

## Thank you 1681

Chapter 1681 - 1681: sweet as honey (6)

seeing him so anxious because of her, her heart had never been full.

The emptiness of these days seemed to have been filled.

She laid down softly, her fingers clasped around his waist, slowly moving down to touch his heart. His anger was about to burst out because of her, but she asked softly, ” ” an lan, if i die one day, will you be sad? ”

Before he could say anything, she continued with a light smile. I’m so detestable. You must hate me to the core!

He wanted to say something, but he was stopped by her words, so he said in a bad tone, ” “Yeah, I hate him to death!” she didn’t say anything else. after a while, she smiled lightly. ” i should. ” She hugged him tightly. but I’m still very happy that you’re so good to me now.

qin anlan’s heart started to feel sad. this kind of sadness surpassed anything

She had always been detestable and had never been so submissive. Moreover, she looked so sick. No matter how hard-hearted she was, she softened and reached out to touch her head. how could you die from pulling it? ” he felt conflicted. he could not bear to see her, but he also hated her. he blamed her for being sad, and this made him feel very uncomfortable.

they snuggled up to each other and sat in the back seat of the taxi.

the taxi driver endured for a long time before he coughed lightly.”Where to?” Was the movie ‘Blue love for life’ going to be played later?

The male and female leads were indeed very beautiful, but from the rearview mirror, it was obvious that the male lead had been tricked.

although the female protagonist had feelings, she was obviously calculative. he had seen too many women saying sweet words to deceive men, each one more brilliant than the other.

At this moment, the woman behind him was one of them.

no man would be able to resist such sweet words.l He was so bewitched that he was willing to give her his heart.

with his interruption, ye liangqiu calmly said, “the first people’s hospital of the city.”

The driver thought to himself, ‘we’ve already passed the First People’s Hospital of Yun Hua city. Now that we’re on a one-way road and there’s a traffic jam, it’ll take about an hour to go back.’

however, these two didn’t seem to be short of money. even if they were short of money, they wouldn’t be able to act in a blue love of life and death. let’s just go in circles. they were playing with romance!

can't you be a little slower!

So the driver got the order and drove slowly. Anyway, the money was on time.

Qin Anlan did not notice it. Just as the driver thought, he seemed to have been drugged.

they finally arrived at the hospital after more than an hour. The chauffeur was overjoyed to receive a tip of 1000 Yuan.

five minutes later, qin anlan looked at the department in front of him-gynecology?

didn't she say it was gastroenteritis?

ye liangqiu smiled. "my monthly allowance is here." he glared at her.

"it hurts a little, prescribe some medicine!" she was still calm, but her eyes were curved in a smile, and she was a little mischievous.

qin anlan gritted his teeth and said, "You said you have a stomach problem?"

I said 'probably'. Then I felt uncomfortable, probably because of my monthly allowance. She was a little rascally.

qin anlan looked at the department in front of him. it was dark, where were the doctors?

"There's no one here. Forget it, I'll go out and buy some sanitary pads." "It's an old illness anyway!" She said nonchalantly.

She said it so easily, but he did not let her go. With a cold face, he said, "I'll call the doctor over and give you a good examination.

Chapter 1682 - 1682: Let your husband buy it (part one)

The male doctor opened the door and glanced at ye Liangqiu. come in! ye liangqiu looked at qin anlan and pursed her lips. "i'm going in. ' he pulled her back with one hand, his eyes burning. "I'll go in with you." with that said, she followed him in without a care, shamelessly.

The male doctor was in his early thirties. He was a rather cold doctor. After being in the maternity ward for a long time, he would become cold.

"where do you feel uncomfortable?" he asked ye liangqiu.

"period pain." "But what I need the most right now is sanitary pads," ye

Liangqiu said honestly.

the male doctor was married and had been dragged out of his home. his temper wasn't very good, especially when he saw a beauty like ye liangqiu. he wasn't very moved.

He raised his eyebrows and glared at Qin Anlan. ask your husband to buy it!

ye liangqiu meowed at qin anlan and glared at her.

The male doctor was unhappy. what's wrong with buying some feminine products for your wife? "

Ye Liangqiu looked at Qin Anlan, her eyes sparkling. He glared at her for a while, then walked towards the door.

after a while, he turned back. "my wallet." ye liangqiu handed it to him and watched him leave, her expression not looking too good.

After they left, the male doctor said indifferently, "You must have taken medicine before! With your body, it's best not to take birth control pills, especially morning after pills." ye liangqiu didn't deny it. "i know."

"If you know, why are you still eating!" the doctor's voice was cold. "use condoms next time! it's safe and hygienic, and it's not easy to get sick." ye liangqiu secretly wondered if this male doctor didn't mock her.

however, this person had some moral integrity. it was only when qin anlan returned and ye liangqiu dealt with him that he checked and repeated his words to qin anlan.

qin anlan's attitude was much better. "i'll definitely take note."

The male doctor meowed at him, but didn't say anything in the end. He waved his hand and chased him away.

it was almost midnight when they left the hospital.

The air was thin, and it was frighteningly cold.

standing on an empty street, ye liangqiu shivered in the cold as she tried to get a taxi.

"ask the driver to drive the car over!" she took out her phone and was about to dial, but he stopped her.

he reached out to hold her hand and put the phone into his pocket. then, he took off his coat and draped it over her shoulders.

He buttoned her up one button at a time until he reached the top button.

His eyes were focused as he did all this.

ye liangqiu's breathing also became light as she looked at him.

"it's done," He let out a breath. let's go!

As he spoke, he held her hand and walked on the empty street.

the moonlight shone on his side profile, making him look even more handsome and charming.

his palm was warm and strong.

She was reluctant to leave, but she was also worried. She struggled a little. an LAN, you're the one who's sick.

he continued to walk forward. "if you were worried about me, you wouldn't have said that you had a stomachache."

after he finished speaking, he turned his head and glanced at her. that gaze was like he was looking at an insensible child.

Ye Liangqiu was in the wrong, so she followed him.

“i think i’d better return the coat to you,” she said softly after a while.

she wanted to take it off, but her hand was held down by him. then, he put his big palm in his coat pocket and said in a deep voice, If you want to do it, then do it again in your designated area.” his tone was a little stern, and he even gave her a final look.

“Oh,” ye Liangqiu replied, but didn’t dare to say anything else. She walked side by side with him towards an unknown place..

Chapter 1683 - 1683: Let your husband buy it (2)

after that, she leaned on his shoulder and wrapped her arms around his waist like an old couple, leaning on each other.

‘An LAN, if we can continue like this, how wonderful would it be?’

Even if I had countless expectations in my heart, even thinking that we would walk to the end, but when that time comes, would it still be so simple, calm, and beautiful?

She was a little scared and buried her face in his shoulder.

the two of them walked for about two hours down the street, and they finally arrived in front of the su residence.

He sent her home but did not bring her back.

standing face to face with her, he gathered her coat for her and smiled. ‘ “liangqiu, i can only send you off here!”

There was a deeper meaning to his words. She wasn’t a fool, so it was impossible for her not to understand.

“tomorrow will be a new day.” he hugged her and whispered in her ear, I like you and admire you, Yingluo. You’re the best lover and the best opponent.”

In the past, he had always underestimated her. He had underestimated her ability and her ruthlessness.

He was a little curious and puzzled. What kind of mood did she feel to be able to be so reluctant to part with him and attack King Entertainment at the same time?

She thought that he didn’t know what she had done to Xia Mian.

He knew everything, including the fact that Xia Mian had slept with che taixian.

He just felt that it was a pity. Xia Mian could’ve achieved a little if she wasn’t so ambitious.

However, the fact that ye Liangqiu had easily killed her sister, Xia Mian, was an explosive point.

and he had to wait for her to detonate it.

He looked at her with a burning gaze. Liangqiu, take care.

He lifted his chin slightly and motioned for her to go in.

At that moment, their parting had crushed her. She almost wanted to throw herself into his arms and tell him that she couldn't hold on any longer.

she didn't want to go against him. to her, asia vision wasn't important. the most important thing to her was him.

her lips trembled slightly. after a long time, she lowered her eyes. "an Ian, can you not leave?" qin anlan raised his head and looked at the luxurious mansion in front of him.

this was the place where they used to play together when they were young. but now, this house was a source of hatred for him.

"Liangqiu, you should understand that I will never be able to enter this place!" he reached out and ruffled her hair, giving her one last gentleness. "go in! "i'll be waiting for you."

She looked at him and suddenly felt pain in her breathing.

she couldn't bear to, she couldn't.

As he turned around, he heartlessly wanted to leave, but she hugged him from behind.

an LAN, are these two days not important to you? "She leaned against his back and rubbed her face against his back as she muttered.

he stopped and looked down at her hand. after a long time, he smiled bitterly. 'liangqiu, i can't figure out which one is the real you and which one is the act!

Can you even tell the difference yourself?"

she slowly let go of the kasaya for a while and took a step back. she breathed in the air of the late night and the pain reached her soul.

he said that she was acting. then, qin anlan, were you just playing along with my act?

you said you didn't know which was true and which was false because you didn't want to believe me anymore.

"yes!" She smiled lightly. Qin Anlan, I was too greedy! I wanted everything but forgot about you. You're not someone I can have." she walked in front of him and undid the buttons one by one. her fingers caressed the fabric of the coat lovingly. in the end, she steeled her heart and put it in his hand. "be careful when you go back. "

Chapter 1684 - 1684: using unscrupulous means (1)

he looked at her, at the coat in her hand, and said lightly, "you can wear it!" ye liangqiu shook her head. "no need." she stuffed it into his hands and turned to leave. she walked away very quickly.

However, her arm was caught by him again. When she turned around, her long hair fluttered in the wind, forming a beautiful arc in the night sky. Her fair face was shockingly beautiful.

he looked at her for a long time before he said softly, "i'm wei ya from king entertainment. i'll go and pick you up." in fact, it was tomorrow.

she was in a daze for a moment before she realized that she had been too busy and had forgotten.

after a while, she nodded. "i'll get off work at five tomorrow." mm. he didn't put on his coat. Instead, he put it on his arm and turned around to walk down the street.

she stood on the spot and looked at him for a long time. her feet were sore and she could not see him anymore.

The black carved door beside him slowly moved away, making a harsh and heavy sound.

ye liangqiu slowly turned around and saw su shicheng standing in front of the main residence.

why was he here?

She adjusted her clothes and walked in. The ear-piercing and heavy sound came from behind her again.

"This late?" Su Shicheng coughed lightly. it looks like your relationship with an LAN has warmed up pretty well.

ye liangqiu walked inside. when he passed su shicheng, he sneered, "as long as that day is still there, he will never treat me the same way he did in the past."

"Just like how I treated him, he would not show mercy when necessary." ye liangqiu turned her face to the side, her expression cold. "so, don't hold any hopes of getting lucky."

"then stay away from him." Su Shicheng emotionlessly said.

Ye Liangqiu laughed, ignored him, and walked into the hall.

It was late at night, and Momo had already fallen asleep.

she knew that su shicheng would not easily leave after coming here, so she had already made plans to deal with him.

she slowly sat down on the sofa and ordered the servant to make a cup of tea to warm her stomach.

Her stomach was starting to hurt from the wind outside, but she endured it and did not let su Shicheng find out.

su shicheng gripped his walking stick and clasped his hands together as he stared at her with burning eyes.

because he was thin, his eyes were deeply sunken. in the middle of the night, it was a little scary.

ye liangqiu's tone was indifferent. " whether i leave or not, it's my own decision. ' su shicheng was about to explode when she indifferently glanced at him,"You were the one who said that he was my prize."

This time, su Shicheng's complexion improved greatly. He coldly laughed, ' yes, the Qin family can only be used as prizes.

he thought for a moment, but he was still worried, so he continued, " "You have to know what's important."

the servant brought the tea over. ye liangqiu took two sips and smiled faintly. ' of course. ' "

"Is Qin PEI alright?" she looked at him and suddenly asked.

Su Shicheng's expression became extremely unnatural as soon as she asked this, " the same old. Don't worry, I won't kill him. I broke my promise to you. As long as you take King Entertainment under Ya Shi's name, I'll let him go.

let him go?

ye liangqiu really didn't know whether su shicheng was insulting her intelligence or her.

at that time, the first thing he did was to kill qin pei, causing the fact that she and qin anlan could never turn back.

She knew exactly what he was thinking.

seeing that she was silent, su shicheng changed the subject. " you've been doing well recently! "the shareholders of asia tv have regained their trust in asia tv, and several heavyweight scripts want to premiere on asia tv.."

Chapter 1685 - 1685: using unscrupulous means (2)

Ye Liangqiu laughed. it's because dad used to run it well.

her sudden display of goodwill surprised su shicheng, but he soon sighed, ' liangqiu, no matter how unhappy we are, we're still father and daughter. we're blood-related in this world. no one else can compare to us. ' When he said this, his heart was filled with emotion.

he was already old, and his daughter was at the peak of her life.

although she was a woman and was an artiste, he had observed these days that she was very capable and could compete with qin anlan. perhaps even when he was in his prime, she would not give in.

Because she was ruthless enough!

Perhaps his worries were unnecessary.

Ye Liangqiu only smiled and didn't say anything.

Su Shicheng's heart was a little anxious. He did not have much time left, and he wanted to see the situation of Asia Vision unifying the world as soon as possible.

“Dad is old, and my only hope is you.” his voice was old, and he unconsciously showed weakness.

Ye Liangqiu finally raised his eyes and looked at him with a burning gaze. “dad, i won’t let you down.”

Su Shicheng’s heart was consoled by this much more respectful gesture.

After their relationship had improved, they started to chat. it’s going to be the new year in a few days. How are you planning to spend it, Momo? ”

before ye liangqiu could say anything, su shicheng’s eyes flashed with desire, “I’ll take you to Hokkaido skiing, okay?”

ye liangqiu pursed her lips and smiled. ” an Ian said that she wanted to let the children spend the new year together. ” she lied without a change in her expression.

she really did not want to be with su shicheng on a new year’s day. it would only disgust her and fill her with hatred.

she didn’t want to see him in a daze, let alone spend the new year together.

a trace of disappointment flashed across su shicheng’s eyes and his old face froze, but he quickly recovered and forced a smile. ” i see! “that’s good too. the children have to spend the new year together. it’s also good for qin anlan to let his guard down.”

ye liangqiu didn’t say anything else. she swiped on her phone a few times, as if she was reading the news.

su shicheng’s mouth was dry, but he still hadn’t managed to drink a single drop of water. yingying’s heart was a little stifled, and she felt a little wronged.

This was his home!

At this moment, a silent cry came from upstairs, as if she had woken up from a dream.

ye liangqiu immediately got up, but then clutched her stomach and sat back down.

“You sit here, I’ll go take a look.” Su Shicheng’s heart was hanging high in the sky. He truly loved Momo.

Hence, she went upstairs with her walking stick and waved her bodyguard, ah Xing, away. wait for me downstairs. Get the driver to prepare it. I’ll leave after Momo falls asleep.

her tone was still a little aggrieved. if she didn’t leave, she would be a nuisance if she stayed.

upstairs, momo had indeed woken up and was crying badly. the nanny was trying her best to comfort him, but it was to no avail.

su shicheng immediately stepped forward and obediently pampered her, coaxing her into a silent embrace.

Momo soon stopped crying and chuckled, her small hands holding su Shicheng and refusing to let go.

Su Shicheng's withered old soul bloomed like a flower. He kissed the little fellow and was moved, which was rare. our Momo is still the best. She's not like your mother, who's so cold and lifeless! It's not good for Grampy either." he knew that liangqiu hated him.

Downstairs, ye Liangqiu slowly sipped her tea and didn't say anything for a long time.

su shicheng's bodyguard, ah Xing, came in from outside and bowed his head, " "Young miss." After he finished speaking, he stood to the side and didn't say anything..

Chapter 1686 - 1686: using unscrupulous means (3)

ye liangqiu glanced at him and smiled."xing, how long have you been with mr.

Ah Xing was an honest man who was not even 30 years old. When he heard this, his square face turned red. After a long time, he finally managed to squeeze out a sentence, " young miss, I've been with master for five years.

"does teacher treat you well?" Ye Liangqiu smiled slightly, lowered her head to drink her tea, and then looked up at ah Xing.

Ah Xing was a rough man. He had never been so close to a fairy-like lady. Besides, Lady Zhao used to be a big star. She was the Queen of stars, and he had always admired her. He never thought that he would be able to talk to her one day.

Xing's heart was about to float, but he did not dare to show it on his face. he said honestly, " it's pretty good! i even bought a house in B city, and my mom also brought me here from the countryside."

ye liangqiu knew what was going on, so he asked casually, "Do you have a target?"

This time, it was as if she had stepped on ah Xing's tail, but it also felt like she had rubbed his heart. It was painful, numb, and itchy.

fangzheng's face turned the color of a pig's liver, and he could not squeeze out a word for a long time.

Ye Liangqiu stood up and patted him on the back, smiling."don't be bored to death. "

This time, ah Xing was really depressed. His face was even redder, as if it was filled with blood. his breathing was very hot, and his eyes seemed to be on fire as he looked at the fairy-like eldest miss.

Ye Liangqiu smiled and sat back down.

on the other hand, ah Xing lost his composure and only came back to his senses after about two minutes. he whispered, " "not yet,"

As he said this, he sneaked a glance at the fairy-like eldest miss.

ye liangqiu smiled. " if there's a suitable candidate, i'll help you look for one. '

Xing's face turned red again. he said thank you in a low voice and then went silent.

he thought to himself that it would be great if he could have a fairy-like appearance like the young miss. however, he could only think about it, only think about it. for a person like the young miss, just looking at him for one more time was enough to make him completely satisfied.

at this moment, su shicheng slowly came down from upstairs. looking at ah Xing's red face, he said in a deep voice, "What is this? Xing, did you make the young miss unhappy?"

Xing said he didn't dare.

Ye Liangqiu stood up and glanced at a 'Xing before smiling at su Shicheng, " i'm talking about introducing a girlfriend to Xing. he seems to be shy! "

su shicheng glanced sideways at ah Xing and immediately smiled, " i see! It's time to find a wife, otherwise you'll be almost 30, Yingluo. But after you get married, you can't have weak legs."

Xing was also a pure and rough man, so how could he listen to these words? his face became like a pig's liver again, and he was speechless for a long time. "dad, stop teasing him." Ye Liangqiu smiled. I'll send you out!

su shicheng's mood brightened a little. he turned around and said, " you don't have to send me off. your body is weak. it's fine as long as ah Xing is here. " Xing also promised that he would take good care of Mr. Su.

Ye Liangqiu nodded and walked them to the door. She patted ah Xing's arm and said, " thank you.

Ah Xing suddenly felt like he was floating. He couldn't even speak for a long time.

su shicheng and ah Xing got into the car, and after a while, ah Xing suddenly said, " "Sir, the young miss is actually very concerned about you."

Su Shicheng faintly grunted, " Liangqiu is my daughter, after all. That's only natural..

Chapter 1687 - 1687: using unscrupulous means (4)

su shicheng was no longer the same as before. even if a bodyguard spoke a little more to him, he felt that it was enough to get rid of his loneliness. However, Xing didn't talk much in the past. Why was he like this today?

su shicheng's eyes were old but sharp. " why did you put in a good word for her?

as Xing drove, beads of sweat broke out on his forehead. he sneaked a glance at the rearview mirror and said anxiously, " "the young miss is a good person." Su Shicheng closed his eyes again. Liangqiu is not mean to her servants.

A 'Xing's body relaxed, but he was extremely nervous.

he didn't dare to let mr. su find out about his feelings for the miss, otherwise, he probably wouldn't be able to live.

"sir, what's going on between the young miss and mr. qin?" he asked.

although a 'Xing was su shicheng's follower, he had a pure and innocent personality, so he was unaware of the dark side of su shicheng.

As soon as he finished asking, su Shicheng's gaze suddenly became dangerous, " ah Xing, there are some things that you shouldn't ask about. I only kept you by my side because you're steady and quiet. Don't let down my trust in you.

Xing didn't dare to speak again and focused on driving. However, ye Liangqiu's face kept flashing through his mind.

after that, she followed su shicheng back and lay down in his single room. the moment she closed her eyes, she was like a fairy-like young lady.

then, that night, a 'Xing's dream ended.

When he woke up, he was in a sorry state. He was gasping for air, and his hair was wet with sweat. the darkness covered his sorry state, but it was also like an invisible hand that could reach out from the dark at any time and grab his lifeline.

he found it hard to breathe, and every time he thought of the young miss, his body would hurt again.

Ah Xing was still a Virgin and had never done anything between a man and a woman, so this was out of control.

He looked down for a long time, but in the end, he still went to the bathroom, turned on the water, and instinctively, he did something bad for the first time.

his mind was filled with thoughts of the fairy-like eldest miss. in the end, he muttered her name.

After everything had passed, it was very empty. The water had turned cold, and the air was slightly chilly.

Xing's body leaned against the wall and slowly slid down. finally, he covered his face with his hands and rubbed it vigorously.

late at night, at the su residence.

ye liangqiu held a glass of wine in her hand and gently swirled it.

It had been more than a year, but she had not found Qin PEI. If she could find Qin PEI, she would immediately kill su Shicheng. all those sins had disappeared.

She had never thought of letting an LAN know about those things.

however, she had not found a breakthrough until today when she saw ah Xing secretly look at her.

she admitted that she was despicable. she had used ah Xing, or perhaps she would use him in the future, to make use of his little perverted heart, or to put it in another way, his admiration for her.

perhaps ah Xing would die in embarrassment if he worked for her, but she would still do it.

Perhaps su Shicheng's blood was in her as well, and she was just like him, equally unscrupulous.

just now, momo had cried because she had asked the nanny to do it. su shicheng loved momo dearly, so he went up to her and gave her the opportunity to flirt with ah Xing.

She slowly took a sip of red wine, and a light flashed across her long and beautiful eyes.

Su Shicheng had taught her one thing: on the road to victory, she needed to use stepping stones. If she was soft-hearted, she would not succeed..

## Chapter 1688 - 1688: Who is the real owner of King Entertainment (1)

King Entertainment's annual banquet was always Grand and held in the largest ballroom in GM.

When ye Liangqiu came over, Kie drove to pick her up. He said that Qin Anlan could not leave, but he sent his trusted aide, which was enough to show that he valued her.

However, ye Liangqiu quickly realized that this was just wishful thinking.

if everything that had happened before was her scheme against qin anlan, then from now on, it was qin anlan's counterattack.

or rather, this whole affair was a carefully planned scheme.

at least, ye liangqiu stood on the red carpet and looked at qin anlan and Xia mian standing side by side in the distance. they looked like a golden couple. she laughed bitterly. it was only then that she realized what he had said last

night. he was really declaring war on her, and she was still in his gentleness.

he was too naive.

Xia mian was wearing a light purple strapless dress that accentuated her cleavage. she was fair, and her entire body looked valuable. the diamond necklace on her neck was extremely expensive. Xia mian could not afford it on her own, so the only person who could afford it was qin anlan.

her gaze fell deeply on qin anlan's face. she smiled faintly, but there was a hint of mockery in her smile.

then, she reached out her hand and caught him.

Kime was shocked. He leaned against ye Liangqiu and forced a smile as he posed for the reporters to take pictures.

He felt a chill run down his back. He could already feel boss Qin's gaze piercing him like two knives.

he laughed bitterly and said in a low voice, " mr. ye, that's enough. i'm afraid i won't live to see tomorrow's sun.

"i'm still alive to wait for the child's mother," he said after a pause.

ye liangqiu smiled and said in a low voice,"then cooperate. don't worry, i won't die. at worst, i'll just break my arms and legs."

In fact, they both knew how much Qin Anlan cared about her. However, the person he wanted to deal with was not her, but Ya Shi.

at tonight's event, he was obviously going to embarrass her and ya shi.

What he used was to give them a taste of their own medicine.

When ye Liangqiu was almost done taking photos, she walked in Qin Anlan's direction.

the night wind was strong, and she felt as if she had been walking for a century on the ten-meter carpet.

'an lan, you're here, but even though i'm getting closer, i feel like i'm getting further and further away.

finally, she walked to his side and held his arm.

I'm sorry, " thought Kie as he looked at Qin Anlan with a bitter face. He did not dare to look at Qin Anlan.

qin anlan and Xia mian stood side by side, as if they were accepting the interview, but ye liangqiu knew that he was waiting for her to come over so that he could give her a fatal blow.

"Looks like I'm not CEO Qin's dance partner tonight!" She smiled.

qin anlan retracted his gaze from the reporters and looked directly at ye liangqiu's hand that was holding onto kie's.

His gaze was so intense that it could burn a hole through Kime's arm.

ahem! Kim coughed and tried to pull his hand back but failed.

Qin Anlan's gaze finally shifted to ye Liangqiu's face and he smiled faintly. yes, Xia Mian is King Entertainment's new Star. She'll be my female companion tonight.

Ye Liangqiu nodded, still smiling. you're quite creative, President Qin.

she looked at kime, who immediately waved his hand. " mr. ye, i'm very busy tonight. i might not have the time to dance with you. "

"i see!" she looked at qin anlan and smiled. " then i'll call ran over. he hasn't left yet. "

As soon as she finished speaking, Qin Anlan grabbed her arm. He did not look too good. if I remember correctly, I'm the owner of King Entertainment..

Chapter 1689 - 1689: Who is the real owner of King  
Entertainment (2)

"Right!" she laughed softly. " but president qin, you forgot that if it wasn't for our personal relationship, i wouldn't have to attend the banquet and i wouldn't have to be humiliated by you for no reason. "

"President Qin, don't forget that our honor and disgrace are one." It's not good for you to have too many scandals."

He muttered, " for example, the light of che taixian. I a pan?"

His voice was a bit low, and ye Liangqiu's eyes turned cold. So he knew! On the other hand, Xia Mian's blood had frozen che taixian.

what was the relationship between ye liangqiu and che taixian?

could it be that her sleeping with yingying was a conspiracy?

And the mastermind was ye Liangqiu?

Xia Mian's face was completely pale as she looked straight at ye Liangqiu.

Ye Liangqiu quickly recovered from her shock. She looked at Xia Mian and smiled, "Miss Xia, don't you pay attention to your facial expressions? it won't be pretty if the reporters take a picture of you like this."

Xia Mian was stunned for a moment, then immediately put on a sweet expression. However, her gaze was still as if she wanted to eat ye Liangqiu up. qin anlan extended his hand. "let's go!"

His arm was right in front of him, and there were two women in front of him.

Ye Liangqiu wouldn't think that he was talking to her, but it would be ridiculous if he were to say it to Xia Mian.

Wasn't he tired of playing such clumsy tricks all the time?

Xia Mian also hesitated for a moment before she carefully placed her hand on Qin Anlan's arm.

A sense of joy slowly rose in her heart when he did not object to her teasing.

he didn't break free, which meant that she really was his female companion, not ye liangqiu.

no matter what the reason was, she was the one standing in front of boss qin.

Xia Mian's disbelief turned into overconfidence, and she smiled triumphantly at ye Liangqiu.

There was a hint of provocation in her eyes.

so what if ye liangqiu was mrs. qin? didn't president qin publicly slap her in the face now?

this historic moment was captured by the reporters. compared to Xia mian's smugness, ye liangqiu stood to the side, looking a little lonely.

in her heart, she was even more clear that qin anlan was not just showing off in such a boring way.

He definitely had something more important to announce to the reporters. If he was not mistaken, it would be to officially announce his plan to acquire Asia Vision.

she pursed her lips tightly. under her elegant exterior, her fingers were clenched into fists, and her insides were already drenched in sweat.

as expected, qin anlan faced the media and smiled calmly. he said calmly, "thank you all for coming, and thank you, chairman ye of asia tv, for coming to KING entertainment's weiya. however, i'm still sorry to announce that KING entertainment will carry out a comprehensive acquisition plan for asia tv after the new year. ' the entertainment reporters were in an uproar. just a

few days ago, president qin was still publicly showing off his love for Xia mian, but now, he was holding Xia mian's hand and openly declaring war on his wife.

then, all the love from before was fake?

entertainment reporters weren't too interested in business. they were more interested in qin chu's relationship and whether he had really hooked up with a b-list female celebrity and abandoned the diva ye liangqiu!

when they were frantically asking questions, qin anlan only smiled and did not answer.

this is where he's brilliant, xuxu.

Such a scene was embarrassing enough for ye Liangqiu.

It was only then that she realized that he could really be ruthless when necessary.

at the side, KIME was secretly sweating. boss ye's face was really ugly.

And boss Qin, if you go too far, what if boss ye really makes you a cuckold? it'll be too late to regret it!

ye liangqiu took a deep breath and said in a low voice, " please catch me when i fall to the ground. "

KIME was stunned, but the person beside him had already fallen. he was caught off guard and staggered..

Chapter 1690 - 1690: Who is the real owner of King Entertainment (3)

Kie was stunned, but his instinct allowed him to catch ye Liangqiu in time.

However, he only managed to catch it before Qin Anlan carried him over.

"cool autumn?" president qin, who was originally hugging Xia mian's beauty, looked at his wife anxiously.

The imposing manner of wanting to acquire Ya Shi was instantly gone.

Ye Liangqiu's face was pale, and his lips were almost colorless.

On the light-colored evening gown she was wearing, there was a touch of bright red that was glaring under the light.

"ah, could it be a miscarriage?" A female reporter covered her mouth and screamed with red eyes.

it was really too tragic for xuxu to be so agitated after witnessing such an embarrassing incident on the red carpet between her husband and a small artiste under her. she was really pitiful.

The reporters all aimed at the bloodied part of ye Liangqiu's body and believed the female reporter's words. The woman knew this the best. President ye was pregnant and it was very likely that he had a miscarriage.

in fact, even if it was impossible, the reporters still hoped that it was possible.

after all, the more gossip there was, the more money they could earn.

qin anlan was holding ye liangqiu in his arms. his face was ashen and a little pale, but it was even uglier than ye liangqiu's unconscious face.

A miscarriage?

Of course, he knew that it was impossible, because she was on her period.

however, he naturally wouldn't explain such a private matter to others, so he picked it up and walked towards the carriage at the door.

in his heart, there was a touch of panic and fear.

Xia Mian stood rooted to the ground, still in a daze. She muttered, "how can i be pregnant? it's impossible."

when she opened her eyes, the piercing glare of the cameras kept hitting her face. it was as if she was standing on an empty stage. those malicious and mocking gazes were all directed at her. she stood there like a clown.

She felt lonely. At this moment, she felt like she had returned to her original state.

the lights were very hot. her face was hot and she felt extremely uncomfortable. her entire body felt like it was bound by something, and even breathing was painful.

She screamed at the people who were mocking and looking down on her, " "she didn't have a miscarriage. yingluo, she didn't. she was pretending. She's despicable and shameless!" the surroundings instantly fell silent.

it was so quiet that even the sound of a needle falling could be heard.

All eyes fell on Xia Mian again, and their gazes were filled with disdain ...

Xia Mian was a pure and innocent girl, but right now, she had completely ruined her image. No matter how she looked at it, she was just a scheming b \* tch who wanted to destroy someone else's family.

Xia Shu's Red lips parted slightly as she looked at the cameras silently. She suddenly covered her face-

It was so glaring, so glaring.

She had lost. She was utterly defeated.

she had thought that she had won, but ye liangqiu's little scheme had turned the tide.

She turned around abruptly. Her light blue clothes looked particularly cold in the night wind. Her eyes were bloodshot as she looked in the direction that Qin Anlan had left in. She did not have a trace of nostalgia, never.

It was her wishful thinking.

Qin Anlan carried ye Liangqiu and got into the car. Kie had also come back to his senses. Although he knew that Chairman ye was acting, he had to act enough, right?

Kime started the car and asked in a deep voice, ” “President Qin, which hospital are we going to?”  
“Sheng Yuan!” Qin Anlan’s voice was a little hoarse.

his heart was a little heavy. she had been exposed to the wind last night and the night before, and she was on her period. however, she fainted just like that. her health was not very good. he should take advantage of this time and ask doctor mei to check if there was anything wrong with her..
