

## Thank you 1481

Chapter 1481: Father and daughter turning against each other (1)

Ye Liangqiu looked at him and saw the murderous intent in his eyes. She paused and said, "I want Su Cheng to go back with me."

Su Shicheng looked at her. "Are you going to oppose me for her?"

He raised his hand, and four Men in Black appeared behind him. They were all holding a gun and pointing it at Su Cheng.

Ye Liangqiu's speed was unprecedented. She blocked Su Cheng's path and fearlessly looked at Su Shicheng. "Dad, if you want to kill Su Cheng, you have to kill me first."

The veins on Su Shicheng's forehead bulged as he glared at her, gritting his teeth as he enunciated each word, "Liangqiu, do you know what you're saying? You want to save her, but think about who you're trying to save!"

She almost killed Qin Anlan and your father. Su Shicheng's voice was cold. "Are you sure you want to fall out with me over her?"

Ye Liangqiu pursed her lips. "But she's no match for father, is she?"

The determination in her eyes somewhat shocked Su Shicheng.

This daughter of his was very similar to him, and no one could stop her from doing anything she wanted.

In the end, he took a step back. "But I won't let her return to the Su family."

He was not worried about his own safety, but because with Su Cheng around, Cold Autumn Kasaya would not listen to him.

Su Shicheng calmly replied, "I can let her go, but if she appears in front of me again, I won't let her off."

Ye Liangqiu turned around and looked at Su Cheng. She took a step forward and said in a low voice, "To find Qin Anlan."

Only an LAN could protect her now.

However, Su Cheng was not willing to leave. What would happen to Cold Autumn if she left?

If she followed her back to the Su family, she would be able to protect her from the Su family. Without her, Liangqiu would not be able to fight against the Su family, especially since she was pregnant.

"Let's go!" Ye Liangqiu growled and pushed Su Cheng away.

She stuffed her car keys into her hands and said, "Drive, don't stop! I believe you can leave this place alive."

Su Cheng could tell from her eyes that if she stayed, she would still die. If she left, she would still have a way out.

With the car keys in her hand, her eyes were a little hot.

She still loved sister cold autumn, and she still liked her. But from now on, her feelings for her had changed.

she wanted sister liangqiu to be happy. if she was truly happy, she would do anything.

For Lin Xingyuan, for ye Xiao, for everything she had done, she was willing to go to jail.

With tears in her eyes, su Cheng told sister cold autumn that she would be back.

Su Cheng was only wearing her pajamas. She slowly walked past ye Liangqiu.

she started the car when she was downstairs and got out of the car.

the car's brake wire has been cut

Su Cheng sneered and quickly connected it. It was barely usable.

She quickly drove away and sped along the road.

The night wind blew across her face. She cried, for herself, for sister cold autumn.

her willfulness had caused all of this. she liked sister liangqiu. if she had known that this would be the end, she wouldn't have done this and ruined her sister-in-law.

Of course, su Cheng had been ambushed on the road, but her driving skills were so good that she had shaken them off.

An hour later, the car stopped outside Qin Anlan's apartment. The front of the car had been smashed to pieces.

when qin anlan opened the door, su cheng's body slowly fell to the ground.

before she fainted, she subconsciously said a few words, " save sister liangqiu, yingluo. "

qin anlan frowned. he carried su Cheng to the sofa in the living room and pressed on her chest a few times.

probably because of the support of her will, su Cheng was resurrected with full health.

she slowly sat up and panted. " su shicheng has gone crazy. sister liangqiu is in danger.. "

Chapter 1482: Father and daughter turning against each other (2)

qin anlan looked at su Cheng expressionlessly. " he went crazy because of you. "

In the past, su Shicheng had been a hypocrite, but now he was a madman. It was su Cheng who had activated his attributes.

‘ brother an lan! ” su Cheng grabbed his arm. ” brother an lan, please save sister liangqiu, okay? ”

“her life won’t be in danger for the time being! if i go now, there will be one.” qin anlan spoke slowly. only he knew that his heart was not as calm as he thought.

he took out his phone and dialed KIME’s number. ” gather your men and wait for my instructions near the su family’s house. ‘

Kime agreed and went to do it.

qin anlan put down the phone but did not leave immediately. instead, he paced back and forth in the living room for two minutes before his gaze fell on su cheng’s face. ” you’ve been by su shicheng’s side all these years. did you not get any evidence? ‘

Su Cheng pursed her lips and only spoke after a while. I’m not interested in the business world.

“You’re only interested in killing people, aren’t you?” Qin Anlan suppressed his anger.

Su Cheng raised her little paws and said weakly, ” no, I’m only interested in sister cold autumn.

qin anlan couldn’t help but roll his eyes. she had the nerve to say that. “However, I have a video in my hands.” su Cheng suddenly said.

Qin Anlan looked at her.

it’s a video of me having sex with su Shicheng. I think if it’s released, it’ll be a huge blow to Asia TV. su cheng’s face was pale and she held onto the sofa.

qin anlan looked at her and asked, ‘are you sure? Once it’s leaked out, you probably won’t be able to stay in B city in the future. Even the whole world will know you. ” su cheng’s lips trembled. ” i don’t care! I’m not a woman to begin with.” she shrugged her shoulders. ” i like women. doing this kind of thing with men is like a kiss. ‘

She could not continue.

Qin Anlan walked over slowly and reached out to stroke her head.

Su Cheng looked up at him in shock.

She didn’t expect that after all the bad things she had done, there was still someone who was willing to give her such warmth.

“brother an lan.” bean-sized tears gushed out of her eyes. ” am i bad? ”

MMH, ” Qin Anlan replied and wiped her tears away. He lowered his head and said, ” although I really want to bring him down, Chengcheng, I won’t resort to such means. You’re a girl and you’ll have to get married in the future.

Get married?

su Cheng repeated those two words, and then she started crying.

“Can I still get married?” she asked qin anlan in a choked voice.

she didn’t like men, but at this moment, she yearned for an ordinary family.

she gave birth to a child. she might not love that man very much, but she loved her child very, very much. just like how he loved Xiao mu yun.

that kind of life must be wonderful.

“Of course,” Qin Anlan replied with a smile.

su Cheng threw herself into his arms and sobbed. ” “Brother an LAN, I’m sorry!

I’m sorry, I’m sorry, sister cold autumn, YInglL10!” qin anlan’s voice was low and hoarse. ” even without you, this day would have come. ”

Behind the scenes, it had always been su Shicheng’s control, and su Cheng’s every move was probably under his watch.

although she was ruthless, she was still too inexperienced compared to su shicheng.

Su Cheng looked up. will sister cold autumn be alright? ”

“I won’t!” Qin Anlan’s tone was resolute and decisive. su Shicheng needs an heir.

Liangqiu was his only child. He would not do anything to her..

Chapter 1483: Father and daughter turning against each other (3)

At this moment, ye Liangqiu and su Shicheng were standing together in the apartment where she had lived for many years. Due to the passage of time, the apartment had a faint rotten smell.

Su Shicheng frowned. you’ve suffered in the past.

Ye Liangqiu’s voice did not change. dad, you knew I was here, didn’t you? ”

“I found out much later than su Cheng.” Su Shicheng did not deny it.

ye liangqiu slowly walked out. through the long and worn corridor, he looked out at the night through the gray window.

dad, do you think su Cheng is still alive? ” She turned to look at him and smiled.

Su Shicheng’s heart was filled with mixed feelingshis daughter’s mental fortitude was just like his. at this moment, she was actually able to get along with him as if they were chatting.

She should understand her situation. If she wasn’t a chess piece, she was a fish on the chopping block.

Su Shicheng stood beside her and said in a cold voice, "Liangqiu, I want to tell you that my frozen purple essence is in the hospital's freezer. You can use it to replace me at any time. I Give birth to an outstanding heir."

Ye Liangqiu lowered her eyes. is this a showdown? "

She looked at him. daddy, you said you love me, but all this guilt you're feeling towards me is fake, right? have you ever believed your own words?"

she suddenly chuckled. "do you know why su Cheng grew up to have such a personality? That's because you, Zhenzhen, have done so many vicious things to you. Su Cheng has watched you grow up." su shicheng slapped her in the face.

"you're not allowed to resist me like this." su shicheng's voice was filled with anger, "you have no right to say that! "

After he lost her, he had never thought of having another child. Even though his wife had always wanted to, he still felt that his susu was the best.

he had waited for so many years, and what he had waited for was betrayal and her complete devotion to another man.

you're only going back to the SU family for Qin Anlan, right? " su shicheng's voice was cold. "then i'll show you how i'll take KING entertainment away from you. at that time, i'll be a man who's like a stray dog. will you still care for him?

power. i think any smart person would know which one to choose over a man like that. " His palm caressed her long hair. Liangqiu, at that time, I gave Qin Anlan to you to be your dog.

As su Shicheng spoke, he raised his hand. bring miss back.

ye liangqiu was taken away, but she did not resist.

This was because su Shicheng had gone mad.

after returning to the su family's house, she found that the servants upstairs and downstairs had all been withdrawn and replaced by a new batch.

However, those people had straight figures. Even if they were wearing servant's clothes, one could tell that they were extraordinary and had practiced martial arts. In other words, she was under house arrest.

"from now on, you should reflect on yourself." su shicheng stood at the door. 'as for the company, " he said, "you don't need to go for the time being. '

His gaze was slightly cold as he lowered his eyes. perhaps you don't think I'm a good father, but Liangqiu, I've given you the last bit of warmth in my heart.

Then, he closed the door and took her phone.

he had seen a lot of interesting content on her phone.

his daughter's heart had never been with the su family.

It was within his expectations.

There was no way to continue this move, but he could make use of her and negotiate with Qin Anlan.

he picked up his phone and dialed qin anlan's number. after a while, the call finally picked up.

an LAN, is su Cheng alright at your place? ” su shicheng's tone was indifferent..

Chapter 1484: father and daughter turning against each other (4)

Early in the morning, ye Liangqiu was lying in bed when she heard su Shicheng's voice from outside. is the young miss still not up? ‘

The maidservant standing guard outside the door said respectfully, ” “Yes.”

after a short while, the door opened and su shicheng walked in, closing the door behind him. when he saw that ye liangqiu was still lying on the bed, a hint of disappointment appeared in his eyes. he slowly said, ” it's not my style to let su Cheng go. liangqiu, don't let me down again.

ye liangqiu turned his face to the side.

Perhaps it was her rare childishness that made su Shicheng's heart warm, so he sighed and sat down, his fingers gently stroking her long hair, “You'll know in the future that feelings are the most unreliable thing.”

She looked up at him. So You Think power is reliable, don't you? ‘

Su Shicheng did not say anything. After a long while, he smiled faintly and said, ” but power can guarantee that you'll live a little happier.

she got up and knelt in front of him, looking straight into his eyes. ” “Are you happy? Do you truly pursue power in your heart, or do you want to prove to someone that you have supreme power?” su shicheng felt embarrassed, as if he had been seen through. he narrowed his eyes. ” su Cheng told you? ”

“that's not important.” ye liangqiu sneered. ” dad, so what if you have the world? your hands are covered in blood, but that person won't even look at you.

yingluo will only hate you! ‘

Su Shicheng's eyes were bloodshot as he stared at his daughter. After a long time, he finally said in a low voice, ”Liangqiu, right? what you think will not appear, but what i want will eventually be obtained.” she was too young. did she think that love was beautiful?

she had forgotten how humble she had been in front of qin anlan in the past. his daughter had been treated like a toy by qin anlan. he could not forget how he had seen hong ke holding qin pei's hand in front of him when they were young.

Love, is it?

He wanted to let Hong Ke see how ugly the love in this world was and how it could not stand the erosion of time.

only his love for her was eternal.

Ye Liangqiu looked at his crazed face and pursed her lips, not saying anything.

He was already speechless.

su shicheng got up and said, "get up and eat something!" you can walk around freely in this house, but you must not take a single step out of the door. otherwise, yingluo, i can't guarantee your safety, but i can't guarantee the safety of the child in your stomach."

Ye Liangqiu looked down. dad, you said you love me, but I'm just like su Cheng. I'm just a chess piece! I'm just a chess piece that's more advantageous for you to keep Qin Anlan in check."

Su Shicheng sneered, " you saw it very clearly!

"However, it's better not to be too smart." with that, he walked out and closed the door.

ye liangqiu listened to the noise and knew that he had come downstairs. she was only willing to go out after he had finished his breakfast.

It was still the same house, but it was much gloomier.

At this moment, she did not miss an LAN, but su Cheng.

In this house, su Cheng was the laughing stock. She didn't find it funny before, but now she missed it.

she looked around the villa and hit countless walls. the housekeeper followed her expressionlessly, not letting her have any chance of being alone.

she couldn't escape at all.

moreover, she knew that su shicheng would definitely use her to target qin anlan.

She had to escape.

Suddenly, she thought of su Cheng and said to the zombie housekeeper, 1 want to lie down for a while. You stay outside.."

Chapter 1485: that's right, i'm just toying with you (1)

the housekeeper didn't make things difficult for her and went out to stand guard outside.

Her duty was to keep an eye on the person and not let him walk out of the house.

a pregnant woman would not be able to walk out under the watchful eyes of more than ten people.

She wasn't very familiar with the layout of the SU family's house, and she didn't know that ye Liangqiu had actually entered su Cheng's room.

The door closed and ye Liangqiu searched su Cheng's room. She found many good things.

a car key, a satellite phone, and a small gun with BB bullets inside.

however, it was enough.

she clenched the thing in her hand and sent a message using the satellite phone.

after that, she nervously held her breath and waited until she beeped and got a response.

She slowly let out a breath and quickly replied.

on the other hand, qin anlan put down his phone and looked at su Cheng. ‘ liang qiu is under house arrest. ‘

He showed the message to su Cheng. Su Cheng looked at it and clenched her hands. if she wasn’t pregnant, I would have been able to take her away. But she’s pregnant.

qin anlan clenched his fists. ” i want her and the child to be well. ‘

Su Cheng nodded. I’ll bring her back.

Qin Anlan wanted to see su Shicheng to calm him down and leave the rest to su Cheng.

Su Cheng was the person he trusted the most about Liang Qiu, because she loved her.

su Cheng reached out her hand. ” take out the best car in your garage for a spin.

qin anlan thought about it for a moment. in the end, he went to the drawer and took out a bunch of car keys. ” it’s bulletproof. ‘

su Cheng took it. ” you think this is a hollywood blockbuster? But this is really useful!”

Qin Anlan looked at her with a deep gaze. Chengcheng, you have to come back alive.

He would also send people to protect them, but most importantly, he would have to rely on su Cheng. He was not at ease with others.

su cheng’s eyes were a little hot and she pursed her lips. after a long time, she said, ” of course, bad people live for a thousand years! ”

she patted qin anlan’s shoulder. ” i’ll come back in one piece and continue to fight with you for sister liangqiu! ” qin anlan smiled and patted her back.

He raised his hand and looked at his watch. 10:30. I’ll wait for your call.

Su Cheng nodded and walked out first.

qin anlan called KIME and arranged for someone to pick him up.

Today, su Shicheng had asked him out for a chat, and he had clearly been using cool autumn to threaten him.

Although he had arranged everything, he still felt uneasy. He stood in front of the floor-to-ceiling window, smoked a cigarette, and looked at the entire B city.

he could only calm down-little in the smoke ...

Su Shicheng had lost his mind. Even though Liang Qiu was his daughter, there was no guarantee that he would not hurt her.

he just stood there, his heart burning, but he did his best to make himself appear calm.

At nine o'clock sharp, Kie walked in and said in a deep voice, "boss Qin, it's almost time.

Qin Anlan turned around slowly. His face was cold as he nodded. "Let's go."

Half an hour later, the car stopped at the foot of the building.

Kie stopped the car and nodded at Qin Anlan. "It's all arranged!"

"Su Shicheng won't dare to do anything to me in the open," Qin Anlan buttoned up his coat and got out of the car. Kie followed beside him with a few other attendants.

Su Shicheng met him in a small private meeting room. When he saw the person behind Qin Anlan, he smiled faintly. "Anlan, do you need such a big party to meet your uncle?" Isn't that a little too unreasonable?"

Chapter 1486: That's right, I'm just toying with you (2)

Qin Anlan sat down and smiled faintly. It hasn't been peaceful recently. It's better to take care of yourself.

Su Shicheng chuckled, "Where's Chengcheng? Why don't I see her?"

"She did something wrong, so she doesn't dare to go home!" Qin Anlan looked at him. "Just stay at my place for a few days."

Su Shicheng's gaze was a little deep as he looked at Qin Anlan for a long time. "The child is insensible. Anlan, please be more forgiving."

"Of course." Qin Anlan also smiled faintly.

The two of them talked for a long time before getting to the main point.

Why didn't CEO Ye come to the project that he was in charge of?" Qin Anlan asked casually.

Su Shicheng picked up the cup of tea on the table and took a sip. His voice was calm as he said, "Liang Qiu isn't doing very well in handling the projects at Asia Television and KING Entertainment. Besides, she's not in good health and won't be working for the time being." He hinted at the fact that Liang Qiu was under house arrest.

Qin Anlan's fingers clenched tightly, but his expression remained unchanged. "Then I should go and visit her. After all, she's pregnant with my child. It'll be unreasonable if I don't go."

Su Shicheng's fingers slowly rubbed the edge of his cup as he smiled. She still needs to rest for now. We'll see how it goes in the future.

He raised his hand and gestured for Linda to place the document in front of Qin Anlan. "Liang Qiu gave this to me. She said that it was the content that she had discussed with you, President Qin. If there are no problems, you can sign it." Qin Anlan's gaze fell on his face, and he could vaguely see the threat in his eyes.

he lowered his head to read the contents of the documents and looked at his watch. it was 10:10.

He read very slowly. When he saw the last item, his eyes stopped in a daze.

75%?

su shicheng truly had a huge appetite.

Whoever signed such a contract would be a fool!

Qin Anlan put it down, but before he could speak, su Shicheng spoke again.

“Liangqiu is my only successor, so I plan to give her the 20% of the shares her mother has,” su Shicheng said indifferently.

Qin Anlan did not say anything.

“An LAN, I know you like Liangqiu! how about this, if you want to marry her, you’ll get 20% of KING entertainment’s shares, the same as the shares of asia tv. this way, it’ll be fair.” Su Shicheng spoke very indifferently, as if he was buying cabbage in the market.

Kime clenched his fist.

‘this old thing is too f \* cking despicable.’ he could sign it. he still held 30% of asia vision and had absolute control.

as for KING entertainment, president qin had already transferred 10% of the shares to him. if he transferred another 20%, ye liangqiu would be on par with president qin. at that time, su shicheng would take control of ye liangqiu and KING entertainment would be in his hands in no time.

This was a shameless and good plan!

this old face, how could he say it out?

In contrast to the anger on Kim E’s face, Qin Anlan’s expression was much calmer. He smiled. if marriage involves benefits, it doesn’t seem very sincere!

“If an LAN thinks like this, then she’s a little too unreasonable.” Su Shicheng’s fingers gently clasped the cup in his hand. I know that this child is very important to you and mu Yun, so my request is not too much.

He paused. we’ll talk about the marriage later. I think it’s better to sign the contract today.

kie looked at qin anlan and thought, ‘is this shameless old man going to use the child to threaten president qin?’

If he signed the contract, not only would King Entertainment lose a few billion Yuan, but they would also become a laughing stock in the industry. The shareholders would also lose confidence in President Qin. What was more terrifying was that if the shareholders heard the news, the stock market would drop to its limit. The consequences would be unimaginable..

Chapter 1487: That’s right, I’m just toying with you (3)

by then, it would be much easier for su shicheng to deal with KING entertainment.

“An LAN! if you put your hopes on mr dean, i advise you to give up.” su shicheng made things clear. ” mr. du is now trying to protect himself. the winner among us is his partner. ”

Qin Anlan’s gaze fell on the document and he smiled gently. is family really that worthless to you?  
”

“she got what i wanted, and she’s still my daughter.” su shicheng was only betting on qin anlan’s reluctance.

Whoever cared more would be the losing side.

Qin Anlan pursed his lips. The watch on his hand indicated that it was already 10:30.

However, his phone did not ring.

had su Cheng failed?

he closed his eyes and clenched his fists. after a long time, he said indifferently, ” “alright, i’ll sign it.”

KIME was shocked and cried out, ” “president qin?

qin anlan stopped him. ” i’ve already decided. ‘

nothing was more important than liang qiu’s life. you could only try to calm her down when she was a lunatic.

at that moment, su shicheng seemed ecstatic, but he was even more surprised.

This was because he had always placed his interests at the highest point. He had never thought that for Qin Anlan, feelings would be more important than power. Furthermore, he had compromised so easily.

Qin Anlan glanced at him and took the pen that Kime handed over with tears in his eyes. He then looked at su Shicheng and lowered his head to sign.

the words on the paper were strong and powerful, almost tearing the paper.

Just as he finished the last stroke, his phone rang.

qin anlan felt as if a heavy burden had been lifted off his shoulders. he held the contract and tore it into two ...

Su Shicheng, who had been ecstatic, thinking that King Entertainment would be within his reach in the future, was suddenly dumbfounded. CEO Qin, are you toying with me? ”

Kie took it and tore it into pieces. He almost threw it in the shameless old man's face. yes, I'm just playing with you! he snorted.

Su Shicheng's face instantly turned ugly, but he suddenly chuckled, an LAN, it seems that you're still the same kind of person as I am.

I didn't want to do anything to my own daughter, but now, it's all up to her. his voice was cold. "you probably don't know this, but liang qiu looks like mr. du's late wife. it seems that i can only cooperate with mr. du. it's a pity for that child! "

As soon as he finished speaking, Kime couldn't hold it in anymore. This shameless old man. a mouthful of tea was directly poured onto su shicheng's face.

At that moment, both sides pulled out their guns and pointed them at each other's people.

Su Shicheng gently removed the tea leaves from his face and said in a cold voice, " an Ian, you're getting worse and worse at disciplining your subordinates. "

"No need." qin anlan's voice was very calm. he had already stood up. " president su, take care of yourself! " i'm done.

watching him leave without any hesitation, su shicheng almost angrily said, "aren't you afraid that i'll do something to her? Maybe her child is gone, or maybe she's a coward at night."

"I won't," qin anlan interrupted him. " i will protect my own woman.

su shicheng was just about to say something when his phone rang. he picked it up and then threw it away.

'damn it, there are so many people here, yet cool autumn managed to escape..'

Chapter 1488: open fire (1)

on the other side, ye liangqiu was holding a small browning in her hand. she pointed it at the housekeeper's head and said, " take me out. "

the female butler raised her hands and looked around, trying to find a chance to escape.

however, the gun was pressed tightly against her head, and her body was pushed against the railing.

ye liangqiu looked down at her and sternly said, " "Get your men to stand in a row below." the female butler was unwilling and didn't move for a long time. then, she sneered, " you wouldn't dare to shoot! have you killed anyone before? do you know what it feels like to have blood on your face?"

Ye Liangqiu tilted her head and looked at the woman in front of her. The corners of her mouth lifted slightly. how do you know that I've never killed anyone? "

she took a step forward and grabbed the woman's neck with one hand. her expression was a little twisted. "i'm su shicheng's daughter. you know what he's capable of, right? do you think i've never killed anyone?" do you want to try, huh? " he asked.

a crack appeared on the housekeeper's flawless face, and she couldn't say anything for a long time. "make her all squat downstairs." Ye Liangqiu's voice was stern. otherwise, I'll blow your head off.

The female Butler glared at her, but in the end, she still did as she was told.

Ye Liangqiu's voice was low. go downstairs now. Don't play any tricks.

She grabbed the woman and went downstairs. She pointed the gun with BB bullets at her and walked down the stairs step by step. She walked to the parking lot outside and saw su Cheng's car. it was an orange lamborghini.

with one hand holding the gun, he opened the door and got into the car with the other. at the same time, he locked the stock of the gun on the housekeeper's waist. the woman pounced forward, but she was also a ruthless character. she immediately turned around and pulled the door open.

ye liangqiu quickly slammed the door and ran over-

The housekeeper cried out in pain. Her arm was almost broken from the collision, and she pulled it out with all her might.

She called for her subordinates to stop ye Liangqiu. Ye Liangqiu quickly started the car, took two steps back, and ran straight towards the housekeeper, knocking her to the ground. The car stopped and she pointed a gun at her. She shouted at the women who ran out of the villa,"Step back. put down your gun."

The women were a little hesitant. Then, someone said something and they all rushed over.

Ye Liangqiu raised her hand and fired at them, forcing them all to lie down! however, it was a BB bullet.

ye liangqiu threw the gun at the housekeeper, which hit her in the head and knocked her out.

However, the women chased after him like crazy and got into the car.

ye liangqiu and her car drove out of the villa one after the other. the female killers fired at her car. ye liangqiu's car was driving left and right, but it was still shot. the tire burst, and the car swerved sharply, almost turning over.

The car came to an emergency stop.

ye liangqiu sat in the car and looked in the rearview mirror at the women surrounding them from behind. each of them had a gun in their hands, and their faces were filled with killing intent.

She turned her face and looked at the other side of the intersection. A black supercar came speeding over, made a beautiful turn in the middle of the road, and then whizzed twice toward the women.

the bullets flew toward the car like a hornet's nest, but the car didn't dodge. it was so fast that it made them tremble.

the women quickly got into the car and drove away.

su cheng's car made another sharp turn and stopped beside ye liangqiu's car. ' get in! " she said..

## Chapter 1489: open fire (2)

ye liangqiu immediately jumped into the car. her movements were so fast that su Cheng frowned."Are you pregnant or not? are you still a woman?"

"what's the point of getting pregnant now?" Ye Liangqiu immediately closed the car door. The moment she sat down, the car shot out like an arrow.

su Cheng threw a gun at her. " open the sunroof and blow up the front of the first car. "

"You seem to be very experienced," ye Liangqiu said as she got into the taxi.

"Sit tight," su Cheng said with a sweet smile.

Su Cheng's skills were at the level of a racing car. After driving a few hundred meters forward, she suddenly backed up, and the cars behind her immediately turned around instinctively.

Ye Liangqiu almost vomited, but he still opened the skylight and fired a shot.

"is it accurate?" Su Cheng's hands quickly turned the steering wheel. There was a loud bang behind them as the two cars crashed into each other.

Ye Liangqiu sat down and smiled. it's alright!

Su Cheng looked at her from the rearview mirror and raised a finger. good job!

you'll feel a little dizzy after you sit properly, but you won't crash into other cars."

The car moved forward quickly, and the few cars behind immediately lined up and chased after them, maintaining a distance of 100 meters.

"you're still haunting me." Su Cheng laughed coldly and pressed a button on the side.

the trunk of the sports car was lifted, and two black gun barrels stuck out.

Ye Liangqiu looked at su Cheng.

Su Cheng explained, " this car comes with its own equipment. Cool, right? " she sneered as she watched the cars disperse from the rearview mirror. this kind of bullet had a self-directing function, so it was impossible to escape.

Su Cheng gently pressed the button and said in an excited voice, " "They're killing."

Ye Liangqiu looked at her and coldly said, " "africa and India are more suitable for you." su Cheng howled twice, and the bullets whizzed-

There were several loud bangs behind the carriage.

however, a few more black sports cars quickly drove out of the thick smoke. su cheng's car sped forward, and ten black camper cars suddenly appeared on both sides. about twenty people got out and fired at the back with their guns.

thick smoke billowed.

“Su Shicheng, that old man, must be hopping mad,” su Cheng chuckled.

ye liangqiu looked at the thick smoke behind the car. ” how are we going to deal with this? ‘

“Don't worry! qin anlan and su shicheng did not want to be the scapegoat for this kind of thing, so in the end, it was unsurprisingly a gang fight,” Su Cheng drove the car at a high speed and arrived at the apartment building in less than half an hour.

Qin Anlan was already waiting there. He stood beside the car with a cold expression.

Kime, on the other hand, was rubbing his hands nervously.

su Cheng stopped the car and jumped out first. she waved at qin anlan. ‘ brother anlan, i've brought your wife back. ‘ her little face was full of praise. qin anlan slowly walked forward and reached out. he hesitated for a moment before he patted her little head.

In fact, he was feeling very complicated at the moment. He wanted to see Liang Qiu, but now he was a little timid.

in the end, he stupidly reached out to comfort su Cheng.

su Cheng was embarrassed. ” brother anlan, i don't like men. don't give me that. ” qin anlan smiled. he then lowered his head and gently opened the car door.

it had only been a few days since they last met, but he felt like a century had passed.

After experiencing life and death, there was a feeling of recovering what was lost..

She wanted to get out of the car, but Qin Anlan reached out to catch her.

His eyes were a little hot. He held her slender arm, put one hand on her shoulder, and gently hugged her in a daze.

su Cheng had been a little happy just now that she finally had someone to dote on and love her. now, in comparison, her treatment was worse!

she reached out and poked qin anlan's shoulder. ” at least i've risked my life for you. ‘

“So noisy!” ain aplan frowned and said in a low voice. ” please. bring her to your place. ” and protect her. ”

KIME was dumbfounded. he was protecting su Cheng?

then who would protect her?

su Cheng was like a diamond in the rough, forcing her to be with him. he was the dangerous one, okay?

su Cheng was also a little unhappy with the arrangement. she dragged kie into the car. ” what’s wrong? are you afraid that i’ll eat you up?

“i’ve said it before, i don’t like men, especially men who are neither male nor female,” she snorted again.

I’m not a man or a woman. Kime gave him the middle finger.

“you think you’re a man just because you made a rough gesture?” Su Cheng sneered and quickly started the car. The speed was super manly.

Kime, on the other hand, was lying outside the window, vomiting.

however, su Cheng did not show any mercy and continued to drive the car away.

ye liangqiu looked in the direction of the car and was stunned for a while. ” yingluo is actually quite cute. ‘

She was conflicted. Although su Cheng had saved her and she felt that su Cheng was pitiful, she had always killed Xingyuan.

Qin Anlan knew what she was thinking and patted her. let her make her own decision!

Su Cheng was an elf living in the dark, and cool autumn was her last ray of light.

the current su Cheng made qin anlan feel like she was a moth flying into the fire. he couldn’t bear to see her like this.

ye liangqiu bit her lip and nodded.

At this moment, he lowered his head and pressed his forehead against hers.

At this moment, he truly felt that he had returned safely. His handsome eyes were unprecedentedly warm as he kissed her lips. let’s go home.

She hummed in acknowledgment, and he carried her back to the apartment like a princess, straight into their bedroom.

he hadn’t returned for a long time, and the place was still the same as before. he reached out and gently placed her on the bed, half-kneeling. ” i’ll ask doctor mei to come over and check. ‘ he was afraid that the child would be hurt after this.

However, just as he was about to make the call, she quickly hugged him ...

He couldn’t move, so he could only raise his palm high. He lowered his head helplessly. “What’s wrong, Liangqiu?

she didn’t say anything and continued to hug his neck. she shook her head and buried her face in his neck. “No, I didn’t! I just want to hug you.” her face snuggled into his neck, as soft as a small animal.

his heart was also unbelievably soft. he hugged her and said in a low voice, ” good girl, what’s wrong? ”

“don’t leave me.” she clenched her fingers. ” an lan, i don’t want to check on ran ran.

She was a little rascal and was even harder to coax than Xiao mu Yun. He found it funny and his heart ached a little, but at the same time, he was proud of her. How much she loved her Yingluo.

“okay, i won’t check. i’ll just hug you, okay?” He patiently coaxed her, hugged her, and patted her, just like he was coaxing a baby.

his liangqiu was so tall, but when he held her in his arms, she was actually weak and needed his protection.

she had been so brave, but when she returned from her tribulation, she was so fragile that she wanted a hug.

“i won’t leave you in the future.” he coaxed her unconditionally ...
