

Thank you 1441

Chapter 1441: it's written in your eyes, i want a hug (3)

He had said it very casually, but ye Liangqiu couldn't quite stand it, because his words were full of thorns.

qin anlan did not say much and quickly left xuxu.

ye liangqiu looked at his back for a long time, lost in thought.

"If you really like her, I won't object." su shicheng's tone was rather loving.

He meant what he said, but he also meant what he said about taking over King Entertainment.

ye liangqiu looked at him and smiled. "dad, forget it. living with a sad man won't bring you happiness in the end. ' su shicheng asked, " mu yun, you're willing to do that? "

ye liangqiu gently swirled the wine in her glass. she didn't drink it, but smiled. ' when we succeed, mu yun will naturally come back to me. '

"I'll fulfill your wish," su Shicheng nodded.

He took her to visit the big bosses in the industry and introduced her to them, so that it would be more convenient in the future.

that night, su Cheng did not come because mrs. su was not very comfortable.

su shicheng's obvious favoritism made mrs. su realize that Cheng Cheng would probably not be able to hold her ground in asia vision in the future. However, with her 20%, Cheng Cheng's future days would not be too difficult.

Su Shicheng lowered his eyes to look at his daughter. He was becoming more and more convinced that she was the most suitable successor.

liang qiu was pregnant with another child. whether she was married or not, this child would still be part of the su family.

"dad, i'm going to the balcony to get some fresh air." ye liangqiu's voice was very soft.

Su Shicheng nodded. go! he saw a trace of fatigue in her eyes.

ye liangqiu walked to the balcony and sat on the sofa there. there was a curtain separating this place from the noisy hall.

The place she was in now was like a small world on its own.

she was a little tired. not only did she lie on the sofa in a daze, but she also took off her high heels and threw them aside.

the night wind blew on her face, sending waves of coldness.

however, it was also hot.

Half-awake, she reached out to touch it and actually cried.

“since you’ve gotten what you wanted and no longer need to be under someone else, why cry?” A cold voice sounded. She stood up almost instantly and looked at the man in front of her in a daze.

There were still tears on her face.

“why are you crying? Shouldn’t you be smiling?” he stood proudly in the dark, like a god.

just now, when he saw her and su shicheng mingling among those men and seeing her smile at them, the disappointment and loneliness in her eyes could not fool him.

little liar! she was clearly not happy.

and he never knew that he cared so much about her smiling at other people.

Those people were such an eyesore. He simply wanted to get rid of them all and leave no one alive.

she reached out to gently wipe her tears and tried to use a cold voice. ” “No need to worry, President Qin.”

“is that so?” his voice was cold, but the words he said were shameless.”then why do i feel like your eyes are filled with love? come over and hug me?” A trace of anger appeared on her face. I didn’t.

‘You know very well whether you have or not!’ He bent over and placed his hands on both sides of her body. His eyes were deep. don’t you know how you look when you’re lying? ‘

His slender fingers gently pinched her earlobe. here, it’s all red.

“I’m not!” She shrank her body and refused to let him touch her.

However, the next second, her foot fell into his palm. His warm palm gently pressed on her foot, and it was very comfortable..

Chapter 1442: If you ‘re unhappy, why did you stay?(l)

she bit her lip and looked at him in a daze.

qin anlan’s eyes were ablaze. he was sitting beside her, dressed in a formal suit, looking unusually handsome.

holding one of her feet, he looked like a rare forbidden jade. looking at her, his face was cold. ” “if it’s comfortable, then let it out.”

she wanted to take her foot back, but he held it down.

She shrank back again, and he used some brute force to scold her. “don’t forget that you’re pregnant.”

Ye Liangqiu calmed down and glared at him. "Then let me go."

She was especially beautiful tonight, and now that she was lying on her side, she gave off a kind of lazy feeling.

Qin Anlan looked at her for a long time before he suddenly let go of her. He looked at her and asked coldly, "if you're not happy, why do you still want to stay?"

she retracted her foot and bit her lip. "I'm not unhappy! "Qin Anlan, as you can see, I'm now the vice president of Asia Vision and will be the heir in the future.

do I have to hold a meeting?"

"Then tell me, what are you happy about?" he asked with a deep gaze.

"Are you happy because of power? It's so tiring to live every day. Have you ever thought about how you look when you smile?" He chuckled. "Will you be happier than being by my side?"

"You don't need to care." she turned her face away in embarrassment and tried to put on her high heels, but he stopped her.

Ye Liangqiu pursed her lips and didn't say anything for a long time, only hugging her knees.

She hugged herself and looked up at the starry sky of B city. Qin Anlan, you don't have to stand at the top and let me drink chicken soup. I don't have to make you give up the power that you have in your hands. Are you willing to do that?"

"There are many things that I can't control! But Ye Liangqiu, you have a choice." His eyes darkened. "and I respect your choice."

"As you wish, the marriage is canceled!" "I, Qin Anlan, will not force a woman I can't control," he laughed self-deprecatingly.

"I hope you find a woman you can control soon." She snorted coldly and finally couldn't help but kick him. "Give me back my shoes."

He looked at her and suddenly picked up her shoes and threw them out of the window.

She was stunned. "What if you throw things around and hit someone?"

"The swimming pool is below." "It's closed for now," he looked at her without a change in his expression.

She had nothing to say and was about to leave barefooted, but he quickly stopped her.

"Don't leave." he reached out and pulled her into his arms. When she fell into his arms, he reached out to cushion her.

Then, she was kissed.

“Oh!” She raised her head and struggled with all her might, but she couldn’t break free.

With a touch of anger, he kissed her from top to bottom. When she encountered an obstacle, he reached out and pulled it off with a crash.

She felt her body become lighter, and the dress had already slid down to her waist.

But he didn’t stop. His kiss was a little brutal and even hurt her.

Finally, she quieted down and allowed him to kiss her. In the small space, there was only his breath that he was holding back.

“Liangqiu, I can’t take it anymore.” He lifted her up and reached out to pull her dress up, his eyes filled with a thin touch of Jade desire.

she was lifted up by him, and her long hair had long been scattered helplessly.

she looked down at him helplessly, panting slightly, and her heart was fluctuating violently..

Chapter 1443: If you’re unhappy, why did you stay?(2)

tears welled up in her eyes, and she looked at him in despair.

sometimes, the desire between a man and a woman could overcome all reason.

at this moment, he wanted her, and so did she.

She did not know when he had brought her to the hotel suite on the top floor.

She kicked the door open and was kissed on the door.

She leaned against the door. After Qin Anlan’s passionate kiss, he began to torture her slowly. He kissed her again and again and praised her for her passion.

she panted lightly. she felt that he hadn’t figured out what he was waiting for.

however, he seemed to have a lifetime of patience. he just kissed her, and she was almost on fire.

finally, she started to cry. ” qin anlan, you bastard.

“I also think he’s a bastard.” He laughed at himself and reached out to carry her, afraid that the hard door would hurt her.

He lifted her up and kissed her as he walked. His voice was hoarse as he said, “Help me take off my clothes.”

She trembled for a moment, then looked at him, her eyes moist.

“If you don’t want to, I’ll put you down, okay?” he said as if he really wanted to put her down.

she quickly wrapped her arms around his neck, one hand around him while the other gently unbuttoned his shirt.

Her movements were a little clumsy as she looked up at him and then lowered her eyes.

“afraid?” there was not much emotion in his voice. ” don’t do it if you’re afraid. ‘

she didn’t make a sound and only hugged him, pressing her lips against his.

her body followed his strength and slowly lay down on the bed.

it was extremely lingering, yet another extreme.

this time, it was especially long, and she could not come back to her senses for a long time.

In his arms, her whole body was covered in sweat. Her eyes were closed, and she was still in his embrace.

Qin Anlan’s palm caressed her back and patted her gently. His actions were unbelievably gentle.

on such a quiet night, the words that were spoken were extremely heart-wrenching.

“Why are you willing to do it with me?” He paused for a moment. I don’t want to hear about any physiological needs or love.

“What else do you want to hear from me?” she held her chin and looked at his handsome face, her hand gently drawing on it.

he grabbed her finger, his eyes cold. ” ye liangqiu, do you think everything in the world is so beautiful? if you get power, you’ll also get me, right?”

“I’ve never felt that I could have both.” She smiled and wanted to pull her hand back, but she couldn’t. He held it tightly.

so, you canceled your wedding with me and left me and Muyun? ” he stared into her eyes. ” so cruel? Hmm?”

“Since you’re so cruel, why did you still sleep with me?” He laughed coldly.

what are you thinking? ‘

She did not make a sound.

“Are you trying to keep me in suspense and make me wait for you?” he continued.

Her body trembled. He was so smart that it was beyond her expectations.

He hit her right on the head.

when she did it with him just now, other than the fact that she was being teased, another reason was because of what he said.

It was a little embarrassing, but she would definitely not admit it.

“You’re thinking too much,” She smiled. we’re both adults. It’s just a bed. There’s nothing to lose..

Chapter 1444: If you I re unhappy, why did you stay?(3)

“You’re thinking too much,” She smiled slightly. we’re both adults. It’s just a bed. There’s no loss.

He stared at her for a long time, as if he was studying her.

yes. You don’t need to take birth control pills, right? ” he started to get out of bed and put on his clothes as he said mockingly.

he put on his clothes in front of her without any restraint, and her face turned red when she looked at his lean body.

Qin Anlan glanced at her. you want to stay for the night? ”

They had disappeared from the banquet for about an hour, and it was not over yet. He thought that she would not want anyone to find out about their sneaky

eyes.

ye liangqiu snorted. ” of course not. ‘

she picked up the dress and felt that her hands were shaking. in the end, qin anlan snatched it from her and helped her put it on.

His movements were very skilled, she thought to herself. She wondered how many women’s clothes he had taken off to practice to such a level.

Qin Anlan probably knew what she was thinking. He snorted softly. I’ve always only taken off women’s clothes. I’ve never helped them wear clothes.

thinking about it, he seemed to be a little angry with her, so he added, ” “i’m doing this for the sake of the daughter in your stomach.”

“Maybe it’s a son.” She was neither hot nor cold.

at this moment, she was sitting by the bed. he bent over and looked at her, making her hair stand on end.

“didn’t i go check on her just now? i greeted our daughter,” he said after a long time.

He made a shushing gesture and looked at her terrible state. your hair is messy, and your makeup is off! How did you hide it from su Shicheng?”

“no need. i’ll just say that i seduced you.” Ye Liangqiu sneered. She casually tied up her hair and reapplied her lipstick.

At this moment, the doorbell rang.

her hands slowed down and she looked at him, her eyes filled with helplessness.

“Are you afraid?” He sneered, “I thought you weren’t afraid?” didn’t you say that you were the one who seduced me?”

She couldn’t say a word and just glared at him.

“You look much cuter this way.” he pinched her face and walked to the door to open it.

There was a waiter at the door, holding an exquisitely wrapped paper box.

qin anlan took it, closed the door, and slowly walked to her. he squatted down under her slightly stunned gaze. I sit properly and stretch your legs out, ” said his body.

she was a little stunned and didn’t react for a long time.

“Stretch out your feet and put on your shoes! Don’t tell me that you can’t even understand what I’m saying now?” his voice was a little cold.

She looked at him without saying a word.

“you’re tall and your skirt is long. su shicheng won’t notice.” His tone was very calm, as if he had been prepared for this. “Unless you’re willing to go down and get the shoes.” she finally stretched out her leg, but willfully kicked him on the shoulder.

He reached out to hold her. He looked up at her. ye Liangqiu, you won’t have the chance to act coquettishly with me if you leave me.

after he finished speaking, he hit her in the center of her foot.

However, it was a very light revenge.

She had to admit that she was being pulled up by him. She looked down at him. it sounds like you have a lot of experience.

“don’t you already know whether i’m experienced or not?” He held her foot and put a flat shoe on it. He looked up again. but I’ve never treated anyone like this. Ye Liangqiu, you’re the first..

Chapter 1445: Kiss her in public (part one)

Under the reflection of the crystal lamp, his handsome face was charming as he focused on putting on her shoes for her.

Ye Liangqiu lowered her eyes to look at him, a hint of concentration in her eyes.

Her heart softened, and her breathing became shallow. After a long time, she asked softly, ” “Why are you still so good to me?”

He gently put down one of her feet and picked up the other. He looked up and smiled. I was very comfortable just now, so I’m letting you feel comfortable now. Isn’t that fair? ‘ she had kicked him, couldn’t she speak properly?

qin anlan held her foot and did not move.

She felt uneasy, but his lips were tightly pursed. He was silent for a long time before he said, "ye liangqiu, if you want to be cruel to me, then be more determined. otherwise, i'm afraid i won't be able to control myself and will tie you up and never let you come back."

when he said this, she felt as if something was stuck in her throat, and it was unspeakably uncomfortable.

"Don't you hate me?" She clenched her fists and tried her best not to hug him.

He looked at her for a long time before he smiled gently. I hate you.

after putting the other shoe on for her, he didn't stand up immediately.

instead, he said in a low voice, "ye liangqiu, before i change my mind and my patience runs out, remember to come back. "

He looked up at her as he spoke.

Their eyes met, and she could not say a word to refute him.

"Alright, let's go! you can leave first." He finally got up and stood in front of her, blocking most of the light for her.

She was trapped in his shadow, as if she was being hugged.

After a long time, she slowly got up. The flat shoes were very comfortable and she didn't feel uncomfortable at all. He was also surprisingly gentle and did not feel uncomfortable.

Perhaps it was because of her expression, his face was unfathomable. take it as my gift to celebrate CEO ye's inauguration.

he owed her again. she stared at him.

qin anlan sneered as well. he pinched her chin with his fingers and lowered his head to whisper, "why? is there anyone else who can satisfy you? " Do they know what kind of method you like?"

'down! Liu." She wanted to step on him again, but he held her arm and her body fell into his arms.

' i think you should always remember that you're pregnant. " He said ruthlessly and released her.

Ye Liangqiu angrily walked out, and he watched her from behind, his eyes deep.

Liangqiu, you said you wanted power, but why were you so invested in it when we were together? would you really be willing to give up?

I don't believe that you're willing to give up on mu Yun!

qin anlan's head started to hurt when he thought about his son. he did not cry or make a fuss. he was as calm as a little adult and only said one sentence, " mommy will come back eventually. "

She was much calmer than him, so calm that Qin Anlan almost vomited blood.

he smoked two cigarettes in the bedroom before walking out. the only good thing was that he could smoke freely now, but the mood of smoking was so bitter and depressed.

downstairs, she saw that ye liangqiu was already by su shicheng's side.

He leaned on the side and looked at her with a glass of red wine in his hand. His gaze was so focused that it made her blush.

Su Shicheng saw ye Liangqiu approach and asked softly, "I went to the balcony to look for you. Where did you go?"

"I'm a little uncomfortable, so I went to the courtyard to get some air." she smiled.

Su Shicheng patted her hand and said, "you're here just in time. The ball is about to start! have you thought of the person to start the dance?"

"Of course it's daddy." She said without thinking..

Chapter 1446: Kiss her in public (2)

Su Shicheng disagreed, "what's the point of dancing with an old man like me? just now, Secretary Liang of the political world wanted to invite you for the first dance. Liangqiu, you know what to do.

"Of course." Ye Liangqiu didn't mind. When she was an artist, this kind of thing had happened a lot.

some people could only be dealt with but not offended.

Liang Sihe was in his forties and looked refined. He was also quite gentlemanly.

but ye liangqiu wasn't so n?I've as to think that he was a gentleman on the inside. a man like him was a gentleman on the outside, but a beast on the inside when he couldn't be seen.

she finished one dance, but director liang asked for another.

ye liangqiu was helpless and could only dance with him again. but halfway through, her waist was held by a strong arm, and she fell into a warm embrace.

Secretary Liang was about to explode. Who was this shameless person who snatched his woman?

However, a fat female Yaksha was quickly stuffed into his arms. He wanted to throw her away, but when he looked closely, he realized that this female Yaksha was the one in his house.

"Alright! secretary liang, you're quite the playboy." madam liang pulled his ear and growled, "Get the f * Ck home, or I'll get my dad to fire you from your position tomorrow."

everyone around sighed. this secretary liang was a repeat offender. not long ago, he made a female college student pregnant and settled it with the power of a hag's family. now, he dared to come out and fool around again.

Secretary Liang didn't have any face, but he didn't dare to offend his Yaksha and left.

When Madam Liang passed by Qin Anlan, she gave him a look. This pretty boy was really handsome. If it wasn't for the fact that he was a good person and dedicated to his wife, she would have wanted to have a taste of him.

'hmpf, this liang guy thinks he's so great. charging in bed for a week, and it's gone after five minutes.'

Look at this President Qin, he's good-looking, he's dressed well, he's well-dressed, and he looks useful.

Madam Liang did not forget to throw Qin Anlan a flirtatious look, which almost blinded Ye Qiu's eyes.

She looked at Qin Anlan. you found this? ”

He snorted coldly, “really heavy.”l mouthl Taste!” yes, I also like to eat your feet and eat your Kasaya. his voice wasn't soft, and ye Liangqiu quickly covered his mouth. are you crazy?

He looked at her deeply, then gently bit her palm. It was a very numb feeling.

ye liangqiu bit her lip and stared at him in a daze.

“if you don't take it away, i can't guarantee what i'll do.” his voice was low and hoarse, and his eyes were clear and bright as he looked at her.

and their dance steps were not messed up at all.

she moved her hand away and felt that her palm was wet.

He's really a pervert!

Mr. Ye, put away your gritted teeth expression. Remember, no matter what, don't reveal your feelings. he said in a teasing tone.

She raised her head and spun gently under his lead. The combination of a handsome man and a beautiful woman and their elegant dance steps was a beautiful picture.

“no need to worry, president qin!” She didn't show him a good face.

Qin Anlan laughed in a low voice. because it's time to test CEO ye.

She was stunned for a moment, not quite understanding what he meant.

He had already lowered his head and kissed her.

It was a solid, wet kiss. The contact between their lips was magnified countless times. In front of countless people, he announced his possession of her.

First, he sucked on her lips and kissed her, then quickly bit her when she resisted..

Chapter 1447: Kissing her in public (3)

She was in pain and naturally opened her mouth, and he forced his way in. There was a burst of exclamations around-Oh my God, it was actually real.

Moreover, they were a couple who had broken up.

Ye Liangqiu struggled, but his palm pressed down on the back of her head, not giving her a chance to escape. At the same time, he kissed her even harder.

the scene of them entangling and entangling with yingying made people blush and their hearts beat faster.

In particular, su Shicheng's expression was very complicated. His daughter's dinner party had been kissed by Qin Anlan to this extent.

not only that, he even left a mark on her neck. f * ck, was this a live broadcast?

Just as su Shicheng was about to flare up, Qin Anlan had already released his grip.

with a loud slap, a slap landed on his handsome face.

She was standing face to face with him, panting slightly because of the overly long kiss.

“it tastes good,” he said, licking his lower lip.

“Qin Anlan, you bastard!” She raised her hand and he caught it.

his eyes darkened. ” are you sure you want to stay in the middle of this group of people? if mrs. liang didn't appear just now, how would you have escaped? ‘ Did she say that she was pregnant?’” his tone was low and stern as he looked at her with a burning gaze. “I don't need your concern.” She said coldly, keeping a distance from him.

an Ian, the last thing i want is for you to get close to me. that way, my heart will be in a mess, and i'm afraid that you'll be unsafe, so ...

“Is that so?” he looked at her coldly.

she didn't say anything else and just stared at him in a daze.

liangqiu, think about it! Think about it. ‘ With that, he turned around and left without looking back.

Ye Liangqiu was standing in his original spot. The banquet had been ruined by this accident.

of course, no one had any more ideas about ye liangqiu because she was pregnant with qin anlan's child.

On the way back, she sat in the back seat of the car and was in a daze.

she rested her chin on her hand and looked at the night view outside the car, not saying a word.

“liangqiu,” su shicheng sighed, “do you love him a lot?” she turned around and looked at him.

there was moisture in her eyes that she couldn’t keep in time, and she looked a little embarrassed.

he slowly shook his head. ” no! i just can’t bear to part with mu yun.”

“then why did you leave mu yun behind?” su shicheng casually asked.

Ye Liangqiu lowered her eyes. because mu Yun was born with an illness that can’t be stopped once he starts bleeding. He’s also Rh-negative, so he’s only safe when he’s with Qin Anlan.

Su Shicheng nodded. yes.

Ye Liangqiu leaned her head on the back seat and didn’t say anything.

“Do you blame dad?” su Shicheng suddenly asked.

after all, he had wanted to make use of qin anlan’s marriage. he did have some other thoughts.

But now, he was hesitating because he would probably lose this daughter if he did that.

su shicheng had always been honest and knew what he wanted the most.

without an heir, what was the point of snatching everything?

As a result, su Shicheng quickly adjusted his strategy and used kinship to move the autumn rustling.

back at the su family’s house, he looked at her with a touch of warmth. ” “rest early.”

she was pregnant and should have stayed at home to take care of herself, but su shicheng had no choice but to let her go to the company because he needed a reliable helper. the threat from mrs. su’s maternal family was getting bigger and bigger..

Chapter 1448: a slap in the face (1)

She slowly went upstairs and walked to her room.

Su Cheng was lying on her bed with a toy in her hands. She looked at her. “were you happy tonight?” ye liangqiu slowly walked in and looked at su Cheng.

Su Cheng’s clothes were very light. She was dressed in a cute little outfit that did not have much more fabric than her undergarments.

Ye Liangqiu slowly took out her phone from her bag and took two pictures of her. ” it’s pretty good. i’ll show it to the reporters tomorrow. i believe many people will regard you as the goddess of otakus. ” su Cheng sat up straight. ” delete the photo! ‘

“Be good! if you want to seduce someone, you should seduce a man. it’s useless to lie on my bed.” ye liangqiu’s tone was filled with disgust.

Su Cheng was furious. She had been waiting for her here the whole night, but the moment she came back, she was being sarcastic.

biting her lip, she said, ” i really want to live in peace with you. ”

She glared at ye Liangqiu. do you think you can stand in this house without my help? ”

ye liangqiu walked into the bathroom to turn on the bathwater, then came out again. ” “i’ve never intended to get along with you in peace.”

“you want to go to asia vision?” Su Cheng chuckled, but it was a strange laugh. do you think su Shicheng will be willing to give you the company after he’s done using you? ‘

she got up from the bed and walked a few steps to ye liangqiu. ” you can wait until he’s too old to move. maybe in another twenty or thirty years. by then, you’ll be an old lady. are you sure you can wait? ”

‘ of course. i currently have 20% of the shares in my hands. if we work together, we have a chance of kicking su shicheng out of his position as the ceo. it’s up to you to decide if you have the courage and ambition to do so. ” Su Cheng’s eyes were unreadable, something ye Liangqiu couldn’t understand.

Did su Cheng also have such ambitions?

she kept feeling that something was wrong.

“you must be curious as to why i’m doing this.” Su Cheng laughed coldly. you’ve seen it for yourself. A smart adoptive father and a neurotic adoptive mother. My wealth is in their hands. Today, they say that they love me, but tomorrow, they might kick me out of the house if they’re unhappy. So why don’t you turn over and become the master yourself?”

Ye Liangqiu looked straight into su Cheng’s eyes. if your mother heard what you said, she would probably be very sad.

There was a hint of mockery in her words.

Su Cheng’s smile turned even colder. that’s your mother, not mine.

ye liangqiu didn’t say anything. she just looked at su Cheng.

“it doesn’t matter if you do it or not, the su family has never lived in peace, only peace on the surface! even husband and wife have their own schemes.” “Ye

Liangqiu,” su Cheng said, “this home doesn’t have the warmth you want.”

“is that so?” Ye Liangqiu sneered. then why don’t you leave? ” su cheng’s face froze.

Ye Liangqiu sent out the photo on her phone and said in a calm tone, ” “i’ve sent the photo out. i think you should get your manager to handle the public relations. also, your clothes are very translucent.” she opened the door.

Su Cheng’s face turned green and she gritted her teeth. “ye liangqiu!”

“If I don’t go now, I’m afraid I’ll report it to the higher-ups tomorrow.” She kindly reminded su Cheng.

su Cheng angrily returned to her room and called her manager. she asked her manager to dig the person out and send her to public relations. but ten minutes later, she found out that she had been fooled by ye liangqiu again.

the photos were not even sent out!

“Ye Liangqiu!” su Cheng stomped her feet in exasperation..

Chapter 1449: A slap in the face (2)

an important shareholders ‘meeting of asia vision.

su shicheng introduced ye liangqiu to the important shareholders and announced that ye liangqiu would be in charge of the collaboration between king entertainment and asia tv.

Naturally, there were some shareholders who were against it because ye Liangqiu and Qin Anlan had a past.

What if she was a spy? what would they do if they gave her such a big cooperation?

Su Shicheng looked down and naturally understood their concerns. He slowly said, ” liangqiu is my daughter. i believe that her heart is on yashi’s side! ”

Ye Liangqiu looked down at the shareholders. Mrs. Su was among them, but she remained expressionless and didn’t show any support for her.

He smiled. my marriage with President Qin has already been called off. Ya Shi is my father’s blood, sweat, and tears. My surname is su, and I think I want Ya Shi to be better than anyone else.

The shareholders were a little hesitant. Su Shicheng had previously revealed that ye Liangqiu would be his successor.

no matter how stupid she was, she wouldn’t give up such an opportunity to benefit someone else.

Just as everyone was hesitating, Mrs. Su opened her mouth, ” i might have to give up my vote and let my daughter, su cheng, decide. ‘ everyone was shocked and su shicheng’s expression turned particularly ugly. He looked at Mrs. Su.

As if she didn’t see it, Mrs. Su continued to speak indifferently, the shares under my name have been transferred to Cheng Cheng. From now on, she will be the second largest shareholder of Asia Vision.

just then, the door opened and su Cheng walked in. she sat down beside mrs. su and smiled sweetly.

“Don’t let mom down,” Mrs. Su said, patting her hand.

she didn’t dare to look at ye liangqiu as she did this, because in a way, she had betrayed her own daughter.

She knew what this 20% meant. It meant that su Cheng's starting point was much higher than ye Liangqiu's. This 20% had voting rights, and ye Liangqiu could not do anything that su Cheng did not agree to.

su Cheng replied obediently. Then she looked at ye Liangqiu and smiled sweetly. sister Liangqiu, I'm sorry! In order to be responsible for the shareholders of Asia TV, not only can I not allow you to get in touch with King Entertainment, I'm even more suspicious of your intentions for coming to Asia

There was another round of discussion around them, and some shareholders were clearly getting impatient.

This was obviously a power struggle between the rich and powerful, and the cannon fodder was the shareholders. Their interests were also damaged. "Why did you say that?"

Su Cheng's smile became even sweeter. because you're pregnant with Qin Anlan's child! In order to show my loyalty to Ya Shi, I'll believe you if you abort the child. "

ye liangqiu laughed coldly. " su cheng, it's true that your surname is su, but compared to the child in my stomach, you don't even have a drop of blood from the su family. what right do you have to talk about my loyalty to ya shi? " because of your past with qin anlan. " Su Cheng's expression darkened.

Ye Liangqiu's eyes swept over the crowd, and he slowly said, "I highly suspect that you, who had been rumored to be with Qin Anlan for a few years, are venting your personal emotions! Su Cheng, this is the company, not home. I've already broken up with Qin Anlan. If you like him, you don't have to do it this way."

Su Cheng's face turned green. She was no match for ye Liangqiu when it came to twisting the truth. since when did she like qin anlan?

At this time, Mrs. Su said indifferently,"all of this is not important!" Su Cheng is the owner of 20% of the shares, so she has the right to deny it..

Chapter 1450: a slap in the face (3)

after mrs. su finished speaking, su Cheng smiled proudly at ye liangqiu.

Ye Liangqiu's face didn't show much of an expression, and he only asked indifferently, "What about the procedures?"

Su Cheng was stunned for a moment, then she looked at Mrs. Su.

Mrs. SU's expression didn't look too good, and she called lawyer Cheng. lawyer cheng, come over for a moment and bring the documents from last time. have you stamped them? "

The other party said something, but Mrs. SUS face turned even uglier and she almost threw the phone."it's been so many days, and you're telling me to burn it all down! What, the original copy was also burned, you let me see you, bastard! " mrs. su threw her cell phone away in anger.

She had been pampered since she was young, and her temper wasn't very good, so she couldn't really endure it.

However, her words gave the shareholders an idea ...

this was simply nonsense. was this a market? This was the company.

Was Mrs. Su and su Cheng playing house? such a serious problem, and it was a mess.

su shicheng looked at his wife and coldly said, "if the original is lost, then you'll lose your right to attend the shareholders' meeting.

"Su Shicheng! is there such a rule?" "I want Cheng Cheng to take over the company," Mrs. Su said, fuming.

As soon as she finished speaking, the air seemed to freeze.

some things could be said on the surface, but some things couldn't be.

By saying this, not only did she make her stand clear, but she also completely destroyed the already cold mother-daughter relationship between her and ye

Liangqiu.

mrs. su also knew that she had said something wrong, so she didn't say anything for a long time. her eyes fell on ye liangqiu's face.

Her lips moved, but she didn't say anything in the end.

Finally, su Shicheng spoke, "let's vote!" those who agree, raise your hand."

The shareholders were a little hesitant at first, but after thinking about it, if it had fallen into su Cheng's hands, who knew what kind of nonsense it would have become. Ye Liangqiu looked calm and steady, just like su Shicheng when he was young.

as a result, they chose to bet on ye liangqiu and raised their hands.

su Cheng suddenly fell back into the chair. she looked at mrs. su and said softly,

Mom, it's okay. It doesn't matter if I don't want anything. Everything in the

SU family belongs to sister Liangqiu."

mrs. su was angry and sad at the same time. it took a long time for her to recover from her sadness. "chengcheng, you're always so understanding. "

She didn't see the disappointment in ye Liangqiu's eyes when she said this.

She remembered that when she was young, her mother would always hug her and call her little susu while kissing her.

her mother had said that she would give her the best of everything. she could not tell if those were memories or her imagination.

She only knew that she couldn't cry, or she would be laughed at.

"Ye Liangqiu, don't cry. It's nothing. You haven't had a mother for so many years.

you're a mother now. you have to protect mu yun and the child in her stomach.

yingluo, you have to let them have a mother forever.

su shicheng let out a long sigh in his heart. his wife had truly disappointed him.

However, he also had other thoughts about su Cheng.

in the past, Cheng Cheng was not like this and would not try to please her mother. but recently, he did not know if it was his imagination, but su Cheng had been creating conflicts, as if she was trying to force her mother to make a choice.

su shicheng's expression was unfathomable as he glanced at su cheng..
