Chapter 1541 - 1541: don't you let go (2)

Su Cheng was a little scared. Her back was empty, and if she wasn't careful, she would fall and break into pieces.

She could only hug him tightly and say softly, "Don't let go."

He paused for a moment, then buried his face in her neck. In a low voice, he said, "no, Chengcheng, I won't.

she trembled and looked up at him.

Was this his promise?

su Cheng did not dare to ask. at that moment, she just wanted to hug him and feel his warmth.

at this moment, she finally felt that she was a woman.

the two didn't dare to be intimate. after all, mother he was still outside. she could still hear their movements.

let's go in and take a walk.

he lowered his voice. "i'll dote on you when i sleep later. "

sleeping time was the only time they could be alone together, yingluo. if his mother hadn't come, he wouldn't have known about his desires. His desire was so strong that he didn't want to miss a single day.

su Cheng pouted, kissed him on the chin, and ran out.

When she left, her face was a little hot.

when she sat next to mother he, she brought a cup of hot tea and put a few wolfberries in it.

He Jin's mother glanced at him and didn't say anything. She took the tea and drank two sips.

' KIME said you like to make some, " su Cheng said. " i saw it at the supermarket today and bought it. '

He Jin's mother glanced at her and slowly said,"at least you're not too stupid." It wasn't a compliment, but su Cheng's face blushed.

Mother he was strict, but she wanted to be close to her. She even wanted to be thick-skinned and call her mother.

she knew that she had been too greedy. she liked KIME, and she also wanted to have a normal family.

She hesitated, and her original thoughts were overturned. She thought that she was still selfish, and the person she loved the most was herself.

when Kie loved her, she was also absent-minded and her thoughts were running wild.

“What are you thinking about?” Kime was covered in sweat. He hugged her from behind, pressed against her, and kissed her gently. As he kissed her, he sucked on her tender neck, which was Su Cheng’s most sensitive spot.

Su Cheng snorted softly and panted. “I’m wondering if your mother will ever like me.”

Kime laughed, and then he whipped her ruthlessly again. As she wailed, he turned her over and kissed her for a while before saying, “It’s fine as long as I like it.”

Su Cheng looked up, her long black hair wet with sweat and wrapped around his body. Her eyes were a little empty and dazed.

How she wished that this moment would last forever.

She felt that she had fallen in love with him, completely and utterly.

In the next two days, although she was still tortured by Mother He and learned a lot of family affairs, she didn’t do it well, but at night, she was sweet and passionate.

He Jin’s mother would return to her hometown on Saturday afternoon, and KIME would send her to the airport.

Su Cheng wanted to go with him, but Mother He had something to tell Kime, so Su Cheng didn’t go. She drove to Qin Anlan’s apartment.

Qin Anlan still did not go to work and stayed at home to mourn for twenty to forty years.

When he opened the door and saw Su Cheng, he smiled. “Why? Aren’t you going to serve your future mother-in-law?”

Su Cheng glanced at him. Brother An Lan, you’re making fun of me too.

Qin Anlan closed the door. How is this a joke? Don’t you want to marry Kime?” This time, Su Cheng didn’t respond because she wanted to.

However, she felt so guilty that she thought that she should go to hell. However, there was a friend here, and she couldn’t bear to leave..

Chapter 1542 - 1542: Don’t you let go (3)

How could Qin Anlan not know what she was thinking? He smiled faintly. Maybe Liangqiu can’t let it go, but she’ll get over it eventually.

Su Cheng pursed her lips and did not say anything for a long time.

She didn’t deserve to be forgiven, but so many people had forgiven her.

She raised her head and adjusted her emotions before entering the master bedroom.

Ye Liangqiu was reading a book. When Su Cheng entered, she closed the book and put it on the bed. You’re here.

su Cheng ran over and carefully knelt in front of her. "are you feeling better now? ,,

Ye Liangqiu smiled and reached out to stroke her lower abdomen. It was already slightly swollen. She looked up and said, "I've been fine for a long time. It's an LAN who doesn't allow me to get out of bed. I feel like I'm getting moldy by lying down like this every day.

Qin Anlan brought two glasses of milk and handed one to su Cheng. He then sat on the bed and personally served his wife. "Even if it's moldy, hubby will lick it clean for you."

su Cheng covered her face and expressed that she couldn't listen to this anymore. it was too embarrassing.

qin anlan glared at her. "you're making a fuss out of nothing! Haven't you been licked by KME before?" not only su Cheng, but even ye liangqiu couldn't bear to listen to this. she kicked him lightly. "Nonsense, "

Qin Anlan expressed his grievance. 'I can't touch you, but can't I just say it?' However, he still gave in to the pregnant woman and said softly and slowly, ' alright, be good. Drink it.

His expression was as if he was going to feed her mouth to mouth if she didn't drink it. Su Cheng stuck out her tongue. "sister liangqiu, you'd better drink it quickly. i'm still a child, and i don't want to see such an eye-stinging scene. '

ye liangqiu took the cup and slowly drank half of it. then, she slowly said, "Didn't you look in the mirror?"

A child? Would the child's neck be filled with hickeys?

Su Cheng screamed, her expression twisted.

qin anlan smiled and drank the rest of the milk. he then gave the two women some space.

After they left, su Cheng heaved a sigh of relief. sister Liangqiu, chick's mother is finally gone.

then, he started drooling, talking about slaughtering chickens and ducks, mopping the floor, and there was not a single speck of dust on the ground.

"She must be a Virgo." Su Cheng concluded.

ye liangqiu laughed so hard that she almost died. she hit the blanket and said, "she actually bought you guys a t-shirt.

it sounded very open-minded, and she couldn't help but laugh again.

su cheng's expression was one of grievance. " "do you know how much she cares about her son? she's super thin and super sensitive."

ye liangqiu smiled and suddenly reached out to stroke su cheng's head. ' chengcheng, if you want to be happy, then be happy.

of course, she knew that su cheng's words were meant to test her.

She wanted to be happy, but she didn't dare to. She had to get her consent first.

silly girl

“Cheng Cheng, you do not owe me anything! You owe Xingyuan. If you want to compensate Yingluo, you’ll have to think about it.” Ye Liangqiu’s tone became serious. Xingyuan cut the brakes and wanted to die together, but you survived, Yingluo.

she took a deep breath and said with difficulty, ” “Then you should also live well for his share.’

Su Cheng was a little moved. Her lips trembled, and after a while, she said, ‘

“Thank you, Sister Cool autumn.”

Ye Liangqiu lowered her eyes and spoke after a long time.”The start of this match is not up to us to decide, but how we end it is up to us, right, Cheng Cheng?” su Cheng hugged ye liangqiu and sobbed.

She’s so bad, so detestable, Yingluo. Can she really be happy?

she had never dared to think that she could fall in love with a man, be loved, and be forgiven!

Chapter 1543 - 1543: That’s right, I’m going to kill you (1)

ye liangqiu hugged su Cheng, her heart heavy.

xingyuan, this decision might be cruel to you. i might feel guilty for a long time, but i don’t think i’ll regret it.

he lowered his head and looked at su cheng. ” you have to be good in the future.

su Cheng was still hugging her, not willing to let go.

&Nbsp; ye Liangqiu patted her. that’s enough. An Lan’s going to get jealous Again if she sees this.

su Cheng bit her lip and let go.

She looked at her watch quietly. It was already four o ‘clock, and it was almost time for Kime to come and pick her up.

it was not easy for his mother to leave. su Cheng thought that she could have a french meal or maybe even watch a movie or something that night. suddenly, she felt that life was so wonderful.

her eyes were sparkling as she looked at ye liangqiu. ” sister liangqiu, thank you. ‘

Ye Liangqiu only smiled.

However, none of them had expected that when mother he was about to leave, someone had maliciously spread some of su Cheng’s indecent photos on the internet.

It was probably taken when su Cheng was in her rebellious stage. In the hotel room, she was wearing a nurse’s uniform. Her posture was unsightly, and her sweat was dripping down her face. She looked lost. It was obvious that it was taken after she had done it with a man.

Without su Cheng's knowledge, just as she was looking forward to a better life, these photos had spread all over the internet.

Qin Anlan saw it, and so did Kime at the airport.

his expression was a little ugly because someone had sent him a link. when he opened it, it was all su Cheng's

he had long known about su Cheng's past. it was not that he did not care, but he had accepted it.

but now that these photos were being spread, especially at a time like this, it was extremely disadvantageous to su Cheng.

he could only send his mother away first.

Half an hour later, Kie watched as the plane to city d took off. He got into the car and called Qin Anlan. President Qin, help me look after su Cheng. I'll be there in a while. Don't let her touch her phone.

"i know," qin anlan said in a low voice.

after he hung up, he pressed on his phone for a while before making a few more calls.

he wanted to use king entertainment's influence to suppress this matter, but the public was especially crazy about this kind of scandal and it was impossible to suppress it.

Furthermore, Qin Anlan knew very well that su Shicheng was behind all this.

after being silent for so long, he finally made his move.

Qin Anlan got up and walked into the master bedroom. Su Cheng was still talking and laughing. When she saw him, she even called him brother Anlan sweetly.

his nose felt a little sour when he heard this, and his heart ached for her.

He knew that su Cheng had been trying to please Kime's mother these days. She used to be so arrogant that she was willing to accommodate such a conservative old man for a Kime. She even killed a chicken.

but now, yingluo's life was ruined. he had met kime's mother and he could not accept these photos and su Cheng.

qin anlan closed his eyes. when he opened them again, he was already very relaxed. "Su Cheng, go get cold autumn a glass of water." Su Cheng looked at him strangely, but she still obediently went.

as soon as she left, qin anlan took her bag and kept her phone quickly.

"an lan, what are you doing with su Cheng's phone?" ye liangqiu asked, confused.

su Shicheng got someone to post some of su Cheng's indecent photos online, "Qin Anlan said briefly. Kime's mother will find out about this sooner or later.

Before that, let's send su Cheng abroad for a while.

for some things, it was not necessarily good to meet force with force. time was the best way..

Chapter 1544: that's right, i'm going to kill you (2)

Ye Liangqiu was stunned. Unsightly photos?

qin anlan couldn't say much. he only reached out and patted her head. " don't worry, i will help her. "

She felt uneasy, but she could not ask too much.

However, they did not know that su Cheng was such a sensitive person. How could she not be suspicious? at that moment, su Cheng was pressed against the door outside. she raised her head slightly and bit her lip.

she knew about those photos. they were taken when she was 19 years old when she was drunk. su shicheng was the one who handled the matter after that. it was great that her good father had a trick up his sleeve.

Su Cheng smiled faintly, but it was a somewhat desolate smile.

She knew all too well what these photos meant. It meant that she was ruined. If it wasn't for Kime, she wouldn't care about this, but now she did.

su Cheng closed her eyes tightly, holding back the tears that were about to fall.

when she returned to the bedroom, she was holding a glass of water. with a sweet smile on her face, she said, " here's the water. "

Qin Anlan took it and fed ye Liangqiu a few sips.

Ye Liangqiu felt that this was the most difficult act he had ever put on.

she looked at su Cheng and felt a lump in her throat. she could not say a word.

they all knew about KIME's situation, and he could not ignore his mother's opinion.

Su Cheng continued to laugh heartlessly. Only she knew that her heart was bleeding.

people who made mistakes were destined to never be happy.

Kime came very quickly. He arrived in an instant.

qin anlan made dinner for them and invited them to join him. after dinner, he called for a friend and said that it was business. su Cheng stuck to ye liangqiu and urged her to pretend that she didn't know anything.

kime sat on the sofa in the study room while qin anlan said indifferently, please send her abroad. everything will be fine when she comes back in two years. "

Moreover, su Shicheng would definitely not only use these two moves. Su Cheng must have a lot of evidence in his hands, so rather than being passive, it was better to leave.

with a cigarette in his hand, Kie looked at Qin Anlan quietly. After a long time, he took a deep puff of the cigarette before saying, "I'm going to send her to Canada." The weather there was cold, but it suited her.

"Are you done thinking?" Qin Anlan snuffed out the cigarette in his hand. "If you've decided, I'll immediately arrange for her to be sent out. Kime, if you're willing, you can go with her. 'I can't leave.'" Kim laughed bitterly.

If he left, he would not be able to explain it to his mother.

Qin Anlan heaved a long sigh. There's no way to suppress this matter. Sorry, please.

Kie was a little touched. He knew that boss Qin had tried his best.

She pursed her lips. "Thank you for everything you've done for me and Su Cheng."

Qin Anlan sighed in his heart. What he could do was limited. He could only help Su Cheng live well in a foreign country. He could not help much else.

The most important thing was to kill Su Shicheng.

If not for Liang Qiu's feelings, he would have directly killed Su Shicheng.

Because cool autumn was there, he couldn't do it.

Qin Anlan narrowed his eyes and made a painful decision.

Sometimes, having too many concerns would cause more harm. It was just that he had never thought that the storm would come so quickly.

Kie brought Su Cheng back to his apartment. He was deep in thought and did not say much on the way.

With one hand on the steering wheel, he grabbed Su Cheng's hand with the other.

Su Cheng turned to look at him and lowered her eyes. "Please, it's not safe to drive like this."

"I'll go slower." There was a hint of fatigue on his gentle face, but he smiled at her..

Chapter 1545: That's right, I'm going to kill you (3)

That smile was very warm. At least, Su Cheng's heart was warmed.

She pressed her face against his arm and smiled gently.

There was a man who was still willing to love her even after seeing her unbearable past. He was still willing to bear all the pressure to be with her. She felt that all the pain in her past had been compensated the best.

"Excuse me, have I ever said that I love you?" he asked softly, his eyes a little hot.

Kime's body stiffened for a moment, then he slowly stopped the car and looked down at her. His voice was gentle. "it's not too late for you to say it now." Really?

Su Cheng blinked and wiped away the tears in her eyes so that he wouldn't see them.

Kime reached out and ruffled her hair. He smiled and continued to drive back to the apartment.

No one could sleep at night.

he was lying on the bed smoking while su Cheng was taking a shower. she had been in the shower for an hour and still had not come out.

he did not rush her because he was not in the mood to do anything.

he was very frustrated. how was he going to tell her about hanhan, or should he just knock her out and throw her on the plane?

just as he was feeling vexed, su Cheng came out.

she was only wearing a white shirt, which was his.

Only three buttons were buttoned, and the collar was loose, revealing her small and beautiful collarbones. The hem couldn't hide anything, and it was slender and tender. The movement of his legs challenged his self-control.

Kime snuffed out the cigarette and said in a hoarse voice, "Come here."

Su Cheng slowly walked over, climbed onto the bed, and moved to his side like a little wild cat.

she propped herself up and looked down at him. suddenly, she pulled out the tie on the bedside table and held his hand, teasing him.

"didn't you want to use that method?" she leaned over his neck and bit him lightly, then bound his hands.

Kime's eyes were deep as he stared at her under the dim light. she sat on top of him like a queen, pressing him down, and her tone was seductive. "remember," hu0 said. "you are a woman now."

With a loud cry of pain, his friend exploded. Su Cheng was a strong boyfriend, but his friend was as weak as a little girl.

the whole process was painful, messy, and crazy (as for the details, i'll just imagine it. in fact, the small author doesn't know either), and i'm embarrassed to call out 'please'.

however, this was only the beginning. after that, su Cheng couldn't smile anymore. once hope exploded, it was simply terrifying.

In the latter half of the night, she was pressed down again and again until she was exhausted.

The two of them were exhausted and fell asleep without washing up.

however, su Cheng did not fall asleep. she opened her eyes when KIME's breathing evened out.

She looked at him silently for a long time, and a helpless smile appeared on her lips.

she once thought that she had been saved, but it turned out that she was not.

“please, i have to go.”

I know how important your mother is to you, and I also know that you will hurt her if you want to be with me.

it's the first time i don't want to hurt anyone. i don't like her. i still think she's old-fashioned and even detest her. but i don't want to make things difficult for you, and i don't want to see her cry and get angry every day. It's my fault. I didn't send a good su Cheng to you.

I'm not worthy of love.

su Cheng hugged him and buried her face in his arms.

he would let her feel his warmth for the last time.

she looked at him longingly for a long time before she got up and put on her clothes.

she took his phone and drove away.

the night was getting darker, and she drove while crying.

This departure would be forever a waste..

Chapter 1546 - 1546: that's right, i'm going to kill you (4)

su Cheng drove into a hotel. there was a room that she had reserved for a long time. she took the room card and went in.

It had a computer, a mobile phone, and everything else.

she walked in and immediately closed the door. she picked up her phone and dialed a number.

after she hung up, she heard the sound of someone kicking the door, but she had locked it.

She turned on the computer and her slender fingers gently tapped on the keyboard. After a while, a video was released. The male and female leads were her and her darling, su Shicheng.

She smiled softly.

did he want to destroy her? in that case, let's be more thorough. we'll hurt each other.

She had given up everything she had, and there was nothing she could not give up.

Reputation, innocence-these were things she didn't have to begin with, so what right did su Shicheng have to possess them?

Su Cheng laughed and cried.

The door was finally kicked open, and four Men in Black entered. Of course, su Shicheng was also present.

when he saw the computer light up, his face changed.

“you've spread it?” his voice was cold and he could not believe it.

Wasn't she with that Kime recently? why did she still dare to post such a video? "right!" su Cheng slowly stood up and looked at su shicheng, a crazed smile suddenly appearing on her face. " dad, we're even now. we're going to be rats on the street. are you happy?"

she chuckled, but her face was full of tears.

su shicheng narrowed his eyes and gave her a tight slap,"You're crazy!" this lunatic! The lunatic he had raised with his own hands had actually destroyed him.

He had misjudged her. She was more ruthless than he had imagined.

su cheng's face was slapped to the side and she did not come back for a long time.

there was a bright red handprint on his face, and traces of blood could be seen. it was clear how much strength su shicheng had used.

"Yes, I'm crazy!" She turned around and continued to smile. what about you? are you not crazy? "

she raised her hand and almost went crazy. " who forced my hands to be stained with blood? who didn't give me a last chance to live? "

Her voice was hysterical and she was almost screaming. you know I love him, but you still did it! i'm going to destroy you! that's right, i'm going to drag you down with me! Su Shicheng, you should have died long ago." su shicheng's expression grew colder,"it seems that your existence in this world is unnecessary." [1]

He raised his hand and was about to order his men to kill su Cheng, but a row of police officers with guns stood at the door.

su shicheng froze.

Su Cheng chuckled. She leaned closer to her face and said in a soft tone, like a complete lunatic, " "dear father, you didn't expect this, did you?"

"if i die, i'll drag someone down with me." she chuckled. " i'll slowly tell you about the shady business you've done behind your back. i'll be a tainted witness. "

su shicheng sneered, " then, what about lin xingyuan? Can you skip over the fact that you killed him? If you kill, it's enough for you to die."

There was hatred in his eyes. He had made up his mind to kill su Cheng, no

but su Cheng was fearless. " even if i die, you won't be able to escape. ' however, su Cheng did not know that fate would not treat her badly. Death was her final destination, but in the end, fate played a kind joke on her.

Su Cheng and su Shicheng were taken away together. Su Cheng was facing criminal charges, while su Shicheng was facing an economic case. He was quickly released on bail by his lawyer.

Chapter 1547 - 1547: Su Cheng is pregnant (1)

It was four o'clock at night when su Cheng saw him.

in the simple and crude battle room, su Cheng had long lost her freshness under the dim yellow light. Tender, her expression was a little yellow, and her hair had lost its luster.

she was sitting face to face with kie.

looking at her, KIME's pupils contracted and his lips were pursed tightly. He clenched his hands on the table and tried his best not to lose his temper.

su Cheng kept her head down and he did not speak for a long time. she looked up at him and said softly, "Actually, you don't have to come."

He must have watched the video. After watching it, he probably didn't want her anymore.

she was such a bad girl. in the future, it would be good for him if he could distinguish between them.

you don't have to come anymore? " Kime repeated her words coldly. you mean i don't need to care about you anymore and we'll break up, is that what you mean?"

His voice was extremely stern. Su Cheng's body froze. She could not move or speak for a long time.

Kie looked at her with pain in his eyes. It was a pain that she could not understand.

If she could understand, she would not have done this.

"Because I can't protect you? is it because i can't give you confidence? Do you think I'll give up just because of a few photos?" There was a touch of desolation in the strictness.

she knew that now that she had admitted to everything, she might be sentenced to death for her crimes.

And he was powerless.

no matter what she was like, no matter how much his mother disliked her and disapproved of their marriage, as long as she was alive, there was still hope.

however, su Cheng had ended all of this.

There was even hatred in his eyes as he looked at her. The happiness she gave him was so dazzling, as beautiful as fireworks in the dark night, but in the end, she ended it all with her own hands.

"su Cheng, i've never hated someone so much." he looked at her. " if you can come out alive, i promise to kill you. "

He spoke fiercely, but his eyes were red. He couldn't save su Cheng because this idiot had told him everything he had done.

He knew her. She wanted to drag su Shicheng down with her and ruin his reputation.

But now that she's involved with me, su Shicheng's astute character will at most suffer a blow to his reputation.

su Cheng was suddenly at a loss. she looked at KIME and twisted her fingers together. "i'm sorry, KIME!" she said softly. If there's a next life, I'll do it. ' he interrupted her before she could finish.

I won't be able to do anything in my next life, " Kie said in a desolate voice.

Su Cheng looked at him and bit her lip, her fingers almost digging into her flesh.

the time was up, but KIME didn't leave. he looked at her.

Just a few hours ago, they were still passionately in love with each other's bodies. But now, she was in such a place. How could he leave so easily?

he had already exhausted all his connections to meet her.

Su Cheng cried and covered her face with her hands. what can I do? " i can't escape. other than su shicheng, i can't escape my own conscience." KIME smiled faintly. he looked at her for a while, but his heart softened.

He grabbed her hand and leaned forward. don't cry. su Cheng shook her head vigorously. " i'm not afraid. i'm really not afraid to kiss you. it's just that i'm really going to lose you. '

she let go of him. her eyes were red and swollen with tears, and her body was trembling slightly.

KIME's heart sank to the bottom of the valley..

Chapter 1548 - 1548: Su Cheng is pregnant (2)

After a long time, he said, " you'd better live well. If you're alive, your last name will be he.

su Cheng was stunned.

KIME looked at her deeply before he turned around and left.

su Cheng sat there for a long time. when she looked up, the dim yellow light stung her eyes. she suddenly covered her eyes and cried hard. she didn't regret it, she really didn't regret it.

After Kie left, he smoked a cigarette outside. He looked up and saw Qin Anlan's car.

he was surprised, and then his eyes were a little hot.

after standing for a while, qin anlan also came out from inside. he was dressed in black and was submerged in the dark night.

"How did you know something happened?" what's going on? " Kie's voice was a little hoarse.

Qin Anlan passed him a cigarette and took one for himself before blowing out a smoke ring. "I couldn't sleep at night, so I looked through the news. It was all about Yingluo."

She paused for a moment. Liangqiu knows about it too. The Lin family said they're going to sue su Cheng.

to liang qiu, this was a huge blow. lin xingyuan's family had always trusted her, but when su Cheng turned herself in, liang qiu's phone rang countless times. each time, it was filled with abuse. in the end, he turned her phone off.

she's so stupid! " kim sighed.

if he had known that his love would drag her down, he would rather not have started.

He was the one who failed to protect her. He felt guilty, but he couldn't tell her about it.

if she did, she would feel even worse.

qin anlan understood kime's feelings and patted his shoulder. " i'll try my best.

However, Qin Anlan knew that if it was only the case of su Cheng killing Lin Xingyuan, he could still get her out of it. However, this matter involved Ya Shi, and even her scandal with su Shicheng. Everything would be even more difficult.

He wasn't confident, and he didn't even know if he could save her life.

kime knew that in his heart, which was why he was in so much pain.

She nodded. President Qin, you can go back first.

"be careful when you drive back," qin anlan heaved a long sigh.

Kime did not leave, he sat in the car for the whole night.

he was just keeping her company. he didn't know how long he could keep her company. every day, every night, every night.

early in the morning, when kie returned to his apartment, he was surprised to see his mother.

He Jin's mother was sitting on the sofa, her face was stiff and there was no smile on her face.

Kie was standing at the entrance, looking at his mother.

After a long time, mother he finally spoke. shuheng, break up with her.

Kime was still standing at the door, looking at his mother.

After that, he slowly put the key on the shoe cabinet, walked over slowly and sat beside mother he.

She wiped her face with her palm and said softly, " mom, I can't let it go. If I could, I wouldn't have started.

mother he was stunned.

she looked at her son, whom she was so proud of, and understood the meaning of his words.

Her blood was boiling and her body was trembling uncontrollably. She pointed at Kime and said sternly, " you've seen clearly what kind of person she is. How can our family want a slutty woman? she's a murderer." mom, if i give her up now, she'll have nothing left. '

Mother he's voice became even sterner, "she's not worthy!" Shuheng, wake up, she will destroy you." although the he family was not very rich, they had always been clean. even a girl like su Cheng would feel guilty if she had even a little bit of it.

i'm the one who destroyed her, " kim said with a sad smile..

Chapter 1549 - 1549: su Cheng is pregnant (3)

If it wasn't for him, she wouldn't have done this at all. She wanted to help him, but how could he leave her alone?

mother he was stunned and murmured,"shuheng, you've lost your mind!" How can you face me, your dead father, and yourself like this?"

mom, I've let everyone down by giving up on her, but I've let down my own conscience.

He looked at mother he, " she might be guilty of a great crime, but I like her and she loves me. Our love is not guilty.

His determination shocked mother he.

She almost couldn't accept her son being like this. She was in a daze, and after a long time, she suddenly fell straight down.

"Mom?" kime called for her and helped her up.

however, he jin's mother passed out and kime took her to the hospital. she had a stroke. fortunately, she was saved in time.

he jin's mother didn't talk to him after she woke up. she just lay down and refused to eat.

he knew that she was silently protesting against him, using her life.

kime was guarding the ward, his heart burning with worry.

Day by day, mother he was still alive, but she was getting more and more Haggard.

she lay there quietly, not looking at anyone or talking to anyone.

mom, have something to eat! Kime said in a low voice as he half-squatted in front of her with a bowl of porridge in his hand.

after this incident, mother he's health was not as good as before. she didn't eat, so her body collapsed directly. she had to rely on the drip to maintain her health.

The doctor said that she had to eat, or it would be bad for her condition. She might even be paralyzed.

The sound of "please" made mother he open her eyes slightly, but she closed her eyes again after a glance, not willing to look at him again.

"as long as you don't break up with her, i won't eat for a day," he said in a light voice.

it's fine if you die. If you die, I won't have to look at your useless appearance. Mother he said as she shed tears.

she shouldn't have let her son come to this world of sensual pleasures. if she had stayed in D city back then, she wouldn't have met such a girl. she had let her husband down, and she had let the family's qianqian down. she hadn't taken good care of her son.

he jin's mother threatened to kill herself, so he couldn't watch her slowly commit suicide.

He had begged and even knelt down, but mother he was unmoved.

Two weeks later, mother he's breathing was weak, and she looked as if she had passed away.

Kime knelt down and cried. He held a bowl of hot porridge and said in a hoarse voice, "Mom, I won't go see her. Yingluo, I don't want her anymore, okay?"

he jin's mother opened her eyes slightly and looked at him. her expression was one of disbelief.

"mom, i'm serious," kim said as he closed his eyes.

However, his tears never stopped.

he was forced to give up on su Cheng. if he did not give up, his mother would die and he could no longer bear the burden of the life of his closest kin.

On the day he received the news, Kie sat alone in his apartment for a long time. He spent a long time in tears, from day to night.

Mother su sat in her wheelchair and looked at her son.

she still did not relent and did not allow him to look at su Cheng one last time.

He didn't mention it, but he became even more reticent.

He would push her out of the park every day, chat with her, and take care of her.

when he went to work, there would be an auntie to take care of her. her body got better day by day, but her heart was getting further and further away from her son.

he would not tell her if he had something to do. most of the time, he would lock himself in the study room for five to six hours.

He lived as usual, but he had lost a lot of weight, so much so that he was almost out of shape.

Mother he always wanted to speak, but in the end, nothing happened. She told herself that she made the right choice. If she let go, shuheng's life would be over.

Qin Anlan looked at him and asked in a serious tone, "aren't you going to visit her?" there wasn't much time left, only about half a month.

Kie's eyes were a little hot. He flicked the cigarette ash away with his thin fingers. He looked at Qin Anlan and smiled. However, there was no smile in his eyes, and there was no soul in them.

even qin anlan felt his heart ache when he saw this, and he could not blame her.

KIME had no other choice in this battle.

KIME raised his head and said softly, "Tell her that I'm waiting for her to finish her next life.'

He had once told su Cheng that he did not want a next life, but now he could only wait for her next life. In this life, they were not fated.

he thought that he wouldn't get married again. he would wait for his next life.

at that time, he could still tell her that she owed him su Cheng and that he had waited for her for so long.

He thought that if he had someone else, she would probably ignore him, so he had to be clean.

Qin Anlan's throat seemed to be blocked, and he only spoke after a while, "I will," he paused for a moment. "excuse me, if there's a lifetime, would you still want her? „

KIME's eyes lit up for a moment, but then they dimmed again.

After a long time, he said softly, "I can wait, but can she?"

su Cheng is pregnant. Your child. Qin Anlan's voice was very calm, but it was like a super bomb had been dropped in Kime's heart.

He looked at Qin Anlan with a burning gaze. The hand holding the cigarette kept trembling, and he tried his best to stabilize it, but he could not.

he could only look at qin anlan like that. after a long time, he said in a hoarse voice, "Really?" qin anlan nodded. "it's only been a month! if she performs well later on, it might become twenty years, or even ten years."

Kime took a deep puff of his cigarette, but his fingers were still trembling.

he looked at qin anlan with his cloudy eyes and clenched his fist. "i will wait for her. ' su Cheng, i will wait for you!

He cried again. This time, it was tears of joy.

So what if they weren't together? they would be reunited eventually, and their child would be there too.

One day, when he went back, he pushed mother he to the park. Mother he could already walk, but most of the time, he still pushed her.

When there was no one else around, Kime knelt down and looked at his mother. He said softly, "Mom, su Cheng is pregnant.."
