

Thank you 1601

Chapter 1601 - 1601: Meeting again (3)

The White BMW was parked downstairs. Ye Liangqiu and Linda went into Room 1202, which they had booked in advance.

KING entertainment's people had already arrived. only qin anlan and KIME were there. it was surprising that there were so few people.

ye liangqiu stood by the door, her body stiff. when she had first met him, they hadn't seen each other for half a year.

Her heart trembled slightly, and she only dared to look at him after a long time!

qin anlan only stood up politely. he became slimmer and slimmer, and his entire body was filled with a sense of alienation.

"Chairman ye." He greeted her lightly, as if he was talking to a stranger.

ye liangqiu pursed her lips and lightly greeted them. she walked over and sat down opposite them, while linda carefully sat beside her.

Qin Anlan lit a cigarette and took a puff before asking, "you don't mind if i smoke, right?"

She looked at him and then at the ten cigarette butts in the ashtray. Did he come here long ago?

"if you mind, president qin, you won't smoke?" she asked, her voice a little stiff.

"boss ye always likes to tell the truth." qin anlan smiled faintly, but there was no hint of a smile in his eyes.

Kime, who was standing at the side, sighed in his heart. Why did they have to do this? they loved each other and wanted to kill each other the moment they met, but when they didn't see each other, they were thinking about killing each other.

it must be said that this old fellow su shicheng was truly shrewd. he had not been seen recently, so even if he wanted to kill him, he could not find anyone.

however, it seemed like boss qin had let him off for the time being, and ran ran didn't do anything. she just lived her life peacefully.

as qin anlan spoke, ye liangqiu felt a metallic taste in her throat. there was an indescribable feeling in her heart.

Just then, the door opened and a slender figure came in.

When ye Liangqiu saw who it was, she was stunned. It was Xia Mian.

She also knew the person behind her. It was sister Ying.

Xia mian probably didn't expect to see ye liangqiu either. she stared blankly at qin anlan, then at ye liangqiu, her lips pressed into a straight line.

&Nbsp; ” Chairman ye of Asia TV, ” ” you’re aiming for the prime time slot of your show this time.

Xia mian nodded, then smiled at ye liangqiu.”thank you for your help, president ye.”

It seemed that Xia Mian had become much more proficient in the ways of the world in the past six months. If it were in the past, she would not have let go of her status.

ye liangqiu didn’t say anything to her. instead, she greeted sister Ying, long time no see. Let’s have a meal together when you’re free.

“Okay, let’s set a time later,” elder sister Ying said without hesitation.

no matter what the current situation was, ye liangqiu would always be the most brilliant diva in her hands.

Xia mian was a little unhappy with sister Ying’s reaction. sister Ying was her manager now, so why was she siding with an outsider?

she said unhappily, ” sister Ying, we’re going to Korea in two days. we might not have time.

Elder sister Ying was naturally unhappy that she was so insensible. She was just a manager, not a nanny or a servant. Besides, Xia Mian was still young and yet she was suppressing her like this. She would be in trouble in the future.

sister Ying had been in the entertainment industry for so many years, and she didn’t do it for nothing. she faintly smiled. ” just let Xiao yi go with you. ‘

Ye Liangqiu could tell that elder sister Ying was feeling indignant for her. She smiled but didn’t say anything.

Xia Mian was a little embarrassed, but she didn’t dare to act rashly in front of Qin Anlan.

Qin Anlan stubbed out the cigarette in his hand and looked at ye Liangqiu quietly. With a business-like look, he said, ” Chairman ye, let’s talk about this contract.

as he spoke, he lit another cigarette. he was about to smoke when Xia mian coughed lightly.

qin anlan’s fingertips paused for a moment, but he still pressed the button.

ye liangqiu’s heart suddenly felt a little uncomfortable..

Chapter 1602 - 1602: Meeting again (4)

qin anlan stubbed out his cigarette. his gaze fell on ye liangqiu’s face for a few seconds before he quietly looked away.

He leaned back and looked at Kime. show boss ye the sample.

yes. ” kie nodded, got up, opened a file on his computer, and placed it next to ye liangqiu. ” mr. ye, this is the footage of the first episode. we have all the samples. you can take a good look before you make a decision. ”

At that moment, Xia Mian sat down where Kie had been sitting. She turned her body sideways to look at him. She was almost leaning half of her body on Qin Anlan's arm, but Qin Anlan did not move away. He continued to sit quietly, his gaze indifferent.

Ye Liangqiu naturally saw it as well. She could even see Xia Mian lean forward, revealing a little of her body.

Whether Qin Anlan was intentional or not, he could still see it.

She tried her best not to look at it but to focus on the sample in front of her. The opening of the sample was quite beautiful. The heroine stood in a soft light and smiled at the camera. Then, it was the narration.

"So many years have passed, but I still haven't forgotten him." After watching for a short while, Ye Liangqiu had to admit that Xia Mian was a natural-born actress. She had a strong camera sense.

The story that followed was very youthful, about the love between young men and women.

Xia Mian was very young, so she could easily get the role and play the female lead in [Summer's Sleep] very well.

Ye Liangqiu watched for about 20 minutes, then watched the other episodes. They were well-made and very good.

She immediately decided to buy it.

Hence, he smiled. "Why did you want to broadcast it on Asia TV?"

Before Qin Anlan could say anything, Xia Mian, who was young and competitive, spoke first, "We don't necessarily have to broadcast it on Asia

TV, it's just that President Qin will do the same."

Ye Liangqiu looked at her, then shifted her gaze to Qin Anlan. She asked indifferently, "Miss Xia, do you have any position in KING Entertainment?"

Qin Anlan looked at Xia Mian before he said, "Xia Mian was just expressing her opinion.

"Then we can't continue this conversation, President Qin!" Ye Liangqiu smiled.

She looked him in the eye and said in a slightly domineering tone, "I'm not someone who will compromise."

If a small-time artiste like her dared to order her around and disrespect her, then she could forget about her position as Chairman Ye of Asia TV.

Then, he closed his laptop. Zou Dabai, President Qin.

Even Linda was stunned. Her BOSS had such a bad temper.

But she was a professional secretary, so she quickly packed up and left with Ye Liangqiu.

she had just reached the door when qin anlan's deep voice came from behind her. " Xia mian, apologize. '

what? Xia mian looked at qin anlan in disbelief. he actually wanted her to apologize?

did she do something wrong? why did she have to apologize?

It was ye Liangqiu who had lost her temper, so why was she the one apologizing in the end?

she didn't want to!

qin anlan repeated in a deep voice. this time, he was more strict and shocked Xia mian, but she still apologized.

she couldn't destroy everything she had worked so hard for.

[summer's sleep] was auditioning for the female lead.

she had defeated thousands of girls to get this role. this drama was not originally called this, but it was renamed-

because her name was Xia mian, the screenwriter changed it in the end, and president qin agreed to it.

she had thought that president qin's actions were because he had a good impression of her, or at least had some deep meaning.

that was why she had confidence!

Chapter 1603 - 1603: meeting again (5)

The director, scriptwriter, and even the original author had praised her for her good acting. Why was it that when it came to ye Liangqiu, it was all worthless?

she didn't want to give up on her hard work, so she apologized reluctantly, "

"I'm sorry, Chairman ye."

ye liangqiu turned around and looked at her with a sharp gaze. " miss xia, i'm sure you know better than anyone else how many female artistes have become popular because of their prime time slot. no matter how bad we are, we won't beg to buy an episode with a newcomer! ' her aura was strong, and Xia mian was suppressed.

she didn't quite understand ye liangqiu's intentions. was this woman trying to suppress her?

A long time passed. Xia mian said in a low voice, "I'll listen to President Qin's arrangements. "

He finally knew where he had gone wrong!

However, from this incident and Xia Mian's reaction, he could tell that she wasn't that close to Qin Anlan.

on the other hand, qin anlan's action of putting out the cigarette seemed a little deliberate.

Ye Liangqiu pursed her lips and slowly walked back. She held the edge of the table with both hands and looked straight at Qin Anlan. "president qin wants her to apologize, so that means we're not selling anything other than asia vision. is that what you mean?"

qin anlan squinted his eyes and played with the lighter in his hand with his slender fingers. "are you so sure, ceo ye?"

"150 million," ye liangqiu replied, "not a single cent more!" then, she paused again. "the decision to cooperate or not is in your hands. 'to be honest, 150 million was a cheap price for this production.

However, she's holding Xia Mian back because all the major satellite channels are busy broadcasting spy dramas. Their schedules are full, so they don't have the time to air this youth drama. All along, the prime time slot of Asia TV has always been the first choice to promote youth dramas."

She understood this fact, and Qin Anlan understood it even more. Only Xia Mian didn't know.

Qin Anlan's fingers paused for a moment before he smiled faintly. alright.

Xia mian clearly couldn't accept this.

the investment for this drama was 100 million yuan, and that did not include the actors 'salaries. it was not profitable at all.

In her eyes, ye Liangqiu was simply eating a bloody bun.

"president qin?" she exclaimed.

qin anlan looked at her sternly, and Xia mian didn't dare to say anything.

Sister Ying, who had been there the whole time, thought to herself, "he's so petty and doesn't know the severity of this ..."

If President Qin didn't make money to support her, she would feel that she had suffered a loss.

now, liang qiu was the one who was feeling bad. it was as if she had taken advantage of him, but she must be feeling disappointed.

In the past, President Qin had also supported her without considering the gains and losses. Now that she was facing Xia Mian, how could she not feel upset?

contract. Kime handed over the contract.

ye liangqiu read it once, and then let linda read it again. she was very careful, and it took about an hour to read the contract.

Xia mian was a little bored, so she sat on the sofa to the side and played with her phone. qin anlan, on the other hand, sat at the table with an impeccable expression on his face. his eyes were fixed on ye liangqiu's face and her hands.

her hands were very flexible, and it was clear that she had fully recovered.

just looking at her face, his adam's apple couldn't help but move, and he unbuttoned two buttons to cover it.

ye liangqiu didn't notice any of this. she just finished reading the document and looked up. "sign the intent contract first! "

"what's wrong? you've gotten a good deal, yet you're still trying to act innocent?" Qin Anlan's voice was low and hoarse, but only he knew it. Looking at her now, he could not control his body that had not been excited for a long time.

He was a little embarrassed, but he was also a little angry..

Chapter 1604 - 1604: she is still my wife (part one)

"You're exaggerating, President Qin. It's not a bad thing to be more appropriate," ye Liangqiu smiled.

Qin Anlan looked at him.

i'm ready, " kim said as he took out a draft of the document.

"Can I do it now?" qin anlan's voice was a little hoarse, and his cold gaze fell on her face.

Ye Liangqiu smiled and signed her name. Qin Anlan followed suit.

after signing the contract, ye liangqiu put away his own copy and smiled. "president qin, it's a pleasure working with you."

Qin Anlan held her finger but did not put it down for a long time.

She struggled and looked at his face. President Qin? " qin anlan suddenly let go, turned around, and walked out.

when he let go of her, she felt a sense of loss. the feeling of being let go was like yesterday.

Xia mian got up from the sofa and walked to the door. suddenly, she turned around and looked at ye liangqiu. " ye liangqiu, you left his life a long time ago.

why did you come back? "

She even revealed a triumphant look and left proudly.

ye liangqiu lowered her eyes and smiled gently.

elder sister Ying walked over and sighed."Don't be calculative with her, she's just a little girl,"

She paused. she likes President Qin, but there's nothing between him and her. Don't think too much about it.

"There's no use thinking about it!" ye liangqiu smiled. " sister Ying, thank you. " elder sister Ying didn't know what to say and had to arrange another time. linda

packed up her things and walked over. she gathered her courage and asked, "chairman ye, do you still love him?"

she was almost scared to death just now. the sparks between president ye and president qin were too strong.

It was like setting off fireworks. His eyes were full of sparks, and Xia Mian's existence was like cannon fodder.

Ye Liangqiu looked at Linda and smiled. maybe!

the two of them walked out together, and linda said as she walked, "boss ye is really amazing. we couldn't come to an agreement before."

"It's not that I'm good, it's them who want to sell it." ye liangqiu laughed, a bitter laugh.

150 million might seem like a loss, but if he made Xia Mian popular, the commercial value that followed would be far more than that.

When Qin Anlan flattered someone, he was always willing to put in a lot of money.

linda had also seen it for a long time, and immediately understood.

She paused and hesitated for a moment before saying, "it's obvious that Xia mian doesn't have enough emotional intelligence."

"it depends on how you package it." ye liangqiu smiled lightly and walked to the car, ready to open the door.

Just as she was speaking, an arm suddenly grabbed her.

her body was pressed against the car in front of xuxu, and it was qin anlan's face.

Linda, who was at the side, was stunned.

He clenched the document in his hand tightly-was this a robbery?

"You go first." Qin Anlan squeezed out a few words.

linda looked at him with a face full of fear- --what did he want to do to president ye?

Rape and then kill?

linda hugged her briefcase. she wanted to cry, and now that she had found a new master, she had run away. wasn't that a little treacherous?

hence, linda mustered her courage and hit qin anlan with her bag. "let go of our chairman ye."

qin anlan's body tensed up. he held ye liangqiu down with one hand and turned his head to look at linda.

he was so timid and still dared to hit people!

“What do you think I want to do?” Qin Anlan’s voice was deep. ye Liangqiu is still my wife. What do you think I want to do? ”

“what yingluo? it can’t be yingluo’s love!” linda stammered, her mouth was wide open, and she looked around yingying.

Chapter 1605 - 1605: she’s still my wife (2)

There was no one around.

linda felt that if she tried her best, even with president ye, she would not be this man’s opponent.

and so, linda backed down.

she lifted her skirt and ran away quickly. ” chairman ye, i’ll go back to the company first. ‘

Ye Liangqiu watched her back as she ran away.

She felt a little helpless and turned to look at Qin Anlan. President Qin, do you want to reminisce about the past? ”

Her body was pressed against the car door and she couldn’t move at all, but she didn’t struggle.

they were very close to each other, but their faces were 20 centimeters away.

qin anlan’s burning gaze fell on her face. he looked at her for a long time before he said softly, ” “you’re willing to come back?”

half a year ago, she had asked someone to send little qin mu back while she stayed in new York for half a year. it was then that he found out that she was pregnant with twins and they had a son called su mo.

Su Shicheng’s surname!

After he finished speaking, he stared at her face, not letting go of any expression she made.

“if it’s possible, i also don’t want to come back.” she smiled bitterly and finally pushed him away.

if he didn’t come back, he wouldn’t have to suffer and face everything.

Su mo looked like an LAN. Every time she saw Xiaoxiao’s face, she would involuntarily think of Qin Anlan.

“Then why did you come back?” He stood there quietly, took out a cigarette, and lit it.

“You don’t want to see me, you want to avoid me, don’t you?” he looked at her.

Ye Liangqiu’s gaze fell on his face. After a long while, she smiled. Qin Anlan, what if I’m different from the past? ”

“there are thousands of employees in asia vision who need to eat,” she said after a pause.

“I didn’t expect boss ye to be so kind.” qin anlan laughed coldly. ” don’t you know that it’s the end of the road for asia vision? ”

“is that so?” she smiled. ” then why is ‘summer sleep’ still being broadcasted on asia tv? ” the bad situation for asia tv was internally, and the ratings were not bad.

Qin Anlan narrowed his eyes and leaned to the side. “then, boss ye, you don’t mind?”

His gaze was almost sharp as he looked at her in a daze.

“mind what?” ye liangqiu smiled. ” do you mind if you support Xia mian? ”

he didn’t make a sound and just looked at her.

ye liangqiu looked into the distance and then back at him. ” if you need me to sign one day, you can come to me. ”

As soon as she finished speaking, she was held down by him again.

her back hit the car door, and her bones hurt.

“Sign?” he pressed her down, his face very close to hers.

“ye liangqiu, what signature?” he deliberately made it hurt her so much that she could even hear the sound of her bones cracking.

“Ye Liangqiu, you want to divorce me as soon as you come back, don’t you?” He stared at her angrily. don’t you miss Muyun and Mumu at all? ”

She was in so much pain that she closed her eyes.

After a long time, she finally squeezed out a few words. will you let me see her? , he looked at her in a daze it had been almost a year, but she had not changed at all. she was still as hateful as before.

When he was angry, she could be so calm. He wondered if she had a heart.

“i won’t!” he sneered, ” do you regret it? ”

Ye Liangqiu closed her eyes. Qin Anlan, do you have to do this? ” if she knew him well, she would know that this was the gentlest way he could do it.

Qin Anlan’s gaze fell on her face. Just as he was about to say something, a weak voice came from behind him, ” “president qin, kime told me to come over and get you. ”

Qin Anlan tilted his head and looked at Xia Mian..

Chapter 1606: She’s still my wife (3)

qin anlan tilted his head and looked at Xia mian.

Ye Liangqiu also opened her eyes. Her gaze fell on Qin Anlan's face and she smiled faintly. yes, President Qin's car is waiting for you.

The air seemed to have frozen.

Qin Anlan's voice was low. get lost!

Xia mian thought he was talking about ye liangqiu, so she smiled triumphantly.

ye liangqiu pushed him away and tried to open the car door.

"did i allow you to leave?" suddenly, her wrist was grabbed, and she crashed into a chest.

her eyes widened when he kissed her lips and she looked at his enlarged face.

Qin Anlan was furious. Rather than a kiss, it was more like a punishment. He kissed her lips ruthlessly and rubbed against her lips.

her back hit the car door with a loud thud.

he held her in his arms and pinched her chin with his fingers. taking advantage

of her weakness.

she had not been kissed by him for a long time and was not used to it. she shook her head desperately and struggled.

However, he did not let her go. He used some brute force to hold her head in place and moved her slightly away, his breath slightly chaotic. "Ye Liangqiu, who allowed you to leave?" he kissed her so hard that he almost bit off a layer of her skin.

Xia Mian was stunned as she watched the two of them argue.

She had thought that President Qin treated her differently, but now she knew that there was nothing different.

ye liangqiu was the one who was different. ye liangqiu was the one who could anger him, the one who could control his emotions.

Xia mian stared at him in a daze for a long time before finally leaving.

qin anlan kissed her for a full five minutes before stopping. both of them were panting and in a sorry state.

ye liangqiu, in particular, turned his face away, not wanting to look at him.

the lipstick on her lips had been eaten up by him, and it was even slightly swollen, but it was redder than usual.

qin anlan was not any better. his lips were a few pieces.

He looked up and took a step back. He looked at her deeply for a long time before he laughed at himself. CEO ye, I'm sorry for offending you.

He took another two steps back and watched her fall on the car door in a sorry state.

He remembered how beautiful she was. How beautiful she was when she was lying on his bed in the past. Now, in such a place, in such a sorry state, she could still be as beautiful as a painting.

He was poisoned by her and he wanted to quit, but Liangqiu, I couldn't.

my insomnia came back again, but i didn't want to go for treatment because i knew it couldn't be cured.

medicine can never cure my illness.

qin anlan left.

her body finally collapsed, and then she slowly squatted down. her legs were soft, her body was weak, and even her soul was trembling.

Her fingers slowly touched her red and swollen lips. There seemed to be some remnants of his taste on them.

The brutal tension when he plundered her was dense. she didn't know how much time had passed before she finally got into the car.

she wanted to drive, but her legs had no strength at all.

He opened his palm. There was a faint mark on it. It was very, very painful.

in the end, ye liangqiu still called linda, and linda came over to take her back to ya shi.

after the relevant departments of asia tv saw the sample, they were very optimistic about the film "summer sleep" and wanted to immediately schedule it.

"Let's wait a little longer," Ye Liangqiu muttered, "King Entertainment won't just do this. Xia Mian will definitely have other opportunities to be exposed."

&Nbsp;

"president ye, are you going to suppress this film?" linda hesitated.

"When Xia Mian's value rises, there will be plenty of advertisers who will come to sponsor her."

Chapter 1607: you 've woken up!(l)

Linda looked at ye Liangqiu with furrowed fingers. President ye, you're so evil. Ye Liangqiu's reaction was calm. have you forgotten what I used to do? " linda was stunned, and then she remembered that ye liangqiu was a diva.

she couldn't be compared to a little flower like Xia mian. back then, at ye liangqiu's fan meeting, more than ten people fainted, and even one of her fans was unconscious.

she knew the rules of the entertainment industry the best.

"will KING entertainment be troubled?" linda asked worriedly.

Ye Liangqiu sat behind her desk and took a sip of the tonics she had brought from home. She said in a calm voice, "this is not within the scope of King Entertainment's authority."

he looked at Linda. "Qin Anlan is not omnipotent."

"Go and find out what Xia Mian's been up to recently. What films are there?"

"Okay, boss Ye." Linda nodded.

Linda went to make a few calls. She also knew people in King Entertainment.

After he was done, he came back. CEO Ye, I've found out that a month later, Xia Mian will be watching a fashion show in Paris, while King Entertainment is in the middle of an endorsement deal.

"He's talking about endorsements even without any work. He's really supporting her." Ye Liangqiu laughed coldly. "You want to ride on the wave of fame? Dream on."

There were stars in Linda's eyes. "CEO Ye, you're thinking very far ahead."

Ye Liangqiu lowered her eyes. "We signed a contract later on, but we'll put it on hold for now. We won't be showing any showtimes for now." Linda nodded.

"Xia Mian will definitely be popular, but it all depends on how much profit Asia Vision can get from this." Ye Liangqiu clenched her fists, feeling the pain in her palm.

After a while, he smiled. "I'll go back first!" Linda's interest was piqued. "Are we going back to feed Momo?" Ye Liangqiu basked in the sun. "He should have broken off as well."

However, this child was very clingy and refused to stop. As usual, she went back early to feed him. When she thought of Momo, she also thought of the other two children, Mu Yun and Little Mumu.

Ye Liangqiu was silent for a while, then smiled and got up.

And Linda saw loneliness in her smile.

She was aware of the conflict between President Ye and Qin Anlan, but she did not know why they had broken up. They were a good couple, but now that they had met, they were worse than strangers.

Besides, she saw how Boss Qin was acting tonight. He was like a wolf. She didn't know if Boss Ye had been eaten!

Linda didn't dare to ask, and she watched Ye Liangqiu leave.

When Ye Liangqiu drove back to the Su residence, she played the episode of a recently popular drama [because of one person] to give up a city for one person,

I think I've found the balance of love, I am still me, as if I have never left.

This city had trapped a lonely soul.

the scars on the ground were proof of being bathed in blood.

That person, opened the Shackled City gate,

Melt the ice and gallop with me between heaven and earth.

For a city,

Losing a person,

At the end of love, no one can win.

as she replayed the scene, tears welled up in her eyes. she did not know when it happened, but her face had turned cold.

she reached out to wipe it. it was actually tears.

Ye Liangqiu, what's going on? why do my legs go weak just thinking about him?

After choosing this path, how could he be so weak before he even started?

there was a turn in front, and a car was driving in her direction. her car had long deviated from her lane.

she should have stepped on the brakes, but her legs were so weak that she could only watch as the car crashed toward her.

with a bang, his chest tightened and his qi rose..

Chapter 1608: You've woken up (2)

ye liangqiu lay on her stomach and only opened her eyes after a long time. she looked out the window at the bright sky, then closed her eyes weakly. when she opened them again, she fell into darkness.

there was a commotion all around, and the crowd was filled with people.

The front of the White BMW was almost smashed into pieces. The owner of the car was lying on the steering wheel, motionless.

before the ambulance arrived, the reporters were already there, fighting to report on the accident. soon, they found out that the owner of the car was ye liangqiu from asia tv, based on the license plate.

ye liangqiu wasn't just a high-level executive in asia tv. she was also a legend in the entertainment industry.

The financial and entertainment sections were flooded with news of ye

Liangqiu's car accident for two days.

in the news, ye liangqiu was carried to the ambulance on a stretcher. his hands were hanging by his side, and no signs of life could be seen. a large number of entertainment reporters followed behind, fighting to report.

qin anlan's face was ashen as he looked at the scene in front of him with a dark expression.

kie stood at the side, not daring to even breathe.

There was a dead silence in the air.

after a long time, kie asked carefully, "ceo qin, do you need me to go and take a look?"

"No need!" Qin Anlan replied quickly. After a while, he picked up a cigarette and took two puffs. Of course, he coughed a few times. "let sister Ying go," he said after a long while.

yes. Kime nodded and left.

Sister Ying went to the hospital and didn't see ye Liangqiu. Ye Liangqiu didn't have any external injuries. After a series of B-ultrasound and CT scans, she was fine both inside and outside, but she still didn't wake up.

The doctor said that he would definitely have a concussion, but he wouldn't be unconscious for so long.

sister Ying had to come back to report at midnight.

sister Ying was hit by the smoke the moment she entered the room. she had been with him for many years and was not polite with her words. "why do you smoke so much?"

Hence, he went in, pulled the curtains open, poured out the cigarette butt, and cleaned it.

Qin Anlan lit another cigarette. His voice was so hoarse that it was almost unrecognizable. how is she?"

"he's not awake yet." sister Ying came over, snatched the cigarette from his hand, and stubbed it out. "this is nothing. if you care about her, go and see for yourself. she's lying on the ground, half dead anyway. if you hesitate, you might be able to attend the funeral tomorrow!" sister Ying's words were quite vicious, but every word struck his heart.

Qin Anlan looked up. Sister Ying's back was facing the light, so he could not see her expression.

she continued, "president qin, i've missed out on a person. i always thought that he should be the one to say it first, but in the end, he didn't even say that he liked me."

That person was Kime. Su Cheng's child had been given away. Kime's mother liked the little girl very much and would not let go of her all day long. However, she had not let go of su Cheng and Kime yet.

KIME was not in a hurry. sister Ying had always known that KIME had been bribed. su Cheng had performed well in the prison, so her sentence had been reduced to 20 years. perhaps she would get more in the future.

KIME continued to wait KIME this. mother he introduced him to several teachers, but there was no future for KIME. just like that, kie continued to wait persistently while she, too, waited persistently to see when she would give up.

qin anlan's eyes were a little red. in a sense, sister Ying was his acquaintance. elder sister Ying was a few years older than him and had seen through the world. she had also seen him enter KING entertainment and watched him and liang qiu fall in love and separate..

Chapter 1609: you've woken up (3)

“but elder sister Ying, i'm different from you.” he sighed. ” i can do anything, but my mother's matter can't be resolved. ‘ sister Ying could understand, but she trusted ye liangqiu's difficulties more.

After a moment of silence, he said, ” let's go and take a look since she's Mumu and Muyun's mother.

Qin Anlan closed his eyes, his Adam's apple bobbed. After a long time, he sighed softly. you can go back first.

elder sister Ying wanted to say something, but in the end, she didn't say anything and went out to take it for him.

She believed that the truth would come to light one day. She had brought up ye Liangqiu, and she understood that child.

qin anlan raised his hand to look at his watch. it was already one o'clock at night.

He turned on his computer again and read the news repeatedly.l He looked at her roughly ten times. he slammed his fingers on the notebook, picked up his coat, and walked towards the door.

when he opened the door, he saw Xia mian squatting by the door. when she saw him come out, she raised her head.

The expression on her face was a little stubborn, and there were stars in her eyes. She looked very much like the cool autumn eight years ago.

qin anlan was stunned for a moment. after a long time, he pursed his lips and ignored her as he walked toward the elevator.

Xia mian chased after him and grabbed his arm. “President Qin,”

Qin Anlan had already stepped into the elevator, and Xia Mian followed him in. President Qin, are you going to see President ye? ”

Qin Anlan's gaze was filled with impatience. After a long time, he suppressed his voice and said, ” miss Xia, you've crossed the line.

Xia Mian naturally knew that. She acted this way because she looked like ye Liangqiu.

She clearly knew the reason why President Qin brought her there today. It was to provoke her. He was just trying to provoke ye Liangqiu.

she had been waiting for an opportunity to replace ye Liangqiu. not only did she want to replace ye Liangqiu in the entertainment industry, but she also wanted to replace her in KING entertainment.

“president qin, i’m just worried about you.” Xia mian pursed her beautiful little lips. in her white dress, she looked like the school belle and the president. She was like the female lead in uncle legs.

“I don’t need your concern!” Qin Anlan’s voice was deep. don’t test my patience again. Otherwise, you know the consequences.

Xia mian laughed coldly in her heart.

when he was using her, did he not think that he would give her hope?

the elevator door opened, and qin anlan walked out.

Xia mian paused for a long time before following him out.

Qin Anlan sat in the car and started the car, but he could not start the engine for a long time.

He reached out and hit the steering wheel hard. Suddenly, a sharp sound was heard, and then all the cars in the parking lot screamed.

He grabbed his hair in frustration, got out of the car, and walked to the side of the road to hail a taxi.

It was late at night, and there was not a single car on the street. He was about to call the driver when a small white ximi drove over. The window rolled down, and Xia Mian’s expression was on her face. “President Qin, do you want me to send you there?” qin anlan looked at the empty street and finally got in the car.

Xia mian drove steadily, but her car was too small, and when he sat in it, it made the interior seem even smaller.

As Xia Mian drove, she looked at the rearview mirror and said softly, “My car is small, so it might not be comfortable.”

Qin Anlan ignored her.

Xia mian didn’t say anything after that and drove to the first people’s hospital of the city.

When they arrived at the hospital entrance, Qin Anlan opened the car door and walked towards the inpatient department. Xia Mian sat in the car and watched as his back view melted into the dark night.

Chapter 1610: you ‘ve woken up (4)

she didn’t understand why president qin couldn’t let go of that cruel woman after what happened. he was still concerned about her life.

Su Shicheng was useless, ye Liangqiu was dead, and YA Shi would soon be finished.

If President Qin couldn’t let it go, what would he do with ye Liangqiu after dealing with Ya Shi?

Thinking of this, Xia Mian's heart turned cold.

the answer couldn't be clearer.

No matter what ye Liangqiu had done, as long as she hadn't personally attacked Mrs. Qin, Qin Anlan would forgive her.

a gust of night wind blew past, and Xia mian suddenly felt very cold.

She hugged herself and looked at the street lights of B city, feeling as if she still had nothing.

As for ye Liangqiu, she looked like she had lost everything. But in reality, she was just as Qin Anlan had said. She had always been his wife, and that had never changed.

In the White corridor of the hospital, the sound of leather shoes stepping on the floor tiles was clearly heard in the dark night.

The nurse on duty was still in a daze from her sleep. She opened her eyes and looked at the extremely handsome man in front of her. After a while, she regained some of her energy."sir, it's past visiting hours now, "

'Which room is ye Liangqiu in? I'm looking for her," Qin Anlan's slender fingers were clasped on the on-call stand.

the young nurse looked at the patek philippe watch and her eyes widened. she then looked at the handsome face that was as shiny as a diamond. " miss ye is in the intensive care unit. she can only visit her at four in the afternoon. " "Only immediate family members," she added.

"I'm her husband." "I want to see her now," Qin Anlan said in a low voice.

The nurse looked at him and hesitated for a long time before saying, " "it doesn't look like it!"

but the next second, her mouth opened wide as she looked at the man in front of her.

She remembered that miss ye's husband was King Entertainment's CEO Qin. Then, the man in front of her was CEO Qin?

Tian Tian Tian, the little nurse who was even more handsome than a male celebrity immediately had stars in her eyes as she looked at the handsome man in front of her.

qin anlan pursed his lips tightly and clenched them again.

the nurse finally woke up and coughed lightly."She's not awake yet, so I can only take a look." qin anlan's expression did not look too good. the young nurse immediately walked in front and muttered, " "what are you doing? you're the one begging me!"

However, since he was so handsome, she decided to let it go.

the door opened. it was very quiet inside. ye liangqiu was lying quietly in the plain white ward with an oxygen mask on.

it was so quiet that it didn't seem alive.

At that moment, Qin Anlan felt a sharp pain in his heart. It was extremely painful.

He slowly walked over to her and looked at her sleeping face.

“Ye Liangqiu, What is this?” his voice was low and hoarse, “do you think i’ll forgive you just like that?” Do you think you can escape like this?” As he spoke, his eyes were already filled with warmth.

only now did he know how painful it was to love someone but not be able to love her. he wanted to care for her, he wanted to hug her, but he couldn’t.

he couldn’t forgive her, but when she was in pain, he would be in more pain than her.

he tortured her, provoked her, and watched her in pain. he thought that he would be happy, but he was the one who cared more!

he bent down and whispered into her ear, ” didn’t you want to go against me? if you want to go against me, get up! ye liangqiu, get up and take a walk.”

the swelling pain in her chest was so unbearable that she felt like she was about to die.

he knew that she was fine. she just didn’t want to wake up.

liangqiu, do you get tired too?

have you ever regretted choosing this path?
