

Thank you 1581

Chapter 1581 - 1581: have you thought it through?(2)

Ye Liangqiu closed her eyes. an LAN, are you really going to put me in jail? ‘

“i don’t believe you.” She sighed.

qin anlan held one of her hands and raised the kasaya up high.

he looked at her, his voice cold. ” “You don’t believe me? Ye Liangqiu, we can try.” her hand was in pain from his grip. she opened her eyes, and there were tears in them, like the stars that had fallen from the sky.

however, he didn’t want to see those eyes anymore.

he let go of her hand and slowly got up. he smiled bitterly. ” that’s it, xuanji ye liangqiu.

he was about to go out, but he paused. ” i’ll get a lawyer to file a lawsuit, wanwan. if you’re going to jail, i’ll find you a comfortable environment, just like what KIME did. i’ll take the child away after you give birth! ”

then, he stopped. after a long while, he continued, ” but it’s impossible between us. ”

He stood straight, his back lonely.

he suddenly turned around and looked at her. ” ye liangqiu, why are you provoking me? ”

Since you said you love me, why did you give up?

after my heart was filled with you, you cruelly told me that i wasn’t the most important, but you cruelly forced me to let go of your hand.

he didn’t want an answer from her. he just wanted to tell her. Their eyes met for a moment. He did not say anything and walked out.

the door of the guardhouse closed with a creak.

When he closed the door on the Ray of sunlight outside, she could not help but cry.

he had said,”ye liangqiu, it’s impossible between us.” he asked, “why did you provoke me?”

Ye Liangqiu, this is the result you’ve planned for a long time, so why do you still feel so uncomfortable?

Autumn passed and autumn came. Ye Liangqiu’s trial was in two months.

at this time, she was already six months pregnant. when she stood in court, her stomach was huge.

qin anlan was in the plaintiff’s row. he looked at her blankly and innocently, almost as if she was stupid.

His heart ached. He had never thought of putting her in jail. He was just forcing her to tell the truth.

ye liangqiu's hand was on her lower abdomen. in the detention center, she still had a doctor do her prenatal check-up regularly. the child in her stomach was still fine, but something unexpected had happened to wanwan.

Qin Anlan was shocked when her defense lawyer came over.

liu zhenyun!

he was a big shot in the legal world. he developed in the United States ten years ago and later returned to B city to open a law firm. he was the best lawyer in the country and was very protective of his reputation. he would not easily appear in such criminal cases.

ye liangqiu was unable to persuade him, and su shicheng was even less likely to do so.

Qin Anlan's emotions were very complicated, but he remained calm.

i've checked. mr. tang asked lawyer liu to help him, " kie whispered.

tang yu?

Qin Anlan's gaze returned to ye Liangqiu's face.

ye liangqiu's lips were tightly pursed, but he didn't say anything.

"if you're not confident, you can ask for a delay in the court session," kim said in a low voice.

He was just testing the waters, and it wasn't his intention.

"there's no need," qin anlan replied indifferently.

Only then did Kie let out a sigh of relief. He looked at ye Liangqiu with mixed feelings.

with liu zhenyun, the case became much easier to debate. he had all kinds of means, which everyone in the court had seen.

ye liangqiu was charged, but due to insufficient evidence, he was released in court.

Qin Anlan knew very well that not only was there insufficient evidence, but Tang Yu's power was also involved..

Chapter 1582 - 1582: Have you thought it through (3)

He didn't understand why Tang Yu would help ye Liangqiu clean up.

when ye liangqiu walked out of the court, she looked at liu zhenyun and said softly,"thank you, lawyer liu."

actually, i'm very expensive. mr. tang paid me 50 million yuan for this lawsuit to get you out of prison. " liu zhenyun said bluntly.

ye liangqiu was stunned. lawyer liu had never mentioned this before.

Liu Zhenyun smiled. Mr. Tang and Mrs. Tang are in the car in front. You can ask them about the details.

in the end, he still reached out his hand. ” no matter what, i still congratulate you on your freedom. ‘
Liu Zhenyun was 35 years old. He was gentle and refined. He was a famous diamond Bachelor in B city. He had a good reputation and no bad record.

He turned around and opened his car door. Suddenly, he turned around again and looked at her. miss ye, I really like your movies.

with that, he opened the white bentley and got into the car.

Ye Liangqiu didn’t understand why Liu Zhenyun said this to her. She also didn’t know that Liu Zhenyun took on this case not only because of Tang Yu, but also because he was her fan.

She watched his car drive away, her gaze a little distant.

after a long time, she turned around and saw a black rolls-royce phantom. the door opened and pei qiqi got out. she held the door with one hand so that her head wouldn’t hit it.

ye liangqiu’s eyes started to heat up as she watched tang yu get out of the car.

“thank you, mr. tang.” she looked at him and then her gaze fell on pei qiqi’s face.

She knew that they had also gone through a lot of hardships before they got together. Would her an LAN also have such a day? Would she be able to return to an Lan’s side in the future?

could she lie under his body and accept his love?

She didn’t know, and she didn’t dare to think about it.

Tang Yan nodded and looked at her. Then, he looked at Qin Anlan, who was walking out of the court. He then ordered PEI Qiqi, ” “qiqi, take her to Xia city first.” ye liangqiu looked up and saw qin anlan.

pei qiqi gently pulled her, “hurry up and go!” an Ian’s eyes looked like she wanted to eat someone.” tang yu looked at his little wife helplessly then said, ” “miss ye, please leave with qiqi first.”

Ye Liangqiu got into the car in a daze. The black RV started up slowly, and she saw an LAN.

however, the car left very quickly and could no longer be seen. She was a little worried. will Mr. Tang be in trouble? ”

“No!” PEI Qiqi said easily.

She stuck out her tongue discreetly. At most, they would fight. They had fought many times anyway.

in fact, there were some things that were not easy to say.

On the surface, it looked like Tang Yan had helped ye Liangqiu, but in reality, Qin Anlan had let her go.

If an LAN didn’t love her and was more ruthless, then even the iron-clad Liang Qiu wouldn’t be able to withstand the torture.

Everyone knew about this. It was just that Liang Qiu did not know, and an LAN was unwilling to admit it.

over at chenzhen's side, qin anlan stepped forward and gave tang yu a punch.

Tang mo was hit by this. It was like a leak.

she took a few steps back, straightened her body, and wiped the corner of her lips. it was bleeding.

What a ruthless beating!

“why did you do that?” Qin Anlan narrowed his eyes. you clearly know that my mother's death is related to that su fellow.

tang Zheng stood up straight and licked the corner of his lips. he looked at qin anlan. ” anlan, you're the one who's going to let her go! But you can't do it yourself, and I'm just fulfilling your true thoughts..”

Chapter 1583 - 1583: come with me (part one)

“And you know that I want to let her go?” Qin Anlan's face was cold. Tang Yu, move aside. Don't get in my way. Otherwise, I won't let you off either.

Tang Yu was dressed in home clothes. He looked like he had just crawled out of bed. His voice was calm, ” I'm right here. If you don't want to let me go, then hurry up.

even qin anlan, who understood tang yu so well, had never thought that tang yu would become so shameless.

he clasped his hands together. ” it seems that we can only use our fists to talk. ‘ Tang Yu's fingers touched his chin and he frowned, ” I really don't like such violent methods.

he took two steps back and clenched his fists. ” but if you like, we can still do some exercise together. ” qin anlan was a little confused. at a time like this, the most serious tang yu became a chuunibyou.

And so, the two of them fought for the third time. The first two fights were for PEI Qiqi, and this time, it was for ye Liangqiu.

Tang mo focused on defense. As long as his handsome face wasn't hit, it was fine. This face could hook at any time. If he ruined the plan to attract his Xiao qiqi, what would he use to attract her?

qin anlan's every punch hit the flesh. in the end, he probably noticed that tang yu had the intention to let him win.

his eyes turned red and he stopped, ” tang yu, you don't have to do this. ”

“If you want me to be in a better mood, don't interfere between me and ye Liangqiu.” His voice was cold. it's impossible between us in this lifetime.

how could he not know what tang yu was thinking? tang yu saved liang qiu to give them one last chance.

it was a chance for them to be together. if liang qiu went to jail, it would be impossible for them to be together.

tang yu slowly stood up and sighed. he walked over and patted his shoulder, ” ” anlan, since you already know this in your heart, why do you still insist on treating her like this? ”

She clearly still had feelings for him.

Qin Anlan took out a cigarette and lit it up. After taking a puff, he looked at Tang Yu. if it were you, how would you treat Qiqi? ”

this was exactly what tang yu couldn't answer. after a long time, he sighed, ” an lan, i believe that she won't betray you! ”

“but she did it.” qin anlan laughed coldly. ” tang yu, what can i do? take her back and continue to be a loving couple? what face do i have to face my mother?”

Tang Yu wanted to say something, but Qin Anlan had already thrown a punch at him. It landed right on Tang Yu's lower abdomen, and it was so painful that he broke out in cold sweat.

“you're really ruthless.” tang mo bent down, his forehead covered in cold sweat.

He felt that the married life he was about to ruin was probably going to be ruined.

qin anlan had already gotten into the car and drove away quickly.

he knew very well where tang yan would take ye liangqiu. it had to be Xia city.

half an hour later, he appeared at the entrance of Xia city.

the person who opened the door was pei qiqi. when she saw who it was, her mouth opened slightly in surprise, ” an lan? ”

then, she instinctively wanted to close the door, but it was too late. qin anlan had already pushed her away. ” move aside, where is ye liangqiu? ”

pei qiqi hit the door and her nose was about to be flattened. however, she immediately ran over and stopped her, ” an lan, calm down. ”

“move!” he shouted. Qin Anlan said coldly. He was not polite to her.

pei qiqi pursed her lips, “i won't!” qin anlan, she's six months pregnant. you can't do this to her!” qin anlan laughed coldly. ” she doesn't even care about this child anymore! ”

She pushed PEI Qiqi away and walked towards the bedroom..

Chapter 1584 - 1584: come with me (part two)

PEI Qiqi simply hugged his waist from behind and hung onto him like a little monkey. She looked a little funny.

qin anlan's body froze, and his voice became deeper. ” let go of qiqi! ‘

“i’m not letting go!” She said shamelessly, still holding his waist, her face buried in his back, and said anxiously, ” ” anlan, have you forgotten how much you loved her in the past? have you forgotten how you two started? did she live in the south for so many years in order to give birth to muyun? ”

feeling that his body had softened a little and was not as stiff as before, she mumbled again, ” “An LAN, have you forgotten all of this?”

“qi qi, let go.” qin anlan’s voice was extremely hoarse. ” if i had forgotten, i wouldn’t be like this today. ”

Ye Liangqiu had already died a hundred times.

pei qiqi continued to hug her tightly, ” then what are you going to do to her?

Should we kill her?” she ran in front of him and reached out to stop him. ” don’t forget, she’s pregnant with your child. ‘

Qin Anlan glared at her and said gloomily, ” “qiqi, don’t meddle in our business. ”

“I don’t care! I just want to control you!” PEI Qiqi’s eyes welled up, ” ” an lan, i know you’re upset, but i’m even more afraid that you’ll regret it in the future! ”

As she said this, her voice started to choke up. if I don’t care about you, who will? ”

She actually started to cry, like a child.

she always had feelings for him. after living in new York for two years, even though they weren’t husband and wife, he was like a brother to her. he sent her back to tang yu’s side in one piece, so she felt guilty.

fortunately, he was also happy.

But now, he was destroying this happiness-Liang Qiu loved him more than anyone else.

It was hatred that had blinded his eyes, making him unable to see himself and

Liang Qiu’s heart clearly.

“an lan.” she stepped forward and hugged him like an octopus.

Qin Anlan’s heart sank.

he lowered his head and looked at her. he smiled bitterly. ” qiqi, you are not me.

you can’t understand my feelings. ‘

“i understand,” She looked up at him and said, ” I’m the same as Liangqiu. I’ve done terrible things and hurt others.

” anlan, if she’s really as you think, she only cares. she just doesn’t want to see that person’s final days be ruined in prison. an lan, that person is about to die.

you can use other methods, can't you?" pei qiqi was afraid that he would go to the room to find ye liangqiu again, so she hooked her legs around him and didn't give him a chance to move.

such a posture was really unsightly.

but she couldn't care about that.

qin anlan lowered his gaze, then decisively removed the little person in his arms with one hand and threw her on the sofa.

When she jumped up, he quickly pulled off his tie and tied her legs together. Then, he threw her there.

"qin anlan! Don't go in, you'll regret it. " PEI Qiqi lay there in a sorry state and said, " "also, this is my home! my home!" however, qin anlan ignored her and opened the door to the master bedroom. because of the excellent soundproofing, ye liangqiu, who was taking a shower in the master bedroom, didn't know that he had come. so when he suddenly opened the bathroom door, both of them were stunned.

her six-month-old belly bulged as if she was a full month.

As she stood there, the light shone on her body, making her pregnant body look even more Holy.

his eyes lit up and he stared at her without saying anything for a long time..

Chapter 1585 - 1585: Come with me (3)

His eyes lit up and he stared at her without saying anything for a long time.

Ye Liangqiu quickly took a large bath towel and wrapped it around herself. Her body also retreated until she was against the cold wall.

His voice was suppressed. put on your clothes.

she still didn't say anything and only looked at the storm on his face.

qin anlan's adam's apple bobbed as he walked forward step by step.

her body was pressed against the wall, her red lips trembling slightly.

his gaze was fixed on her body. although her stomach was big, she had lost weight. her four legs were too thin, and she looked like a frog, but she was still very attractive. Human.

finally, his palm touched her stomach and he said in a hoarse voice, " "where are the clothes?" she shook her head and wanted to call out, but she couldn't say a word.

Qin Anlan looked around and decided not to argue. He grabbed Tang Yu's shirt and jacket from the changing room and put them on her.

his actions made ye liangqiu's heart sink.

if a man allowed his woman to wear another man's clothes, it meant that he didn't care anymore. he really didn't want her anymore and hated her!

she did not resist and let him put it on for her.

There was not even a trace of life in her eyes.

"Let's go," he said. he held her hand without any pity and walked towards the door. his pace was not slow.

this was a strenuous task for a six-month pregnant woman, but it was obvious that he didn't care.

when they passed by the living room, pei qiqi was still lying on her stomach. she fell to the ground and cried,"

"an lan, let go of her. if you want to take her, then i'll take her away. i'll help you get rid of that old bastard!"

Qin Anlan stopped in his tracks. Ye Liangqiu, who he was holding onto, was forced to stop as well. The momentum caused her to fall into his arms. A long-lost aura enveloped her. His gaze landed on PEI Qiqi's face and he laughed coldly, " PEI Qiqi, you've grown up.

As he spoke, he lowered his head and glanced at ye Lianzai.

his eyes were cold, as if they were frozen.

"Let her go, " ye Liangqiu indifferently said.

"you should worry more about yourself! Tang MO will be back in a while." The last part of his sentence was directed at PEI Qiqi.

With that, he walked to the door, almost dragging ye Liangqiu along.

PEI Qiqi's sadness was fed to the dogs. She shouted, " Qin Anlan, you b * stard! Bastard! You deserve to be single for the rest of your life! that's your wife, and your son is in her stomach."

However, what answered her was the sound of the door slamming.

PEI Qiqi started crying again, " wawawawawawa, let me go! i'm going to the toilet."

In less than five minutes, Tang Yu opened the door and walked over to pick her up. He undid her tie, " where's Ye Liangqiu?

"An LAN has been taken away." PEI Qiqi cried out and hugged her husband, " Tang Yu, Liang Qiu is so pitiful. Can you go and bring her back? " tang yu felt the softness of the little one in his arms. she had been like this ever since she lost her memory after falling into the water.

In fact, she had also remembered it, but her personality had always been like this. She didn't look like she was 27 or 28 years old at all. She looked even younger than when he had just met her. However, he was willing to dote on her and give in to her.

Usually, he would at least pamper her and hug her, but now, his heart was filled with thoughts.

He patted her and said, "I think ye Liangqiu must have been troubled by something that he can't tell anyone..

Chapter 1586 - 1586: Come with me (4)

tang yu patted her, "i think ye liangqiu must be troubled by something and he can't tell anyone. 'pei qiqi looked at her husband, her big eyes full of admiration, "and then?"

"there's no" then he reached out and rubbed her little feet. "it's so difficult to talk to a little fool like you. i think you were threatened!" A threat that even an LAN can't deal with."

"qiqi, do you trust ye liangqiu?" he suddenly asked.

oh, "pei qiqi replied ambiguously.

"cool autumn is one of the few women i admire." He rubbed his little wife's head with a face full of love.

Recently, PEI Qiqi realized that whenever Tang Yu showed this kind expression, it meant that he wanted to dote on her.

However, she was not in the mood to do so. She knelt in front of him and did not even bother to let him rub her feet. She asked anxiously, "Who else is a woman you admire?" tang Zheng laughed in his heart and reached out to touch his good-looking chin. "my mother?"

"what else?" PEI Qiqi's eyes were starry. She couldn't be jealous of her mother-in-law.

tang yu pretended to be troubled, "there's more? i don't think so."

PEI Qiqi shouted unhappily, "there's no more? Don't you have any outstanding women around you?"

"By your side?" tang yu thought for a moment, "it's good to be careful! "

pei qiqi was furious, "what about me? what about me? what about me? won't you consider me?"

Tang Yu reached out and pinched her face, "you don't need to be outstanding!

because no matter how you look, i will like you. like is not admiration, and she doesn't need other men's admiration.

as long as he was the only one who liked it, it was fine.

this could be considered his highest level of love. PEI Qiqi took half a day to understand.

Then, she blushed and pouted. that's more like it. he reached out to carry her and walked towards the bedroom. she didn't know what he wanted to do before, but now she knew.

PEI Qiqi exploded, " I have to save Liangqiu.

I'm only responsible for preventing her from going to jail. I think she has her own plans in the future. It's only under my protection that she and an LAN can never be together. tang yu reached out and touched her lips, " qiqi, don't say anything now. "

PEI Qiqi shouted, " in any case, I won't call you brother anymore today.

This changel Now, he was forcing her to call him 'brother' when he did this kind of thing. She thought that he would let her go after calling him, but who knew that he would act like he was on steroids? she would not fall for it.

"Alright, I won't call you brother. Call me daddy!" He smiled. while we're not careful, Qiqi, do whatever you want!

he had hit the nail on the head.

pei qiqi bit her lips, " i don't want to. "

however, after a while, she crawled into his arms. before eating, she still asked worriedly, " an Ian won't do anything to liangqiu, will she? "

pei qiqi, instead of worrying about others, why not worry about yourself? ' tang mo sealed her small mouth and ended the topic.

he did not tell his qi qi that he had let an Ian take liang qiu away on purpose. otherwise, with an Ian's skills, she would not be able to touch him.

pei qiqi was a little dazed by his kiss. she wrapped her little hands around his neck, " will you help liangqiu? "

Tang Yu smiled. He could predict what would happen in the future. He sighed, " an LAN will probably end our friendship!

"You have a friendship with him?" pei qiqi despised him!

[let's be sweet, let's be sweet. yingluo will let you guys be sweet..]

Chapter 1587 - 1587: Come with me (5)

qin anlan threw ye liangqiu into the back seat of the car. just as she was about to escape, he placed his hand on the car door and bent over, staring straight at her. If you don't want to lose your child, it's best not to think about running away." with that, he closed the door and got into the car.

as he fastened his seat belt, ye liangqiu's voice was a little soft. " where are you going?

the ending note was trembling because of nervousness.

Qin Anlan's voice was very slow, " just now, PEI Qiqi said that there's another way for ran ran to let me kill su Shicheng myself. I think this is a good idea. "no!" ye liangqiu's voice carried a hint of surprise. " an Ian, don't!

if he did that, then an Ian's father would probably die before su shicheng died. su shicheng had hidden qin pei very well, and no one knew where she was. so, for so many years, no one actually knew that qin pei was imprisoned in b city.l He was forbidden.

Qin Anlan placed his hands on the steering wheel and smiled coldly. why? can't bear to part with it?
”

His voice was cold. ye Liangqiu, but I have to do this.

The high-performance sports car started and sped up at its fastest speed. Ye Liangqiu sat there, her face pale.

she held the armrest and closed her eyes.

this was their reunion after a long time, and it was very painful. She could not stop him from doing what he wanted to do.

however, she did not expect that qin anlan was not alone.

Soon, she saw about five or six black MPVs in the rearview mirror, following their car.

she panted lightly and looked at qin anlan's back. ” “an Ian, what are you trying to do?”

He was already prepared!

She realized that he knew that she wouldn't go to jail, and he had wanted to solve it this way.

qin anlan's car suddenly stopped by the side of the street.

she seemed to have realized something. she panted and looked at him. ” an Ian, don't go! ‘

qin anlan sat quietly for a while and said calmly, ” liangqiu, our fate has come to an end! I might not be able to fulfill the promise I made to you at the wedding!”

After a pause, he continued, “but I must kill su Shicheng!” If I don't come back, take good care of mu Yun.”

This was the first time he had spoken to her so gently in the past few months, as if he still treated her as his wife.

But when she heard it, she felt even sadder.

this was his farewell to her, a matter of life and death.

ye liangqiu shook her head. ” don't go, an Ian. ‘

“then, will you tell the truth? let the law punish su shicheng?” he turned his body slightly and looked at her calmly.

ye liangqiu shook her head. ” an Ian, it's not like that. things aren't that simple.

“Tell me why?” “I'll give her one last chance,” he said in his heart.

Ye Liangqiu was stunned. She knew what he was thinking, but she couldn't be stunned.

if she told the truth, it would definitely lead to madam qin's humiliation, not to mention qin pei's life.

she was silent for a long time before she said softly, "an Ian, i'm begging you!

He doesn't have many years left, the heavens will deal with him!"

"but i'd rather do it myself!" qin anlan's voice turned cold. he then opened the door and got out of the car to open the door for her.

Ye Liangqiu was led out of the car.

kie got out of the car and walked over.

Qin Anlan placed ye Liangqiu in his hands. please, look after her.

He only believed in Kime.

Kie was worried, but he knew how important ye Liangqiu was to boss Qin.

Chapter 1588 - 1588: she was threatened (1)

kie knew how important ye liangqiu was to boss qin.

Boss Qin still couldn't let go of such a big incident. He said heartless words and even made ye Liangqiu suffer a lot, but he still couldn't bear to let her die.

miss ye, I'll send you off. Kie nodded.

In fact, President Qin had already written his will.

this time, whether he was alive or dead, there was no way to know.

he also felt a little sad and understood boss qin's actions. if he pretended that nothing had happened, he wouldn't be worthy of being his child.

ye liangqiu struggled with all her might, but chick used some strength. "miss ye! Don't forget that you're pregnant. I don't want to hurt you or the baby." ye liangqiu looked at qin anlan in a daze as he got into the car.

He left without hesitation. Other than the instructions he had given to mu Yun, he did not say anything else.

she was being pulled by KIME and her tears were already flowing.

in the past few months, she had shed all the tears in her life. she just looked at his back and muttered, "No, no!"

she had initially thought that he would bring her along so that things would not be so bad. however, an Ian had gone there with the intention of risking her life.

No, she had to stop him!

Qin Anlan's fingers were still on the car door. He paused for a moment and suddenly turned to look at her. His deep eyes looked at her. Liangqiu, if we give birth to a daughter, she'll also be surnamed ye.

Don't tease an LAN, don't!

she was held down by kime and kept shaking her head.

qin anlan only looked at her deeply before getting into the car and leaving quickly. the few cars followed closely behind.

ye liangqiu's tears did not stop, and she let out a heart-wrenching cry.

Su Shicheng was not so easy to deal with, or perhaps he had already expected this.

' KIME, it'll be dangerous for him to go. " ye liangqiu's voice trembled. " take me there, take me there. i want to stop all of this. ' miss ye, President Qin asked me to send you away, " Kie sighed.

She was stunned.

"To the South!" " including mu yun, " KIME said helplessly. President Qin has already arranged for someone to send him there." ye liangqiu was stunned.

all of this was well planned.

However, she still felt that something was amiss.

all of a sudden, her phone rang.

it was a message.

When she opened it, her face turned pale.

sorry, Kime. she mumbled to herself as she threw her phone at the back of KIME's head.

KIME's eyes widened as he looked at her in disbelief. then, his body fell limply to the ground.

ye liangqiu took the car keys from his hand, put her hand on her stomach, and quickly got into the car and started it.

Her lower abdomen hurt a little, but she could only endure it. She reversed the car and drove in the direction of the SU residence.

at the su residence, the two parties were in a stalemate.

The twenty to thirty people that Qin Anlan had brought with him surrounded the SU residence. Su Shicheng was helped down from the second floor by the female Butler. He clutched his chest and coughed violently.

He was dressed in home clothes, like an old man who didn't care about the world, and he slowly walked down.

‘ an Ian, what are you doing? are you preparing to massacre the su residence? ” he went downstairs and was five steps away from qin anlan. his expression was calm.

Qin Anlan raised his gun at him. how did my mother die? ”

Su Shicheng chuckled, ” you’ll have to ask Liangqiu. She brought Hongke back, didn’t she? ‘

“I’m asking you now!” qin anlan gritted his teeth. ” su shicheng, do you dare to say that you’ve never seen my mother? ”

su shicheng’s turbid and old eyes were tainted with a touch of sadness.. ” an Ian, are you suspecting me? “

Chapter 1589 - 1589: she was threatened (2)

“it’s not a suspicion, it’s a certainty!” ” since you don’t want to tell me, ” qin anlan said coldly, ” perhaps you’ll tell the truth to the gun in my hand after you die. ‘

The sniper rifle in his hand was loaded, and the crisp sound was particularly clear.

however, su shicheng continued to smile calmly as he looked around indifferently. ” an Ian, it doesn’t seem right for you to bring 20 to 30 people to bully a lonely old man. ” su shicheng’s side was not armed at all. he just stood there without any fear. “I don’t want to talk nonsense.” qin anlan sneered. ” su shicheng, goodbye. ” however, just as he pulled the trigger, a man quickly rushed out and pushed su shicheng away.

The bullet pierced through her palm, and blood gushed out, dyeing everyone’s eyes red.

that person was ye liangqiu-

She took a few steps back and was finally caught by the housekeeper beside su Shicheng.

blood continued to flow from her hand, but she was not unconscious. she looked at qin anlan, who had raised his gun again. ” anlan, don’t shoot. ‘ Just now, there was an image on her phone. Su Xiu was at the airport with mu

Yun.

however, not far away, two men in black were clearly following them.

She believed that if something happened to su Shicheng, she would never be able to see mu Yun ever again.

she hated su shicheng to the core, but she had no choice but to save him.

she used the stupidest method because if qin anlan still loved her, then only her blood could stop him.

qin anlan's eyes were bloodshot as he stared at her palm that had been shot.

That blood made his heart ache, but it also made him angry.

“liangqiu, get out of my way. i'll kill him and take you to the hospital. Everything will be over.” his voice was cold. he told himself not to be soft-hearted.

Ye Liangqiu felt a burst of pain in her lower abdomen, as well as in her palm. It was so painful that she almost lost all feelinz.

The blood dripped onto the floor and formed a straight line.

However, she pushed away the people who were supporting her and stood in front of su Shicheng to block him. She smiled bitterly and said, ” an LAN, I beg you, let him go.

Qin Anlan's Adam's apple bobbed uncontrollably. His eyes were bloodshot as he stared at her and hoarsely shouted, ” “Move, or I'll shoot.” she stood there with her big belly. her long hair had long been let down, and the clothes on her body did not fit her. she was in a terrible state, but there was a kind of beauty of despair that ridiculed her beauty, causing his eyes to be filled with a layer of pain.

“you're forcing me?” he narrowed his eyes and looked at her. he gritted his teeth and said, word by word, Ye Liangqiu's eyes suddenly shrank, and her chest heaved up and down. “yes!”

“Ye Liangqiu, do you have a heart?”

The gun in his hand was suddenly buckled down. With a bang, a hole was punched through the ceiling.

everyone, including ye liangqiu, was shocked.

qin anlan looked at her and smiled miserably. ” “ye liangqiu, you win,” The hand that was raised up slowly lowered the Kasaya.

He turned around and walked towards the door. As he walked, he said indifferently, ” “Next time, I won't show any mercy.” he didn't care if she lived or died. after all, su shicheng wouldn't let her die. he even pointed at ye liangqiu to shield him from a bullet. As Qin Anlan thought about it, he laughed at himself and teased, so silly!

when did he start to believe in women?

ye liangqiu looked at his back. it was so desolate and lonely.

she looked at yingying fervently..

Chapter 1590: She was threatened (3)

The housekeeper wanted to help her into the car, but she pushed her away.

right now, she only wanted to look at an Ian and yingluo.

i'm sorry, i'm sorry, i'm sorry, xuanji, an Ian, i'm sorry!

Su Shicheng's voice quietly rang out, "you've given up?"

Ye Liangqiu tried her best not to faint from the pain. She held on to her last breath and said, "I have two conditions.

Su Chengcheng was generous. go ahead.

Ye Liangqiu pursed her lips. I can go back to the SU family!

however, the children I give birth to must be handed over to Qin Anlan. Also, you are not allowed to harm their lives. her face was as white as a sheet of paper.

I also have a condition, "su Shicheng said indifferently, "before I die, Wanwan must acquire King Entertainment under Asia TV.

he knew in his heart that there was no hope between liang qiu and qin anlan, so it was better to give the child to qin anlan so that the two of them wouldn't have an affair.

ye liangqiu looked at him and pursed her lips, her body swaying. "is it really that important to you?"

su shicheng chuckled. "very important. "

KING entertainment was hong ke's blood, sweat, and tears. taking over KING entertainment was equivalent to taking over half of her life, and it was even more than qin pei's. he wanted to make qin pei lose completely. su shicheng's voice was cold and emotionless. "think about qin pei. i can kill her before you tell qin anlan! Liangqiu, you can't turn back now."

Ye Liangqiu's lips slowly curved into a faint smile as she stood in the courtyard of the SU residence.

when she was young, this place had given her so much joy, but now, it was like a cage that she couldn't breathe.

she looked out of the window for a long time before she lowered her eyes. "i promise you. "

As she spoke, her body finally couldn't take it anymore and slowly fell down.

Su Shicheng had just ordered for someone to help her up and send her to the hospital when a black sports car burst through the SU family's front door.

The car stopped and the door opened. Qin Anlan jumped out of the car and ran to ye Liangqiu's side.

his face was still filled with indignation and unwillingness, but he still carried her.

He pressed his face against hers and muttered, "Liangqiu, this is the last time.

he admitted to himself that no matter how much he hated her, he could not let go.

He was the one who had shot the bullet in her palm. He had driven his car away for a minute and then returned.

he told himself that once he sent her to the hospital and made sure she was fine, they would have nothing to do with each other anymore.

he carried her into the car. she slowly opened her eyes and looked at his tense face.

her fingers wanted to caress his handsome face, but she couldn't raise her hand and let it fall down again.

“an lan!” her lips were very dry, and she only moved a little without making a sound.

it was as if she had used up all her energy. she could only stare at him in a daze, but soon, she didn't even have the energy to look at him.

she gently closed her eyes. finally, she had no more strength to say sorry.

qin anlan's face was filled with pain. he forced his face to be pressed against hers.

su shicheng spoke softly, ” qin anlan, liang qiu has already made her choice. ‘

however, qin anlan had already carried ye liangqiu to the car and ignored him.

he did not get out of the car and point the gun at him.

The black sports car sped away and soon disappeared from the SU residence.

su shicheng laughed instead of getting angry, lightly teasing qin pei.”i didn't expect you to have such an infatuated son.”

this place was very close to first people's hospital. qin anlan's car arrived in less than ten minutes. at the same time, he contacted doctor mei..
