

Thank you 151

Chapter 151

151 Qi Qi is pregnant?(5)

tang mo quietly watched for a while before quietly getting up and changing into casual clothes to go to the pharmacy outside.

the pharmacy in the early morning was very quiet. when tang yu walked in, a few staff members were talking about family matters.

when they saw tang yu, their mouths were wide open. oh my god, he's so handsome!

he's even taller and more handsome than that lee min-ho.

His gaze was like a laser light, scanning 360 degrees, wishing he could see through everything.

“What do you need, Sir?” The shop assistant touched the Platinum 0.01 on the shelf and blinked. “there's an event, buy five get one free!”

Tang Zheng glanced at it and coughed lightly. I need to buy items that ran ran can use after this loses its effect!

“Don't look at how thin it is, it definitely won't break or leak!” when the shop assistant saw such a handsome pan, his eyes lit up and he instantly felt like a withered tree that had just come back to spring.

Tang Yu didn't say anything.

The woman covered her mouth and stammered.

Oh my God, it broke?

Oh my God! It was too powerful!

Her gaze and the other women's gazes all landed on a certain spot in Tang Yu's room.

his fiery gaze could almost burn through his pants!

“No?” tang mo asked unhappily.

The salesgirl swallowed her saliva. yes, 24 hours and 72 hours, both!

“a pregnancy test!” Tang Yu said impatiently.

A pregnancy test? not to kill a little life?

—

... he was actually unwilling to kill a little life!

‘there are so many cute little tadpoles. a handsome guy's tadpole should be different, right?’

The salesgirl walked in with a blushing face and took the most expensive one. this one is especially accurate!

tang yu reached into his pocket and took out 100 yuan from his wallet. he didn't bother to look for the money and quickly left.

The salesgirl's eyes were pink. what an innocent and handsome man, Yingluo.

After this incident, Tang Yu felt a little embarrassed. He smoked a cigarette downstairs.

of course, he could let qingcheng or xiao ran handle such matters, but he just didn't want to.

He didn't want anyone else to know about such a private matter, especially when it was Qiqi who had a child with him.

after he finished smoking, he threw the cigarette butt away and stomped it out before going upstairs.

pei qiqi didn't wake up and the bedroom was quiet.

tang yu sat by the bed and patted her little face, " qiqi. "

she slowly opened her eyes. when she saw him for the first time, her eyes shrank.

He naturally felt it, and said calmly, " "Take a walk in the bathroom."

She paused for a moment. I've placed a cup there. You can take a look.

the voice behind her was very soft but pei qiqi still understood.

her little face was a little pale, and she almost stopped breathing.

it seemed that her one was two days late.

"it doesn't have to be qianqian!" tang yu's voice was low, but in his heart, he was actually looking forward to it.

pei qiqi looked at him for a long time before she slowly got up and walked to the bathroom.

after a while, she opened the door with a pregnancy test in her hand. there was a red line on it.

Tang Yu saw this and couldn't help but feel a little disappointed. He was stunned for a moment then reached out and patted her little head, " you'll have more chances in the future!

pei qiqi bit her lip and whispered,"we've always had protection."

Tang Yu glared at her.

she didn't know how she had offended him. would he be happy if she deliberately got pregnant with his child?

PEI Qiqi still felt uncomfortable so she laid down again, " help me apply for leave!

tang yu was helpless."pei qiqi, how many times have you taken leave in the past month?"

Chapter 152-Qi Qi, let's make up

naturally, he was talking about his studies. " do you want to repeat a year, ran ran? "

She was already 23 years old after graduation. If she stayed for a year, she would be 24 years old.
he actually cared about his age!

pei qiqi didn't say anything and just lay there.

he was a little worried. he walked over and touched her forehead, asking softly, "where do you feel uncomfortable?"

PEI Qiqi was silent for a while before saying, "there's a bump on my stomach.

she paused for a moment. "maybe it's because yingying was bleeding a few days ago, so she's been feeling uncomfortable."

Tang Yu's heart skipped a beat. She was still young and hadn't experienced those things many times.

she was probably really hurt from the way he did that night.

Furthermore, he had left her behind on a business trip.

At this moment, he really felt guilty. He reached out and stroked her hair gently. I'll arrange some work in the morning and take you to the hospital in the afternoon.

"Don't!" She looked up at him.

Because it was too embarrassing, she was afraid of other people's strange looks.

tang zheng kissed her. "then i'll ask the doctor to come to our house. be good and listen to me."

pei qiqi grunted and fell asleep again.

Auntie li came over and made breakfast. She didn't dare to disturb him and left immediately.

tang yu was about to go to the bedroom when someone knocked on the door.

he thought it was aunty li, so he opened the door, but it was his mother, lin yun, standing outside.

Tang Yu was surprised, "mom?"

I went to the office. The second Secretary said you're back. Why didn't you go to work?" lin yun walked in.

tang yu slowly closed the door and poured a glass of water for lin yun, "qiqi isn't feeling well."

"is it yingluo that girl?" lin yun probably came here to see pei qiqi. she could more or less get some information from xiao ran.

Tang Yu nodded.

lin yun didn't drink the tea. instead, she stood up and smiled, "let's go and take a look."

tang yu couldn't really stop his mother's request.

however, he was also a little uncomfortable with this kind of thing. "mom, maybe next time! Qiqi is still sleeping."

“there’s even less of a problem if she’s asleep!” lin yun glanced at her son and walked in.

tang yu followed behind.

There was a refreshing fragrance in the bedroom, and it was very comfortable to smell.

lin yun sat by the bed and pulled the blanket aside. when she saw pei qiqi’s face, she couldn’t help but be stunned.

But then, her eyes were attracted by the object hanging on PEI Qiqi’s chest.

She recognized it. It was her mother’s. Her mother told her that if Tang Yu met a girl he liked and wanted to spend the rest of his life with her, he should give this to her.

in the past, when shen lian and tang yu were so close, tang yu never had any thoughts about her.

how long has this girl been with tang yu?

she probably knew how important pei qiqi was to tang yu. she put down her hand and turned to look at tang yu, ” how did she get sick? ”

tang yu didn’t say anything. he just blushed.

How could he not know his own son?

Lin Yun got up and glared at him as she walked out, ” “You didn’t control your strength, how old is this little girl!”

after a moment of thought, she said, ” let doctor mei come over and take a look. zhenzhen, don’t let it leave behind any lingering effects. ”

As she said this, she was still a little angry. you’ve already put her on that drip. Why aren’t you careful? ” You don’t want children in the future?”

tang yu smiled, ” i will be careful in the future. ”

Lin Yun knew this, so it wasn’t convenient for her to stay. She was afraid that the little girl would be uncomfortable when she woke up.

She then examined the breakfast that Auntie li had made and approved of it. this is not bad!

Chapter 153

153 qi qi, let’s make up!(2)

tang yu walked her to the door. lin yun turned around, ” when you have time, bring qiqi to my place! ”

even though they looked similar, her heart was always in a daze.

However, Lin Yun was still able to get over it. The main thing was that her son liked her. It was also rare to see Tang Yu like a young lady so much and settle down so quickly.

lin yun thought for a while and continued, ” she’s still in school. you should be careful too. don’t have a child in the next few years. ” It’s not good for the little girl.”

tang yu smiled, ” i know. ”

less than an hour after sending his mother off, doctor mei arrived. it was probably lin yun who called.

PEI Qiqi was awake and Tang Yan held her in his arms to check.

what else did doctor mei not understand? he checked and said that the wound was a little inflamed. he should be fine after taking some medicine. of course, he also told tang yu to control himself.

pei qiqi didn't have the face to listen but tang yu agreed to them one by one.

After sending the doctor away, PEI Qiqi ignored him for a while.

Tang Yu looked at the little guy and felt helpless.

he couldn't hit, scold, or even touch her now-she needed to rest for more than ten days.

after feeding her some breakfast, he ate some food casually and went to the study to deal with work.

When it was almost noon, Auntie li called. Something happened at home and she couldn't come. Tang Yu didn't make it difficult for her and hung up the phone.

But lunch was a little difficult. He thought about it and went to the kitchen to take a look, but in the end, he had never made these before. The last time, he had barely learned how to make porridge.

He watched and was thinking if he should get someone to send food over when PEI Qiqi stood at the door and said quietly, "I'll do it!"

Tang Yu looked at her. Her little face was still a little pale but she seemed to be in better spirits.

He smiled faintly. alright!

PEI Qiqi quietly walked over, took out some ingredients from the fridge and prepared them carefully.

Tang Yu stood at the side and watched. Her fingers were fair and even when she was cooking, it was very pleasing to the eye.

His gaze moved up to her small neck, which was unbelievably soft.

He walked behind her and wrapped his arms around her waist. He rested his face on her shoulder. Qiqi, are you alright now? "

she froze for a moment, then continued to cut the vegetables.

Tang Yu chuckled in a low voice. His lips moved up to her artery and finally, he held her little face and kissed her deeply.

she didn't respond, nor did she resist. she let him kiss her, let him take away the things in her hands, and let him carry her to the countertop.

he was stuck in the middle, holding her little face and kissing her closely until her little toes curled up.

He let go of her, but his forehead was still against her. He lowered his eyes and stared at her beautiful little face. Qiqi, say yes!

Her breathing was a little messy, and she did not dare to look up at him.

Although he was very gentle, she could feel his strong power.

She hummed in agreement.

Tang Yu looked at her and kissed her again.

This time, he carried her directly into the bedroom.

When the door was closed, PEI Qiqi bit his shoulder, " "I can't be scared."

"I know, I'll be careful. Yingluo won't be serious!" He comforted her and murmured.

in the end, lunch was delivered by the restaurant at four o'clock in the afternoon.

at night, pei qiqi lay in his arms and said in a calm voice, " tomorrow, i want to see my father. "

Tang Yu was wearing a pure white bathrobe. He lowered his head and looked at the little person in his arms, " I'll find some time to go with you!

Chapter 154

154 qi qi, let's make up!(3)

her lips moved, but she still did not say anything.

he really shouldn't have mentioned anything else at this time, but he still couldn't control himself like a young man. he lifted her small face and looked deep into her eyes."no matter what happened in the past, i'll forget about it in the future!"

PEI Qiqi's eyes were a little moved. She wanted to escape, but he grabbed her little chin and pulled her closer to him. They were so close that they could almost see each other's reflections.

" tang yu, xuxu, " she called his name. at this moment, her heart was beating fast.

An indescribable feeling

she was even afraid, as if something had broken out of her cocoon.

However, she also suppressed Yingying so that she didn't know.

Tang mo hugged her and sighed."Forget it, it's not your fault!"

there was nothing wrong with liking someone. it was just that she had liked someone else before he had met her.

that person, unfortunately, was jinrong.

PEI Qiqi was in his arms. His masculine aura enveloped her and his scent was everywhere.

She wanted to hide, but she couldn't.

It was as if there was only one Tang Yu in this world.

no one else could squeeze in,

her small face was buried in his chest. she listened to his strong heartbeat and shrank back. she wanted to escape, but his big palm held her down hard. his voice was also a little hot. ” qiqi, waah. ”

he seemed to want to say something, but he didn't. instead, he kissed her passionately again.

Then, he kissed PEI Qiqi's little face and placed her little hand on his shoulder.

looking at her face of tolerance, tang yu chuckled and pinched her little nose. he let her go.

PEI Qiqi stayed like this for about a week.

on the third day, he sent her to see pei minghe.

PEI Qiqi went in alone. It wasn't convenient for Tang Yu to follow her, so he smoked and waited for her in the corridor.

pei minghe was about to be discharged from the hospital. he was better than before, but he could only say a few simple words.

his mental state and appearance couldn't be compared to before.

pei qiqi stood there and looked at him. she felt sad.

“dad, i'm here to see you!” PEI Qiqi sat down and reached out to hold onto PEI Minghe's rough fingers. His hands that used to be so strong now felt weak.

pei minghe looked at her and recognized her. he wanted to say something, but his lips moved for a long time and he still couldn't say anything.

His old eyes were filled with tears as he looked at her in a daze.

this made pei qiqi think of the eyes of old animals and her nose felt sour.

dad, once so strong and strong

she leaned over and whispered in his ear, ” “The company is fine.”

She knew that PEI Minghe was concerned about her and told him not to worry.

PEI Minghe slowly turned his head and looked at PEI Qiqi in shock.

his eyes seemed to light up. in fact, the one he was most worried about was qiqi.

she didn't know what his arrangements would bring her in the end, but if hanhan ... if it were to be handed over to zhou meilin, the company might immediately become the pretty boy's, hanhan.

he couldn't accept it, he couldn't accept it.

pei minghe's eyes were wide open, and his gaze was also looking straight in a certain direction.

PEI Qiqi's fingers tightened around him, ” dad, Wanwan.

He moved a little, and his lips trembled. After a long time, he finally called out her name, ” “Seven luminaries ring, seven luminaries ring.”

pei qiqi looked at him. her eyes were filled with tears, " it's me. i'm qiqi. "

PEI Minghe's fingers moved, and then he suddenly had the strength to hold her hand.

However, at that moment, she helplessly lowered her eyes.

Chapter 155-fight for her

pei qiqi stayed inside for more than an hour. tang yu had also finished seven or eight cigarettes.

He didn't smoke often, but he didn't seem to have anything else to do at the moment.

suddenly, he narrowed his eyes and looked at the person walking over.

that was lin jinrong.

Lin jinrong walked straight over. He didn't say a word and directly punched Tang Yu.

tang yu didn't dodge and his body was sent flying. at the same time, a trace of blue and purple appeared on the corner of his mouth. there was also a faint trace of blood.

"I thought you would treat her well!" lin jinrong said coldly.

Dr. Mei went to the Lin family. She didn't come out on purpose, but Lin jinrong pieced together the information she accidentally revealed and found out ...

tang yu actually injured pei qiqi!

Tang Zheng stood up straight and patted his slightly wrinkled clothes. jinrong, I don't need to explain to you what happened between me and her.

Lin jinrong stood up straight, his face filled with anger, " but I like her, two years earlier than you!

Tang Yu was still calm, " don't forget that you are getting married soon. You are marrying PEI Qiqi's sister.

his voice suddenly became stern, " " jinrong, have you ever thought that you might hurt her because you can't let go? "

"is that so?" lin jinrong stared at him. this was the first time he spoke to his idol, " what about you? other than buying her and using violence on her, what else did you do to her? "

Tang Yu was slightly angry, " that's between me and her!

he wouldn't argue with a child, so he didn't fight back.

however, the more indifferent he was, the angrier lin jinrong became. " if you can't give her happiness, then return her to me! "

He raised his head and laughed mockingly. 100 million, is it? i'll pay!"

tang yu's face turned green, " jinrong, do you know what you're saying? "

Lin jinrong was about to say something when PEI Qiqi stood at the door.

she looked at them in a daze with a pale face.

Her lips moved as if she wanted to say something, but in the end, she didn't say a word. She slowly walked over to Tang Yu and raised her head.

Tang Yu didn't move and just watched her.

she slowly raised her small hand and touched the corner of his mouth. that soft touch smoothed out his wound.

Suddenly, Tang Yan grabbed her little hand. PEI Qiqi lowered her head and looked at Qianqian.

she held his hand and walked toward the elevator without refusing.

he passed by lin jinrong.

lin jinrong looked at tang yu holding pei qiqi's hand and was in a daze.

Tang Yu was right. His love for PEI Qiqi was a burden. She had let it go, so what else could he not let go of?

However, if she could let go of her love so easily, what kind of love would she have?

Lin jinrong looked up and suddenly laughed.

In the elevator, PEI Qiqi looked at Tang Yu and asked softly, "Does it hurt? Do you need to go to the hospital?"

he lowered his head to look at her and said hoarsely, "PEI Qiqi, this is the hospital."

She looked at him helplessly.

"just a small injury!" "you're not going to school today, are you?" he reached out and patted her head.

PEI Qiqi nodded.

His fingers held her small hand tightly. then come to the office with me.

only then did she remember that she seemed to be an intern at his company.

Tang Zheng glanced at her and took her hand to get into the car.

since he was driving, he naturally opened the door to the passenger seat for her.

after he sat down, he buckled his seat belt and pulled down the mirror to look at himself.

jinrong, this kid, is really ruthless!

Chapter 156

156 A big fight for her (2)

however, he didn't want to mention jinrong in front of pei qiqi, so he didn't say anything.

when they arrived at the company, it was already an hour later. on the way, he saw many young ladies lining up in front of an ice shop so he asked pei qiqi to buy one.

pei qiqi got into the car and gave him the change and the ice.

“you eat!” he looked at the change and smiled. ” this is for the child’s pocket money. yingying, do you want to thank your brother? ”

pei qiqi’s face blushed. she looked at the beautiful ice cream and was in a daze.

she couldn’t bear to eat such a beautiful thing.

“What’s wrong?” Tang Yu talked to her while driving, but his eyes were focused on the road ahead.

pei qiqi pursed her lips and didn’t say anything.

Tang Zheng reached out and touched her head. don’t eat too much, Yingluo. It’s not good to eat too much!

he seemed to have thought of something, so his voice was a little hoarse when he said the last few words.

pei qiqi lowered her head. she guessed what he meant. from her ears to her neck, she was blushing. she was beautiful.

It just so happened to be a red light.

Tang mo turned his head and looked at her, his eyes slowly moving down.

She laughed silently. Qiqi, do you know that you are very cute? ”

she didn’t think yingying was cute. if he thought she was cute, he wouldn’t have treated her like that that night.

Tang Yu looked at her and probably knew what she was thinking. He sighed, ” “I’ll never be able to appeal successfully, will I?”

The green light turned on, and he sighed as he started the car. “Qiqi, you should do the same to me next time!”

pei qiqi raised her eyes and couldn’t believe her ears. did he say that?

she was in a daze again. when they arrived at sheng yuan, tang yu stopped the car. he took a piece of tissue from the paper box on the dashboard and wiped her lips, ” get out of the car! ”

pei qiqi looked at the food in her hands. she had only eaten half of it.

He took it, opened the car door, and threw it into the trash can outside. Then, he waited for her there.”come here.”

PEI Qiqi walked over. He grabbed her small hand and walked straight in.

As they passed by, the employees of Sheng Yuan greeted the CEO and miss PEI respectfully.

it seemed like from now on, pei qiqi was no longer that small working student. instead, she was publicly acknowledged as tang yu’s girlfriend.

She resisted, but she could not escape.

he had never said anything. he had only done it so that she could not resist.

It was as if a net had been woven. She fell in, and he slowly pulled away.

from the body to the heart.

as a multi-national corporation, tang yu was naturally very busy. as soon as he reached the top floor, xiao ran immediately entered the office and reported the day's schedule. occasionally, he would also take the time to glance at pei qiqi who was sitting on the sofa.

as expected, they had made up.

and it was even better than before!

Xiao ran thought to himself that ran ran had chosen the right side.

Tang Yu raised his hand. change the meeting to the afternoon. Don't do anything in the morning. Also, bring me a first aid kit!

He changed his mind and said to PEI Qiqi, " Qiqi, you and Xiao ran go get it.

Xiao ran's sharp senses picked up on the difference. Usually, when Tang Yu talked about her to others, it was always Secretary Xiao. However, when he talked to PEI Qiqi, he directly called her 'Xiao ran'. There was a huge difference between the two.

she was almost certain that pei qiqi would be half her master in the future.

PEI Qiqi's name was called and she followed Xiao ran out.

Chapter 157

157 A big fight for her (3)

Xiao ran was a veteran in the workplace and was someone close to Tang Yu. He didn't know how to flatter people, but he was very careful with his words. When he was being polite, he would give some advice.

He placed a small first aid kit in PEI Qiqi's hands and smiled, " the president is very busy. Please understand.

PEI Qiqi could tell the difference but she didn't explain.

back in tang yu's office, she gently closed the door. she leaned against the door and watched as tang yu flipped through some documents.

he had taken off his coat, and he was only wearing a white shirt and black trousers, looking particularly noble and threatening.

In particular, the diamond buttons on his sleeves were partly hidden and partly visible, and his every movement was very pleasing to the eye.

She did not understand why a man like him would buy her Kasaya.

Just as she was thinking, Tang Yu's voice sounded, " "come over and help me apply the medicine!"

as he spoke, he walked over to the sofa and sat down. then, he looked at pei qiqi, who was standing at the door.

pei qiqi felt embarrassed as if she had been caught. she quickly walked over and sat beside him.

she opened the first aid kit and looked up at his wound.

“Have you treated someone’s wound?” he suddenly asked.

pei qiqi was stunned for a moment. then, she smiled and lowered her voice, ” i did! ”

And many times!

tang yu’s eyes tightened and his heart skipped a beat. that indescribable pain spread to every nerve in his body.

he looked at her droopy little face and said in a hoarse voice, ” “was it very hard in the past?”

pei qiqi suddenly looked up at him. she was dumbfounded.

Other than PEI Minghe, no one cared if she was having a hard time, Yingluo.

Those memories flashed in reverse in her mind. In the end, she lowered her head and said in a soft voice, ” I’m fine!

tang mo sighed. how could it be good? if it was good, she would not have been sold to him.

he reached out and touched her long, black hair. ” it won’t be hard on you in the future. ”

pei qiqi was smart and didn’t reply. she focused on treating his wound and qianqian didn’t ask about lin jinrong’s beating.

Her technique was very skilled, so skilled that it made him feel a little heartache. He always felt that what happened last time was too easy on Zhou Meilin.

his fingers suddenly grabbed her little hand. he didn’t say anything and just stared at her little face.

PEI Qiqi smiled, ” when I was young, I was often beaten when my dad wasn’t around. Later on, I became smarter. Every time I was beaten, I would let the Auntie hit my face. When dad saw it, he would ask her!

then, she looked at tang yu.

Under such a gaze, Mr. Tang was almost embarrassed. He lightly coughed. you were quite thoughtful when you were young!

“yes, that’s how it is when i get beaten up often!” As she spoke, she put away the first aid kit. alright, it’s quite pretty now!

pretty?

tang yu only felt that her technique was good and he didn’t feel any pain.

After she said that, he went to the bathroom to take a look.

The corners of his mouth were very eye-catching after she had exaggeratedly applied the purple medicine.

PEI Qiqi followed him over and leaned against the door. She smiled faintly, "you were the one who said that I could treat you like this once.

Tang Yu was stunned. Then, he shook his head, "PEI Qiqi, you're that bold!?"

However, she was already very bold. He still had a meeting in the afternoon, and she had made the corner of his mouth look like this. How was he going to face others?

Furthermore, she even painted the wound in a Purple Heart shape.

tang zheng's long arm hooked her and pulled her into the bathroom.

Chapter 158

158 sweet, sweet, doting (1)

Because of what had happened last time, he didn't dare to be too rough. Instead, he carefully pressed her against the wall and put an arm behind her head, his handsome face slowly approaching.

"You should do this, hurt me!" His voice was alluring and had a hint of a smile. His voice became softer and softer, and finally disappeared from the corner of her mouth.

he kissed her with infinite gentleness, and she did not resist.

the result of this kiss was that the wound on the corner of his mouth worsened.

tang mo grunted and looked at her, saying meaningfully, "It hurts a little, Yingluo."

He pressed his forehead against hers, letting her be enveloped in his breath. He reached out and closed the bathroom door.

In this small world, there was only him and her.

pei qiqi didn't dare to look up. her long eyelashes fluttered and she looked extremely cute.

He lowered his head and pressed it on her trembling eyelashes. His lips felt a slight pain, and there was a strange feeling, as if it had stabbed into his heart.

PEI Qiqi's hands were placed flat on the tiles behind her and her body was pressed against the wall.

tang zheng grabbed her small hands and placed them on his shoulder. his voice was so hot that it was like he had a mouthful of sand in his mouth. "hug me!"

PEI Qiqi refused. She twisted her body and wanted to pull her hand back. He smiled deeply and forced her to hug him.

to tang yu, the most beautiful place in the world was the bathroom. there was no other place to go.

He didn't do anything, he just hugged her and teased her.

“What has happened these few days?” his finger gently touched her little nose. actually, he could guess from jinrong’s reaction that something must have happened.

at least, she had met jinrong before.

pei qiqi raised her head and looked at his handsome face. she was a little dazed.

In Xia city, he was the person who bought her, and she had to serve him carefully at all times. In his office, he was the high and mighty President of Sheng Yuan, so far away from her.

But now, they were in the bathroom, and the place was so small that she could even deliberately hurt him (the corner of his mouth).

Here, she and he were equal.

She took the initiative to move her face closer to his arms. This was the first time she had taken the initiative to throw herself into his arms.

Tang Yu’s body froze in disbelief.

” tang yu, dad will be like this from now on. i can’t talk and i can’t leave hanhan, ” she said softly, ” although he’s not as strong as you and can even be weak sometimes, he protected me, hanhan. ”

Tang Yu reached out and patted her, ” I will find the best doctor.

pei qiqi buried her face deeper,”thank you.”

He lifted his body slightly to look at the child in his arms, and his heart softened.

PEI Qiqi’s little hand slowly moved from his shoulder to his neck. Her little hand wrapped around him and hugged him tightly.

“And my best friend, the man who slept with PEI Huan!” She said.

tang yu’s hand patted her little butt, ” you care? ”

her voice was obviously dangerous. if she dared to say that she cared, she probably wouldn’t be able to walk out of the bathroom today.

PEI Qiqi looked up and bit her lips. Her eyes were misty, ” I just think they’re a mess!

Seeing her like this, Tang Yu’s anger dissipated. He chuckled and patted her back lazily, ” we’re confused too.

Chapter 159

159 Sweet, sweet, doting (2)

As he said this, his big palm began to move a little randomly.

PEI Qiqi’s little face was red,”what are you doing, Yueyue?”

” lower your voice. xiao ran might enter the office at any time. ” He threatened her in an extremely hateful manner.

PEI Qiqi didn’t dare to make a sound. In fact, he didn’t do anything. He just pressed her down and kissed her.

when he let go of her, pei qiqi’s legs were soft ...

Sure enough, the washroom of a big company was not a pure place, and the CEO’s washroom was even more so!

however, the most impure part was the president’s lounge. pei qiqi and tang yu had never tried the kasaya.

When PEI Qiqi went out, she saw the ridiculously large bed. It was king size.

tang yu suddenly turned around and habitually put on a superior attitude, ” “you want to go up and try?”

“no need!” “Thank you for your kind intentions!” She said obediently.

he chuckled, ” pei qiqi, this isn’t good, wanwan. ”

his voice became low and hoarse. ” men who want to take a young lady to bed are not good! ”

Seeing that she was biting her lip again, he patted her. but you’re a little kid. You can be given appropriate special treatment.

“i’m not a little kid!” pei qiqi couldn’t stand him calling her that. it was clearly a very loving way of addressing her, but she felt uneasy. it was as if they had crossed the line in the bathroom.

Tang Yu’s gaze was deep, ” if you don’t need special treatment, then I agree, Wanwan!

his gaze swept across her body, gradually moving down, and then landing on a certain place. ” you’re indeed not a child anymore! ”

pei qiqi had never seen someone switch between being a forbidden jade and being shameless so naturally.

In reality, up until now, Tang Yu had always treated other women with the ” forbidden Jade ” type. However/when it came to PEI Qiqi, he was completely shameless and a hooligan. Thinking about it, he had already taken off all her clothes. Why would he still need to pretend to be a calm and elite?

that would be too boring.

after messing around for a while, it was almost noon. tang yu wasn’t in the mood to work, so he asked pei qiqi to order from the restaurant he frequented.

He took out a wallet from his coat pocket and handed it to her.

PEI Qiqi didn’t dare to take it. She opened it carefully and took out three 100 yuan notes.

“It might not be enough!” tang yu smiled and took out two more notes for her. his voice was a little low, ” go to the pharmacy and buy two boxes of okamoto platinum 0.01! ”

pei qiqi didn’t know what he wanted, so she asked once.

tang yu pulled her over and held her in his arms. his voice was soft, ” for making love, little kid! ”

pei qiqi’s face turned red. she took the money and walked out silently.

In the elevator, she saw that her face was unbelievably red.

she closed her eyes and saw tang mo’s handsome face with a touch of evil.

She must be crazy to keep thinking about him.

She went to the pharmacy to buy Yingying’s. The staff’s gaze made her feel a little embarrassed, and she left in a hurry without looking at the size.

He put it in his backpack and clutched it tightly with his small hands, as if he had just robbed a bank.

After she bought the food, she returned to Tang Yu’s office to take a stroll.

the way mr. tang looked at her was very meaningful. pei qiqi ate and pretended not to notice.

He had been very busy in the afternoon. She read for a while before she got entangled in bed in the lounge.

when tang yu came back, he saw a sleeping beauty with long black hair all over the pillow. her face was red from sleep and she had one hand on the blanket. she was beautiful no matter how he looked at her.

Chapter 160

160 sweet, sweet, doting (3)

tang yan stood there and admired it for a while. xiao ran’s voice came from behind him. ” president, these documents need to be signed. ”

Tang Yu nodded and closed the door behind him. After he sat down, Xiao ran flipped through the pages and he signed his name.

before xiao ran left, tang yu coughed, ” “Secretary Xiao, what do girls like?”

xiao ran held the document and thought for a moment. ” all girls like flowers. ”

Tang Yu nodded and said calmly, ” “Let’s go out first!”

Xiao ran blinked. Did the president just ask her to burn the bridge after crossing it?

Of course, she wouldn’t ask because she was sure that the CEO wanted to give it to PEI Qiqi.

after xiao ran left, tang yu went to the resting room to check around half an hour later.

little friend, you can really sleep!

he laughed silently. at four o ‘clock, he pressed the internal line and summoned his all-purpose secretary.

“order a bouquet of white roses for me!” tang yu said lightly.

Xiao ran took down notes. President, where should I send it? ”

Tang Yu looked at her, ” let’s do this!

Xiao ran understood and immediately went out to do it.

The flowers were delivered at 5 am and PEI Qiqi just happened to wake up.

She had been particularly fond of sleeping recently, and she didn’t know why.

If it wasn’t for Tang Yu’s test, he would’ve suspected she was pregnant.

Moreover, her Wanwan had been delayed for a few days, but she still hadn’t come.

he was even thinking of asking doctor mei to check on her one day, in case he lost control last time and left her with a chronic illness.

On one hand, he really liked her, and on the other hand, he wanted to make it up to her. He had been very good to her recently.

the events of that night seemed to have faded, and no one mentioned it again.

PEI Qiqi looked at the White Rose in front of her and blinked, ” for me? ”

She carried the flowers, and he half-carried her as they walked outside. He looked at her as she almost buried her small face in the flowers to smell the fragrance. be careful, there are many small bugs in the flowers.

pei qiqi ignored him and continued to hug him.

Every young girl would have a dream lover who would give her 99 roses.

But she never thought that this person was Tang Yu.

moreover, on the way back, he even took a detour and made her go to the hospital to see pei minghe again.

it would be a lie to say that she wasn’t touched, and she knew that he had once thought of giving her 20 million yuan to give her hanhan.

pei qiqi knew tang yu’s personality. he hated zhou meilin so much but he was willing to do this.

There was no way she didn’t know why he did it. Even when he used violence on her later on, she also knew why!

however, she really, really couldn’t accept his kindness. she really didn’t want to owe him so much anymore.

After leaving the hospital, she got into the car and said in a low voice, ” ” tang yu, don’t be too nice to me. i can’t afford it! ”

He looked at her sitting in the back seat, hugging the bouquet of white roses as soon as she came back.

Suddenly, Tang Yu thought of a phrase that was most suitable to describe her current state.

although she said no, her body was very honest.

he just smiled without saying anything.

“Qi Qi, I didn’t ask you to pay me back!” “I’m very sorry for last time, Yingluo,” he said in a low voice.

She shook her head and was a little dazed.

Once again, she felt that they had overstepped their boundaries.

it shouldn’t be like this. they shouldn’t be wailing like this.

Her pupils shrank. She suddenly realized that she might have ...

Did she like him?

tang yu looked at her from the rearview mirror and smiled, ” qiqi, what’s wrong? ”

She came back to her senses. nothing much, Wanwan. What are you having for dinner? ”

“chicken noodles then!” he said without thinking.
