Chapter 1491: he's simply a fine-point plus vajra

She hugged him shamelessly and buried her face deep in his heart. She had never been so clingy before.

his heart was beating so fast that it felt like it was going to jump out of his chest. he lowered his head and searched for her lips, kissing them intensely.

After kissing her for a while, his actions became gentler. He sucked her lips and kissed Yingying little by little as if she was his most precious treasure. Her soft lips touched gently, and every time, it was moving.

her eyes drooped, her long hair scattered on her shoulders, entangled with each other, and her whole person was indescribably soft.

“Liangqiu, kiss me.” his strong palm touched her waist, and his voice was extremely hoarse.

his lips were pressed against hers, his gaze deep.

Her body trembled slightly, and she lowered her eyes, not daring to look at him.

after waiting for a long time for her response, he seemed to be a little impatient and gently bit her lip.

She wailed and raised her eyes to look at him. Her eyes were watery and her voice was fragile. an LAN!

“kiss me, cool autumn.” his hot lips moved to the back of her ear and his voice was urgent. ” kiss me! i’m afraid i’ll hurt you.”

His breath blew behind her ear, causing her to tremble slightly.

A large palm pressed on the back of her head, slowly pushing her towards him. Slowly, her lips were firmly sealed.

They had clearly kissed countless times, but at this moment, she was still extremely nervous.

her eyes were wide open and she looked at him with a touch of fear.

it was embarrassing.

“Liangqiu, close your eyes.” there was a hint of a smile in his tone. ” it’s me. i didn’t teach her well. ”

Her eyes widened even more as she glared at him, as if she was determined to go against him.

he chuckled and lowered his lips to hers. ” are you sure you want to keep your eyes open? ”

She blinked her eyes gently, looking a little mischievous.

Following that, Qin Anlan did something extremely embarrassing. He put his hand under her lower hem and teased her.

She closed her eyes and buried her face in his neck, panting. "I don't want to."

There was a hint of coquettishness at the end of the sentence.

he laughed deeply. "I thought you weren't afraid?"

His hands didn't stop. Instead, he tortured her even more. However, he couldn't bear to do anything to her. In the end, he still served her gently.

He kissed her until she was dazed. She hugged him and begged him to kiss her.

Qin Anlan did not dare to touch her. He sighed to himself and let her feel comfortable for a while. Then, he turned to the side and carefully pulled her into his arms.

she was still trembling and had not come back to her senses. her long eyelashes trembled with tears, which made people want to love her. he knew that she was frightened. although it had happened a few times, she was still not used to this kind of method.

"Are you alright?" he kissed her forehead, and as he kissed, he felt something again. he kissed down her nose and blocked her small mouth.

ye liangqiu struggled left and right, but in the end, his palm landed on his face.

he was a little startled ...

"it's dirty." she closed her eyes and turned her face to the side, but her face was still blushing.

qin anlan was stunned for a moment before he thought of the reason. he laughed and teased her.

he gently turned her sweaty face over and kissed her face. "when you were feeling good just now, you didn't make a fuss for me to stop. I didn't even dislike you, but you did." she wanted to push him away, but he grabbed her hand and raised it above her head..

Chapter 1492 - 1492: he's simply a fine-point plus vajra

qin anlan held her down with one hand and supported his body with the other. he kissed her condescendingly, not giving her a chance to escape.

This kiss was a little mischievous. The more she dodged, the happier he was kissing her.

in the end, she was bullied by him until she cried. she cried softly and stopped struggling. her body softened and she looked like she was at his mercy. the more she was like this, the more he liked it. as he kissed and rubbed her, he naughtily asked in her ear, "I'll make you happy again, okay? hmm?"

He was about to kiss her when ye Liangqiu hurriedly said no. Then she grabbed his hair and stopped him from kissing her.

"what's wrong?" he turned to the side, hugged her, and coaxed her.

"i don't want it." She buried her face in his chest and said in a low voice.

feeling her trembling, his heart softened, and he even regretted teasing her like this.

it took him a while to finally coax her because she had fallen asleep.

Qin Anlan reached out and stroked her long hair. His expression became gentle as well. He reached out and brushed her long hair away. His palm fell on her cheek and he looked at her carefully.

she had lost weight.

she was originally thin, but now she looked a little haggard. he knew very well how much she had suffered in the su family.

"Liangqiu, I regret it! i shouldn't have let you go back." He sighed and wanted to get up to cook something for her.

however, just as he was about to stand up, a pair of arms wrapped around his waist.

"don't go." she hugged him, her voice full of dependence."an lan, i want you to accompany me."

Her face was pressed against his back, and there was an unspeakable reliance.

qin anlan's voice was a little low and hoarse. " look at you, you're like a child. "

However, he still stayed. He turned his body and let her rest on his shoulder as he coaxed her to sleep. She hadn't had a good night's sleep for a few days, so she was in a deep sleep.

however, as soon as he moved, she would immediately wake up from her sleep,

Qin Anlan kept her company and she only woke up at four in the afternoon.

she opened her eyes and looked at him. she blinked and her expression was a little cute.

"who do you think you can see?" his voice was a little hoarse, and he kissed the tip of her nose.

She was stunned for a moment, and after a long time, she reached out to touch her nose before slowly asking, " "have you brushed your teeth?"

"You heartless thing." He pinched her face. I need you to serve me at least once.

Her face was slightly red as she glared at him.

"i'll help you cook. be good and let me get up." He reached out to Pat her. you're not hungry. My little baby is.

ye liangqiu glanced at him. " go ahead. '

qin anlan picked her up and walked outside. she screamed, " what are you doing? '

"I'll cook dinner." he didn't want to be unable to see her, not even for a moment.

after that, it became her wearing his shirt, sitting on the counter with her long legs bare, watching him cook.

and it was a hunk show, because his shirt was on her.

“i couldn’t tell that you had a good figure!” she was holding an apple and eating it while looking at his delectable appearance.

Qin Anlan cut the vegetables deftly and turned to look at her. His voice was slow and unhurried. it’s not like you’ve never seen it before.

ye liangqiu nibbled, her voice muffled. ” the lighting isn’t that good.

Qin Anlan’s fingers paused for a moment. Then, he looked up at her with a deep gaze.. Liangqiu, if you continue like this, do you believe that I will take back the clothes that belong to me? “

Chapter 1493 - 1493: he’s simply a fine-point plus vajra

She was still looking at him lecherously and nibbling on the Apple as if she was nibbling on his ribs.

qin anlan smiled and continued to cook for her.

She made a steamed pork rib, a small egg with green onions, and two small stir-fried dishes. She ate them very deliciously, and she was just short of licking the plate.

He didn’t eat much and just watched her eat with a smile. He didn’t even consider serving her food.

“eat slowly.” he couldn’t help but remind her. he was also a little frightened. Her appetite wasn’t very good a while ago, but now it was so good.

Ye Liangqiu puffed up her cheeks. it’s delicious.

she smiled at him, but as she smiled, tears began to well up in her eyes.

the way she forced herself to smile was very ugly, but it hit the softest part of his heart.

Qin Anlan sighed and reached out to wipe the tears from the corners of her eyes. His voice was unbelievably gentle as he said, ” silly girl, if it’s delicious, eat more. Why are you crying? ‘

She looked at him and bit her lip.

ye liangqiu was strong, but now she couldn’t. she wanted to cry.

This was because the Derson in front of her was Qin Anlan, the man who loved her.

She naturally wanted to act coquettishly to him and show him her weakest side without any need to pretend.

tears rolled down his face drop by drop. he was a little flustered because he couldn’t wipe them off no matter how hard he tried.

finally, he stood up and walked to her side, gently holding her body. ” “liangqiu, cry if you want to. i’m here.”

He could understand her. He could understand that she had lost her mother and her father at the same time.

“you still have me, mu yun, and the child in your stomach.” his voice was extremely gentle. ” i will always be by your side. ”

She raised her head. but you can’t be a father.

He smiled and his gaze became gentler. He reached out and stroked her head. I can give you whatever daddy can give you. I can also give you whatever daddy can’t.

as he spoke, his gaze fell on her lips, the hint was very obvious.

Ye Liangqiu glared at him in her heart, the sadness in her heart gone.

“I’m telling the truth.” He touched her head affectionately and paused for a moment before he said meaningfully, ” “actually, i don’t really mind you calling me dad.” can you still have some integrity? Ye Liangqiu was speechless and ignored him.

He cleaned up the dishes and chased her out to watch TV.

she sat there, drinking the fruit tea he had made and listening to the sound of him washing the dishes in the kitchen.

She suddenly felt a sense of happiness. As long as she was by his side, she seemed to be very happy.

qin anlan washed his hands after he was done with the housework. he walked over and sat beside her while wiping his hands. ” go to mom’s place tonight to pick up muyun, okay? ” she looked at him. ” i’m going too? ”

“why? are you afraid that my mom will eat you up?” He looked at her and asked seriously.

her expression also slowly turned cold. she and he both knew that this topic was an impassable obstacle.

“no! she probably doesn’t welcome me. ” Her voice was a little low, and then she looked up, a little confused.”Our ran ran” in the end, she didn’t say it.

Qin Anlan looked at her and asked after a while, ” “what do we do? forget it? Or are you not going to care about your status and just want to have children without getting married?” she did not make a sound.

He guessed her thoughts and sneered. you’re so generous! also, ye liangqiu, when did you become so generous as to give birth to two children for free?”

it’s not free. I still have 10% of King Entertainment’s shares and Hanhan. she looked at his ashen face and could not continue..

Chapter 1495: breaking off relations

Qin Anlan smiled faintly. there's no need for Mr. Su to worry! We'll decide on our own wedding date."

Su Shicheng also smiled and turned his gaze to ye Liangqiu. He slowly asked, "Liangqiu, don't you want daddy anymore?"

Ye Liangqiu looked at the man in front of her. He was kind and gentle, and he didn't seem like a man with wild ambitions.

After a long time, she said softly, "then have you ever wanted me?" do you even treat me as your daughter? If I hadn't escaped, what would have happened?"

After saying this, she stared at su Shicheng.

she always had some hope in her heart, hoping that the person who gave birth to her was not so cruel.

However, in the end, she was disappointed that su Shicheng did not say anything that moved her. He only said, " Liangqiu, I told you long ago that power is above love.

"That's because You Don't Know What Love Is." Ye Liangqiu's lips trembled. do you know what you're doing right now? What do you want after you've gotten everything?"

" trample everyone under your feet, and then take revenge for all the humiliation you've suffered? " she sneered, " you'll be happy then, right? "

Su Shicheng's eyes were cold.

He was too disappointed.

This 'her' was referring to how Hong Ke had once yearned for her so much. He had thought that she had the same high pursuit for her career as him, but in her heart, there was only Qin PEI, that young master brother, that useless man.

Now, his daughter, cool autumn, was the same. How could he not be disappointed?

"no matter who i am, i am different from you." Ye Liangqiu stared straight at su Shicheng, " you can kill me, you can deal with me, but don't ever try to control me with family.

he said word by word, " my surname is ye! mr. su, please don't mistake your daughter for someone else in the future."

Su Shicheng took a step back, his face pale. In that instant, he seemed to have aged ten years.

Finally, he was dealt a blow.

He had power and so much, but in the end, he was all alone with no one by his side.

He stared at ye Liangqiu. are you serious? ”

She knew what she had given up. She had given up the kingdom of Asia, his life’s work.

“Of course! i don’t care about the things you care about, but you don’t cherish the things i care about.” Her eyes were a little hot.

She thought that she wouldn’t care, but when it came to breaking up, she still felt a little sad and hurt.

Or, he cared.

su shicheng laughed a little bleakly, ” in the future, you’ll beg me to take back everything you don’t want or throw away! ”

After saying that, he slowly turned around and walked out into the dark night.

His back view was hidden in the dark night, looking somewhat desolate. Ye Liangqiu rested her face on Qin Anlan’s shoulder and closed her eyes in a daze.

He hugged her and said, ” Liangqiu, don’t cry!

she still couldn’t help but cry silently, and in a moment, her tears had stained his shoulders.

“your eyes will hurt if you keep crying.” he coaxed her patiently and gently, as if he was coaxing a little girl. ” i’ll kiss you. stop crying, okay? ‘ He kissed his little girl in front of Mrs. Qin.

because at this moment, she was so fragile and so sad.

She looked up and met Mrs. Qin’s gaze. Mrs. Qin sighed. I won’t object to an Lan’s Zhenzhen..

Chapter 1496: an Ian, don’t bully liangqiu anymore (1)

she wasn’t so inflexible that he would still vent his anger on her because of the grievances of the previous generation when he already had two children.

in reality, liang qiu was also a pitiful child, having a father like su shicheng.

qin anlan smiled faintly and looked down at his little girl. he patted her small head gently with his large palm. ” alright, mom has spoken! ‘ she did not look up for a long time, probably because she felt embarrassed.

“liangqiu, are you acting like a spoiled child?” Qin Anlan patted her. the adults all fall for this.

finally, she couldn’t help but look up. her eyes were swollen like walnuts. ” tissue. ”

qin anlan smiled and took a tissue to wipe her clean. ” you’re beautiful now. you were like a kitten just now. ”

She glared at him, and he lowered his head to kiss the corner of her lips. people will laugh at me.

she was no longer cold and cheerless like before, and her entire being was soft and gentle.

However, no matter what she looked like, he liked her.

” an lan, don’t bully liangqiu anymore. ” Mrs. Qin said as she rolled her eyes.

Su Xiu knew what she was thinking the best and smiled along. Alright, alright. Now that everyone is here, it’s time to eat!

she went over to help ye liangqiu up. ” young master doesn’t know how to comfort people. look at how pitiful she is now. aunt xiu, you can comfort her. ‘

she wiped her tears and said in a rare tone, ” ” old lady, look at young master. he’s a playboy, but the woman he married is the most beautiful. ‘ mrs. qin glared at her. ” you’re such a glib talker. you already have a grandson.

how can you be bad? ‘

Her sleeves were white, but she wasn’t angry at all. Instead, she happily helped ye Liangqiu to a seat. just marry young master in peace. The old lady and I will take care of the rest. Although we are old and useless, we are very experienced in preparing for such things.

mrs. qin couldn’t help but complain, ” you make it sound like you’re married. you’re always worrying about others and don’t even care about your own affairs. ‘

Su Xiu covered her mouth and laughed. the old lady said so. Look at me, who would still want me at my age? ‘

“i’m just afraid you won’t be willing.” Mrs. Qin also walked to the dining table and glanced at her son. “go up and call mu yun down! He’s been up there the whole time.”

If she did not mention it, Qin Anlan would have really forgotten about his son. He smiled and went upstairs.

Mrs. Qin knew what he was thinking. She laughed and scolded, “He has forgotten about his son after getting a wife.”

“That’s natural. You have to have a wife before you have a son.” su xiu spread the dishes for the two female hosts and joked to liven up the atmosphere.

The old lady had always been an expert at awkward silences. She retorted, ” but an LAN had a son first, then a wife.

su xiu covered her mouth and coughed lightlythis old lady was really good at chatting!

mrs. qin looked at her. ” isn’t that the truth? ” ye liangqiu lowered her head and sighed softly.

on the other side, qin anlan carried his son down. Xiao muyun pounced on his mother the moment he saw her. however, he was a meticulous child. he always remembered that she was pregnant, so he carried her very carefully.

Her soft little head was buried in her mother's arms. Although she didn't say anything, her cuteness melted the hearts of the adults.

Qin Anlan looked at her silently. After a while, he smiled. alright, Muyun. You're not a child anymore.

Xiao mu yun nudged her again. she really missed her mother so much that she let go reluctantly..

Chapter 1497: An LAN, don't bully Liangqiu anymore (2)

Ye Liangqiu kissed him.

With so many people around, they were no longer as uncomfortable as before. They ate together happily.

When the meal was almost finished, Madam Qin slowly opened her mouth, "You guys should be married by now. Otherwise, you won't look good in a wedding dress when you're pregnant."

Ye Liangqiu and Qin Anlan looked at each other and secretly held hands under the table.

"Then, mom, pick a date!" qin anlan smiled and caressed her hand, playing with it casually.

Mrs. Qin immediately glanced at su Xiu. Su Xiu was good at it, so she immediately picked a good day, August 8th.

"Cool autumn?" qin anlan looked at her from the side.

no matter how calm she was, she would still feel a little uncomfortable about this.

"silence means you agree." He smiled and pinched her fingers.

Just then, ye Liangqiu's phone rang.

it was su Cheng.

As if she had found a reason, she immediately picked up the call.

su cheng's voice came from the other end. " sister cold autumn, i don't want to live with KIME! "

Ye Liangqiu looked at Qin Anlan, and he also looked at her in a daze. Finally, she turned on the speaker.

Su Cheng's voice was like pouring beans. you don't even know what's wrong with him. He only wears a pair of undergarments at home. I pants, and it was red fur! that's too abnormal!"

"I thought Yueyue didn't like men? let's just treat him as a woman." ye liangqiu said with some difficulty. after all, there were two elders present.

However. when she meowed. Mrs. Qin and su Xiu perked up their ears to listen.

he seemed to be enjoying it.

Su Cheng immediately exploded. you think he's a woman? Did he have a woman's chest? Did he have long hair? he's perkyl fartl shares? How am I supposed to imagine him having no products?"

"It's just a few days, right?" "i'm not asking you to date him," ye liangqiu whispered.

" he affected my sense of beauty and polluted my vision. " Su Cheng snorted softly, but she soon screamed. K, what are you doing? " the phone seemed to have been thrown away, but he didn't hang up yingying.

Kime's voice could be heard clearly. I'm not disgusted with my underwear.l If the pants don't look good, then I won't wear them."

It was su Cheng's scream again.

Following that, there were muffled sounds, then 'ah' sounds,'muffled' sounds, and then 'muffled' sounds.

qin anlan quickly hung up the phone and looked at the few people present. they looked at each other ...

it was a live broadcast!

however, if kie dared to force himself on su Cheng, would su Cheng blow his head off?

"do you want to go and take a look?" ye liangqiu asked kindly.

qin anlan took a deep breath. " no need! KIME has probably been holding it in for a long time. this is the first time he's had a taste of his own medicine. can you bear to do that?" as he said that, he glanced at her indifferently.

"Daddy, what do you mean by 'meat first'?" Xiao mu Yun asked at the right time.

qin anlan was in a difficult position.

After thinking for a while, she seriously said to her son, who was very curious, ' it's like this. It's just that I haven't eaten good food for a long time. When I eat it all at once, it's called meat.

Xiao mu yun immediately thought of her favorite custard bun.

it was as if he hadn't seen cream bun in a long time, so he shamelessly asked, " "Then I like custard buns. If I suddenly take a bite, is it also considered a meat-breaking experience?"

Qin Anlan ruffled his hair absent-mindedly. "It should be!"

Xiao mu Yun thought to herself, 'aunty Cheng was screaming so happily just now, it must be a very pleasant thing to have a meal!' he had decided that he was going to have a taste of the meat!

Chapter 1498 - 1498: An LAN, don I t bully Liang Qju anymore (3)

on the other hand, KIME was a little dumbfounded.

how did he end up pouncing on su Cheng?

Was it because she was pretty, or was it because she was only wearing a strappy nightgown? I was he so tempted that he couldn't resist it?

but, in any case, he fell down, and at this time, the soft body was under him.

Their skin was touching, and that feeling was magnified to the point that every pore was clamoring for her.

su cheng's eyes were wide open, and KIME was also in a daze. he could not believe that he would really go up to her.

She pursed her lips, swallowed her saliva, and looked at him.

"I'm warning you, you're not allowed to move." Her voice was crisp and clear. She put both hands on his face and twisted his face so hard that it was almost out of shape, but she did not allow him to move.

Kie was having a hard time holding it in. Large beads of sweat rolled down her body, and every drop seemed to wake her up.

"it's so dirty," su Cheng said in disdain.

but it would have been better if she hadn't said anything. once she did, he finally regained his long-lost manliness and came over without a care.

Su Cheng's eyes were as round as an Orange's and she glared at him. "what are you doing?"

"Can't you feel it?" Kim panted.

After a while, he seemed to be worried and asked again, " "you don't feel anything?" was it because he was too young?

However, just as he was thinking about this, su Cheng began to chuckle like a kitten.

Thus, Kie started with a K, then an I, then an m, and finally an e.

su Cheng mewled like a kitty cat. in the end, her face was also pink. her flat face was a little cute.

after the intense staring, his sweat turned cold.

She lay flat and felt her heartbeat slowly calm down.

"do you want to try again?" what's wrong? " Kie turned to her and asked.

Su Cheng also turned her head and looked into his eyes. For the first time, she realized that Kime, who was not wearing glasses, was quite good-looking.

At least in terms of physical strength, he passed.

"Aren't you afraid?" su Cheng smiled. " i've killed people and done many bad things. "

Kime didn't say anything, he just looked at her deeply.

Su Cheng looked up. I forced my own brother to his death, slept with su Shicheng, and even raised my own woman. I can be cruel and heartless. Please, I'm not an innocent girl.

Her fingers fell on his face and moved gently. After a long time, she chuckled. you can only go to bed, just like now. As long as you're happy.

you've never thought of getting married? " KIME asked in a deep voice. have you never thought about having a normal family?"

"no, i didn't!" su Cheng lay flat on the bed and looked up at the ceiling. " excuse me, when i first realized that i liked sister liangqiu, i never thought about getting married. i'll kill whoever i marry.

Then she started to giggle.

KIME looked at her and kept looking at her until he saw that su cheng's smile was a little boring and she could not continue laughing.

"what are you looking at me for? aren't you afraid? aren't you afraid that i'll kill you?" she tried her best to put on a fierce look. she still had that exaggerated acting.

if I don't marry you, will I not be killed? " Kie frowned.

His thoughts jumped and su Cheng only came back to her senses after a long time. She stared at him, not knowing how to react.

then let's not get married, " Kie said happily. we'll just make love.

Su Cheng was still in a daze. After a while, she said in an outrageous voice, " "That's not the point, okay?"

And who would want to make love with him?

He was too shameless.. In the past, she thought that he was very serious, but it turned out that he was also shameless!

Chapter 1499 - 1499: an Ian, don't bully liangqiu anymore (4)

' how is that not the key? if we don't get married, we won't be killed. only then will we have the life to satisfy you. '

he turned over and pressed her down. " do you dare to say that you weren't satisfied just now? you squinted your eyes and mewled like a kitten. don't you feel anything? "

su cheng's face turned red and she looked away. " i don't have feelings for stinky men. "

After observing her for a while, Kim suddenly said, " if you don't feel anything, then let me feel comfortable. Treat it as paying rent.

"i'm not that cheap. i'll pay yingluo to pay you."

However, he had already started to look down at her. where do you get the money now? besides, I don't want money. I just want to make love.

The young man was full of energy and couldn't close the door after opening it.

Su Cheng's eyes were almost rolling into dead fish eyes, but he did not let her go and continued to play with her for a long time.

late at night, su Cheng broke out in a cold sweat and kicked him. "i'm going to cook for you. i'm starving. "

"i'll call for delivery. " KIME sat up straight, stretched, and put on his shirt.

He had poked a hornet's nest. Su Cheng glared at him. you want me to eat take-out? K, how many times have you f * cked me, and you still want me to eat trench oil?"

"My last name is not K." Kie adjusted his glasses and said with a good temper.

Su Cheng didn't care and glared at him. I don't care! I want to eat your cooking, or I'll kill you."

Looking at her, Kime suddenly took off his shirt and lay down. "Come on, kill me."

Su Cheng's beautiful lips twitched, and then she bit down hard. Then she put his shirt on and sat down, hugging herself without saying a word.

Kime looked at her with a tender gaze.

he also felt the same way.

No matter how mischievous su Cheng was, no matter how petty her temper was, she was still a child who lacked love.

she was very cute when she was teasing him.

"i don't know how to cook, but i've been living like this for so many years. i promise that the take-out i ordered wasn't from earth trench oil, but from a five-star restaurant." he coaxed her and touched her shoulder with his fingers.

su Cheng tilted her head and squinted at him like a proud cat. after a while, she snorted. "it's from a five-star hotel. why did you call for delivery? " "I never eat takeaway," she said as she played with her fingernails.

that pampered look of hers was both annoying and funny.

how could she kill someone like this? Perverted?

KIME's heart was conquered, especially by su Cheng, who triggered his male chauvinism.

He put on his pants and stood up. I can only follow the recipe. Even if it's not good, I have to swallow it.

He took his phone and leaned against the head of the bed, searched for a few home-cooked dishes on Baidu, and ordered shangchao's fresh food.

during the delivery, he could study how to make these dishes so that they could be as beautiful, lovely, and comfortable as su Cheng.

Su Cheng ignored him at first, but then she put her head on his shoulder and pointed at the screen. look at this. It's easy.

"if it's easy, do you want to do it?" he glanced at her.

Su Cheng also glanced at him. I never cook.

As she spoke, she bit her lips again, as if she was angry.

damn it, KIME felt that it was not worth it. even boss qin was not so difficult to serve.

with his skills, how many girls couldn't he trick? how many young ladies were fighting to come to his high-class apartment to cook for him!

Chapter 1500 - 1500: An LAN, don 't bully Liangqiu anymore (5)

But he was cheap and willing to be her slave and ordered around by her.

Half an hour later, Kime began his difficult journey in the kitchen with a spatula in his hand.

Su Cheng was standing behind him in his shirt, her arms wrapped around his waist and her head peeking.

She kept doing this and doing that. In the end, he had no choice but to turn around and kiss her.

the kiss was so solid that she couldn't breathe, so she became honest.

"Little Vixen." he carried her to the kitchen counter and let her sit and watch.

Without her messing around, Kime felt much more relaxed. He fried, fried, and stir-fried two dishes and a soup without any effort, and the taste was not bad. However, su Cheng was very picky. She frowned after taking a sip. it's delicious.

KIME immediately expressed that he wanted to pour it out.

su Cheng stopped him and pouted. " i guess i'll have to try! " he was picky as he ate.

when I'm making love, you can be picky too. I'll improve on whatever I'm not good with.

Su Cheng spat a mouthful of soup on his face.

Kime glared at her.

"i didn't do it on purpose," su Cheng reached out for a piece of tissue paper and wiped it off for him. she stuck out her tongue. " who told you to keep talking about making love? " it's like i've never done it before."

"i haven't done it." KIME's gaze was deep and penetrating as he looked at her. even someone as thick-skinned as su Cheng felt a little embarrassed.

She picked the vegetables with her chopsticks. I can't tell that you're so pure.

"I used to like a woman. If it wasn't her, I wouldn't want anyone else." "don't you want to know who she is?" KIME's gaze was deep.

“It can’t be me, can it?” su Cheng looked at him.

“no.” He said without leaving any room for negotiation.

Su Cheng looked at him. you can at least lie to me!

he had liked her for so long, but he didn’t even touch her. what a failure.

what about you? can you lie to me and tell me that you like me? ” “me?” “at most, i like to make love with you,” su Cheng said, looking at him.

she looked at him provocatively.

Kime stood up and carried her. Su Cheng shouted, ” “What are you doing?” he walked straight towards the bathroom. ” didn’t you say you like to do it with

“I didn’t.” She kicked him and tried to pinch his face, but she couldn’t move him.

After a while, the two of them were in the shower. The warm water droplets hit their bodies, making them entangled.

He kissed her deeply, holding her face and saying in a hoarse voice, ” do it twice in the bathroom.

“You’re crazy,” su Cheng glared at him.

she suddenly thought of a question. ” didn’t you say that you’ve never had a woman before? why are you still so familiar with it? ”

He didn’t look like a rookie at all.

I’ve been watching films alone at home all this while. Theoretically, I don’t lack them, ” Kie answered as he continued.

su Cheng rolled her eyes and was pushed against the wall.

At this moment, she was actually a little excited and was actually very engrossed.

she trembled in excitement, her body looking forward to his possession ...

And he didn’t let her down, Yingluo.

When the two of them were finally exhausted, the sky was already bright.

She laid in his arms and drew circles with her fingers. please don’t like me. I don’t like men. Don’t do useless things.

“I’ll also like the goddess in my heart forever,” he said.

su cheng’s fingers paused. after a while, she asked him softly, ” do i know her? ”

Kim thought for a while before he said, ” “yes, i do.” su Cheng looked up from his arms.. ” it can’t be sister cold autumn, right? “
