

Thank you 1651

Chapter 1651: come home with me on christmas eve (5)

mu yun liked to be careful. it was not that he could not stop them from meeting, but he was not willing to.

Mu Yun had lost his mother, and he did not want him to lose even a little bit of happiness. So, he had always let things be and indulged most of the time. After all, the child was still young.

But what if he grew up one day?

Ye Liangqiu lowered her eyes. perhaps Tang Yu and Qiqi will have another child.

If she gave birth to a boy, this problem would no longer be a problem.

Qin Anlan smiled faintly. that's unlikely.

If she wanted to give birth, she would have done so long ago. She wouldn't have waited until now.

As for Tang Yu's attitude, he couldn't see through Yingluo.

his son was still young, and he was not willing to see his love life be bumpy in the future. now, little xinxin was showing her fear of mu yun. mu yun was warm here, and he did not know what would happen next. This was what he was most worried about as a father!

just like how he teased pei qiqi back then.

Moreover, mu Yun and Xiao Xinxin were involved in their own interests, so it would be more complicated.

ye liangqiu was silent for a long time. she was even more unwilling to let her son suffer.

if mu yun liked her, she couldn't tell him not to like qianqian. furthermore, she was still so young.

how innocent and cute it is to like someone at such a beautiful age, yingluo. don't force those complicated things on him and little Xinxin. Maybe you'll be more relaxed this way, and he'll be more relaxed in the future. Ye Liangqiu said indifferently, no longer in the mood to eat.

She finally understood why he had let her see the children tonight. He probably wanted to tell her about this.

but, tang yu suggested that mu yun should go and watch over little xinxin on weekends when she doesn't go to school. " Qin Anlan said as he looked into her eyes.

ye liangqiu was truly shocked and didn't speak for a long time.

then what does Tang Yu mean, " she wasn't sure qin anlan sighed and did not say anything else.

Little Mumu, who was in his arms, drank and drank until she was extremely satisfied. Then, she actually fell asleep.

"The child is asleep. I'll carry her to the room." He said softly.

ye liangqiu looked at how gentle he was and felt a warm feeling in her heart.
an Ian, you're a good father.

He got up and paused for a moment. that's why you left Wanwan safely, right?

She froze for a moment, unable to answer him.

while he was sending little mumu to the bedroom, she went to see mu yun and momo.

They were all her children, and she loved and liked every one of them.

She walked in quietly and sat on the edge of the bed. She saw that Xiao mu Yun was not asleep yet.

"mom, will you still be around tomorrow morning?" Xiao mu yun moved her little head over and snuggled beside her legs, looking as weak as a small animal.

Ye Liangqiu reached out to stroke him. No matter how fierce she was in front of Xiaoxin, he was still a child.

"Of course it's here," "Hurry up and sleep!" She comforted him gently.

she had something on her mind, but since her son didn't say it, she didn't expose him.

Such a big boy would always have his own thoughts, and he would also care a little about his face.

"Mom." Xiao mu yun called out to her a little relievingly.

she lay down beside him and pulled him into her arms slowly. She kissed him and said, "mommy hopes that you'll be happy.

Just now, she had made the decision to let go if he liked her.

She believed that mu Yun would get the Kasaya he wanted. She had never doubted his intelligence.

Xiao mu yun was actually a little shy, probably because she had heard what her parents said. she buried her head into her mother's arms and felt embarrassed..

Chapter 1652 - 1652: his heart softened (1)

ye liangqiu hugged the little person and felt that he had grown taller and bigger.

however, no matter how tall he was, he was still an eight or nine-year-old child. in front of her, he would also act coquettishly.

At this moment, he would still feel embarrassed!

Her heart softened. She felt that she had let mu Yun down. That was why he liked to be careful. How could she stop him?

She rubbed the little guy's hair and kissed Momo. She coaxed them to sleep before leaving quietly.

When she returned to the bedroom, Qin Anlan and little Mumu were already lying on the bed, pushing little Mumu to sleep. However, he did not sleep. He was leaning on the bed. When he saw her coming in, he looked at her deeply.

That gaze made her feel a little embarrassed to get on the bed. She held her collar for a while before she pursed her lips. you're not asleep yet? ‘

his gaze was still deep as he stared at her for a while before he replied, ” don't worry, i don't have the energy to do anything else. ”

“besides, with little mumu here, what can i do?”

She was relieved when he asked that. She covered her collar with her hand and lay down carefully beside him.

However, she miscalculated. As soon as Yingying laid down, he pulled her over and her body touched little Mumu.

she was afraid of waking little mumu up, so she shrank her body, but his arm held her in a rude way.

Ye Liangqiu was a little angry. Qin Anlan? ”

“if you don't want to wake mumu up, then come up.” His tone was very flat.

she couldn't believe it and looked up at him.

Come up? To where?

he stretched out his hand and held her waist behind him. she knew it because she was lying on his body.

And little Mumu was still in his arms!

was he crazy?

“Qin Anlan!” She cried out in surprise and was kissed by him ruthlessly.

The kiss was so lingering that when she opened her eyes, she could even see little Mumu's sleeping face.

Her heart was anxious and angry. When he left her lips, she opened her mouth and kissed his neck. She bit so hard that a bite mark appeared and blood flowed out.

Under the dim yellow light, his eyes were so deep that they seemed to be dripping water. He reached out and touched that place.

He was just teasing her and didn't intend to touch her, but now he changed his mind. He narrowed his eyes, reached out, and pulled off the Kasaya. She lay in his arms, not daring to make a sound and only dared to glare at him.

qin anlan, on the other hand, became hot again. however, the result of being too aroused was that he forgot to take precautions.

In the midst of his madness, he seemed to be stunned for a moment. In the end, he couldn't hold it in and hugged her to enjoy the lingering charm.

he stopped panting for a moment and pushed her long hair that was wet with sweat away. his lips pressed against the soft flesh behind her ear and he said in a low voice, " i didn't use protection just now. " her body trembled and she looked up at him.

His eyes were clear and bright, and he looked at her with a burning gaze, but he did not say anything.

"don't worry, i'll take the medicine." She felt bitter in her heart, but she forced a smile.

At this moment, he felt the hot sweat on his body suddenly turn cold. He felt a little uncomfortable and turned over. I'm going to take a shower.

He closed his eyes to calm himself down. He didn't stop her and only cleaned himself up after she left.

that night, they didn't talk anymore, probably because of the unhappiness just now.

However, at dawn, he still went out to buy the medicine for her.

Watching her swallow it with a frown, he said indifferently, " "we're still legally married, so we don't have to eat.."

Chapter 1653 - 1653: his heart softened (2)

I thought you meant for me to take the medicine. Since you've already bought it, I can't waste it, right? " She took a sip of water and smiled.

The veins on Qin Anlan's forehead popped out. He clenched his fists but did not say anything in the end.

it was saturday and christmas, so she didn't object when he said he wanted to spend christmas with the children.

However, it was not a good idea to stay in the hotel all the time. In the end, he decided to buy some materials to decorate the apartment. The children would be happy.

there were two adults and three children. fortunately, Xiao muyun knew how to take care of her younger siblings, so it was not so hard on her.

qin anlan drove them to a large shopping mall to buy christmas decorations.

Momo and little Mumu were placed in a small cart, which was pushed by mu Yun. Probably because they were twins, although they were not in the same place for a long time, their minds were always connected. Soon, they became very intimate, head to head, body to body, and it was obvious that they were born in the same nest.

as for these three, they were all very good-looking, and people who came and went looked at them enviously.

the child was so good-looking!

Qin Anlan looked at the children while ye Liangqiu was in charge of purchasing. Occasionally, she would also ask for his opinion.

he rarely spoke, at most nodding or shaking his head. he was quite cold.

But ye Liangqiu was in high spirits, because she rarely had the opportunity to spend time with the other two children, especially on a Festival like this.

She wanted to make up for it as much as she could, so she tried her best to make the children happy on this day.

After shopping for about an hour, they should have bought most of the things they needed. When they were about to leave, they bumped into a friend of Qin Anlan's from the mall. They were neither close nor far apart, the kind that drank together but did not talk to each other.

everyone knew that qin anlan and his wife lived separately, but they did not expect them to visit such a place together, like an old couple.

as he exchanged pleasantries with qin anlan, he took a few more glances at ye liangqiu.

“My wife, ye Liangqiu, ” Qin Anlan smiled faintly and still introduced them. His tone was calm.

The other person was stunned, but he still reached out his hand. MA Qingwei, I

Went to Your Wedding.

ye liangqiu was even more surprised than he was because qin anlan really did not need to introduce her to his friends.

However, she didn't lose her composure. She gently clenched her fist and let go. “Hello,” he said.

Mr. MA and Qin Anlan spoke for five minutes before they left.

when they arrived at the apartment building, ye liangqiu couldn't help but ask as he was moving his things out of the car, “do you still want to give the outside world the illusion that your family is harmonious? Which of King Entertainment's subsidiary companies is going public?” he bent down and moved the things out. when he looked up at her, he said coldly, ” ye liangqiu, congratulations on becoming a qualified businessman. you must put benefits first. ” she was mocked by him and did not say anything else.

he carried the things while she carried the baby. of course, he was also holding a baby in each hand.

When they arrived at the apartment together, he waited for her to come in, kicked the door open, and put down little Mumu and the big box in her hand.

qin anlan brought the children to the game room to play, mu yun took care of his sister-in-law, and he went to prepare a christmas feast.

ye liangqiu changed into light clothes and began to check the items. in the end, she found a few boxes at the bottom of the box. they didn't look like decorations, but rather gifts.

The place we went to today would not have such an expensive gift, Yingluo.

Little Mumu's was a small cloak made of fox fur, and a hat. Mu Yun was a magic crystal ball, and Momo was a chicken thigh? however, it was very realistic..

Chapter 1654 - 1654: Can you explain?(l)

There was also a watch in the other box. She recognized it at a glance, but it had a Christmas version of the watch. It was probably custom-made.

did yingluo give this to her?

She squatted down and looked at the watch for a long time. In the end, she put the watch on her hand. It was very suitable.

she looked at the kitchen again and smiled lightly. perhaps he wasn't as cold as he looked!

She spent an hour and a half putting on her makeup in the apartment: Christmas tree, little snowflakes, and flashing little lights.

The children also had their own makeup, especially little Mumu and little Momo, who had their own special little cars that could slide at home.

when qin anlan came out, he saw that the children were playing happily. the apartment was no longer as lifeless as a shopfront room. instead, it was full of life.

they chose to have lunch in the restaurant. he ordered some of the prepared ingredients and made a feast. the children sat in a row, and she sat next to him.

as she looked at them, she felt as if this was the first time they were sitting at the same table.

qin anlan looked at ye liangqiu. " why aren't you eating? "

However, it was true that the adults couldn't eat it, because the twins were young and could only eat after they had finished eating.

even if it was just a little, the two little fellows had to be satisfied.

so, each of them held one and were about to feed it when the door opened, followed by su xiu's voice, " "An LAN Qian Qian Qian" "It's so beautiful," she exclaimed.

The person who came with su Xiu was Xia Mian.

He was the one who said it was fine, Xia Mian.

when qin anlan heard the voice, he instinctively looked at ye liangqiu. her expression was normal, and she only smiled slightly.

he was annoyed by her smile.

Then, he turned around and looked at the two uninvited guests. He didn't mind aunt su, but he remembered that he didn't allow Xia Mian to come over.

When su Xiu looked at ye Liangqiu, her eyes also darkened. She had not expected her to return.

she looked back at Xia mian and forced a smile. “i was afraid that you wouldn’t be able to take care of the children. it’s christmas today and the children love to be lively. i thought that Xia mian would be familiar with the children, so i brought her here.”

Since he had already brought her here, it was not good to embarrass aunt su, so Qin Anlan did not say anything. He only looked at ye Liangqiu and said, ” go and get two more bowls of rice.

as soon as he said this, su xiu and Xia mian’s expressions changed.

These words were quite subtle. It sounded like he was ordering ye Liangqiu around, but in reality, he was showing ye Liangqiu’s status as the master.

su xiu’s face darkened. ” i’ll go. ”

Ye Liangqiu wasn’t in the mood to argue with her and continued to feed Momo.

at this time, a cracking sound came from the kitchen, and su xiu suddenly screamed.

Qin Anlan instinctively pushed little Mumu to the side, which happened to be in Xia Mian’s arms, and went over to look at su Xiu.

When he entered, su Xiu patted his chest and pointed to the fragments on the ground. ” it’s nothing, my hand just slipped. i’ll just clean up. young master, go out and eat. ‘

Qin Anlan nodded. be careful, the floor is slippery.

When he went out, he was surprised to see that little Mumu was lying on Xia Mian’s chest through the sweater. She was doing the same thing as she was in ye Liangqiu’s arms.

he was a little surprised that Xia mian had only been here two or three times, and she didn’t have much contact with mumu. why was mumu so close to her?

he looked at ye liangqiu.

her face had already darkened as she looked at him in a daze.

Chapter 1655 - 1655: can you explain?(2)

Qin Anlan’s expression did not look good either. Ran ran, how would he know Why?

He looked at Xia Mian with a heavy gaze. At this moment, Xia Mian seemed to be a little shocked. Her voice was weak as she said, ” Mumu, I’m not mom!

Little Mumu was still there, clawing and clawing, her little face full of desire.

Ye Liangqiu calmed down. It seemed like even if Qin Anlan had no intention, some people still had the intention to get close to him!

she indifferently took little mumu over. when little mumu saw her, she immediately changed sides and buried her small face in her arms. through her clothes, she began to babble, and her greedy look made it impossible for anyone to be angry.

Qin Anlan looked at her with a serious expression, but the words that came out of his mouth were a little shameless. why don't you give her some? You're already so greedy."

when she said the last sentence, she gave him a second look, but still carried little mumu into the bedroom.

her movements were extremely natural, as if she was still living in this house.

in fact, when she came here today, she did not take a single step into the bedroom.

qin anlan did not say that the estrangement between them was still there. she would not be so insensible.

However, in front of Xia Mian, she was still a little impulsive. She went to the bedroom and was about to close the door when Qin Anlan followed her in and closed the door behind her.

She sat on the sofa by the window, unbuttoned her shirt, and comforted little Mumu. She lowered her eyes and said, "you go and make some milk.

Although his tone was flat, it was not without emotion.

qin anlan stared at her for a while and decided to go out first. he would come back later with a milk bottle.

She reached out to take it, but it was empty. She looked up and saw that his deep eyes seemed to be burning with a small flame as he stared at a certain place.

Ye Liangqiu snorted. hasn't Xia Mian seen enough? "

He stood there, and after a while, he slowly walked over and stood beside her.

His tall figure blocked the light, making her look a little intimidating under his shadow.

ye liangqiu raised his eyes and looked at him. after a long time, he finally couldn't bear it anymore and said, "Can you move aside a little?" he reached out and held the kasaya.

Qin Anlan, what are you doing? " she exclaimed.

"It's obvious, isn't it?" He still did not let go, but his voice was hoarse. "you're suspecting that i'm treating her like this, right?"

He lowered his gaze and played slowly. "There's actually a little more," he said with a restrained voice.

Could he not be so shameless?

Her body shrank and she looked down, but she saw Wu Liang.

"Qin Anlan!" she was shocked and angry, but she could not avoid it, so she took little mumu down and stuffed her into his arms.

qin anlan retracted his hand and focused on feeding the child.

ye liangqiu was just about to gather her clothes when the door opened.

at the door, Xia mian stood there and gasped because she saw ye liangqiu's disheveled clothes, especially the hickeys all over his body. and, and he was in a daze.

There were also a few obvious fingerprints that were ambiguous and glaring.

ye liangqiu looked at Xia mian and then at qin anlan with a mocking gaze.

She slowly buttoned up her clothes and remained calm.

qin anlan's voice was stern. " get out. "

"my aunt yingluo told me to call you to eat." Xia mian's voice continued to be soft.

However, Qin Anlan still ruthlessly interrupted her. get lost.

Tears welled up in Xia Mian's eyes. She couldn't take this blow, and her lips trembled for a long time before they finally left. She looked a little embarrassed..

Chapter 1656 - 1656: Can you explain?(3)

ye liangqiu watched indifferently, not saying a word.

if she was really angry, she wouldn't have stayed here and would have left.

Xia mian's biggest mistake was that she didn't clarify what had happened between qin anlan and ye liangqiu. they never divorced, and he never filed for a divorce.

With such a thick skin, she couldn't even be considered a proper mistress. After Qin Anlan fed little Mumu, the little one felt sleepy after eating. It yawned and fell asleep in its father's arms. her chubby little hands hugged qin anlan, and her pink fingernails made her look extremely cute.

although ye liangqiu was reluctant to leave, he felt that there was no point in staying.

little mumu carried him to the bed, kissed him, and then whispered, " "i'm taking mo back."

the festival was already halfway through, and now that there were two more people, it would probably not be a happy occasion. it would be better to leave.

After she finished speaking, Qin Anlan looked at her and was silent for a while before nodding. "that's good too."

He took another look at her. go to the washroom and tidy yourself up.

her face was like a peach blossom, and her eyes were filled with moving tears. one look and one could tell what had happened.

At the very least, he had been moved.

Was this how Xia Mian saw her just now?

She splashed her face with cold water. When she walked out, her expression had already returned to normal.

qin anlan picked up mo mo. " aunt su, i'll send them back. "

su xiu nodded at ye liangqiu in a very distant manner. then, she unhappily said to qin anlan, ”
“anlan, don’t go out during the holidays. Xia mian’s here too. spend more time with her.”

There was nothing wrong with her words, but they were too ambiguous and could cause a misunderstanding.

Qin Anlan just laughed it off. He did not care about it, nor did he explain.

sometimes, action was more effective than an explanation. besides, it was better to make ye liangqiu misunderstand.

“let’s just send him off!” he said indifferently. he didn’t even look at Xia mian as he walked towards the door.

Mu Yun sat down and ate. She sat upright and her voice was crisp. dad, grandma su and aunt Xia will take care of me. Dad doesn’t have to come back so early.

Aunt Xia!

Xia Mian’s face turned pale. She thought back to a year ago, when ye Muyun pointed at her and said she was a nanny.

this was simply a great humiliation!

Xia Mian didn’t look too good. Su Xiu patted her hand and smiled, “mu yun really likes little xia.” qin anlan did not comment and left with ye liangqiu.

After the door was closed, su Xiu said gently, ” an Lan’s temper is like this. You should give in a little.

“I know,” Xia Mian lowered her head, feeling wronged.

tears fell down, and su xiu couldn’t bear to see it, so he persuaded her,”Don’t cry. I know you’re a good child. Young master will definitely divorce her in the future. He’ll understand how good you are.”

Xia Mian’s heart was comforted, and she said softly,”really?”

“Naturally,” su Xiu replied.

however, when they spoke like this, they didn’t care about mu yun who was at the side.

when su xiu understood and saw the look in mu yun’s eyes, she was full of regret. she stuttered, “mu yun, grandma su didn’t mean it that way zhenzhen.”

“What does that mean?” Ye Muyun’s little face was tense. didn’t I ask aunt Xia to be my stepmother? ” his voice suddenly became a little strange, almost acrid, ”
“get out! Leave my house!”

he was talking to Xia mian, so it was normal for him to act up now. he was a child, after all. he didn’t want to be separated from his parents. su xiu could understand that. after all, she had feelings for mu yun..

Chapter 1657 - 1657: Can you explain?(4)

however, Xia mian didn't think that way. she hated ye muyun. this child's personality was the same as ye liangqiu's. on top of that, ye liangqiu was the one who brought him up. no matter how good she was to him, she couldn't raise him well. he was an ungrateful wolf.

Xia mian was about to explode when su xiu stopped her. his voice was a little stern. "Xiao xia, why are you being so calculative with the child?"

Su Xiu was much more insightful than Xia Mian. Right now, Xia Mian was nothing. If she really dared to argue with mu Yun, the result would be terrible. She probably wouldn't be able to survive in King Entertainment. That wasn't something su Xiu wanted to see.

after hearing her words, Xia mian finally calmed down. she pursed her lips and said in a small voice, "I know."

then, she put on a gentle look and said in an amiable voice, "muyun, you misunderstood. auntie is trying to help you. "

Ye Muyun put down the utensils in his hand and ignored her. Instead, he looked at su Xiu. grandma su, I want to take a nap. I don't want to be disturbed.

even though he was small, he had the air of a young master, and Xia mian was an outsider.

su xiu didn't have a choice. she couldn't lose her position in the qin family for Xia mian, so she turned to look at Xia mian and said with a kind expression, "

Xiao xia, why don't you go back first? maybe next time! "

Xia mian was unwilling to leave. president qin wasn't back yet, so how could she leave?

su xiu usually looked gentle, but she was actually very strong. at least, when she was with Xia mian, she was strong.

no matter how unwilling Xia mian was, she could only swallow it down and force a smile. "Alright then, aunt su, I'll go back first."

she originally wanted to say hello to mu yun, but mu yun's little face was stern. Xia mian was more or less a little proud, so she didn't put on a long face and left first.

as soon as she left, su xiu hugged mu yun and coaxed him. however, no matter how he coaxed him, the little guy was still unhappy.

su xiu looked at his little face, which was very similar to ye liangqiu's, and couldn't help but sigh in her heart.

She had never wanted mu Yun to lose her mother, but that person was ye

Liangqiu. She could not forgive Wanwan.

while mu yun was taking a nap, qin anlan returned with a grave expression.

Su Xiu had already tidied up everything and was sitting on the sofa watching television. Seeing that he had returned, she smiled faintly. you're back? ‘

qin anlan nodded and walked over to sit beside su xiu. he leaned back and wiped his face. ” aunt su, don't do this in the future. ‘

su xiu tilted her head and looked at him. ” young master, i can't forget the scene when old madam left. could it be that young master has forgotten? ” “I didn't forget,” Qin Anlan sighed softly.

Hearing his words, su Xiu's voice became agitated. then, why does young master still want to be with her? ” qin anlan closed his eyes. ” aunt su, do we have to talk about this? ” su xiu didn't say anything and just looked at him.

Qin Anlan sat up slowly and smiled faintly. He was a little bitter. aunt su, the child needs a mother!

“You can also change their mother, can't you? For example, Mumu likes little Xia very much.” Su Xiu's voice was somewhat excited.

Qin Anlan looked at her with a strange gaze. Su Xiu had watched him grow up and he had always respected her.

but now, she had overstepped her boundaries without even realizing it.

if it was not for the old lady, qin anlan probably would not have tolerated her meddling in his private affairs.

“Xia mian is an employee of KING entertainment. don't bring her here anymore.” Qin Anlan's tone was very calm.

Su Xiu was unhappy.. what about ye Liangqiu? an LAN, do you still treat her as your wife? “

Chapter 1658 - 1658: The competition has only just begun (1)

qin anlan was dejected for a moment.

“she and i have three children,” he said after a long time.

Su Xiu sighed softly. but an LAN, you have to find a new life. Even if you're divorced, you can still let her visit the child.

she thought for a while and said, ” “There's no need to be unclear for a long time. It's not good to drag it out!”

Qin Anlan walked to the bar counter and made himself a cup of coffee. He took a slow sip and said in a low voice, ” “I know what I'm doing.”

“I'm just afraid that you'll forget all that hate!” Su Xiu's tone was a little heavy. an LAN, when the old lady left, you said that if she returned to the SU family, you would cut off all contact with her. Putting aside the fact that you didn't get a divorce, are you planning to be a loving couple again? ” qin anlan slowly finished his coffee and looked at su xiu. he laughed bitterly. ‘ aunt su, is that why you

pushed Xia mian over? ” su xiu paused for a moment. ” i’m doing this for your own good. ‘

“If it’s just for this, there’s no need.” Qin Anlan lowered his gaze. it’s impossible between Liangqiu and me.

after he finished speaking, his eyes fell on su xiu’s face, and his expression was also indifferent.

Su Xiu had no way to deal with him. After a long time, she sighed. an LAN, don’t try to fool me! she had watched him grow up, so how could she not know what he was thinking? at this moment, he was clearly dragging things out with her.

he had an ambiguous relationship with ye liangqiu. she had seen him this time, but that didn’t mean there wouldn’t be a next time. she probably wouldn’t bring him home again.

thinking of this, she said unhappily, ” ” how could i not know that i’ve overstepped my boundaries? however, i’m only worried about you, an Ian. she’s too cruel. the old lady wanwan is gone just like that. how could i watch as the young master falls into her trap again? ”

su xiu closed her eyes. ” if the two of you really make up, old madam and her old subordinates won’t let you off either. by then, king entertainment’s future will be uncertain. ‘

qin anlan smiled. ” aunt su, you don’t have to worry about the company’s matters. ”

“You’re just brushing me off!” su xiu forced a smile, but she still didn’t agree with ye liangqiu.

however, her words made qin anlan’s eyes sink. What su Xiu said was not without reason.

he still had some understanding of cool autumn.

seeing that qin anlan was deep in thought, su xiu did not stay any longer and left after helping with the family matters.

Qin Anlan sat alone and remembered that he had seen the watch on ye Liangqiu’s hand in a daze.

She didn’t say a word and just put it on.

Actually, he knew that she had feelings for him. Otherwise, she would not have let him touch her again and again.

Qin Anlan smiled slightly, but it was a bitter smile.

if he could control himself, he wouldn’t have to do this. he didn’t want to have anything to do with her anymore, but there were some things that he couldn’t control. on one hand, he hated her, but on the other hand, he loved her.

from that day on, he and ye liangqiu entered a period of neither hot nor cold.

Ye Liangqiu was also busy and didn’t look for him. They were probably guarding their own pride.

Top floor office of Asia Vision.

linda knocked on the door with a document in her hand. ye liangqiu didn't look up and asked indifferently, "What is it?"

Linda put down the documents in front of her, and then said in an unhappy tone, "CEO ye, it's just as you expected. That Xia Mian is too ungrateful! "First, she agreed to our New Year's Eve, and now she's going back on her word. She's dragging on the contract for so long, probably because she's trying to mess with us.."

Chapter 1659 - 1659: the competition has only just begun (2)

Ye Liangqiu put down the pen in her hand and looked up. it looks like you're very angry, " she said in an indifferent tone.

of course, her drama is very popular in Asia TV. She promised to come to our place for New Year's, but now she's going back on her word. "I shouldn't have supported her in the first place," Linda said angrily.

ye liangqiu laughed, "look at you!" you're getting more and more impetuous!"

linda was still very angry,"i just hate that she pretended to be innocent outside, and secretly went to snatch yingluo." linda didn't dare to finish her sentence.

"If it belonged to me, she wouldn't be able to take it away even if she wanted to!" ye liangqiu looked at her and said, "also, Xia mian will definitely become famous. more importantly, how much does asia vision stand to gain from this?" the shareholders 'trust and the rise in the stock price are the most important things."

However, the most important thing was to gain su Shicheng's trust so that she could proceed with her next plan.

ye liangqiu smiled. " she chose mango tv. that's reasonable. "

"in short, you're still ungrateful!" Linda's eyes almost spurted out fire.

Ye Liangqiu laughed. Linda, you've been repeating this over and over again. Is that all you've got?" linda didn't say anything, and after a long time, she asked softly,"Then our New Year's Eve is obviously not important enough!"

"i invited the ran." Ye Liangqiu said very indifferently, "didn't Xia Mian always want to work with ran?" Linda, you can release this information."

Linda was scared.

RAN? Oh my god, oh my god, he rarely participated in these activities, and the price was sky-high!

"it's a friendship show." ye liangqiu blinked. " i'm sure you'll like how Xia mian begs you so quickly. "I sense." linda's eyes brightened, " really? "

“of course!” Ye Liangqiu laughed. notify Wanwan from the publicity department to come up with a plan.

linda nodded, ” en, i think with RAN, we won’t have to worry about ratings. ‘ also, contact some of the artistes who are still waiting to see what’s going on. maybe some of them have changed their minds. ” “Give me the final list, I’ll take a look, ” ye Liangqiu ordered indifferently.

“Where’s Xia Mian?” Linda asked after a moment of hesitation.

ye liangqiu looked straight at linda, and slowly you just say that she’s an ungrateful person?”

when she said this, linda immediately understood and nodded, ” okay, ceo ye, i understand.

Linda acted quickly. The news of RAN participating in the New Year’s Eve was hyped up by Asia TV. Just as ye Liangqiu expected, many celebrities signed with both mango TV and Asia TV. It was a recording after all!

Xia mian had been quiet for two days, but she came to asia vision in person. she probably couldn’t convince sister Ying, so she had to come by herself.

After [summer’s end, summer’s sleep] was aired, Xia Mian indeed became a little more popular. It wouldn’t be an exaggeration to call her one of the four current female celebrities. The most important thing was that she was young. The other female celebrities were almost thirty years old, but Xia Mian was only twenty-two or twenty-three.

He was young and impetuous, so when he came to Asia TV, he asked for a lot and agreed to the New Year’s recording, but the appearance fee was 10 million.

Who did he think he was!

you can’t even be compared to boss ye’s finger back then. ten million, why is your face bigger than P shares?

linda grinned and said, ” our asia vision is not as rich as KING entertainment. we’re willing to spend 10 million, so i’m afraid we can’t afford you, miss xia. ”

“my net worth is now ten million,” Xia mian said, annoyed..

Chapter 1660 - 1660: The competition has only just begun (3)

“haven’t you heard of the phrase” there’s a price but no market ‘l?” linda was still smiling. she really wanted to tell Xia mian that the main door was there. take care!

Xia Mian thought about it for a moment.”Eight million. I can’t go any lower.”

“Miss Xia, can you sing?” Linda coughed.

“I will.’

“Representative work?” linda smiled.

Xia Mian didn't have any representative work, so she forced a smile."i can cover other people's songs."

"without a representative work, it's not worth much." Linda said with a pitiful look.

Xia Mian pursed her lips, feeling a little humiliated. Everyone had been flattering her recently.

"then we have nothing to talk about," Xia mian was a prideful person, and she had become a little popular recently, so she put on her sunglasses and left arrogantly.

her assistant, xiaohong, also followed her, and glared at linda.

"It's really like a master, like a servant!" That was what Linda and ye Liangqiu had reported.

ye liangqiu laughed. " she can't take this kind of anger right now. "

he paused, " but she won't give up. she will probably think of a way to get close to the RAN. '

although Xia mian had become famous, she was not completely famous yet. moreover, her ambition was not small. she wanted to open up the international market, so her eyes were fixed on the asian superstar, RAN.

she's smart, but without King Entertainment's resources, it's impossible for her to do it on her own. Ye Liangqiu looked at Linda,"leak out the hotel that

RAN is staying

Linda was stunned.

' RAN is very upright, but his manager isn't. " Ye Liangqiu said indifferently.

linda only came back to her senses after a long time, "ceo ye, you mean yingluo?"

"i don't mean anything! It all depends on how big her appetite is." ye liangqiu's tone was very light, and he lowered his head.

it took linda a long time to digest the information before she realized that president ye was going to make a move on Xia mian. at least, he wouldn't suppress her in the open. he was going to do something behind her back.

president ye had been in the entertainment industry for so long, and Xia mian was simply childish compared to president ye.l It was stupidly tender. However, Linda was still wondering if CEO ye was doing this to compete with King Entertainment or because of personal grudges.

Personally, she was more inclined to believe that it was a personal grudge.

she didn't dare to say these words to chairman ye and only dared to think about it secretly.

there was still half a month before the spring festival, and the new year's recording was about to begin. when RAN arrived in B city, ye liangqiu personally drove to the airport to pick him up, accompanied by linda.

RAN was wearing sunglasses. He was 1.85 meters tall. Although it was winter and he was dressed in black, his cold aura made all the fans within a hundred meters of him kneel and lick the Sosnovka Military Base while screaming and shouting RAN's name.

In the end, he had to go through the VIP passage to escape.

RAN's manager could speak chinese, so she didn't have to go through the trouble of translating. ran's manager, che taixian, took another look at linda.

“She has a girlfriend, Yingluo,” ye Liangqiu coughed.

The man's eyes were wide open, and he looked at Linda for a long time before he said something meaningful, “i can't tell.”

linda looked at this middle-aged man. the wolf, Xiao Xiao, didn't make a sound. she knew what chairman ye meant. he wanted this old thing to stop having any ideas about her.

Ran sat down, took off his sunglasses, and calmly said, “Don't have any ideas about her.” i understand, ” che taixian replied in korean. later on, he became more honest.

ye Liangqiu brought RAN to the GM hotel and checked into the

Presidential Suite.

after they settled down, they had dinner on the second floor together. before they even ordered their food, they ran into Xia mian.
