Chapter 1511 - 1511: kiss first, then eat the chicken thigh (1)

Qin Anlan brought ye Liangqiu to the photography studio.

Of course, he also brought Xiao mu Yun along.

To Xiao Muyun's surprise, Qin Anlan asked Tang Yu to bring little Xinxin over.

Xiao muyun and Xiao xinxin would be the flower girls at the wedding and wedding photos would be taken together.

(Taking wedding photos together at such a young age, 666)

little Xin was obviously not happy. she was only happy when pei qiqi allowed her to bring a chicken leg.

she grabbed the greasy chicken leg with her small hands and ate it very happily.

Ye Muyun's eyes were slightly blazing as he looked at . That custard seemed to like eating it very much. This should be meat!

when she was done, it should be his turn to start eating.

ye mu yun's eyes burned even brighter as he kept looking at her.

her little mouth was shiny and should taste good.

Little Xin raised her eyes and looked at the little big brother's terrifying eyes. She even forgot to eat her chicken leg and stared at him blankly.

The little brother showed an expression that he wanted to eat her again. Wow, wow, wow, so scary!

ye muyun felt that it was his turn, so he went up and prepared to eat the custard bun.

her little face was white and tender, fragrant and soft, and he leaned over to bite it.

however, before he could take a bite, Xiao xinxin quickly stuffed the chicken leg in her hand into his mouth.

In the end, the custard bun didn't get to eat it. Instead, he took a bite of the grease. ye muyun's eyes were fixed on the custard bun and he slowly opened his mouth.

there was his saliva on the chicken leg.

little Xin blinked at him, her big eyes teary.

where are the adults? why aren't the adults here? why do they all have to try on wedding dresses?

wow, wow, wow, why did you leave little xinxin with such a scary little brother!

He didn't know anything but to eat her.

tears the size of beans rolled down her face heartlessly, falling drop by drop on her round face.

he was frightened.

The little cutie pie cried and wailed. Ye Muyun reached out to catch him, but his fingers were a little hot.

Then, he tasted it. It was salty.

however, he remembered that her little mouth was sweet. his delicate eyes fell on her little mouth. although it was shiny, the shape was very beautiful.

“you want to eat chicken legs?” he coaxed her.

she stared at him carefully, her eyes moving to the chicken leg in his hand. she was afraid, but she couldn't resist the temptation of the chicken leg.

after a long time, she nodded her head lightly.

Ye mu Yun looked at the chicken leg in his hand. brother will feed you, okay? ” little xinxin's face was guarded. did he want him to feed her?

she would eat it!

“Otherwise, I'll throw it away.” ye mu yun looked at the chicken leg in his hand with a face full of pity.

Little Xinxin looked at him and took a while to gather her courage. don't throw it.

He looked at her and then walked to the sofa in the rest area.

The chubby custard struggled, hesitated, and finally gave in to the chicken leg.

She walked over unwillingly and stood in front of him.

“open your little mouth.” Ye Muyun's voice was cold (he already knew how to flirt at such a young age). His eyes were also looking indifferently at the little cutie pie.

he was the only one who was excited about bullying the custard. it turned out to be such a fun thing.

ah! Xiao Xinxin's little mouth opened wide and her white teeth gave ye Muyun a fright.

he looked at her in disdain and coughed lightly. ” when you grow up, don't forget to ask your mother to take you to get your teeth removed. ”

auntie pei's teeth were very neat and beautiful. this custard had not inherited it at all.

She must have eaten too much chicken legs..

Chapter 1512: Kiss first, then eat the chicken thigh (2)

Little Xin Xin bit her a-Wu. be careful, don't. Your teeth are strong enough to bite away a bad person.

ye muyun was a little impatient and looked at her. “Then how do we kiss in the future?”

“What’s a kiss?” Xiao Xinxin asked casually. Actually, she was not interested. She was only interested in the chicken leg in his hand. But why was he not feeding her?

Ye Muyun narrowed his eyes. After a while, he said, “Do you want to try?” “I don’t want to try. I just want to eat chicken legs,” little Xin stammered. “Kiss first, then eat the chicken leg.” Ye Mu Yun’s eyes burned even brighter.

As Xiao Xinxin watched, she burst into tears again. As she cried, she said, “I want to eat chicken legs. You want me to kiss you.”

“Is it just a kiss? You’ll have children.” Little Xin cried sadly. “Little Xin, don’t have a child. You’re afraid of pain.”

Ye Muyun looked at the crying child and reached out to pull her onto his lap.

“Don’t cry anymore,” he said fiercely for the first time.

She looked at him carefully and forgot to cry. Large tears hung on her face, making her look pitiful.

“I’ll eat you if you keep crying!” His voice became fiercer, but his heart softened. He reached out to wipe her little face and stuffed the chicken leg into her small mouth.

Little Xinxin quickly ate two mouthfuls without any backbone. Then, the chicken leg was taken away.

Her little mouth was kissed and then bitten.

It hurts!

“Idiot.” Ye Muyun moved his lips and stuffed the chicken leg into her mouth.

After two bites, she looked at him warily.

Ye Muyun didn’t do or say anything. Xiao Xinxin just cried and took the chicken leg away. She moved her little mouth and whimpered. He was so bad. When her soft little mouth came close, Ye Mu Yun smiled, a light smile.

He cupped her head and kissed her on the forehead. Idiot!

“Stupider than steamed bun.” He knocked on her little head, then picked up the chicken leg and patiently tore it off to feed her.

She looked at him carefully, blinked her eyes, and ate it in small bites.

Ye Muyun’s eyes were filled with love. “How’s brother?” she carefully raised her eyes and looked at him guardedly.

Her meaning couldn’t be more obvious.

“Alright!” little Xin said with tears in her eyes.

wow, wow, wow, why aren't the adults here yet?

little brother is so bad!

ye muyun was finally satisfied and continued to feed her. " then come to my house often in the future. when you're there, i'll feed you chicken legs. " she nodded her head carefully and pitifully.

"good girl." ye mu yun pinched her small face and placed the bone in her small mouth. " lick it clean yourself. " little Xin took it off and stuffed it into his mouth under his stunned gaze. " hello, brother. little Xin will leave the bone for you to chew. "

If he took it down, the Kasaya would be so dirty!

The little wimp's saliva was flowing out, but when he saw her soft and fluffy appearance like a little bun, his heart softened again, and he placed the bone in his mouth and nibbled on it a few times.

little Xin clapped her hands, " big brother, you look like a little dog. only dogs gnaw on bones. " ye mu yun glared at her!

Then, he stuffed the bone back into her mouth and looked at her coldly. little doggy.

Little Xin's eyes welled up with tears. Little Big brother was the worst.

Her tears fell again, and she bit on the bone, looking so stupid..

Chapter 1513: Kiss first, then eat the chicken thigh (part three)

little xin's eyes welled up with tears. little big brother was the worst.

Her tears fell again, and she bit on the bone, looking so stupid.

The more ye mu Yun looked at it, the more he felt it was cute.

how could there be such a cute little person in this world when she cried? furthermore, she was white and tender, like a bun that was easy to pinch. He reached out and pinched her Kasaya. The way she bit the bone was so cute.

ye mu yun looked at the little custard and smiled. " from now on, you'll be my little white. "

Little white?

She carefully glared at him-

It sounded like the name of a puppy.

ye mu yun reached out and patted her. " be good, Xiao bai.

Then, her face darkened. don't let anyone call you that, understand? " Xiao Xinxin pouted. She had been tricked. She didn't want to be a flower girl anymore.

However, the adults had returned and ye mu Yun had bullied her enough.

He took the bone down and wiped Xiao Bail s mouth gently. look, it's all over your mouth.

the adults laughed at his love.

“see, my son is so good at taking care of people.” qin anlan looked at tang yu smugly and said, ” “You’re even more meticulous than when I took care of Qiqi in the past.”

Tang Yu was dressed casually in a rare white outfit. He looked at Qin Anlan and smiled, ” Anlan, how about I take good care of Liangqiu and repay you? ‘

Qin Anlan’s face stiffened. He was satisfied with the thought of Tang Zheng kissing his wife and cooking for his wife in the kitchen.

She coughed lightly. it’s better to let mu Yun take care of your little Xinxin.

as soon as he finished speaking, his precious son revealed a mysterious smile.

On the other hand, Xiao Xinxin pouted her little mouth again. She didn’t want this bad brother to take care of her.

Her bad brother called her little white and treated her like a puppy.

ye muyun looked at her awkward little face and smiled. he reached out and touched her little head and mouthed two words, ” “Little white.”

Little Xin glared at him.

qin anlan rarely saw his son so happy. he smiled. ” it seems like mu Yun likes little Xinxin. Why don’t we just get engaged? ”

Tang Zheng glanced at Qin Anlan. This was a good idea. If the old one could not eat it, let the young one eat it!

“More than four people have said this to me recently,” he said indifferently.

as he spoke, he patted qin anlan. ” merit-based admission.

Qin Anlan laughed drily. of course, everyone likes her when they see her. As he said that, he looked at his son meaningfully-

Do your best for the Qin family. Your old man only lost to Tang Yu when it came to picking up girls, but you had to get his chubby little girl back to Yingluo.

Ye mu Yun’s gaze was a bit profound and unfathomable, not quite suitable for his age.

Little Xin hugged Tang Yu’s leg and looked at ye mu Yun with hatred.

ye muyun’s gaze was gentle as he looked at his little bai qingqing.

Ye Liangqiu knew his son’s thoughts the best. It looked like he was joking with the adults, but he already had an idea in mind.

She didn’t stop him, nor did she expose him. Let the child be!

Besides, mu Yun didn’t have a hobby since she was young. This could be considered a hobby!

Hence, when they were taking the wedding photos, she specially arranged for the photographer to take a few photos of the two of them.

in particular, there was one where Xiao xinxin was carried onto ye muyun's lap and looked at him with an aggrieved expression.

Ye mu Yun's gaze was especially indulgent. He hugged that little fatty and pinched her small round face with one hand.

Xiaobai was so obedient. Xiaobai was so cute..

Chapter 1514 - 1514: you're pregnant?(1)

From the day he called little Xin little white, little Xin Xin had decided to hate him.

even though he would bring her chicken legs every time they met, she still hated it when he called her little white.

however, this name had been stuck to her since she was young. she couldn't get rid of it even if she wanted to, just like ye mu yun.

after a long time, she got used to it.

however, he was the only one who called her that. no one else knew that she was called Xiao bai.

when the photos were almost done, tang yu and pei qiqi carried little xinxin away. ye liangqiu lowered her head and looked at qin anlan, who was acting like a loyal dog. she said thoughtfully, "anlan, don't you think mu yun's feelings for little xinxin are too deep? "

"Did I?" Qin Anlan tidied up his wife's wedding dress and got up with a smile. "didn't you hear Tang Yu say that there are a few guys who like to be small-minded? "

Actually, it was understandable when he thought about it. Although little Xin was delicious and well-raised, her facial features were really good. She had completely inherited her parents 'good points. She would definitely grow up to be beautiful.

He had thought that his son was like Liangqiu, but he did not expect him to be a sentimental person.

at the thought of this, qin anlan smiled. " liangqiu, i think mu yun will win. " "the child is still young!" Ye Liangqiu couldn't stand his blind confidence.

Qin Anlan coughed lightly. this is like betting on horses. I have this confidence.

" i feel that you're more like a kind.I horse!" she snorted and then pulled his ear."and what did you just say?"

Qin Anlan was confused. Did he say anything?

he thought for a long time but still could not come out. in the end, Xiao mu yun reminded him coldly, " "Dad, you said you're good at taking care of Auntie PEI." qin anlan was dumbfounded. " did i? did i say that? "

Ye Liangqiu looked at him coldly and walked into the changing room.

qin anlan looked at his son again. "really?"

ye muyun nodded vigorously. "dad, you'll probably have to kneel on an egg tonight.

qin anlan tugged at his tie. originally, he had a small program to do tonight.

This time, his wife probably wouldn't cooperate, Yingluo.

ye liangqiu walked into the changing room and stood in front of the mirror, waiting for the waiter to help her take off her dress.

It was originally Qin Anlan's job, but that idiot was still struggling with ran ran.

she smiled. what an idiot.

if she didn't mind, why would he mind?

she smiled and looked up. when she saw the person in the mirror, she was stunned.

it was Xia mian.

"it seems that miss ye still remembers me." "i'm only graduating next year. i'll be working here during the holidays," Xia mian said with a smile.

ye liangqiu nodded and didn't say anything.

Xia mian helped her take off her gown. when she saw her waist, she was clearly stunned."you're pregnant?"

ye liangqiu didn't hide anything. she walked over and put on her dress, her tone calm. "That's right. this is my second child with an Ian."

"You're very lucky." Xia Mian's eyes were filled with deep thought.

at this moment, the door opened. qin anlan stood by the door and smiled. " "You're wrong, this is my good fortune!" he used to be such a jerk, but liang qiu still gave birth to his child.

He was the lucky one.

Xia mian's gaze was a little dazed. she looked at qin anlan and called out to president qin.

Qin Anlan only nodded his head slightly. miss Xia, thank you for taking care of my wife.

he walked over and carefully supported ye liangqiu.

"stop pretending." ye liangqiu reached out and pinched him, "you'll be punished to kneel later." rotten peach blossom." However, he was smiling. are you jealous? "

Chapter 1515 - 1515: You're pregnant?(2)

Ye Liangqiu stared at him for a long time, then moved closer to him. Their noses touched, and she murmured in a particularly distant voice, " what do you think? "

Qin Anlan was a little moved because his Liang Qiu rarely seduced him like this. Well, he would just take it that she was seducing him.

he rubbed the tip of his nose against hers, his eyes deep. ” about this, we can go home and have a good talk. ”

As he spoke, he straightened his body and looked at Xia Mian. His voice was particularly calm.”Goodbye, miss Xia.” &Nbsp;

he carried Xiao mu yun with one hand and held ye liangqiu’s hand with the other as they walked towards the door.

Xia Mian stood there for a long time without saying a word or saying goodbye.

after a while, the girl who was doing her internship with her asked cautiously, ‘

“Xia Mian, do you not like President Qin?”

Xia mian didn’t reply.

the girl thought for a moment and said carefully, ” president qin seems to love heavenly ye very much. they seem to be very close and have a child. ”

Xia Mian looked at her, “my future achievements won’t be worse than hers.”

&Nbsp;

The girl didn’t say anything. She just wanted to say that she already had a wife and a child, so she shouldn’t break up other people’s families. However, seeing Xia Mian like this, she didn’t dare to say anything more!

outside, qin anlan helped his wife into the carriage as if he was serving an empress dowager. he then carried his son in.

after getting into the car, he adjusted the rearview mirror and coughed lightly. there’s nothing going on between me and her. ‘

“I didn’t say anything!” Ye Liangqiu laughed. I really want to show President

Qin’s harem how successful you are now.

qin anlan fastened his seat belt and laughed as well. he coaxed his wife. ” there’s only one main wife left in my harem. you’re the only one who can see my future. ‘

Ye Liangqiu looked at him and didn’t say anything.

qin anlan smiled and started the car. Xiao muyun, who was in the back seat, said softly, ” “Dad, where are we going now?”

“let’s go home! i’ll cook for you.” Qin Anlan held the steering wheel and focused on the road.

At the next turn, he turned into a supermarket. "Go and pick some fresh vegetables. It's getting harder and harder to serve your mother now." "That's because the dishes you make are too greasy." ye liangqiu snorted softly.

at this moment, ye muyun ruined her stage. "it's already very light. you can't even see the oil anymore. "

the father not only doted on his wife but also his son. he smiled and said, "So, daddy will cook your and mommy's dishes separately, okay?"

Xiao mu Yun was naturally happy. She clapped her hands and said, "daddy is the best.

"what do you say?" Qin Anlan stopped the car and turned to look at his wife with burning eyes.

ye liangqiu gave him a lot of face and copied Xiao mu yun's actions. she clapped her hands and said coldly, "daddy is the best!"

Qin Anlan was touched by her bad taste. He looked at her with a meaningful

When they arrived at the supermarket, they placed Xiao mu Yun in the small cart. This was probably the first time Xiao mu Yun had sat like this. It was a little novel and she was especially happy.

Qin Anlan placed his hand on ye Liangqiu's waist. She slapped his hand away and said in a low voice, "what are you doing?"

She didn't want to sit in the car. It was so embarrassing. Besides, she was in 172. There was no way she could sit in the car.

Qin Anlan smiled and looked at her. I just wanted to bring you to my side. I was afraid that I would lose you. Liangqiu, are you thinking too much, or do you really want to call me dad?" she glanced at him.. "are all men so shameless? "

Chapter 1516: life is truly wonderful (part one)

Qin Anlan made her stand in front of him while he pushed the cart from behind. It was as if he was trapping her in his arms.

She was still a little uncomfortable. In a low voice, she said, "an LAN!

"keep your voice down and no one will find out you're ye liangqiu." his low voice rang beside her ear. "otherwise, we might have to escape through the fire escape. you're pregnant. are you sure you can do it? "

She rolled her eyes at him.

"Remember, you are pregnant! I'll be there at any time." Qin Anlan's voice was especially cheerful, as if teasing her was a very pleasant thing. Ye Liangqiu ignored him. She bent down, got out, and took his arm.

this is much better!

He glanced at her.

“not everyone is suitable for you to hug like pei qiqi.” She deliberately angered him, but her voice was really a little sour.

Qin Anlan laughed. In the end, he ruffled Xiao Muyun’s hair and said, “your mother is jealous of Auntie Pei again.”

Xiao Muyun looked at her mother, but Ye Liangqiu pretended not to see her. However, she stomped on Qin Anlan’s foot fiercely.

He pretended to cry out in pain and finally pulled her to his side. “If you step on me again, I’ll kiss you.” She didn’t dare to act rashly and only dared to glare at him ... he was really shameless.

Qin Anlan’s heart was full, but he also felt a little regretful ...

When he saw Xiao Mu Yun looking at them with such big eyes, he must have been out of his mind to make her pregnant so early. If they did not have a child, he could do whatever he wanted now and did not have to worry about having a child by his side.

However, he only dared to think about it. Yingying’s child was already so big!

Qin Anlan pushed the cart and picked out the vegetables with great familiarity. He also bought some milk and so on.

Ye Liangqiu just watched him choose. After a while, she felt a little tired and directly rested her face on his shoulder.

He only glanced at her and smiled, but he bought the things as fast as he could

Ye Liangqiu picked it up and looked at it for a while. Then, she looked at him and asked in a low voice, “what are you doing with this?”

“I heard it’s very useful.” He smiled, took it from her hand, and placed it on the counter.

This was not the main point, okay? “We don’t need this at all,” Ye Liangqiu said through gritted teeth.

“I’m saving it for my harem!” he whispered into her ear because he could not let his son hear it.

Ye Liangqiu glared at him. You dare!

He just smiled, paid the money, and pushed his son and wife home.

On the way back, she kept a straight face.

Naturally, Qin Anlan could see her appearance from the rearview mirror. He only smiled and reached out to adjust his tie. Such a life was so blissful.

It was so perfect that he didn’t want to fight and scheme anymore.

he took them home and prepared two separate meals for them. the two of them ate happily, especially Xiao mu yun. she didn't have a big appetite in the past, but she had probably been hungry for a long time with ye liangqiu, so her appetite was especially good tonight.

qin anlan accompanied him to play with building blocks for a while, then helped him shower and put him to sleep.

as soon as he walked out of the children's room, he saw ye liangqiu sitting on the sofa, hugging a pillow and watching tv.

And it was a melodramatic TV series with mo Xiaoqi in it.

“why are you looking at this?” He said casually as he unbuttoned the top three buttons of his shirt. He sat beside her and stretched out his long arm, sweeping her into his arms and letting her rest her head on his arm..

Chapter 1517: what a wonderful life (2)

Ye Liangqiu's eyes were still on the TV, but her hands were wrapped around his waist. She smiled and said, ” mo Xiaoqi's acting was pretty good. She's acting as herself.

Qin Anlan looked at her for a minute before pinching her face. “what a vicious mouth.”

MO Xiaoqi's resources were lacking by a lot, and most of the credit went to her. She was still making sarcastic remarks, so childish and cute!

ye liangqiu buried her face deeper into his chest, and then she seemed to remember something.”why didn't you give Xia mian a chance when you met her today?”

qin anlan was just about to do something bad, but after hearing her words, his interest did not diminish a little, but he had to slow down.

He looked down at her with a cold expression. After a while, he slowly asked, “You want to know?”

Ye Liangqiu nodded.

qin anlan sighed, 'i met her in hong kong! When Du Yuesheng introduced her to me, I'm sure you knew his intention.”

He had met countless people before, so how could he not know about Xia Mian's intentional or unintentional goodwill towards him?

“Xia Mian's talent isn't bad, but no one can compare to you.” he was indirectly confessing why he didn't let Xia mian stay at KING entertainment. She was a smart person, and she didn't need to explain too clearly to

understand ms Intentions.

ye liangqiu understood and didn't say anything more.

she was just asking casually and was not that generous.

Or perhaps she was not only not generous, but also petty. Otherwise, with her personality, she would not even ask.

she was obviously a little distracted, and qin anlan was a little dissatisfied. he lowered his head to kiss her. he kissed her closely and gently, and his large palm also moved into her skirt.

After all, the two of them were adults. Because she was pregnant and rarely made love, she could not take it even with just kissing and nibbling. He pressed her down and took out 0.01. His voice was a little warm. try this? ” she blushed and pressed her fingers against him. ” “I don’t need it at all!” qin anlan chuckled and bit her ear. ” i just wanted to try. ‘

He made it sound like he was a rookie, but how could she not understand that Yingluo was just bluffing?

This was because Qin Anlan was afraid of hurting her and had been very careful. As a result, he did not control himself well and actually staggered for five seconds!

at that time, he was a little stunned and could not come back to his senses for a long time.

How could he be killed in seconds?

At that time, she was lying there laughing and kicking his shoulder with her fair and tender feet. She laughed happily. Qin Anlan, go and take a look at the Andrology department!

he would let her see if he needed an andrology tonight.

so he bought this kasaya, embarrassed.

Ye Liangqiu hooked her arms around his neck and deliberately whispered into his ear, ” how could President Qin be so unconfident in himself? ‘ He turned his face to bite her lips. if you dare to say it again, I’ll kill you.

“President Qin, we can hurt each other a little.” She chuckled as she sat in his arms and raised her head to kiss him.

her soft lips pressed against his and mimicked the way he kissed her.

however, she did not know what to do after that and could only look at him.

Qin Anlan chuckled deeply and teased her deliberately. didn’t you say we were going to hurt each other? Why aren’t you continuing, huh?”

she retreated in pain. there were tears in her eyes, but she looked much more delicate.

qin anlan had the patience to accompany her, but she had aroused his unprecedented desire to conquer her. he wanted to bully her with the evil interest in his bones..

Chapter 1518 - 1518: What a wonderful life (3)

At this moment, she had aroused his unprecedented desire to conquer her, and he wanted to bully her with the evil interest in his bones.

Hence, he pressed her down and bit her neck. bear with it. Lower your voice.

He sneaked in without taking off his clothes, and got away with it in a few moments. His clothes were neat, and he was only a little disheveled.

Ye Liangqiu leaned on his shoulder and gently bit it, enduring the bone-corroding feeling. probably because she was pregnant, she couldn't take it and bit his shoulder.

Her hands trembled slightly as she held the small box in her hands, almost crushing it. Her voice was even more fragmented."Qin Anlan, Qianqian, didn't you say you wanted to use this?"

he was still warming up and only glanced at the thing in her hand. then, he cupped her face and kissed her vigorously. " you want to use this? Or do you want a longer time?" as he spoke, he threw the box into the bin.

why would he need this to delay the time?

Ye Liangqiu felt like he had been played as he endured his hair-raising whipping.

She bit his shoulder fiercely, but he didn't let her have an easy time.

after a long time, he only ended the pregnancy early because she was pregnant. the two of them were lying on the sofa, sweating. a certain someone, who had been fierce just now, was kissing her so intimately that he was reluctant to let go.

"You're so annoying!" She pushed him away and turned around impatiently to calm herself.

He hugged her from behind and continued to nibble her neck. kick it away after you're done? " he asked with a laugh. Hmm?" he spoke rudely and she kicked him.

qin anlan did not mind. her strength was as small as a cat anyway.

"Who's the one having fun?" ye Liangqiu snorted.

she actually knew that he had been bored to death after she got pregnant.

qin anlan had always been a man with strong desires. if she was not pregnant, he could work from monday to weekend. now that he was doing it once every two weeks, he was naturally not satisfied.

However, he was also considerate and never indulged himself.

She shifted her body and rested her head in his arms. Her voice was a little soft."anlan, i want to take a bath."

He carried her back to the master bedroom and gently served her. Later, when he saw her in the water and her skin was pink, he was a little tempted and did it again in the bathtub.

This time, she was especially long and refused to let go of him even after a long time.

he looked at her enjoying it with her eyes closed and felt a little proud.

he was clearly not feeling so comfortable, but even if he only fed her like this, he was happier to see her groan in comfort than to be satisfied by himself.

After the clouds and rain had dispersed, he carried her to the bed in the cold room.

he was not sleepy yet and coaxed her to sleep.

he had never known that pampering and coaxing one was such a happy thing.

“An LAN!” Her arms were around his neck. you should sleep too.

he hummed in agreement.

“An LAN, am I your pillow?” she asked in a rather delicate manner.

he was slightly stunned, and his gaze fell on her small face. the dim yellow light made her long eyelashes even longer, looking like two thick small fans, which made her feel cute.

His heart was beating a little fast, and he even slowed down his breathing and hummed in agreement.

She buried her face in his neck and smiled. then hug me to sleep.

His mouth was cheap again. I only slept twice just now! liangqiu, you want to sleep again, huh?”

She opened her eyes and glared at him shamelessly!

Chapter 1519 - 1519: a surprise for her (1)

“Alright, go to sleep.” He kissed her forehead lightly. there will be a surprise for you tomorrow morning, Mrs. Qin!

She couldn't fall asleep, and he refused to tell her even after she pestered him for a long time.

in the end, she laid in his arms, gnawing and biting, and ignited the fire in his body.

He wanted to kill her, but thinking of the child in her stomach, he didn't dare to be rash.

he kissed her hastily and said in a rough voice, ” “Time to sleep.” “the baby needs prenatal education.” she looked at him with a rare gentleness.

qin anlan looked on, and his heart throbbed. he was really going to die!

However, she was so delicate because he had spoiled her!

It was all his fault for being spoiled like this! however, he would rather spoil her, so he patted her head, coaxed her to sleep, and told her the story of little red riding hood.

He thought that she was asleep, but he did not expect her to laugh in his arms.

Qin Anlan, you're the Big Bad Wolf who only eats young girls.

His heart softened as he caressed her stomach, which was already bulging slightly.

This was their second child, but his dark history with Liang Qiu had not yet been washed clean.

She laughed at first, but then she couldn't hold it in anymore and laughed out loud. look at you, how many young girls have you harmed? ‘

“Nonsense. Yingluo, you were the one who ate me back then.” he nudged her naughtily.

Ye Liangqiu immediately understood.

She reached out to pinch his cheek and pulled it out, making Qin Anlan’s handsome face look like a Coffee Cat.

“look at you, you’re so funny.” She smiled gently, then kissed him. an LAN, why did you choose me back then? ”

She was talking about her first time.

The light was dim, and her voice was soft and delicate.

qin anlan’s large hand caressed her back as he looked at her seriously. ” do you really want to know? ” she nodded.

he smiled and cleared his throat. ” in fact, it was all arranged by KIME. i was already numb to it. as long as you look good, it doesn’t matter. ” When he wanted her, his numb heart suddenly woke up.

looking at her pained expression, he couldn’t continue.

“Liangqiu, I’m very sorry.” he apologized to her sincerely. ” i have so many past.

On the other hand, she had always been clean. Sometimes, he felt that he had let her down and was not worthy of her, Hanhan. l to qin anlan, who was like a horse, this was rare and valuable. this was also the first time they had spoken so openly, and on such a moving night, it was especially alluring.

Ye Liangqiu rested her face on his chest. ” you don’t have to be sorry. i’ve hated you for so many years anyway.

“are you sure you didn’t miss me for so many years?” he lowered his head and smiled at her.

laughed along. ” no, i can’t even wait to hate you. ‘ he mumbled an “mm” and patted her. “alright, be good. time to sleep!”

Although they had endless things to say, they could talk about it for a lifetime, and now she had to sleep.

Qin Anlan patted her and lowered his head to look at her. She had already fallen asleep. She was sleeping soundly and sweetly. There was a faint smile on the corners of her mouth.

His heart felt a little sweet, but also a little lonely.

She had fallen asleep, and he was left alone. He could still fall asleep after an hour while holding her.

from then on, he would no longer be lonely..

Chapter 1520 - 1520: A surprise for her (2)

ye liangqiu woke up at seven in the morning.

when she woke up, there was a fresh bouquet of white roses beside her pillow, still wet with dew.

There was a fragrance at the tip of her nose, and she subconsciously sniffed it.

she blinked and saw qin anlan standing by the bed. she stretched her back and asked in a soft voice, "anlan, is this the surprise you were talking about?"

he knelt on one knee and reached out to lift her long hair. his voice was also low as he asked, "are you happy?"

she looked at the fresh roses. you went to buy them earlier?" He nodded. yeah, I bought it on my way back from running.

he was running?"

qin anlan held a rose in his hand and used the petals to touch her soft skin from her lips to her chin, then to her neck. when he moved down, her breathing became slightly chaotic, and her voice was slightly panting. "an ran?"

"I'm just venting my energy," he smiled.

his words made her blush slightly.

"you can have more expectations." He leaned over and kissed her on the lips, murmuring.

Ye Liangqiu got up and picked up the bouquet of roses. She saw a diamond ring on one of the white roses. It was about 20 to 30 carats and was shaped like a crown.

qin anlan helped her put the ring on and said in a low voice, "for my queen.

ye liangqiu leaned against the headboard and looked at him. "So you're saying that you'll have to kneel and lick my boots in the future?"

"Yes, I'm kneeling and licking Yingluo." He gently kissed her lips and smiled happily."Liangqiu, do you want me to kneel and lick your boots now?"

She accepted his kiss and wrapped her arms around his neck. Her voice was warm as she said, "how can you be so thick-skinned?"

He laughed. if I'm not thick-skinned, how can I win your heart? '

"Did I?" "how come i've never felt like i've been chased by you?" she looked at him suspiciously.

his body was on both sides of her body. although it was very relaxed, it still trapped her.

he looked at her deeply and said with a chuckle, "then, let's start with kneeling and licking?"

hmm?" as he said this, he licked her lips with a perverted look. "first from here, then down, hmm?"

Ye Liangqiu felt that she had seen a lot of things in the entertainment industry and had seen all kinds of shameless things, but this was the first time she had seen someone so shameless.

“Mu Yun is going to wake up soon,” she said as she kicked him.

“I’ll let him sleep a little longer.” his voice was hoarse. he didn’t tell his wife that he had promised mu yun that he would take her to eat one day, and that little Xin Xin would go to eat that day.

it was a fair exchange of conditions.

ye liangqiu kicked him again. ” president qin, you need to control yourself. ‘

The person who wanted to suck up to her chuckled. I don’t need to do that to my wife.

I’m pregnant! she laughed. she really didn’t know where he got such a good mood from.

qin anlan’s eyes were extremely bright. he bit her neck. ” you’re even more alluring than before. ” his voice was already extremely hoarse.

in the end, ye liangqiu offered her foot. ” you’re not allowed to exceed the knee.

qin anlan looked at her. ” you think i have no other way? ‘

As he said that, he slowed down his movements and she watched him lose his integrity.

The soles of his feet were almost on fire before he finally vented the fire.

As she was drenched in sweat, he leaned in close to her ear and said, ”

Liangqiu, call me hubby.

she didn’t come back to her senses for a moment. he kissed her tightly, and when he let go of her, he said happily, ” “Tonight is our engagement party.” this was the surprise he was going to give her..
