

Thank you 1361

Chapter 1361: She wavered (2)

Ye Liangqiu's body didn't move. She let him hug and kiss her without responding.

He seemed to be unwilling to give up. The friction between their lips became more intense, and she stepped back slightly. I'm not interested in performing.

"this isn't a performance! he can't help it. " he smiled and finally let her go, but he kept holding her hand. " i had a great time tonight. "

He wanted to send her off the stage, but he had only taken two steps when the chandelier above him suddenly made a clear and fragile sound.

He looked up and saw that the crystal chandelier was right above ye Liangqiu.

With a slight force, she was pulled into his arms, and the two of them fell to the ground.

there was a loud bang as the crystal lamp hit qin anlan's waist. the sharp crystal pierced his skin, and the lamp rack hit him, causing him to groan.

But from beginning to end, he had always held ye Liangqiu in his arms, carefully holding her like he was holding a treasure.

At that moment, everyone believed that he truly loved her.

it was because human instinct could not lie.

qin anlan laid on the ground for a long time before moving his hands.

his palm was placed on ye liangqiu's lower abdomen. he was afraid that she was pregnant, so he ran ran.

"Liangqiu, are you alright?" his face was on her neck, his voice was hoarse and weak.

at this moment, the people around them let out a scream.

god, this was too terrifying.

su Cheng was the first to run over. she knelt in front of them and touched ye liangqiu with trembling fingers."sister cold autumn! Are you alright?" qin anlan's eyes flashed with a glint.

Su Cheng didn't care that he was covered in blood. Instead, she asked if cool autumn was alright!
n/ô/vel/b//in dot c//om

what kind of feelings did su Cheng have for cool autumn?

qin anlan closed his eyes and thought of his attitude towards shen lian when they were young.

the more he liked her, the more he didn't want to talk to her, and the more he acted like he hated her!

was su Cheng the same?

before he could think too much, mr. su came over and pulled su Cheng up. then he looked at qin anlan and said, "she seems to have fainted. anlan, can you move?" qin anlan had never been in such a sorry state before. he gritted his teeth. "maybe not."

su pursed his lips and called for a staff member to bring a stretcher to carry qin anlan up.

Then, he hugged ye Liangqiu and said, "find her a resting room and call a doctor."

Mr. SU's reaction made Qin Anlan squint his eyes. Although it was painful, his brain had not rusted.

"No need, let her go to the hospital with my ambulance." qin anlan had other plans in his heart. it would be best if liang qiu could go to the hospital for a check-up. besides, he was worried about keeping her.

su hesitated for a moment. "that's good too." "

As the injured person was a famous person, the ambulance and the police arrived very quickly. The scene was cordoned off, and Qin Anlan and the unconscious ye Lianzaiu were sent to Shenzvuan hosDital.

he didn't dare to sleep. he couldn't sleep in this situation.

he wanted to protect her.

kie went to the scene immediately and was informed that it was an accident.

When he rushed to the hospital, the doctor had taken out the shards on Yi Anlan's back, so he could only lie down.

He did not use anesthesia because he had a lot of things to arrange.

go to the police station. Don't make a conclusion. Just say that it was man-made. We need to find the real murderer. Qin Anlan's Black eyes were deep. He pursed his lower lip and said indifferently, "i want to see what mr. su and su Cheng are thinking."

Their reaction just now was too wrong..

Chapter 1362: She wavered (3)

"I understand, President Qin."

Qin Anlan looked at ye Liangqiu, who was still unconscious, and pursed his lips. "don't let her know."

Kie's expression was complicated. It seemed that boss Qin was serious.

Qin Anlan felt a little sleepy after he was done explaining. "let's just waste a little more time. we don't have to do it ourselves. i think mr. su and su Cheng will start a dog-eat-dog fight. it'll be a good show." "

after KIME left, qin anlan lay down and looked at ye liangqiu who was lying on the ground. the doctor had already examined her. she was fine, but hanhan had fainted from shock.

“I thought you were very bold! useless little thing.” As he spoke, a faint smile appeared at the corner of his mouth. He took his cell phone and dialed the number of his mother’s house.

It was su Xiu who caught it.

“Aunt su, Liangqiu and I have had a small accident and are in the hospital now. Go to the apartment and bring mu Yun over. Don’t let my mother know for the time being.” qin anlan said softly.

He had his own considerations. His mother didn’t like Liang Qiu to begin with. If she knew that he had been injured because he had saved Liang Qiu, she would probably dislike him even more.

su xiu was also a little surprised. however, hearing that there was no problem with his tone, she immediately went to do it.

Without any worries, Qin Anlan fell into a deep sleep.

His hand stretched across the space between the two beds and held her hand.

liangqiu, i don’t want to let go of your hand anymore. the corners of his mouth curved up slightly. ye liangqiu only woke up in the middle of the night.

Before she opened her eyes, she could already smell the disinfectant.

he opened his eyes slowly and looked around at bai susu. he knew that she had been hospitalized.

She moved a little, but she didn’t feel any discomfort. She only felt a little dizzy and hungry.

her hand was held by someone. she looked over and saw qin anlan.

He was sprawled on the bed, his face turned to her side, fast asleep.

Probably because he was sleeping, his face looked much calmer and younger man usual.

She recalled how he had pounced on her and protected her in his arms. Xuxu’s heart wavered.

She gently let go of his hand and gently placed her hand on his face, reaching out to caress his facial features.

“how do you feel?” His deep voice rang out.

She quickly retracted her hand and wanted to leave, but he caught her.

he held her hand and half-forced her to move around his face. his voice was a little soft as he asked, ” liangqiu, are you worried about me? ”

“president qin, you’re very self-confident.” Her voice was deliberately cold.

He just looked at her for a while before he smiled softly. really? Then why didn't you run away or take off the ring the first thing you did when you woke

her face was a little hot, and she stared at him for a long time without saying anything.

Qin Anlan smiled. Liangqiu, it's not embarrassing to worry about me.

He looked at her with some warmth in his eyes, but he felt a little regretful that she was not pregnant.

he wanted her to be pregnant so that she would never be able to escape. Ye Liangqiu lowered her eyes and bit her lip after a while. are you hungry? ”

“I want to eat you more,” Qin Anlan said with a smile.

“don't you go too far!” She glared at him angrily.

qin anlan laughed out loud and looked at her. after a while, he chuckled. ” i probably don't have the energy to do that now. Liangqiu, don't work too hard.

You can eat tomorrow morning.”

He saw her get out of bed, so he quickly stopped her.

Ye Liangqiu lay back down and closed her eyes. Qin Anlan, thank you..

Chapter 1363: she wavered (4)

he looked at her for a long time before saying softly, ” “we're getting married.” She opened her eyes, and there was a hint of helplessness and shock in them.

“You don't think I'm joking, do you?” He laughed bitterly. if it's fake, I wouldn't have to work so hard to save you.

He deliberately wanted to make her feel guilty and coughed lightly. another inch and it would probably have pierced my heart.

as he spoke, ye liangqiu's heart skipped a beat. she looked up at him in a daze.

qin anlan pinched her nose. ” i was lying to you, silly! ‘

His tone was so doting that it was hard to ignore it.

If she did not want to get pregnant at this moment, she might have told him directly, ” Qin Anlan, it's impossible between us. she would have turned around and left. Then, there would not have been so much struggle.

However, she couldn't leave. Besides being pregnant, Wanwan also wanted to take revenge for ye Xiao.

She did not say a word. He waved at her and said, ” Liangqiu, come over and lie down beside me. even if he couldn't hug her, he still wanted to be closer to her.

She seemed to have hesitated for a moment, but in the end, she still climbed to his side.

He smiled faintly and closed his eyes.

it was good that she was by his side.

At dawn, a new day began.

Qin Anlan only had external injuries, so if he recuperated properly, he would be able to recover and be discharged from the hospital very quickly.

su and mrs. qin arrived at the same time at 10 am.

When he saw her at the door, Mr. Su was obviously surprised and smiled. "hongke."

mrs. qin and mr. su grew up together. mrs. qin was a few years older than mr.

su.

at this age, he felt that there was a difference of more than ten years.

mrs. qin's gaze also quietly fell on mr. su's face. after a long while, she smiled faintly."sorry for troubling you last night, mr. su."

Paper can't wrap fire. As soon as Mrs. Qin saw Xiao Muyun, she knew that something had happened to Qin Anlan and ye Liangqiu.

However, she did not expect to bump into Mr. Su.

Mr. Su smiled. you're too kind, Hongke. I've watched an LAN grow up. There's no way you're going to call her trouble.

mrs. qin didn't say anything else, and the two of them pushed open the door.

there were quite a few people in the ward. there were four or five doctors and nurses.

Qin Anlan was lying on his stomach. He was probably not wearing any clothes as the blanket covered everything below his waist. His back was covered with injuries.

Ye Liangqiu was changing his medicine.

She was a little speechless. Originally, the nurse was quick and agile in doing this, so he would suffer less, but he had to let her do it.

He said it was his flesh.l He wouldn't let other women move.

qin anlan, " she snorted, " didn't you let people touch you less in the past? "

He still had the cheek to say, " in the past, I was the one who touched them and didn't let them touch me.

Shameless! she decided to teach this shameless man a lesson, so she couldn't help but be a little harsh.

if she was ruthless, he would be even more shameless.

he hummed softly, mumbling, as if he was saying,l it was like a bed.

the doctors and nurses covered their mouths and laughed, so ye liangqiu hit them even harder.

Doesn't he like to call me that? I'll call him that.

However, he screamed so miserably that she couldn't bear to see him like this, so she relaxed her hands and feet.

"i know our little cool autumn cares about me." he was shameless again. if he could move now, he would definitely hug her and kiss her.

ye liangqiu's face was a little hot. "you're already so injured, but you're still not being honest.

Qin Anlan did not say anything, but his heart was unbelievably soft.

Mrs. Qin turned around and looked at Mr. Su. "it seems that an Ian has decided! Cheng Cheng and him are not fated to be together.."

Chapter 1364: she is the daughter of the su family (1)

su looked at mrs. qin for a long time before he smiled. "as long as an Ian is happy. chengcheng is still young. "There's no rush." the two old men looked at each other, each with their own ulterior motives.

when she finally entered the ward, the doctor and nurses made way for her.

Ye Liangqiu was still helping Qin Anlan apply the medicine, and Qin Anlan was still screaming non-stop.

mrs. qin was a traditional woman. although she was old, she couldn't help but scold, "An LAN, you're too outrageous." qin anlan turned his face to the side and looked at mrs. qin. "mom, president su, you're here. "

Mr. SU's gaze fell on ye Liangqiu's face. After a long time, he said softly, "It seems like there's nothing important."

Qin Anlan also noticed his gaze and smiled faintly. yeah, it's not a big deal. He reached out and tugged at ye Liangqiu's finger. "alright, let's just bandage it up."

His voice was warm, just like how a husband would treat his wife.

ye liangqiu pursed her lips, nodded, and began to bandage his wound.

this time, it was not her intention to cry out, but her technique was indeed not very good, so qin anlan groaned twice.

mrs. qin couldn't take it anymore and coughed."let the nurse do it!"

"No need!" Qin Anlan propped himself up and let ye Liangqiu help him up weakly.

He didn't look too good. He seemed to have lost quite a bit of blood. thank you for coming to see me, President su.

“i wanted Cheng Cheng to come, but she refused to come no matter what, so i had to come and see for myself,” mr. su said with a smile.

He sighed a little. an LAN, seeing that you’ve found someone you can spend the rest of your life with, uncle is happy for you.

as he spoke, mr. su took out a box and handed it to ye liangqiu. ” this is a small gift from your aunt su and me. don’t forget to invite us to your wedding. ‘ ye liangqiu raised her eyes and looked at mr. su hesitantly.

there was a huge fight going on between asia tv and KING entertainment, so how could she accept this gift?

Besides, accepting it seemed to be silently agreeing to her marriage with Qin Anlan. She had not thought it through yet.

At this moment, Mrs. Qin’s tone was a little faint. “why aren’t you accepting it and thanking me?”

Her voice was quite dignified. Ye Liangqiu wasn’t afraid of Mrs. Qin before, but now she was a little scared and fell for her tricks. She took it and whispered a thank you.

Mrs. Qin turned to Mr. Su and said, ” “She’s still young and insensible. Please forgive her.”

qin anlan looked at ye liangqiu with a meaningful gaze. yingluo was still young?

ye liangqiu glared at him. if there was no one around, she would have definitely scratched him on the back. he deserved the pain.

su could not help but smile. ” that’s right. bingqiu and Cheng Cheng are about the same age! but she’s much more promising than my daughter!

liangqiu won many international awards at the age of 19, while chengcheng only knows how to spend money and not give birth.” as he spoke, he shook his head.

Qin Anlan’s heart skipped a beat, but he did not say anything. He only smiled.

Mr. Su didn’t stay for long and quickly left.

after they left, mrs. qin’s politeness was gone, and there were only the three of them left.

qin anlan nudged ye liangqiu, who was in a daze, and said softly, ” “Open it and see what it is.”

Ye Liangqiu seemed to wake up from a dream. She opened the box and saw a white jade bracelet..

Chapter 1365: she is the daughter of the su family (2)

She didn’t know much about these things, but Mrs. Qin could tell at a glance.

Mrs. Qin looked at ye Liangqiu in surprise. After a long time, she said softly, ” “i remember that this was madam su’s dowry in the past. she cherished it very much. i could still see her wearing it in the early years, but i didn’t see it later.”

Ye Liangqiu handed the item to Madam Qin, who looked at it carefully again.

this is a high-quality sheep-fat white jade. This one is worth ten thousand gold. Keep it well! you're probably also someone that Mr. Su likes."

Ye Liangqiu put it away.

she also didn't realize that Mrs. Qin's attitude was enough to show that she had softened and agreed to her marriage with Qin Anlan.

She had been in a daze the whole time and did not notice Qin Anlan staring at her for a long time.

"Liangqiu, go buy me breakfast." he sent her away and asked for a special breakfast from a hotel.

Ye Liangqiu glanced at him, changed her clothes, and went out.

after they left, Madam Qin smiled and said, "Look at how cold she usually is, but she's become a little wife to you."

Qin Anlan furrowed his brows for a moment before relaxing them. he looked at his mother and chuckled. "Mom, is that what you think?"

"Look at your useless face!" "She's not the one I'm most satisfied with, but if you insist, I won't object," Mrs. Qin sighed.

Qin Anlan's gaze fell in the direction of the door. After a while, he said, "Cool autumn is pretty good! Don't be fooled by her cold appearance, she's actually a little girl."

He more or less felt that he had let her down.

It was true that he had met countless people, but it was also true that he was the only one she had from the beginning.

Lin Xingyuan had never been a problem. If Liang Qiu and that man were really together, they would have been together a long time ago. There was no need to wait until now.

"If I had a chance to start all over again, I wouldn't have missed these six years." Qin Anlan looked at his mother. I really do like her.

And it took him six years to recognize this fact.

He didn't want to miss another six years.

Mrs. Qin couldn't help but criticize him. "In the future, don't tell me whether you're doing well or not. You're the one who chose to do so." although his words were a little unkind and unpleasant, he still agreed.

Qin Anlan slowly sat up straight and smiled. "Mom, thank you."

Mrs. Qin looked at her son's serious expression and felt a lump in her throat. However, her words were still stubborn. "Don't be so talkative with me, look at you." however, thinking about it, it was a good thing that his son was willing to keep his heart in check and not do anything reckless.

In the past, it was because of Shen Lian that an LAN had always treated women with a playful attitude. That was why he had given up on ye Liangqiu for six years.

when she thought of shen lian, mrs. qin sighed.

Shen Lian has been dead for two years. Yingluo, that woman, is courting her own death.

When ye Liangqiu returned, Mrs. Qin was no longer there.

Qin Anlan looked at her with a faint smile. She put down the breakfast and glanced at him. I didn't agree to get married.

Qin Anlan sat down and started eating breakfast. He was really hungry, but he also threw something to her. His voice was unclear as he said, "this is from mom. She said that she would pick something for you when we go back to her place.

ye liangqiu glanced at him and opened the rather large box.

Opening it, there was a set of blue gem jewelry.

It was a classic design and extremely expensive.

Ye Liangqiu knew a little bit about it. A set with such color and weight would cost at least tens of millions.

Chapter 1366: She is the SU family's daughter (3)

ye liangqiu knew a little bit about it. a set with such color and weight would cost at least tens of millions.

"I can't take it," she closed it and returned it.

"Why can't I accept it?" qin anlan threw it to her again and said, 'take it and play with it! i'll buy you a new one in the future.' what brother! Abnormal!

She looked at him.

"Cool autumn." he put down the spoon in his hand and said seriously, "I think the whole world knows about our marriage. Do you think you can afford to ruin it with your reputation? "

then, he paused and reminded her, "our son has also been exposed. Do you think that not getting married will be a good thing for Muyun's future?" Ye Liangqiu was a little angry. Qin Anlan, you're too despicable.

he sighed, "i admit it!" but liangqiu, i'm just afraid of missing you."

"the marriage is set to be in a month's time. liangqiu, let's get married, okay?" this time, he was full of sincerity and asked seriously.

She looked at him and suddenly hesitated and wavered.

She thought of mu Yun. Indeed, as he said, this path was the best for mu Yun.

but she also thought of his past.

qin anlan, if there's someone else by your side one day, i'll leave you. " " i won't hesitate, " she said firmly. " i won't let you find me again. "

For things like forgiveness, once in a person's life was enough.

Qin Anlan's throat felt as if it was blocked, even though she had never said that she hated him.

however, the way she said it now proved that there was resentment in her heart. now, she had let go of that resentment.

"No, there won't be anyone else," He put an arm around her shoulders.
Liangqiu, I promise that there won't be anyone else.

However, at such a time of satisfaction, he actually also felt a little uneasy.

It was probably because she cared too much that she started to worry about her gains and losses.

After urging Mr. Su to return to the SU family's mansion, he stopped the car. He didn't enter the house immediately, but stood in front of the tree at the door.

it was not long ago that he had found out that liang qiu was his daughter.

At that time, he had stood upstairs and watched ye Liangqiu standing at the door in a daze.

Although he was far away, he saw her dig out a box under the tree by the door.

He remembered that his precious susu had once climbed onto his lap and told him that she had a promise with brother an LAN. The promise was under the tree in front of the door.

No one else knew about this.

Why had ye Liangqiu prepared to find the box?

He had someone pull out ye Liangqiu's hair and do a DNA test.

ye liangqiu was his susu.

his precious susu.

He had found his daughter, but he could not acknowledge her. she was qin anlan's woman, and king entertainment was something he had yearned for his entire life. he had planned for it his entire life.

susu, just bear with it for a little longer. daddy will bring you back.

i'll give you everything to make up for all the suffering you've suffered all these years.

Mr. Su stood under the tree for a moment before he slowly walked into the SU family's mansion.

Behind him, a white sports car drove over slowly. The window rolled down and su Cheng's face was revealed.

the old man must have known something!

did he really want her to marry qin anlan?

Not necessarily! from the looks of it now, he clearly wanted his biological daughter to marry into the family.

In that case, would he still leave it to su Cheng?

Su Cheng did not dare to have such a sweet dream. A touch of hatred rose in her eyes.

They had adopted her, but they had never loved her..

Chapter 1367: She is the SU family's daughter (4)

Mrs. Su had not returned from her best friend's party, so only Mr. Su and su Cheng were left in the SU residence.

it was night.

su Cheng had heard from the housekeeper that sir had drunk some wine and was not feeling well.

There was a tray in the female manager's hand with a bowl of hangover soup.

"i'll give it to my dad." su Cheng smiled, took the tray, and slowly walked upstairs.

Every time she walked, her heart would beat faster.

she pulled open the door to the master bedroom's living room and stood at the door. she watched as su shicheng lay on the sofa with an empty cup on the table beside him.

There was also a faint smell of hard liquor in the air. It seemed that he had drunk a lot.

su Cheng walked over and stepped on the wool blanket. her steps were light and su shicheng didn't notice her.

putting the soup aside, su Cheng squatted down and called out softly, "dad," he said.

Su Shicheng did not react at first. Su Cheng looked around, and at this moment, someone caught her hand.

He clenched it tightly.

She lowered her head and saw su Shicheng's face turn towards her, but his eyes were still closed.

"Hongke, is that you?" Su Shicheng muttered, his fingers holding her hand and rubbing it a few times, a sense of nostalgia in his voice.

Su Cheng was a little shocked. Hong Ke? "

one had to know that hong ke was mrs. qin's real name, and su shicheng and the qin family were long-time friends, yet he actually had designs on mrs. qin.

Su Cheng pursed her lips and did not dare to pull her hand away.

su shicheng, on the other hand, had really drunk too much. at this moment, he felt like he was in a dream, thinking that he had returned to the past, back to his childhood.

“Hongke, you’re back, aren’t you? You’re not going to marry him, are you?” Su Shicheng closed his eyes and laughed bitterly, “why did you marry him? I’ve liked you for so many years. Why did I marry him?” he held su cheng’s hand tightly and thought for a while before mumbling, you see, i just randomly found a woman to go over, and he left with someone else. hongke, why are you guarding him like this? ”

Su Cheng’s eyes widened in shock. She knew a thing or two about the Qin family.

It turned out that su Shicheng was behind all of this.

The person who tore apart a family and ruined Mrs. Qin’s life was actually su Shicheng, her hypocritical good father.

su cheng’s heart was beating very fast. she knew that if su shicheng woke up now, she would probably be doomed eternally.

He would never let her stay.

Hongke, we’re not fated. Look, our children are fated. They’re already so big. su shicheng held his forehead with his other hand and gave a desolate smile, “They’re getting married.”

But he still couldn’t forget that hatred. He couldn’t forget the hatred that he yearned for her all his life but couldn’t get.

So, Hong Ke, I’m going to take away everything from the Qin family and make you have no one to rely on in your old age. Then, you’ll see that I’m good and forget that heartless person, right?

Su Shicheng was drunk and had vomited out too much.

When su Cheng went out, she was in a daze.

It turned out that su Shicheng knew everything about Wanwan knowing that ye Liangqiu was his child and that everything was under his control. Su Cheng was just a small chess piece.

the marriage between her and qin anlan had been a pretense from the beginning to the end.

She pursed her lips tightly and clenched her hands into fists ...

she knew that she would lose her value very soon. by then, she would really not be far from death.

the next morning, during breakfast.

for the first time, su Cheng woke up very early, but there was a bruise under her eyes that could not be covered with powder.

when she went downstairs, mr. and mrs. su were already seated..

Chapter 1368: Chapter 1371-each with their own plans

she had noticed that mrs. su’s face was radiant today, probably because they had done it last night.

Su Cheng only felt pity for her. After so many years of being together, every time she lay under su Shicheng, she probably didn't expect that her husband's mind would be filled with that old woman, Mrs. Qin, with his eyes closed!

to be honest, in terms of appearance, mrs. su looked twenty years younger than mrs. qin. she couldn't understand why su shicheng was so obsessed with mrs. qin, who was already an old lady.

Mrs. Su looked at su Cheng and waved her hand. Chengcheng, you're up early today. Come and have breakfast! your auntie hong made your favorite sandwich."

The corners of su Cheng's mouth lifted. Aunt Hong?

If she hadn't forgotten, there was still an Auntie ke at home. What a perfect match!

She just didn't know if the male owner had pampered all of them.

she sat down and smiled sweetly at mrs. su. "i have to thank auntie hong. ' mrs. su looked at her beloved daughter's loving face and tidied her hair for her, then said, "These days, you should also put your heart into it. Don't fool around outside all day long. Go to the company and help your father. In the future, if your father doesn't give the family business to you, who else can he give it to?" su Cheng gave a muffled " oh ".

mrs. su raised her eyes and looked at mr. su, asking meaningfully, " "is it shicheng?"

su folded the newspaper in his hand, looked at su Cheng, and smiled. "Girls need to be well-off, don't worry."

"Didn't Hongke do very well in the past few years? Our Cheng Cheng is so smart, she can definitely do it too." Mrs. Su had inadvertently poked Mr. SU's sore spot, but she did not feel it and continued to look at su Cheng lovingly.

Su Cheng's heart beat faster, and she stole a glance at Mr. Su.

Mr. Su paused and looked at su Cheng. were you the one who brought dad the soup last night? "

He must have asked the female manager before. Su Cheng smiled sweetly at him. "Yup! but no matter how i call dad, i can't wake him up. mom is more effective. " mrs. su's face turned red and she rebuked her, "You're just a child, don't talk nonsense."

Su Cheng took the opportunity to act coquettishly. how is that nonsense?

daddy loves mommy a lot.

These words made Mrs. SU's heart feel good. She smiled and ruffled su Cheng's hair. "our Cheng Cheng is the most obedient."

Su Cheng looked at Mrs. Su and smiled sweetly. mom is the best. n/ô/vel/b//in dot c//om

"Alright, it's time to eat," Mr. Su glanced at the mother and daughter.

Mr. SU's private lawyer, Mr. Zhang, came over before he even finished his breakfast.

"let's talk upstairs!" mr. su stood up.

the two of them went upstairs.

su Cheng looked at their backs and then turned to mrs. su. ” “mom, why do you think lawyer Zhang came over so early in the morning?”

“who knows about men’s affairs!” Mrs. Su was really proud of herself this morning, her face full of love.

Su Cheng laughed coldly in her heart. Some women would never understand in their entire lives.

He thought he was very happy, but he didn’t know that the person sleeping beside him was always thinking of someone else.

mom, I’m done eating. I’ll go upstairs and touch up my makeup first. Then, I’ll obediently follow dad to work. su Cheng kissed mrs. su’s face affectionately.

“you’re so smart,” mrs. su laughed and scolded.

she was in a good mood. other than the sweet moment she had with mr. su last night, she was also happy that qin anlan, the scourge, was going to marry someone else. she did not have to sacrifice Cheng Cheng anymore.

However, Mrs. Su was a single-celled organism. How could she know the danger of the current situation? she could not guess what her husband was thinking. Even su Cheng’s mind was far better than hers..

Chapter 1369: each with their own ulterior motives (2)

su Cheng quietly went upstairs. when she reached the study, her footsteps stopped.

the door to the study was closed, so she couldn’t hear him clearly.

in the end, she simply put her ear to it and heard su shicheng’s voice,”cross out su cheng’s name from the will and replace it with ye liangqiu’s name.” su cheng’s fingers were clenched tightly.

lawyer Zhang wasn’t surprised and nodded.

however, he added, ” shouldn’t you keep some of it so that the child’s life will be guaranteed in the future? ‘

however, she was met with su shicheng’s cold voice,”i’ve already found my biological daughter. i don’t need her anymore.”

Su Cheng’s legs were a little soft. She didn’t need it anymore.

there was no need. yes, she was a fake. now that the real one was back, there was no need for her.

even though she had already guessed that this would be the outcome, she was still a little sad.

she had called them ‘mom’ and ‘dad’ for so many years, and she had truly loved them once.

she didn’t really want it, but she was just unwilling to accept that she was just a substitute.

that night, su Cheng flew to city H.

At ten o'clock in the evening, she was having sex with a man in a bedroom in a villa.

After she was done, she rolled to the side and lay down, looking at everything around her in a daze.

Sitting up halfway, he took a long and thin cigarette and put it in his mouth. "Are you in love with her?" the man sat up and turned his face. "How could that be?"

Su Cheng impatiently took a few puffs, then pressed the cigarette into Lin Xingyuan's lips. She stared into his eyes and said coldly, "I asked you to keep her company, not to fall in love with her, do you understand?"

Lin Xingyuan's pupils contracted. After a long time, he said softly, "Cheng

Cheng, you are the only one in my heart."

"It's good that you know." Su Cheng looked at him and stretched out her long fingers. She slid down his chest, little by little, as if she was picking beans.

After a long time, she stopped and whispered in his ear. Lin Xingyuan looked at her with a little surprise and a little fear.

"What, you don't want to?" Su Cheng's eyes flickered with displeasure. "Didn't you say that you would be loyal to me forever and only like me?"

Lin Xingyuan pursed his lips and reached out to hug her. He buried his face in Su Cheng's neck. So, Chengcheng, don't make it difficult for me, okay?"

"You can't bear to?" Su Cheng sneered and pushed him away. Lin Xingyuan, is it me or her in your heart? If it's me, then do as I say.

Lin Xingyuan looked at her and smiled bitterly after a long time. "Chengcheng, you know that I'm willing to do anything for you."

Su Cheng was instantly happy. She hugged Lin Xing and said in a low voice, "One more time?" Lin Xingyuan's body stiffened for a moment, but he quickly played along with Wanwan.

Su Cheng lay on the messy bed sheet and closed her eyes. When he couldn't see her, her face was full of disgust.

Every time she came into contact with him, she had a purpose. There was no enjoyment at all.

She didn't like to do such things at all.

Suddenly, she opened her eyes and looked down at Lin Xingyuan's head, "What's wrong?" Lin Xingyuan laid on her body and panted. "I'm a little tired."

Su Cheng pursed her lips. "Then, you won't be able to do anything when you're with Ye Liangqiu, will you?"

Lin Xingyuan's fingers continued to comfort her body as he whispered in her ear, "Chengcheng, you'll let me touch her?"

"Of course I won't! If you dare," Su Cheng said firmly, "I can guarantee that I'll cut you up."

Lin Xingyuan paused for a long time. He suddenly stood up and looked at her.

“Chengcheng, do you love me?”

Su Cheng did not answer..

Chapter 1370: Who cares about you? don't flatter yourself

(1)

qin anlan was hospitalized for a week, and ye liangqiu took care of him for a week.

his injuries were slowly healing, but they had left permanent scars on his body.

Especially on the side of his waist, there was a wound that was about ten centimeters long that would never be obliterated.

ye liangqiu helped him apply the medicine as he lay on his stomach. her fingers gently and slowly moved over the medicine, her heart palpitating.

when she woke up and saw that he was fine, she didn't feel scared.

however, he was still afraid after thinking about it. if the chandelier fell on his head, the consequences would be unimaginable.

“What, does your heart ache for me?” qin anlan's voice was calm, but there was a hint of a smile.

He sat up, tied his bathrobe, and looked at her with bright eyes.

Ye Liangqiu glanced at him. who cares about you? don't think too highly of yourself.

“you're getting married, yet you're still so stubborn.” “On the night of our wedding, I had to melt you,” he said as he placed his finger on her lips.

Ye Liangqiu couldn't stand his shameless words and got off the bed. “I'll be discharged in a while, so I'll pack my things.”

“let the servants clean up! take a rest.” he said naturally. actually, with her status, this kind of thing should have been done by someone else long ago! “I'm used to cooking by myself,” ye Liangqiu said softly after a pause.

when she said this, he felt bad. after a while, he pulled her into his arms and said in a warm voice, “then we'll do it together in the future. ”

He laughed and looked down at ye Liangqiu.”What's wrong? isn't it funny?” “this isn't funny at all,” she said coldly.

“Alright then!” He touched his nose and coughed lightly. Liangqiu, don't you think that we don't look like we're getting married at all? ”

Ye Liangqiu snorted. who wants to marry you? ‘ he looked at her, and a hint of danger began to appear in his eyes.

In the next second, Yingying, who was trapped under him, also felt his touch.

“Qin Anlan.” “You are injured.” She bit her lip and glared at him.

his fingers gently touched her lips, and his voice was slow, but with a touch of tension. ” “this won’t stop me from wanting you.”

“It’s still daytime.”

“you can’t do anything during the day?”

“She’s in the hospital now.” ye liangqiu pursed her lips and glared at him.

Qin Anlan smiled gently and looked at her. Liangqiu, it’s not like we haven’t done it in the hospital before.

his voice was a little light. ” i remember you were screaming quite happily in the hospital the last time. ‘

He leaned close to her ear and said something dirty. it was pretty tight that time.

“You get up.” she pushed him away, her face blushing.

Qin Anlan’s heart softened, and his voice was unprecedentedly gentle. then we’ll do it at the apartment.

“I don’t want to do it with you.” she glared at him with hatred. ” qin anlan, you’re shameless. ”

“I think so too, ” he nodded in agreement. n/ô/vel/b//in dot c//om

However, he quickly became serious. Liangqiu, if I was a little more shameless,

you would probably have flown away. So, I would rather be shameless. At least I can have you again.

in front of her eyes was his magnified handsome face.

“Cool autumn.” he suddenly hugged her again and buried her face in his chest.

Some words were actually very difficult to say, and she was a little shy.”Have I ever said that I love you?”

She had unconsciously fallen in love with him, and now she realized that it was deep love.

even though he knew there were countless possibilities, he was still unwilling to give up on yingying..
