

Thank you 1381

Chapter 1381: a crooked upper beam will have a crooked lower beam (3)

qin anlan looked at his mother and smiled. "this was an accident.

he paused for a moment before continuing,"and it could also be considered as mu yun bullying the little girl."

Mrs. Qin only left because she knew about Tang Yu and PEI Qiqi. She looked at Qin Anlan, "did you bully Tang Yu's chubby little one? ' qin anlan did not say anything, which was considered an admission. Mrs. Qin snorted. a Crooked Stick will have a crooked shadow.

Ye Liangqiu pursed her lips and smiled.

qin anlan was speechless. he touched his nose and glared at her.

"did i say something wrong?" Mrs. Qin snorted coldly. look at Xiao Muyun. She was such an introverted child. She was a good person at first, but she must have become bad after following you around.

qin anlan laughed bitterly. "mom, children are just playing around. "what about you? Are you also playing around?" mrs. qin sneered.

qin anlan stopped talking, and ye liangqiu also stopped talking.

at this moment, mrs. qin calmed down. "be careful in the future. don't let my precious grandson learn from you. "

qin anlan smiled. "then mu yun will be taught by the old lady. that way, the old lady will be at ease. '

an LAN, you don't have any good intentions every time you call me old lady. Mrs. Qin exposed him without holding back. what, you want to throw your son to me and spend some alone time with me? " qin anlan touched his nose again. "how can i? "

"i just want the old lady to be happy and have someone to accompany her."

"When I'm lonely, I'll naturally go and see him." mrs. qin ignored her lecherous son and turned to ye liangqiu. "if muyun is free, come back to my place. i have something to tell you.

Some things were probably the family rules of the Qin family.

Ye Liangqiu wasn't a naive girl. She smiled and said, "Muyun, you should stay for a night. It'll make you feel at ease.

she wasn't trying to curry favor with mrs. qin, so she wasn't very likable.

Moreover, it was obvious that he was going against her.

Mrs. Qin was displeased, but she couldn't do anything about it. Besides, her disappointing son was still watching.

In all fairness, ye Liangqiu had also surprised her.

he had thought that such a cold female celebrity would be reserved in private, but mu yun, this little fellow, liked to lie in her mother's arms. just looking at her made him feel soft.

In the past, the word "dainty wife" was used to describe a petite woman, but ye Liangqiu was so tall that the word didn't seem out of place on her.

Mrs. Qin looked at her son's gaze. Seeing the love in his eyes, she felt a little upset.

An LAN could be considered as someone who had lived among many flowers, but she had fallen into ye bingqiu's hands.

No matter how much she disliked it, she could only accept it. Besides, she really liked mu Yun now.

mrs. qin's face reddened and she coughed lightly. "there's nothing to say! Since an LAN wants to marry you, there must be some things that I have to tell you. Otherwise, outsiders will say that I'm mistreating you."

Qin Anlan squeezed ye Liangqiu's palm and said, "Since my mom has already expressed this, you should at least take a step back.

She glanced at him, then smiled. "The old lady is very good to me."

Mrs. Qin coughed lightly and didn't say anything else.

She felt that the situation had changed. Who asked her son to like someone else?

however, when they arrived at the qin family's old mansion, mrs. qin's attitude was unexpectedly good. she was mainly doting on her grandson.

His precious grandson was so pampered that he wished he could feed him into his stomach to show his love..

Chapter 1382: a crooked upper beam will have a crooked lower beam (4)

After dinner, Mrs. Qin looked at ye Liangqiu. Although she was a little cold, she was kind."Follow me." his voice was quite dignified.

Ye Liangqiu looked at Qin Anlan, who was looking at her with a mocking smile.

Are you afraid?

She was not afraid!

Ye Liangqiu snorted and followed Mrs. Qin upstairs.

mrs. qin's bedroom was antique and didn't have the aura of a strong and powerful woman at all.

seeing that ye liangqiu was watching, mrs. qin glanced at her. "you've never seen the world. ' ye liangqiu was used to mrs. qin's sharp tongue, so she didn't mind and smiled.

“This place is quite elegant.”

Mrs. Qin’s gaze became gentler. when I got married, this place was like this. It hasn’t changed for more than 30 years, Wanwan. However, she’s no longer here.

ye liangqiu looked at her.

“forget it, let’s not talk about this.” Mrs. Qin opened an expensive lacquered cabinet and took out a jewelry box. From the color of the box, she could tell that it was a treasure.

Mrs. Qin placed it in her hand and caressed it before opening it. There were five layers inside, and each layer had a set of jewelry.

even ye liangqiu, who had been in the vanity fair for so many years, was still struck by this flash.

There was a set of diamonds, a set of red jewels, a set of blue jewels, a set of pink diamonds, and a set of Emerald jadeite. They were so shiny that it dazzled the eyes. Each and every one of them was a treasure.

Just the amount in this box alone would be worth at least a billion.

Mrs. Qin glared at her and said in a faint voice, ” petty.

ye liangqiu didn’t know whether to laugh or cry.

this was a billion, okay?

However, Mrs. Qin placed it in her hands like it was a piece of cabbage.”This is a meeting gift. I’ll give you something else when we get married in the future. I forgot where I put it. I’ll get su Xiu to look for it later.”

Ye Liangqiu was in a difficult position. Whether he accepted or not didn’t seem to be a good idea.

Mrs. Qin glared at her. you’re from a small family, so ignorant!

She pushed the thing into ye Liangqiu’s hand. mu Yun already knows how to call me grandma. Is it hard for you to call me mom? ”

His voice was fierce, but there was a touch of desolation in it.

ye liangqiu didn’t do it for any other reason than the fact that old madam qin wanted her to call her “mother wanwan.”

It had been a long time since she had called her mother.

He lowered his eyes and looked at the box. After a long time, he said, ” “Thank you, Mom.”

Mrs. Qin smiled and sighed for a long time before saying, ” ” an Ian has finally gotten married. it has also fulfilled one of my wishes. ‘ then, he added, ” he and pei qiqi are like playing house. it doesn’t count. ”

in fact, as a mother, she could clearly see that if an Ian really had something going on with that girl surnamed pei, tang Zheng would definitely tear an Ian apart. it was unlike now, where they would occasionally smoke together.

Ye Liangqiu didn't know what to say and didn't speak for a long time.

mrs. qin coughed and said, "don't take this to heart!" men, especially lustful ones like an Ian, would more or less make some mistakes. I'll just be dedicated to you in the future."

Ye Liangqiu nodded. The way she was holding the jewelry box was an eyesore to Mrs. Qin. "You're a Heavenly Queen, how can you be so greedy?"

"Because mom gave it to me." ye liangqiu bit her lip, but a smile appeared on her face. "Naturally, it's different." these words made mrs. qin happy.

Even though he was happy, his old face still sank. you have a glib tongue.

"i'm just telling the truth." Ye Liangqiu felt that the old lady was actually quite cute. "One-faced" was probably what the old lady was like.

She said no, but her actions were honest.

Chapter 1383: liangqiu, say you love me (1)

Mrs. Qin glared at her. I didn't learn much when I was with an LAN, but I did learn a lot of sweet words.

as he spoke, he reached out and patted her hand.

Ye Liangqiu was somewhat flattered.

' alright, you can leave now. otherwise, an Ian will think that i'm bullying you. ' The old lady snorted and said stubbornly, " let me tell you, you're still far from my ideal daughter-in-law.

Ye Liangqiu's mouth was a little cheap when she saw the old lady's dumbfounded expression. an LAN is also very far from my Ideal Husband.

"Return the item." Mrs. Qin acted like a child and asked for her baby back like she was playing house. she had given out more than one billion, but she didn't even hear a word of praise. she was so angry.

Ye Liangqiu chuckled. it's mine.

Mrs. Qin looked at her. good for you!

although her words were not pleasant to hear, compared to wang caiyun, she was really much better. at least, other than mu yun, mrs. qin would also care about her.

It should be there, and it wouldn't be without her. This was enough to satisfy her.

that night, Xiao muyun was left at the qin family's old mansion. it was mainly because madam qin was worried about qin anlan, this beast. she was afraid that he would only care about himself and neglect his son at night. thus, she decided to look after Xiao muyun personally.

On the way back, Qin Anlan looked at ye Liangqiu through the rearview mirror and smiled. what did mom give you? ”

ye liangqiu held the box and sighed. ” if i had known that marrying you would give me so much, ” she said, ” i wouldn't have been the best actress. ” Qin Anlan smiled. Liangqiu, I know my mother very well.

he held the steering wheel with both hands and looked straight ahead. he said casually, ” although she doesn't agree with you verbally, she does. Liangqiu, if you didn't have this diva Halo, I don't think she would have given you this box so easily.”

he reached out and stroked his chin. ” at least until muyun is ten years old. ”

“What about you?” “if i wasn't the best actress, would you have thought of marrying me?” ye liangqiu looked at him.

“Me?” &Nbsp; Qin Anlan smiled faintly. the most regretful thing in my life is that we missed six years.

after he finished speaking, the car fell silent. ye liangqiu didn't say anything.

“what's wrong?” qin anlan smiled delightedly. ” are you moved by my deep love?
”

She looked at his back for a while before saying, ” “I was defeated by your shamelessness.”

Qin Anlan's smile became even more cheerful as the car slowly drove down the brightly lit Street.

When they reached a red light, he suddenly turned his head and reached out to hold her hand. come sit in front.

ye liangqiu looked at him in surprise.

he used some strength and dragged her to the front.

“qin anlan, what are you doing?” Her voice was soft and there was a smile in it.

He held the steering wheel with one hand and cupped her face with the other. He kissed her and said, ” “1 want to kiss you! Liangqiu, respond quickly, the green light is coming.”

Ye Liangqiu froze for a moment, then couldn't help but laugh. She bit his lip and said, ” shameless.

he looked into her eyes, and there was an unusual brightness in his dark eyes.

Even someone as cold as ye Liangqiu didn't dare to look into his eyes. He cleared his throat and said, ” drive carefully.

“Can you drive faster and go home earlier?” As he spoke, he could not help but laugh. my mother has never been so understanding.

ye liangqiu couldn't take it anymore.. ” qin anlan, did you know that you're so shameless that it's unique?

Chapter 1384: Liangqiu, Say You Love Me (2)

“I'm glad that I still have some good points in your eyes.” Qin Anlan smiled slightly, reached out to hold her hand, and started the car.

even in the dark night, his heart was soft. it was as if he had been drugged with the strongest village medicine. looking at her, he wanted to fall down at any time.

ye liangqiu's fingers gently caressed the box in her hand and she snorted. ” i don't think you're as cute as this. ‘

“Miss ye, I'm your personal property.” He chuckled softly.

when he said this, ye liangqiu suddenly said, ”Do I need to sign a prenuptial agreement?”

she knew that KING entertainment was not only a management company, but it also owned hundreds of first-class clubs. in total, KING entertainment's assets were worth hundreds of billions.

She asked, but she didn't get an answer for a long time.

qin anlan's long and slender fingers turned the steering wheel and changed the lane.

when he stopped at the apartment building, he turned around. ” i'll ask KIME to get it ready. come to my office tomorrow to sign it. ” ye liangqiu looked at him, tears welling up in her eyes.

qin anlan pinched her face. ” are you angry? ‘

He smiled slightly. I didn't expect our little QiuQiu to be so money-minded. “I'm not.” She was a little depressed, and she didn't know why.

he hugged her and whispered in her ear, ” i know you care about me the most. ” Liangqiu, I know you love me.

“I didn't.” she glanced at him again and hugged herself to stop him from doing anything.

he opened the car door with one hand and wanted to get out, but he was so nervous that he forgot to unbuckle his seat belt.

His body bounced back again, and he was in a sorry state.

qin anlan's low laughter rang in her ears. she leaned back in her chair and glared at him.

“how can you be so cute?” His fingers gently unbuckled her seat belt, and he closed the door when she was about to escape.

He trapped her with his body and chuckled. are you afraid? ”

Ye Liangqiu glared at him, “I'm not afraid.” Qin Anlan, let me out of the car.”

“i won’t.” He put an arm in front of her and pressed her down. it seems that we haven’t had a sex in the car yet.

her face was burning hot, and she reached out to hold his hand. ” i don’t want to do it in the car. ‘

“Then, go home?” Qin Anlan smiled and kissed the corner of her lips. do you like the sofa, bed, or bathroom? ” Hmm?”

he was completely shameless, and only now did she realize that she had been tricked.

Ye Liangqiu glared at him.

Qin Anlan laughed happily. or does our Liangqiu prefer to be on the balcony? ” tonight, he was determined not to let her go.

she turned her face away and snorted. ” i don’t like any of them. ”

He opened the door on his side and got out of the car. After closing the door, he came over to her side and carried her out.

“Qin Anlan.” She panicked and quickly hugged his neck. your injury! Don’t mess around. ”

He had been too indulgent. He had just been discharged from the hospital and had not rested since yesterday. Today, he had even transfused blood to Xiao mu Yun.

He nudged her with the tip of his nose. I feel energetic when I see you.

He held her in his arms, and she held her one billion Yuan as they went home together.

To her surprise, he didn’t eat immediately, but let her take a shower first.

ye liangqiu didn’t know whether to laugh or cry. this was like letting out some fresh air before death.

After she was done showering, she put on a bathrobe and came out. The bedroom was completely dark, but the balcony had a faint yellow light.

What the hell was he doing?

she slowly walked over and saw that he had also finished bathing and was sitting there in the same bathrobe..

Chapter 1385: liangqiu, say you love me (3)

when he saw her come out, he patted the seat beside him. ” come and sit. ‘ she sat down and was carried to his lap.

Then, he magically conjured a bouquet of white roses and cleared his throat.

“This is for you.” she held it in her hands and sniffed it. ” is this a proposal? ”

“You want me to kneel?” he looked at her.

in the past, ye liangqiu probably wouldn't, but now that he had said so himself, why would she still feel sorry for him?

Hence, he chuckled. then you can kneel.

“you were the one who made me kneel,” he chuckled softly, then slowly knelt down.

Ye Liangqiu looked down at him, bit her lip, and willfully kicked him.

She was more or less spoiled.

However, her feet were caught by him. His slender and powerful hand held her and slowly moved up.

She was stunned. Then, she screamed, ” Qin Anlan!

“you were the one who asked me to kneel. ” His smile was very evil.

She tried to kick him with her other foot, but she was restrained again.

“qin anlan.” This time, her voice was extremely weak. don't be like this, it's dirty!

He moved closer to her ear. I don't think it's dirty!

he gave it to her determinedly, and when it ended, her body was trembling.

For a long time, she did not come back to her senses.

he kissed her with his thin lips, and his voice made her hair stand on end. ” liangqiu, it's your turn.

she glared at him, but he changed her direction and made her kneel there. “Be good, you'll like it.”

he reached out and pinched her little mouth. ” be good.

ye liangqiu had never felt so helpless in his life. he took the initiative to lie in his arms and said in a pitiful voice, ” ‘Qin Anlan, I don't know how to.’”

Was this what it meant to be willing?

his heart softened. he pulled her into his arms and leaned close to her ear, his hot breath blowing on her ear. ” i'll teach you. ‘ she looked at him and bit her lip.

He taught her evilly, but she didn't have the face to learn-in the end-she had to make it up to him.

It was already late at night when he finished.

Her body was full, and in her half-awake state, she heard him ask, ” “Liangqiu, do you like it?”

she was very sleepy and knew that if she didn't tell him what he wanted to hear, he wouldn't let her go, so she snorted.

qin anlan smiled and ran his fingers through her black hair. ” then, do you love me, ran ran? ”

This was the insistence of a straight man, and he wanted to hear her say that.

ye liangqiu slowly opened his eyes and raised his head to look at him.

“Really, I can’t lie to you.” he smiled and looked at her clear eyes. he held her little face in his hands and said, ” “Say You Love Me!”

“or else?” Her eyes were like water.

qin anlan was stunned for a moment. then, he coughed lightly. ” otherwise, i won’t let you off. ‘

“Sure, come on.” she held up a hand to support the back of her head, and her fingers gently stroked his heart, from top to bottom, quite flirtatious.”Let me see how amazing President Qin is.”

She moved up and lay in his arms like a little beast, kissing the corner of his mouth.

Qin Anlan’s beastly blood was boiling when he saw the myriad of expressions on Feng Yan’s face.

His fingers gently caressed the place where she had just received him and smiled gently. “this is the first time our cool autumn has taken the initiative.

how can i disappoint you?” that night, he turned into a beast and let ye liangqiu know what it meant to do it seven times in one day.

only then did qin anlan understand what it meant to have a soul that corroded one’s bones.

When the sun rose, his handsome face was covered in sweat. Large beads of sweat dripped down his face and onto her small face..

Chapter 1386: liangqiu, say you love me (4)

Qin Anlan pinched her chin and said in a seductive voice, ” Liangqiu, Say You Love Me.

He didn’t really want to hear it, or rather, he didn’t have enough confidence ...

How could someone like him deserve her love?

however, a lover would always make one greedy. he wanted to hear her say love.

Or perhaps, he had never felt safe.

ye liangqiu lay down, her long hair scattered helplessly. her starry eyes were slightly closed, and she bit her lip. ” qin anlan, qianqian. ”

She bit her lips so hard that they almost bled. She couldn’t say a word.

His heart ached for her as well. He placed his finger on her lips. stop biting.

but he still didn’t let her go and was determined to get her to say she loved him.

Finally, she couldn’t take it anymore. She reached out to hug him and whispered a few words into his ear.

At that moment, his body stiffened, and then he stammered in embarrassment.

He let out a long breath, looked at the woman in his arms, and smiled. Finally, she completely belonged to him.

He grabbed his watch and looked at it. It was already seven o'clock.

He had a meeting to attend in the morning, so he kissed her on the cheek. I'll go to the meeting in a while. You can sleep until noon to have lunch. I'll prepare it for you, okay? ' she hit him with her hand. what a beast, he could still go to work.

Ye Liangqiu felt that she couldn't provoke him in bed in the future, because it wouldn't end well. qin anlan was actually a little exhausted. after all, playing for a night was extremely exhausting. he gave her a kiss, got up to take a shower, and then made lunch for her and put it in the refrigerator. he ate his breakfast, changed his clothes, and put on his tie as he walked to the head of the bed. she was already in a deep sleep.

He laughed silently and bent down to kiss her on the face.

she felt uncomfortable and reached out to hit his handsome face with the blanket.

Qin Anlan was stunned for a moment, but he quickly smiled and kissed her again.

This time, she didn't hit him. Instead, she snorted softly and naturally wrapped her arms around his neck.

His heart softened and he pinched her face. "Liangqiu, I have to go."

"I won't let you go." she smiled a little naughtily.

so she was pretending.

He reached his fingers under the blanket and unbuttoned his shirt. "not done yet? Then I won't leave, okay? let's do it again?"

she let go of him immediately and looked at him with a gaze that made one's hair stand on end.

qin anlan smiled gently. " if you want it, you might have to wait until it's late at night. i'm a little overdrawn.

she blushed and buried herself in the blanket.

he hugged her and kissed her. " alright, i have to go. don't forget to go to the office in the afternoon. ' she grunted and stuck her head out.

He ruffled her hair and was a little reluctant to leave.

After he left, ye Liangqiu slept until two in the afternoon. After eating the food he made, she felt a little sweet in her heart.

When she left the house, she picked a white BMW. It was a very low-key model.

When she arrived at King Entertainment, she did not inform him and went straight to the top floor to look for him.

However, he didn't expect to run into his old friend, mo Xiaoqi.

mo xiaoqi's development in the past two years was neither good nor bad, and she still had the title of the little asian diva.

Ye Liangqiu was supposed to make a comeback, but she didn't. Although there was news of her marriage to President Qin, King Entertainment didn't release any official news.

mo xiaoqi concluded that ye liangqiu was just trying to hype herself up..

Chapter 1387: reaching the peak of life (1)

When ye Liangqiu was about to head to Qin Anlan's office, mo Xiaoqi was about to head to the meeting room. When she saw ye Liangqiu, she sneered. why would someone who's been frozen by the company need to come to a meeting?

Her face was full of sarcasm, and her meaning was very obvious.

ye liangqiu looked at mo xiaoqi and pursed her lips. " "Did someone tell you that I'm here for a meeting?"

mo xiaoqi clenched the things in her hand tightly. " "so you're here to seduce men?"

Before ye Liangqiu could say anything, mo Xiaoqi sneered, " "Don't think that I don't know what you've been doing for the past two years. You've been living with a man named Lin Xingyuan! Why are you crying to President Qin after being abandoned?"

"you're quite knowledgeable." ye liangqiu sneered.

mo xiaoqi squinted at her. " of course! however, now that you're back, don't think about being the female lead anymore. you should be the second or third female lead. you're already so old, so you have to have some self-respect. you still think you're a little girl."

Ye Liangqiu looked at mo Xiaoqi and chuckled. so 26 is a pretty old age! mo xiaoqi, how do you describe a man in his early thirties?"

"you!" mo xiaoqi was a little angry. she raised her hand and was about to wave it down. " how dare you say that about me? "

she was KING entertainment's top actress now, and ye liangqiu really thought that it was all in the past!

"MO Xiaoqi, what are you doing?" the one who spoke was sister Ying, who was standing beside qin anlan.

Coincidentally, the meeting was over and the company's higher-ups were all at the door. The moment they opened the door, they saw mo Xiaoqi flamboyantly trying to hit someone.

mo xiaoqi's heart trembled and she immediately let go. she said coquettishly, " she was the one who provoked my sister Ying. you know that i never provoke others. " especially those who are past their prime."

elder sister Ying didn't give her any face and snorted coldly. " are you saying that cool autumn is outdated? "

Sister Ying's words shocked mo Xiaoqi. In a sense, sister Ying's words were like a weather vane that directly expressed Qin Anlan's attitude.

just as he was feeling uneasy, qin anlan said indifferently, "Ye Liangqiu will forever be outdated."

MO Xiaoqi's heart was filled with joy. This, this, this, was president Qin telling the truth?

However, she did not have the chance to be happy for long before Qin Anlan continued, "from now on, ye Liangqiu will be an important board member of King Entertainment. As my husband, I will transfer 10% of the 60% shares to ye Liangqiu.

he looked at mo xiaoqi and asked, "so, what else do you want to ask?" husband?

KING entertainment's 10%?

MO Xiaoqi was stunned.

was president qin really going to marry ye liangqiu?

she didn't think she was inferior to ye liangqiu!

what's so good about ye liangqiu? she's cold and unfeeling, doesn't know how to act coquettishly, and doesn't know how to please president qin. she only makes president qin angry.

She was clearly frozen, so how could she still get married?

in her shock, mo xiaoqi forgot her identity and blurted out, "president qin, did you know that she's been living with the same doctor for the past two years?

this kind of woman is not worthy of your marriage."

qin anlan looked at mo xiaoqi, then at sister Ying. the meaning in his eyes was very obvious.

Elder sister Ying understood.

qin anlan said indifferently, "doctor lin is my son, ye muyun's, private doctor.

is there a problem with him staying at home?" son?

mo xiaoqi was stunned again.

They ... Have a son, Yingluo.

At this moment, mo Xiaoqi knew that the situation was hopeless. She immediately seized the last chance and said, "President Qin, don't misunderstand. I'm just concerned about you..

Chapter 1388: Reaching the peak of life (2)

"Your concern is in the wrong place." Qin Anlan didn't look at her again. He reached out and held ye Liangqiu's hand."let's go to my office," then, he turned around and looked at KIME. "send the documents in." yes. " KIME nodded.

MO Xiaoqi was embarrassed. She had just offended the future Mrs. President, not to mention that ye Liangqiu was about to become a board member and was her boss.

however, no one paid attention to her. only elder sister Ying warned her in the end, ” “you should know what to do in the future.”

mo xiaoqi felt a chill run down her spine. ye liangqiu wouldn't let her go. she wouldn't.

qin anlan closed the office door and kissed ye liangqiu for a while. when he was done, he kissed the corner of her lips with some reluctance. ” mrs. qin, are you satisfied now? ”

“what do i have to be satisfied with?” she pinched his waist. ” you were only satisfied when you were with her in the past, right? ” qin anlan laughed bitterly. ” which year was that? do you still remember? ”

“Like. A. Sharp. Ray. In. Stab.” She poked his heart with her slender fingers. you have so much dark history. Now that I think about it, I really regret it.

“there's no use regretting it,” he laughed in a low voice.

he wrapped his arms around her and brought her to the sofa. at this time, KIME delivered the documents.

qin anlan raised his hand and motioned for him to leave.

Kie knew that ye Liangqiu was boss Qin's true love.

president qin of KING entertainment had to have absolute control, so 10% was all he could give. not only that, but all of president qin's real estate was here, all of which had been transferred to miss ye.

it was true love.

kie left the room, leaving ye liangqiu and qin anlan alone in the office.

She had thought that he was joking, but when she opened the document, she was stunned.

She knew that 10% of King Entertainment's shares meant tens of billions of assets, not to mention those real estates, which were worth about 10 billion.

“i don't want to.” she looked up at him. ” too many. ”

“it's not considered a lot if we get married.” qin anlan smiled and held her hand, half-forcing her to sign.

ye liangqiu raised her head. after a long while, she finally spoke softly, ” qin anlan, why? ”

“liangqiu, this is not compensation.” he hugged her and rested his chin on the center of her head. ” shared property as husband and wife, huh? ”

she looked at the signature on it. ” if you dare to do anything to me one day, i'll run away with the money. ‘

He looked at her deeply and said, ” okay. “qin anlan.” She glared at him.

He smiled and hugged her. of course not.

what he didn't tell her was that, in his mind, sex was very important in marriage. when he was full of desire for her body, how could he have anyone else?

“we'll take some photos later. and pick out a wedding ring.” “i'll go to the meeting first,” he said as he hugged her.

He was really busy.

Ye Liangqiu stopped him and raised her hand. I've got it. he looked at her with a half-smile and only chuckled after a while. ” miss ye, i didn't! We're going to buy a pair of wedding rings, huh?”

She felt a little embarrassed.

qin anlan pinched her face again before leaving.

When he returned, ye Liangqiu had fallen asleep on the sofa.

The documents worth more than 20 billion Yuan that she had signed were all over the place. He looked at them quietly for a while, then laughed silently.

he even said that he was greedy for money, but he clearly didn't take it seriously.

However, he felt extremely comfortable in his heart.

“cool autumn?” he asked..

Chapter 1389: reaching the peak of life (3)

She opened her eyes and looked at him. There was a hint of bloodlust in her eyes, which was quite cute.

“I'm drooling.” He ruffled her hair with his fingers and smiled.

She instinctively went to wipe it, but he smiled even more freely. silly.

he reached out and hugged her. ” go and take a shower. after you're done taking photos, go eat and watch a movie. ” her expression was a little dazed. ” aren't you very busy? ‘

“no matter how busy i am, i still have to find time to date.” he liked to pinch her face and pat her. ” “hurry up and go.”

Ye Liangqiu's face was a little hot, and she ran to the bathroom.

she splashed some cold water on herself and looked at the woman in the mirror.

was this her?

Her cheeks were a little red, and her eyes seemed to be filled with autumn water. She looked like she was in love.

Right at this moment, a pair of flaming wings appeared. he wrapped his warm hands around her waist. ” you look well nourished! ”

She placed her hand on her waist and patted him. "don't mess around again."

He put his face on her shoulder and laughed deeply. He looked at her in the mirror. didn't I say that I'll only have it at night?" ye liangqiu snorted. "i don't want to."

"then i'll make you beg me at night." He had always been as shameless as he could be.

ye liangqiu bit her lip and stared at him in a daze. "beg me!" he gently kissed the back of her neck, his voice already hoarse. she could also feel the changes in his body. it was so hot.

"You beast." She couldn't help but scold him. She really couldn't stand his constant needs.

qin anlan bit her earlobe. "my surname is qin. i don't mind if you call me a beast in private in the future. however, ran ran. "

his fingers went around her and gently caressed her red lips."I will make these two words live up to their name."

her eyes welled up even more as she glared at him in the mirror. however, even though she was glaring at him, there was an indescribable softness and tenderness in her eyes.

Qin Anlan could not help but hold her little face in his hands. He leaned over and kissed her gently.

he kissed her for a long time, and even though she felt like her neck was about to break, he did not let her go.

"Liangqiu, tidy yourself up. Otherwise, I'm afraid I'll change my mind." His voice was hoarse and he suddenly let go of her.

Her legs went soft, and he quickly caught her. After she steadied herself, he chuckled. useless little thing.

"I'm not a little thing." "Don't give me that," she said, looking at him.

"how is it not small?" he turned her around and kissed the corner of her lips. ' it's quite small. ' she glared at him. " qin anlan. "

he knew that she was actually very embarrassed, so he coaxed her. " alright, i'll stop teasing you." he went out to let her tidy up and then took her to take photos.

at night, they had dinner and watched a movie like an old couple.

on the way home, ye liangqiu sat in the car and looked at him. " why do i feel like being in love is a very normal thing? "

Qin Anlan slowly buckled his seat belt and smiled. what else? "

"Shouldn't it be very sweet and very heart-pounding?" for the first time, she had the heart of a young girl.

Qin Anlan sighed softly. His eyes were bright. Liangqiu, we've known each other for six or seven years. Our child is already seven years old.

he rubbed his chin with his long fingers and chuckled. "Liangqiu, most of our fun should be in the bedroom."

"Carnivorous animals." She looked at him.

Qin Anlan chuckled and pinched her face. "Go home?"

"I want to take a walk outside." She pointed to the front. The road ahead is quiet.

Qin Anlan looked at her with a meaningful gaze and only started the car after a while..

Chapter 1390: Jealousy erupting (1)

Ten minutes later, he stopped the car by the side of the road, took her out of the car, and then held her hand.

She was wearing a long white dress, and in the night, she looked like a fairy.

At this moment, Qin Anlan felt a little sweet. When they reached a place with fewer people, he pressed her against a tree trunk and kissed her.

Her long hair was blown by the breeze, wrapping around him and his heart.

After a long time, he raised his head and looked at her with a deep gaze.

He had never thought that one day he would be in such a good mood. He was just casually strolling on the road and his mood could be so good.

He rubbed her lips with his fingers, smiled, and held her hand as they walked forward.

There was a small park in front of them. At night, many people came to enjoy the cool air, so it was very lively.

Ye Liangqiu looked at him for a while, then raised her head to look at him. I haven't had such a comfortable life in a long time.

"If you like, I can accompany you out for a walk more often." he smiled.

She squinted at him. "Didn't you say that our fun is mainly in the bedroom?"

he smiled and pinched her face. "I have to consider your feelings too, right? It's an equal exchange."

As he said this, he looked at her with a straight gaze.

He frowned and followed her gaze ...

Lin Xingyuan was standing opposite him! He was wearing a tracksuit and seemed to be on a night run.

lin Xing was about ten meters away from them. he looked at their fingers, their smiles, and their blissful expressions. he forced a smile and said, " liangqiu. " his eyes were filled with bitterness and even a little pain.

"xingyuan," Ye Liangqiu's fingers let go of Qin Anlan, her eyes filled with uneasiness.

qin anlan furrowed his brows, but he quickly held her hand tightly again.

she tried to break free but failed. she glared at him, but qin anlan childishly glared back at her.

Ye Liangqiu had no choice but to let him hold her hand. She looked at Lin

Xingyuan and asked, " why are you back in B city? "

"let's have an industry summit. About a week or so." he looked into her eyes as he spoke, as if qin anlan did not exist.

Qin Anlan touched his nose and endured it.

ye liangqiu thought for a moment. " then let's have a meal together when you have time. mu yun misses you too. "

The words "what about you" lingered on the tip of Lin Xingyuan's tongue for a long time, but he couldn't say it.

"alright, i'll call you when the time comes."

Ye Liangqiu nodded and said goodbye to Lin Xingyuan.

He really did not want Qin Anlan to lose face.

When she was talking to Lin Xingyuan, he would stroke her hair for a while and pull her clothes for a while. He was more childish and ridiculous than a child.

"qin anlan, you did this on purpose, didn't you?" she glared at him when she returned to the car.

his gaze was so focused on her that she felt goosebumps all over her body. after a while, she snorted. " childish. "

He placed his hands on the steering wheel, his fingers slowly rubbing the steering wheel. He smiled faintly. "my wife is meeting an old man, how can i not be jealous?"

"you're being unreasonable!" "Not as rich as your love history," she snorted and glared at him.

however, his gaze suddenly became dangerous. he held her waist with both hands and his eyes were burning. "how far have you two progressed?"

the tip of his nose touched hers, and his dark eyes were locked on her, not letting go of any expression she made.

ye liangqiu was furious. she reached out and punched him.”I haven’t even settled my dissolute past with you, and you have the nerve to ask me this!”

“that’s because i love you!” his gaze was deep and full of aggression belonging to a man. she was stunned for a moment.
