

## Thank you 1391

### Chapter 1391: jealousy erupting (2)

he grabbed her hand and looked at her with a burning gaze.”Liangqiu, I love you, so I care.”

you can say that i’m overbearing and unreasonable, but i just care. just thinking about it makes me go crazy. ‘

He was conflicted. He wanted to know, but he was afraid that she would say something that would drive him crazy.

when you love someone, it’s probably like this, worrying about the gains and losses.

ye liangqiu was a little stunned. she did not expect him to be so affectionate.

she could not help but call out, ” qin anlan? ‘

“call me an lan.” his hand slowly moved up, following her back to her ear. he slowly pinched her slightly red earlobe. ” you haven’t told me the truth. ‘

His attitude was quite domineering. She was trembling and angry. She reached out and punched his shoulder. Qin Anlan, let go of me.

however, he did not let go of her. instead, his gaze deepened as he looked at her. ” you’re not being obedient again. ”

Her lips parted slightly, and he carried her from the passenger’s seat.

only then did she realize that their seat belts had all been unbuckled.

She was a little surprised and crashed into his arms just like that. Then, she found that their bodies were pressed together in an extremely embarrassing posture.

“If our Liangqiu doesn’t want to tell us, then I’ll have to use private punishment.” Qin Anlan laughed coldly, his long and beautiful hand sliding down her back.

Ye Liangqiu bit her lower lip and grabbed his shoulder with her fingers. His expensive shirt was crumpled, but he didn’t care. He pulled her closer to him and whispered in her ear, his voice hoarse, ” “Liangqiu, are you going to tell me or not?”

“i’ve kissed you.” she spoke honestly, partly to anger him to death.

In fact, her kiss with Lin Xingyuan was only a light Peck. At most, it was just lip to lip contact.

He didn’t dare to be impetuous, and she wasn’t interested in going any further, so she didn’t want to do it again after kissing him once or twice. However, she didn’t say anything, and she just wouldn’t say anything.

Sure enough, jealous men were irrational.

His fingers were originally gentle, but they immediately became rough.

Other than that, he had never been so rough to her before. They were in the car, and she could not stand it when she was lying on top of him in such a

mess.

She wasn't the only one who couldn't stand it, he couldn't either.

qin anlan leaned against her neck. he let loose with one hand and pressed her head with the other. he lifted her long hair, revealing her face. he searched for her lips and kissed them intensely.

their lips and tongue were entangled with each other, so hot that they could almost melt a layer of skin.

He snorted happily and changed to a more satisfactory angle.

he kissed her again and again, and his palm did not let her go. he lifted her up. "i can't take it anymore." he finally moved his lips away, and the back of her ear was warm. his voice was a little hoarse.

Ye Liangqiu opened her misty eyes and bit her lip. not here.

Liangqiu, I can't take it anymore, " he coaxed her while kissing her.

He took her fingers and placed them on his belt.

Of course, she was not willing to, but no matter how much she struggled, he would not let her go.

It was as if he had forced her to do it.

Ye Liangqiu lay in his arms, feeling an excitement he had never felt before.

Her face was pressed against the shirt, and the shirt was soaked in hot sweat. Soon, her face was soaked, and her nose was filled with the smell of male hormones.

Her face turned red..

Chapter 1392: Jealousy erupting (3)

qin anlan was still warm. he lowered his head to kiss her small lips and realized that she was a little distracted.

he grabbed her hand and hung her around his neck. he lowered his head and kissed her intensely, not allowing her to think about anything else other than him.

slowly, she was also moved. she raised her head and moved her upper lips closer to make their kiss deeper. in the middle of the night, the cars on the roadside shook rhythmically, which disturbed lin xingyuan's heart.

He looked on, his Adam's apple bobbed, his fingers clenched into fists, and he closed his eyes.

the headlights from the front shone into their car, and he could see liang qiu's intoxicated face, which could almost be considered crazy.

There was not a trace of blood on his face as he looked at them reveling like he was torturing himself.

a feast that did not belong to him.

the kissing and revelry in the car had not ended.

but lin xingyuan had already woken up from his dream. yingluo never belonged to him.

Even though they had been together for two years, nothing could be changed.

People who loved each other would always be together, and people who didn't love each other would always be separated.

The phone in his pocket rang. He took it out and saw that it was su Cheng.

he and su Cheng had known each other for a long time. he used to love her very much because she was innocent, cute, and lively.

However, he had never dared to think about her-his family was well-to-do, but it was far from the SU family.

however, more than six years ago, su Cheng suddenly went to his apartment to look for him.

In his apartment, he had drunk and naturally had sex with her.

That was su Cheng's first time.

He cherished it very much.

However, she said that they could only be together in private.

she had asked him to get close to ye liangqiu. ye liangqiu had only become famous at that time, but she had quickly retired.

He had seen her on the screen over and over again, studying this woman.

However, what he and su Cheng did not expect was that he had fallen in love with his target.

getting close to ye liangqiu was no longer su cheng's mission. it was his original intention.

when ye nangqiu appeared in front of him, she was very beautiful, and as a doctor, he could tell that she was pregnant with just a few looks.

at that time, she was four weeks pregnant and the condition of the child in her womb was not good.

He used all his strength to keep the child safe.

he had never regretted yingluo. even if she was with qin anlan now, he still loved her.

Liangqiu, from the first time I saw you, I've never treated you with false affection.

he still treated su Cheng the same as before.

In the past six years, they had not slept together again, except that she had come to look for him recently.

he managed to deal with it twice. he could not let su Cheng suspect that he had fallen in love with the cool autumn crickets.

lin xingyuan's lips curled into a bitter smile. ye liangqiu had never known that she was his everything.

he stood in the strong night wind. he couldn't wait for her, but his heart was broken.

"Cheng Cheng, what's up?" he answered the call with a rather calm tone.

"Why aren't you taking action?" Lin Xingyuan, " su Cheng said viciously, " have you fallen in love with her all these years? "

"Why would I?" His tone was very light and somewhat mocking, but it was not clear whether he was mocking su Cheng or himself.

Su Cheng's voice was sharp. I don't want to listen to your excuses! Lin Xingyuan, I want you to find a way to get ye Liangqiu back to city H."

"including me sleeping with her?" Lin Xingyuan's voice was cold.

su Cheng paused for a moment. " there's no need for that. "

"Chengcheng, do you love me?" Lin Xingyuan's tone became even more indifferent..

Chapter 1393: Jealousy erupting (4)

" i think we're business partners. i'll give you the money, " su Cheng said after a pause.

lin xingyuan laughed in a low voice. his laugh was very desolate, making su cheng's heart beat faster.

"Lin Xingyuan, don't you like money?" she said angrily.

he was silent for a long time before he said indifferently, " "What do I need so much money for?"

The reason he had agreed to her request was because he wanted to take Liang Qiu away. He would take her away personally. It was better than su Cheng hurting her.

su cheng's voice immediately softened. " brother xingyuan, i know you love me the most! Think about it, you don't want your goddess to marry brother an LAN, do you? Yingluo, think about how she's panting in brother an Lan's arms every night and being treated like that by brother an LAN. Can't you take it?" her words struck lin xingyuan's heart.

he really couldnt take it.

his eyes fell on the car ...

the rain had just stopped, but she could vaguely see qin anlan still kissing her by the window.

with that, he walked forward. with every step he took, he felt his heart shatter.

it was so dark here, not suitable for cool autumn at all. he wanted to take her away.

in the car, qin anlan gently cleaned her up and tidied himself up. She was a little shy and still lay in his arms, unwilling to get up.

however, qin anlan's heart softened even more.

His Liangqiu had always been clean and had never been anything else. She was so embarrassed even when they were in the car.

He even felt a little reluctant to part with her, feeling that she had been wronged.

He reached out to hug her and patted her back. He said softly, "i won't do this next time."

She bit her lip and bit his heart to vent her anger.

Qin Anlan's heart was about to melt. He lowered his head and smiled. you can bite me however you want when we get back, okay? I'll take off my clothes. I If I'm naked, you can bite me? Hmm?"

"shameless." "i don't want to do that to you," she said as she took another bite.

He chuckled softly. He knew that he had forced himself on her.

He reached out and stroked her long, sweaty hair. After coaxing her for a long time, he finally coaxed her back.

After he went back, he personally helped her take a bath and carried her to the bed after she was done.

He was probably afraid that she would be angry, but he was also afraid that she couldn't take it, so he only dared to tease her once.

That time, he was extremely gentle and did not care about his feelings. He put her in charge.

Ye Liangqiu could truly feel his emotions. This was the first time he had invested so much in her, and so did she.

With her eyes closed, she could feel him everywhere.

however, his gentleness at night did not last until dawn.

he had to go on a business trip for a week, so he woke her up before six.

she opened her eyes and saw his handsome features in front of her. there were also beads of sweat dripping down, one by one, almost burning her entire daze.

"you beast." she pounded his shoulder.

his muscles were strong, and her little hand hurt. she frowned, and tears welled up in her eyes.

"I'm going on a business trip later." He kissed her lips and murmured, "I can't touch you for a week.

her hands were pulled straight by him and nailed to both sides of her body.

he worked out often, and his body was full of meat. his physical strength was abnormally good.

They couldn't stand such a straightforward person.

after she calmed down, she poked his heart. ” “Don't you still have your hands?”

He looked at her with his clear eyes and chuckled after a while. Liangqiu, a man with a wife doesn't need to use his hands..

Chapter 1394: Jealousy erupting (5)

He looked at her with his clear eyes and chuckled after a while. Liangqiu, a man with a wife doesn't need to use his hands.

she snorted. ” you didn't need hands before, did you? ”

qin anlan's gaze became difficult to express in a few words. he looked at her with a burning gaze. ” actually, i do. ”

She looked at him in surprise.

He had such a harem in the past, but he still needed it?

He simply pulled her into his arms, locked her in his arms, and said as if he was confessing, ” Liangqiu, if there are no feelings, even if we do it, the satisfaction is far from it. Sometimes, it's even a mope.

he was willing to tell her how he felt, to tell her how important she was to him.

“Sometimes, I even think that my hands are cuter.” “how was it, mrs. qin?” he kissed her on the lips.”were you touched by what you heard?”

Ye Liangqiu looked at him and sneered, ” Mr. Qin, I'm sorry, but our views are different.

He actually had the nerve to ask her that he was touched, Yingluo.

“En!” he supported his chin with his hand and looked at her. after a while, he chuckled. ” i think it's pretty good. if you think i need to improve, i can practice more. after all, i haven't been here for a few years and i'm a little rusty. ” ye liangqiu really wanted to howl. how could he be called unfamiliar?

He stopped teasing her and dragged her to take a shower together. They had a breakfast filled with love and even shamelessly asked his wife to send him to the company.

“qin anlan, you're an adult now! Besides, you're the only one in the company who's been sent to work by your wife, right?” She could not stand him.

her impression of qin anlan was that he was a rather cold person, especially towards women. he was not very gentle.

when did he become so clingy?

qin anlan looked at her and smiled. ” “Because they don’t have a wife as beautiful as you.” he looked at her and suddenly remembered something he had not explained.

“actually, you saw shen lian in my bedroom a few years ago. she didn’t do anything.” her body froze. she didn’t expect him to say that.

Qin Anlan could feel her stiff body. He sighed and hugged her. Liangqiu, I’m very sorry. I was running away in the past. I couldn’t believe that I’d fallen in love with another woman. I don’t want to be trapped in love.

She leaned on his shoulder, muffled by the pleasant smell of his body, and punched him. and then you started to be a Playboy, right? ‘

She was referring to PEI Qiqi.

Qin Anlan’s body stiffened for a moment, then he lowered his head to look at her. only you!

it was just three words and he said nothing else.

“I won’t mention them again, because they won’t appear in my life again.” he said a little sentimentally, ” also, if you don’t like any female celebrity, i’ll kick her away immediately so that you won’t be an eyesore. ”

“You’re willing to?” she looked at him.

“what’s there to be reluctant about?” He pinched her face. as long as you’re happy.

“That mo Xiaoqi is good.” She said on purpose.

MO Xiaoqi was also King Entertainment’s top actress now. She wanted to see if he could bear to part with her.

“I’ll ask Rime to stop ner trom working,” Clin anlan smiled.

“I don’t need to.” She was a little peeved.

he ruffled her long hair. ” i know you mind. i promise it won’t happen again. ”

Ye Liangqiu didn’t say anything. She just lay on his shoulder for a while before softly saying, “If you do that, I will really give the root of evil to Qianqian before I leave.” she made a gesture-raise her hand and cut..

Chapter 1395: a flying luck with women (1)

Qin Anlan patted her and said in an unprecedented gentle voice, ” “Liangqiu, that won’t happen.” he laughed. ” if that’s the case, you won’t need it anymore, right? ”

“There’s no need for that.” She snorted and pushed him away, saying in a somewhat disdainful tone, ” “Hello, let’s go up.”

“you heartless little thing.” He kissed her and said in a lingering tone, “Remember to miss me. Hmm?” ye liangqiu saw him get out of the car and followed.

he took out his luggage from the trunk and carried it easily. as he watched her get out of the car, he could not help but kiss her again.

This was KingV Entertainment’s entrance, and he didn’t know how to avoid it.

ye liangqiu looked at him disapprovingly.

He smiled and reached out to stroke her hair. be good. Wait for me at home. Don’t run around.

His tone was like she was a child, making her feel disgusted. She immediately got into the car and started the engine.

The car drove away quickly, without any reluctance.

qin anlan stood on the spot and watched. he casually took out a cigarette from his pocket and smoked as he looked at the car. Gu, he laughed and scolded, ‘ little heartless one.

He had been serving her so hard these past few days, but she had not been touched at all.

Turning around, Kie was standing at the door with a strange expression on his face. He had no idea how long he had been standing there.

Qin Anlan took a puff of his cigarette and squinted his eyes at Kime.

“kme’s jiao” “I’ve just come down too.”

as he spoke, he walked to the door. at this moment, the chauffeur’s car stopped. he immediately opened the door. ” president qin, get in. ” The private plane is ready.”

Qin Anlan finished smoking the cigarette in his hand and threw it away. He stomped on it with his leather shoes.

He strode into the car and Kime helped him put away his luggage.

After they got into the car, Kie reported to him about their schedule. President Qin, on the last night, Mr. Du has set up a banquet for you.

Qin Anlan casually flipped through the schedule and took a look at Kime. He then smiled faintly. that’s good too.

kie looked at his expression and hesitated. ” what if mr. du gives president qin a woman? ”

Qin Anlan glared at him and replied nonchalantly, ” do you really need to ask such a question? ”

KIME instantly felt like an idiot and touched his nose.

The plane landed at the Hong Kong airport, and the black RV was already waiting outside the airport.

Mr. Du was the president of an international entertainment Group in Hong Kong and had known Qin Anlan for many years.

this time, no one knew that qin anlan was in hong kong. su shicheng, that sly old fox, definitely did not know.

qin anlan pursed his lips and calmly ordered, "release the news that KING entertainment is looking for a strategic partner. let su shicheng think that KING entertainment is having cash flow problems. " then su Shicheng, that old fox, will definitely find a way to take a bite out of it.

i also want to see the strength of asia vision. " qin anlan turned his head. " he's so confident in taking down KING entertainment. it's not just because of su cheng, right? " he always felt uneasy, as if su shicheng still had something up his sleeve.

especially after his marriage with su Cheng was called off, su shicheng didn't do anything special, which made him even more suspicious.

"He'll give himself away eventually," Kim nodded.

Qin Anlan suddenly thought of something. how's mo Xiaoqi recently? "

Kime was surprised by boss Qin's question, but as a top-tier employee of the company, he knew what to do. He quickly replied, " "mo xiaoqi has a movie going on soon. it's a big production. if her acting skills were just a little better, she would probably be popular for a while.."

Chapter 1396: A flying luck with women (2)

qin anlan lowered his gaze and tapped his fingers on the document a few times. he looked up at KIME and said calmly, " how about this? we'll put this role aside for now. i'll find another suitable candidate. "

Oh? " Kie was stunned for a moment and immediately realized that mo Xiaoqi had been frozen by President Qin.

What about the character Yingluo?

"President Qin, is miss ye making a comeback?" what's wrong? " Kime asked carefully.

qin anlan raised his eyes and looked at him. "You're thinking too much," how could he let cool autumn make a comeback?

By now, Kie had figured out that the person mo Xiaoqi had offended was ye Liangqiu.

He didn't say anything else and drove all the way to the Royal Hong Kong hotel.

qin anlan checked into the presidential suite. as soon as he entered, he took off his coat and threw it on the sofa.

Kie was in charge of some basic work while Qin Anlan took out his phone and dialed ye Liangqiu's number.

It had only been a few hours, but he already missed her so much.

The call went through, and her voice on the other end was very gentle. "I'm at mom's place. I'm here to pick up Qianqian. I'll go back after lunch."

Qin Anlan sat on the sofa and loosened his tie. I'll be a little busy later, so it might be at night. If it's too late, you can sleep first. Don't wait for me.

"No one misses you," ye Liangqiu snorted.

"I know that my Liangqiu misses me." He smiled and became serious. You have to go out in a while. Be good. Be obedient.

Hearing his words, ye Liangqiu's heart softened. Although he usually said he hated him, hearing his voice and not seeing him made her miss him.

Qin Anlan smiled faintly. "Alright, I'm hanging up!" Liangqiu, you hang up first." ye Liangqiu made a sound of agreement, but did not immediately put on the kasaya.

Just listening to each other's shallow breath thing was sweet enough.

Qin Anlan's heart was a little full. After a long time, he said softly, "Mrs. Qin, this is the first time I'm in a relationship. If there's anything I'm not good at, please give me your advice."

Her heart skipped a beat and she smiled. "Didn't you say that we're an old couple?"

"An old couple is also a first love." He said shamelessly, then urged her, "Hurry up and say something nice, I have to go." Her reaction was to hang up the phone. Qin Anlan was disappointed for a while.

"President Qin, we can go now."

In Kie's hand was a document file containing the cooperation plans between King Entertainment and Mr. DU's company. He had prepared everything from start to finish without anyone else's approval.

Qin Anlan looked at his phone again. He got up and picked up his coat. "Let's go."

&Nbsp; Kime could not help but laugh as he followed Qin Anlan out.

During the week in Hong Kong, he had been working with Mr. Du and discussing the details. Although Yingluo was a friend, a small detail could be related to hundreds of millions of dollars, so he couldn't be sloppy.

A week later, both sides reached an agreement to cooperate, and it was quite pleasant.

On the last night, the dinner was held at Rong Hua hotel.

Mr. Du welcomed them personally and they were surrounded by the top management of Mr. DU's company. Of course, there were many beautiful women at the men's party.

Mr. Du looked at Qin Anlan and called him affectionately, "An Lan, why don't you drink a few cups? It's rare for you to come to Hong Kong, so why don't you let me do my best as a host?"

Qin Anlan smiled and covered the mouth of his cup. "I'm getting married soon, but my wife doesn't allow me to drink." Mr. Du looked quite elegant and did not force her. He just looked around and smiled. "Look, President Qin has become a good family man.."

Chapter 1397: a flying luck with women (3)

In fact, he had heard that Qin Anlan's wife was Ye Liangqiu. Mr. Du admired Ye Liangqiu very much. In his heart, he felt that it was a pity that Ye Liangqiu was a good match for Qin Anlan. After all, he was very clear about Qin Anlan's love history.

Mr. Du smiled. "You can't touch wine, but you can at least touch women!"

"As long as Kime doesn't say anything, Miss Ye won't know, right?" He looked at him.

Of course, I won't tell you. Kie looked at Qin Anlan with a bitter expression.

Mr. Du raised his hand and the door of the private room opened. A very beautiful girl came in from outside.

He was in his early 20s, but his temperament was somewhat similar to Ye Liangqiu's when he was young.

Mr. Du said, "This is to make up for your past regrets." Mr. Du hinted, "Don't worry, there will be no trouble."

He looked up again at the girl who had just entered and gestured for her to sit next to Qin Anlan. Qin Anlan only looked at it and did not say anything.

"President Qin, my name is Xia Mian." The girl's voice was soft and pleasant to the ears.

"I haven't graduated from Chinese opera," Mr. Du said as he looked at Qin Anlan. Qin Anlan understood that Ran Ran was probably a place that Mr. Du had found.

He smiled. "Let's have a meal together! Don't worry about the others." What? Mr. Du was stunned for a moment. "Are you not satisfied?"

Qin Anlan smiled. Of course, Mr. Du's arrangements will not be wrong.

However, I, Zhenzhen, want to get married. Please forgive me.

Mr. Du was stunned for a moment, then he laughed and sighed. "President Qin has changed. Next time, you have to bring sister-in-law to me."

Qin Anlan only smiled and did not say anything.

The dinner continued. Xia Mian leaned against Qin Anlan, and her soft, young body seemed to be leaning against him. The delicate fragrance of a young girl wafted into his nose.

Qin Anlan furrowed his brows and made an excuse to go to the washroom.

he slowly washed his hands, and his expression was somewhat solemn.

du's move was obviously to test his loyalty to cool autumn.

She looked up at herself in the mirror, her eyes dark.

He didn't like it when others tested him, especially Guan Liangqiu.

When he returned to the room, he raised his phone.

"i understand," mr. du smiled.

Qin Anlan sat there for a while before leaving with Kime. Before he left, Mr. Du asked them to send Xia Mian off.

Qin Anlan took a look and nodded.

When they got into the car, it wasn't good for Kime to sit in the back, so he gave the back seat to Xia Mian.

It was obvious that this little girl was still quite restrained, her hands on her knees not moving at all.

Kime laughed and told the driver to drive for a while.

"where do you live?" Qin Anlan closed his eyes and suddenly asked.

The young girl was wearing an ink-colored dress. Her skin was fair, and she seemed to be frightened. She turned her head to look at Qin Anlan and said in a soft voice, "President Qin, you're asking me?" qin anlan did not say anything.

yes, miss xia. we'll send you back first before going back to the hotel, " kie replied.

Xia mian pursed her lips,"i'm staying at the royal hotel. ill be back in b city tomorrow."

Kie turned to look at boss Qin.

Qin Anlan merely lifted his eyelids and coldly snorted, " meddlesome!

let's stay in the same hotel. It'll save us a lot of trouble.

"thank you," Xia mian said as she bit her lip.

dean was so generous that he didn't even keep such a high-quality good for himself.

However, he was quite surprised that boss Qin was really not interested in it. He didn't even look at it..

Chapter 1398: A flying luck with women (4)

the car drove smoothly, and the small space was filled with a faint perfume smell.

but more than that, it was the fragrance of a girl's body.

The taste was so pure that even someone like Kime couldn't help but feel excited.

She sat up straight and glanced at President Qin from time to time in the rearview mirror.

president qin was still calmly leaning on the back seat with his eyes closed. he admired ye liangqiu even more now. president qin was like a liuxia hui outside.

half an hour later, the black rolls-royce phantom stopped in front of the royal hong kong hotel.

kie got out of the car and opened the door for qin anlan. out of courtesy, he also opened the door for Xia mian.

Xia Mian stood under the neon lights. She looked down and then looked up. Her long eyelashes trembled, and it was a little breathtaking.

“president qin, thank you.” thank you too, ” she said as she smiled at him.

‘oh my, this is a sensible girl,’ thought kie. fortunately, boss qin wasn’t tempted. otherwise, it wouldn’t be good if he was pestered.

qin anlan had been calm all this while. he nodded and walked toward the hotel lobby.

kime quickly followed her and waved at Xia mian.

Xia Mian stood where she was, pursed her lips, and slowly followed.

the elevator door closed ruthlessly in front of her. she looked at the special elevator that led directly to the presidential suite on the top floor.

this was the hierarchy, just like this elevator, which she would never be able to enter.

kie stood in the elevator and looked at qin anlan. after a long time, he said softly, ” “President Qin, do you think Mr. Du can be trusted?”

“Half,” Qin Anlan’s hand was on his forehead. He looked up, feeling a little tired.

I’ll be taking a private plane to City B tomorrow morning. Please rest, President

Qin!

Kime stayed in the second bedroom, so he went in first.

Qin Anlan sat on the sofa for a while and took out his phone to take a look.

There were no phone calls, no text messages, nothing

however, even though he was angry, he still felt a little sweet.

qin anlan sent a message over. ” what are you doing? ” the reply came rather quickly. ” i’m done bathing mu yun. ‘

qin anlan’s heart wavered at the thought of her wet clothes. he did not care that it was past ten o’clock and called her. It rang a few times before she picked up Yingluo.

qin anlan smiled faintly. ” liangqiu.

Ye Liangqiu mumbled, ” yes. I’m going to take a shower. “You’re not wearing any clothes?” he was immediately interested.

at the same time, his adam's apple rolled uncontrollably, and his voice was extremely hoarse. " cool autumn. "

qin anlan's body tensed up when he heard the sound of  
water.??  
?? I miss you."

however, these four words made qin anlan flustered and agitated. he even started to speak incoherently. "I miss everywhere, especially little an LAN." "liu"! Oh." She snorted and told him about mu Yun's situation today.

she also fell into a daze for a while in the middle of the night, and they both tasted the taste of longing.

Chapter 1399: You ‘ve become arrogant from being pampered (1)

“Are you angry?” His eyes were filled with an intoxicating smile as he patiently coaxed her.

“after we go back, can you punish me? you can do whatever you want, tie me up, or whip me. ” he said shamelessly. his mind was also a little excited because of the excessive imagination.

Ye Liangqiu couldn't stand him anymore and was about to hang up when Qin

Anlan said in a low voice, "wait a moment. The doorbell is ringing." She didn't hang up after hearing what he said.

Her female instinct told her that something might have happened.

for example, president qin's love affair ...

Qin Anlan held his phone and walked to the door. When he opened the door, he saw Xia Mian standing outside in only a bathrobe. It was dark and a little wet, and she draped it over her shoulders as if she was taking a bath. Her bathrobe was also wet.

the translucent bathrobe hung on her young body, and it was midnight, so it had an unspeakable temptation.

"President Qin, the shower in my room is broken, can you take a look at it?" Xia mian's fair fingers covered the beauty of her chest. this type of welcoming and rejecting was always what men liked the most.

qin anlan frowned and said to ye liangqiu, "wait a moment."

As he spoke, he opened the door wide and called for someone to come in.

KIME walked out. at first, he looked at Xia mian in surprise, but then he understood.

"let's go to miss xia's room and take a look." qin anlan's tone was a little calm. "also, get another room. if miss Xia needs anything, she can just look for you. 'kie could tell that his boss was displeased. this Xia mian was the same. president qin had clearly rejected him and was chatting with his wife. why did she have to come over?

alright. Kim nodded.

he went back to the bedroom to get his things. Xia mian's expression was a little embarrassed, and she pulled her clothes closer."sorry for the disturbance. "

qin anlan did not stand on ceremony with her and said directly, "It's good that miss Xia knows."

Xia Mian took a deep breath, "I don't want to trouble you, I'll go to the front desk." &Nbsp; qin anlan closed the door after he finished speaking.

"you heard that?" he said to the other side of the phone, " mrs. qin, i'm a good girl, aren't i? i didn't ask anyone else for help. "

Ye Liangqiu snorted. President Qin, my shower is broken too. Can you come and take a look? "

"i'll come back tomorrow morning," he laughed in a low voice. the call ended.

Qin Anlan looked at his phone and smiled. what a bad temper.

But even so, he still liked it.

He walked to the door of Kime's bedroom and said, "set the flight time for six in the morning tomorrow." I'll make the arrangements. " KIME was a little surprised, but he still nodded.

Qin Anlan returned to his bedroom, took a shower, and lay on the bed for a while. He tossed and turned, but could not fall asleep. After leaving QiuQiu, his insomnia came back again.

after a long time, he sat up and habitually wanted to drink a glass of wine, but he held back at the thought of the child.

she couldn't take it anymore and sent another message to ye liangqiu.. " are you

she might have fallen asleep and only replied after about half an hour, and in this half an hour, he waited foolishly.

"She's sleeping." These two words could melt his heart.

he couldn't bear to let her go-chat with me, okay?

"Yes, what gift did you bring me?"

"am i not the best present?" after a long while, she replied with a few words, " shameless.

Qin Anlan knew that she was extremely sleepy, and his heart felt both sweet and sour. A woman had knocked on his door just now, but she could actually sleep so peacefully.

did he trust her, or did he not care?

qin anlan's heart was filled with anger, but that heartless little thing had already fallen asleep.

he stared at his phone for a long time, feeling helpless.

but this kind of helplessness was also sweet.

he got up and went to the gym to exercise for two hours. at least, he slept for three to four hours.

They set off for the airport at dawn. Poor Kime was still half-asleep, so he dragged his luggage and followed his President.

It was only eight o'clock in the morning when they arrived at B city. Qin Anlan opened the door to the house. The room was still quiet, so he probably had not woken up.

he put down his luggage and walked into the bedroom to watch her and Xiao mu yun fall asleep with their heads touching.

His heart softened, and he looked at it for a long time before taking off his coat, undoing his tie, and rolling it up in his hand.

he walked over lightly, picked her up, and walked out of the bedroom.

Ye Liangqiu woke up and saw the depressed expression on his face. She reached out to hug him, still a little sleepy. you're back so early? "

“yes.” he rubbed the tip of his nose against hers, and after a while, he said softly,  
” “i missed you.”

he carried her into the guest room and threw her onto the bed not too gently. he knelt on one knee beside her and held her face with one hand to kiss her.

she finally came to her senses and looked up at him. ” what’s wrong with you? ‘ suddenly, her hands were tied by her tie and tied to the bed.

“Qin Anlan.” She was a little angry and glared at him.

however, he comforted her and softly coaxed her, ” “Be good, don’t move around.” she kicked him, but he quickly pressed her leg down and looked into her eyes.

ye liangqiu bit her lip. ” were you not satisfied last night? ”

He laughed in a low voice and tied her up tightly.

Then, he straightened his body and admired her struggling and helpless look. He reached out his hand and gently stroked her slightly red face. what can I use to satisfy you? ”

His slender fingers pinched her face until it was almost deformed.

ye liangqiu angrily kicked him again, glaring at him.

she had never been in such a sorry state before-they were not even married, and he was already playing such tricks on her!

seeing the look in her eyes, qin anlan chuckled softly again. he leaned over and kissed her shamelessly. ” i don’t have those bad habits that you think. when i look at you, i can’t help but want to do that. ”

“excuse!” She kicked him from time to time, but her voice was soft. it’s clearly you who’s good.I lecherous.”

“Yes, I’m good.I lecherous.” he lowered his head to kiss her, his long hand holding hers, not letting her hurt herself.

after kissing for a long time, he looked up at her. her eyes were moist and she looked extremely alluring.

“did you miss me?” his fingers rubbed her delicate red lips, and his voice was extremely hoarse.

Her long hair was scattered on the pillow as she looked at him helplessly, her lips trembling.

“Baby, you said you missed me.” His heart was also a little agitated, and a flame burned in his dark eyes, as if he wanted to eat her up.
