

Thank you 1661

Chapter 1661 - 1661: Ye Liangqiu, you 're detestable!(1)

In an elegant environment, ye Liangqiu and RAN sat facing each other, with their assistants beside them.

ye Liangqiu and RAN had met while shooting an MV and their relationship had been good ever since. It was just that they kept a low profile, so outsiders did not know.

this time, Xia mian deliberately set up a new year's eve event for asia tv, making it difficult for her to pick a side.

however, she really didn't expect that ye liangqiu would be able to invite RAN.

ran was Xia mian's idol, the person she dreamed of meeting. ran was the hottest superstar in asia.

when Xia mian came over to meet him, she was accompanied by her assistant.

although they were in the restaurant, she was wearing sunglasses, and she looked like she was from a star.

the dress she was wearing was very fitting, and the black dress showed off her curves. the assistant was holding the jacket.

When he saw ye Liangqiu, he seemed to pause for a moment before politely greeting her, "hello, chairman ye." ye liangqiu knew what to do and smiled."miss xia, what a coincidence."

"Yeah, a chance encounter is better than a chance encounter." Xia mian's tone was emotional, but RAN was Korea and didn't understand what she was saying, nor did he have any interest.

After Xia Mian's small talk, there was a bit of an awkward silence, because ye

Llangqlu didn't respond.

Xia mian's gaze swept past the grass as if she had just seen it. instantly, she looked like a little girl who had just seen her idol. Oh my God, why are you here?"

Ran raised her eyes and looked at Xia Mian with a confused expression. Did he know this woman?

Xia Mian's expression was still a little shy as she put her hands together in front of her chest. "can i have your signature?"

RAN's manager, che taixian, whispered a few words. Ran frowned, but still picked up a pen, not knowing where to sign.

at this moment, Xia mian stretched out her snow-white, flawless arm and said in a pretty voice, "sign here!"

RAN looked at her with a special gaze. Xia mian smiled sweetly.

linda moved closer to ye liangqiu's ear and whispered, "Look at this woman, she's too realistic. Her attitude towards President Qin was ambiguous before, but now that she's seen Korea, she's completely infatuated." ye liangqiu smiled and whispered in her ear, "this Korea is married."

"A secret marriage?" Linda's eyes lit up.

Ye Liangqiu continued to smile.

RAN's wife's family was very powerful, so he didn't dare to steal her. Moreover, he didn't care about a woman like Xia Mian who sent herself to his door. However, it was hard to say for his manager.

Linda's eyes were also filled with anticipation as she sat on the side and watched Xia Mian perform a one-man show.

only then did RAN hesitate, holding a pen in midsummer's white. she wrote it on her tender arm, and she really wrote it with force.

"Oh, it hurts." tears welled up in Xia mian's eyes as she called out in a sweet voice. she looked up at RAN, hoping that he would take care of her.

however, RAN did not understand Chinese. He only took back his pen and did not say anything else.

he treated Xia mian like a normal fan. afterwards, RAN conversed with ye liangqiu in english, talking about the local customs of China and other things. it was completely private.

Xia mian didn't know what to say, and it was quite sudden. fortunately, RAN's manager handed her a business card, miss Xia, I've seen your performance. It's great. If there's a chance in the future, we can work together.

Xia Mian was flattered. She accepted the business card and left the room.

When they saw ye Liangqiu, they were surprisingly polite."Chairman ye, I won't disturb your meal then." ye liangqiu gave a slight nod..

Chapter 1662 - 1662: Ye Liangqiu, you're detestable!(2)

Xia Mian and her assistant, Xiao Hong, walked to the entrance of the restaurant. Xiao Hong coldly snorted, "What? ye Liangqiu is so arrogant. i didn't even stand up when i saw you."

"She's CEO ye, I'm an artiste!" "I should be disrespectful," Xia Mian said indifferently.

"It wasn't like this when he begged us to celebrate the new year." The junior Assistant fanned the flames. now, they've invited a Korean back. He's so amazing. I wonder if they're having an affair.

Xia Mian seemed to be in deep thought as she looked at the assistant.

the assistant looked at Xia mian and smiled gloomily.

after Xia mian left, ye liangqiu took ran back to his hotel room after he finished his meal. It's a skewer."

Ran clenched his fist, putting down his coldness and lightly hitting her shoulder."liangqiu, i'll be waiting for you."

they could be considered good friends. in RAN's heart, liangqiu was of the same gender, so they wouldn't be idle. moreover, his wife also liked liangqiu.

Ye Liangqiu smiled and left with Linda.

As they walked, ye Liangqiu gently instructed, " leave the schedule empty after four in the afternoon. Also, is the gourmet guide done?" because this was a private trip, she hoped that RAN's trip wasn't in vain. this time, he didn't charge any fees, which was a great favor.

linda nodded. " RAN is very easy-going. "

Although he looked cold, he took care of people and treated Chairman ye very well. She could see that.

Ye Liangqiu made a sound of acknowledgment and didn't say anything else. However, as she turned the corner, she noticed a flash of light.

he smiled faintly. it seemed like someone couldn't wait any longer.

at night, ye Liangqiu and RAN went out alone. The two were wearing sunglasses and masks, so no one recognized them. They had fun.

Ye Liangqiu had noticed the camera in the dark, but she ignored it. She strolled around the night market in B city with ran. Ran was particularly interested in skewers, and the two of them had actually eaten more than 700 pieces.

"I can't take it anymore!" Ye Liangqiu rubbed her belly. I'm so full.

RAN placed his hands on the bench behind him and smiled. it tastes good, better than our rice.

"Of course! If you have time, I can take you to eat a lot of Chinese food, as long as you dare to!" ye liangqiu hadn't relaxed in a long time.

there was no pressure with RAN, it was a joy.

as for an Ian, she was very happy to see him. however, she had to worry at all times whether she would say the wrong thing. she had to struggle bitterly between his love and hate. she was not as happy as she was now.

"go for a drink?" She suggested.

RAN readily agreed, but he still politely called his wife. " liangqiu and i are going for a drink. we might get drunk. what do you say? "

He had deliberately spoken in English, and ye Liangqiu understood. She pointed at him and laughed to death. He had the coldest appearance, but he was a good man. He had no scandals and was very loyal to his wife.

she was smiling. Ran looked at her and suddenly handed her the phone in his hand. she wants to say a few words to you.

ye liangqiu stopped smiling and looked at him, but she still answered the phone.

she had met RAN's wife a few times and had always been the one to receive her in Korea.

picking up the phone, mrs. RAN very politely asked, " liangqiu, you have to protect him! " ye liangqiu was stunned for a moment, then laughed again, unable to stop..

Chapter 1663 - 1663: ye liangqiu, you' re detestable!(3)

ye Liangqiu said to Mrs RAN in a serious tone, I will protect him until we return home safely.

the phone hung up and RAN smiled. I'll leave it to you, Liangqiu.

she stood up. " stop it! "

the night wind blew her long hair and wrapped it around the two of them. LAN gentlemanly tied it up for her, and they took a taxi to the night bar. As expected, they were both drunk, but LAN was protecting ye Liangqiu.

but in the second half of the night, for some reason, someone recognized RAN in the darkness. the scene became chaotic, with screams and cries as the crowd quickly rushed over.

"Run!" Although he had drunk a little too much, he still knew the consequences.

ye liangqiu pulled RAN and ran through the streets of B city, chasing after a group of crazy fans.

When they finally returned to his hotel, both of them were exhausted. One fell on the bed, and the other sprawled on the sofa. They didn't even take a shower, and just spent the night like this.

of course, the image of ye liangqiu leaving the hotel the next day, as well as the photo of her running hand in hand with RAN, quickly made the headlines.

cheating, indulgent in private life, indecent-these words were madly used on ye liangqiu.

asia vision was in danger once again.

Just before the new year, everyone had predicted that ye Liangqiu's character would destroy Wanwan's viewership and she would be screwed.

this included ye liangqiu's trusted aide, linda.

Linda looked at her boss's calm appearance and couldn't help but be anxious. Chairman ye, are you not going to clarify? "

"clear what?" ye liangqiu laughed. " against RAN? "

“Of course, I can’t let others put such a hat on my head for nothing.” “Xia mian must have done it,” Linda said angrily.

“Since you know she did it, why are you so anxious?” Ye Liangqiu was extremely calm, “besides, this hat isn’t on my head, it’s on Wufu”

“president qin?” Linda exclaimed, and after thinking carefully, she also understood that’s right, if ceo ye cheated on her, wouldn’t that mean that ceo qin had cheated on her?

” as long as qin anlan doesn’t want to get a divorce, he’ll definitely clean up the P shares. ” Ye Liangqiu looked at Linda. and it just so happened that Ya Shi hyped it up.

Linda didn’t say anything for a long time, and finally mumbled, “president ye, isn’t this too cruel to president qin?”

“Cruel?” ye liangqiu shook her head.

she had already done the cruelest thing to him, so this was nothing!

moreover, if she didn’t do anything, how could she gain su shicheng’s trust? how was she going to carry out the next step of her plan?

‘an lan, perhaps you hate me and detest me, but when you hate me, i’m sadder than you.

i went against my original intention and did all these things, and slowly became someone i didn’t like.

it’s also the way you hate it!

Just as ye Liangqiu and Linda were talking, King Entertainment was in the center of the storm.

it was obvious that the reporters were most interested in qin anlan’s reaction to today’s breaking news.

Everyone’s mentality is the same. If your wife is in a relationship with someone else and wants to stay in the same hotel room, they all want to see your reaction.

Oin Anlan was sitting in his office with a newspaper spread out in front of him.

The photos on it were in high definition.

there was her and ran eating skewers on the street, smiling at each other, and RAN holding her long hair. Both of them were dressed in black, like a couple. Qin Anlan found that he could not control his crazy thoughts.

did they do it last night?l bed?

Chapter 1664 - 1664: Ye Liangqiu, you’re detestable (4)

He held the newspaper in his hand, the veins on his forehead popping out!

Kim stood to the side and carefully reminded him, "RAN got married in June this year!"

"Of course I know." Qin Anlan put the newspaper down and placed his fingers on it. but these photos are here.

"What's the news from Asia?" he asked, his eyes cold.

Kime looked at boss Qin with sympathy and said slowly, "there's no movement!"

"is she so sure that i'll help her?" qin anlan's tone was a little angry. he slammed his palm on the table with a loud bang.

'Hanhan must be in a lot of pain,' thought Kie.'But the green cloud above my head is what's making boss Qin so angry!' it had to be said that ye liangqiu was truly cruel and bold.

in his heart, kie was actually gloating over boss qin's misfortune. he was probably really having a headache this time.

Qin Anlan muttered to himself for a moment. help me contact RAN ran ran and ye Liangqiu.

the last two words were said through gritted teeth. he could feel how unwilling he was.

He was also stunned for a moment before he understood what Qin Anlan meant. He had to admit that this move was indeed well used.

Instead of wasting time explaining, it was better to be magnanimous and let the rumors stop at the wise. Then, the rumors would be rumors.

"Aren't you afraid that boss ye will make some outrageous requests?" Kim hesitated.

Qin Anlan raised his eyes and looked straight at Kime's face. He slowly said, "The initiator!"

Kime knew what was going on. Boss Qin was not muddled by anger.

he went out and contacted RAN's manager to arrange for them to have a meal.

Of course, some people were sacrificed in this. King Entertainment would not have done such a thing and would not have given up on their principles. However, Kime knew that Qin Anlan was really angry this time. Xia Mian was the only one who could calm herself down after what she had done.

no matter what method she used, she would have to bear the consequences herself.

ran ran didn't immediately agree. His answer was, i need to ask cool autumn." when kie told qin anlan the exact words, the gold pen in qin anlan's hand broke into two.

"call ye liangqiu, " she said through gritted teeth.

Kime tried to hold back his laughter, but boss Qin was furious!

He called ye Lianzai. Ye Liangaiu naturally did not make things difficult for him because she really needed Qin Anlan to help her clear her name.

“Director ye said that she’s fine,” Kie reported to Qin Anlan.

qin anlan snorted coldly. ” of course, there’s no problem for someone who has done something wrong. ‘

‘ what do you mean?” kie held back his laughter. ” what does ceo qin mean by ceo ye and RAN have? ” qin anlan glared at him and KIME did not dare to say anything else.

After he left, Qin Anlan’s body leaned heavily against the back of the chair.

He felt a sense of powerlessness in his heart. She knew him too well, so she would scheme against him for everything.

Of course, he could also be a little more cruel. If that happened, all her efforts would be in vain, and YA Shi would be left with its last breath.

However, it was not that simple. He felt that if he did that, it would be a dead end.

he had actually compromised without her knowing?

in this smoke-free battle, he was actually quietly waiting for su shicheng to die of old age.

when did he, qin anlan, become like this? it was only because he could not bear to part with her.

He stood up and walked to the floor-to-ceiling window, lighting a cigarette. After taking a long puff, he looked at the scenery of the entire B city.

he was standing so high, but he was lonely..

Chapter 1665 - 1665: i’m just toying with you (1)

he was standing so high, but he was lonely.

The person who was originally beside him was no longer there. Instead, he was in the opposite direction.

ye liangqiu, what are you doing? What do you want to do?

on the eve of new year’s eve in asia television, qin anlan met with rna under a green light.

Of course, he also brought Xia Mian along with him.

On the RAN side, it was che taixian.

For this meeting, Qin Anlan had ordered the media under his banner to write the title ‘King Entertainment’s President Qin Anlan and his wife are welcoming the Asian Heavenly King ran.’ getting along so well, it’s impossible to be cuckolded, right?

qin anlan’s interaction with RAN was always a bit stiff, but ye liangqiu’s expression was very calm.

Xia mian gritted her teeth as she watched from the side-the truth was obvious. president qin was obviously wiping ye liangqiu's P * ss.

but she had a smile on her face, occasionally toasting che tai Xian. she was still hoping that this man would help her pull strings to cooperate with the RAN. ye liangqiu went to the bathroom in the midst of her tipsy state.

He stood in front of the basin and slowly washed his hands. Suddenly, there was a person behind him.

"Miss Xia, did you drink too much?" Ye Liangqiu smiled.

Xia mian leaned to the side and coldly looked at ye liangqiu. "don't think that i don't know that this is your trick." ye liangqiu continued to wash her hands and smiled. "i don't quite understand what you mean, miss xia."

She chuckled. could this matter be related to miss Nia? "

Xia Mian glared at ye Liangqiu,"why did you suggest that i film for free at Ya Shi's New Year's Eve?"

Xia Mian wanted to be famous, but she also needed money. She didn't want to participate in an event like this that didn't pay her. Besides, she was arranged to be a backup dancer.

Ye Liangqiu looked at Xia Mian."You're not satisfied?"

Although she was smiling, there was no smile in her eyes.

Xia mian was stunned. after a while, she pursed her lips and squeezed out a few words, "i don't want to go,"

ye liangqiu chuckled and wiped her hands. she then looked at Xia mian."Sure, I think we'll be very busy that night and we might be short of service staff. Miss Xia, you'll look great in a cheongsam."

Xia Mian was so angry that her lips were trembling."Ye Liangqiu, you're going too far."

Ye Liangqiu's eyes darkened. miss Xia, you don't need me to remind you of what you've done, do you? "

Xia Mian was dumbfounded, and soon, she shrieked, "You did that on purpose? "I didn't ask the paparazzi to follow me." ye liangqiu sneered,"xia mian, you're on your own now! " tolerating once didn't mean tolerating every time.

Xia Mian looked at her back and felt indignant. She lost her mind and shouted, "Do you dare to say that there's nothing going on between you and that Korea? you were in the same room, did anything happen?"

ye liangqiu slowly turned around and looked at Xia mian."does it matter to you whether i did or not?" she asked.

Xia Mian was stunned for a moment, but in the end, she was speechless.

After ye Liangqiu had left, Xia Mian's body slid down and she fell to the ground.

tears slowly flowed down her face.

She had tried everything, but she couldn't touch ye Liangqiu. Instead, she had put herself in a difficult position.

she couldn't accept this, she really couldn't accept this!

but what could she do even if she was unwilling?

in the end, Xia mian participated in the new year's eve event for free, while ye liangqiu joined KING entertainment.

ye liangqiu had taken advantage of this.

Xia Mian was especially angry. Yes, she did work with the RAN, but they didn't sing together. They were just dancers..

Chapter 1666 - 1666: I'm just toying with you (2)

she was a popular starlet, so how could she do such a lowly job?

however, she had to do it because president qin guessed that she was the one behind the news about RAN and ye liangqiu.

When she left the hotel, Xiaohong helped her out. That night, Xia Mian needed to get drunk.

It's good that you're drunk, you'll have courage when you're drunk, Yingluo.

in a place like the entertainment industry, weren't there unspoken rules? It's better to get used to it. Ran ran, Qin Anlan doesn't like me. Is it because I'm not standing mgn enough

if one day, she could be like ye liangqiu, standing in the center of attention, would president qin give her a second look?

Yes, it must be.

In her drunken state, Xia Mian took out RAN's manager's phone number from her handbag. Her eyes were a little disillusioned. She looked at it for a long time, crying and laughing at the same time. In the end, she dialed the number. What awaited her in a daze was the erosion of the night.

it was destruction!

however, she knew that if she didn't give, how could she get it?

she wanted to get it. she wanted to be an asian diva.

That night, she slept next to a strange man, next to a middle-aged man, and her body was treated willfully by that man.

She resisted the urge to vomit, and pretended to be happy.l Joy.

She could only swallow those tears by herself.

The night was long.

For ye Liangqiu, tonight was also a torture.

qin anlan had personally taken off the green hat, but that did not mean that he would let her off.

after everyone had left, he was still sitting on the sofa in the private room. he had probably drunk a little too much, so his head hurt a little, and his fingers rubbed his forehead.

He didn't speak for a long time.

Kime and Linda were in charge of sending the guests off, so they were the only ones left in the huge room.

ye liangqiu quietly looked at him and slowly walked over. her fingers took over his hand and pressed on his forehead.

Her hand was suddenly caught, and she was shocked.

He grabbed her hand and raised it high, looking at her with his burning eyes. it's not the head that hurts, but here.

He pointed at his heart with one hand.

Ye Liangqiu's body fell onto the carpet, and she softly called out to him, "an

Ian. " his fingers were still holding hers tightly as he stared into her eyes and asked, "

"Why did you do this?"

She didn't say anything, so he continued, "Ye Liangqiu, don't play innocent!

you clearly knew that Xia mian had the paparazzi following her, so why did you still let the paparazzi take those photos? hmm?"

She half-knelt on the ground and looked up at him, feeling a little humble.

Suddenly, she smiled. yes! i know!"

She tried to break free, but to no avail. She endured the pain and fearlessly looked into his eyes."qin anlan, do you feel bad looking at the photos? But doesn't it make me feel bad that Xia Mian is always by your side?"

she paused and closed her eyes. " actually, she can enter and leave your apartment freely! "

"Qin Anlan! how did you restrain yourself at that time?" She asked in a cold and hard voice.

qin anlan's eyes stared at her for a long time before he said softly, "so, this is your counterattack?"

"Right!" Her expression was a little stubborn and willful. I don't like her by your side.

After she finished speaking, she looked at him and did not look away. "ye liangqiu, do you know what you're saying?" His voice was hoarse.

she pursed her lips and did not say anything.

How could she not know Yingluo?

her body was suddenly pulled into his arms, and then, his slightly tipsy lips covered hers.

Her entire body was pinned in his arms, and she was still in a kneeling position.. She felt a little pain, but she was greedy!

Chapter 1667 - 1667: 1 1 m just toying with you (3)

he kissed her without restraint, with anger and unwillingness.

ye liangqiu raised her head. her lips were occupied by him, and she felt like her neck was about to break.

she was already very close to him, but he still held her waist and pressed her against him.

she struggled pathetically, but the more she struggled, the more pathetic she became.

the fragrance of the wine, mixed with the smell of a man and a woman's eyes, was intoxicating.

he didn't know when, but she fell softly into his arms, her fingers clasped on his shoulder, her long nails tearing a long scratch on the expensive clothes until it reached his waist, before she caught him.

"An LAN?" he gasped.

He was drunk and even angrier, but he had no intention of venting his anger in a place like the private room.

He left her lips and stared deeply into her eyes. He pursed his lips and said coldly, "get up," he said.

she was in a daze for a moment before she realized that she was sitting on his lap in an embarrassing position.

"you can't bear to get up?" he squinted his eyes and his long fingers suddenly clasped her chin, forcing her to look at him.

at this moment, the two of them were not in a good state. their eyes were blurred with passion. under his gaze, her body trembled slightly. she wanted to shrink down, but he held her back again.

"Ye Liangqiu," He pressed her firmly into his arms. Her face was buried in the side of his neck, and she felt his body heat. He was very hot, so hot that he was about to be burned.

"If there's a way, I would also want to forget you! even divorce." He spoke quietly as if he wasn't drunk, but she knew that he was drunk. Otherwise, he wouldn't have said those words.

His arm held her in place with an overbearing force, and his voice was hoarse. but you, you've used my feelings again and again.

His tone was filled with desolation and a rare sense of despair.

ye liangqiu lay on his shoulder. she wanted to struggle, but she didn't dare.

She believed that if she dared to move at this moment, he would make sure she was beyond redemption.

“ye liangqiu, what must i do to be so cruel!” his face shifted slightly over. every inch of his face felt like it was burning her skin. those pores felt like they had been scalded by scorching lava, making her hot.

she had nowhere to retreat to, so she could only stare into his eyes. her red lips that were swollen from the kiss trembled slightly.

“what?” his face was pressed against hers. it was very close, and it was unprecedentedly hot.

She was almost unable to move, and although his warm voice was soft, she could feel his anger!

She had nothing to say. She had indeed done as he said.

“ye liangqiu! You're amazing!” he closed his eyes and slowly said, ” “Don't force me to attack you.” after he finished speaking, he turned her face around and said in a cold voice, ” “You're so impatient to see me?” they hadn't been intimate since christmas, but they had seen each other.

For one, he was soft-hearted and wanted her to see the child. For two, he wanted to see Momo.

He always wanted to minimize the damage, but he didn't expect her to be so cruel.

She could even do things that would destroy her reputation, what else could she not do?

Ye Liangqiu's eyes drooped. an LAN, I don't know what you're talking about!

“You know it best in your heart.” his eyes searched her face for a long time before he smiled bitterly.. ” i really wonder if the love you once had is still there! “

Chapter 1668: I'm just toying with you (4)

she raised her eyes abruptly and looked at him anxiously. ” an Ian. ‘ he suddenly let go of her and smiled. ” liangqiu, are you still there? ‘ his hand was holding her heart, as if he was holding it.

She looked at him, feeling embarrassed that she had been seen through.

She pondered for a while before slowly answering him, ” yes, Yingluo has always been here.

however, he did not let her go. he asked urgently, ” “are you still as innocent as before?”

She remained silent.

qin anlan's slender and beautiful hand supported his forehead. the dim yellow light shone on his face, leaving a side profile for her.

She looked at it, and her fingers gently fell on his palm, interlocking with his fingers. Her face was also pressed against his palm, and she murmured, " " an Ian, my love is still there. this is the most important thing. ' he looked at her sideways for a long time before he said, " "But I don't dare to love you anymore."

Since when, probably from the moment he fell in love with her, he had lost his courage.

He gently pried her hand away and stood up slowly. that's it!

After dealing with the matter, he felt more disheartened than ever.

to her, yingluo, whom he valued and protected, was not the most important. The most important thing for her was to protect her Ya Shi.

he pushed ye liangqiu away and her body fell onto the sofa. qin anlan felt a sense of desolation in his heart as he walked toward the door.

She looked at him in a daze and suddenly got upThe next second, she hugged him from behind.

qin anlan's body froze. his voice was slightly cold. " what do you mean by this? "

"Don't go!" she said a little rascally, then buried her face behind him, acting coquettishly, which was rare.

Qin Anlan's initially cold and hard heart instantly softened a little. He turned his head and said in a low voice, " "ye liangqiu, do you know what this means?" "i know!" her tone became softer as she leaned her entire body closer to him.

There's also some kind of hookl it meant to lead.

He was well aware that he could not resist such temptation.l He suddenly turned his head and looked at her with a burning gaze.

ye liangqiu pursed her lips, gently stepped forward, wrapped her arms around his waist, and buried her face in his arms.

"an Ian, let's call a truce, okay?" As she spoke, her breath was all over his neck.

his body froze, then he lowered his head to look at how close they were. the tip of his nose touched hers, and his deep eyes were close to hers. His voice was hoarse,"you want to fight me?"l Bed, is it?"

She wrapped her arms around his neck and said, " yes.

qin anlan squinted his eyes and suddenly picked her up. he walked straight out. the receptionist at the GM hotel looked as if she was facing a great enemy. she stammered,"the book, morning-after pills, and external injuries medicine are all ready. we'll also send you breakfast tomorrow morning."

qin anlan carried ye liangqiu horizontally, but his eyes were slightly cold. he did not look anxious at all.

"Get me a room next to the RAN." his tone was calm.

The lady at the front desk hesitated for a moment. but little boss PEI has already prepared a long-term suite for boss Qin.

“I said the area next to the RAN.” qin anlan threw his black and gold card down.
” also, prepare two sets of the things i mentioned just now. ‘ Double?

Would he die tomorrow and have to collect his corpse?

The receptionist hesitated for a moment. Qin Anlan repeated, ” do you need me to call your little boss PEI? ‘

of course not. everyone knew that president tang doted on his wife like his own life, so he was probably doing his duty..

Chapter 1669: i’m just toying with you (5)

as a result, the receptionist quickly checked in and invited the person to the suite next to RAN.

“Is the soundproofing good?” Qin Anlan placed ye Liangqiu on the sofa and asked with a raised eyebrow.

the front desk had placed two large boxes of textbooks and external injury medicine. she was silently praying for ye liangqiu in her heart. after hearing qin anlan’s words, she smiled slightly.”don’t worry, president qin. GM hotel has the best sound insulation. as long as you close the windows, you won’t be able to hear anything outside.”

However, she quickly understood what President Qin meant and smiled slyly. President Qin, you can enjoy yourself to your heart’s content. The people next door won’t hear you.

“what if the window is open?” Qin Anlan lit a cigarette and asked indifferently.

The lady at the front desk was taken aback, and then she looked a little uncomfortable. then I’ll have to be quiet.

It was so embarrassing. How loud and how much strength did Yingluo have to be worried about such a problem!

qin anlan’s gaze was deep as he glanced at ye liangqiu. he then dismissed the front desk.

He didn’t immediately move his fingers. Instead, he stood by the window, opened it, and smoked two cigarettes.

ye liangqiu was still sitting on the sofa, as if waiting for his verdict.

she knew what he was thinking, but she was willing to indulge him. Qin Anlan stubbed out his cigarette, turned his body slightly, and waved. come here.

She slowly got up, walked towards him, and hugged him from behind. “an Ian.” he lit another cigarette and said coldly, ” “Kiss me.” she clenched her fists and pressed her lips against the back of his neck, her lips lightly touching yingying.

She was really dawdling, and it was just those two moves that didn’t hit the vital parts at all.

he thought he was calm, but after a long time, he couldn't help it.

after he finished the cigarette, his whole body was on fire. he turned sideways and pulled her in front of him. he kissed her fiercely and unwillingly. " ye liangqiu, there's no one more detestable than you.

He carried her to the balcony and deliberately tortured her to make her make shameful sounds ...

Next door, RAN was video chatting with his wife on the balcony and couldn't help but hear the commotion.

After a long time, he finally recognized ye Liangqiu's voice.

at first, she was stunned, then she laughed. in the end, she didn't even close the window.

if that man had done it on purpose, he would have helped yingying. she was so childish that she was cute.

that night, ye liangqiu finally understood what it meant to be better off dead than alive.

he only let her go when it was almost dawn.

As a result, the two of them caught a cold together. She had a simple cold, but Qin Anlan had an extra advantage.

Although he was still healthy, he was not far from collecting his body.

When the front desk came to deliver breakfast, the bedroom was simply unsightly, like a battlefield.

She swallowed her saliva and called for the doctor.

Ye Liangqiu was fine as she had only taken her medicine, but Qin Anlan had to be put on an IV drip.

She had embarrassed herself in the hospital, so she had hung up on the spot.

linda came over at noon and looked at president qin who was lying on the bed, feeling very pitiful.

Last night must have been so tiring, Yingluo.

ye liangqiu leaned over and said a few words. although linda hesitated, she still went.

After they had left, ye Liangqiu covered Qin Anlan with the blanket and slipped away.

she was the one who suffered last night, but he was the one who was sick. no matter how cruel she was, she could not abandon him at a time like this.

however, he caught her hand the moment she touched the blanket.

Her grip was tight, and her tone was tense.. ye Liangqiu, you're going to use what happened last night again, aren't you? "

Chapter 1670: he also needs comfort (1)

ye liangqiu lowered his head and looked at him.

qin anlan's gaze was heavy. his body was weak, but he was still unwilling to let go and stubbornly held her hand.

At this moment, he was actually like a Rascal child.

ye liangqiu laid down on his stomach and wrapped her arms around his waist through the blanket.

“an lan, can you take a nap?” she looked up and said in a gentle voice. He lay there, his face a little red from the after-effects of doing that.

he slowly stretched out his large palm and held her black hair. it was so soft and obedient.

she lay down obediently and hugged him tightly with her slender arms. she buried her face in his arms and slept with him.

qin anlan was angry at first, but he was indeed very tired. he closed his eyes and fell asleep.

When she woke up, it was already afternoon.

When he opened his eyes, his hands immediately touched her lower body. He only relaxed when he touched her black hair.

The person on top of her woke up and looked up. an LAN? ” qin anlan pursed his lips and closed his eyes again. ” go get me a glass of water.

His fever had gone down, but his body was still weak. Besides him, there was only her in this room.

ye liangqiu propped herself up and placed a hand on his forehead. only then did she relax.

She got off the bed and walked toward the living room. Qin Anlan turned to look at her back.

even though she had given birth to three children, her figure was still as beautiful as before. her bathrobe was loosely tied around her waist, and her long hair was let down and slightly wet, like seaweed.

Just by looking at it, he could understand why he had been so indulgent last night.

to him, she was the best village medicine, darling.

in the blink of an eye, she disappeared from the bedroom door and returned after a while with a glass of water and two pills in her hands.

qin anlan propped his body up and looked at her. ” “I’m already fine!” this meant that she didn’t want to take the medicine.

only then did ye liangqiu remember that she had never seen him fall sick in all the time they had been together. this was the first time she had seen him so afraid of taking medicine.

However, her heart softened.

when their love and hate were intertwined, when he looked down on her, she felt like she was taking care of a child. it turned out that he could also be weak and needed someone to coax him.

ye liangqiu put the cup on the bedside table, opened the medicine in her hand, and looked at him. ”
“are you afraid of taking medicine?”

qin anlan’s expression was a little unsettled. he coughed lightly and said, ” of course not. ”

“Then you can eat it for me to see.” she moved her hand forward and brought it to his lips.

her expression was that of a young lady.

Qin Anlan raised his head and looked at her with an unfathomable gaze.

He lowered his head to look at the medicine in her palm. He didn’t see the medicine clearly, only her white palms and beautiful fingers.

He remembered how much these hands were like souls.

as he thought of this, his body started to hurt. he squinted at her and said, feed me! ” his voice was already hoarse.

He was just saying it, and didn’t mean it that way, but ye Liangqiu put the medicine close to his lips.

First, he touched her palm, and then he felt the extremely bitter medicine that he hated so much.

Qin Anlan subconsciously wanted to avoid her, but her palm quickly stuffed the medicine into his mouth. Her actions were particularly rough.

qin anlan glared at her, but she did not let go.

his lips were tightly pursed and his brows were deeply furrowed..
