

## Thank you 1621

Chapter 1621 - 1621: her birthday (2)

“Let’s not talk anymore. Let’s eat.” sister Ying was also a straightforward person and would not always be so depressed.

mm, ” ye liangqiu replied. they had a pleasant conversation after that, but they avoided the topic of qin anlan.

although Xia mian was under sister Ying’s care, she was always on ye liangqiu’s side. in the end, she hesitated and said, ” i know you and president qin haven’t divorced yet. just watch that Xia mian. she won’t be content.

Ye Liangqiu didn’t have anything to hide in front of her, so she replied, “i know, ”

“There’s nothing going on between President Qin and her!” “don’t be too mean to him. try to understand,” elder sister Ying sighed.

ye liangqiu bitterly smiled. ” i know. ”

elder sister Ying didn’t mention it again. she wasn’t someone who didn’t know her limits.

the two of them finished their meal in silence. in the end, when they delivered the dessert, they actually received a small cake.

“It’ll be your birthday after you finish the cake.” elder sister Ying smiled.

Ye Liangqiu’s heart felt warm, and she made an exception to eat a small piece.

When the two of them were about to leave, they passed by a long corridor and the door of a private room on the side opened. The sound from inside made her entire body tense up.

Qin Anlan’s voice.

Then, the person inside walked out.

Not only him, but also Xiao mu Yun, who was carrying little Mumu in her arms.

When little Mumu was sent away, it was only a week ago. Now that she had grown up, she could tell at a glance that it was her little Mumu.

as for mu yun, she had not seen her for almost a year.

It wasn’t that he didn’t want to, but he didn’t dare to!

the air seemed to have frozen. she looked at her children, her red lips trembling slightly, and she could not say a word for a long time.

“mom.” Xiao mu Yun pounced over and hugged her waist. Her little face was buried in her arms.

it was rare for this child to act coquettishly, but he had not seen his mother for a year and he missed his mother.

ye liangqiu reached out to hug her son. he had grown taller and stronger.

She had not seen him for so long, but he was still so warm to her. She felt guilty, but she could not say it.

She reached out to rub the little guy's hair and said in a soft voice, "Mu Yun."

The little guy snuggled in her arms for a while, then suddenly looked up and ran over to pick up little Mumu. He presented her to his mother and fawningly said, "this is my younger sister,"

It was clearly her child, but ye Liangqiu actually felt a sense of fear.

Little Mumu had been raised especially well, just like little Xinxin. At this time, she was also eating her fingers, her eyes wide open, and she blinked at ye

Liangqiu.

suddenly, little mumu leaned over and kissed her, drooling all over her. The little guy chuckled and laughed happily. He looked like a lively child, very much like mo.

This was unlike her. Perhaps Qin Anlan was like this when he was young? ye liangqiu couldn't bear to let go of the little boy.

Her face was pressed against little Mumu's, and her eyes were a little hot.

"i heard from sister Ying that it's your birthday." Qin Anlan's voice was faint.

what a coincidence.

Ye Liangqiu looked up at him and said, "yes.

a small hope rose in her heart. did he deliberately let her see the children on this day?

she was just thinking about it when he ruthlessly interrupted her. "ceo ye, don't think too much. it's just a coincidence. " after that, he hugged little mumu and kissed her. "let's go home. "

little mumu leaned on his shoulder and turned around to look at ye liangqiu's body. she smelled nice and little mumu liked it.

ye liangqiu's eyes burned with desire..

Chapter 1622 - 1622: Her birthday (3)

This was the child she had given birth to!

it had only been a few days, and she had already sent her away. now, she felt very sad and bitter.

she wanted qin anlan to put the child down and let her look at him more, but it was as if her throat was blocked, and she could not speak.

qin anlan turned around and held little mumu in his arms. he looked at ye liangqiu with a faint coldness in his eyes, then lowered his head and looked at little mumu.

little mumu's chubby little hands hugged her father. she yelped twice and snuggled softly in qin anlan's arms.

She looked like a little white sheep, extremely cute.

ye liangqiu's eyes burned with desire, and she stared at it for a long time.

Qin Anlan's face was pressed against the little sheep. He lifted the little guy up with his palm, and the little guy meowed softly. Ye Liangqiu's eyes grew even hotter.

For her, little Mumu was the best birthday present.

Whether he did it on purpose or by chance, she was already very happy.

his fingers gently touched little mumu's chubby little legs. "mumu, you have to listen to daddy." qin anlan glanced at her. "i thought she didn't have a mother. ' he didn't move, nor did he have any intention of leaving.

she paused for a long time before she realized that he was asking her to hug mumu.

could he really do that?

she carefully picked up little mumu, but she was afraid that the little guy would not be willing.

However, the little lamb was very obedient and allowed her to carry Yingying.

ye liangqiu knew that no matter how reluctant she was, she could only hold him for a while.

Letting Mumu rely on her would only hurt the child even more, so she returned Mumu to Qin Anlan in a while.

Su Xiu, who was standing at the side, said in an indifferent voice, "Young master, the car is already waiting for you. "

She did not communicate with ye Liangqiu in the slightest. From the moment ye Liangqiu stood on su Shicheng's side, she was no longer her young Madam.

ye liangqiu could naturally feel su xiu's attitude. she felt a little sad, but she could only smile.

qin anlan did not stay any longer. he turned around and left, with su xiu following behind.

"i'll steal my sister out in the future." Xiao mu Yun's voice was low as she waved at ye Liangqiu.

He was only a nine-year-old child, but he was actually so sensible and experienced.

ye liangqiu's heart ached. she stepped forward to hug him and said in a low voice, "mommy will be with mu yun in the future. '

Xiao mu Yun nodded obediently. He had been brought up by ye Liangqiu since he was a child, so he believed in his mother.

“I’ll send you out to find your father.” ye liangqiu turned around and nodded at sister Ying, then personally sent Xiao muyun to the entrance of the hotel.

A black Maybach was parked in front of the hotel. Su Xiu and little Mumu were already in the car. Qin Anlan was leaning against the door, obviously waiting for Xiao Muyun.

in the strong night wind, he leaned against the car door and smoked quietly. Ye Liangqiu walked closer and opened the car door for Xiao mu Yun.

the car door closed, and she took two steps back. she was only one step away from him. her voice was very soft as she said, ” anyway, an Ian, thank you.

“I said it’s a coincidence.” Qin Anlan said indifferently as he puffed out a ring of smoke.

She looked at him deeply. I’m leaving.

When she turned around, her eyes were red.

He walked forward step by step, using all his strength.

on a night like this, she wanted to hug him so badly and feel his warmth so hndlll

However, the only thing she could do was to leave him, Hanhan.

sister Ying stood at the entrance of the hotel with ye liangqiu’s coat and bag in her hands. she quietly looked at the tears in ye liangqiu’s eyes and raised her voice.. “Go for a drink? How is it?”

Chapter 1623 - 1623: Her birthday (4)

ye liangqiu had her reservations at first, but after a while, she smiled and said,

‘ okay. ”

Sister Ying looked up at her superior.

Qin Anlan finished smoking the cigarette in his hand and glared at sister Ying before getting into the car.

after fastening her seat belt and starting the car, su xiu said, “young master, are you still not going to forgive young madam?”

qin anlan’s gaze was focused on the front. after a long time, he said softly, ” there’s no such thing as forgiving or not forgiving. ‘ su xiu didn’t understand what he meant, but she didn’t dare to ask again.

the music was playing in the car, and after a while, su xiu spoke again, ” “this is miss xia’s song, right? it’s quite nice to listen to.”

Qin Anlan did not notice it at first, but after paying attention, he realized that it was true.

Su Xiu continued, ” miss Xia is not bad. She is also very attentive to young master. She usually takes care of little master and Little Miss. Young master, you can consider her.

qin anlan tightened his grip on the steering wheel. after a long time, he reminded her, " aunt su, i'm not single. "

"It's not a good idea to keep dragging things out," Su Xiu said earnestly, " young master can't always be single! I'm also old, so I need someone to take care of mu Yun and little Mumu in the future."

i can take care of it myself. don't mention this again. " Although Qin Anlan's tone was calm, he was obviously not very happy. su xiu didn't say a word. he held little mumu and sighed. " the child is still young, so i have to think more about the child. " qin anlan did not continue the conversation.

he first sent su xiu back to the old house and then brought the two children back to the apartment.

During the day, he would send the child to su Xiu's place, but at night, he would take care of the child himself. This continued for about half a year.

it was hard, but he stubbornly insisted on it.

He stopped the car and let Xiao Muyun get out of the car. Then, he carried little Mumu and got out of the car.

the little fellow was asleep and was very solid in his arms. the chubby little ball was lying in his arms.

Qin Anlan lowered his head and kissed his younger daughter. His expression was gentle.

He carried his younger daughter in one hand and held Xiao mu Yun's hand in the other as he went to the apartment and turned on the lights.

when the lights came on, qin anlan's gaze fell on the sofa.

It was empty, but he hoped that there would be someone sitting there, someone who would not appear.

She lowered her eyes and smiled. I'm home.

Xiao Muyun carried little Mumu from his arms. It was quite strenuous for her to carry her. Qin Anlan went to turn on the bathwater.

The poor little Mumu was woken up by her father and brother. She opened her big cute eyes, looked at the bubbles around her, and cried out.

Xiao mu yun squatted down and helped her father to bathe the little fellow. she was like a little milk cow and was very cute.

Just like Yingying and that custard.

So, before the appearance of the custard, he was willing to take care of his sister.

Little Mumu cried for a long time, but when she found that it was no use, her big eyes filled with tears looked at her daddy again.

Wow, wow, no one cared about her.

the baby was only six months old, and little mumu's hair was thin and yellow, which was quite cute and funny.

Qin Anlan smiled. He picked up the towel and started to bathe his younger daughter. Xiao Muyun did not have the little lamb to play with anymore, so she obediently went to take a bath.

Qin Anlan looked at little Mumu with a gentle gaze. Through little Mumu's eyebrows, he could still see the shadow of cool autumn.

After he was done, he carried the baby to the bedroom with a towel. The little guy slept with him, while mu Yun slept by herself.

He placed the little guy on the bed and wiped him dry with a towel. The little person rolled around happily on the bed. so happy, yingluo..

Chapter 1624 - 1624: Her birthday (5)

The corners of Qin Anlan's lips curled up slightly. He lowered his head and kissed the little fellow's little stomach.

it was so fragrant.

After helping little Mumu put on the one-piece, he carried her to the kitchen. With one hand holding the baby, he made milk with the other hand.

his movements were so skilled that it was as if he had practiced it thousands of times.

as soon as little mumu smelled that smell, she began to suck greedily.

qin anlan carried her to the bedroom and lay on her side, letting the little guy lie in his arms.

her two chubby little hands held the milk bottle and happily ate yingying's milk. she had been eating milk powder since she was young, so she was very satisfied.

It was not that Qin Anlan could not find a nanny for her, but he just did not want to.

Little Mumu drank more than half of the bottle and was sleepy.

her eyelids were fighting, and her little hands held the milk bottle tightly and drank two mouthfuls. she let go again, and for a moment, she was muddleheaded and held it tightly and drank two mouthfuls again. just like this, she went back and forth. finally, her little face tilted, and the milk bottle slipped from her hands.

The little guy snuggled into Qin Anlan's arms and placed a small hand on his chest. Every nail on that chubby little hand was pink, especially the fingernails, which were clean.

qin anlan lowered his head and looked at it. he could not get tired of it.

although he was angry at ye liangqiu, he loved this child with all his heart.

if he had to choose between momo and little mumu, he would rather have little mumu by his side.

momo was a boy, while little mumu was so fragile and small.

He sighed and couldn't help but think of Momo. She was also his child, so how could he not think of her?

ye muyun finished taking a bath and came in wearing a small bathrobe. after running in, he climbed onto the bed. " i'll take mumu.

qin anlan kissed his son. this child was so sensible that it made his heart ache.

Gently letting go of little Mumu, ye Muyun quickly filled in the gap-

However, a tragedy happened. Little Mumu woke up with her eyes wide open, and then subconsciously looked for her milk bottle.

she didn't find the milk bottle, but she bit her brother's yingying.

ye mu yun was helpless, " mumu! "

However, little Mumu did not care much, she quickly ate two mouthfuls and did not eat anything.

Waa, waa, waa.

ye muyun quickly stuffed the milk bottle into her mouth and teased qin anlan with a smile. he then took his clothes and walked into the bathroom.

When she came out, the two little ones were already asleep, sleeping head to head. Little Mumu even crossed one of her fat legs on little mu Yun's waist and teased her.

qin anlan covered the children with the blanket and looked at them quietly for a long time. then, he turned around and went to the living room outside.

Sitting on the sofa in front of the floor-to-ceiling window, he poured himself a glass of wine. The night was bright, but he didn't feel sleepy.

yingluo was drinking with sister Ying.

would he be drunk? would he get into an accident while driving back?

qin anlan reached out for the phone and placed his finger on it for a long time, but the call did not go through.

what was this? she wasn't anyone to him, so why did he have to worry about her?

After a long time, he put down his phone and sat down, sipping his red wine and looking at the night sky.

it wasn't until two o'clock in the middle of the night that his phone rang.

It was a call from sister Ying.

he picked it up almost immediately. it was a young man's voice on the other end. " sir, this is the night bar. there are two drunk ladies here who haven't paid the bill. we have to take a taxi. "

Night bar! Drunk? Didn't pay?

Qin Anlan's lips were tightly pursed as he quickly picked up his coat. Before he left, he dialed a number. come to the apartment and take care of Muyun and

Mumu..

## Chapter 1625 - 1625: getting drunk (1)

Qin Anlan sat in the car, his fingers gripping the steering wheel tightly.

occasionally, the light from outside the window would shine into the car and shine on his expressionless face and deep black eyes, but it seemed like there was a flame dancing in his eyes.

the black sports car sped through the night like a black bullet.

half an hour later, the car stopped at the night bar!

it was three o'clock at night and the bar was already cleared. there were only a few waiters cleaning up the place, but qin anlan still saw sister Ying and ye liangqiu at first glance.

They were all sprawled on the table, and there were more than ten empty bottles on the table.

he knew ye liangqiu's alcohol tolerance. he couldn't get drunk from this little bit of wine. but when he walked closer, his face darkened because there were two bottles of foreign wine.

The two women had drunk two bottles of wine and so much beer. Were they crazy?

The bartender saw Qin Anlan walk in and followed him. He took a bill and said, "this is the bill for these two ladies. It's eighty-six thousand in total.

qin anlan's face darkened. he took out a card for him to swipe.

ye liangqiu heard the commotion and continued drinking with sister Ying. she looked up at qin anlan and closed her eyes again. her voice was muffled as she said, "i'll pay for it myself.'

Elder sister Ying had also drunk too much. She was usually such a strict person, but at this moment, she was actually drooling.

She lay on her stomach and smiled vaguely. Liangqiu, pay a few tens of thousands more and let the most handsome man here drink with us. After that, bring him to the hotel.

Ye Liangqiu laughed as well. With crooked fingers, he took out two hundred Yuan from his wallet. here's two million Yuan. I'll buy the most beautiful bi 'an cow in your area. I Lang. "

The bartender was also used to seeing this kind of female customers. He had seen many of them who would do anything when they were drunk.

"We're doing business properly," he coughed.

"liangqiu, he said they're serious." with tears and snot flowing down her face, sister Ying slammed the table and laughed like a child. "then you can try to get them to be serious. "

Ye Liangqiu raised her hand at her and stood up unsteadily. She used Qin Anlan as her arm rest and walked to the bartender. She was very tall, so she hooked her arm around the young bartender's

neck in an instant. She leaned her face in front of him and asked in a sweet and moving voice, "are you selling?"

Although the little bartender was used to seeing all kinds of beauties, the one in his arms was really extraordinary.

her beauty and softness were like a kind of fragrance that could intoxicate people.

The young bartender was at a loss. Just as he was about to waver, Qin Anlan pulled ye Liangqiu back.

her body fell into his arms, and her head hit his chin.

qin anlan groaned and reached out to hold her down. he looked coldly at the bartender. "aren't you going?" ye liangqiu struggled. "let me go."

"let you go hook! To attract men?" He pinned her down and did not allow her to move, his voice as cold as ice.

ye liangqiu turned to the side, her eyes a little dazed. "an Ian?"

His jaw was clenched tightly, giving off a feeling of forbidden Jade, which was very attractive.

She stared at him in a daze, then stroked his chin with her fingers. There was a faint blue color there, which was slightly prickly. She thought it was fun, so she played with it for a while.

he let her be, but his expression did not look good.

after a while, she leaned on his shoulder and chuckled. "you look like my ex-husband."

"ex-husband?" qin anlan gritted his teeth and glared at her..

Chapter 1626 - 1626: getting drunk (2)

"yes." she continued to smile foolishly and buried her face in his shoulder. "my ex-husband, qin anlan."

as she spoke, she leaned close to his ear. "let me tell you a secret. my ex-husband, yingluo, is not good." this time, qin anlan's face turned completely green.

he glared at her, but she laughed and fell on his shoulder. after a while, she exhaled. "are you sure you can do it?"

Qin Anlan stood up straight. I'll let you know if I can or can not.

he turned his head and looked at sister Ying with a complicated expression.

at this moment, sister Ying was sitting with a normal expression on her face. she skillfully lit a cigarette and began to smoke.

when she saw qin anlan's gaze, sister Ying laughed lightly. "take her away. leave this to me."

even after drinking so much alcohol, sister Ying was still the same sister Ying. she was calm as usual, and that was why she was the gold manager in the entertainment industry who would never fall.

qin anlan nodded. ” i’ll get KIME to come and pick you up. ‘

No matter how drunk he was, he could not drive.

however, he didn’t notice that sister Ying’s body trembled when she heard the name “KIME.”

After Qin Anlan finished speaking, he grabbed ye Liangqiu’s finger and took her things before walking towards the door.

ye liangqiu refused. she took her bag and smashed it on his shoulder. the more she hit him, the angrier he became. he simply put her on his shoulder.

“Let me go!” she felt extremely uncomfortable. not only was her head dizzy, but her stomach was also churning and she wanted to vomit.

However, he did not let go and continued to carry her.

At the entrance of the bar, she finally couldn’t help but put her fingers on his shoulder .

qin anlan was stunned for a moment. he put her down and watched as she ran to the side of the road and vomited.

after she vomited, she lay by the flower pond as if she had fallen asleep.

He stood there and looked at her quietly, wanting to ignore her.

However, after taking two steps, he cursed and strode back. He picked her up and angrily wiped the dirt from the side of her mouth.

It was undoubtedly unwise to send her back at this time. In the end, he still decided to send her to a hotel and book a room for her.

The GM was 300 meters ahead.

Qin Anlan carried her on his back and walked on the streets of B city with uneven steps. The neon lights reflected on their faces, making them look blurry, just like their relationship.

No matter how cold he was, he could not let her go.

ye liangqiu leaned on his shoulder and pressed her lips against his neck. ” qin anlan. ‘

“Isn’t he your ex-husband? aren’t you treating me like a pretty boy?” his tone wasn’t good, and his face was dark.

Ye Liangqiu didn’t seem to hear her and laughed foolishly. Kime is waiting for su Cheng, but what about sister Ying? ”

qin hong and an Ian frowned. sister Ying? did this have anything to do with sister Ying?

sister Ying had been in king entertainment for many years. he had long thought that she had no interest in marriage and men.

“Sister Ying likes Kime.” ye liangqiu hugged him tightly and sighed. ” you even asked KIME to come and pick her up. ‘

Qin Anlan's attention was diverted. He wanted to ask her if she was really drunk or if she was faking it.

However, he didn't ask and only slowed down his pace.

perhaps, it was only when she was drunk that they could be together like before, without any worries.

It took him more than half an hour to walk these few hundred meters. Her hands were holding him tighter and tighter, so tight that his heart was warm, so tight that he almost couldn't breathe.

"an lan! an lan." "do you hate me?" she called his name.

"Hate!" He gritted his teeth and pushed her hand away, but she wrapped herself around him again after a while, hugged him, and kissed the back of his neck. She wrapped herself around him until he lost his soul..

Chapter 1627 - 1627: Getting drunk (3)

qin anlan had already carried her into the GM's hall. he patted her and said, liangqiu, you stink.

You're so drunk, yet you still want to seduce me. Seducing men?

The GM employees all knew who Qin Anlan and ye Liangqiu were. It was quite a surprise that a couple who was not together would come to a hotel so late at night for a stroll.

No matter how surprised he was, he quickly passed the key to the Presidential Suite to Qin Anlan and said carefully, "our little boss PEI has said before that regardless of whether boss Qin, boss ye, or both of them need it, the GM will provide the service for free.

After she finished speaking, she blinked. the Presidential Suite has 0.01.

Qin Anlan's face darkened. What did he mean by 'I need it' and 'ye Liangqiu needs it'?

"PEI Qiqi!" He gritted his teeth.

However, the woman behind him did not give him any face at all. She chuckled and said, "sure, I'll come here often in the future.

the lady at the front desk looked at qin anlan carefully and noticed that his face was green.

He angrily told ye Liangqiu to walk on her own, but she still stuck to him and insisted on carrying him.

The front desk lady didn't dare to laugh. She held back her laughter and sent them off.

qin anlan carried the drunk cat to the suite and threw it on the bed.

He was annoyed and didn't want to talk to her, so he walked straight to the door.

her waist was hugged by a pair of soft hands from behind, and then her face was pressed against his back.

"an lan, don't go," he muttered.

his body froze. ” ye liangqiu, do you know what you’re saying? ”

“don’t go!” at least tonight, ” she murmured. don’t leave. She hugged his body without a care, her eyes slightly closed, her whole face slightly red.

She started to kiss him, separated by a layer of shirt.

even though it was autumn and he wasn’t wearing much, his body was still hot. Qin Anlan stood still for a long time before he spoke in a pained voice, ” ye

Llangqlu, CIO you Know wnat you’re d01ngg ”

“i Imow,” She hugged him tightly. I know, I know Yingluo.

after she said ” i know ” countless times, he finally couldn’t take it anymore and turned his head to kiss her face.

he didn’t care if she was a dirty child or not. he didn’t care about the past. only now, he wanted to kiss her and let her tease him.

he was so tight that he was in pain, and he folded her in his arms. she was in pain too, and her body retreated, and finally half-knelt by the bed.

he lowered his head to kiss her, his large palm pressing on the back of her head, extremely intense.

it was like the end of the world, like the last time, he carried all his emotions ...

his anger towards her, his unforgivable attitude towards her, his love for her, and his reluctance to part with her were all contained in this kiss.

They stumbled and fell together. She lay on her back and looked at him. Her fingers gently caressed his eyebrows. an LAN, do you hate me? ‘

He was also a little more clear-headed now. He half-propped his body up and looked at her with deep eyes.

“Hate me!” He said softly after a long time.

He supported himself and flipped to the side. He fell down and closed his eyes. you’re not drunk, are you? ”

“I’m drunk, awake, and drunk.” She said softly, her heart filled with sorrow.

He did not want her in the end.

she knew that if he couldn’t get over it, it would show how unforgiving he was.

She shifted her face closer to his shoulder and said softly, ” an LAN, will you be with Xia Mian? ”

he didn’t answer. after a while, he turned his body sideways and turned her small face to make her look at him.

“ye liangqiu, if you dare to do anything, i promise i will.” He stared into her eyes, his voice stern..

Chapter 1628: getting drunk (4)

ye liangqiu slightly raised her face and gently touched his neck. " just like this, you want her to treat you like this? " he reached out to pull her down and said in a stern voice, " 'Ye liangqiu!' " she chuckled. " an Ian, i thought you'd imagined it. "

Probably because she was too detestable and he hated her too much, he actually turned over and pressed her down to kiss her.

This time, he didn't stop. He burned it completely.

After the deed was done, he seemed to be a little regretful. He leaned against the bed with a towel around him and a cigarette in his hand.

ye liangqiu had fallen asleep. she was lying on her side, revealing her cream-like back.

He smoked silently. After venting, his body felt even emptier.

loneliness swallowed his soul. he felt uncomfortable and looked down at her in a daze.

She was in a deep sleep, with the alcohol and the excitement from just now.

but his heart was as heavy as water.

Her drunkenness was not that simple.

He smoked for a long time until ye Liangqiu woke up from her sleep.

"an Ian?" she softly called his name.

qin anlan narrowed his eyes. after a long time, he threw away the cigarette in his hand. " i can't sleep. "

before she could open her mouth, he had already pressed himself on top of her.

unlike before, this time, he was obviously much more rough, like hair. It was as if he was venting some kind of unknown emotion.

He did not know how long he had tortured her, but he only let go of her when the sky was bright. at this moment, not only her, but he was also a little exhausted. they lay down in each other's arms.

Perhaps, it was only when they were weak and confused that they could embrace each other and be together safely.

at ten in the morning, ye liangqiu slowly woke up and hugged her pillow. he had already left.

She didn't open her eyes, and only smelled the faint smell of tobacco in the air.

this round of love and happiness was not within their expectations. it was an impromptu idea.

she was afraid of losing it, so she gave it to him.

sitting up, his gaze fell on the trash can at the side. there were seven or eight 0.01s, all of which were trampled last night.

it was the so-called hunger and thirst!

She smiled, got up, and walked into the bathroom. She lay in the bathtub in a daze and looked at her skin that had been tortured beyond recognition.

he hadn't changed at all. it was just that after that incident, he was a little more resentful, so he was naturally more ruthless than before.

ye liangqiu splashed the water and was thinking about it when the bathroom door opened.

Qin Anlan stood neatly at the door, holding a paper bag in his hand. From the label, it was what she usually wore.

change your clothes. I'll send you to the company later.

Ye Liangqiu was still half-lying in the bathtub. She smiled and said, "i thought you left."

He looked at her deeply and did not say anything.

Ye Liangqiu took a sip of the water and slowly got up. His eyes fell on her and he looked at her deeply. put on your clothes and come out for breakfast. He ordered indifferently. she slowly wiped her body with a towel. after a while, she said softly, "you don't look satisfied."

"Even if I'm not satisfied, I won't trouble you, CEO ye." he lowered his head in anger and turned to leave.

she smiled and said one thing but meant another.

after changing his clothes and going out, qin anlan was already sitting in the dining room. the amazing thing was that the bedroom had been cleaned up. the eight 0.01s had become the new topic of discussion for the gms.

"hurry up and eat!" he said lightly as he watched her sit down.

ye liangqiu only took one bite and could tell that this was what she usually ate. she raised her eyes."you went out to buy it?" "It's nearby?" He said indifferently..

Chapter 1629: good job!(l)

Ye Liangqiu didn't say anything more and just quietly ate her porridge.

occasionally, she would look up and see qin anlan browsing the news on his phone. she would then lower her head and take small bites of the porridge.

After a long time, he put his phone away and looked at her quietly. are you done eating? "

mm. " she wiped her lower lip. " let's go? " qin anlan looked at her for a long time before he replied indifferently, " okay. " he walked out first, lit a cigarette at the door, and waited for her.

when ye liangqiu walked out, she looked at him. " you smoke so much? " "worried about me?" He smiled coldly. you don't have to.

“I used protection last night, so we won’t have anything that we can’t part with,” he said as he walked.

ye liangqiu stopped in her tracks and didn’t leave.

He turned his head and looked at her, pursing his lips. what’s the matter now? ” she looked at him for a long time before slowly saying, ” ” qin anlan, you’re becoming more and more of a hypocrite, you know? ” qin anlan glared at her. after a while, he walked forward and snuffed out the cigarette.

She stood at the back and smiled quietly. She seemed to be in a good mood.

When they arrived at the hotel lobby, the front desk ladies looked at Qin Anlan with awe and respect.

After all, he had broken the highest record of the night at GM hotel, which was eight Okamoto Platinum.

qin anlan’s face darkened and he quickly walked out. ye liangqiu did the same. she put on her sunglasses and walked out.

the two of them went out together. at the entrance of the GM’s hotel, they were surrounded by more than ten reporters.

the cameras were focused on them. of course, they also managed to capture the hickey on ye liangqiu’s neck and the light scratch marks on qin anlan’s neck.

Qin Anlan was a little annoyed. He reached out to block the camera and subconsciously pulled ye Liangqiu behind him.

“Mr. Qin, have you made up with miss ye?”

“president qin, i’d like to know if you and miss ye have ever filed for a divorce?”

“president qin, did you and miss ye sleep in the same room last night?”

qin anlan’s face was dark. he pushed those people aside and pulled ye liangqiu to the parking lot.

After getting into the car and blocking the annoying reporters outside, he still looked unhappy.

Ye Liangqiu tilted her head to look at him. you’re so angry?

“what do you think, boss ye? who will benefit the most from this news?” his voice was a little cold, like the fire last night. the heat was completely different.

“so, you’re guessing it’s me?” She didn’t think much of it. She just leaned back in her chair and looked out the window.

After a long time, she turned around and smiled. but President Qin, you’re right. I did it. Because Asia TV needs this kind of news, I think the stock price will rise a lot today. President Qin, I have to thank you for not being able to control yourself.”

“Ye Liangqiu,” ” was everything last night a trap? ” he squeezed the words out of his teeth.

“if president qin can accept this result, i’ll say yes.” she spoke softly, her tone very indifferent.

qin anlan narrowed his eyes. the car stopped by the side of the road. with a screech, she hit the back of her head against the seat.

she turned her head and looked at him.

she placed her hand on the door handle and smiled. ” thank you for the compliment, president qin.

“get out of the car.” He said it again.

she opened the door and got out of the car without hesitation.

however, her clothes were too thin and it was very cold outside. she hugged her arms and watched the black sports car drive away quickly..

Chapter 1630 - 1630: well done!(2)

it was only then that she realized that her bag and phone were in his car. she had no money on her, and she was wearing high heels.

she looked in the direction of his car for a long time, and her eyes began to heat up.

She was just saying those words out of anger. Yes, she was deliberately seducing him.l She had lured him, but that was only limited to their relationship and had nothing to do with the interests of Asia Vision. The appearance of those reporters was clearly the doing of someone with ulterior motives, and she could guess who it was.

She was angry that he was suspicious of her without even asking her for an explanation.

A misunderstanding is good!

It would be better if he died of anger!

she thought a little angrily as she walked forward in her three-inch high heels.

How far away was this!

It was useless no matter how long her legs were!

She didn’t have a phone or money, and her legs were sore and in pain. She sat on a bench by the side of the road and saw a few coins in the mud.

she carefully dug it out. although it was only soil, it made her feel that her luck was not that good.

she washed the coins clean and got on a random bus.

She didn’t care where she was going. She just wanted to sit there and calm down.

She would be sad too.

‘qin anlan, i’m not invulnerable. i’m not made of iron. i can get hurt too.’ she sat in an unknown place and spent the entire morning in a daze.

When the news of them staying together for a night came out, B city’s news exploded.

the shareholders of KING entertainment gave qin anlan a lot of pressure.

king entertainment was committed to acquiring ya shi. now that such news had appeared, wasn’t it giving the other party a chance to catch their breath?

As long as ye Liangqiu accepted an interview or something and said that her marriage with President Qin was going well, then Asia TV would be able to walk out of its slump. Ye Liangqiu’s status as a diva was still very attractive.

qin anlan’s face was getting darker and darker after the morning meeting.

when the meeting was over, kie followed him into his office with a serious expression. ” boss qin, what should we do now? ” qin anlan did not speak.

the two conditions mentioned by the shareholders today are nonsense, ” Kim continued. they’re trying to force me to abdicate.

It’s ridiculous. They either ask President Qin to get a divorce or hold a press conference to announce that they are living separately.

Qin Anlan sat behind his desk and said in a low voice, ” she said she did it.

” what? ” KIME was stunned.

“president qin, i don’t think miss ye will do anything to you,” he said slowly.

He paused for a moment. she should be afraid.

Qin Anlan looked at him.

“I’m afraid of losing it, so I’m desperately trying to hold on to it.” “I know this feeling best!” Kim laughed bitterly.

Qin Anlan pursed his lips and did not say anything else.

“As for why she said that, you can ask her, President Qin. It’s fine as long as you don’t cause any further misunderstandings.” KIME sighed and walked out, leaving qin anlan alone.

when he walked out, KIME smoked a cigarette and looked a little lost.

Last night, he had gone to pick up elder sister Ying.

Sister Ying didn’t seem drunk, but she was.

after that, she vomited in his car. after that, she told him a story as they enjoyed the night air.

It was a familiar, sad, and long story.

the main characters of the story were him and sister Ying.

Elder sister Ying had always liked a boy who was much younger than her. She had always liked him and had been waiting for him to speak.

However, he could not speak.

Because he had fallen in love with someone else..
