

Thank you 1421

Chapter 1421: an Ian, i want to go home (2)

but in the end, she didn't hug him, because she didn't have the courage. after mrs. qin left, qin anlan helped her lie down and gently touched her forehead with his fingers. " i'll get a towel to help you wipe your sweat. ' her body was very weak at the moment, and she would be sweating in a while.

ye liangqiu nodded and watched him walk into the bathroom.

He was very calm and his movements were gentle, making her feel like she was being protected ..

This was Qin Anlan, the Qin Anlan she was once utterly disappointed in. But now, she could truly feel his love for her, ran ran.

"An LAN." she grabbed his hand and looked at him weakly. " can you lie down with me? "

Qin Anlan smiled and put down the towel in his hand. He slowly lay down beside her, turned sideways, and carefully wrapped her in his arms with one hand.

her eyes met his, and her voice was unbelievably gentle. "What do you want to talk about?"

She was still very weak. She laid in his arms and smelled the nice scent on his body. no, I just wanted to feel your temperature.

She buried her face in his arms and felt like crying again.

he knew how sad she was.

apart from not being able to acknowledge her parents, she must have felt guilty in her heart. she felt that she had let down his mother with her birth.

he lowered his head, his voice a little hoarse."Liangqiu, this isn't your fault."

but I'm afraid of Hanhan. she buried herself in his arms and said in a low voice, I'm afraid of that day, Hanhan.

Other than Mrs. Su and Mrs. Qin, su Shicheng definitely knew about her family background. As such, it was only a matter of time before it was exposed.

qin anlan lowered his head and gave her a light kiss on the lips. " liangqiu, even if that day comes, you still have me! "

She raised her head and looked at him for a long time. Finally, she rested her head on his shoulder and gently wrapped her hands around his waist.

" anlan, i don't think i've ever loved you this much. " yes. " his voice was low. " me too. "

"will we be together forever?" she raised her head and looked at his good-looking chin.

He smiled. of course I will. When we're too old to walk, I'll still be your an LAN.

“Do you believe in love?”

“i do. my love is called ye liangqiu.”

he patiently chatted with her until she fell asleep from exhaustion.

When she fell asleep, Qin Anlan held her hand and did not dare to move for fear of waking her up.

he didn't know what cool autumn was thinking.

He felt a little uneasy in his heart, or rather, he had a premonition.

the next day, doctor mei said that she could be discharged. qin anlan brought her back to the apartment and mu yun back.

mrs. qin didn't approve of it at first, because she was afraid that liang qiu was working too hard. how could she take care of a child when she was still resting in bed?

in the end, qin anlan had to take care of the child himself, so mrs. qin had nothing else to say.

After a few days, ye Liangqiu's health had improved a lot, but her Yingluo seemed a little clingy.

In the past, ye Liangqiu was cold and aloof. She never said anything sweet, so it was very difficult to hear anything nice from her mouth.

however, it was different now. she stuck to him in all ways. even when he was cooking, she would lie behind him.

qin anlan, a carnivore, could not take it. he turned around, cupped her face, and kissed her. his voice was low and hoarse. ” baby, if you continue like this, i won't be able to take it. ‘ she stood on her tiptoes and accepted his kiss. her voice was warm. ” then don't hold back. ‘

To Qin Anlan, this was simply fatal.

Chapter 1422: an Ian, i want to go home (3)

after he kissed her fiercely, he let out a long breath. ” little rascal! you clearly know that i don't dare to.”

No matter how much he wanted to, he had to consider the child in her stomach.

at this moment, her palm fell on her flat lower abdomen. her voice was a little hoarse. ” be good and listen to me. when the child is born, i'll take good care of you. ‘

She lay on his shoulder and bit his neck. Her voice was muffled but extremely seductive.”three months later, yingluo.”

This little demon! i'm deliberately making him suffer.

he reached out and smacked her little butt.l she patted her thigh and said in a hoarse voice, ” “don't seduce me anymore.”

she suddenly hugged him tightly, her face pressed against his neck in a very dependent manner.

she was so soft, and her cuteness melted his heart.

He had never known that she could be so soft. It was probably because she was pregnant!

he reached out to hug her and rubbed his face against hers. ” alright, baby. if this goes on, the rice will burn. ‘

However, she acted coquettishly, which was rare. then you can burn it again.

qin anlan looked at her helplessly and smiled. ” you’ve become a child all of a sudden. ” she refused to come down and hugged him like a child.

qin anlan was extremely helpless.

At night, after coaxing mu Yun to sleep, she lay down like a long little frog with her stomach facing the sky.

the bathrobe loosened helplessly, and he supported his body and kissed her carefully, satisfying his wife’s dream.

qin anlan smiled bitterly. he was filled with anger and had nowhere to vent it, but he had to kiss his wife gently.

Looking up at her intoxicated look, his heart softened again, and all his forbearance became unimportant.

after a month, she looked much better and her mood seemed to have calmed down.

when qin anlan went to work, she and Xiao muyun were watching television on the sofa.

Xiao mu Yun had recently been hooked on a series of animated films. When she was changing the channel, she accidentally saw a series of news.

at half past one in the afternoon, KING entertainment’s leader was rear-ended on the road. the back of the car hit a large partition and qin anlan was sent to the hospital for emergency treatment.

1:30 am?

ye liangqiu was stunned.

she remembered that at two o ‘clock, he had even called a few people and told her very easily that he would be back late tonight.

While she was still in a daze, Xiao mu Yun asked softly, ” “Did dad get hurt?” ye liangqiu pursed her lips. ” dad’s fine. didn’t he just call me?

Xiao mu yun acknowledged her softly, but she still looked at her with eager eyes.

He was really a very sensitive child.

Ye Liangqiu and Xiao Muyun looked at each other for a while before she said softly, ” “then, mommy will bring you to find daddy, okay?”

Xiao mu yun nodded immediately.

After that, she also sensibly refused her mother's hug and chose to hold her mother's hand.

She drove there and was a little flustered. She had told herself countless times not to panic. She not only had an LAN, but she was also a mother of two children.

When they arrived at Sheng Yuan, Kime was already waiting at the underground parking lot.

he opened the car door and carried Xiao mu yun. he hesitated about whether he should help mrs. qin, but when he saw that ye liangqiu was in a good condition, he decided against it.

“president qin is waiting for you upstairs. it's just a slight concussion, ” kim replied immediately. he'll be fine after two days of observation.”

ye liangqiu nodded and followed kie into the elevator. the first floor was surrounded by reporters. if they didn't hurry, they would be surrounded..

Chapter 1423: this is only the beginning (part one)

luckily, it's sheng yuan hospital. otherwise, the hospital's entrance would have been stomped flat by these reporters. ” that's how famous people are. A small incident will be magnified countless times. There's no privacy at all.

ye liangqiu looked into the mirror and said in a calm voice, ” excuse me, do you think this is a normal traffic accident? ” the results aren't out yet, ” said KIME, ” but the driver is being detained at the police station. we'll have a conclusion soon. ‘

Ye Liangqiu's gaze fell on his face for a long time. His throat rolled, as if he was having a difficult time.

Kie forced a smile. let's see President Qin first. He's happy but worried when he heard that you're coming.

Then, he added, ” “i've never seen president qin care about someone so much.” Ye Liangqiu pursed her lips and didn't reply.

The elevator door opened and they arrived at the VIP Ward on the top floor. King Entertainment's security guards were standing by the elevator.

Kime nodded and led his men in.

it was very quiet in the high-class ward. qin anlan lay there and seemed to be asleep.

“The doctor asked us to rest more!” Kim said softly. ceo qin didn't want me to tell you, but ran ran ...”

Qin Anlan opened his eyes and looked at ye Liangqiu.

“Why didn't you sleep more?” she walked over and sat by the bed. she looked at him carefully and confirmed that he had no external injuries. Qin Anlan propped himself up and laughed lazily. “i can't sleep!” She touched his forehead with her finger. “Does it hurt?” he looked at her expression and his smile deepened. ” “i

said i'm fine." he held her hand. " i didn't want you to know, but you found out on your own. " He looked at Kime, who quickly said, " "I didn't say that."

"i saw it on the news." Ye Liangqiu glanced at him. don't be so mean to Kime.

finally! Kim was about to cry. Finally, someone felt sorry for him.

Qin Anlan glared at him. you're such a promising person! you can pick a flower in the company and get married. then, you'll have a woman who cares about you every day."

'is boss qin concerned about me or is he jealous?'

After Kime was sent away, he also carried away the third wheel, ye Muyun.

With the people gone, even the air became warm.

"Come here, I'll carry you. I'll also see if my little daughter has grown up." qin anlan patted the space beside him.

Ye Liangqiu sat down and pressed her face against his chest.

She could feel his heart thumping, and it was the only way she could feel that he was alive.

"what's wrong?" he reached out to stroke her long hair. " liangqiu, i'm fine. i'm here, safe and sound. ' she didn't say anything, only desperately shaking her head.

She was terrified. Only by hugging him and feeling his warmth could her heart be at ease.

Qin Anlan smiled and reached out to caress her face. you're a mother now. You're becoming more and more useless!

The cool autumn he knew before was not like this, but now she was so soft, and he liked it very much.

the two of them leaned against each other, their pulses and heartbeats merging into one.

Ye Liangqiu and Qin Anlan were both asleep.

the two of them hugged each other, their bodies drenched in each other's sweat.

She woke up when her phone vibrated. It was a short message with only a few words-

This was just the beginning!

The blood in his body was almost frozen.

Ye Liangqiu slightly closed her eyes and her body trembled..

Chapter 1424: this is only the beginning (2)

her heart was trembling!

This car accident was not a coincidence. It was done by that person.

it was only the beginning! It was only the beginning!

if she didn't leave, an lan would continue to encounter such things, yingluo.

Ye Liangqiu pursed her lips and immediately deleted the message on her phone.

Beads of sweat rolled down her forehead, and her hands were trembling.

she tried her best to control her emotions and suppress them.

she looked around and felt as if a pair of sharp eyes were watching her from behind.

between her and qin anlan, a conspiracy was slowly approaching.

Did that person want her or King Entertainment?

She didn't know. She only knew that she had to find that person.

Qin Anlan slept for a long time before he woke up. When he woke up, ye Liangqiu had cooked him a bowl of Lily soup with a Little Rock sugar. It was quite comfortable to drink.

“where's mu yun?” Qin Anlan looked out the window. It was already dark. Ye Liangqiu covered him with the blanket. mom came to pick him up.

He laughed. since when did mom become so understanding? ”

Ye Liangqiu looked at him, but didn't say anything.

he pinched her face. ” why aren't you happy? didn't you always scold me for being a pervert at times like this in the past? ” she forced a smile. ” i won't. ‘ he looked at her for a while. ” is there something you're hiding from me? ” ye liangqiu pursed her lips and wrapped her arms around his waist. ” no. ” He pressed his face against hers and said in a low and gentle voice, ” little fool.

At this moment, she looked so fragile and pitiful.

The more he doted on her, the more upset she felt. She rested her face on his shoulder, her eyes filled with sadness as she clasped her fingers on his back and pressed her face against his.

‘an lan, i can't lose you.

even if i have to use all my strength, i want us to live well, yingluo.

even if her heart was broken.

she closed her eyes and turned her head to kiss the corner of his lips, igniting all his desire.

“Cool autumn.” qin anlan's voice was trembling. he caressed her face with his fingers. ” be good. bear with it. ‘

“I want to kiss you.” she kissed his face like a puppy and finally moved to his lips.

She looked up at him and looked into his eyes with her watery eyes.”An LAN, can you hug me?”

This torturous little demon!

it was simply asking for his life.

qin anlan suddenly cupped her face and greedily kissed her. when he let go, he still kissed her reluctantly. he kissed her again and again and was reluctant to let go.

His body was so tense that it was about to explode, and he was extremely eager.

“Cool autumn.” He panted slightly. be good, don’t move.

He reached out and hugged her tightly in his arms, letting her feel his excitement.

She raised her head, her long hair loose, then leaned over and gave him a light kiss.

this time, the rhythm was completely disrupted. qin anlan slowly pushed her down onto ran ran.

In the White Ward, her pajamas were open.

He admired her beauty in the night.

He was gentler than the night .

she lay down with her eyes closed and heard the sound of flowers blooming and falling.

The night grew darker, and the rain began to stop.

She laid in his arms and looked up at the reflection of the moonlight on the wall.

‘An LAN, do you believe in forever?

If you do, will you wait for me?

under the clear moonlight, she gently raised her fingers and caressed his handsome features.

An LAN, you can blame me for being cruel, but I had no choice, Wuwu.

I have to figure it out, I have to find the answer ...

If short-term happiness is built on your misfortune, then I would rather not have it..

Chapter 1425: this is only the beginning (3)

when qin anlan woke up, the sky was already bright.

his hand missed. he turned around and saw that the pillow beside him was empty.

frowning slightly, he got up and was about to go look for it when his eyes inadvertently found an envelope.

he frowned and immediately opened it. then, his expression changed.

ye liangqiu had left!

He didn’t care about his health and ran out in his hospital gown. boss Qin? ” Kie was guarding the door.

“give me the car keys.” qin anlan’s voice was fast and urgent, and he did not stop walking.

” i’ll drive! ” seeing that he was not wearing any shoes, KIME jogged after him.

he couldn't figure out what was going on, but from boss qin's expression, something must have happened.

the two of them arrived at the parking lot very quickly. in the end, qin anlan was the one who drove.

Still worried, Kime shamelessly sat beside him. "President Qin, what's wrong?" qin anlan pursed his lips and gripped the steering wheel tightly. " liangqiu left.

And he probably knew where she had gone!

did she know what it meant for her to go?

It meant that they would be irreconcilable, and that they might not be able to be together.

KIME was still a little confused and kept looking at qin anlan.

"She is su Chengcheng's daughter." Qin Anlan's voice was very soft. After he finished speaking, the veins on his fingers popped out.

' what? " kim was stunned.

F * ck, what kind of international joke is this?

It wasn't easy for boss to fall in love with a woman, and she was the daughter of his enemy.

Besides, would the old lady agree to it?

Qin Anlan thought about her gentleness last night. Now that he thought about it, it was actually a farewell.

His expression turned even uglier, and he stepped on the accelerator so hard that it flew into the air.

The car drove straight to the entrance of the Asian Vision. He wanted to stop her, to stop her stupid behavior.

After getting out of the car, she walked into the lobby of Ya Shi barefooted in her hospital gown.

su Cheng stood in front of the elevator and leaned against the wall. a strange smile appeared on her face. " brother an lan, are you here to see sister liangqiu?

He did not say anything and pushed her away rudely.

"you're late." su cheng's voice was a little lazy. " she's with my dad now. my dad really likes this biological daughter. '

qin anlan suddenly turned around and looked at su Cheng. " "you didn't stop her?"

"It's fake, it's fake. How can you pass it off as real? Brother an LAN, I've been calling you brother an LAN for so many years. Your Su Su is back, but it seems like you and Yueyue can't be together anymore."

He clenched his fists.

“My dad asked her to marry you, but she refused.” su Cheng sneered. ” look at how silly you are! But she’s also smart. After marrying you, you’ll probably be killed by my dad and become a widow. It’s better to be single now. I just don’t know who the child in her stomach will belong to in the end.”

Qin Anlan’s eyes were fixed on su Cheng. where is she? ”

“Of course it’s to reminisce about our father-daughter relationship!” su Cheng smiled sweetly. ” but it won’t be easy for her to get past my mother. after all, she’s a b * tch in my mother’s eyes. ‘

just as she said that, her fingers were folded and her whole body was pressed against the wall in a sorry state. qin anlan’s face looked like a storm was about to come.”i dare you to say that again!”

“i’m telling the truth.” su Cheng laughed coldly. ” qin anlan, do you think she’s that innocent? do you think someone like ye liangqiu would be willing to be a good wife and mother, willing to stay at home and cook for you for the rest of her life?”

Chapter 1426: is this what you want?(l)

Qin Anlan grabbed su Cheng’s hand. His face was filled with ruthlessness, and his voice was as rough as hot sand. get lost.

Su Cheng wanted to say something, but Qin Anlan had already thrown her to the side.

she took two steps back and her body hit the wall behind her. her bones hurt and she wanted to stop him again, but he had already gotten into the elevator.

“Security!” Su Cheng stomped her foot and cried out, ” “where are the security guards? Hurry up and stop him.”

However, Qin Anlan’s elevator had already reached the top floor. Kime was in charge of bringing up the rear and blocking the group of security guards.

His poor little body was beaten up, and of course, his handsome face was ruined. His face was swollen like a steamed bun, and su Cheng gave him another kick!

KIME covered his face and looked at the number of the elevator. finally, he could not take it anymore and slowly slipped. he laughed.

su shicheng’s secretary was standing guard at the door of the president’s office. when he saw qin anlan coming out of the elevator, he immediately stopped him. “president qin, you can’t go in.” qin anlan reached out and threw the little secretary to the side as if he was throwing a chick. he kicked with his long leg and the heavy wooden door opened with a rustling sound.

the door opened slowly, as if in slow motion.

Slowly, he saw his cool autumn, and he saw her standing with su Shicheng.

His cool autumn clothes were all white, as fresh as the morning dew, so beautiful.

he looked at su shicheng with a kind and warm expression.

Was that what she wanted?

“cool autumn!” he didn’t go in, but stood at the door.

at that moment, qin anlan was in a sorry state that he had never been in before. he was barefooted and wearing the hospital gown. he stood outside just like that, but he did not care.

he was afraid that he would lose her if he was a little late.

he could lose anything, but he could not live without her.

He knew that she was not as ambitious as su Cheng had said. She did not want to be his wife and wanted to get the Kashiya. This was not his Liangqiu. What his Liangqiu wanted was the love she had never received.

she had been so humble and careful. after so many years, she was still silly.

at this moment, she was looking at him in shock. He called her name, “Liangqiu, come here!” Let’s go home.”

Go home?

Ye Liangqiu stood upright, feeling as if he was frozen from head to toe.

she had never seen him like this before. he did not care about himself and rushed over to her, saying ...

Liangqiu, come home with me!

She wanted to go home with him so much, she wanted to be held by his big hand.

she wanted to stand under the altar with him and accept the blessings of others together.

When he was at home, she could keep her and the children company. When he was not at home, she could miss him.

she had said before that she didn’t care if he would stop loving her one day, because love was love.

She wanted to love him until the day he stopped loving her. Then, she would place him in her heart.

however, she didn’t have the time to tell him, nor did she dare to.

She had witnessed Lin Xingyuan’s departure and an LAN being hit by a car. However, she did not know who was behind it.

She didn’t dare to take the risk. She was afraid of losing him.

‘an lan, i’d rather stand far away to see that you’re well.’

the corners of her mouth curled into a faint smile, a smile that was extremely desolate. she told herself, “ye liangqiu, one day, you will return to his side.”

she lifted her head slightly and looked at him. an LAN, I don’t want to go back anymore.

His pupils suddenly contracted as he stared at her..

Chapter 1427: is this what you want?(2)

Ye Liangqiu chuckled. She walked around the office and tilted her head. what can you give me? ” King Entertainment’s 10%? Or your real estate?”

She laughed softly. those are all mine now. You can’t give me what I want.

“I don’t believe in your ambition.” he tried his best to calm his anger. ” if you were, you wouldn’t have retired for a few years. ”

“That’s because you’re freezing me,” ” that’s because i didn’t know i was susu, ‘ she said in a shrill voice. ” i’m the successor of asia vision. ”

Her chest heaved up and down violently, and her entire body trembled.

She was the only one who knew the heartache she felt after saying these words.

she didn’t want to do this. she didn’t want to do this, but she had no choice.

she had to stay away from him for the time being.

whether it was a misunderstanding or a breakup, she wanted him to live well.

There was a metallic taste in her throat, but she swallowed it down.

Qin Anlan was stunned for a long time. He was dumbfounded when he saw her almost hysterical appearance.

After a long time, he laughed softly, his voice already hoarse. “Liangqiu, do you really think so?”

there was a mist in front of her eyes, and she couldn’t see anything clearly. but all she could do was stand straight and say one word coldly, ” “Yes.”

are you sure you want to go to asia vision, not me or mu yun? ” He looked at her, almost overbearing.

“yes.”

“I have someone else, is it okay with you?” His voice became even more hoarse, and there was a touch of heat in his eyes, but his voice was still stern. think carefully before you tell me.

without hesitation, she looked at him and said, ” I don’t want to be someone else’s accessory, Qin Anlan. I want to get what I deserve.

yes, you do love me, ” she suddenly laughed. but can you give King

Entertainment to me? ”

It was as if something was stuck in his throat. He slowly moved forward, trying to catch her.

she kept backing away until she reached the sofa.

Su Shicheng wanted to say something, but in the end, he did not.

“Qin Anlan! we’re both proud sons of the heavens, so why should i bow down to someone else?” She raised her head, her eyes welling up with tears. I don’t want to be looked at with contempt by your mother again. I don’t want to call her mother at all, because just thinking about what she did to me in the past makes me feel disgusted.

“ye liangqiu!” His eyes turned red. do you have a heart? ”

He approached her step by step and reached out to pinch her chin. is this what you really mean? ”

“Of course.” She looked at him. I have my own mother. Why do I have to call an old woman who looks down on me ‘mother’? ”

“Enough!” qin anlan’s voice carried a hint of fatigue. her voice was so low that only she could hear it. “Liangqiu, am I that bad at giving you a sense of security?” her lips trembled slightly as she looked up at him, stunned.

Qin Anlan’s finger landed on her lips. His tone was gentle. “i can pretend i didn’t hear what you said just now! liangqiu, come home with me! Mu Yun is still waiting for us.” he placed his hands on her shoulders, his eyes deep and with a touch of pain.

she raised her head and looked at him in a daze, weak and helpless.

her eyes were filled with struggle and pain.

However, in the end, she still put her hand on his and waved it hard. I don’t want to go back! Qin Anlan, you can’t give me what I want..”

Chapter 1428: is this what you want?(3)

She looked at him and smiled gently, “I’m a human!” Not a pet! qin anlan, do you really think i love you? Yes, I loved you, but you trampled my love under your feet. I came back to you again for mu Yun.” he glared at her.

Her face was pale, but she still insisted on continuing. I don’t want to be on edge anymore.

“Qin Anlan, I don’t believe that you’ll be loyal forever,” she said with a cold smile.

“so, you’d rather control your own fate?” he lowered his eyes and smiled. when he looked up again, his eyes were cold. did mu yun not want it either? Do you want mu Yun to be without a mother? do you want this child to be without a father?”

She choked. this is the best result.

His fingers pinched her chin and he looked at her with a cold gaze. “i really want to see if your heart is made of iron.”

His strength almost crushed her chin, but she still stood straight and did not retreat.

their eyes met, and the pain slowly turned into anger.

He suddenly let go of her and lowered his hand. ye Liangqiu, if this is what you want.

With that, he turned around and walked towards the door.

she stood there, looking at his back, unable to say a word. An Lan's words of persuasion to stay were fatal. I'm here. Will you come back one day?

the door closed, and the room returned to silence.

It was so quiet that it was as if he had never been there.

However, he had been there, because her heart had been torn open.

It hurt, it hurt.

Su Shicheng cleared his throat. Liangqiu, you don't have to be so heartless to an LAN! Marriage is still possible. Wouldn't it be better for King Entertainment and Asia TV to have such an in-law relationship?"

Ye Liangqiu looked at this familiar yet strange man and saw ambition in his eyes.

then, I'll be a widow and get his shares? "dad, do you think so?" she asked softly.

Su Shicheng flew into a rage out of humiliation. who said that?" ye liangqiu looked at him. "su Cheng. "

Su Shicheng heaved a sigh of relief. don't listen to her nonsense. She used to like an LAN. Naturally, she doesn't want you to marry an LAN! he said. I'll ask your mother to persuade her, so don't worry about her. "

"But I don't want to marry Qin Anlan." "you won't force me, will you, dad?" ye liangqiu smiled.

Su Shicheng laughed dryly. how could that be! of course, it's up to you, but wuwu .

He sighed. you're pregnant with his child again. You can't possibly give birth to the child without a father. It won't be good if word gets out.

"Is that so?" she lowered her eyes. "i think it's more decent than being a widow.

"you child!" Su Shicheng paused and asked suspiciously, "you didn't come back to us resentfully because you thought i was going to make a move on qin anlan, did you?

"What else?" She raised her eyes and retorted with a sharp gaze, "if something happens to Qin Anlan, those shares will not be mine. They will still be in Mrs. Qin's hands, and I will have nothing! but it'll be different if i go back to the su

family. i can take over asia vision, and in the future, muyun can also take over KING entertainment's qianqian. then, won't i have everything?"

She chuckled and said, "it's much easier than being widowed. Don't you think so, dad?" her honesty dispelled su shicheng's doubts..

Chapter 1429: Back to the SU family (1)

su shicheng was both disappointed and gratified.

He was finally back, and Liang Qiu had given birth to two children for Qin Anlan. The Qin family was basically in his hands, so what was there to worry about?

Besides, looking at Qin Anlan's appearance, he seemed to be a sentimental person. How could he not give in to Liang Qiu?

su shicheng's heart was filled with tenderness as a father, but even more so, he was calculative.

after thinking for a moment, he slowly said, "There's one thing that Wanwan is having a hard time doing."

"Is it the twenty percent that my mother has?" ye liangqiu's gaze was fixed on su shicheng. there was not much warmth in her eyes, and she did not feel the slightest bit of disappointment because of qin anlan.

Su Shicheng was stunned for a moment. He then looked at his daughter and sighed.

This child was very smart and capable, but he was lacking something.

It was only later that su Shicheng realized that when his susu returned to their side, she had never acted like su Cheng, not even once did she throw a tantrum.

his gaze was deep. "you know about it too?"

of course, I know that the SU family has never let go of Asia Vision. "dad," su liangqiu chuckled, "you're facing enemies from both sides. it's not easy for you." su shicheng's heart was touched.

after a moment of silence, he said, "it's great that you're back. i'll think of a way to persuade your mother to transfer 20% of the shares under her name to you. ' ye liangqiu smiled. "okay, dad! i'll transfer it to father when the time comes."

"what are you saying! when you were young, your mother said that she wanted to give it to you." Su Shicheng raised his hand, as if he wanted to stroke her hair, just like how susu had done when she was young.

However, after hesitating for a long time, he didn't do it.

it was always better to kiss someone when they were young than to be raised by someone else.

Su Shicheng sighed, "go inside and rest for a while. I'll take you home to see your mother after work. She wants to see you too."

ye liangqiu nodded.

she walked towards the lounge, but halfway through, she suddenly turned around and saw su shicheng looking at her.

she smiled. "dad, don't tire yourself out. ' su shicheng's heart softened. " you've worked hard all these years. i'll make it up to you. ' ye liangqiu smiled slightly and walked into the lounge without saying anything.

However, how could she fall asleep? the moment she closed her eyes, she would recall Qin Anlan's words: "As you wish." all she wanted was to have a home and spend the rest of her life with the person she loved.

she picked up her phone and opened it. there were many photos of mu yun from childhood to adulthood.

mu yun would definitely blame her, right?

However, she could not bring him along. She had to keep him by an Lan's side.

that way, an Ian wouldn't be so lonely, and she wouldn't be so resentful as to look for others so easily!

She admitted that she had put in a lot of effort, but she wasn't sure how long it would take to complete what she wanted to do.

time was so long, and no one knew what would happen. so, mu yun was a stone she placed beside him to block him.

she fell asleep in a daze and had lunch with su shicheng at noon, but she did not see su Cheng.

it wasn't until after work that su Cheng jumped over. as soon as she entered, su Cheng hugged su shicheng and affectionately called him 'dad'.

su shicheng frowned. " you're already so big. you should be more mature.

otherwise, let's see who would dare to marry you.. "

Chapter 1430: Back to the SU family (2)

su Cheng wrinkled her delicate nose and looked at ye liangqiu, who was standing at the door of the lounge. then, she hugged su shicheng's arm and softly said, " i'll live with sister liangqiu from now on. ' she lowered her voice. " i already have a child anyway. '

Su Shicheng slapped her hand away. nonsense. even if you don't want to get married, your elder sister liangqiu still wants to get married."

su Cheng ran over and stood in front of ye liangqiu. she held her arms behind her and said with a pleasant expression, " liangqiu, welcome back! '

"are you serious?" ye liangqiu looked at her. " su Cheng, aren't you curious about your background? "

su cheng's expression changed slightly when she heard that, but she still smiled indifferently. " i don't know! I've already given up after searching for so long without finding anything. " he then shrugged. " i think they've given up on me. "

She lowered her head and played with her fingers, looking a little depressed.

Ye Liangqiu looked at him. perhaps I can help you.

su Cheng raised her eyes and looked at ye liangqiu. she blinked and tried her best not to cry.

she pursed her lips and said in a low voice, " sister liangqiu, do you want mom and dad to chase me away?

"you don't want to know about your past even though you can?" Ye Liangqiu took a step forward. is wealth really more important than biological parents? " su cheng's eyes were filled with tears. " no! it's not like this."

she pursed her lips tightly. " sister liangqiu, i love mom and dad yingluo, but it's not what you said! I can not fight with you for anything, really Yingluo." Her performance was brilliant!

However, ye Liangqiu did not believe a single word. Back then, su Cheng had used this pitiful look to deceive ye Rou, causing her to be consigned to eternal damnation.

her heart was as hard as stone, but su shicheng was not willing to see his backyard on fire, so he tried to smooth things over. " liangqiu is better now!

She's still young, so let's just forget about the past and not mention it in the future."

The hint in his words was obvious. He knew the truth about ye Xuan's matter and also knew that su Cheng had directly killed his brother from the same mother.

however, this was a scandal for the su family. no matter what, su shicheng would reduce a big issue to a small one and a small issue to a small one.

moreover, this was something that happened many years ago.

Ye Liangqiu pursed her lips. yes, " she replied.

tears still welled up in su cheng's eyes as she bit her lip. " sister Liangqiu, I know you hate me. I promise I won't disturb you, and I won't snatch anything from you.

with that, she ran to su shicheng's side and rested her head on his shoulder like a little girl.

Su Shicheng's heart melted. He patted her hand and said, " alright, dad knows.

he looked at ye liangqiu and coughed."Alright, let's go home."

In the parking lot, su Cheng also pestered them to get in the same car. Su Shicheng looked at her and said, " " your sister liangqiu is pregnant. did you drive? "

"dad, you're biased!" Su Cheng stomped her foot, but she did not say anything in the end.

Ye Liangqiu watched as she opened her car door and got into the car. The car quickly started and ye Liangqiu looked up at su Shicheng, asking, “her car, modified?”

“Yes! Cheng Cheng always hangs out with a bunch of racers and she’s got her own car modified. What speed does she need?” Su Shicheng shook his head. safety is the most important.

Ye Liangqiu grunted in agreement and got into the car.

A thought flashed through her mind, but it was only for a moment..
