

Thank you 1451

Chapter 1451: you 're the one who forced me (1)

The meeting ended.

su Cheng followed behind mrs. su and said carefully, " mom, don't be angry!

sister liangqiu didn't mean to fight with me. besides, these should be hers."

mrs. su stopped and turned to look at su Cheng. then, she slowly said, " "Cheng Cheng, why are you so stupid? You're always thinking about others, mom's just afraid that you'll end up with nothing, Hanhan."

su Cheng hugged mrs. su and pressed her face against mrs. su's. " mom, i know you love me! " But if you're so biased, sister Liangqiu won't be happy."

"It's only right for mom to be biased towards you! "You've been by mom's side for so many years," Mrs. Su said, her eyes pausing.

Ye Liangqiu slowly walked over from the side of the corridor, and then, she brushed past him-

Mrs. SU's body was a little stiff, and she couldn't move for a long time.

"She heard it." Su Cheng's voice was soft.

Mrs. Su froze for a long time before she found her voice. we can't go back!

she and susu could not go back to how they were.

the once intimate mother and daughter were now strangers. she could not love the child that was raised by others.

she was right in front of her, and they lived together, but mrs. su felt distant and unfamiliar, afraid to see her.

even when she was alone, she would think that it was actually good not to come back. at least her peaceful life wouldn't be disturbed.

mrs. su looked at ye liangqiu's back and let out a deep breath.

she went home first, but to her surprise, a storm came ...

in the bedroom, su shicheng was very angry at her. mrs. su was not to be trifled with. after the two of them argued, she was tied up with a tie.

"su shicheng, what do you want to do?" Mrs. Su was in her pajamas, her face full of fear.

Su Shicheng held a glass of red wine in his hand and coldly stared at her,"suya, how have i treated you all these years?" looking at his expressionless face, cold sweat broke out on mrs. su's forehead.

she had seen su shicheng like this a few times. last time, he had done something very terrifying. her eyes were wide open, and she kept moving her body backward.

“Why aren’t you saying anything, huh?” su shicheng slowly drank half a glass of wine and placed the rest on the bedside table. he then took a pill and shook it.

he curled his lips and looked at his wife. ” you can’t tell, can you? ‘

Large beads of sweat dripped down from Mrs. SU’s forehead, one by one, and soon her clothes were wet.

she knelt down and kept moving backward. her voice was trembling as she said, ” shicheng, don’t do this to me! ”

“i’ve had enough.” he grabbed her body and threw her hard, causing her to fall onto the soft bed.

His body was on both sides of her body, and he pinched her cheeks with one hand, forcing her to open her mouth to moan.

He propped himself up with one hand and took the cup with the other. He narrowed his eyes and looked at her. you have two choices now! one is to transfer 20% to cool autumn, and the second is to drink this cup of wine.”

Mrs. Su looked at the thing in his hand in horror, her body still struggling. Her voice was sharp, ” I don’t want to drink.

“Drink it! it can make you happy.” su shicheng’s eyes did not have a trace of warmth. ” suva. you forced me! whv do you keeD forcing me? I’ve endured it for so many years, but now you’re going to destroy everything I’ve ever had,

Yingluo!” his voice was soft, but it was bone-chilling..

Chapter 1452: you ‘re the one who forced me (2)

with tears streaming down her face, mrs. su shook her head desperately. ” no, shicheng. no, i didn’t mean it that way. ‘

“Then what do you mean by that?” “Just because su Cheng knows how to please you?” su Shicheng’s voice was hoarse.

Tears fell like rain from Mrs. SU’s eyes, and her face and body were in a sorry state.

su shicheng coldly laughed, ” what do you know? you’re just a naive young miss! i’ve been self-centered my entire life, when have you ever understood

Mrs. Su closed her eyes. su Shicheng, do you think I don’t know what you’ve done? you like that old woman, hongke, and you’ve broken up their family in such a despicable way. do you think i don’t know that after so many years?”

His love affair a few years ago was also because that young girl looked very much like Mrs. Qin. She had dealt with it silently. He also knew about it, but he didn’t point it out.

But that time, he had not touched her for half a year.

Did he think that she didn't know?

“now, su shicheng, what do you want? you want to kill me?” mrs. su chuckled. ” you want me to drink the poison? ” he was so cruel!

su shicheng's eyes were cold, ” no, this is to make you desire it. I live! desire! Dead medicine! the medicine that makes you forget who you are, the medicine that makes you go crazy and make you yearn like a female beast.”

su shicheng lowered his eyes and looked at the thing in the glass. ” you know too much! suya, don't worry, i'll take good care of you in the future.”

he pinched her cheeks again and poured the glass of wine into her mouth as she struggled. she choked on the hard liquor and medicine, spraying them all over su shicheng's face.

He didn't care. He let go of her and wiped his mouth clean with a piece of tissue.

he retreated back to the sofa and said softly and slowly, ” back then, if it wasn't for your cup of medicine, why would i have married you? ” mrs. su knelt down. her pajamas were almost transparent because of her sweat.

she had lived a pampered life, so even though she was in her forties, she was still fair. I tender! lure! People, especially when their breathing fluctuated, trembled slightly, and there was an unspeakable temptation.

A tall and strong man walked out of the changing room in the bedroom. He was only wearing a pair of Beach Shorts.

mrs. su looked at it in horror. she was so scared that she kept moving the kasaya.

however, when she looked at his strong body, she felt her body heat up.

she began to desire and feel uncomfortable, as if thousands of ants were crawling on her.

the man pulled her up and pressed his lips against hers like a hot plug, hot and powerful.

She felt as if she was covered in lava, and her entire body was on fire.

his reason quickly burned away, leaving only a wild beast-like desire.

while all this was happening, su shicheng simply stared coldly at yingluo.

there was no warmth in his eyes. it was as if he was an outsider, coldly watching everything happen.

after two hours, the strong man finally got off the bed.

mrs. su was lying down. the sweat on her body had already cooled down, and the fanaticism had also disappeared. her mind couldn't be clearer.

She looked at the man's terrifying body and su Shicheng's cold expression in a daze.

Tears rolled down from the corners of her eyes. She broke down, she went crazy ...

her husband had raped her, and he had been watching from the side.

all these years, it turned out that he had been enduring. it turned out that he had no feelings for her at all.

she deserved the medicine that yueyue gave her. now, he finally returned it to her.

“Do you know?” su shicheng slowly approached and stood beside her. ” the only warmth i have for you is that we have susu! but you didn’t cherish her. ‘

therefore, you no longer have any value. therefore, those who are in the way must be eliminated..

Chapter 1453: You ‘re the one who forced me (3)

mrs. su shook her head desperately, her hair wet with sweat covering her eyes.

she couldn’t accept it. she couldn’t accept her husband teasing her like this.

when he got close, she moved back, but every movement made her feel like her body was being torn apart.

‘ don’t qianqian, don’t qianqian! ” she cried bitterly and curled up in the corner of the bed. her whole body was trembling, and the bruises on her body looked terrible.

“If you had been obedient, you wouldn’t have ended up like this. But you just had to go against me.” Su Shicheng pinched her chin. do you know what I hate the most? You’re the one who’s using your background to pressure me, putting on a high and mighty attitude, Huanhuan!”

almost all of mrs. su’s tears were red. she looked at her husband and her tears never stopped.

each of his heartless words struck her heart.

it turned out that all these years, he had never had any feelings for her. just because she didn’t do what he wanted, he wanted to throw her into hell.

she held her head and screamed in horror. she had gone completely crazy.

she shrank back in silence and looked at su shicheng in fear.

don’t come over, don’t come over, mumble, ” she kept muttering and hugged her head, unwilling to see anyone.

She was sent to the mental hospital that very night.

Her family, especially Mrs. SU’s mother, only took a glance and said one sentence, “it’s useless.” all these years, suya had been useless by su shicheng’s side.

She actually fell in love with su Shicheng and deserved this kind of ending. the fact that mrs. su had gone crazy was a huge shock to ye liangqiu and su

Cheng.

They didn't see Mrs. Su and only heard her crying when she was sent away. The sound was like a ghost.

Ye Liangqiu was in her pajamas, her fingers gripping the lapels of her clothes. Her expression was no longer calm.

Su Cheng leaned against the stairs and looked at her. are you scared? ”

Ye Liangqiu's gaze slowly shifted to su Cheng's face and she smiled. see that? ” This family has never been that simple. The next one to be dragged away might be you or me! ” ye liangqiu's eyes turned cold. ” aren't you sad? ”

“Why should I be sad? You're her real daughter. To me, everything is just a tool! There's nothing to feel pity about! but no one will protect me from now on, sister cold autumn. i'm so scared.” ye liangqiu looked straight into her eyes, not saying a word.

“do you feel how terrifying su shicheng is?” Su Cheng chuckled. he can even lay his hands on his first wife. Think about how hard-hearted he must be. Should we work together? ”

“And then?” “And you're going to kill me?” ye Liangqiu looked at her. “how could i bear to?” ” then wouldn't that make me too lonely? ” su Cheng asked.

after she finished speaking, she walked upstairs slowly and said, ” “If you don't want to join forces, then let's hurt each other, Sister Cool autumn.” ye liangqiu looked at her back, not saying a word.

He turned his gaze back to the entrance of the villa. The car had already left.

She walked out slowly. Her white pajamas were very eye-catching under the White moonlight.

su Cheng was right. no one in this family was innocent.

There was no trust between people, and the slightest carelessness would lead to death .

It was just like her mother, who had never seen su Shicheng's true colors for so many years.

tonight, she had also learned a vivid lesson. she never knew that a person could be more ruthless than a beast when they were cruel..

Chapter 1454: lean on my shoulder (part one)

Tonight, she had been given a vivid lesson. She never knew that when a person was cruel, they could be even more cruel than a beast.

as for her, the more she thought about it, the more she felt that the person behind this was su shicheng.

Only such a deranged person would do such a crazy thing.

That night, ye Liangqiu did not sleep well. Even when it was time for breakfast, she still did not see su Shicheng.

Su Cheng's tone was light. "He's probably trying his best to play the role of an affectionate and sorrowful husband to win the sympathy of the public. No need to wait, let's have breakfast first." Ye Liangqiu looked up at Su Cheng. "Are you okay with that?" Su Cheng smiled sweetly. "Do I have anything to say?"

Ye Liangqiu didn't say anything more. After breakfast, she took a car to the company.

As soon as she arrived at the company, her assistant, Xiao Wen, came forward and said in a low voice, "Chairman Ye, the president wants you to go to his office." Ye Liangqiu looked at her for a long time before saying, "I know."

She walked to Su Shicheng's office and knocked on the door. After receiving permission, she pushed the door open and entered.

She pushed the door open and saw Su Shicheng smoking behind his desk. When he saw Ye Liangqiu enter, he placed a stack of documents on the table and said, "Take these and take a look. Find a chance to get in touch with Qin Anlan!"

Ye Liangqiu took a look. It was a list of collaborations between King Entertainment and Asia TV, some of which had yet to be discussed in detail.

"Alright, I will."

"Liangqiu, I'm very confident in you," Su Shicheng suddenly opened a drawer, took out a copy of a document, and handed it to her, "From now on, everything that I have will be yours. Don't let me down!"

She took it, but when she saw the first line, her fingers began to tremble.

Su Shicheng looked at her and sternly said, "Liangqiu, you can't be so fixated on the small details when you're doing great things. Emotions are the most important thing to abandon."

"What about me?" She looked into his eyes and said fearlessly, "Will daddy treat me like this one day?"

Su Shicheng did not avert his gaze and calmly looked at her. "You didn't do anything wrong. Of course you wouldn't."

The documents in her hands fell on the desk and scattered messily.

Su Shicheng looked at her for a long time before he softly said, "Liangqiu, you can't turn back now! Be good, pick it up."

There was love in his tone because she was his biological daughter. She was not like Su Ya but more like Hongke, so he loved her very much.

Ye Liangqiu's voice was choked with sobs. "If you don't listen, does that mean you'll be destroyed?"

this time, su shicheng's voice was resolute and decisive, "you're my only daughter. of course i won't destroy you, but i will destroy the thing you care about the most." at this moment, she suddenly realized that her return to the su family had been a trap all along.

once she walked in, it was destined to be difficult for her to leave.

unless she could destroy su shicheng ...

an opponent so powerful that she feared him, a person she should have respected.

When she went out, her legs were weak. She had never been so shocked before.

All her imagination of family ties turned into bubbles at this moment.

Rather than saying that her mother was destroyed by su Shicheng, it was more accurate to say that her return had destroyed her mother.

she lowered her eyes, and there was a trace of tears on her eyelashes. she admitted that she was weak at this moment.

in fact, she even regretted it.

When that person was awake, she didn't call her mother, and she didn't lower her attitude and whine.

if she had tried to please her like su Cheng did, she would not have been driven crazy by su shicheng..

Chapter 1455: lean on my shoulder (2)

su shicheng's love and care for his family was a double-edged sword that would hurt everyone around her.

This included an LAN, mu Yun, Qianqian, and the child in her stomach.

it was only now that she realized how deep su shicheng's Cheng residence was, how stupid she was, and how angry an Ian was when she left and returned to the su family.

She had once thought that she would be the Savior of the world, but it was just a joke.

she raised her head and closed her eyes, her eyes filled with warmth. Suddenly, she opened her eyes and looked at su Cheng, who was not far away.

su Cheng leaned against the wall, her expression lazy. "you've suffered a blow?"

She sighed and said, "cry if you want to. I'll allow you to cry on my shoulder.

ye liangqiu glared at her. she thought that su Cheng was really shameless.

"you're not willing? embarrassed?" su Cheng chuckled and walked over to hug her. "do you feel better if i hug you like this?"

Ye Liangqiu didn't move. He gritted his teeth and said, "su cheng, has anyone ever told you that you're a pervert?" su Cheng chuckled and backed away. "i've never been perverted to anyone!" Ye Liangqiu pushed her away and strolled towards the elevator.

"ai! Are you really not going to consider my suggestion? you'll be crying in the future." There was a hint of a smile in su Cheng's eyes, but it slowly disappeared.

She wasn't completely unmoved. She didn't expect su Shicheng to be so ruthless.

Now that she had no protection, she had to rely on herself.

ye liangqiu returned to her office, her back against the door. she felt a chill down her spine and her body felt weak.

After a long time, she reached out and made a call. "help me find someone to monitor su shicheng, zhenzhen." after work that day, she called qin anlan. her voice was a little dry. "i want to see mu yun." qin anlan was in a meeting. after he received the call, he motioned for the people below to keep quiet. then, he held his phone and walked to the floor-to-ceiling window, looking at the building not far away.

"do you want to see me or mu yun?" His voice was low and deep, but King

Entertainment's higher-ups were all coy. His body trembled and he was shocked into a daze.

the president was clearly teasing her ..

ye liangqiu sat in the car, her fingers caressing her seat belt. she lowered her eyes and said, "i said i wanted to see mu yun."

"where are you?" qin anlan asked indifferently.

before she could speak, he said, "i'll get someone to pick you up."

"Downstairs at the Asian Vision! i'll go over by myself." "can you bring mu yun to the apartment?" she asked softly.

she was too embarrassed to face her mother.

qin anlan's tone was a little mocking. "feeling guilty?"

qin anlan, i don't want to quarrel with you. "She was a little angry from embarrassment.

however, his heart softened. she missed her son. at least she still had some conscience. even she probably missed him a little!

However, the words that came out of her mouth weren't so pleasant to hear. She even had no moral integrity. why? you didn't have enough sex that night and still want to come again?"

KING entertainment's higher-ups couldn't take it anymore. there was no way they could hold this meeting.

Hence, they all looked at Kime. He coughed helplessly and said, "Let's end the meeting."

However, no one left. They all thought that President Qin's phone calls were more interesting than meetings.

hence, they didn't leave one by one and just listened.

when qin anlan hung up the phone and turned around, he saw a couple of people perking their ears to listen.

he paused and looked at them, "is king entertainment doing well?" you still have time for gossip?"

after saying that, the person who had too many expectations for his subordinates picked up his coat and went to date..

Chapter 1456: lean on my shoulder (3)

After they left, the entire place was silent.

Someone said, " "President Qin, you're giving your warm face to the cold. I fear did you get shares?"

The atmosphere became lively all of a sudden. it's probably possible, " Kie said. otherwise, boss Qin wouldn't be so enthusiastic about it.

After that, he laughed again.

however, kie was a little worried. after all these years, he wasn't worried about ye liangqiu's feelings for president qin at all. however, the su family was between them.

Would President ye give up President Qin for Asia Vision?

It's hard to say.

qin anlan returned to the apartment and called ye liangqiu. " "We've brought our son back. Come here." His voice was a little cold, and even had the taste of forbidden Jade, making people not doubt him at all.

Ye Liangqiu didn't suspect anything. Her car was already parked downstairs.

When she went up, she remembered that she still had her keys and lowered her head. In the end, she didn't open the door and chose to press the doorbell instead.

the door opened, and qin anlan was standing at the door with a blank expression.

"where's mu yun?" she asked softly as she looked inside.

"Mu Yun is at my mother's place," he said, his voice even fainter.

"Qin Anlan, you're shameless!" She glared at him, a little angry.

"how am i shameless?" His gaze turned even colder. you can throw me away if you want to, and you can meet me if you want to. Ye Liangqiu, is that what you think? "

She stomped on his foot angrily, but he dodged her easily. I haven't changed this habit.

As he spoke, he pressed her down and dragged her into the house.

Before she could say anything, she was kissed.

She was so angry that she wanted to slap him, but she was easily caught. With her hands behind her back, he gently pressed her down and straightened her body, as if she was going to be sent into his mouth.

she was embarrassed and angry. after the kiss, she wiped her lips and glared at him. “shameless.”

“You didn’t miss me? if you didn’t miss me, why did you come to find me?” he still held her in his arms and did not let her move.

she wanted to deny it, but his lips were on the back of her ear, the most sensitive part of her body.

She murmured, are you unhappy? do you know that you’re like this when you’re unhappy? you’ll want someone to hug you!”

Her body trembled, and then she turned her face away in embarrassment. I didn’t.

“You know very well whether or not you have.” he chuckled, grabbed her hand, and walked in. ” sit on the sofa and rest. i’ll go cook. ‘

He took off his coat and walked into the kitchen.

“I will leave.” She sat there, but did not have any intention of leaving immediately.

Qin Anlan stood at the kitchen door and smiled. if you want to make love, ran ran might not be able to do it for the time being. She just did it a few days ago. Liangqiu, don’t forget that you’re pregnant. You have to control yourself! She simply couldn’t bear to listen anymore, and her face turned red.”i’m not.”

“It’s good that you didn’t!” He continued to smile. you’re back, so you should relax. You don’t know who you looked like just now. You looked like someone who owed you three million.

she couldn’t help but touch her face. did i?

“I’m confessing.” he smiled, but when he turned around, he restrained his expression.

liangqiu, perhaps you don’t know this, but i let you go back to the su family because it’s a relatively safe place for you. if you stay by my side, i’ll feel like my hands and feet are tied.

Ye Liangqiu was startled, but he laughed again. you’re very silly! Chairman ye, it’s really hard for me to imagine that su Shicheng is prepared to hand over the company to an idiot like you..”

Chapter 1457: Lean on my shoulder (1)

she glared at him angrily.

however, she could only sit there and watch him walk into the kitchen. his movements were particularly agile.

“if you’re bored, you can watch some tv.” he said indifferently.

ye liangqiu looked at him. his expression was very calm, as if the rift between them had never existed.

“why?” she asked softly.

He lowered his head and cut the vegetables as he said in a low voice, ” “Didn’t you come back because you were unhappy there?”

She didn’t make a sound and just sat there quietly. Then, she hugged her body and looked out the window.

how good would it be if nothing happened?

If only she was just Wang Caiyun’s child, how good would that be?

Everything in the SU family, the power and wealth of Asia Vision, were not attractive to her at all, but she was already involved and could not get out of it.

the rhythmic sound of chopping vegetables came from the kitchen.

His side profile was calm and unruffled. It was like a tranquilizer, and her heart also calmed down a lot. she walked slowly to the kitchen door and leaned against it. ” qin anlan, why are you so unmoved? ”

“you want me to kneel down and beg you not to leave? Hmm?” he continued to cut the vegetables. even though he was doing domestic affairs, he was still elegant and good-looking.

Ye Liangqiu was stumped and didn’t speak for a long time.

After a long time, he smiled. if you can’t stop me, then I won’t.

Her eyes were a little hot, and she wanted to cry. He really understood her.

“there’s oil and smoke in the kitchen, which is not good for the child. Go outside and wait.” He turned to the side and looked at her indifferently. He looked like a gentleman, completely different from that day in the hotel.

She was a little confused.

it was seven o ‘clock at night.

The penthouse apartment had floor-to-ceiling windows and a luxurious dining table. There were four dishes and a soup on the table. They were light and nutritious-suitable for pregnant women.

eat more. I’m afraid you’ll have difficulty digesting when you eat at the SU family’s house. As he gently placed food on her plate, his words were sharp and unkind.

Ye Liangqiu looked at him indifferently and began to eat.

In the early stages of her pregnancy, she did not have a good appetite. After a few bites, she covered her mouth and ran to the bathroom.

qin anlan was stunned for a moment, but he immediately put down his chopsticks and followed.

She lay there and vomited until the sky turned dark. She almost vomited her bile and her face turned green.

He handed her a tissue to wipe her mouth clean. Later, seeing that she was weak, he picked her up and wiped her lips clean.

he carefully wiped her face. although hanhan was in a difficult situation and they were in such a situation, his heart was still soft.

“Was it like this when you were pregnant with Muyun?” His voice was unbelievably gentle as he looked down at her slightly pale face.

ye liangqiu tried her best to act indifferent, but the redness on her ears betrayed her.

“It’s much more serious than this,” he said after a long time.

He remembered that she had only left the entertainment industry when she was four months pregnant. How did she survive those days?

he gently rubbed her red ears with his fingers and felt a little sad .

liangqiu, do you still want to pretend to be heartless?

In the end, she still couldn’t eat, so he made her a cup of pear juice with rock sugar.

as he drank the sweet soup, his stomach seemed to have been soothed. Qin Anlan only ate a little hastily before he cleared the dishes and left.

she walked to the living room and sat in front of the floor-to-ceiling window. the light was not on in that area, so the light was dim.

she turned her face to the side and looked at qin anlan.. ” you still love me, don’t you? “

Chapter 1458: lean on my shoulder (2)

“No.” He smiled and said, ” I’m entertaining the mother of my child. I’m afraid your negative emotions will affect her.

She lay on the back of the sofa and rubbed her face gently like a cat.

It had Qin Anlan’s scent on it, and she missed it.

He stood there and watched her merge into his house, just like the first time she came here.

She looked at the night sky outside and finally said, ” “qin anlan. su shicheng has driven her crazy.”

qin anlan’s body tensed up in an instant. his voice was a little hoarse. ” are you still going back? ”

“I can’t not go back.” She nodded and then shook her head.

He didn't ask her why. He just walked to the bar and poured himself a glass of wine. After drinking a small glass, he remembered something. I won't stop you! However, Liangqiu, don't show me any mercy, because I won't." he looked at her and said, " "Don't let su Shicheng down, Yingluo." Because he wanted her to be well.

Since she's by su Shicheng's side, she must have gained his trust, Yingluo.

ye liangqiu was stunned. she looked at him, not daring to believe what she had just heard.

"liangqiu, come back safe and sound." his eyes were bright in the dark night. ' because i'm waiting for you here. "

They would be enemies, but they would still be the closest people.

She looked at him in a daze.

qin anlan returned her smile and put down the cup in his hand. he slowly walked over and gently hugged her on his shoulder.

He pressed his face against the side of her neck. our Liangqiu has always been brave! Don't look back. Don't worry about me, Yingluo, and protect yourself." it was as if her throat was blocked, and she couldn't say a word.

Surrounded by his warm breath, it was so warm that she didn't want to leave. She didn't want to leave him.

"An LAN." She gently pulled away from his embrace. I have to go. otherwise, su shicheng will be suspicious."

For a long time, he did not say anything. She slowly looked up and stared at him in a daze.

Qin Anlan's fingers gently caressed her lips. After a long time, he said in a hoarse voice, " "Let's go," he said.

However, she did not move. She just looked up at him helplessly.

suddenly, his lips replaced his hand and gently sucked her lips. he murmured, " if you don't leave, i might not let you go.

she wanted to struggle, but her fingers were locked by him. he kissed her gently for a long time before he finally let go.

"are you feeling better? do you have more courage?" He hugged her gently. Liangqiu, it's not your fault. It was caused by human greed.

She was so stupid that she would definitely think that it was her fault.

She trembled slightly in his arms. After a long time, she asked in a trembling voice, " is it true? "

"right!" He patted her back. you've never hurt her, have you? "

However, she had seen her mother go to that place with her own eyes, and there was nothing she could do.

She didn't love Mrs. Su, but she was still her mother, Yingluo.

"an lan, will i become someone like su shicheng one day?" she closed her eyes.
" i don't want to do that. "

He cupped her face and looked at her seriously. I won't. Qingqing has me because of you.

So, you will never become that kind of person. How can someone who has love in his heart become so terrifying?

she looked up at him and slowly backed away, her voice calm. " i'll go back first.

he walked her downstairs, opened the door for her, and watched her start the car. the car drove away slowly, and he stood in the night wind for a full half an hour.

Because he was worried, because he missed her..

Chapter 1459: Where did you go?(1)

ye liangqiu returned to the su family mansion and saw su Cheng sitting on the sofa, looking at her.

She pretended not to see him and walked upstairs.

"we're living under the same roof, so you don't even need to say hello?" su

Cheng smirked. " by the way, dad asked where you went just now. i said you went to the hospital and haven't come back yet. " ye liangqiu pursed her lips.

Su Cheng stood up and walked over to her. She squinted at her and chuckled. " i suggest that the next time you see qin anlan, be more discreet. after all, our dear father is very suspicious. "

Seeing ye Liangqiu's indifferent expression, su Cheng narrowed her eyes. "do you know how your mother went crazy?"

Ye Liangqiu's eyes were fixed on her.

"she was raped! He was raped in front of su Shicheng!" Su Cheng's eyes were fierce, and her voice was hoarse. you're a good husband, aren't you? " As she said this, she began to laugh in a strange way.

"ye liangqiu, i bet you didn't expect that the home you've been longing for would be a place where monsters gather." Su Cheng leaned closer to her. I know that she doesn't eat anything in the mental hospital all day long, so I just shouted,'don't come over, don't come over and take a walk'.

as su Cheng spoke, her smile became even more unrestrained. " take a guess. if you dare to betray him, what will he do to you? Would they also find someone to rape you and drive you crazy?

Ye Liangqiu grabbed su Cheng and pressed her against the stairs.

Su Cheng was much shorter than her, but she could not resist.

“do you think that this kind of thing can destroy me?” ye liangqiu’s eyes were cold. ” he’s scary, but you’re no better. ” She is the one who raised you, and you are so cold-blooded. He’s not fit to be a human.” as she spoke, she threw su Cheng down.

su Cheng coughed violently and looked at ye liangqiu, who was slowly walking up the stairs. her voice was flustered and exasperated.”If you don’t join forces with me, then you can just wait for death!” ye liangqiu left xuanji without looking back.

However, she did not return to her bedroom. Instead, she went to the study. Su Cheng was crazy, but her words were true.

It was as if she was living right under su Shicheng’s nose and could not hide anything from him.

Sometimes, it was better to be honest than to hide.

when she opened the door, she saw su shicheng sitting behind his desk, smoking. when he saw her, he immediately put out the cigarette and turned around to open the window.

after a long while, she went straight in and sat on the sofa.

“Dad, I want to see her.” su shicheng looked at her and changed the subject, “Where did you go at night?”

ye liangqiu pursed her lips. ” i missed mu yun a little, so i went to look for qin anlan. ”

“did you see it?” su shicheng was quite persistent.

Ye Liangqiu shook her head. Qin Anlan didn’t bring him back.

Su Shicheng nodded and leaned back. so you spent two hours with Qin Anlan? ” what did he say?”

His tone was very easy-going, but to her, it was like a mountain pressing down on her.

she replied without hesitation, ” he didn’t say anything. we had a meal together and he wanted me to return to his side. ‘

“oh?” su shicheng was quite amiable. ” if you like it, then continue being together! ”

Ye Liangqiu shook his head. his request is for me to leave the SU family! Su Shicheng smiled. I don’t even care. What else does he have to care about? ”

After thinking for a while, he suddenly sighed. then it must be because Hongke cares. That’s right, how could she agree to my daughter’s marriage to the Qin family? she would definitely want you to cut off all ties with me.

he spoke calmly, but ye liangqiu’s hands were covered in cold sweat..

Chapter 1460: where did you go?(2)

she looked at su shicheng for a long time before saying, "dad, i don't know how to." su shicheng's gaze fell on her face, and after a long time, he smiled. "i know you won't."

"you're su shicheng's daughter, so you naturally won't bow down to anyone," she continued after a pause.

"i know," ye liangqiu said, lowering her eyes.

she raised her eyes again and looked at su shicheng. "i want to see my mother.

su shicheng's fingers trembled on his desk. he looked at ye liangqiu and hoarsely said, "why? She's not good to you!"

"but in the end, she's still my mother." Ye Liangqiu didn't avoid his eyes. no matter what, I have to see her and know that Yingluo is still alive.

"do you blame me?" su shicheng held a cigarette between his fingers, but he did not light it, only gently played with it.

ye liangqiu did not say anything.

"are you blaming me for being too cruel?" Su Shicheng's voice was deep and slow. because your mother touched my bottom line, Yingluo.

she walked forward and looked down at him. "but you shouldn't have done it that way." su shicheng's fingers trembled again, and his eyes immediately turned sharp. he narrowed his eyes at her and asked, "who told you that?"

She did not make a sound.

su shicheng's gaze grew distant as he spat out two words, "Su Cheng?"

Ye Liangqiu did not deny it.

"I've underestimated her," Su Shicheng looked at her. Liangqiu, from now on, not only do you have to work with King Entertainment, but you also have to ruin su Cheng.

why?" she asked calmly.

"because she shouldn't have appeared in this house in the first place!" Su

Shicheng's voice did not have a trace of warmth, "Because she will block your path." when she went out, her legs were a little soft.

Su Cheng leaned against the door of her room and looked at her.

when she got closer, su Cheng looked at her. "he wants you to deal with me, right?"

Ye Liangqiu laughed coldly. you two really know each other well.

she then walked into her bedroom.

After taking a bath, she lay down, but she could not fall asleep.

she took out her phone and looked at mu yun's photo. she flipped through it and found qin anlan's photo.

His fingers paused and gently stroked it .

that photo was taken many years ago when she was still his sleeping pill and pillow.

That morning, he had hugged her from behind and taken the photo. They were both only wearing bathrobes.

After so many years, the photo frame was still there. He had always placed it on the bed.

this also made him say to mu yun shamelessly, " look, you are the fruit of father and mother's love. ' ye liangqiu smiled faintly, her fingers gently stroking the kasaya.

The next morning, after breakfast, su Shicheng rapped on the table and said in a soft voice, " if you want to see it, then go.

she looked up in surprise, but su shicheng had already left.

su Cheng and ye liangqiu were the only two left in the dining room.

it seems like he really has fatherly love for you, " su Cheng sneered. he actually allowed you to visit him. ye liangqiu looked at su Cheng and drank the last glass of milk. " "You should worry about yourself!" now, she felt a little sympathy for su cheng.

she remembered the first time she met su Cheng. she was like a little princess, living a carefree life. she ran down from upstairs and called out to brother an Ian ...

Su Cheng's expression changed slightly, and her voice became gloomier. don't look at me with pity! "i don't deserve your sympathy," she said through gritted teeth.

Ye Liangqiu looked at her.. is that so? "
