

Thank you 1571

Chapter 1571 - 1571: Now, it hurts (3)

She would stay in the SU family and watch him die of old age. She wanted to end him with her own hands.

Even if she had lost everything, including an LAN.

Even if she was disgraceful, she would do it!

She knelt down and used her sleeve to wipe the blood off Mrs. Qin's face.

then, he combed her hair neatly. she had always been a decent person, so she had to leave with dignity.

“mom, i'm sorry.” she had no other choice.

When the fire rose to the sky, her fingers tightly clutched her stomach. The child kept moving uneasily.

baby, this is your grandmother. when you are born, you won't be able to see her.

But, mommy will always remember Yingluo.

ye liangqiu stood there, stupefied, her hands hanging by her sides. she was powerless. she couldn't save madam qin. she could only choose to let her leave with dignity.

The sound of burning was like the sound of flowers quietly blooming in the dark night.

the burning and blooming red flowers were the last fireworks of life.

in the midst of the fire, outside the wooden cell, qin pei's hands were firmly holding onto the wood. her long nails dug into her flesh, and dark red blood flowed down her thick and black skin, looking shocking.

his rough and dirty hair covered his face, and his expression could not be seen. only a pair of listless eyes could be seen, looking in the direction of the stairs.

“hongke.” Qin PEI mumbled his wife's name. It was only then that he suddenly remembered that they were still husband and wife.

Back then, they had not divorced, and he had taken his first love and left.

why are you so stupid? it's not worth it. i'm not worth it. On his face, there were two clear lines of tears.

however, the tears came too late.

was that fire hong ke?

Hong Ke urged him to let out a shrill cry, but his body began to sink, and he returned to the dark place.

After that, when he returned to the human world, he could no longer see that face.

The last memory he had of her was those two lines of tears.

I'll only cry for one person in my life.

She had shed all her tears for him, but he only confessed to her in the end.

Ye Liangqiu drove back to Mrs. Qin's residence in a daze with Mrs. Qin's ashes. as soon as she went back, the things she was holding shocked su xiu. " liangqiu, you're pregnant. how can you hold such an inauspicious thing? it'll be terrible if the old lady sees it later. ' ye liangqiu's eyes were a little dull. " aunt su, mom is here. "

su xiu looked around and patted her chest. this child is possessed. I don't know how an LAN takes care of him. How can he touch this kind of thing? "

She reached out to take it away and throw it away, but she scalded her hand the moment she touched it.

why is it so hot?

Ye Liangqiu hugged her tightly, her eyes staring straight at su Xiu. mom is inside.

su xiu was stunned. then, his facial muscles began to tremble and he began to panic.

Old lady, where's old lady?

the old lady said that she was taking a nap, but why was she not around for hours?

Su Xiu's eyes were fixed on the thing in ye Liangqiu's hand.

She didn't believe it. She had to see the old lady.

the old lady must be sleeping soundly in her room, and liang qiu must have been possessed.

Definitely, Yingluo.

the door was flung open, but mrs. qin was nowhere to be seen.

Su Xiu stared at it for a long time, and then she heard a scream from the little maid downstairs..

Chapter 1572 - 1572: Cold autumn, tell the truth (1)

Su Xiu stared at it for a long time, and then she heard a scream from the little maid downstairs.

she ran down and saw ye liangqiu slowly fall to the ground, but she was still holding the box in her hands.

She reached out to open it and saw that there were seven or eight big blisters on her hand.

su xiu was stunned and held the box for a long time.

old lady, is this you?

her hands were burning, and her heart was trembling.

after a long time, su xiu let out a sorrowful cry and fell unconscious.

it was just that the box was in her hands. similarly, su xiu's hands were also scalded.

The wound on their hands would never be erased.

when ye liangqiu woke up, she was on the bed in the bedroom upstairs. as soon as she woke up, she felt a burst of heat on her hand. It was a burning pain.

He raised his hand and looked at it. His hand was wrapped in white cloth and had been bandaged.

“You're awake?” a familiar gentle voice rang in her ears.

ye liangqiu sat up in surprise. it was doctor mei.

Doctor Mei sat by the bed. His voice was still gentle, but his expression was indescribably serious. an LAN is handling her mother's funeral, so she asked me to take care of you. ye liangqiu heard the sound of chanting coming from downstairs. it was like the door to that world.

Liangqiu, an LAN is very sad. You have to be more understanding. doctor mei was familiar with her and doted on her like a junior.

She knew Mrs. Qin well. Although it was sudden, she felt that Liang Qiu must have suffered a huge blow.

there must be a conspiracy behind this accident.

she hoped that she could convince liang qiu to tell her the truth so that they could catch the murderer and comfort hong ke's soul in heaven.

at this point, doctor mei's eyes turned red. she was a doctor, and by right, she could see through life and death.

however, hong ke had turned into a jar of ashes for no apparent reason. even she could not accept it, let alone an Ian.

An LAN had been painstakingly brought up by Hong Ke, and she had even handed over the management of King Entertainment to an LAN. How could she accept such an ending?

Ye Liangqiu hugged her knees and buried her face in Qianqian. The thought of Mrs. Qin leaving made her body tremble.

she couldn't say it. she couldn't tell an Ian the truth. he wouldn't be able to take it, and he would live in the shadows for the rest of his life.

she did not speak, and doctor mei sighed softly.

she shouldn't meddle in this matter.

As they were talking, the door opened and a slender figure stood at the door.

mei looked at ye liangqiu for a moment, then patted her shoulder. ” you guys continue. i'll go down and light some incense. ‘ she walked out and whispered at the door, ” “I remember that she's pregnant.” there was no expression on qin anlan's face. his usually handsome face was cold.

He clenched his fingers and pursed his thin lips into a straight line. aunty Mei, you can go down first.

doctor mei sighed softly and went down first. however, when she reached the middle of the stairs, the door to the room upstairs was slammed shut. her heart trembled. she wanted to go up, but she felt that it was inappropriate.

finally, he sighed and went downstairs.

downstairs, su xiu knelt in the mourning hall. dressed in plain white, she looked at madam qin's photo before she died in a daze.

he was also a pitiful man. he urged doctor mei to sigh.

Su Xiu had been with Mrs. Qin since she was a child. They grew up together and followed her to the Qin family. After Qin PEI left, su Xiu had accompanied

Hong Ke for half of her life.

now that hong ke had left, su xiu's entire person seemed to have collapsed, as if there was no life left in her..

Chapter 1573 - 1573: cool autumn, tell the truth (2)

doctor mei walked over slowly and took the paper money from su xiu. as she burned it, she said in a low voice, when she was around, you treated her as your master and followed her for the rest of your life. Now that she's gone, you should take good care of yourself. Su Xiu, Hongke has never treated you as a person. She just wants the best for you.

su xiu was still looking at the old lady's photo in a daze, and her tears had not stopped.

After a long while, she said softly, " if she were old, I would also find a quiet place, buy a piece of land, and enjoy a few years of peace. But she just left for no reason. It felt like a piece of my heart was dug out by someone.

she turned her head to look at doctor mei and said, "i have hatred in my heart!" I know it was that bastard who did it, but I don't know why young Madam didn't say anything." only ye liangqiu knew the truth.

But now that the old lady's body was gone, none of them knew what had happened, Yingluo.

and no matter how much an Ian hated him, he would not be truly heartless to young madam.

mei lit up an incense stick and slowly bent down. a moment later, she looked at mrs. qin's portrait and said with a calm but firm voice, " "Su Xiu, do you believe that time will tell the truth?"

Moreover, she believed that Hong Ke would not dote on Liangqiu for nothing.

that child's attitude was forbearing. she was not such a heartless person.

unstairs.

Qin Anlan slammed the door shut. His expression was dark, and it seemed like a storm was brewing.

He wasn't a fool. She had brought his mother back and he hadn't said a word.

the person she was trying her best to cover up and the truth she was trying to cover up was definitely related to su shicheng.

"Can you explain?" He looked at her as he slowly walked over.

he walked past her and walked to the window, looking out.

his entire back was straight, but he was afraid that he would lose control and hit her.

she didn't say anything. he took out a crumpled pack of cigarettes from his pocket. there was only one in it. he took it out and lit it with his lips, taking a long drag.

He didn't turn around and waited for her to speak.

After smoking half a cigarette, he finally turned his head slowly, his gaze landing on her face. ye Liangqiu, is this your choice? "

Did he choose to tolerate such a despicable man and forget about his mother's death?

"I didn't." she raised her head and looked at his beautiful face.

in just a few hours, she had experienced life and death, while he had experienced a life and death separation and betrayal.

"no? then tell me, how did my mother die and how did she turn into ashes?" He closed his eyes and asked in a hoarse voice.

ye liangqiu replied numbly, " i saw mom being killed in a warehouse, and then i ran.

She couldn't finish her sentence. She knew that lies were the easiest to expose.

The more she said, the more flaws she would reveal.

qin anlan turned around and slowly walked toward her. he held a cigarette in one hand and pinched her delicate chin with the other. he looked at her coldly.

" and then what? " It was burnt to ashes, wasn't it?"

Her eyelashes and lips trembled as she looked at him.

after a long time, she finally said,"yes." he tightened his grip on her. " ye liangqiu, do you think i'm an idiot? "

his handsome face closed in on her, and his eyes were stormy. " who are you trying to hide? hmm?" no matter what happened, he could indulge her.

no matter what it was, she could have it.

he wouldn't even blame her if she took KING entertainment away. But that was his mother, who had turned into a pile of ashes. She came back without saying anything..

Chapter 1574 - 1574: cold autumn, tell the truth (3)

Their faces were very close to each other, and their eyes were so close that they could almost see each other in the eyes.

“no, i didn’t!” She closed her eyes. when I arrived, it was already like this,

Yueyue. I saw mom for the last time.

Her body stiffened as she spoke.

Her chin was almost crushed.

“You think I’ll believe you?” he looked at her with disappointment and his voice became even colder. ” i’ll ask you one last time, ye liangqiu. have you made your choice? ‘ she covered her face with her fingers ...

An LAN, I can’t choose. Yingluo never did. she raised her eyes and looked at him. tears flowed down from the corners of her eyes, but she did not wipe them away.

” will you hand me over to the police? ” she asked with a faint smile.

“I will!” He did not hesitate.

That one word represented a break, represented his choice.

Ye Liangqiu raised her head. then let me go!

“but before i go, i’ll light some incense for mom.” she said in a low voice.

as soon as she finished speaking, she was slapped hard on the face.

Her face was slanted to the side. There was a handprint on her usually fair face, and it was even swollen.

she looked away for a long time and couldn’t turn around. she gently touched her face with her bandaged hand and asked softly, ” ‘You won’t even give me this chance, right?’”

“You’re not worthy.” Qin Anlan spat out these three words coldly.

She was in pain, but he was in more pain than she was.

in one day, he had lost two women he loved the most.

qin anlan called the police, and ye liangqiu was taken away and detained. She didn’t defend herself and only said a few words at the police station.

During those few days, the sky above B city was heavy.

on the day of mrs. qin’s funeral, it was drizzling. qin anlan stood in front of her grave for the entire day.

He was drenched by the rain, and his face was wet.

ye liangqiu's call history had been found. before the incident, su shicheng had called her.

but she didn't say a word in the prison.

Qin Anlan did not look at her. He knew that he was cruel, but he could only be cruel to her.

he did not want to divorce her ...

There was no need for that.

He wasn't willing to let her go, and he was even more unwilling to let himself go.

He wanted her to bear the name of Qin Anlan's wife for the rest of her life.

The gravestone was soaked by the rain. He slowly squatted down. His tall body was dressed in black, which made him look even more solemn. "mom, i still can't stop loving her. i still can't be so heartless to her." he rested his head on the tombstone in a daze.

On the gravestone, Hong Ke's young face was smiling, but water had fallen on it, and she looked like she was crying.

The sky gradually darkened, but the mysterious darkness did not leave for a long time.

The sky was covered in dark clouds. The sky above B city was so dark that it was hard to breathe.

the next day, qin anlan went to the guard post to see ye liangqiu. when she came out, she had lost a lot of weight.

She looked up at him when she sat down.

he had lost weight, but his facial features and eyes seemed sharper and more unfriendly.

she had never seen qin anlan like this.

she couldn't imagine what would happen to an Ian if he found out the truth and qin pei was killed.

She couldn't imagine that she would rather be the one being hurt. "have you thought about it?" his voice was hoarse and without a trace of emotion.

Ye Liangqiu looked at him for a long time, then said, "an Ian, you've lost weight.."

Chapter 1575 - 1575: i still miss her (1)

Perhaps, this was the last time she could show him her concern openly. If they met again in the future, she would be his enemy.

He hated her the most.

Qin Anlan's body was leaning against the chair behind him. He was wearing a black shirt with two buttons unbuttoned. He wore a windbreaker of the same color. This reminded her of the Qin Anlan of the past.

he didn't know when, but his temperament had been restrained a lot, and now, it had all gone back.

she felt a little upset, but it was her own feeling. it was her own choice. he had indeed lost a lot of weight, but she had lost even more.

“do you have anything else to say to me other than this?” he took out a cigarette and put it in his mouth, but he did not light it up. instead, he kept staring into her eyes. Ye Liangqiu pursed her lips, lowered her eyes, and then raised them again. She looked at him with a pleading gaze.”How is mu Yun?”

He removed the cigarette from his lips and stared at her for a long time before he asked sternly, ” “ye liangqiu, do you still remember that you are mu yun’s mother?”

“Do you still remember that you’re carrying my child?” if you remembered, you wouldn’t treat yourself so cruelly, and you wouldn’t force me!

qin anlan’s handsome face looked at her, and his adam’s apple kept rolling. she was still looking at him with pleading eyes.

Qin Anlan pursed his thin lips and smiled coldly. you can ask Muyun after you’ve thought it through!

she knew what he meant. if she didn’t tell him the truth, he would be cruel to her. perhaps she would never see mu yun again in this life.

it wasn’t that she didn’t hesitate at that moment, but she gave up in the end.

“Ye Liangqiu, once you’ve decided on something, you must do it. You can’t give up and be weak because of a moment of soft-heartedness!

“I’ve already said everything I should.” she said bitterly, her fair and slender fingers clasped together and gently wrapped around each other, pretending that one of her hands was his.

she looked up at him passionately. would they still be together in the future?

After she had betrayed him, after he had hated her to the core.

Ye Liangqiu didn’t know. She only knew that there was no turning back.

If she gave up now, Qin PEI’s life would be gone. An Lan’s mother would not be able to rest in peace, and an LAN would be in pain for the rest of her life.

would they be happy if su shicheng’s mother’s crimes were to be held between them?

no, even if she said it, they would not be happy.

An LAN couldn’t get over him because she was his mother.

Qin Anlan looked at her and said in a deep voice, ” I’ll give you three more days.

He got up and walked towards the door.

ye liangqiu looked at his back and felt a sense of desolation.

“an lan.” she called his name softly and anxiously.

he turned back to look at her, his face cold, and said word by word, ” “miss ye, you should worry about yourself because you might be charged with murder.”

she pursed her lips tightly and her face turned pale. then, she chuckled. ” thank you for your reminder. ” you don’t need to thank me. This is a warning. he looked at her deeply.

he looked at her. she was wearing a set of blue clothes and sitting there, looking haggard.

this was his newly-wedded wife, but at this moment, she was like a passerby.

he felt a little sad and immediately turned to walk out.

when she was outside, her eyes were a little hot. she blinked a few times before closing her eyes.

“president qin, i’ve asked her. she’s doing well here. she even has special treatment in terms of food and accommodation.” kie said softly..

Chapter 1576 - 1576: I still miss her (2)

Qin Anlan slowly opened his eyes and turned around to look at the house behind him.

After looking at it for a long time, he got into the car.

kie followed her up. his heart was heavy because su Cheng had also gone in not long ago.

Kie turned his head and looked at Qin Anlan’s cold face. He said softly, ” “since you care, why don’t you take it slow? i believe that miss ye would not do such a thing. ”

Qin Anlan was silent for a long time before he spoke, ” “I can give in to anything, but not this.”

his mother had turned into ashes in an instant. she had hidden the truth for su shicheng. he could no longer live with her, could no longer face her face, and could no longer face his mother in hell.

however, he still couldn’t be cruel to her. he even cared if she was eating well or if she could sleep.

He hated himself for being like this. He told himself that it was all because of the child in her stomach.

However, in the dead of the night, he still missed her.

he hated himself.

kie sighed and did not dare to say anything else.

saying too much would not save anything.

The car drove slowly to the apartment, and Qin Anlan sat in the car for a long time.

“President Qin?” Kime’s voice was soft.

“go back to the company first. call me if you need anything.” Qin Anlan opened the door and got out of the car.

He took the elevator to the top floor. Mu Yun was at home, and su Xiu was taking care of the child.

ever since the old lady had passed away, su xiu had not eaten or drunk anything. she had been nagging at the old lady. she could not go on like this. therefore, qin anlan had brought su xiu and mu yun here. he said that he wanted her to take care of mu yun, but in fact, it was just to give her some spiritual sustenance.

Qin Anlan did not go in immediately. Instead, he smoked a cigarette outside before entering the house.

when she opened the door, she saw an uninvited guest sitting on the sofa.

Xia Mian!

qin anlan's hand was on the door. he did not close it and looked at the girl quietly.

for a moment, he thought it was cool autumn.

liang qiu, who was a few years younger, came back, but after taking a closer look, she saw that it was Xia mian.

Xia mian was wearing a white dress as she sat on the sofa, playing aeroplane chess with mu yun.

her expression was especially pure, and the way she looked at mu yun was also pure.

Qin Anlan leaned against the door and said in a cold voice, "miss Xia, no one invited you over.

Xia Mian raised her eyes in shock and looked at Qin Anlan. After a while, she said with some difficulty, "I just wanted to take a look,"

as she spoke, her slender white fingers twisted together, looking a little helpless.

qin anlan had seen many women, but he was still cold. "what are you here to see? you're here to see if there's a missing female master in this house, aren't you?"

"i didn't!" Xia Mian's voice was urgent as she stood up.

Her face was tense as she firmly said, "President Qin, I'm not the kind of person you think I am. i just came from my hometown and heard that something happened to your family, so i came to show my concern. i, yingluo, have no ulterior motives."

"miss xia, let me remind you again!" however, qin anlan seemed to be unable to tolerate it. "we don't have any friendship. we just know each other. do you understand? i don't want you to disturb my life anymore. "

Xia mian's face turned even paler.

Her lips moved, but she couldn't say anything for a long time. After a long time, she lowered her head and said, embarrassed, "I'll leave immediately.

however, just as she was about to leave, su xiu came out of the kitchen. "why did you leave, miss xia? we're going to eat soon.. "

Chapter 1577 - 1577: An uninvited guest (1)

Xia mian picked up a denim jacket on the sofa and said in a low voice, “no need to trouble yourself, auntie su. i’ll eat in the dormitory.”

Su Xiu untied her apron and glanced at Qin Anlan. She slowly said, ” “i was the one who asked miss Xia to stay for dinner. this child came to see us early in the morning, it’s not too much to have a meal with her, right?”

qin anlan had always respected su xiu, especially when the old lady passed away. su xiu’s grief was no less than his.

At this time, how could he not give her face? so, he did not say anything and went straight to the bedroom to change his clothes.

She was wearing coffee-colored casual pants and a white sweater. She looked very homely. In addition, she had lost weight recently, so she had a melancholic aura.

Xia Mian’s face was a little hot, and she didn’t dare to look at him. She turned her face away and mumbled,

Qin Anlan walked over and carried mu Yun to the dining chair. Su Xiu called out to Xia Mian, ”Miss Xia, please sit with us!”

Xia mian carefully walked over and sat down at the end of the table. she looked a little uncomfortable.

she didn’t come from a good family, so she wasn’t used to everything here.

although she had been to some occasions, she still felt uncomfortable.

When she had passed by the master bedroom, she had sneaked a glance at a huge picture of ye Liangqiu.

and that super size bed, her mind was filled with the scene of them doing that kind of thing on the bed.

It couldn’t be waved away!

Xia Mian looked at it for a long time, and her heart was filled with deep jealousy.

As she thought about it, she raised her eyes and gave a piece of red braised meat to Xiao mu Yun. be good, eat more. You can only gain weight if you eat more.

ye muyun didn’t eat. instead, he looked at Xia mian.”the male chopsticks.” Xia Mian froze for a moment and couldn’t help but say, “What?”

“Don’t you have saliva on your chopsticks?” ye muyun’s voice was the same as qin anlan’s, filled with impatience.

Only then did Xia Mian understand what he meant. Her face turned red, and she quickly put the piece of meat back into her bowl. She then picked up a pair of public chopsticks and began to eat.

“Also, I don’t like to eat meat.” Ye Muyun’s voice was a little cold, completely unlike the tone of a seven or eight-year-old child. In Xia Mian’s ears, it sounded a little difficult to deal with.

She used to have a good time with him. Xiao Muyun was a well-behaved child who was easy to get along with.

She was embarrassed and her face was a little pale. She looked at su Xiu for help and said, ” aunt su.

“i originally thought that you were here to apply to be a nanny.” Xiao mu Yun said directly, not being too polite.

Qin Anlan did not stop her. Initially, Xiao Muyun’s thoughts were also his.

he was very dissatisfied with a woman who had suddenly appeared, but he was helpless against su xiu. so at this time, he did not correct his son’s impoliteness. instead, he was glad.

su xiu gently ruffled mu yun’s hair. ” you can’t be so rude! ” big sister Xia mian came to see us.”

“Is she here to see dad? You want to be my new mother?” Ye mu Yun’s voice was merciless and didn’t have the sharpness of a child.

tears were already welling up in Xia mian’s eyes. after a long time, she finally said softly,”president qin, i’ll leave first!”

Su Xiu didn’t quite agree.

qin anlan acknowledged her. ” i’ll send miss Xia off. ”

He thought he still had something to say to her. He didn’t want to face or deal with her, but in order to avoid trouble in the future, he still wanted to make things clear with her.

Xia Mian was a little surprised. A light flashed across her eyes, but when she met his eyes, the light quickly dimmed.

after a long time, she said softly, ” no need. i understand what you mean.. “

Chapter 1578 - 1578: Uninvited guests (2)

Qin Anlan’s eyes dimmed. miss Xia, I think I’d better send you down!

his tone had a touch of dominance. then, he opened the door and walked out first.

Xia Mian had no other choice, so she pursed her lips and followed him out.

Outside the door, Qin Anlan was leaning against the elevator. There was a faint blue color on his chin, and he looked dispirited like never before. He looked very tired.

Xia mian slowly walked over until she was about two steps away from him. “president qin?

“go down!” he did not look at her and pressed the elevator button.

Xia Mian anxiously followed him into the elevator. The mirror in the elevator reflected the two of them. Xia Mian’s eyes were a little misty as she looked at them.

At this time, he was almost single. He had been abandoned by ye Liangqiu, so why couldn't she take advantage of him?

she told herself that if she lost this chance, she would never have another chance.

qin, wanwan! ” she bit her lip and suddenly had the courage to say, ” i like you. ‘

As if she was afraid that he would overthink, she added, ” it's only because you are Qin Anlan. There's no other reason.

qin anlan's gaze was fixed in the direction of the electric elevator door. he did not respond immediately after hearing her words.

after about five seconds, the elevator reached the first floor. he walked over and pressed the elevator button, saying in a calm voice, ” “miss xia, don't come again.” he didn't even reply to her, treating her like air and not a necessity.

Xia mian was a little shocked. in her mind, he should be the one being gently comforted, but when he faced her, when he saw a face that looked like ye liangqiu's, he was completely indifferent and his performance was impeccable.

Xia mian was embarrassed once again.

She was unwilling to give up and quickly grabbed his arm. She looked up at him and said, ” I want to be with you.

qin anlan lowered his head and looked at her hand that was touching his.

a moment later, he reached out to take her hand away, his voice still indifferent. ” i have a wife, ms. xia, please watch yourself! ‘

However, Xia Mian didn't want to give up. She looked up and asked in an excited voice, “why?” how is she still your wife? she did that kind of thing, yingluo!”

qin anlan suddenly grabbed her hand, and with a loud bang, Xia mian's body was thrown against the elevator wall.

his body was pressed tightly against her, almost squeezing out all the air in her chest. he looked down at her coldly and pinched her chin with one hand.

He lowered his head and his handsome face was very close to hers. The breath that came out of his thin lips was also cold.”what right do you have to criticize her? Eh? Just because you've seen me a few times, just because you're young and good- looking?”

Xia mian breathed desperately as her chest heaved up and down. she looked at the man in front of her. no, at this moment, he was as cold as the god of death.

But this kind of indifference was desperately attracting her.

She could not resist.

“No!” she shook her head and wrapped her arms around his shoulders. ” i want to love you. i want to take care of you, hanhan. i don’t ask for a status. i can even help you take care of muyun. ”

He squinted his eyes, and one of his hands moved down ...

Xia mian gasped. qin anlan had never done something like this to her before, let alone in the elevator.

she trembled but did not refuse.

He stared into her eyes and said in a deep voice, ” Xia Mian, this is what you want, right? ”

She desperately shook her head and nodded, her eyes full of tears.

No man had ever treated her like this before..

Chapter 1579 - 1579: uninvited guests (3)

However, Qin Anlan let go of her after two seconds and took a few steps back.

His eyes were filled with a cold glint, and the corners of his mouth were curled into a cold smile. to me, she’s just a prostitute!

Xia mian’s body fell against the elevator wall, her fingers pressed against the cold wall behind her.

She should have left. She had been deeply humiliated by him. He rubbed her twice, but said that she was no different from that kind of woman.

Xia mian was a prideful person, but she didn’t have this kind of arrogance in front of qin anlan.

She gasped for air and stepped forward gently. She reached out and caressed Qin Anlan’s forehead. I don’t care. I just want you to be happy.

Her hand was pushed away, and her body hit the wall again. This time, he just looked at her coldly. do you think I’ll take it just because you give it? ‘

he pursed his thin lips and said sternly, ” miss xia, go back to your own world and don’t provoke me. otherwise, i’ll make sure you can’t survive in B city. ”

Xia Mian blinked and finally stopped crying.

she finally understood that the man in front of her didn’t need her. he wasn’t being pretentious, he wasn’t playing hard to get, he wasn’t playing any tricks, he really didn’t like her.

She did not understand why he did not like her.

she clearly looked very much like that person.

But in the end, he still left without any reluctance. He treated her like air, or even trash.

qin anlan smoked a few cigarettes outside before going back. when he walked in, su xiu was busy in the kitchen while ye muyun was sitting on the sofa, looking a little lonely.

the little guy had not asked anything since the incident.

Whenever Qin Anlan looked at him, he would think of ye Liangqiu, and his heart ached.

She walked over slowly, reached out to pick up her son, and pressed his little head into her arms.

Xiao Muyun buried her head in her hands and wrapped her tiny hands around his waist. This small action let Qin Anlan know that the little guy was actually feeling uneasy.

he did not say anything, but it did not mean that mu yun would not think about it.

“why did you play with her before?” his voice was deep and slow as he asked Xia mian.

from ye muyun’s attitude towards Xia mian, it could be seen that he didn’t like Xia mian, but Xiao muyun had a good relationship with Xia mian before.

The little guy in his arms said in a muffled voice, ” I just wanted to see that face. Will daddy like her because she looks like mommy? ‘

Qin Anlan’s heart was wet. He reached out and ruffled his son’s hair, his voice hoarse.”I won’t. tather won’t like her. ”

Xiao mu yun buried her head into her father’s arms again. after a while, she asked softly, ” then, does daddy still like mommy? ”

this time, qin anlan did not answer him immediately. he sighed slightly and reached out to stroke his son’s hair without saying a word.

su xiu came out of the kitchen and was stunned when she saw the father and son.

after that, he slowly asked, ” has miss Xia left? ”

Qin Anlan patted his son in his arms and acknowledged him. He then said, don’t let her in in the future. She doesn’t have many contacts.

Su Xiu was taken aback. Then, she slowly said, ” at this time, it’s also good for Muyun to be able to interact with some people. Besides, Wanwan, an LAN, you should also consider your future.

there was a strong hint in her words. how could qin anlan not hear it?

Not only did he not consider it, but he also did not agree with it. He frowned.

aunt su, don’t say these things in front of mu Yun.

mu yun was a sensitive child. if she said too much, he would overthink..

Chapter 1580 - 1580: 1582 -have you thought it through?

However, su Xiu didn’t think so. this has to be brought up on the table in the future.

In her heart, ye Liangqiu was a good person, and an LAN loved her very much. However, she had married into the Qin family. Now that the old Madam had met with such a major incident, her heart was not on an Lan’s side. This meant that she had made a choice.

What was an LAN still hesitating about?

Cutting ties with her now would be beneficial to both him and King

Entertainment.

she also knew that an Ian still harbored hope in her heart and was giving her a chance.

But after so many days, if ye Liangqiu had any courage, he would have stood up and spoken.

it was a pity that the old lady doted on the wrong person in vain when she was alive. she didn't even get to see her son when she was old.

Su Xiu didn't hate ye Liangqiu that much, but she did blame her.

At this moment, an Lan's heart was in pain. If an LAN and miss Xia were together, it would be a temporary comfort.

qin anlan's voice turned cold. " aunt su, i've never said that. " the divorce.

su xiu originally wanted to say something, but after seeing his expression, she did not dare to say anything.

although he treated her like family, she was still a servant.

Xiao mu yun looked at her father and pursed her lips. after a while, she asked softly, "Dad, will you divorce mom?"

Qin Anlan lowered his head to look at his son and smiled. I won't.

Xiao mu yun did not dare to ask for his mother. he knew that if he continued to pester her, he would only make his father upset.

su xiu sighed and returned to her room.

Three days later, in the guard post.

qin anlan slowly walked into the guest room and saw that ye liangqiu was already sitting there.

It had been three days since they last met, and she had not changed much. She still looked fine.

qin anlan sat down and looked at her deeply. " have you thought about it? "

Ye Liangqiu's gaze was even more fervent than his, and there was a look of nostalgia on her face.

she looked at him quietly for a long time before she said, " i've already found a lawyer. "

This short sentence made him disappointed and even despaired.

she closed her eyes slightly, and her voice seemed to have aged ten years. liangqiu, have you thought about it? "

"an lan, i'm sorry!" she looked at him, her eyes reluctant to leave.

qin anlan slowly opened his eyes, and his gaze seemed to have frozen over.

He looked at her, at the woman he had loved deeply, and sneered. the words you've said, the feelings you've given, were all fake? "

he had never been so humble before. this woman had already made a choice, but he still shamelessly wanted to win her back.

ye liangqiu raised her head, her voice a little choked. an LAN, what happened in the past was true. It's true now, and it'll also be true in the future.

an Ian, i had no choice, no choice. if i had a way, i wouldn't let you be sad and in despair.

qin pei is still in su shicheng's hands. as long as i reveal a single word, he will be killed immediately.

An LAN, I'm sorry.

i know it's hard, but i still have to do it, even if i have to pay a price a hundred times more than i imagined!

Qin Anlan suddenly laughed. He lit a cigarette and looked at her through the smoke. "What about the child? you're prepared to give birth to her in prison?" her lips trembled slightly as she looked at him in a daze.

' just like su cheng, you'll have a baby in prison.. then, will you send the child to the su family or the qin family? " He sneered, " ye Liangqiu, do you really think you're going to sacrifice everyone around you for that person? "
