

## Thank you 1631

Chapter 1631 - 1631: Well done!(3)

Last night, Kie and sister Ying sat in the bar for the whole night.

she said a lot of things in her drunken state, and he listened in silence, but he did not respond.

When she was crying, he gave her a shoulder, but he could not give her an embrace.

he gave his arms to su Cheng and niannian's mother. yes, their child was called su nian.

after his mother found out that the child's surname was su and his name was su nian, she fell silent for a long time and did not say anything else.

After that, she didn't force him to go on blind dates and only helped him take care of his child.

She probably knew that he was waiting for su Cheng and that it would be useless to force him, so she stopped.

that night, elder sister Ying had said a lot, and he remembered it in his heart.

but he could only remember it in his heart and nothing else.

kie finished his cigarette and smiled.

He might be a little melancholic, but he would not regret it.

What was there to regret when you fell in love with someone and missed out on someone?

His Cheng Cheng was more passionate than anyone else. There was nothing he was not satisfied with. Even when he thought of her and thought of her Little Vixen-like appearance, his heart was filled with satisfaction.

after kie left, qin anlan sat in his office. he repeatedly looked at the news about him and ye liangqiu before he leaned back in his chair.

At this moment, it was not that it was not contradictory.

His heart had softened for her. In fact, no matter who did it, he should kill ya Shitong now. The shareholders' suggestions were very effective, and it was what he should do.

however, he still couldn't deal the killing blow.

before ye liangqiu had taken over, he had forced the company into a corner and abandoned many projects. now that she had taken over, he had no way of moving forward.

she wiped her face with her hand and stared at her bag and phone.

ye liangqiu had dropped it in his car.

he pursed his lips, picked it up, and swiped her phone-

she had saved their group photos in her phone, especially the one they took together on the bed back then. she had kept hanhan with her all this time.

His slender fingers slowly caressed her face in the photo for a long time before he put it down.

He pressed the internal line. please.

After a while, Kie came over. He knew that he had made up his mind, so he stood quietly and waited.

let's release a piece of news and suppress this one. " qin anlan's tone was calm.

" yes, boss qin. " kie smiled.

in this way, there was no movement.

qin anlan lowered his gaze and lit a cigarette. he coughed lightly. "President Qin, you should smoke less."

Qin Anlan looked at him for a long time before he said slowly, " "You're different?" kime left the room.

he went out, but qin anlan looked at the cigarette between his fingers. his expression was a little serious. he remembered that when he smoked yesterday, liang qiu had also said the same thing to an Ian, " smoke less! " did she still care about him?

Qin Anlan pressed the internal line again, and Kime came over again.

send this to ya shi. give it to chairman ye. " he pointed to the women's handbag and mobile phone at the side.

then, how's boss ye now? "

"Does CEO ye have any money on him?"

qin anlan looked at him and pursed his lips. " send it over and hand it to her personally. "

'I can't let it go,' Kime understood.

so, he personally drove to see her off. when he arrived at asia vision, he didn't see ye liangqiu. he also heard from linda that chairman ye hadn't returned and that he couldn't be contacted.

Kie returned and reported to Qin Anlan. Qin Anlan remained silent for a long time. Then, he took his car keys and coat and went out for a walk..

Chapter 1632 - 1632: she is my wife (part one)

It was already afternoon.

qin anlan drove the car with one hand and held a cigarette in the other. his gaze was indifferent as he looked ahead.

He was feeling complicated. He should have been cruel to her, but he couldn't do it. He kept breaking his bottom line.

including having sex with her.l the duty of a husband and wife.

after all, qin anlan was a man who had indulged in women the entire night. he did not eat much either. after driving around for two to three hours, his legs were still weak when night fell. however, he did not give up and continued to search.

linda would also keep an eye on whether he had returned to the su residence or the company, but there was still no news of her at seven o'clock in the evening.

Qin Anlan threw the cigarette butt away, wiped his face, and continued to drive.

In the night of early autumn, it started to drizzle, forming a cold and cheerless reflection on the road.

there were fewer and fewer pedestrians. even the public buses that occasionally passed by only had two or three people on them.

qin anlan drove past a public bus.

In a flash, he saw ye Liangqiu sitting by the window. Her long hair was let down, and the window was open. She reached out as if to catch the drizzle.

her expression was almost pious as she looked up at the sky at a 45-degree angle.

at that time, she did not look like a 28-year-old woman. instead, she looked like a 19-year-old girl. at that moment, qin anlan felt that the entire sky was gorgeous, as if countless fireworks were blooming in front of her.

her facial features, even her pores, were all clearly visible under the street lights in the dark night.

the car passed by him, and as if in slow motion, he looked up, almost as if he was looking up.

at this moment, she was in a sorry state, but his heart was ruthlessly moved.

only she could move him like this.

as long as she wanted to, she could always be ye liangqiu, standing at the top.

the black sports car screeched and made a sharp turn, following the bus from a distance.

He didn't want to be discovered by her, so he greedily looked at her happy face. He was happy, but he could still see a touch of sadness.

he hadn't seen her new work in a long time, but he had always believed that ye liangqiu's performance was the best. it made him forget who she was, and that she was the woman he loved and hated.

However, he hated her. Did she know that it was dangerous?

The car followed the bus, driving and stopping until they reached the train station.

she finally got out of the car alone.

She stood below and said something to the chauffeur. She smiled slightly and then looked over.

Qin Anlan had already gotten out of the car. He leaned against the car door and looked at her with a deep gaze.

ye liangqiu slowly walked towards him. " i signed my name for the driver. he made me sit in the car for the whole day. ' so, you ignored everyone's worries and just took the bus for a whole day? " His voice was suppressed and somewhat stern.

he wanted to ask her if she had eaten, but he couldn't bring himself to do so.

Because that would make him seem too concerned!

"yeah!" She was still smiling, looking a little carefree. if you did something wrong, you should hide.

He looked at her deeply and frowned. After a long time, he took her bag and phone from the car and handed them to her.

she took it and said, " thank you. " he didn't move, but his gaze deepened.

Ye Liangqiu was probably still immersed in her own acting. She stuck out her tongue. an LAN, I'll be leaving then..

Chapter 1633 - 1633: She is my wife (part two)

she walked forward, walking on the empty street in a daze.

she didn't seem to mind and walked away lightly. as he watched her, his eyes were a little hot and he was a little annoyed with her.

suddenly, he grabbed her arm, his fingers digging deep into her flesh.

However, she seemed to not feel the pain. She turned around and smiled. what's wrong? " you called me an Ian!!! " He said viciously, " "ye liangqiu, you deserve to die."

"how can you act as if nothing has happened, as if it has nothing to do with you! all the love and hate was just my wishful thinking." He said angrily, then lowered his head and kissed her.

His arms locked her body and held her in his arms. He held her so deeply as if he wanted to engrave this woman into his bones and blood.

Their lips rubbed against each other, like rollingl It was as hot as lava, burning her and himself.

Hugging each other, they stumbled, but they had nowhere to lean on. In the end, they actually pressed against a tree trunk and forced him to kiss her. The breath in her chest was sucked away, and she could not breathe, so she could only lean on Him.

He panted heavily and kissed her madly. Finally, he let go of her before they both suffocated.

her breathing was chaotic as she looked up at him with her head on the tree trunk.

Her eyes were beautiful, as if they were filled with the starry sky. He reached out to cover her eyes and said in a hoarse voice, " ye Liangqiu, I actually hate you.

She panted for a long time before she removed his hand. I know.

Their eyes met, and there was a long silence.

his unwillingness, his embarrassment, his decision to let go, they all knew.

That's why there's this almost thickl her red lips were still slightly swollen from the violent kiss.

he took a step back and seemed to have calmed down. " i'll send you back. " She didn't refuse because she was very tired, Yingluo.

Qin Anlan walked toward the car and said indifferently, " it's no use trying to trick me. I won't be soft-hearted no matter what.

she followed behind him and knew what he was talking about. xuxu sat in the car and buckled her seat belt. " you didn't do anything today.

Qin Anlan turned his head and looked at her in an unfriendly manner. He said slowly, " "Just treat it as the night's expenses."

"so expensive!" Ye Liangqiu clasped her fingers together. even if it's just Asia TV's stock price, it's probably going up by a few billion.

qin anlan was a little angry. " ye liangqiu, don't go too far. "

"Oh, really? president qin, did i go overboard?" Ye Liangqiu laughed coldly. I'm not denying your accusation, but you're already thinking that I did it. Yingluo, why don't you think about whether it's your lover's debt? why don't you think about which stupid female friend of yours did this? "

Qin Anlan was stunned.

Ye Liangqiu smiled faintly again. President Qin, I believe that you're smart enough to understand.

"why didn't you deny it in the morning?" he was almost fuming.

"Because you suspect me! It's not the first time I've experienced such a thing." her voice also turned cold. " but i still have to thank president qin for not killing ran ran. ran ran even came to find me. is it hard? "

Her face was filll of sincerity. blit in his eves. it was extremely hateful-

when did ye liangqiu become so crafty?

qin anlan narrowed his eyes and reached out to pinch her chin. " "there won't be a next time.."

Chapter 1634 - 1634: she is my wife (part three)

"you won't fight me.l the bed won't be so stupid anymore?" She asked, unafraid of death.

qin anlan's fingers clenched tightly. he really wanted to throw a tantrum at this little face, but he realized that he could not.

Only when a woman was acting shamelessly with you would you know how helpless you were. However, he knew even more sorrowfully that it was because he still loved her, deeply.

"there won't be a next time." he added, "i won't fight you again."I Bed."

She nodded in agreement. after all, King Entertainment is a harem. There are still many women who can satisfy you.

he glared at her and ignored her. he sat up straight and started the car.

Qin Anlan, " she said fearlessly, " you'd better not have a child. Otherwise, I'll Sue you for sexual misconduct.

he couldn't take it anymore. " get out of the car. '

She really wanted to get out of the car.

He still suppressed her complicated emotions, which she had nowhere to vent, and finally started the car angrily.

it was just that the car was a little fast in such a rainy night, and it was a little thrilling.

Ye Liangqiu's fingers clutched her chest. Her face was pale. Qin Anlan, I haven't eaten for a day. I want to vomit.

he did not look good either, but he slowed down the car. after driving a few roads, he found a porridge shop and parked the car by the side of the road. the shop was not big and had a small front, but it was clean.

she sat in the car without moving.

qin anlan took out a cigarette and lit it. as he lowered his head to light the cigarette, he said indifferently, " "didn't you say you were hungry? get off the car."

As if she had just woken up from a dream, she glanced at him and slowly opened the door, but her hand was pressed down by him.

"Ye Liangqiu, this is the last time I'll compromise for you." his voice was low and hoarse, full of unwillingness.

Oh, " she said again. She was a rare naive and sweet girl.

"don't give me that. i'm not buying it." his voice was tense, and there was a trace of undetectable hoarseness.

Ye Liangqiu made an "Oh" sound. After a long time, she asked, "then what do you want to eat?" in the dark car, his deep eyes looked at her as if they were on fire.

Her body trembled.

They all thought of the nights they had, the joy and love they had, how he had occupied her bit by bit, and how she couldn't bear it when he ate her Kasaya.

“get out of the car!” finally, he spoke hoarsely and let go of her.

Her body felt light and she almost slipped when she got out of the car. The sky was still drizzling, and it was a little cold outside. She wrapped her arms around her chest ...

soon, a coat was placed over her shoulders, and she looked up in surprise.

“Go in!” Qin Anlan was only wearing a black shirt and had a cigarette in his hand, but he still looked expensive.

he didn't fit in here, but his expression was at ease. the lady boss of the porridge shop saw the handsome man and greeted him happily, “sir, madam, what would you like to eat?”

Qin Anlan sat down and looked at ye Liangqiu. “What do you want to eat?” “seafood porridge.” She said without thinking.

“two servings of century eggs and lean meat, and a plate of beef river,” qin anlan said.

“I want seafood congee.” She emphasized.

Qin Anlan glanced at her. you're still eating seafood when you're cold? ye Liangqiu, are you trying to get sick by blaming me? ”

the lady boss looked at this and then at that, still grinning from ear to ear. she was especially good at chatting. Oh, I thought they were a couple. It's little Jing's farewell dinner. My place is close to the hotel, so there are many people who come for this meal. However, after eating, we're still friends.

The lady boss even winked at Qin Anlan, indicating that she was still single and could go out with him.

Qin Anlan frowned. she's my wife..

Chapter 1635 - 1635: Have you ever regretted it?(1)

after qin anlan finished speaking, the lady boss's face turned red. “ah, why didn't you say so earlier?”

With that, he twisted his thick waist and went to place the order.

Ye Liangqiu looked around and saw that the customers sitting there were all dressed casually. They were probably residents of the area.

she raised her head and looked at qin anlan. he was smoking a cigarette and looking at her with a burning gaze.

ye liangqiu's eyes narrowed. she took out her phone and started playing. “why did you keep my photo?” His voice suddenly rang out, giving her a shock.

she looked at him and lowered her eyes. “i'll just delete it.”

“You can try.” his voice was low and cold, and she looked at him strangely again. his eyes were also dark, as if she owed him three million.

however, she owed him more than three million yuan. she owed him a life, his mother’s life. her eyes dimmed and she did not say anything else. there was a subtle feeling between the two of them.

After a while, the lady boss of the wind flea market came over with a tray in her hand. She put down the things Qin Anlan ordered one by one and smiled charmingly. how can a couple not quarrel? It’s not a bad thing to come here for a late-night snack and make up.”

As she said this, her eyes turned and she glanced at the hotel not far away. if you can’t eat, you can take a break there and roll around for the night. There’s no more conflict in the bedsheets.”

after she finished speaking, she glanced at qin anlan with a particularly foxy look. her gaze stopped at his chest for a while, then she left with her thick waist and charming eyes.

qin anlan and ye nangqu were left looking at each other.

After a long while, she sighed softly. the lady boss is quite enthusiastic. She would have liked you when she was younger.

qin anlan reached out and took his own bowl. after taking a bite, he looked up and said, ” ye liangqiu, no one will think you’re mute if you don’t speak, right? ” after a pause, he asked,”or do you want to go to the hotel over there?” hmm?” ye liangqiu was hungry. she ate in small bites and said in a low voice, ” you’re the one who wants to go with the lady boss! ”

He glared at her, and she did not say anything else.

The warm porridge calmed her stomach, and she even let out a soft sigh of satisfaction.

He caught it and looked up at her without saying anything.

After ye Liangqiu finished eating the congee, she began to attack the panniu

River. The taste was unexpectedly good.

she had only moved her chopsticks a few times when qin anlan also extended his chopsticks and blocked her chopsticks. the two of them were like children competing with each other.

“qin anlan, you’re so childish!” She couldn’t win him and flew into a rage out of humiliation.

He ate elegantly. Even if it was a small eatery, he could still eat with a sense of dignity.

After finishing half the plate, he rewarded her, ” “Didn’t you want to maintain your figure?”

Besides, people who had been hungry for a long time should not eat and drink too much.

She looked at the plate that he had eaten. She actually wanted to eat it, but he had already eaten half of it. It was a little strange for her to eat it again.

qin anlan lit a cigarette. ” what’s the matter? do you find it dirty? ”

she was afraid that he would say something shameless again, so she lowered her head and ate without arguing.

before qin anlan could say anything, the lady boss came out. when she saw this scene, she grinned from ear to ear. ” ah, i knew it. we’ll be fine after a meal. ” the lady boss wiped her hands and suddenly took out a discount voucher from her greasy pocket. she said mysteriously, ”If you take this with you, you can get a 20% discount.”

she lowered her voice and pinched qin anlan’s arm gently. she winked at him. ” there are a lot of fun things in there. you know what i mean.. ‘

Chapter 1636: have you ever regretted it?(2)

after saying that, the lady boss bit her plump lips and left, swaying her thick waist.

ye liangqiu’s mouth was still full of food as she stared at qin anlan with wide eyes.

Qin Anlan was also holding the voucher in his hand as he looked at her with a burning gaze.

when she thought he was going to throw it away, he folded it and put it in his pocket.

Ye Liangqiu spat out a mouthful of stir-fried noodles.

Qin Anlan glared at her, and some of the blood splashed on his face.

In fact, she had never lost her composure like this before, but she had never thought that he would come to such a cheap place like Xuanji. Qin Anlan was also interested in it?

“how do you know who i won’t bring with me?” His face darkened and he wiped his face with a tissue. He was not in the mood anymore, so he paid for the meal first and waited for her in the car.

As ye Liangqiu ate, she secretly glanced at him and then laughed.

qin anlan sat in the car with the window rolled down. he smoked and looked at her from time to time. to be exact, he glared at her.

ye liangqiu pursed her lips, the corners of her mouth uncontrollably rising.

it had been a long time since he had seen her smile like this. although he hated her, he still felt a little greedy when he looked at her.

she finished her meal slowly and walked over to open the car door to sit beside him.

Qin Anlan still had half a cigarette left, so he looked at her. “aren’t you afraid that i’ll take you to a hotel?”

“i can’t ask for more.” She threw out these unfathomable words. Qin Anlan looked at her, his gaze slightly cold. “as you wish!” she opened her palm and there was also a voucher on it.

“the lady boss said that you’re a little fierce and told me to make early plans in case i can’t.” ye liangqiu chuckled. ” i think i’d rather find someone else! ”

“Ye Liangqiu, don’t you dare!” He glared at her, his face darkening.

“if you dare, then i dare!” she said.

He finally said these five words.

qin anlan, this is not a threat. this is the truth. ” her tone became cold. ” if you get any small-time models or celebrities to mess around, i’ll make sure you’re cuckolded too. ‘

She paused for a long time before she said, ” “Unless we get a divorce, Yueyue.” his fingers gripped the steering wheel tightly and he snuffed out his cigarette. ” ye liangqiu, you’re the first one to be so arrogant after doing something wrong. ‘ with that, he took the vouchers from her hands, tore them into pieces, and threw them away.

after that, he started the car. he was probably angry with her, so he didn’t say anything else until they arrived at the su residence.

he didn’t get out of the car. sitting in the car, his tone became cold. ” the things that happened in the past two days will end here! I hope you don’t think too much about it. ‘

“I won’t think too much, don’t worry!” Her voice was slightly bitter as she lowered her eyes. I’m leaving.

His fingers clasped her arm, and she turned her head.

in the dim light, his gaze was unfathomable as it locked onto her face.

“ye liangqiu, have you ever regretted it?” his voice was slightly hoarse. ” have you ever regretted your choice? ” he was no fool. he could still feel that she loved him.

If she didn’t love him, she wouldn’t be willing to have sex with him. The bed wouldn’t accompany him to eat. She was even greedy for this short day. Even when she went missing today, she hoped that he would go and find her.

But shouldn’t ye Liangqiu give something in return for what he had?

His eyes were burning, and she could not avoid them. She said softly, ” I don’t have the chance to regret it, an LAN. I have no way back. he wasn’t angry, probably because after so long, he had been disappointed again and again, so he was numb and couldn’t be angry..

Chapter 1637: Be your tortoise and hide!(1)

“Ye Liangqiu, you should leave!” Qin Anlan’s tone was calm. let’s just pretend that nothing has happened in the past two days.

Ye Liangqiu’s gaze fell on his face. After a long time, she smiled softly. okay.

One was inside the carriage, and the other was outside. Under the faint moonlight, their eyes met and stared at each other for a long time.

he looked at her for a long time before he finally closed the window. the black sports car disappeared into the night.

She stood there for a long time, so long that she almost didn't want to return to the SU residence. she only walked in slowly when her legs were sore. the guard opened the door and whispered, "sir, you're back."

Su Shicheng?

Why did he come back? Shouldn't I be his Crow?l Turtlel kingl 8. Live a few more years if you shrink?

Ye Liangqiu walked toward the main hall. Her steps were quick and without any hesitation. The guard looked at her back with some worry.

The SU residence was brightly lit. Su Shicheng was wearing a white suit and looked a little flustered. At this moment, he was bending over and looking lovingly at little Momo.

the moment she saw momo, her heart calmed down. she slowly walked closer and said in a calm tone, "You're here?"

"This is my home!" su shicheng raised his eyes, frowned, and emphasized this, but he also felt a little upset.

this was his home, but in the past year, he had been very down and out. he could not return to his home and was afraid that qin anlan would run over with a gun and point it at him at any time.

He was also living a miserable life in hiding!

Ye Liangqiu smiled. yes, you can also stay here for a long time.

su shicheng was stunned. he was furious. he had given birth to this daughter for nothing. if he did not need her, he would not have had to lower his voice.

His eyes turned and fell on ye Liangqiu. He closed his eyes and asked, "who are you with?"

ye liangqiu looked down at herself and saw that she was wearing qin anlan's jacket. she said indifferently, "Qin Anlan."

Su Shicheng opened his eyes and stared into her eyes. Then, he handed little Momo to a servant beside him. When little Momo was carried upstairs, his eyes turned cold. bastard! how did you end up with him? Have you forgotten your mission?"

Ye Liangqiu took off her coat and kicked off her high heels. Ignoring su

Shicheng, she walked over to the bar and poured herself a glass of red wine. After taking a sip, she calmly said, "Of course I didn't forget, there's no conflict!"

Su Shicheng's eyes were a little hot because her attitude was too casual. It was as if she was used to this place and treated it as her real home. Aww, this was not su Shicheng's home, but ye Liangqiu's. she was unhappy, but she continued to make things difficult for her and qin anlan.

ye liangqiu smiled. "it's just that after getting drunk, we were both willing parties. it's nothing!"

"What about now?" su shicheng's eyes were sharp as he narrowed his eyes at her. "were you drunk again tonight?"

ye liangqiu held a glass of red wine and walked over to sit down. her posture was perfect. she reached out and tucked her long hair behind her head. she turned her face to the side and said, "if you knew that my relationship with qin anlan was on the news, you wouldn't say that."

"if qin anlan were to announce that we're getting a divorce, or that we're going to live separately, do you think we'll still be so calm today?" her expression was cold.

he sneered. "you're probably in such a hurry to hold a shareholders 'meeting!" su shicheng's eyes narrowed. "it's that simple?" He didn't believe it..

Chapter 1638 - 1638: Be your tortoise, hide!(2)

"you don't believe me?" she held the glass, her long and beautiful fingers playing with the expensive crystal glass. she smiled and said, "then i won't see him in private in the future. ' su shicheng hesitated upon hearing her words.

Indeed, what ye Liangqiu said was the truth. Asia Vision was on its last breath, and if Qin Anlan wanted to, it might not be able to hold on for long.

Seeing su Shicheng remain silent, ye Liangqiu continued, Qin Anlan doesn't like to use private matters to suppress me. Why should I send myself to my death?" this time, su shicheng nodded, "indeed."

He muttered to himself for a moment, then said shamelessly, "if necessary, you can get in touch with him."

However, she felt that it would be too obvious. She coughed lightly and said, you're still husband and wife, aren't you?"

Ye Liangqiu pursed her lips and didn't say anything.

Su Shicheng chuckled. Liangqiu, I'm not unreasonable. If you like Qin Anlan, you can be with him in the end. But Zhenzhen.

His voice was firm and decisive. we must get King Entertainment! you should know what to do."

"honey trap? I may not have that charm." ye liangqiu smiled faintly. "he has so many beautiful women around him. perhaps he doesn't care about me anymore. perhaps one day, he will hate me!" dad, you don't think that he'll still like me after he realizes what i'm trying to do, do you?

su shicheng smiled deeply. "that will depend on your ability! But the pretty girls that you mentioned earlier, is she that girl called Xia Mian?"

"Don't worry, I'll take care of her for you," su Shicheng said with a sinister smile.

ye liangqiu didn't say anything, nor did he refuse yingying.

Her heart was already cold and hard as she warned Xia Mian.

She held the glass of red wine in her hand and slowly drank half a glass. She looked at su Shicheng with satisfaction and said, "Liangqiu, you're becoming more and more like me.

She turned her face to the side and smiled charmingly. really? "

su shicheng frowned again, "i thought you didn't smoke or drink?" what about momo?"

"It's already broken." ye liangqiu's voice was indifferent. "you won't get drunk if you drink a cup once in a while. "

Su Shicheng nodded, "that's good! I have to go, Zhenzhen, in case you're unhappy here."

He was actually complaining like a child, "I really don't know if this is your home or my home." as he spoke, he walked out with his walking stick, his bodyguard following behind.

Ye Liangqiu stopped him. wait a minute.

Su Shicheng stopped and turned around to look at her with a look of

"is he alright?" ye liangqiu's voice was very faint.

She stood there, dignified and beautiful. In his heart, she was the most ideal heir.

Now that su Shicheng was old, he really wanted to hear a word of concern from her. However, the person she was asking was actually that useless man, Qin

PEI.

"As long as he's not dead!" Su Shicheng's eyes turned cold.

After he finished speaking, he knocked the floor with his cane. show her the photo. after he finished speaking, he left in a huff. he always felt a little sad.

His subordinate wanted to show the photo to ye Liangqiu, but ye Liangqiu didn't want to see it. She didn't want to see Qin PEI's miserable state.

After being alone for a while, he went upstairs to take care of MO Mo.

However, in her heart, she kept thinking about Qin Anlan and whether he was angry.

however, an Ian, no matter how angry you are, there are some things that i have no choice but to do. King Entertainment's CEO's office.

Qin Anlan was sitting when someone knocked on the door.

“come in..”

Chapter 1639 - 1639: The White Lotus has been slapped in the face (1)

The door opened, and Xia Mian followed behind sister Ying with an uneasy expression.

qin anlan raised his eyes and looked at sister Ying. ” wait outside for a while. ‘ elder sister Ying nodded and glanced at Xia mian.

Looking at the girl’s expression, she must have done something bad to make President Qin unhappy.

she left and closed the door.

Xia Mian stood by the door and didn’t walk over. She clasped her hands together and said in a soft voice,”President Qin, I still have to rehearse later.”

“No need.” Qin Anlan’s tone was very calm. from today onwards, I’ll be on leave for a month.

“Why?” Xia Mian’s face turned pale and she cried out.

qin anlan’s tone became even more indifferent. ” you know the reason. ”

Under that gaze, Xia Mian couldn’t avoid it. Finally, she said softly,”President

Qin, I didn’t mean to.”

She bit her lips and lowered her eyes, looking a little pitiful. I just feel that you’re not worth it for a woman like that.

“Whether it’s worth it or not is my business! It’s never been anyone’s place to meddle in my private affairs, not to mention that miss Xia is only a female artiste under King Entertainment.” his voice was cold. ” but do you know what you’re doing means to KING entertainment? ”

“President Qin can make a statement.” Xia mian blurted out in a moment of desperation.

However, she regretted it as soon as she finished speaking. Her face was a little pale, and she looked at Qin Anlan with some tears in her eyes.

Qin Anlan’s expression turned even colder, and his voice was slow and deep. “How do you know the contents of the shareholders ‘meeting?

His gaze was so intense that Xia Mian didn’t dare to look him in the eye. She turned her face to the side and said in an even lower voice, ” I heard it from someone.

qin anlan did not pursue the matter further, but his voice became sterner. ” if this happens again, i’ll fire KING entertainment. ” Don’t do it again.”

Xia mian's face turned paler and paler. he didn't say much to her because she was just a small-time employee, an employee who had ulterior motives towards him. but, but did he really not have any feelings for her at all?

Xia Mian's voice was innocent. She forced a weak smile. I can help aunt su take care of mu Yun and little Mumu for this month.

"I don't need to!" Qin Anlan looked at her with an unfamiliar gaze. miss Xia, I hope you remember this. Apart from the company, I will not have any interactions with you. Don't overstep your boundaries.

Xia Mian said yes with tears in her eyes.

Qin Anlan did not say anything else and raised his hand to signal her to leave.

when Xia mian left the room, her eyes were red. elder sister Ying immediately knew that she was the one who did it, and that was why president qin reprimanded her.

"President Qin wants you to go in." Xia mian's voice was a little hoarse.

Elder sister Ying nodded and glanced at Xia Mian.

Xia Mian called out "sister Ying" in a soft voice, but sister Ying didn't give a damn about her ...

He had to bear the consequences of his own actions.

elder sister Ying pushed the door open and entered. Xia mian stood there, tears finally rolling down her face.

she didn't know how president qin knew about this, but someone must have betrayed her.

those reporters had taken her money and even dared to betray her!

Xia mian bit her lip, her eyes filled with unwillingness.

at this moment, the sound of high-fiving came from the other side of the corridor. Xia mian turned to look and saw that it was mo xiaoqi.

In the past six months, she had been competing with mo Xiaoqi, and MO Xiaoqi had bullied her just because she was an elder.

But so what? it was Xia Mian's world from now on, and King Entertainment no longer had that old woman mo Xiaoqi's business!

Xia Mian wiped away her tears and threw the tissue into the bin..

Chapter 1640 - 1640: the white lotus has been slapped in the face (2)

MO Xiaoqi swayed over and stood in front of Xia Mian. She played with her delicate nails and gloated, " Xia Mian, it's fine if you go against me normally, but how dare you provoke ye Liangqiu?

“How much courage do you have, how much beauty do you have, and how much scheming do you have to scheme against her?” mo xiaoqi smiled charmingly and leaned closer to Xia mian. ” there are many women who want to climb into president qin’s bed. look at all these years, who has succeeded? ” “MO Xiaoqi, do you think everyone’s like you?” Xia Mian said coldly.

MO Xiaoqi shrugged and laughed exaggeratedly. don’t be so arrogant. I can see through you.

“Don’t look for shameless things to do! In President Qin’s heart, only ye Liangqiu thinks that he’s President ye now, and a diva at that. Even if you work hard for eight to ten years, you won’t be able to reach his level.” MO Xiaoqi was feeling great today.

In the past, when ye Liangqiu was around, she was unhappy, but this Xia Mian made her even more unhappy.

at least, president qin liked ye liangqiu. as for Xia mian, she stuck to her like a white lotus and was the one she hated the most.

And Xia Mian even dared to stab her in the dark! Little girl, let’s see if she can kill me.

MO Xiaoqi chuckled. also, stop crying. President Qin won’t feel bad.

seeing how furious Xia mian was, she felt even happier.”by the way, the night before yesterday, president qin and president ye were like newlyweds. i heard that president qin’s neck was full of scratch marks. how much strength did he put in? yingluo, Xia mian, you were so close to him just now. did you see it?” Xia mian was so angry that she almost fainted. she coldly said, “I didn’t see it.”

“You’re right, President Qin didn’t let you get close to him.” mo xiaoqi sighed, ‘ i still have a job to do, so i can’t chat with you. i’m so envious of you for being so free. ”

After mo Xiaoqi finished speaking, she left with a mocking smile.

Xia mian stood there, her fingers tightly gripping onto mo xiaoqi,”you’re hitting me when i’m down. how despicable.” she didn’t leave. she wanted to wait for sister Ying at the door.

She begged sister Ying to put in a good word for her. She couldn’t disappear for a month, or her fans would forget her.

The entertainment industry was cruel. If you didn’t have any exposure, the public would quickly forget about you.

not like that b \* stard ye liangqiu.l A person could stand firmly, but her Foundation was not stable, so she could not afford to falter.

sister Ying was in qin anlan’s office. she asked softly, ” “President Qin, have you made your decision?

In fact, she did not have to ask to know that Qin Anlan would not make a fuss about his marriage with ye Liangqiu.

however, she still asked to test his reaction.

As expected, Qin Anlan was stunned for a moment before he nodded. let's just forget about this. It's just another scandal. It won't cause any waves.

sister Ying thought to herself. as for whether he could flip it up, boss qin actually knew very well in his heart.

even though liang qiu had rebelled against him later and had deliberately made him unable to bear it, he had still softened his heart.

What happened to his heart of stone and his merciless attitude? it was all gone.

But she didn't dare to make fun of her superior, so she only asked, "Xia mian, are you still going to support president qin?"

Qin Anlan pondered for a moment. let's see how she performs later. If such a thing happens again, fire her immediately. There's no need to come and ask me.

It didn't matter if King Entertainment had Xia Mian or not.

but sister Ying chimed in, "back then, when president qin wanted to promote her, was it for KING entertainment or for president qin himself?" [at the beginning of the month,
