

## Thank you 141

### Chapter 141

#### 141 Deliberately neglecting PEI Qiqi (2)

“You still like him, don’t you?” he opened his mouth, his voice so deep that it sounded like dripping water.

PEI Qiqi couldn’t stand him like this and turned her face away, ” “I didn’t!”

Tang Yu was still staring at her little face. Even if he couldn’t see her clearly, he wanted to pin her figure firmly in his eyes.

“if there isn’t!” he narrowed his eyes and suddenly reached out to grab her hair. his handsome face dangerously approached her, and his voice was so cold that there was no warmth at all. ” then prove it to me. ”

PEI Qiqi’s scalp hurt and she was shocked.

She did not know how he wanted her to prove it.

But he just grabbed her and pressed her little face down.

Humiliation, shame!

She was forced to hold back the urge to vomit.

she didn’t know how long she had been tortured by him, but in her daze, she heard him say coldly, ”  
” pei qiqi, did you know? this is how you treat a woman you bought. ” n/ô/vel/b//in dot c//om

even though he was happy, he still did not let her go.

That night, Tang Yu was the devil.

If the last time Lin jinrong appeared in Xia city, Tang Yu was a little rough, then this night could be considered brutal.

at daybreak, she lay down like a ragdoll, her eyes devoid of life.

Tang Yu had already taken a shower and put on his clothes. One night was enough to wake him up from his drunken stupor.

He stood by the bed and looked at PEI Qiqi. He said lightly, ” “i had a great time last night.”

She didn’t respond and continued to lie down, the thin blanket covering her body.

Under the morning light, her exposed shoulders and arms were covered in bruises.

tang yu’s gaze froze but he remained calm, ” pei qiqi, when i’m done playing, i’ll let you go. ” By then, you can be with whoever you want.”

she moved slowly and looked at him listlessly. then, she curled up her body and wrapped her arms around her shoulders.

pei qiqi was very cold.

Her head was dizzy, and her body was in extreme pain.

however, she would not beg him.

he had said that she was the woman he had bought and only deserved this kind of treatment.

she was in pain, but she felt at ease.

he didn't like her. this was good.

she didn't want to be burdened with emotional debts again.

because that would be very tiring, yingluo.

PEI Qiqi slowly closed her eyes and tears flowed from the corners of her eyes.

She was only 20 years old, but her life was full of uncertainties.

this time, she was really tired, yingluo.

wanwan's auntie li received tang yu's call and arrived at xia city. when she opened the door, she was stunned.

"How could he bear to be so ruthless!" Auntie li kept talking, her heart trembling.

she carefully helped pei qiqi to take a bath and washed her clean.

it was everywhere.

Auntie li knew without a doubt what kind of treatment PEI Qiqi had to go through ...

when a man becomes ruthless, he's really not human!

PEI Qiqi didn't say a word. She just kept washing herself.

auntie li was experienced. she carefully found the ointment and let pei qiqi apply it herself. when everything was settled, she said, " auntie, it's not appropriate for you to say this. just go along with it and don't make things difficult for yourself. "

pei qiqi was lying down, her long hair spread on the snow-white pillow. auntie li had already changed the bedsheets.

she was lying on this bed full of tang mo's aura. as soon as she closed her eyes, she could see his beast-like eyes in the dark last night and his violent means.

She also remembered how he had treated her like that. She had been with him countless times.

She would never forget that feeling of shame.

Chapter 142

142 deliberately neglecting pei qiqi (3)

"I'll go make some porridge. At least eat some." Auntie li didn't know what to say.

how could mr. tang be willing to follow him at such a young age?

in the past, she doted on him obediently, but now she didn't recognize him anymore. auntie li thought about it as she did her work.

She brought the porridge to the room and PEI Qiqi was already asleep.

Even in her sleep, she still hugged her body, feeling extremely insecure.

Auntie li watched silently for a while and then brought the porridge out.

You must be exhausted!

Auntie Li's heart ached, but she had no choice.

after all, she was a servant and an outsider, so it was reasonable for her to not speak too much about mr. tang's matters.

PEI Qiqi slept for a long time until the sun rose and fell.

Late at night, she sat up gently.

It was still very painful, but that kind of pain also had a touch of coolness. She looked down and saw that there was a green ointment applied on the bruises on her body.

she was very hungry, but she would rather sit in the dark and whine.

after a long time, she suddenly looked around in shock.

tang yu wasn't here!

When she thought of him, her body trembled and she couldn't help but tremble.

She reached out to turn on the light, and the bedroom lit up. On the wall opposite the luxurious ivory bed, there was a huge round mirror, and she saw herself in the mirror.

She never had a choice in who she liked or disliked.

PEI Qiqi gently raised her hand and touched her lips.

She remembered how he teased her.

She was panting slightly, her eyes half-closed and her body swaying like a tree branch in a storm.

she had not eaten for a day and felt a little dizzy. she supported herself to the outside.

auntie li had left long ago, but she still considerately prepared food for her. she could eat it after heating it up.

PEI Qiqi heated it up and sat at the table in a daze. Then, she lowered her head and ate.

but as she ate, she started to cry.

she wiped her eyes and told herself over and over again ...

pei qiqi, don't cry!

when you decided to sell yourself to tang yu, you should have expected this day to come.

how could there be such a way of treatment?

she bit her lip so hard that it almost broke.

Last night had been a nightmare for the rest of her life.

she curled up on the sofa and called pei minghe's ward. the nurse thoughtfully placed the phone by pei minghe's ear and teased him.

"Dad, I'm a little busy today. I can't come." PEI Qiqi's voice was soft.

PEI Minghe could only let out a long "en" to show that he knew Yingluo.

When PEI Qiqi heard that voice, the tears that she had stopped flowed down again. She reached out and wiped her cold tears away. She squeezed out a smile as though PEI Minghe could see it.

dad, be good. I'll go visit you in two days. She coaxed him like she was coaxing a child.

only by talking to him could pei qiqi find some warmth and temporarily forget the humiliation she suffered last night.

PEI Minghe listened, and his old face that was covered in gauze was filled with tears. He knew it in his heart, but he couldn't say it out loud.

He let out a long Wuwu whine again.

pei qiqi covered her mouth, afraid that she would cry. Nôv(el)B\\jnn

Her eyes were a little dry and painful because she had shed too many tears.

she closed her eyes, and after calming down for a while, she quickly said, " "Dad, that's all. Go to bed early."

she hung up the phone and curled up slowly. she hugged her knees with both hands and buried her face deep in them.

the lights slowly dimmed, and she was alone in the dark living room.

just like that, until dawn.

Chapter 143

143 deliberately neglecting pei qiqi (4)

The next morning, someone knocked on the door.

pei qiqi raised her eyes. in those lifeless eyes, there was a certain kind of fear. she kept staring at the door and wanwan.

the door continued to knock, again and again, and again and again.

finally, pei qiqi walked over barefooted. she opened the door and saw a delivery man.

"there's an express delivery for mr. tang here." The young man outside took out the things. is Mr. Tang in? "

pei qiqi hesitated but still took it, " he's not here. i'll take it! "

the courier agreed. as he signed for the delivery, he asked, ” “May I ask if you’re Mr. Tang’s Chenchen?”

PEI Qiqi raised her eyes and looked at the young man. The latter suddenly felt that he was a little rude, but he couldn’t take back his words.

pei qiqi forcefully retracted her gaze and looked at the spot where she signed. she said softly, ” “I’m a part-time helper here!”

Oh, ” the young man replied. He smiled and left.

PEI Qiqi held the express delivery. Her fingers were cold. She looked at it carefully. It was an emergency and the word “document” was written on it.

She looked at him and hesitated for a moment. In the end, she picked up her phone and called Tang Yu.

after a few long rings, he picked up the phone and said in an indifferent voice, ” “is there something?”

After what happened, if it wasn’t necessary, PEI Qiqi wouldn’t dare to provoke him.

She lowered her eyes and said softly,”there’s a document that Wanwan sent here.” &Nbsp;

She did not use ‘home’, but’ here’.

tang yu easily caught it.

“open the document and take a picture of it with your phone!” he instructed calmly and then hung up the phone.

pei qiqi pursed her lips and opened the document. she took a photo of it and wanted to send it to him, but then she realized that she didn’t have his social media account.

she was stunned, but she still called him. this time, he did not pick up.

” looking for the president? ” a familiar yet unfamiliar female voice asked.

PEI Qiqi was stunned.

Xiao ran smiled faintly. I’m Secretary Xiao. The president is in new York and is in a meeting now.

pei qiqi acknowledged, ” i want to send him the photos. ”

” you can add me on wechat, ” xiao ran said, giving her a string of numbers. ” i’ll hang up first. i’ll send it now and wait for it. ”

PEI Qiqi understood now. If he was waiting, then Tang Yu’s original schedule would be pushed back by at least two days.

he had left early.

PEI Qiqi was stunned for a moment. Then, she followed Xiao ran’s instructions and added him on WeChat. n/ô/vel/b//jn dot c//om

When she sent the photo over, she actually wanted to delete it, but she didn't dare to make a fuss.

On the other side, Xiao ran received the photo and opened it. He connected his phone to his computer and downloaded it. Then, he returned the phone to Tang Yu, " President, it's done.

Tang mo nodded and continued with the meeting at the new York branch.

It was evening in new York.

after the meeting ended, he stopped xiao ran. " you don't have to wait for me. go back to the hotel first. "

Xiao ran was stunned for a moment. Her intuition told her that something must have happened to the president and his little sweetheart. Otherwise, he would not have brought the trip forward.

although tang yu's performance at work was no different from usual, xiao ran was his personal assistant. how could he not see that he was different?

Tang Yu's current state deepened her thoughts.

xiao ran nodded and said, " i'll go back first. have a good weekend, boss! "

If she didn't mention it, Tang Yu would've almost forgotten that it was the weekend.

he had planned to come over after the weekend, but he lost control that night.

pei qiqi looked down on a little girl, but her heart was really cruel.

Chapter 144

144 chen xinjie, green tea (1)

she also knew that he almost doted on her, but hanhan didn't take it to heart.

She had always liked jinrong. From the moment they met at the hospital, he understood.  
n/ô/vel/b//in dot c//om

Tang mo laughed at himself for being silly.

he turned around, took out a cigarette from his pocket, and quietly lit it.

These two days, he had smoked a lot, but no matter how much he smoked, it couldn't stop him from thinking about that night.

she was upset, and so was he.

She was in pain, and so was he.

She had not done such a thing, and he had not urged her to bite him with her small teeth.

Even though he thought this way, the bite started to hurt again, all the way to his heart.

between him and pei qiqi, he didn't even have the right to ask her for an explanation.

He was the one who bought her. He bought her body, but he did not buy her heart.

He had once asked her to be loyal, and she had done it. She and jinrong had not done anything.

however, jinrong was still in her heart.

Tang Yu wasn't a Saint so he couldn't accept this.

He used to think that Yingluo would like him.

he exhaled the last puff of smoke, picked up his coat, and went out for a walk.

over at wanwan's side, pei qiqi put down her phone and pursed her lips for a long time.

after that, she brushed her teeth and washed her face. then, she made some chicken noodles for herself. tang yu wasn't around, but she wanted to eat.

When she took the bus to school, she felt a little dizzy.

She was dizzy and uncomfortable, but she still managed to hold on for half a day.

In the afternoon, Chen Xinjie looked at her face and asked worriedly, "qiqi, are you okay? why don't you go back first?"

pei qiqi's voice was a little hoarse as she spoke, "alright then. help me apply for leave from this afternoon's class."

she dragged her school bag and walked out slowly. a slender figure stood at the door of the classroom.

it was lin jinrong.

pei qiqi walked around him and quietly walked towards the tree-lined path.

however, lin jinrong caught up with her in a few steps. he frowned and stared at her pale face, "did he make things difficult for you?"

PEI Qiqi stood still and looked up at Lin jinrong, "Lin jinrong, have you still not forgotten that feeling?"

He was stunned.

pei qiqi smiled faintly. this smile made her face look even paler.

she lowered her eyelashes, and those curled eyelashes trembled gently, like two small brushes, dense and lovely.

Lin jinrong, if you're just unwilling, then I can tell you Hanhan now. PEI Qiqi suddenly looked up at him and said, "i did like you before, but this love has long been crushed by reality. yingluo has nothing left."

he was still staring into her eyes.

pei qiqi said in a self-deprecating tone, "lin jinrong, i'm different from you. you have a good family background and can do whatever you want. even when you and pei huan were about to get married, you could still tell me that you like hanhan. but did you know? when i sold myself to tang yu and laid under him, i was no longer called pei qiqi."

"what is it called?" Lin jinrong's voice was trembling.

pei qiqi raised her eyes and looked at the long maple forest in front of her. after a long time, she said softly, "merchandise."

lin jinrong stared at her intently, "pei qiqi, you don't have to be one too! "

from Tang Yu's mistress to your mistress? "pei qiqi smiled and lowered her eyes, "lin jinrong, don't pester me anymore. this will only make my life worse. "

after she finished speaking, she carried her bag and slowly walked towards the other side of the road.

## Chapter 145

### 145 Chen Xinjie, green tea (2)

lin jinrong just looked at her like that. he clenched his fists and wanted to chase after her, but he was in no position to do so.

pei qiqi took the public bus. she didn't go to the hospital because people would be suspicious if she was covered in bruises.

when she returned to the apartment, auntie li was there and had prepared lunch for her.

PEI Qiqi put down her bag and sat at the dining table, "Auntie, how did you know I would be back in the afternoon? "

when auntie li saw her, she finally felt relieved. she glanced at her. " "I thought you didn't go out to take a look. You're injured and you're still going to school. You must be feeling uncomfortable now!"

Before PEI Qiqi could say anything, Auntie li couldn't help but scold, " "Women have to love themselves, especially so."

The rest of the sentence wasn't easy to say, but PEI Qiqi understood. n/ô/vel/b//jn dot c//om

She just nodded silently.

auntie li's heart ached for her, and her fingers gently stroked her head."you can't be like this in the future. Be more obedient."

pei qiqi nodded again.

After the meal, Auntie li reached out to check the temperature. It was fine.

he left as soon as he felt at ease, telling her to rest well. dinner was ready, and she just had to heat it up.

PEI Qiqi went to the bedroom and lay down. She felt dizzy as she laid on the pillow. Tang Yu's scent was everywhere.

her small hand slowly touched the pillow that he often slept on. she gently touched it, and then unknowingly, she hugged it in her arms.

Just like that, she fell asleep. When she woke up, she was covered in cold sweat.

It was the ringing of her phone that woke her up. PEI Qiqi looked around at the darkness and looked at the time. It was already eight in the evening.

the ringtone continued to ring unyieldingly. she picked it up and saw that it was pei huan.

“What’s the matter?” he frowned and answered.

PEI Huan’s voice was hurried and sharp, ” PEI Qiqi, come and see what your good sister has done! before pei qiqi could say anything, pei huan screamed hysterically, ” Chen Xinjie slept with jinrong. PEI Qiqi, are you satisfied now? ” as pei huan spoke, her body slid down.

she sat on the carpet of the hotel and leaned against the door, not letting the people inside go out. Outside the door, there were people from the Lin family. They were all called over by PEI Huan.

Meanwhile, in the bedroom, Lin jinrong leaned against the head of the bed and smoked calmly. There was not much expression on his face.

On the other side of the blanket, Chen Xinjie pulled the blanket to cover her naked body. She didn’t back down, ” pei huan, what are you doing? didn’t you also climb into lin jinrong’s bed like this? why can’t i? ”

PEI Huan was crying, and her hair was as messy as a bird’s nest. She had just had a fight with Chen Xinjie.

Her tears messed up her exquisite makeup, making her look a little scary.

She just sat there and mumbled as if she had gone crazy.

The Lin family outside did not dare to rush in, afraid that the child in PEI Huan’s stomach would be gone. They could only wait outside.

PEI Huan stared into Chen Xinjie’s eyes and said sternly, ” Lin jinrong didn’t want to get married at that time!

chen xinjie laughed coldly, ” but he likes pei qiqi. pei huan, don’t tell me you don’t know! ”

pei huan glared at her as if she wanted to tear chen xinjie apart. ” i’ve underestimated you from the start! ”

pei huan’s eyes were fierce and she could pounce on chen xinjie at any moment. however, chen xinjie was not afraid. she was not the one pregnant.

after a while, pei huan calmed down. ” but i have to thank you. if you didn’t give me the invitation, i wouldn’t have had the chance to get pregnant with jinrong’s child. ”

Chen Xinjie was a little annoyed. She didn’t expect PEI Huan to say it out loud.

Chapter 146

146 Chen Xinjie, green tea (3)

PEI Huan turned around and looked at Lin jinrong. Lin jinrong didn’t seem to mind and looked indifferent.

pei huan was in despair.

at this moment, there was a knock on the door. the voice outside was familiar to pei huan. ” pei huan, it’s me! ”

pei huan wiped her tears and looked at the adulterous couple on the bed, sneering.

she got up and opened the door.

PEI Qiqi slowly walked in. The room was filled with the smell of alcohol and love Jade. There were also clothes for men and women on the floor. From the outside to the inside, they were all scattered everywhere.

her gaze finally fell on lin jinrong and chen xinjie.

When Chen Xinjie met PEI Qiqi’s gaze, she shrank back.

pei qiqi laughed lightly.

PEI Qiqi, look. Your best friend slept with the man you like. How does it feel? ” PEI Huan leaned close to her face and said nervously.

PEI Qiqi turned her head and stared at PEI Huan. Her face was already a mess from crying.

However, PEI Huan was still laughing. She laughed without a care in the world.

after looking at her for a long time, pei qiqi suddenly felt that pei huan was very pitiful.

So what if it was something that he had obtained after much effort?

“PEI Huan, the man Chen Xinjie slept with was your husband, not the man I like!” She whispered.

pei huan was stunned. then, she laughed coldly and raised her chin, ” ” pei qiqi, do you know how many things you’ve done to your best friend? ”

“i know,” PEI Qiqi’s gaze landed on Chen Xinjie’s face, ” she was the one who exposed the fact that she liked Lin jinrong to tease me and Tang Yu. She even took my library card and borrowed the books Lin jinrong borrowed and purposely gave them to Tang Yu.

Chen Xinjie was stunned.

Her lips trembled and she stared at PEI Qiqi, ” “why didn’t you say anything?”

“there’s no need for that!” pei qiqi’s face was calm and pale.

her gaze landed on lin jinrong, and lin jinrong looked at her.

Lin jinrong, I only have one question. Do you still have your wedding with PEI Huan? ” She asked quietly, without a trace of emotion. n/o/vel/b//in dot c//om

when pei huan called pei qiqi over, they were already at loggerheads, but now, she was a little nervous.

she always knew that lin jinrong didn’t like her and married her because he had no other choice.

She didn't really care that Lin jinrong slept with Chen Xinjie. She just wanted to show PEI Qiqi that the person in her heart had slept with someone else.

She just wanted PEI Qiqi and Lin jinrong to be impossible.

however, pei huan didn't know that from the moment she climbed into lin jinrong's bed, it was impossible between pei qiqi and lin jinrong.

Now, PEI Huan was afraid. Things had blown up so much, would jinrong break the marriage?  
her fingers clenched tightly onto pei qiqi's clothes.

Lin jinrong smiled faintly. He didn't answer PEI Qiqi's question directly. Instead, he said, "pei qiqi, we are the same kind of people now!"

PEI Qiqi stood there, unmoving. All the blood in her body seemed to have frozen.  
she was the only one who knew what lin jinrong meant.

Lin jinrong's gaze fell on her face for a long time before he pulled up the blanket and put on his pants. When he was putting on his shirt, Chen Xinjie grabbed his arm, "jinrong!

"It's just a one-sided love, don't tell me you're taking it seriously!" Lin jinrong patted her face. okay, let go now.

Chen Xinjie was stunned.

she thought that lin jinrong would at least take pity on her. he wasn't that drunk last night, but he was willing to sleep with her. she thought that he, wanwan, had feelings for her!

lin jinrong put on his clothes and looked at pei huan expressionlessly. "as for the wedding, i will be there. "

#### Chapter 147-Qi Qi is pregnant

PEI Huan was stunned. When she came back to her senses, he had already walked past her.

He and PEI Huan had never interacted with each other. Even after they were married, they were close to each other but not heart to heart.

however, when he passed by pei qiqi, he paused for a moment and walked out in the end.

when the door closed, pei huan screamed, "jinrong, i know you did it for pei qiqi! "

That's right, he was doing this to help PEI Qiqi and Chen Xinjie.

he had actually made such a huge sacrifice!

Outside, Lin jinrong's body froze and he gave a faint smile.

Perhaps!

PEI Huan cried. She slowly turned around and looked at PEI Qiqi. Her voice was hoarse, "PEI Qiqi, you won!

pei qiqi's lips tightened. she lowered her head and smiled, "really? "

She didn't even look at Chen Xinjie and walked out.

All of this had nothing to do with her. Yingluo was the last drop of blood between her and PEI Huan that brought her over.

Perhaps it was because ran ran didn't want the child in PEI Huan to be like her.

there was no complete family!

the feeling of floating like duckweed was really not good.

When he walked out, the street was full of lights, which made people feel a little dizzy.

PEI Qiqi's leg shook. She raised her head and looked at the bustling city. Was that her home?

She was very tired, especially tired.

A red sports car stopped in front of her. The window rolled down, and a young, good-looking but perverted face appeared. how much is it? ”

PEI Qiqi covered her collar and looked up at the man.

Under the light, her eyes were as distant as the stars in the sky. They were filled with moisture, and they were so touching.

the man was a little stunned. from a distance, he thought that she was a pretty girl, but up close, she was beautiful in every way. it was a beauty that could not be described with words.

Her expression became more sincere. I can give you everything you want as long as you're with me.

pei qiqi took a step back and mumbled, ” someone has already bought me. ” n/o/vel/b//in dot c//om

she smiled at the man in a daze and then walked forward.

she knew that the person who bought her wanted to marry her.

but she didn't dare to know. she didn't dare to think too deeply about it and she would go to hell.

this is really good, really good, yingluo.

At least, she didn't have to worry about him looking at her like he was looking at a scammer.

She would never be abandoned again, Hanhan.

She didn't want to be abandoned again!

Qianqian Auntie li sat by the bed and watched PEI Qiqi talk in her sleep. She was very worried.

How could this be good?

he had been reading it for most of the night.

He measured her temperature and found that she only had a low fever. It was better after she took the medicine and sweated. Why did she keep having nightmares?

Auntie li thought that Mr. Tang must have scared her that day.

she had been taking care of him for the whole night, and he still didn't seem to be better at dawn. he refused to wake up, so she had no choice but to call mr. tang's secretary, miss xiao.

"miss xiao? "I'm Auntie li from Xia city." Auntie li was very polite.

"is there anything i can help you with?" xiao ran nodded.

Auntie li hesitated for a moment and said in a low voice, " " it's like this. miss pei is sick, and i don't know what to do about yingluo. if it's convenient, i'd like to pass a message to mr. tang."

xiao ran hummed in agreement. " i will. "

she paused for a moment. " i'll have to trouble you to take care of her for the next two days. "

Xiao ran was a smart person. Tang Yu had been cold to PEI Qiqi these past few days, but that was only temporary.

## Chapter 148

### 148 qi qi is pregnant?(2)

She put down the phone and walked into Tang Yu's office. Tang Yu was dealing with work. When he heard the door open, he didn't even look up, " "What is it?"

Xiao ran stood there. I just received a call from B city.

Tang Yu's fingers paused. He looked up and stared deeply into Xiao ran's eyes, " who? "

Xiao ran was sure that he had heard a hint of anticipation in her tone. n/ô/vel/b//in dot c//om she smiled in her heart, but her face remained calm. " it's auntie li. "

Tang Yu's eyes dimmed. He gave a soft " en " and then looked down at the documents in his hand. xiao ran paused for a moment before continuing, " auntie li said that qiqi is sick. yueyue, it sounds serious. "

tang yu's pen drew a long line on the paper. he was obviously startled. he looked up but didn't immediately say anything.

Xiao ran was an understanding person. He smiled faintly and said, " President, there's a flight to B city at 10 O 'clock tonight.

Tang Yu lifted his hand and looked at the time, " book the tickets for me. Also, you stay behind and finish the rest of the work.

"yes!" Xiao ran watched as he took his coat and walked out.

Tang mo didn't even return to the hotel and drove directly to the airport.

In just a short 20 hours, he had actually become extremely anxious.

Even when he had just taken over Sheng Yuan, he had never felt this way.

He was even more surprised, surprised that he had surrendered so easily.

he did use force on pei qiqi, but that didn't mean he wasn't angry anymore, aww.

He wanted to give her the cold shoulder and even give her up!

a single phone call had easily destroyed all of his persistence.

on the plane, he closed his eyes and tried to find all the good things about her in his mind.

After looking around, other than her good looks and the chicken noodle she cooked, she really couldn't tell what was good about her!

But even so, he was still too focused on her, so when he saw that scene, he couldn't help but use force on her.

that kind of method was a little too cruel for a twenty-year-old girl.

Before this, he had always wanted to treat her Yingluo well.

the plane landed at B city's airport. sheng yuan's headquarters arranged for a car to pick them up. tang yu closed his eyes and said, " to xia city. "

the driver turned the car into the flow of traffic. ten minutes later, tang yu, who was resting with his eyes closed, suddenly frowned, " drive faster. "

"This is already the fastest I can go, Mr. Tang." the driver expressed his innocence.

Tang Yu didn't say anything more. He didn't rest and just looked out at the night.

a night like this was very much like the night he was drunk.

she must have hated him to the core!

his heart ached at the thought of it.

Half an hour later, the car stopped.

tang yu opened the door to his apartment. auntie li was still there, blowing on a bowl of soup. when she saw tang yu, she heaved a sigh of relief, " mr. tang, i don't know what's wrong with you. you've been so listless the entire day and you even vomited during lunch. "

He vomited?

Tang Yu took off his jacket and threw it to the side. He took the bowl from Auntie Li's hands, " you can go back first. You've worked hard."

from these words, auntie li knew that he still had feelings for pei qiqi.

there were some things he wanted to say, but he felt that it was inappropriate, so he didn't say it.

After Auntie li left, Tang Zheng carried the soup and opened the bedroom door.

a dim yellow bedside lamp was lit in the bedroom, and the entire space seemed warm.

his heart was a little hot, and there were some indescribable emotions.

After all, they were not on good terms that night.

pei qiqi fell asleep on her side. he could only see a strand of long hair outside the blanket.

## Chapter 149

### 149 Qi Qi is pregnant?(3)

Tang Yu put down the bowl in his hand and quietly watched for a while. Then, he lifted the blanket and laid behind her, enjoying himself.

His large hand consciously caressed her small belly.

he didn't use any protection during her safe period.

It was especially easy for a young body to conceive a child.

Perhaps, their child was already here.

Tang Yu's emotions were a little complicated. He reached out to brush her hair aside and placed his face on the back of her neck. He could also feel that she was awake.

At that moment, PEI Qiqi felt her entire body was covered in a thin layer of sweat. Her body was extremely stiff.

The memory of that night came back to her like a tide, and she struggled slightly.

tang yu didn't let go of her but held her in place. his voice was low and hoarse, "qi qi!"

she struggled uneasily and carefully said, "don't be silly."

Tang Yu held her in his arms and let her struggle and resist Hanhan.

he didn't dare to do anything to her in case she got pregnant and got hurt.

However, when he thought about his actions that night, he was still a little scared. Could Xuanji have been injured?

after 10 minutes, pei qiqi fell into his arms, covered in sweat.

she was already extremely weak, but now, without any strength, she looked so well-behaved that it made people want to love her.

tang yu carried her over and placed her in his arms.

he was dressed neatly. after all the tossing and turning, he was also in a mess. pei qiqi's pajamas were rolled up. he could feel it when he hugged her.

even at this moment, his body still felt a strange heat. after all, he had not touched her for a few days!

however, this was not a good time, so no matter how uncomfortable he felt, he had to endure it.

She hugged him and coaxed him patiently. "stop it!"

PEI Qiqi struggled again. Her small hands clenched into fists and she punched him, wanting him to let go of Hanhan.

that small fist landed on his shoulder. it was so light that it felt like it was hitting his heart.

tang yu had an indescribable feeling in his heart as he let her hit him. luckily, she didn't have much strength left and soon, she was panting heavily.

it was hot and wet under the blanket. on top of that, her scent was too fragrant. tang yu couldn't resist it. he lowered his head and kissed her on the lips.

he kissed her with all his heart and hugged her firmly from behind.

PEI Qiqi couldn't avoid it and was forced to raise her face to let him kiss Yueyue.

She couldn't struggle, but she started to cry.

Salty tears rolled between their lips and teeth, but he didn't dare to indulge too much and stopped after kissing for a while.

He pressed her on his shoulder, his thin lips pressed against her ear, and his voice was hot and hoarse."i won't do it again in the future!"

PEI Qiqi's body froze and she started to struggle again.

He was afraid that she would hurt herself, so he let go of her. alright, have some soup. Auntie li made it.

he got down easily. pei qiqi was still lying on the ground, mumbling. n/o/vel/b//in dot c//om

She looked a little dazed, as if she was not fully awake.

Tang mo sighed in his heart.

In her heart, he was a bad person!

He sat on the bed and fed her soup.

she pursed her lips and refused. he said a little fiercely, " "if you don't drink, i'll hug you!"

PEI Qiqi immediately crawled back down and fell asleep in front of him!

Tang Yu looked at the bowl in his hand and felt helpless.

for the first time in his life, he could not do anything to a little girl.

But what could she do? he was the one who was rough with her.

he stared at her back for a long time.

PEI Qiqi's soft hand reached over and she even dared to push him, " "Go away!"

Chapter 150

150 Qi Qi is pregnant?(4)

Tang Yu's originally troubled thoughts were immediately washed away.

He laughed and lay down as well. He said in a hoarse voice, " "I rushed back from new York, and now I'm hungry and tired, Yingluo."

She didn't speak, and her body was a little stiff.

Tang Yu chuckled. His fingers slowly touched her stomach, " let's sleep together.

PEI Qiqi endured it. After a long time, her neck was still warm, but his breathing had become even.

he fell asleep?

she turned her body slightly and turned around. this was the first time she had seen his face so closely.

He was blessed with a rare noble appearance, with a straight nose and beautiful thin lips.

PEI Qiqi heard that men with thin lips could also be fickle and flirtatious.

Before she regained consciousness, her fingers gently touched his lips.

“You want to kiss me?” Tang Yu’s voice was extremely hoarse.

pei qiqi was shocked. she wanted to take her hand back but he bit her finger.

she cried out in pain.

tang yu chuckled and let her go. he reached out and turned on the lights, ” let me see if you’re hurt!  
”

he did it on purpose!

PEI Qiqi wanted to turn around, but it was impossible now. He reached out and pulled her into his arms. He placed her in his arms carefully, as careful as he was that night. Nôv(el)B\\jnn

she was so fragile in his arms, and there were only two thin layers of fabric between them. this situation made her a little scared.

Qiqi, don’t be afraid of me. It won’t happen again! As if he could read her mind, he patted her little body and pressed her down. it’s my fault, Yingluo.

He whispered into her ear. Tang Yu had never apologized to anyone in his life, not to mention a woman.

pei qiqi wasn’t an unreasonable person. he did use force on her, but with her status, he could do whatever he wanted to her.

she didn’t respond, but her body softened.

Tang Yu chuckled and pinched her cheek, ” good girl!

Hugging her like this, he felt good. They were both adults, and he hadn’t hugged her for a few days. At this time, he had some thoughts.

if it wasn’t for what auntie li said, he would probably have coaxed her to come.

Finally, she sighed and brought the soup over. She tasted it and found that it was still hot. drink some.

PEI Qiqi didn’t want to drink it, but she was afraid that he was really going to do something. She took a small sip and drank half of it, ” I can’t drink anymore!

She sounded really delicate.

Tang Yu smiled and drank it himself.

he was a man who couldn't stand the smell of sweat. after coaxing her to sleep, he carefully got up and washed off the dust on his body.

after changing into a bathrobe, he was a little hungry. yingying couldn't ask his little girl to get up and cook for him, right?

tang zheng walked around the kitchen and finally gave up. he poured himself a glass of red wine and lay down after drinking it.

He was in a good mood and felt that she was especially gentle, so he wanted to compensate her.

however, tang yu later found out that pei qiqi was so gentle and well-behaved today because she only treated him as a woman he bought.

it was just like he said.

When she really fell in love with him, she would never forgive Hanhan for treating her like this! Never!

She would kill him!

early in the morning, tang yu woke up first. he turned his body to the side and looked at the little girl.

PEI Qiqi was stunned. She rested her little face on his neck and her breath was warm and fragrant.
