Chapter 161-fixed

When he returned, she cooked some noodles. After he finished eating, he went into the study and took PEI Qiqi away.

he wanted her to accompany him, so she could only accompany him.

she flipped through her book absentmindedly and looked up at him from time to time.

” qiqi, if you keep looking at me like that, i might not be able to read these documents! ” Tang Yu didn’t look up and just smiled.

PEI Qiqi immediately lowered her head and pretended to be busy.

He looked up, and there was a faint smile on his handsome face.

“forget it!” He suddenly stood up and reached out to pull her into his arms.

PEI Qiqi felt a little scared when he hugged her like this, ” Tang Yu.

her voice was soft and soft. it was the first time he liked her calling him yingluo so much. it was so gentle.

he lowered his head and kissed her small lips. ” call me that again. ”

PEI Qiqi raised her head and looked at him. With her lips being kissed like this, she more or less couldn’t control her emotions.

She lowered her eyes, her expression was soft and gentle.

he kissed the last word of ‘tang qianqian’.

His long fingers cupped her face and rubbed it gently. The lines between his fingers touched her delicate skin. PEI Qiqi felt a little itchy and a little numb.

tang yu kissed her deeply for a while and then backed out. in a hoarse voice, he asked, ” where’s the stuff we bought today? ”

pei qiqi sat in his arms and her body that was as soft as water suddenly stiffened.

tang yu patted her, ” go get it. ”

his voice was already extremely hoarse.

PEI Qiqi bit her lip. Because of his kiss, her lips were bright and glistening. Tang Yu kissed her and his voice was hot, low and hoarse, ” “Baby, be good.”

She was not!

pei qiqi walked out very slowly and came back even slower.

he waited for a full ten minutes before pei qiqi finally arrived with a small box in her hand. she placed it on her back.

She stood in front of him, her hair slightly messy. After being kissed, her eyes were like silk, and her thin shoulders were fragrant and moving.

tang yu wasn't a saint. at first, he just wanted to tease her, but now, he was serious.

As he kissed her, he unwrapped the package with one hand.

PEI Qiqi gasped, " Tang Yu, this is the study.

Besides, doctor Mei had said that they couldn't afford to argue now.

"I've already asked, it's done!" he kissed her and murmured.

pei qiqi still couldn't accept it, " this is the study, yingluo. "

and he seemed to have made up his mind to do the most erotic thing in the holiest place. he would seal her little mouth and not let her say yingluo again.

But five minutes later, Tang Yu raised his eyebrows and looked at the thing in his hand.

"you bought it?" his gaze landed on pei qiqi's little face.

she shrank back, but where could she hide? she was still in his arms.

she leaned weakly on his shoulder and probed him with her little face. " i don't know, yingluo. "

"Well, you've tried, right?" It was rare for Tang Yu to be so frivolous. He bit her, " "Are you sure I'm like this?"

PEI Qiqi was forced into a corner by him. She leaned her little face on his shoulder and said in a weak voice, " I really don't know!

Tang Yu wasn't in the mood for that anymore. He hugged her and naughtily taught her, " next time, buy two sizes bigger, understand? "

PEI Qiqi didn't know where she got the courage from, " "You can buy it yourself in the future."

Tang Yu smiled and patted her to get her up, " okay.

PEI Qiqi felt that something wasn't right. She thought about it and blushed.

She seemed to be begging him to carry her.

Tang Yu was in a good mood, so he carried her back to the bedroom.

Chapter 162

162 Fixed (2)

After taking a shower, he let her sleep on his shoulder. He turned on the bedside lamp on his side and casually flipped open a document to read.

He actually wanted to do something, but he was still worried about her health.

It didn't feel bad to let her lie in his arms like this. His large palm patted her gently as he flipped through the documents.

The phone by the bed rang and he immediately picked it up. His voice was low and he spoke in English.

he turned his head and looked at pei qiqi. she didn't wake up. tang yu took his phone and walked to the window to answer the call.

His voice was low and muffled, but PEI Qiqi could still understand what he was saying. He was in contact with a foreign expert and asked about PEI Minghe's illness. Two days ago, he made a copy of the medical record and X-ray and sent it over.

tang yu explained in detail to her for about 10 minutes. then, he hung up the phone, lifted the blanket and sat beside her.

His long fingers brushed away the loose strands of hair on her forehead, then he put the documents aside and lay down.

pei qiqi suddenly turned around and wrapped her arms around his waist, " tang yu, thank you. "

She buried her face in his chest as she spoke. Her voice was a little muffled, but he still heard it.

he hugged her small body and smiled faintly. " sleep! "

the next morning, when pei qiqi woke up, tang yu was already dressed and wearing his watch.

she realized that he was wearing the same kasaya as her again.

PEI Qiqi wrapped the blanket around her body and wrinkled her nose, " childish.

Tang mo suddenly turned around and looked at her. He then leaned over and kissed her small mouth, his voice hoarse."is that so?"

It was too late for PEI Qiqi to regret. Men in the morning were especially beastly.

Even if it wasn't 0.01, he still made contact with her twice.

After the incident, Tang Yu carried her to the shower and she bit him on the shoulder.

"PEI Qiqi, seeing you like this makes me want to be childish again!" he gave her a pat. " put on your clothes if you don't want to repeat a year. "

PEI Qiqi bit her lip and her legs went soft.

To make it up to her, he was especially gentle this time.

in the end, it also took a very long time.

PEI Qiqi looked at the time. It was already 10 O 'clock. She bit him again.

She didn't care if he was 'childish' again. Anyway, she didn't have enough time for class.

tang zheng's heart softened and he helped her put on her clothes. " i'll send you there. be good and stop fooling around! "

"I'm not fooling around." she pursed her lips and suddenly said,"my dad is being discharged today, yingluo."

Tang Yu silently urged PEI Minghe to be discharged. This meant that jinrong and PEI Huan were getting married.

but pei minghe won't be attending, yingluo.

He reached out and touched PEI Qiqi's little head, " come with me tomorrow.

PEI Qiqi raised her head and slowly called his name, ” ” tang yu’s xuanji ”

He reached out and ruffled her hair. you’ll be fine.

she stood by his side and was pulled into his arms. for a moment, pei qiqi really, really wanted to rely on him for the rest of her life.

if her mother wasn’t zhao ke, she thought that wanwan would really be willing.

he sent her to school. pei qiqi got out of the car and watched him leave.

she had been worried that she would be criticized for being late, but everyone from the teachers to the students was polite.

Today, because PEI Qiqi was standing beside Tang Yu, no one dared to look down on her.

After class, PEI Qiqi ran into Chen Xinjie when she walked out of the classroom.

They hadn’t seen each other for a few days, and Chen Xinjie looked Haggard.

“pei qiqi!” Just as she was about to walk past, Chen Xinjie called out to her.

Chapter 163

163 pei qiqi was kidnapped (1)

PEI Qiqi turned around and stood still. There wasn’t much expression on her face.

Chen Xinjie stared into her eyes, ” PEI Qiqi, you must be very proud right now.

“what do i have to be proud of?” PEI Qiqi smiled faintly.

Chen Xinjie’s voice was a little sharp, ” seeing that I like Lin jinrong, seeing me in such a sorry state, aren’t you proud? ”

“no one forced you to like him, and no one forced you to be my friend!” PEI Qiqi said coldly, ” it’s just like how you did so much, but you still want people to think you’re innocent, right? ”

Chen Xinjie laughed, ” PEI Qiqi, I just didn’t think that your dog shit luck would be so good.

” you know, pei huan and i were the ones who suggested that we get lin jinrong that night. to me, i would rather lin jinrong and pei huan be together than you and him being in love. ”

” i was the one who told pei huan to sell you off, wanwan. ” chen xinjie’s face was filled with madness. ” but i didn’t expect you to run into tang yu’s room. ”

“isn’t it selling the same?” pei qiqi laughed coldly.

chen xinjie was stunned. she took a step back, ” i don’t believe that you don’t have any feelings for him. pei qiqi, if that’s the case, then you’re the most heartless person! ”

pei qiqi slowly walked forward, awkwardly.

She leaned closer to Chen Xinjie. Her voice was soft, but every word struck Chen Xinjie’s heart.

“i don’t have a heart, because it’s been eaten by a dog!” After PEI Qiqi finished speaking, she straightened her body.

Chen Xinjie’s face was ashen. Suddenly, she laughed, ” PEI Qiqi, we’ll be waiting, Yueyue.

Just you wait. How could you bear to see a man like Tang Yu abandon you? how could you not have him in your heart?

however, how could chen xinjie know what pei qiqi was thinking? even pei qiqi herself didn’t understand.

His good and bad side had completely bewitched her.

she didn’t know either, yingluo.

.....

pei huan’s wedding day!

at 4 pm, tang yu asked someone to send her here for a makeover. he was the lin family’s closest relative, so of course, he had to attend.

PEI Qiqi looked at herself in the mirror, stunned.

with a thin layer of makeup, her originally fair face was dyed with a layer of red.

she knew that she was good-looking, but she had never been so radiant before.

vaguely, she saw zhao ke’s shadow in her own body. pei qiqi was a little dazed.

that woman really did not care about her at all. she had never seen her secretly come to see her even once.

No matter how mean Zhou Meilin was to her, when PEI Huan left home today, Zhou Meilin was her mother, so she shed tears for a long time.

at that moment, she was envious of pei huan!

The stylist placed a hand on PEI Qiqi’s shoulder. Her name was Ning Jing, the best stylist in B city. She was very famous and many singers and actors came to her for a makeover. They all called her sister ning.

Ning Jing’s hand gently touched PEI Qiqi’s hair and she looked at her work in the mirror.

She smiled slightly. you’re good-looking, so you look good no matter what you do.

“sister ning’s cooking skills are good.” PEI Qiqi smiled.

her hair was tied up into a simple bun, looking like a european girl.

she had a thin layer of makeup on her face and was wearing fan zhesi’s new season’s clothes.

The pure white Eugen yarn was decorated with romantic flowers that extended from the chest to the lower part of the dress.

Especially the thing hanging on her neck. Sister ning could tell it was something good with one look.

Chapter 164

164 pei qiqi was kidnapped (2)

ning jie couldn't help but reach out to touch it. her voice trembled as she asked, " did mr. tang give this to you? "

PEI Qiqi acknowledged, " I brought it back from a business trip.

This silly girl, how could such a thing be available now!

However, ning Jie didn't say anything and just smiled. Mr. Tang must have his reasons for not telling her.

"take a seat first." "Mr. Tang will be here soon." Sister ning raised her hand to check the time. I still have some matters to attend to."

then, he smiled at pei qiqi and felt that it was a pity.

With this girl's qualities, if she entered the entertainment industry, she would definitely be famous.

However, Mr. Tang should be reluctant to do so!

PEI Qiqi nodded. She stood up and watched Ning Jing leave before sitting down. However, someone covered her nose and mouth.

pei qiqi opened her eyes wide and looked at the black shadow in the mirror-

slowly, she felt a little dizzy. after struggling a few times, she finally lowered her head weakly. the people behind her dragged her to the corridor outside.

.....

a basin of cold water was poured on pei qiqi's face. she suddenly woke up and felt a sharp pain in her wrist.

When he opened his eyes, his surroundings were dark, and he could smell something rotten.

He looked around and confirmed that he was in an abandoned factory. It was dark and empty.

"you're awake?" a woman's voice rang out and pei qiqi's chin was pinched.

she was forced to look up and saw a familiar yet strange face.

this girl had come to look for her before!

The girl smiled coldly. do you still recognize me? "

"i'm tian tian!" "if it weren't for you, i would have already climbed into mr. tang's bed," tian tian reminded him.

that time, she almost became mr. tang's woman.

it was her first time. if mr. tang wanted her, he wouldn't mistreat her.

Later on, she looked for PEI Qiqi, hoping to serve Tang Yu together with her. However, PEI Qiqi didn't give her any face.

tian tian's personality was not like her name. women who had spent their time in brothels were not ruthless, but had a life of being defiled.

Of course, PEI Qiqi didn't forget, " what about now, Yueyue? "

tian tian chuckled and said, " if i disfigure your face, do you think mr. tang will still like you? "

tian tian's eyes were filled with jealousy as she looked at pei qiqi's clothes and the piece of rich jade hanging around her neck.

Versace's haute couture. That Wanwan. the moment the knife in her hand touched the chain, it landed in her hand. At the same time, PEI Qiqi's neck was cut. Blood dripped down like a few drops of water. It was especially obvious on her soft neck.

pei qiqi didn't say anything.

at this moment, tian tian was like a wild beast in front of him. the more afraid one was, the more excited she would be when she smelled blood.

Her forbearance made Tian Tian a little unhappy. She placed the cold knife on PEI Qiqi's face, " tell me, what will you do if I cut your face? "

"Will I bleed to death?" Her smile was cold, " PEI Qiqi, without a face, will you become a monster? "

pei qiqi didn't know if she would, but she was sure that tian tian was a monster.

She was a monster that was drowned in money and vanity, but she didn't know it.

"why can you get all of this, but i can't?" tian tian's body bent slightly and she looked at pei qiqi with a fierce gaze, " why are you not willing to share all of this with me?! "

we're the same kind of people. We'll never be able to stand beside this kind of man. We're all just warming his bed. Why do you have to be so serious? " a strange smile appeared on tian tian's face.

Chapter 165

165 PEI Qiqi was kidnapped (3)

The blade in Tian Tian's hand lightly grazed PEI Qiqi's face. A string of blood droplets that looked like red dew rolled down her fair face.

PEI Qiqi felt a sharp pain on her face. It was burning, but she didn't make a sound.

"does it hurt?" tian tian's little face caressed the drop of blood. her voice was so gentle that it made one's hair stand on end, " pei qiqi, are you very afraid of yueyue? "

pei qiqi glared at her.

"You must think I'm crazy, right?" Tian Tian laughed out loud. Then, she stood up and forcefully pulled PEI Qiqi's chair over.

With a loud bang, PEI Qiqi's body fell to the ground along with the chair.

her arm violently rubbed against the rough concrete floor, leaving a long trail of blood.

PEI Qiqi groaned but she stubbornly held it in. She didn't want to show weakness in front of this madman.

"Ah, it's such a pity that such a beautiful skirt is torn!" tian tian pretended to be surprised. she kicked pei qiqi with her high heels and said, " it's useless to play dead. it's because of ran ran. "

as she spoke, tian tian stood up slowly. her voice was so soft that it could make one's hair stand on end. " do you know that this is an abandoned warehouse that has not been used for about ten years? if you were tied up here alone, would you starve to death? "

just because of Tang Yu? " PEI Qiqi raised her head. Her hair was a mess and it was scattered around her neck. Her body was covered in blood and she looked terrifying.

She stared at Tian Tian with widened eyes and a smile on her face. this is illegal!

Tian Tian giggled and said,"illegal?" PEI Qiqi, are you really na?ve or just pretending to be na?ve? actually, you're the same as me. It's illegal to sleep with a man and do that. Who cares?"

she just didn't like pei qiqi, that's all!

Tian Tian raised her hand and took off PEI Qiqi's watch as well, " look at the time one last time. It's 6 pm now. Yueyue, think about it. How long can a person live without eating or drinking?!

pei qiqi's phone was also turned off and thrown on the ground. pei qiqi couldn't break free from the rope anyway.

Originally, she wanted to find two men to defile her, but she felt that it was meaningless.

outside the door, a young man called out in a soft voice, " "sister, hurry up, it's getting dark!"

tian tian laughed and backed out. she admired pei qiqi's face as she fell to the ground. when she reached the door, she turned around and walked out for a walk.

PEI Qiqi looked on helplessly as the heavy door closed.

The light once again became dim and hazy.

she lay there, her body in pain.

Her head was very dizzy because she had lost too much blood.

Time passed by slowly. She lay on the ground and moved her body with difficulty, but her arms were tied to the back of the chair, and every movement hurt her.

Large beads of sweat appeared on her forehead, and they dripped down one by one.

it flowed to her wound, and her face was almost twisted in pain.

It was impossible to say that there was no despair.

pei qiqi struggled again and again and laid on the ground again and again.

Her little face was covered in a mixture of blood and soil, and the original color could no longer be seen.

Slowly, she ran out of strength and stopped moving on the ground.

Lying there, her whole body felt like it was drained of energy. It was very, very painful. In her mind, the image of PEI Minghe sitting in a wheelchair appeared. PEI Qiqi cried and wailed.

She might really die Here!

Chapter 166

166 PEI Qiqi was kidnapped (4)

lin jinrong and pei huan's wedding was held at a hotel owned by sheng yuan. it was grand and lively. almost all the rich and powerful in city B had arrived. of course, they were only missing one person.

Tang Yu!

lin jinrong's mother was chatting with lin yun. lin yun looked at the time and complained, " why isn't tang yu here yet? "

Lin jinrong's mother smiled, " maybe he's waiting for a female partner. I heard that Tang Yu found a girlfriend.

Lin Yun elegantly took out her phone. there is one. It's PEI Huan's sister. She seems to have a good personality!

Lin jinrong's mother sighed and continued, " I saw her from afar last time. Wanwan is really good looking. No wonder Tang Yu would like her.

Up until today, there were very few girls that Tang Yu had his eyes on.

Lin Yun had already dialed Tang Yu's number. Her voice was gentle, " Tang Yu, why aren't you here yet? "

tang yan wasn't the one who answered the phone. it was meng qingcheng. in his desperation, he had forgotten where lin yun was, " pei qiqi has been kidnapped! "

"What? Qiqi has been kidnapped?" Even though Lin Yun was used to seeing things, she was still shocked.

Lin jinrong's mother was also stunned. how could that be? Does Tang Yu have any ideas?"

The little girl was so pretty, it was best if nothing happened to her.

in lin jinrong's mother's heart, pei qiqi was much more pleasing to the eye than her future daughter-in-law, pei huan.

Therefore, he was somewhat concerned at this time.

lin yun calmed down, " tang yu has already thought of a way. "

Just as Lin jinrong's mother was about to speak, she saw her son walking quickly towards the door. PEI Huan tried her best to pull him from behind, but Lin jinrong shook her off in vain.

“Jinrong!” she was shocked. ” what are you doing?! ”

Lin jinrong had already walked out of the hall. PEI Huan's eyes were filled with tears and her entire body was trembling.

Even though Zhou Meilin tried her best to stop her, PEI Huan couldn't take it.

On the night of their wedding, he left her to find PEI Qiqi for a chat.

“he went to look for pei qiqi!” pei huan screamed, ” the person Lin jinrong likes is PEI Qiqi. For her, he doesn't want me anymore. He doesn't want the child in my stomach anymore, Yingluo.

Zhou Meilin was furious. How could he be so stupid!

She stretched out her hand and gave PEI Huan a hard slap, wanting her to wake up.

pei huan turned her face to the side and looked at zhou meilin. her voice was very soft, ” “Mom, you hit me. Yueyue, how can you hit me? he betrayed me. Yueyue, he slept with PEI Qiqi's best friend again and again. He just wanted me to give up. He only told me that he would punish any woman who climbed into his bed. This is retribution, and I drugged him!”

pei huan's face was full of tears and she looked a little pitiful.

the lin family also understood that yingluo had special feelings for pei huan.

Lin jinrong's mother was especially shocked. She and Lin Yun looked at each other, unable to face this fact.

she could tell that jinrong didn't like pei huan, but he actually liked pei qiqi!

with pei qiqi and tang yu's relationship, lin jinrong's mother was embarrassed.

lin yun patted her hand and said gently, ” ” the most important thing now is to find jinrong and get married. tang yan will find qiqi. ”

She reminded Lin jinrong's mother and quickly went to look for her husband, but Lin jinrong's car had already driven away.

Chapter 167

167 pei qiqi was kidnapped (5)

tang yu sat in the command center of city B's transportation bureau. the chief personally accompanied him to check the surveillance cameras.

There were so many roads in B city, big and small, and it was dizzying to look at them.

But Tang Yu sat there with a calm gaze, even though his heart was already trembling.

“Next!” He said in a low and hoarse voice as he lit a cigarette. He took a puff and let it burn between his fingers.

in the ashtray on the table, there were more than ten cigarette butts.

More than an hour passed, and they still couldn't find the road that the White beetle had taken.

Ning Jie was there as well. She felt guilty. If she had been there, PEI Qiqi wouldn't have been taken away.

Her eyes were also glued to the screen, afraid that she would miss something. Suddenly, Tang Yu's fingers tapped lightly and the screen froze.

The White car was frozen in place.

tang yu's finger tapped a few more times and the car zoomed in again and again. he did it back and forth a few times until he could see the license plate clearly.

"Go and find out who the license plate belongs to!" tang yu's voice was soft.

The director was stunned for a moment, then immediately went to do it.

in less than a minute, he found out. " a girl named tian tian, in her twenties. this is her phone number, and there are photos of her! "

I've printed out all the color photos.

tang yu only took one look and his brows were tightly furrowed. meng qingcheng, on the other hand, almost fainted.

the heavens must bless pei qiqi to live a safe and healthy life. she couldn't lose a single strand of hair, or else he would probably lose his life.

"i'll contact her now and negotiate with her." Meng Qingcheng knew he had done something wrong, so he quickly said.

tang yu looked at him, " i want to see her in an hour! "

Meng Qingcheng nodded.

of course, he wouldn't alert the enemy and he wasn't sure if she was with pei qiqi. Nôv(el)B\\jnn

But he was still very familiar with the boss of 'huoshu silverflower', and he settled it with a phone call.

he put down the phone, and his forehead was covered in sweat. " "we can set off now!"

tang yu had already walked out. he had already taken off his iron-gray hand-made suit and unbuttoned his shirt. because he had been sitting for a long time, it was all wrinkled up. his entire body was filled with a solemn aura.

meng qingcheng hadn't seen tang yu like this in a long time.

when she reached the door, she saw lin jinrong.

tang yu squinted his eyes and looked at him.

Lin jinrong's fist was already coming towards him, but Meng Qingcheng blocked it. you still have the mood to fight? ”

“You said that you would take good care of her. Where is she now?” Lin jinrong's hair was a mess, and his black evening gown was wrinkled.

Tang Yu's eyes turned cold, ” jinrong, don't forget that today is your wedding.

He paused for a moment before getting into the car. The driver drove because he needed to calm down.

lin jinrong watched as the black rv disappeared into the traffic. he got into his own car and sped up to catch up with wanwan.

Half an hour later, the fire tree and silver flower.

As soon as Tian Tian entered the private room, she wanted to run away.

But Meng Qingcheng grabbed her hair, dragged her in front of him, and slammed her onto the glass coffee table, ” “What are you running for?”

Tian Tian's head hit the table with a loud bang, and dark red blood trickled down from the corner of her forehead.

“where are they?” meng qingcheng pressed her down. tang yu was the one who spoke.

His eyes narrowed as he looked at the necklace on her neck.

That was the one he gave PEI Qiqi. His gaze then fell on her wrist. That watch also belonged to PEI Qiqi.

it was the same as the one he had.

chapter 168-tormenting him

“qingcheng, let her go!” Tang Yu suddenly said.

meng qingcheng was stunned. brother, did you hear me wrong?

however, he let go of her hand and tian tian stood up. when she met tang yu's gaze, her body shrank and she instinctively wanted to cover herself.

She didn't expect Tang Yu to be able to find out her Junjun.

Tang Yu was very calm, ” take off the necklace and watch.

Tian Tian looked at him cautiously and pursed her lips. She was half a second too slow to reply.

“I don't have that much patience!” He snuffed out the cigarette in his hand, in her palm.

Tian Tian gasped violently. Her voice was hoarse, but she didn't dare to utter a single word.

enduring the pain, she hurriedly removed the item and placed it in front of him.

tang yu reached out and threw the watch into the bin. he used his fingers to wipe the necklace and put it in his pocket.

“Lead the way,” he said in a deep voice.

Tian Tian shuddered. She could already see the Grim Reaper in front of her.

when they left, lin jinrong’s car was also parked downstairs. when tang yu passed by him, he paused for a moment, ” “If I were you, I would go back and continue the wedding!”

Lin jinrong didn’t say anything and Tang Yu just let him be.

Tian Tian sat in the back seat. Meng Qingcheng was driving in front and Tang Yu was beside her.

Tang Yu still didn’t ask how PEI Qiqi was. She was so scared that she didn’t dare to say anything.

“it’s right in front!” she raised her injured finger and pointed to an old warehouse in front of her.

tang yu sat in the car. the lighting inside was dim, so tian tian could feel him turning his head and looking at her.

her body trembled, and then she was dragged out of the car by meng qingcheng.

he pulled tian tian and walked in front. tang yu, lin jinrong, and more than ten other people followed behind. they were all sheng yuan’s security guards.

the police were supposed to be involved in this, but tang yu declined wanwan’s offer. meng qingcheng knew that tian tian was dead for sure.

The door of the warehouse was kicked open, and the lights came on.

tang mo stood at the door, looking at the big warehouse and smelling a rotten smell.

it was also mixed with a trace of blood.

he quickly walked in. after about ten meters, he saw pei qiqi lying on the ground.

her dress was covered in blood as she lay there motionless. tian tian was terrified just by looking at her.

I didn’t kill her. I only cut her face and she fell down by accident! She twisted her body with all her might, trying to break free, but Meng Qingcheng held her down firmly and didn’t let her move.

Tang Yu didn’t care about her. He walked up quickly, squatted down/and patted PEI Qiqi’s face, ” Qiqi/you’re so cute/

when he touched her warmth, his heart skipped a beat. she was alive.

He didn’t dare to move her casually for fear that she had other internal injuries.

However, when he saw the blood on her face and body, he even had the urge to kill Tian Tian.

Of course, there was also self-blame.

PEI Qiqi moved slightly. It was already 9 am. She had been lying here alone for three hours.

She thought she was going to die Here, Yingluo.

who was here now?

PEI Qiqi slowly opened her eyes and saw Tang Yu's magnified handsome face.

in his eyes, there was an anxiety that was not usually seen.

Tang Yu! her voice was so weak that it was almost inaudible, but Tang Yu still heard her.

"can you move?" He was practically speaking right into her ear.

pei qiqi kept looking at him. her eyes were watery.

She was like an injured little animal.

Chapter 169

169 Tormenting him affectionately (2)

meng qingcheng got someone to find a knife and cut the rope around pei qiqi's hand. tang yu touched it carefully, afraid of hurting her.

The moment he moved, she would groan in pain.

Tang Yu looked at the wound on her neck and the large area of bruises on her arm. His brows furrowed tightly. He carefully took off his shirt and wrapped it around her injured body.

"i'll carry him!" Lin jinrong stepped forward and said in a hoarse voice.

Tang Yu glanced at him and suddenly reached into his shirt pocket to take out the chain. He put the Kasaya on PEI Qiqi in front of Lin jinrong.

Lin jinrong's expression changed.

"I will marry her!" Tang Yu's voice was deep and powerful. Everyone present heard it.

pei qiqi heard it groggily but she had no strength to think about yueyue.

she closed her eyes in discomfort and fell asleep.

even so, her little hands were still around tang yu's neck and her little face was on his shoulder, teasing him.

lin jinrong closed his eyes in a daze.

When she was at her weakest, Tang Yu was there and so was she. However, her eyes never fell on her.

Lin jinrong's fingers clenched tightly.

PEI Qiqi, did you know that you've fallen in love with brother Tang Zheng?

you just don't know it.

however, a man like brother tang zheng, as long as he gave a little sincerity, any woman would fall in love with him!

Lin jinrong just watched as Tang Yu carried PEI Qiqi out.

The Lin family had also arrived, and the wedding was also very lively-they were getting married in the warehouse.

when he arrived, he saw tang yu carrying pei qiqi and lin jinrong standing there watching.

everyone was sighing, but when they saw the chain on pei qiqi's neck, they all fell silent.

She didn't expect Tang Yu to have already made his decision.

lin yun was here too, and she didn't know what to say.

"Mom, I'll bring Qiqi back first!" tang yu's voice was hoarse.

She didn't seem to be in any serious condition, but her external injuries were still a little serious. He had already asked Meng Qingcheng to get a doctor to take a walk in Xia city.

Lin Yun nodded.

She couldn't help but sigh in her heart. She didn't care much about her son's Affairs, but jinrong Wanwan actually liked it. Today's wedding had been blown up like this. If they became a family in the future, how would they meet?

Tang Yu carried PEI Qiqi and wanted to leave. PEI Huan held her stomach and followed them.

The Lin family had had enough of ran ran's willfulness.

Even if jinrong wasn't a good person, if this girl wasn't so scheming, she wouldn't have ended up like this.

pei huan looked at tang yu hugging pei qiqi and raised her head, "pei qiqi, are you happy now? My life and my only wedding have been ruined by you!"

She raised her hand and was about to slap PEI Qiqi!

tang yu grabbed her hand and then threw pei huan aside. he didn't care if she was pregnant or not.

if she didn't cherish herself, no one would.

fortunately, lin jinrong's mother was kind enough to catch her.

"if you dare to touch her again, i'll make you regret it!" tang yu said in a low voice as he walked out of the old warehouse.

the rest of the people were either in a daze or crying and making a scene.

The farce slowly came to an end.

.....

Tian Tian was tied to the chair, and there was a deep cut on her face.

she covered her face and let out a scream.

however, no one paid any attention to her, and they allowed the wound on her face to bleed.

She had been locked up there for the night, and Tian Tian had gone crazy at dawn.

170 Tormenting him affectionately (3)

Tang Yu carried PEI Qiqi out of the room. He carried her carefully, afraid of hurting her.

he had never lost his composure in front of so many people. he did not wear a single piece of clothing just to make her feel more comfortable.

PEI Qiqi's little hand was around his neck. She was half-awake, but maybe it was because the warmth of his body made her feel at ease, so her little face was pressed against his heart. Her long hair was entangled with Tang Yu's body.

he opened the door and carefully carried her into the car.

meng qingcheng immediately got into the car and opened the door. the door closed, cutting off everything.

Lin jinrong stood there, unmoving, without any expression on his face.

pei huan laughed out loud, her face full of tears. " lin jinrong, did you see that? you've liked her for two years, not as long as the two months they've had. "

lin jinrong was unmoved and just looked in the direction of the car.

PEI Huan muttered, "you still love her, Yingluo."

PEI Qiqi, I destroyed your love and you destroyed my marriage. We are even now. pei huan raised her head, her face full of tears.

on the day she thought she had reached the peak of her life, she had lost everything.

lin jinrong finally looked at her, " pei huan, what about me, ran ran? "

Who would pay for his love!

.....

tang yu brought pei qiqi back to xia city. she was still in a daze and he was worried. he was hesitating if he should take her to the hospital for a thorough examination.

"let the doctor come over and take a look!" Meng Qingcheng stopped the car. it looks like she's fine. She's probably just scared.

Thinking about that place where PEI Qiqi was tied up and thrown alone, Tang Yu's eyes turned furious.

Meng Qingcheng said in a low voice, "that girl will definitely take care of it. As for me, Hanhan ..."

tang yu ignored him and carried pei qiqi out of the car. meng qingcheng quickly went to open the car door.

when she returned to the apartment, the doctor was already waiting at the door. it was doctor mei.

"hurry up and put it over. let me take a look." doctor mei and tang yu were familiar with each other. last time, she came to check on the little girl's body. how did she end up like this in just a few days?

Tang Yu carried her into the bedroom. Meng Qingcheng didn't have the guts to follow him in, so he waited at the door.

Tang Yu carefully took off his shirt and put her down. PEI Qiqi woke up a little. She opened her eyes and looked at Tang Yu.

there was a rare gentleness in her eyes.

Doctor Mei pressed all over her body and asked if PEI Qiqi was in pain.

although he was patient, there were no other major problems.

"It's just a superficial wound!" Doctor Mei said softly. Then, she carefully examined the wound on PEI Qiqi's face, "it's a good thing it's shallow. otherwise, it won't look good if it leaves a scar." Nôv(el)B\\jnn

Tang Yu's thin lips pursed and his eyes locked onto PEI Qiqi's face.

"it's a little painful, bear with it!" Doctor Mei's heart ached for the young lady and whispered gently.

PEI Qiqi acknowledged her and obediently let her treat her wound.

just wash your face and apply some medicine. You need to bandage your arms! doctor mei was talking to tang yu. she paused, "there shouldn't be any scars."

Actually, Tang Yu didn't really care anymore.

He bought PEI Qiqi because of her good looks, but when she was lying on the ground like that, he felt that he bought PEI Qiqi as a person.

everything she had was his, good or bad.

She was his.

Doctor Mei suddenly frowned. it's best to change her clothes. She can't take a bath today. Help her wipe.
