold at the thought of it. ” he’s like this to his own mother! An LAN, do you think her heart is made of iron?”

she didn’t want an Ian to follow her old path. she didn’t want an Ian to lose herself because she liked a woman too much.

At the very least, she wanted to see ye Liangqiu’s concern for an LAN, but she didn’t. ye liangqiu clearly didn’t care much about an Ian. in her eyes, there was only her son.

Qin Anlan played with the wine glass in his hand for a long time before he gently placed it on the table. I let her down first. Mom, you don’t have to say anymore. I want to marry her.

he had a premonition that mr. su and his mother would find a way for him to marry su Cheng in the near future.

their goal was to bring down the other party, but he was no longer willing to sacrifice the person he liked for benefits.

After he finished speaking, he stood up. mom, I still have a meeting to attend. Let's have lunch together in the afternoon. If you're free in the evening, you can come back with me to take a look at the cool autumn meal. It's pretty good.

His tone was like that of a son with a family. Mrs. Qin found it funny and angry at the same time. After he left, she sighed. "He's grown up." su xiu laughed alone. "old lady, you forgot that young master is already in his early thirties."

"a little over thirty." mrs. qin mumbled, "su xiu, an Ian is in her early thirties.

i'm not even sixty yet. but you're already calling me an old lady. am i really old?

su xiu was stunned. she looked at mrs. qin and quickly said, "Bah, bah, bah. The old lady doesn't like to call me that. I won't call you that anymore." Mrs. Qin waved her hand. forget it, just call me that.

she stood up. "i'm not eating. i don't feel like eating dinner either."

su xiu supported her. "that's good too. young people have a different taste from us. it's good to eat separately."

as he said this, he sounded out, "It's fine for old lady to see you in the future.

There's no rush."

"you!" mrs. qin turned to look at her. Do you think I don't know that you're feeling sorry for that little ingrate and trying to get information out of me?" su xiu smiled. "how can that be! who would dare to trick the old lady?"

mrs. qin sighed. "i know you all think i'm being unreasonable! however, su xiu, i only want to give the best to an Ian, and ye liangqiu doesn't seem to love an Ian much. this is what she's most dissatisfied with.

"Old lady, young master likes the best. Don't you think so?" su Xiu nodded and coaxed her.

if he didn't like it, no matter how good it was, it was useless to the young master. on the contrary, it was an eyesore.

su xiu gently persuaded her, "also, young master will have a way to deal with the su family. don't worry, old lady." mrs. qin didn't say anything else..

Chapter 1357: He still chooses ye Liangqiu (1)

Very soon, it was Friday.

at 8:30 pm, the night was getting darker.

It was time for the Starlight charity gala co-organized by Asia Vision and King Entertainment.

The ceremony was held in B city's National Hall. Half of the entertainment industry's celebrities had arrived. The reporters had already dressed up and were waiting on both sides of the red carpet. They were all very excited because tonight was ye Liangqiu's comeback night.

the first car slowly drove up to the red carpet. the door opened, and it was the ceo of asia vision, mr. su, and his daughter, su Cheng.

Su Cheng was petite. She was wearing a thin chiffon dress that accentuated her figure. Her hair was not neatly combed, but she had pulled it lazily behind her head. She looked pure and sexy.

The reporters swarmed up to take pictures. Su Cheng stuck to Mr. SU's side like a little bird and posed a few times to satisfy them.

The reporter was most interested in the movements of Asia TV and King Entertainment and asked directly, "President su, it's rumored that President Qin of King Entertainment is interested in getting married to miss su Cheng.

What do you think? "

Mr. Su chuckled. I don't usually interfere in the affairs of the young.

she paused for a moment before continuing, "our family is very democratic.

everything is decided by chengcheng's will. "

The reporter pointed the microphone at su Cheng.

su Cheng smiled sweetly. "i don't think women should take the initiative in such matters! " It all depends on brother an Lan's attitude."

The words 'brother an LAN' had already explained su Cheng's attitude.

The reporters were as excited as sharks that had smelled blood. Just as they were getting excited, the second car arrived.

according to the usual practice, it would be KING entertainment's ceo qin's car.

The reporters swarmed forward and pointed their microphones at Qin Anlan, who was getting out of the car. President Qin, why didn't you come with miss su Cheng? ' qin anlan stood still and curled his lips. "are you questioning me? " the reporter was shocked by his strong aura and was at a loss for words.

qin anlan ignored him and reached out to hold the car door. he half-closed the door and let the person in the car get out.

ye liangqiu, dressed in a black suit, got out of the car.

she had a straight shoulder with a deep V, her waist was tucked in, and her lower hem was spread out. there was a high slit at the base of her legs. her slender and fair leg was extremely beautiful, especially when she stood next to the 186 -cm qin anlan. they were a perfect match.

ye liangqiu was an international movie queen, so she naturally had her own aura. the media also found that her skin didn't show any signs of aging even though she had retired for more than two

years. on the contrary, it was fairer and more translucent, so fair that it glowed. that was probably what it was.

The reporters took pictures like crazy and asked ye Liangqiu, "miss ye, tonight is your comeback night. what are your plans after this?"

"plans, of course." Ye Liangqiu smiled and looked up at Qin Anlan. you'll have to ask our President Qin.

There was a touch of affection in her tone. Ordinary people probably wouldn't be able to hear it, but these reporters were all man -eating sharks. Their noses were sharper than dogs, so how could they not hear it?

after all, qin anlan was previously involved in a scandal with the little princess of asia tv. now, he was suddenly going out with ye liangqiu.

Upon closer inspection, there was a small secret between them.

The handbag in ye Liangqiu's hand was silver, and Qin Anlan's tie was also silver. If they were just artistes from the company, they would not have the illusion that they were wearing matching clothes.

qin anlan smiled faintly. " that depends on miss ye's physical condition! " He said it vaguely, but it couldn't be clearer in the ears of the reporters..

Chapter 1358: He still chooses ye Liangqiu (2)

he said it vaguely, but it couldn't be clearer in the ears of the reporters.

this was probably xuxu preparing for pregnancy?

"what's the relationship between president qin and miss ye now?" a reporter coughed.

"An employment relationship."

"A relationship between a man and a woman."

ye liangqiu and qin anlan spoke at the same time. after they finished, ye liangqiu glared at him.

He smiled and said, " Liangqiu, don't you think we should make our relationship public? "

qin anlan understood that in such an occasion, the su family or his mother would try to force him and su Cheng to be together.

rather than that, he might as well make his relationship with ye liangqiu public.

In this case, she couldn't run away.

he could still guess what she was up to.

Ye Liangqiu was dumbfounded.

she looked up at him, unable to believe what he had said.

this b * stard, she clearly said that she would only accompany him as an artiste, so why did it become like this?

her dazed look was a little funny, but also a little cute.

Qin Anlan lowered his head and kissed her on the lips.

he left after two seconds, but she was even more stunned because there was an extra ring on her finger.

He looked up and was stunned for a moment.

That ring was the only one from the Suri family. Because it was a rare five-carat yellow diamond and was in the shape of a crown, it was called the

Queen of Haechi.

and he put the 'queen' on her hand.

Ye Liangqiu didn't come back to her senses for a long time, not knowing what he meant.

because yingying was too strange!

"do you like it?" he smiled, took her hand, and said to the reporter, "ye liangqiu, my future wife."

both mr. su and su Cheng were stunned. they did not expect qin anlan to appoint ye liangqiu as his wife before the situation was stabilized.

Didn't he know that this wouldn't do him any good?

an unfathomable look appeared in mr. su's eyes, and su Cheng could not hold it in. "Brother an LAN, it's fine to spread rumors! but if you get serious, wouldn't that be bigamy?" no, she had to stop him! so, she ignored mr. su's hint and brought up pei qiqi.

the reporters were in an uproar.

qin anlan looked at su Cheng. he knew that he had made the su family unhappy today.

He could understand Mr. Su, but su Cheng was sure that su Cheng did not like him. Then why would she deliberately target him?

Now was not the time to think about these things. Qin Anlan's main concern was ye Liangqiu.

however, he was concerned about her. this little white-eyed wolf might not think of him this way.

Ye Liangqiu's fingers gently stroked the ring and her lips curled into a cold smile. President Qin, so you have a wife!

she wanted to remove the ring, but he stopped her.

he held her hand in his and looked at her sternly, "ye liangqiu, if you dare to take it down, i dare you!"

She was actually stunned by him and did not move for a long time.

Qin Anlan smiled slightly and pinched her face. This action was a little intimate and not suitable for this occasion. However, when he did it, there was not a trace of disrespect, only a deep affection.

the female reporters at the scene all expressed that they were overwhelmed by sweetness.

They took pictures with all their might, and their eyes were a little hot. This was what love should be like.

a person like president qin looked at ye liangqiu with watery eyes.

This kind of love, this kind of liking, it was unexpected, but it was reasonable..

Chapter 1359: He still chooses ye Liangqiu (3)

Qin Anlan raised his hand and took out a pair of killer pliers. my child with miss ye is already seven years old, so we will get married as soon as possible.

the child was seven years old!

the reporters were going crazy!

all these years, they had been paparazzi for nothing.

the male lead was KING entertainment's leader, and the female lead was KING entertainment's queen. these two actually had a child and they hid it so well!

it was just that the poor little princess of asia had been cannon fodder for so many years.

After Qin Anlan finished speaking, ye Liangqiu stepped on his foot. She wanted to say something and deny it, but Qin Anlan bent down and kissed her.

this time, it was a deep french kiss. he cupped her face in his palm, his lips glued to hers. he crushed the words she wanted to say and swallowed them.

This kiss was very hot. It was hot. At first, it was pleasing to the eye, but later, the female reporter was too embarrassed to look at it. Because they kissed too deeply, Yingluo was

Qin Anlan used up all his lung capacity and released her.

Ye Liangqiu didn't have the air of a Queen. Her entire body was soft. If he hadn't supported her, she would have fallen.

"if you dare to say that you won't marry me, i'll have you now." He murmured to her lips.

to outsiders, it looked especially intimate, but only she knew how shameless he was.

Ye Liangqiu looked up at him in a daze.

qin anlan smiled.

su walked over with su Cheng and gave his blessings with a faint smile.

su did not seem to be forcing her, but su cheng's eyes were a little red.

she looked at qin anlan with a sad gaze. one could not help but think of a love triangle.

However, Qin Anlan treated su Cheng as air. He was also the best Actress. He ruffled su Cheng's hair. "what's wrong with the little girl? are you still reluctant to part with me after being my shield for so many years?"

Even ye Liangqiu was shocked by Qin Anlan's words, let alone su Cheng and Mr.

su.

in one sentence, he had dispelled everything.

He really was the best Actor, and ye Liangqiu couldn't help but sigh at her own inferiority.

what happened next was a little dramatic. the four of them stood together and were photographed.

su Cheng was clearly leaning on qin anlan's side, but qin anlan pulled ye liangqiu to his side and held their fingers together, treating the father and daughter beside them like a menu.

This photo also became the headline.

qin anlan had never let go of ye liangqiu's hand. ye liangqiu had gone from a diva to a future mrs. qin.

celebrities from all over the world came one after another, but no matter how big a superstar they were, they couldn't suppress the explosive news today.

Qin Anlan and ye Liangqiu quickly became the hot topic. Even ye Muyun's identity was exposed.

the ceremony began. ye liangqiu and qin anlan sat side by side. she asked in a

low voice, "why did you do this?"

"is it not good?" He looked at the host and smiled. "or do you want to see me marry su cheng?"

"there is no relationship between the two." she was a little annoyed.

his fingers caught her hand below, holding her firmly in his hand, and he said in a low voice, "even if we don't marry, it will probably take a long time to be intimate with each other. liangqiu, i'm a little tired. i don't want to go on like this." he had used a man's self-pity trick to the extreme.

She, on the other hand, didn't hear it and looked up at him.

qin anlan rubbed his eyes and brows. "liangqiu, be good and listen to my arrangements!" su Cheng is a little willful, but she's not as cunning and scheming as mr. su.."

Chapter 1360: she wavered (1)

The scale of tonight's grand ceremony was very large. All the celebrities were invited by the host to go on stage to donate.

su Cheng donated 10 million yuan, which was quite a large sum. when she got off the stage, she looked at ye liangqiu provocatively.

ye liangqiu laughed and lifted her skirt as she walked up the stage.

She was the finale act, so she reached out and took the microphone from the host. yes, I think everyone knows that I've retired for the past few years, so I think President Qin should express my gratitude for this rescue.

her gaze fell on qin anlan's face. " i wonder if president qin has any objections?

The emcee immediately ran down the stage and spoke into the microphone,

"Just now, our Heavenly Queen ye showered us with dog food. What do you think, President Qin?" as the host asked, he incited everyone present, " president qin, give the beauty a kiss. how about 20 million?

everyone at the scene immediately became hot-blooded and cheered for the kiss.

Qin Anlan stood up and looked at ye Liangqiu. what do you think, miss ye? " ye liangqiu smiled slightly. " no need for the kiss! " We can have a dance."

Qin Anlan turned to the side and said a few words to the emcee. The emcee understood and immediately smiled excitedly."miss ye has won the auction for tonight's first dance. president qin will donate 20 million yuan in miss ye's name." he walked to the pianist and gave him some instructions.

the stage darkened, leaving only a beam of light on ye liangqiu. she stood there alone, lonely and beautiful.

The surroundings fell silent.

everyone could hear the song called 'wait'.

qin anlan slowly walked toward ye liangqiu. he walked to her side and lowered his head. " liangqiu, do you remember? this was the song we played when we first danced.

she looked up at him and said in a hoarse voice, " you still remember? "

he nodded and reached out to hold her waist, gently placing her on his shoulder.

The music was soft, and his eyes were even more so.

Suddenly, she rested her face on his shoulder and did not dare to look into his eyes.

Because she was afraid that she would not be willing to leave after seeing it.

It's enough to be heartbroken once, Yingluo. yes, she had never thought of spending the rest of her life with him. she wanted to leave him when she was pregnant.

from then on, he would never appear in front of him again.

He turned her around gently and smiled. Liangqiu, you're afraid, huh? " "i didn't!" she buried her face in his shoulder and said in a low voice.

‘ you’re still trembling without qianqian!?’ ” He smiled and simply hugged her in his arms. He hugged her very tightly, enough to protect her.

They were in public, so ye Liangqiu was a little embarrassed. Qin Anlan, people will laugh.

“then let them laugh.” He straightened her face and looked at her with his dark eyes.

He had already stopped in his tracks, and he held her face in his hands as he looked at her intently. everything around them had disappeared. it was as if they were the only two people left in the world.

she raised her head and looked at him helplessly.

her breathing started to become erratic and unstable. she called out to qin anlan softly, her voice trembling slightly.

he mumbled an “mm” in a daze and finally leaned forward to kiss her on the lips.

heaven and earth, everything calmed down, leaving only eternity.

At this moment, he actually wanted to cry.

“Liangqiu, I don’t think I’ve ever liked someone so much,” she said in a deep and hoarse voice.

it wasn’t infatuation, it wasn’t a spur of the moment impulse, it was reminiscence.

He missed everything he had with her.

He had lost it before, but he had found it back. Only when he found it back did he know how ecstatic this feeling was..
