

Thank you 1431

Chapter 1431: back to the su family (3)

su shicheng was sitting beside her, and his chauffeur was driving.

su shicheng patted her hand and said in a faint voice, "you have to bear with chengcheng's matter! You know that your mother has been in a bad mood all these years. It's hard to quit once you have feelings."

"what about you, dad?" ye liangqiu nodded and suddenly asked.

Su Shicheng was stunned for a moment before he chuckled softly. it's no big deal for the SU family to support one more person!

these words represented all his thoughts.

moreover, it was ye ling who died that year, and the one named wang caiyun also went crazy and died. wasn't this the greatest punishment for the ye family?

it was enough!

when a man like su shicheng reached a certain level, he would become more tolerant.

Moreover, su Cheng was now Mrs. SU's favorite, so he had to be careful.

ye liangqiu nodded and didn't say anything else.

The car slowly drove into the SU family's mansion. When it passed the tree at the entrance, ye Liangqiu asked the driver to stop.

The driver was a little hesitant.

"Stop the car!" the driver only stopped the car after su shicheng said this.

the car stopped. ye liangqiu opened the door and walked to the tree. she stroked the trunk for a long time before returning to the car.

"Why? you still can't bear to part with an LAN?" "if you can't bear to part with it, then get it back," su shicheng gently smiled.

"No need," she lowered her eyes. "if i can't have it forever, i might as well not have it. "

I know that you're back this time mostly for Qin Anlan. However, don't you think that I'm a little too tyrannical? " Su Shicheng slightly frowned. She did not answer because the driver had stopped the car.

at the entrance of the villa, mrs. su was standing there. she had heard from shicheng that he would bring their daughter susu back tonight!

How could she not be surprised? she had already given up hope, but she came back just like that.

There was a touch of heat in Mrs. SU's eyes, and she was indescribably excited.

the car door opened, and ye liangqiu stepped out.

Mrs. Su was stunned, and her whole body froze.

She looked at su Shicheng, who had followed her out of the car, and grabbed his arm. Her expression was almost twisted as she asked, "Shicheng, how could this be?"

How could it be ye Liangqiu? no one could be ye Liangqiu!

Su Shicheng grabbed her fingers and softly said, "She's our susu!"

"no!" mrs. su let go of his arm. "how could i?" she shook her head, indicating that she couldn't accept it.

su shicheng pressed down on her shoulder and said, "i've done a DNA test. ' mrs. su looked at his serious eyes and was a little dazed for a moment.

she really couldn't accept that it was ye liangqiu, the slut she had once thought of. she even suspected that su shicheng had ill intentions towards ye liangqiu.

However, she was actually her daughter with Shicheng.

it was su su, whom she had once held in her hands.

The image of Su Su when she was young appeared in his mind, but he couldn't bring himself to associate it with the current Su Su. Her susu was so cute. How could she be the cold ye Liangqiu? "the child is waiting for you." Su Shicheng's eyes were filled with encouragement and a rare warmth.

mrs. su hesitated for a long time before turning to ye liangqiu.

her feelings were extremely complicated ...

there had been so many times in her dreams where she had woken up crying because she missed her su su. she had then hugged Cheng Cheng and couldn't fall asleep for the entire night. however, now that she was standing right in front of her, she couldn't help but feel as if everything was unreal.

She even wanted to get Shicheng to do a DNA test again, but her rationality told her that it was true because Shicheng would never make a mistake!

Chapter 1432: back to the su family (4)

Her lips moved, but in the end, she still couldn't get intimate. She only said lightly, "then let's go in first. pregnant people can't stand for long." ye liangqiu also squeezed out a smile. "alright. '

There was a sense of unfamiliarity between the mother and daughter's politeness. This was a gap that could not be filled in twenty years.

the group of people walked into the grand hall. su shicheng's tone was warm, probably to lighten the atmosphere. "susu, do you still remember this place?" ye liangqiu shook her head.

‘ we were afraid that you would come back when you grew up, so we didn’t dare to move. we lived here for more than 20 years and renovated the place several times, but we didn’t have the heart to remove the tree at the gate. ” Su Shicheng sighed, his heart filled with emotion.

as he spoke, he instructed the servants at home to serve the meal.

Because today was a day of reunion, the meal was sumptuous. Su Shicheng even specially tipped everyone in the family 10000 Yuan and solemnly introduced ye Liangqiu to them.

His attitude made the servants in the house understand that Sir liked miss susu more than miss su Cheng.

mrs. su saw this and didn’t say anything, but she had some opinions in her heart.

she used her chopsticks to pick up a piece of red braised meat and gave it to ye liangqiu.

ye liangqiu looked up.

Mrs. SU’s face was a little embarrassed, and then she said in a very light tone,

“let’s eat,’

Ye Liangqiu lowered her head and bit down on it, feeling a little upset.

Mrs. Su was very distant from her, and of course, she was the same with them.

She felt that she had a cold personality and it seemed that it was difficult for her to like others, even if it was her own parents.

But even so, Mr. Su seemed to be very satisfied. He smiled and said, ” “liangqiu, your mother is cold on the outside but warm on the inside. she’ll be fine later.” su Cheng cupped her chin and affectionately gave a piece of tofu to mrs. su.

mom isn’t! ” she coaxed. mom loves me the most.” su Cheng frowned and stuck out her tongue. she looked very cute.

The smile on Mrs. SU’s face finally became normal and natural. you’re the best at coaxing people.

as she spoke, she took a few pieces of meat and gave them to su Cheng. ” these are all your favorite dishes. mom asked someone to make them. Eat more, look at you, you’re as thin as pork ribs, why are you losing weight! girls need to have some meat to look good.”

She said it naturally, and su Cheng smiled sweetly.

Mr. Su looked at ye Liangqiu and comforted her with his eyes.

Ye Liangqiu didn’t say anything and just smiled.

why would she care? she couldn’t even like mrs. su herself, so why would she mind her love for su Cheng?

mrs. su seemed to have noticed something, as she gave ye liangqiu more food. Ye Liangqiu looked at the dishes in front of her. She didn't like any of them.

It was what su Cheng liked.

some things, once missed, lost, could never come back.

it was the same for family.

after dinner, mr. and mrs. su sat on the sofa and watched tv with her, probably to make up for the lost kinship. however, no one's attention was on the tv, but on each other.

finally, at nine o'clock, there was no need for any more social activities. mrs.

su said with concern, "su su, sleep early!" ye liangqiu pursed her lips and forced a smile.

Mrs. Su personally led ye Liangqiu to her bedroom, which was right next to su Cheng's. It was her childhood room, but it had been redecorated and was very suitable for a girl.

Ye Liangqiu looked at the various cute pets in the room, a little dazed..

Chapter 1433: Back to the SU family (5)

In their hearts, she must have grown up to look like a little girl like su Cheng, right?

unfortunately, she was not! they must be very disappointed, right?

mrs. su looked at her stroking a small bear and coughed lightly, "if you don't really like it, i'll get someone to keep it tomorrow."

"I like it very much." ye qiuqiu turned her head and smiled. " maybe i'm pregnant with a girl. if i look at her every day, the child will be as cute as su

Cheng. " mrs. su's expression was very unnatural. " as long as you're happy.

then, he left as if he was escaping.

ye liangqiu looked in the direction of the door and smiledsee, some things can't be forced.

At that moment, there was another person at the door. It was su Cheng.

she had already taken a shower and was wearing a pure white nightgown. her long hair draped over her shoulders, and she looked very sweet.

Su Cheng closed the door, leaned against it, and looked at ye Liangqiu.

"What are you doing here?" Ye Liangqiu's tone was very light, almost cold.

however, this did not shake su Cheng at all. she slowly walked over and smiled.

Sister Liangqiu, can you tell me why you're going back to the SU family?"

Ye Liangqiu's gaze fell on su Cheng's face, her fingers gently playing with the toy in her hand. what do you think? "

“Let me make a guess.” su Cheng slowly walked around her. ” revenge for ye ling? ” Or are you going to kick me out of the SU family?”

She stopped in her tracks. you still want to get the Asian Vision? Hmm?”

without waiting for ye liangqiu to speak, she smiled.”Every single one of them is very interesting!”

Her fingers gently touched ye Liangqiu’s heart. “i’m looking forward to seeing how sister cold autumn is going to deal with me!”

“is that so?” Ye Liangqiu sneered. and then? ”

su Cheng opened her arms and raised her head slightly. she looked at the light above her and then turned to look at ye liangqiu. ” do you know who prepared this room? ‘

“I prepared it! Because I know dad doesn’t believe me, and there’s only Su Su in his heart, so I can only do my best to make him think that I’m his good daughter. I won’t be a threat to his Su Su, so I can survive in this family.” su Cheng was smiling when she said that, but she did not see that smile.

That smile was not vivid and did not come from the heart.

“I’m already used to this kind of disguise. If I want to survive in this family, I have to hold on to someone strong! Sister Liangqiu, I’ve already hugged mom tightly. You have to hug dad tightly so that we’ll be evenly matched.” Su Cheng chuckled, a little provocative.

“I don’t need to hug anyone’s thigh,” ye liangqiu’s voice was cold.

Su Cheng sneered. do you think that just because you’re their biological child?

think about Qin Anlan, think about King Entertainment, think about the child in your stomach. Then, you’ll know that you’ll always be out of place in this family! Su Cheng leaned over and whispered in her ear, ” sister Liangqiu, this house isn’t easy to get into, Zhenzhen. You have to be careful, okay? ”

“Thank you for your kindness!” ye liangqiu pushed her away. ” i’m going to take a shower. ‘ she walked into the bathroom, closed the door, and took off her clothes. Su Cheng stood behind a glass window and looked at the woman’s body under the water screen.

her eyes were filled with longing.

The Kasaya she wanted to see was right in front of her eyes. His fingers touched the glass gently and scratched it bit by bit.

finally, she’s back here, so close ... so close

Chapter 1434: a foolish woman (1)

Su Cheng's eyes were fanatical, but she quickly hid it.

she was afraid that she would be frightened.

she already felt very happy now.

Ye Liangqiu put on her bathrobe and came out. She was surprised to see su Cheng lying on her bed.

She leaned against the door of the bathroom. are you planning to occupy my bed now? "

su Cheng patted the seat beside her and said happily, " "Sister Liangqiu, shouldn't we love each other? besides, I want to hold the baby."

"you want to change your bedroom?" Ye Liangqiu's voice was cold. She didn't buy su Cheng's words.

su Cheng sat up with the bedsheet wrapped around her and looked around. " the bed is huge! " I can tell stories to the baby."

ye liangqiu couldn't understand the fanatical look in su cheng's eyes and felt that she was a little too much ...

One moment, he wanted to deal with her, and the next moment, he was so intimate as if he was a domestic Husky.

she looked at su Cheng and smiled coldly. " you sound very friendly. " su Cheng smiled sweetly. " of course, i hope to live in peace with sister cold autumn. ' as soon as she finished speaking, ye liangqiu walked over and lifted the quilt.

su cheng's pajamas were gone, and she was wearing a cute set of clothes.

"those who don't know would think that you've given yourself to me." Ye Liangqiu dragged her down and out the door. Before she closed the door, she said, " I don't have that ability.

the door slammed shut in front of su Cheng, hitting her nose.

Su Cheng touched her nose, tears almost falling.

"What? He's so fierce." she didn't leave immediately, but stared at the door for a long time.

ye liangqiu turned around and saw su cheng's pajamas on the bedside table.

A strange feeling rose in her heart. Could su Cheng have gone crazy like Wang Caiyun?

It didn't seem like it.

she pursed her lips and looked at the toys in the room.

these toys were all pixiu that su Cheng had prepared.

She lay flat and reached out for a toy. She pinched it and looked into the little rabbit's eyes.

a faint smile appeared at the corner of her mouth.

Pinhole camera.

it seemed that su Cheng had really treated her as an enemy and was trying to get her to do anything. she got up, picked up the toys, and walked to the door of su cheng's room.

he opened the door and stood in front of her. he threw the little bunnies in front of her. " don't play such tricks in the future. ' su Cheng looked at her innocently. " sister cold autumn, you don't like it? "

"do you want me to make myself clear?" she looked at su Cheng. " is peeking your hobby or your pleasure? " su Cheng pursed her lips. " sister liangqiu, that's not how yingluo should be. "

"If there's a next time, you'll know the consequences." ye liangqiu turned and left.

Su Cheng looked at the rabbits that had fallen to the ground and pouted.

they're obviously very cute!

However, no one cared about her.

Ye Liangqiu returned to her bedroom, lay down, and stared at the ceiling.

she missed an Ian and mu yun qianqian.

It was as if there were three monsters living here. Including her, there were four.

Everyone in the room had their own plans, but she didn't know who the person hiding in the dark was!

her fingers gently caressed her lower abdomen, feeling the flowing warmth.

she only fell asleep after a long, long time. in her dream, there was an Ian and mu yun.

when she woke up in the middle of the night, the corners of her eyes were a little wet. when she wiped them away, she realized that they were full of tears.

she told herself, "ye liangqiu, you'll go back one day!" definitely, yingluo..

Chapter 1435: A foolish woman (2)

In the master bedroom, Mr. Su and Mrs. Su lay side by side without saying a word.

After a long time, su Shicheng turned to his wife and softly said,"our susu's back, so you'll be able to calm down in the future. also, don't be too biased. the child has just returned, so it's inevitable that she'll be sensitive! You have to treat su Cheng the same as she does."

Mrs. Su was obviously not herself. After a long time, she said,"i will naturally."

He paused for a moment before sighing. Shicheng, I keep feeling that this is a little unreal! it's probably because i've lost it for too long, and now that i'm back, i'm not used to it.

Su Shicheng chuckled, "you're thinking too much! liangqiu's pretty good. she used to be a movie queen. think about it, how many people can achieve such achievements at her age?"

"you still want her to act?" mrs. su asked.

"what's wrong with that?" Su Shicheng casually said.

However, Mrs. SU's expression turned serious as she sat up straight. it's not a bad idea. In the future, when Cheng Cheng manages the company, she'll act in a few more blockbuster movies for the company. This will make it easier for Ya Shi in the future.

su shicheng coughed lightly. "you think that Cheng Cheng is better at managing the company than cool autumn?"

"of course." Mrs. Su replied without hesitation, "Cheng Cheng is good at coaxing people, be more tactful!" it's obvious that feifei doesn't know how to interact with people."

su shicheng, however, had a different opinion. "do you think she would have achieved so much if she didn't have good public relations? Do you know how many young artistes in King Entertainment are waiting to be promoted? Just based on acting skills?"

mrs. su didn't say anything and only spoke after a long time. "You can't mistreat su Cheng just because she's back. shicheng, you said it yourself that you wanted to be fair. you can't treat our Cheng Cheng too badly." su shicheng probably knew what mrs. su was thinking, and his heart thumped with an indescribable feeling.

sometimes, women were just stupid. she had already said that su Cheng was tactful, so what was the point of keeping those coaxing words in her heart?

he didn't care about his own daughter.

Su Shicheng had always believed that no matter how much ye Liangqiu opposed him, he was still her father. She couldn't possibly lay her hands on her father, right?

but su Cheng was different. people without blood relations would always have no blood relations.

he propped himself up and turned to look at mrs. su. "how about this? we'll do as we've agreed before. the shares in your hands will be given to our susu as her dowry. the shares in my hands will be used to evaluate the two of them in the future. whoever is suitable will be the one. "

Su Shicheng's words were a lie, but Mrs. Su took it seriously.

She turned her face to the side. Shicheng, aren't you being too biased? " Chengcheng is also my daughter."

"but her surname was ye! SuSu's surname is su!" Mr. SU's voice became sterner.

don't tell me you don't know this. Think about it, if your family knows about Liangqiu's existence, they probably won't agree to hand her over to su Cheng.

Mrs. Su didn't say anything. She just looked at Mr. Su with a complicated expression.

su shicheng's heart skipped a beat. he simply couldn't believe that mrs. su would do such a thing. you're so stubborn. he hesitated and did not ask.

Mrs. Su looked at him carefully and only spoke after a long time, "Shicheng, I've already given the 20% to Cheng Cheng."

Su Shicheng's expression suddenly changed. He glared sharply at Mrs. Su, the woman who had shared the same bed with him for decades!

Chapter 1436: A foolish woman (3)

Su Shicheng had never imagined that the person who would make him more passive would be his wife.

because of this 20%, he had tolerated her countless misdeeds and her love for su Cheng.

but in the end, he was still tricked by her.

su shicheng's heart was filled with sorrow, and mrs. su could not understand this sorrow.

as he lay down, he thought of mrs. qin. hong ke sighed in her heart. one can not compare with another.

mrs. su laid down and looked at him carefully. "Shicheng, are you angry?"

"no, i didn't!" "Then what did you say to Su Su after that?" he asked calmly.

Mrs. Su was silent for a long time. Shicheng, I have something to tell you.

"Yes." Su Shicheng lay flat, his eyes fixed on the ceiling above him, appearing particularly calm.

mrs. su propped up her body. "susu grew up in the ye family. you also know that ye fei jumped off a building, wang caiyun went crazy, and the whole family has been living in a strange environment all these years. susu grew up in such an environment, how could she not change? Maybe he's angry?"

She looked at su Shicheng's expression and hesitantly said, "why don't we buy a villa for her to live alone? everyone will be more comfortable that way."

"are you free, or is everyone free?" Su Shicheng's voice rang out softly. He then turned to look at Mrs. Su. you don't like her? "

his eyes were clear and slightly cold, which made mrs. su's heart shiver. at this time, she still didn't realize her mistake and said somewhat impatiently, "we haven't seen each other for so many years, and you've developed such a personality. i can't bring myself to like you. "

Su Shicheng retracted his gaze, straightened his body, and turned his back to her.

Mrs. Su waited for a long time, but he didn't say anything, so she pushed him.

"My own biological son! even if you don't like it, you still have to like it. you have to explain everything." "This isn't her fault. We lost her," su Shicheng said in a very calm tone.

Mrs. Su looked at his cold and hard back and sobbed softly. Shicheng, I know you blame me. You've always blamed me in your heart all these years! that's why you're looking for the little vixen. are you hoping to have a child with the little vixen outside?" su shicheng did not turn around to comfort her, only coldly saying, "You're thinking too much," Mrs. Su's tears fell like rain and she didn't sleep that night.

she had never known that su Cheng had only healed her wound, not shicheng's.

To su Shicheng, raising su Cheng was like raising a pet. He only wanted to make his master happy for a while, and nothing else.

However, it was completely different for Mrs. Su. She had already treated su Cheng as her own flesh and blood.

Now, she did not regret giving her shares to su Cheng.

The next day, in the Office of the President of Asia Vision.

Su Shicheng held a cigarette between his fingers, but he did not smoke it.

he sat and looked at ye liangqiu, who was sitting across from him, and said slowly and indifferently, " " your mother transferred the 20% she had to su

Cheng. "

He said it calmly, but he was not calm in his heart.

Ye Liangqiu frowned and looked at him. when did this happen? "

"Two days ago," Su Shicheng's swivel chair turned and he faced the French

window. stupid! If su Cheng had been more ambitious, this Asia Vision wouldn't even be a su anymore." and su Cheng was originally surnamed ye-

Ye Liangqiu pursed her lips. if it's only two days, some procedures might not be completed! Dad, if you believe me, let me try.."

Chapter 1437: The first show of strength (1)

naturally, it was not convenient for su shicheng to make an appearance. he looked at ye liangqiu for a long time before gently nodding. " don't let anyone know about this. '

She hummed in acknowledgment and walked out.

as the door closed, su shicheng's eyes darkened.

he didn't want her to do such an important thing in the first place, not to mention that it would definitely hurt their mother-daughter relationship in the end. but su shicheng had already made a decision and made a choice.

at the xuanji weibo law firm.

When lawyer Cheng was packing his things, his Secretary, Linda, walked in. Linda lowered the blinds for him and smiled sweetly. lawyer Cheng, are you going home? ”

“En!” Lawyer Cheng raised his hand and looked at his watch. we have an appointment for Dinner at Eight.

it was his daughter's 10th birthday today, and he had already made reservations at a high-class restaurant.

He had a successful career and was at the age where a man was the most attractive. His wife came from a good family background and was a great help to his career.

linda leaned on his desk, her fingers lightly drawing circles. “But it's still early.”

As she spoke, she went forward and wrapped her arms around his neck, pressing her body against his. maybe we can do something in this hour! linda looked sweet and had a sexy figure, which few men could resist.

lawyer Cheng looked at her red lips, and his throat couldn't help rolling.

At naturel his wife was as inflexible as her family. for a man in his thirties, she was not attractive at all. however, for a long time, he had been restraining himself and did not dare to have any romantic feelings.

But at this time, the body in his arms had completely ignited him. He lowered his head and kissed Linda's lips fiercely, and his big palm also lifted up her shirt.

She was placed on the wooden office table, and the man was so angry that he couldn't wait to vent his anger.

The lightning triggered the fire on the ground, and even the dry firewood was not enough to describe the lightning.

he swept the floor gently on the desk, the carpet, and the sofa, expressing his most primitive desire.

as he was sweating profusely, the door opened and a few people walked in. they started patting the man and woman who were entangled on the sofa.

the flash stung lavvyer cheng's eyes. he reached out to cover his face and roared, ” “who are you people?”

He was in an extremely sorry state, sweeping the floor in a refined manner.

linda, on the other hand, got up with a lazy expression, reached out to poke lavvyer cheng's chest, and licked her red lips. ” my skills are a little bad. ‘ but a man who had been suppressed for a long

time was really like a beast! lawyer Cheng squinted his eyes and looked at the woman in front of him. he finally understood that he had fallen into her trap.

“You b * tch!” he gritted his teeth.

“i’m just doing what i’m paid to do.” Linda put on her clothes and looked at ye Liangqiu who was standing at the door.

when he passed by, he took a ten million check and kissed it.

This was something she would never get as an assistant in her entire life.

the man who was being held down said angrily, “you guys are kidnapping me.”

Ye Liangqiu stood there, while the two security guards held down the naked man.

you’ve struck it rich. You can blackmail me. If you’re loyal to your wife, you won’t surrender to a woman’s seduction. She threw a piece of clothing at him. let’s talk after you’re dressed!

lavvyer Cheng hurriedly put on his clothes, his expression ugly. ” i know you!

You’re ye Liangqiu, right?”

ye liangqiu looked at him and slightly smiled. ” if i were you, i would do some calculations. you and your assistant used half an hour to make love, and now you have about half an hour to talk to me..

Chapter 1438: The first show of strength (2)

she raised the phone in her hand. ” what you should be more concerned about is that if the deal isn’t closed in half an hour, these photos will be sent to your wife. i think your future will be ruined by then, little yingluo. i heard that your wife’s maiden family still has haters. “I wouldn’t someone with a gangster background lose an arm?

“despicable! Shameless!” Lawyer Cheng pushed away the two security guards and sat in front of his desk. He lit a cigarette and smoked it fiercely. “Tell me, what do you want?” ye liangqiu sat opposite him and gestured for the two men to stand on either side of lawyer Cheng.

she looked straight into cheng’s eyes and said, ” I want the 20% share transfer contract.

Lawyer Cheng’s fingers trembled and he took another hard puff. that’s impossible!

“then i’ll have to let lavvyer Cheng down and ruin a seemingly happy family.” ye liangqiu laughed.

Lawyer Cheng’s face was a little defeated as he roared, ” “what do you want to do? Do you know that this is illegal? my lawyer’s license could be revoked at any time. ”

“Do you believe that you can settle it and take advantage of the loophole?” Ye Liangqiu smiled lightly. I don’t ask for much. Before this document takes effect, make sure it disappears and don’t let Mrs. Su or su Cheng know about it.

“this can only be temporary.” Lawyer Cheng was a little upset. if she doesn’t trust anyone in the future, I can’t do anything about it if she changes her mind. “So, give me the original.” Ye Liangqiu’s eyes were filled with deep meaning.

Lawyer Cheng was stunned, then he angrily said, ” “you’re crazy.”

lavvyer Cheng, let me remind you that you still have 20 minutes. you have a lot of things to do in these 20 minutes. ” ye liangqiu was expressionless.

Mr. Cheng stared at her for a long time before he got up, opened the safe, took out a document file, and threw it in front of ye Liangqiu. you can do whatever you want, but don’t involve me.

ye liangqiu pulled out a few pieces of paper and looked at them. there were indeed a few stamps missing.

She took out the original and burned the other pieces of paper.

Looking at the fire, he said softly, ” you should know how to create the illusion of a fire, right? ” the few transfer agreements turned into ashes in the blink of an eye.

ye liangqiu took out a check- 50 million yuan. she gently pushed it in front of lavvyer Cheng. ” this is the compensation for your hard work. please forgive me if i’ve offended you. ‘

Lawyer Cheng looked at the 50 million and pursed his lips. where’s the photo?

“If you don’t do anything to harm me, these photos will never be known to others.” Ye Liangqiu smiled, took Mrs. SU’s shares, and left. The two security guards followed.

Lawyer Cheng took a deep puff of his cigarette, kicked the desk over, and cursed, ” “What’s all this about?”

in the office of the president of asia vision.

ye liangqiu placed the original copy in front of su shicheng, who stared fixedly at it.

he had never seen the original copy for more than 20 years, because mrs. su had kept it in her private insurance. but now, liang qiu had done it for him.

He locked the document in his safe, turned around, and looked at ye Liangqiu.”you’ve worked hard!”

Ye Liangqiu only gave a faint smile.

su shicheng thought for a moment before saying, ” i’m going to appoint you as the vice president of asia vision. liangqiu, i believe that you’ll be able to do it with your capabilities. ”

It was because she was ruthless and unscrupulous enough.

his heir should be like this. su Cheng was relatively too small-minded and only knew the little girl’s tricks.

Ye Liangqiu didn’t refuse. thank you, dad.

Chapter 1439: It's written in your eyes, asking for a hug (1)

at this moment, su shicheng thought of something and his heart began to waver, but in the end, he only thought about it and did not act.

this Saturday, I'll hold a dinner party to formally introduce you to people in the circle. Su Shicheng patted her shoulder and said, "it's all yours in the future." don't let me down."

Ye Liangqiu nodded. I'll work hard.

Su Shicheng's decision had been rejected by Mrs. Su, so she naturally could not say anything at the dining table.

however, the moment she returned to her bedroom, she fired at su shicheng, "Shicheng, you said that in the future, you'll leave this to Cheng Cheng."

Su Shicheng took off his coat and threw it at the end of the bed. He loosened his tie and sat on the edge of the bed, his voice a little tired. "That was in the past. Now that Su Su is back,"

"susu, susu, you only know her. where's chengcheng?" mrs. su's voice was excited.

her heart was filled with sorrow. she could not like her own daughter and was even afraid to see her overly cold eyes.

su shicheng's eyes were ice-cold, " susu is our biological daughter. are you asking me to chase our biological daughter out of the house? "

Mrs. Su was dazed for a moment and then became a little absent-minded. "No, Shicheng, that's not what I meant."

"It's best if you're not!" su shicheng unbuttoned his shirt and walked into the bathroom. " also, you didn't interfere in the past, so don't interfere too much in the future. " mrs. su fell onto the sofa in a daze.

that night, she lay down beside su shicheng and listened to his light breathing.

she knew that he was not asleep.

quietly, she reached into his pajamas and called out to him softly, with the intention of making up.

However, her hand was taken out and su Shicheng's tone was indifferent, "it's too late, i'm a little tired."

Mrs. Su felt as if she had been slapped in the face. After so many years, this was the first time he had rejected her.

he felt a little embarrassed and lay straight. it was a little boring.

on wednesday, ya shi held a press conference to announce ye liangqiu as the vice president of the marketing department. at the same time, su shicheng also revealed her identity.

“Liangqiu is my long-lost daughter, so I’ll do everything I can to make it up to her,” su Shicheng said somewhat emotionally.

the meaning of his words was obvious-the successor of asia vision would be ye liangqiu.

The media was in an uproar. This was a god-like reversal. Of course, a reporter asked a sharp question, ” “Boss ye, which is more important to you, love or career?”

Ye Liangqiu smiled. to me, family is the most important.

the reporter was obviously stunned for a moment. he felt that ye liangqiu was a simple-minded young lady, but it was boring to continue asking.

on the other end, KING entertainment’s ceo’s office.

qin anlan was sitting on the sofa with a glass of wine in one hand and an invitation in the other.

the banquet for ye liangqiu’s appointment as the vice president of asia tv.

old man su has put in a lot of money. It’s obvious that he wants his own daughter to take over Ya Shi. He’s already making preparations. let’s go, ” Kie said softly.

He was a little worried. He looked at Qin Anlan and said, ” “will president qin be going to the dinner?”

“Go!” qin anlan put down the cup in his hand. ” why not? ‘ qin anlan watched the video countless times after KIME logged out.

damn it, even though she was so hateful, he still loved her so much.

i still want to see her, see if she’s doing well, and still worry that she’ll be taken advantage of, yingluo..

Chapter 1440: Your eyes are asking for a hug (2)

Perhaps he was worrying too much. She had just returned to the SU family and immediately did something big for su Shicheng, so she must have been very pleased with herself.

Qin Anlan closed his eyes and enjoyed the cool autumn.’You said that family is the most important thing. In that case, am I not considered family in your heart?’

Could it be that saying I love you is meaningless to you?

don’t tell me you don’t even want mu yun anymore?

i don’t believe it!

Saturday came very quickly, and Asia Vision set the dinner at the GM hotel that Boyi had left behind, which was also under the former Sheng Yuan

Corporation.

That night, it was full of stars, and the stars on the red carpet were comparable to a Fashion Festival.

qin anlan came alone and met ye liangqiu on the red carpet.

Under the strong night wind and countless flashes, he walked towards her.

She was dressed in an expensive gown and looked like a goddess. On the other hand, he was dressed in black and his face looked even colder under the flashing lights.

finally, he walked in front of her and said in a hoarse voice, ” “Congratulations.” she didn’t make a sound and only stood in a daze, facing him.

At this moment, her eyes were wet, but she smiled slightly, a public relations smile. thank you, President Qin.

a reporter asked them to take a photo together. ye liangqiu cooperated and stood beside qin anlan. they were supposed to be standing side by side, but at that moment, he placed his hand on her shoulder and teased her.

His warm palm landed on her bare shoulder. The moment their skin touched, her pores opened and she was a little dazed.

He clenched his fist and held her down, not giving her a chance to struggle.

Mr. Ye, keep smiling. Otherwise, tomorrow’s newspaper won’t be published again. You don’t want to lose face, do you? ” Qin Anlan’s voice was low and hoarse.

ye bingqiu looked at him and saw that he was very calm.

“i almost forgot, president qin’s acting has always been good.”

“Oh, really? i’m afraid you’ve forgotten that you’re still a signed artist under KING entertainment. now that you’ve signed with another company, KING entertainment can totally sue you.” He also sneered.

ye liangqiu flashed the most perfect smile at the reporters, then secretly stepped on his foot. ” bastard, go ahead and sue them! ‘ however, she lost her balance and almost fell to the ground.

In just a second, her body was caught. She was half-lying in his arms. His arm was locked on her waist, and his gaze was a little deep.

“let me go.” she was angry and her posture was very embarrassing.

“i won’t!” he said with a cold face.

Ye Liangqiu was furious and stepped on him again.

He actually didn’t Dodge and just let her do whatever she wanted.

ye liangqiu’s eyes burned with passion, and her voice was a little choked.”qin anlan, let me go!”

Can you let go of me? we can’t be together, at least not now!

i don’t want anything to happen to you. an Ian, i beg you, let go!

He probably saw through her emotions, so he finally let go.

As he let go of her, he said indifferently, " CEO ye, there's one more thing I need to remind you. You're pregnant!

ye liangqiu wanted to stomp on him again, but at this moment, su shicheng came over.

He looked at Qin Anlan and said in an especially loving tone, "an Ian is here." "Mr. Su," Qin Anlan greeted him as well.

"You're too polite." su shicheng smiled slightly, his face impeccably, " why didn't your mother come? " qin anlan smiled faintly. " i'll take care of muyun at home! I'm afraid the child will be sad if he sees it.. "
