

Thank you 1691

Chapter 1691 - 1691: miscarriage and period (1)

the car drove steadily. qin anlan held ye liangqiu in one hand and took out his phone with the other.

ye liangqiu's face was buried in his chest. through the fabric of his shirt, she could feel his heartbeat. it was beating very, very fast.

her fingers slowly tightened around him.

He opened his eyes, then closed them again and sighed. Anlan, I don't want to go to the hospital.

"You're awake?" His voice was still hoarse. With one hand holding her, he held the phone in the other hand and answered the call.

He hung up after a few words with the person on the other end. She buried her face in her waist and said in a very low voice, "Anlan, I didn't have a miscarriage.

"I know," he raised his head slightly and clenched his jaw. "I won't care about you anymore after we go to the hospital. "

as he spoke, he seemed to be explaining, convincing her, and even more convincing himself."After all, it was all because of me."

as soon as he finished speaking, both of their hearts and minds were shaken. they both thought of the wild nights they had spent together. she had passed out from menstrual pain, which was more or less related to his lack of self-control.

She didn't say anything more and just wrapped her fingers around his waist.

KIME gave his boss a disdainful look. useless, where was his previous coldness?

he was taken down in just two or three moves!

poor Xia mian. she finally had a sweet dream, but she woke up so quickly.

however, boss ye's abortion scene would probably put boss qin in a very passive position later on. she was firmly labeled as chen shimei. besides, boss qin's heart was soft easily, but boss ye's heart was hard and ruthless. As Kie muttered to himself, the car had already arrived at Sheng Yuan hospital.

At the entrance of the hospital, the paparazzi were already waiting. They took photos of ye Liangqiu as soon as she was admitted into the hospital. The famous gynecologist, Dr. Mei, came in the middle of the night, which further confirmed that she had a miscarriage.

Qin Anlan couldn't care less now and carried her to the examination room.

mei examined him and said with a serious expression, "his qi and blood aren't flowing smoothly! she didn't take good care of herself during her confinement, and she didn't pay attention to keeping

warm during her period, so she suddenly fainted.” qin anlan looked down at ye liangqiu, his expression unfriendly.

However, she said, “you should go to your tail teeth, Yingluo.”

Kime has already gone back in my place. his voice was deep. ” you’re only worried about this now?

ye liangqiu nodded earnestly. she looked at him and smiled.”yes.” However, the one who should be worried is you! president qin.”

he was extremely unhappy with the words “president qin” and glared at her for a long time.

Doctor Mei looked at the two of them from the side. She felt angry and amused at the same time. They were both big bosses and a very close husband and wife, but when they quarreled, they were still like Rascals.

‘ i’ll go get the medicine. you guys can continue quarreling. ” Doctor Mei shook her head and smiled.

qin anlan was slightly surprised. ” sorry to trouble you, aunty mei. ‘

” as long as you don’t wake me up in the middle of the night again, i’ll be glad, ‘ said dr. mei. After he finished speaking, he walked out.

At this moment, a nurse on duty came in with a set of clothes. President Qin, this is what you requested.

qin anlan reached out to receive it, nodded, and closed the door. at this time, she was still wearing an evening dress, looking elegant and graceful. tonight, he couldn’t take his eyes off her at first sight.

however, he forced himself to look away and told himself not to be soft-hearted towards her..

Chapter 1692 - 1692: miscarriage and period (2)

however, he forced himself to look away and told himself not to be soft-hearted towards her.

However, in the end, his heart still softened.

she took the clothes over and said in a faint voice, ” “change your clothes,” she lowered her head and buried her face in her arms.

“ye liangqiu!” he raised his voice slightly, but she still didn’t respond.

In the end, he pushed her long hair aside and found that she had fallen asleep.

Qin Anlan squinted his eyes. He didn’t look too happy about ran ran’s condition, yet she could still fall asleep.

He patted her face, but she reached out and hugged his arm like a koala bear.

She buried her face in his arm and murmured, ” an LAN, I’m very sleepy. Yingluo is so tired!

his body trembled and he looked at her with a burning gaze.

She was a rare fragile person, but her fragility was often due to her needs. He reached out and touched her slightly opened lips, his voice already hoarse.

“Ye Liangqiu, I can’t believe you anymore.”

just like today, when he carried her into the car, he clearly suspected that this was just a trick, but he still carried her into the car without hesitation. because as long as there was a one percent chance that she would faint, he did not dare to take the risk.

But Liangqiu, this is just my wishful thinking, right?

Everything you’ve said to me, everything you’ve done, was just an act, just a little trick to compete with me, right?

she didn’t answer him because she had really fallen asleep from exhaustion. her breathing was long and her body was soft.

he bent over and looked at her up close.

Although she had put on makeup, there were still some light green Circles under her eyes, and it was obvious that she was exhausted.

qin anlan hesitated for a moment before reaching out to cover her back. her skin had always been very good, as smooth as cream.

he reached out and pulled it down for her. the smooth fabric slid down to her waist, like a flower bud being peeled open, and the inside was tender.

his eyes seemed to be on fire as he stared at her for a long time. finally, everything was removed. he gently helped her put on the thick clothes, one piece at a time, and even put on thick sanitary pads for her.

but after a while, he suddenly remembered that she was wearing a gown and he didn’t find a sanitary pad. did she use a sanitary pad?

Because of this thought, his handsome face burned slightly, and his face was a little hot. After thinking carefully, he decided to verify it with his own hands.

Indeed, she had used a sanitary pad.

would this thing be comfortable inside? Was it as comfortable as him being inside?

he snorted and took off the kasaya for her.

At this moment, she finally woke up. She opened her eyes and looked at him. Her voice was a little muffled as she said, ” an LAN? ”

“Don’t use this in the future. It’s not safe and unsanitary.” he said in a rough voice.

After that, she saw the thing in his hand and her face turned red. why are you so stubborn? ” she was embarrassed and angry, not knowing what to say. qin anlan went to wash it off. when he turned around, she had already pulled up her clothes. she sat up and buried her face in her coat.

“Are you shy?” His voice was cold. you’re still dressed like this even when you’re on your period. How can you not be sick? ” after he finished speaking, he picked up the thin t-shirt and looked at her coldly.

ye liangqiu snatched it away and stuffed it into the bag along with the gown. ” you were the one who deliberately humiliated me and made me attend the tailtooth event. and what happened in the end? ” she said. She also sneered. President Qin, did I forget to congratulate you? ‘

He looked at her. what do you think? ” she did not make a sound..

Chapter 1693 - 1693: Miscarriage and period (3)

Qin Anlan looked at her pinkish and pale face and suddenly realized something. you were pretending to faint.

She didn’t deny it and said indifferently, ” “Am I supposed to sit back and do nothing after President Qin’s blow?”

“So, you pretended to faint?” he narrowed his eyes. although he had already guessed it, he was still a little angry.

“What else?” ye Liangqiu chuckled.

qin anlan glared at her for a while before he asked slowly, ” “I’m just curious. What’s with the blood on your skirt? could it be that the blood was dragged out from inside?”

There was no blood on her underwear, so the blood on her skirt was suspicious.

ye liangqiu raised her hand. her nails were a little long, and her red lips parted slightly. “a little blood!”

qin anlan narrowed his eyes. he could not believe that his ears were telling him that she was really something.

“It was president Qin who reminded me to be careful, so I thought that Weiyu’s plan might not be a bad thing.” She was still indifferent.

This time, Qin Anlan was not angry. Instead, he laughed. ye Liangqiu, I’ve underestimated you.

She smiled. “I’m afraid that Xia Mian’s character profile is going to be ruined.”

Her smile was a little evil. I’m very curious. Why did you drag Xia Mian down with you? was it because you knew that she would be done for sooner or later, so you treated her like cannon fodder?
”

Qin Anlan’s expression did not look too good. It was a little gloomy. it has nothing to do with CEO ye.

she smiled lightly and suddenly got up. she hugged him and buried her face in his neck. ” an Ian, don’t use other people to anger me. i won’t do that either, okay? ” they would compete, but she wouldn’t be able to take it if someone else was there.

Her voice was normal and there was not much fluctuation. There was only a little jealousy in it, but in his ears, it was like a stormy sea.

“so your heart can also hurt.” he held her shoulder and firmly pushed her away.

his eyes were cold.”Ye Liangqiu, you should have suffered this.” She stubbornly wanted to hug him, but he pushed her away.

Her hands were in the air, and she had no one to rely on.

“for the sake of the child, i won’t go too far. but ye liangqiu, if you dare, i

guarantee you’ll regret it.” He moved closer to her and said in a low and hoarse voice, ” “you should know my limits.” she understood. she was very clear that what she was going to do now was to challenge his bottom line.

She smiled at him and stepped back.

thus, he knew that she had made up her mind and retreated. in the middle of the night, in the cold and quiet hospital, he looked at her for a long time before he said, ” “i’ll get the driver to pick you up.”

she didn’t move and only replied indifferently, ” “no need. shouldn’t a miscarried stay in the hospital for a few days?”

“Ye Liangqiu!” He was furious.

“i’ve gone too far, haven’t i?” she smiled, but there was no trace of a smile in her eyes. ” go and clarify things between you and Xia mian. i’ll say that yingluo isn’t pregnant.

He glared at her, but she was fearless.

Qin Anlan had never seen such a shameless and shameless woman. However, this woman was his wife, the woman he loved and hated.

he couldn’t do anything to her.

his overwhelming hatred was always resolved by her shamelessly. every time he hardened his heart, he couldn’t help but soften in front of her! And this hateful woman seemed to have him in her grasp!

he, on the other hand, did not like this feeling at all. he did not like losing control at all..

Chapter 1694 - 1694: Miscarriage and period (4)

qin anlan glared at her, but she did not avoid his gaze.

she looked at him in the eyes.

After a long time, he chuckled softly and caressed her red lips with his fingers. His voice was hoarse. ye Liangqiu, very good.

“i won’t clarify.” “Then you can just announce the abortion.” He looked at her mockingly.

He turned around to leave, but she called out to him from behind, her voice urgent. “Qin Anlan!”

he didn’t turn around, but stopped in his tracks. his voice was clear and cold as he said, ” ye liangqiu, think about it before you make a decision. ” there was a faint threat in his tone. how could she not understand?

She glared at him.

For a long time, they did not speak.

he gently opened the door, but he still stopped and turned around to look at her quietly. ” “liangqiu, take good care of yourself.”

all the blood in her body seemed to have frozen, and her throat seemed to be blocked by something. she couldn’t speak for a long time.

He was really angry.

However, she would not admit her mistake, because she was not wrong, and she had no choice.

this day would come eventually. a few days ago, they were just reluctant to part, but they were all reluctant to part.

Her lips moved, but his eyes were slightly narrowed. Neither of them spoke. after a long time, he finally turned around and gently closed the door.

In the middle of the night, that subtle sound finally broke through her heart and all her pretense. All her strength was broken. She was so fragile and needed him so much.

it turned out that her heart would hurt so much when someone else appeared beside him.

she didn’t even put on her shoes as she rushed out. the hospital corridor was so cold that there was no sign of human life.

her feet felt like they were stepping on ice blades, but she couldn’t care anymore. right now, she just wanted to find him, to be with him, to feel his warmth.

Even if it was cold, she wanted it.

Even if he wanted to push her away and loathe her, she wanted to hug him at this moment.

The elevator was on the same floor. She pressed the button and there was no one inside.

where did he go?

Panicking, she turned around and leaned against the elevator wall, panting heavily in the cold.

her eyes searched everywhere to find him.

at the end of the dark corridor, there was a small window with a glimmer of light shining through it.

ye liangqiu’s lips pursed, but they felt dry, so she licked them.

she clenched her hands tightly and looked at him in the dark.

he stood there smoking and did not leave.

“Why didn’t you leave?” her voice was trembling and hoarse.

He held the cigarette between his slender fingers, and the red sparks rose and fell with his movements. He just stood there, staring at her deeply without answering.

finally, she made it through, one step at a time, with great difficulty.

she walked up to him and looked up at him.

Under the dim light, her eyes were covered with a thin layer of moisture, and she looked extremely fragile.

She didn’t want to wipe it, so she looked at him stubbornly and said, ” “qin anlan, you’re mine.”

He didn’t move. He just took another puff of his cigarette and said in a hoarse voice, ” I can’t guarantee it.

She stepped forward, wanting to hug him, but her hand was caught by him. He gently held her fist and looked at her with an unfathomable gaze. ye Liangqiu, you’re the one who gave up.

She raised her head and her eyes were immersed in the water. She wanted to hug him, but he blocked her from doing so..

Chapter 1695 - 1695: miscarriage and period (5)

she raised her head and her eyes were immersed in the water. she wanted to hug him, but he blocked her from doing so.

No matter how much he cared about her in front of others, in reality, only she knew that his heart was filled with hatred and could no longer contain her.

He was already extremely kind to her.

she stood in the middle of the cold winter night. it was almost the new year, and fireworks would be set off from time to time outside the window.

As he rose, the fire reflected on his handsome face, and the pain and struggle in his eyes could be clearly seen.

She finally said, “an LAN, at that time, can you forgive Yingluo?” what she wanted was his promise, but he could not give it to her.

His voice was slightly cold. Liangqiu, perhaps I’ve caused you to misunderstand over the past few days.

he continued to speak indifferently,”i’ve said it before, it’s impossible between us.” aren’t you adapting well?”

She stood there stiffly as she listened to his words Pierce into her heart.

that's right. how could she be naive? how could he forget his mother's death? how could he forget that she was su shicheng's daughter? how could he forget the ashes she had brought back?

she actually thought that he had forgiven her.

so it wasn't her who had bewitched him, but she had been bewitched.

He had always been clear-headed, always!

the indulgence he gave her was only what he was willing to give her. it was real and there was nothing else.

perhaps, he was more suited to playing games than she was.

she took two steps back and rubbed her fair toes on the cold floor tiles. after a long time, she looked up and smiled. " i understand. "

she pretended to be relaxed. " qin anlan, i only felt that way because hanhan was in period pain.

"I know," his voice was deep. " how can ceo ye be so emotional! "

He snuffed out the cigarette and looked at her deeply. I'm leaving.

This time, he left without any hesitation, leaving her in the darkness.

The fireworks outside the window were still burning, and they were falling again and again.

the fire illuminated her face. she stood in the cold, and her body was very, very cold.

finally, she cried like a child. she cried loudly in the middle of the night.

She couldn't stop. She felt abandoned.

when doctor mei came over, she was shocked. " liangqiu, what's wrong? "

Looking at her bare feet, his heart ached and he couldn't help but blame her. you're already not feeling well, but you still don't take care of yourself!

looking at her, dr. mei could roughly guess what was going on. she sighed. ' aunty mei doesn't know why you're doing this, but i believe that you love anlan.

He held her shoulders and pulled her into his arms. be strong.

Ye Liangqiu's eyes were closed, but her tears didn't stop. After a while, she slowly backed away and slowly knelt down. what should I do? I don't want to do that at all. I don't want to see him look at me like a stranger. I don't want to see him with someone else.

"But I still provoked his anger again and again!" She clenched her fists. I thought I could hold it in and I wouldn't care that much. I was sure that he only had me in his heart, but I still felt bad.

It was so unbearable that with every step he took, she would face the danger of losing him completely.

He had already told her that if she continued, he would really dare to have someone else.

For the first time, she was at a loss. She wanted to disregard everything, but only then did she realize her weakness.

she was afraid to take a step forward and still afraid to take a step back..

Chapter 1696 - 1696: ling li 's counterattack (1)

Ye Liangqiu was at a loss.

However, she never had a way out. She could only move forward.

no matter how painful it was, no matter how scared she was, she could only move forward.

she loved him, and no matter how much pain she was in, she could not bear to let him know his mother's pain.

she loved him. from the bottom of her heart, qin anlan was still the man who could not sleep. in a woman's heart, she was soft and treated her man like a cnila.

a few days before the spring festival, ye liangqiu stayed at home.

She had seen Xia Mian's tearful voice on television and various media outlets, so she could clear her name and prove that she was not a third party.

however, she did not deny that there was something ambiguous between her and qin anlan. in the end, she still left some leeway.

what was especially worth ruminating about was that she hinted that qin anlan and ye liangqiu had been separated for more than a year.

they had been separated for more than a year, and she could still have a miscarriage?

I really admire her intelligence!

ye liangqiu smiled lightly. she took out a cd and made a phone call.

she had called Xia mian on new year's eve.

the call went through very quickly and Xia mian picked it up. ye liangqiu's voice was very calm, "Xia mian, there's something here that belongs to you and che taixian. you didn't forget, did you? "

Xia Mian was stunned. After a while, she gritted her teeth and said, "ye

Liangqiu, you're despicable."

"Is that so?" ye liangqiu smiled lightly. " then you should prepare how to deal with the media. qin anlan has always known about this. '

She paused for a moment. from the beginning to the end, he knew, including how you climbed into the car Supreme's bed.

Xia mian was dumbfounded. after a long time, she shook her head with all her might, unable to believe that she had fallen into ye liangqiu's trap.

“The role is real. It’s up to you whether you can become popular or not.” as ye liangqiu spoke, she put the disc into the computer and uploaded it. ” “miss xia, in about half an hour, everyone will be able to appreciate your body and your kasaya skills. Think about how to deal with this!” after that, she hung up the phone.

she had to admit that she was too impatient. she shouldn’t have been so impatient, but she hated Xia mian. she hated her.

she hated it even more when Xia mian stuck to qin anlan’s side and teased her.

she admitted that she was petty and despicable, but so what?

ye liangqiu closed her laptop. no matter how the matter developed, it was something that Xia mian and KING entertainment had to worry about. it had nothing to do with her.

she sat on the soft sofa and sipped some hot tea before the servant carried her down.

MO raised him until he was chubby and had grown a size bigger. He could crawl and even talk.

“it’s the new year. you’re very happy too, aren’t you?” Ye Liangqiu hugged the little boy and kissed him. mommy is happy too.

Little Momo hugged his mother with his chubby arms and repeated her words, ‘ happy.

her eyes were curved from her smile, but there was a loneliness in them that only she understood.

Xia mian’s incident had blown up on the internet. even though the photo was taken from behind, one could tell from the side profile that it was Xia mian.

Xia mian’s image of a pure and innocent girl had also taken a huge hit, and no longer existed.

king entertainment had an emergency meeting. no matter what, Xia mian was still a popular actress and someone they had recently promoted. they had to resolve this matter, not for her, but for the company’s reputation.

at 10:30 on new year’s eve, qin anlan sat at the head of the conference table.

there was a trace of fatigue on his face, and he was also unhappy.

he knew about Xia mian a long time ago, and he thought that after he called ye liangqiu out, she wouldn’t make a fuss about it..

Chapter 1697 - 1697: Ling Li’s counterattack (2)

however, she still did it. it was ridiculous and childish!

however, he still had to resolve this matter.

Xia Mian sat down with her head down, crying like a Pear Blossom bathed in rain. Sister Ying didn’t say a word, and Kie’s face was expressionless.

The other higher-ups didn't say anything, because they didn't know about President Qin's relationship with Xia Mian.

Qin Anlan's gaze was slightly cold as he looked at Xia Mian. miss Xia, do you want the company to solve it, or do you want to solve it yourself? ”

Xia mian's eyes were red and swollen like little white rabbits, and she looked shocked when she heard what he said.

“how will the company handle this?” she asked softly after a while.

qin anlan looked straight at her and smiled slightly. ” apologize to the public for our artiste's misbehavior and the negative impact she has on society. ”

Xia mian's face turned pale. she looked straight at qin anlan and said no in a low voice.

but so what?

solve it yourself, ” qin anlan continued slowly, ” i need you and che taixian to come to an agreement. ‘

Xia mian's face was pale. che tai Xian had already returned to Korea.

how was she going to reconcile?

there was only one path she could take, huhu.

“All of this is ye Liangqiu's scheme,” she said, still struggling.

as soon as she finished speaking, she attracted countless disdainful looks. you're the one who slept with people, and now you're accusing others of conspiracy!

did someone else drag you to che tai xian's bed?

“miss xia, i only want results,” qin anlan said coldly.

His attitude made it clear to everyone in the room that the president obviously didn't give the White Lotus too much face. From the looks of it, there was nothing between them. It was Xia Mian who had been talking to herself all along.

Under countless gazes, Xia Mian opened her mouth with great difficulty, “i'll give the company an explanation.”

Qin Anlan's gaze turned around and he said indifferently, ” “That's it. We'll hold a press conference later.” yes. Kime nodded. the reporters are waiting outside. We can start the meeting at any time.

Qin Anlan stood up. go and prepare.

He walked to the door and suddenly stopped. He looked straight at Xia Mian.”If today's matter doesn't come to a proper conclusion, I think you know the consequences.” after that, he left without looking back.

Xia Mian sat there with an ugly expression on her face.

She knew what Qin Anlan meant. If she could not settle this, she could only sacrifice herself.

she stood up and smiled. ye liangqiu was so ruthless!

she straightened her back. she knew ye liangqiu's intention. wasn't he trying to cut off all possibilities between her and president qin?

Her actions were enough to prove that she was afraid.

what was she, Xia mian, afraid of? she was unmarried. wasn't it normal for something to happen to a man?

In King Entertainment's CEO's office, Qin Anlan stood quietly in front of the floor-to-ceiling window with a cigarette in her hand.

it was 11 0 'clock at night.

Kime entered and closed the door.

"What's the situation over there?" Qin Anlan spoke, his voice a little hoarse.

"Xia mian told the reporters that she fell in love with che taixian at first sight. she had too much to drink that night, so they naturally had sex. however, she didn't expect che taixian to be a scumbag, yingluo."

"she's quite smart to have pushed herself away cleanly." Qin Anlan laughed coldly. it's a good thing that che tai Xian is in Korea. Otherwise, this matter would not have ended well.

KIME nodded in agreement, then sighed. " "Xia mian's innocent image has been ruined. president qin, the company has to punish her."

"let's leave it at that for now. if we ban her, won't we fall into ye liangqiu's trap?" qin anlan pursed his thin lips.

Chapter 1698: Ling Li t s counterattack (3)

Qin Anlan pursed his thin lips. I'll go back first. It's almost midnight. Stay up with your mother to celebrate the new year!

yes. Kime nodded.

"Is she well?" Qin Anlan asked again.

"same old, not too bad or too good!" sometimes she's clear-headed, and sometimes she's muddle-headed. The child also relies on the nanny at home to take care of her.

&Nbsp; Qin Anlan patted him. you've worked hard. Go home early.

as he said that, he suddenly remembered something and called out to KIME, " "Wait a moment." kie stood still with a smile on his face. however, his smile was a little lonely, especially on a new year's night, because he was missing someone.

It had been almost two years, but he had not seen her. It was not that he did not want to, but he was afraid that he would not be able to let go if he saw her. He knew that she had done well, and her sentence had been reduced.

she had never confessed to him or asked him to wait for her. she had only worked hard in silence.

Silly Cheng Cheng, how could she be so silly? what if he had someone else by the time she came out?

However, even though his heart ached for her, he was satisfied.

There was such a person who was worth waiting for, and he was also waiting for his Xuanji.

In fact, he was not alone. He never was.

He thought that he should bring little he Huan to see her.

Kime's face revealed a touch of gentleness, but in Qin Anlan's eyes, it was filled with loneliness.

yes, su Cheng had done so many bad things, but she could always forgive her.

However, he could not forgive Liang Qiu. He could not find a reason to forgive her.

when qin anlan left the company, a large bell in one of the buildings in B city rang. the GM square in front of him was filled with cheers and fireworks. it was very lively.

He stopped and stood there for a long time in a daze.

the fireworks were lively, but it must have been lonely in high school!

After a long time, he finally crossed the square and got into his car.

As he sat in the car and slowly fastened his seat belt, the side door of the car opened, and Xia Mian entered.

Qin Anlan furrowed his brows and looked at Xia Mian. His voice was cold. get out of the car.

Xia mian's fingers were clenched tightly, and her eyes were wet with tears."president qin, i was framed."

qin anlan's long and slender fingers gripped the steering wheel tightly. " so what? other than proving that you're not smart enough, what else can it prove?"

"ye liangqiu was too despicable." Xia Mian bit her lip as she spoke, but Qin Anlan had no intention of listening to her. He coldly said, " get out of the car.

otherwise, from tomorrow onwards, you will no longer be an artist under KING entertainment. " this was the limit of his patience.

Xia Mian still wanted to say something, but he growled in a low and hoarse voice, "Get down."

He was already rarely this angry, and Xia Mian, at this moment, made him loathe her. he thought he had overestimated her. she didn't even have the basic qualities of an artiste.

at that moment, qin anlan had already made a decision in his heart.

Xia Mian was shocked, and her body trembled. She didn't dare to stay any longer. Her fingers held the handle of the car, and after some hesitation, she got out.

as soon as she got out of the car, the car drove off and left.

qin anlan drove with one hand and glanced at the spot where Xia mian had sat.

he felt a little annoyed.

the black sports car sped through the night. along the way, people set off firecrackers and fireworks, the sound of which was like boiling water.

His expression turned even colder as he drove all the way to the Qin family's old residence.

They drove into a kapok road. The kapok trees on both sides were a little bleak because of the winter, and the lights were dim.

Qin Anlan drove for about five minutes before he pressed the car horn..

Chapter 1699: Happy New Year (1)

The lights in the mansion lit up in an instant, and the black carved gate slowly slid open. He drove in and parked the car on the lawn in front of the main house.

in reality, Xia mian's matter wasn't that important. he didn't have to solve it himself, but he still made a mountain out of a molehill. he thought that he just didn't dare to come back.

he was afraid of loneliness, and he was even more afraid of facing a home without one person.

She entered the house with her coat and saw su Xiu sitting on the sofa. There was a dazed look on her no longer young face.

"aunt su, you haven't slept yet?" Qin Anlan spoke in a slightly hoarse voice.

su xiu was shocked and looked up at him. perhaps she was old, or perhaps she had cried too much in the past one or two years, so her eyes were not very good. she squinted for a long time before she could see qin anlan clearly. then, she sighed. " the old lady is no longer around. why didn't you come back earlier for the new year? " qin anlan smiled apologetically. " there were some things i had to deal with at the company. it was quite important, so i came back late. " he didn't want to change the topic. " are mumu and muyun asleep? "

"They're all asleep! mu yun has taken good care of little mumu." Su Xiu forced a smile and then scolded,"look at you, a father. you don't even know how to spend the new year with your child. you're always busy in the company, what's the big deal!" qin anlan smiled but did not say anything.

su xiu still loved him. seeing how tired he was, she said, " it's cold. i'll get someone to bring a bowl of lamb soup over. it'll warm your body after eating it.

Qin Anlan was also hungry, so he did not refuse. He casually placed his coat on the sofa and let out a long breath.

su xiu went to get the lamb soup. the house was quiet and xuxu's house was still the same. it was midnight of the new year, but there was no sign of new life at home.

his eyes met hers. on the coffee table were his mother's past photos, and there were a few balls of tissue in the trash can. aunt su must have cried again.

Qin Anlan shook his head helplessly. He took the photo with his slender fingers and looked at it for a long time.

su xiu held the plate at the door and stood quietly. her voice was a little choked."I've been with the old lady for so many years! the old lady left, so i should have followed her. ' qin anlan looked up at the sleeve and sighed. " "Aunt su, don't say such things.

If you say it, my heart will feel worse." su xiu came in and placed the plate on the table. qin anlan had lost his appetite and forced himself to eat.

su xiu sat beside him and wiped her tears. " i was supposed to go, but when i

thought about how old madam was gone for no reason, and i haven't avenged her, how can i be willing? " qin anlan's heart sank. he seemed to have understood su xiu's intentions.

He put down the chopsticks in his hand and looked at su Xiu.

Su Xiu's face was covered with a layer of gloominess. She slowly opened her mouth, "Young master, I had a dream last night."

Qin Anlan hummed and looked at su Xiu. and then ran ran.

' i dreamed of the old lady. the old lady said that she wasn't living well over there! " su xiu wiped her tears. " poor old lady still thinks of young master.

she's afraid that you'll be lonely, so she asked me to find you a reliable girl. '

Qin Anlan lowered his eyes and smiled faintly. aunt su, you're confused! i'm not single." su xiu looked at him again with her old and blurry eyes. after looking at him for a long time, she shook her head."The old lady said that she didn't dare to have a daughter-in-law like that."

qin anlan leaned back and wiped his face with his hand.. " aunt su, why must you force me? '

Chapter 1700: happy new year (2)

he paused for a moment, and his voice was a little clear. is there any difference between our current relationship and separation? "

"as long as she's in the qin family's account, the old lady's soul will be uneasy." su xiu's voice carried a touch of pain. " young master, have you forgotten how the old lady died in vain? However, I don't dare to forget it for even a moment."

She trembled and touched her silver hair. I don't even dare to die, Huahua. I'm afraid that if I die, I won't be able to see the end of the wicked.

at this moment, her expression was a little frightened, and she was really very pitiful.

Qin Anlan knew that she had followed the old lady since she was young and had a deep relationship with her. It was normal for her to be a little extreme. He didn't want to hurt her too much, so he sighed. "There will be such a day."

Su Xiu's eyes looked at him as if they were on fire. "What about ye Liangqiu? you're still together, aren't you?"

"You don't care about the old lady's feelings in the netherworld? That's the daughter of your enemy, can you still hug her and be so loving?" as she spoke, her voice became a little stern.

Qin Anlan was very tired. He smiled bitterly. "Aunt su, I won't. I've said it before, I won't forgive you."

As he said this, he was in a daze, wondering if he would forgive her. Was it?

In fact, how many chances had he given her since she had returned?

But she didn't want his chance.

Qin Anlan's expression changed and he said indifferently, "Aunt su, take care of yourself and don't worry too much."

He patted her shoulder. "The old lady is here. She will also wish you a good life in your old age. Su Xiu's tears flowed down." "The old lady is no longer here. What's the use of me living well?"

Qin Anlan did not say anything else because he was even sadder than she was.

The dead had already passed away, but the living were still suffering.

For the past year, he had been suffering every day and every second.

He hated her, missed her, and resented her for being a waste of time. He had no way of telling anyone about this.

If he said it, he would be unfilial!

He slowly unbuttoned his suit and walked upstairs.

Su Xiu stood downstairs and looked at him in a daze under the dim yellow light. She seemed to see him when he was young. In the blink of an eye, he had grown up.

"Young master, you must avenge old Madam." her voice was extremely hoarse, and it made one's heart clench.

Qin Anlan thought that it was time to find a place for Su Xiu to retire. She was no longer suitable to live here. If she continued to live here, she would be crippled.

As he thought about it, he undid his tie and walked into the children's room.

Mu Yun and Mumu had fallen asleep. Little Mumu was obediently in her brother's arms and was sleeping soundly.

He loosened his tie and gently sat at the head of the bed. He stretched out his hand and touched Mumu's face and mu Yun's forehead.

Mu Yun woke up. She opened her eyes and looked at Qin Anlan in a daze. She mumbled, "dad. qin anlan smiled and reached out to stroke his little head. " why are you awake?

"today is new year's eve. dad, i want to set Ott fireworks." Xiao mu Yun's voice was soft, unlike her usual cold tone.

qin anlan lowered his head and kissed him on the cheek. " it's past midnight.

it's already the new year. "

however, he was willing to fulfill his wish. " put on your clothes. daddy will bring you downstairs to put them down, okay? "

Ye Muyun's eyes were filled with a layer of fireworks. Although he was excited, he remembered that his sister was still asleep. He quietly got up and put on his clothes before following Qin Anlan downstairs.
