Chapter 171

171 Tormenting him affectionately (4)

Tang Yu saw that PEI Qiqi's dress had turned grey. He took a pair of small scissors and carefully cut it open.

When her body appeared in front of him inch by inch, Tang Yu almost lost his self-control. His face turned red and he quickly covered her with the blanket.

Doctor Mei had already packed her things and instructed, "If you don't have a fever, you don't have to take anti-inflammatory medicine. If you have a fever, it's best to eat it for two days. I'll come back tomorrow to change the medicine."

Tang Yu walked her out and Meng Qingcheng followed.

doctor mei still gave a few more instructions. "these few days, eat lightly. otherwise, it won't be good if it leaves a scar."

She blinked at Tang Yu, " "what a pretty little girl, isn't she?"

tang yu's face reddened.

he closed the door and walked back to the bedroom. pei qiqi was still awake and she opened her eyes to look at him.

tang yu, i ruined their wedding. " She said softly. The moment she opened her mouth, the wound on her face twitched and her little nose wrinkled.

She was still afraid.

tang yu sat on the edge of the bed and reached out to pat her head, " it's not your fault. "

pei qiqi didn't say anything. she just closed her eyes and looked extremely weak.

his heart ached for her. " don't think about it anymore. it's all in the past. "

he coaxed the little girl, which was rare, but he was not very organized.

PEI Qiqi's eyes were watery as she stared at him in a daze.

Tang Yu surrendered. His voice was low and carried a sense of helplessness, " it's my fault.

He was the one who had provoked that girl. If not, she would not have suffered like this today.

he was very close to her so pei qiqi easily raised her hand and smacked tang yu's face.

Her slap was light and her hand was soft but it did land on Tang Yu's face.

tang yu glared at her.

after pei qiqi hit him, she regretted it at first-but he still dared to glare at her!!!

she bit her lip and glared back at him. she used her uninjured hand to cover her chin with the blanket, covering half of her face.

She looked a little childish.

Tang Yu felt like he shouldn't be angry with a kid. Plus, this was his fault.

He reached out and flicked her small head. His voice was hoarse. "what do you want to eat?"

"what else do you know how to make besides congee?" his little friend had become bolder and talked back to him again.

however, this made tang yu extremely happy. he smiled and suddenly lowered his head and placed his lips on hers. his voice was extremely hoarse, " make love, yingluo. "

pei qiqi's face turned red. she turned her body and wanted to escape.

Tang Yu didn't let her go. He grabbed onto her but remembered to carefully hold her in his arms. He didn't do anything but just held onto Hanhan.

She didn't know what to do. Her nose was filled with his scent.

"rest for a while. i'll go make some porridge." He reached out to rub her. little dirty cat.

PEI Qiqi suddenly thought of the first time they met. That day, she bit his Kasaya.

Now, he was calling her a dirty cat, Yingluo.

He was the dirty one. If it wasn't for his Xuxu being involved with someone else, she wouldn't be in such a miserable state.

when her little teeth bit him, tang yu lowered his head and looked at her like a little kitten.

of course, he could pick her up, but she would probably be in a lot of pain.

Hence, he could only bear with it and let her bite Yingluo.

pei qiqi buried herself in his arms. she bit and bit but eventually let go.

she moved back a little and looked at his dazed and unsightly state after being bitten.

all of a sudden, she felt a sense of warmth from tang yu. he was really spoiling her.

Chapter 172

172 the clingy little thing (1)

she was in a daze and tang yu was moved. he lowered his head and his voice was indescribably hoarse, " "You miss me?"

"no, i didn't!" pei qiqi was lost in thought. then, she suddenly reached out and hugged him.

it hurt when she stretched her arms like this, but she just wanted to hold him right now.

she was like a child, stubbornly holding onto him. the way she looked at him, it completely shattered tang yu's heart.

He had never seen such an awkward little girl.

tang yu lowered his head and looked at her. he didn't say anything but his heart was burning. even he himself couldn't describe the feeling.

he rarely had such strong feelings. even for his mother and tang xin, he had never been so close to hanhan.

it was as if she was born from his bones and blood.

he suddenly remembered that she had called him B and B. he couldn't help but laugh.

he kissed her forehead very gently. " that's it! "

He held her little hand and coaxed her gently, " alright, put it down. It won't be good if you bleed again.

it was rare for her to be disobedient, but she still stubbornly hugged him.

Tang Yu didn't have a choice, " should I carry you to the kitchen? "

she nodded.

he didn't know what to say about her clinginess, but yingluo liked it.

he patted her. " let me put on my clothes! "

pei qiqi's little face was a little red. she stepped aside and let him wear it.

tang mo buttoned his shirt, looked at her, and slowly opened his arms.

his eyes were calm, and his handsome face did not have much expression.

however, pei qiqi could still see a gentleness in his eyes.

there was a rare gentleness.

furthermore, it was dangerous.

if she went now, she might not be able to turn back.

if it was any other day, pei qiqi wouldn't have jumped into his arms. but today, it was different.

she slowly put her head on his shoulder and wrapped her legs around his waist. tang yu carried her with one hand and stood up.

He hugged her tightly, as if he was hugging his younger daughter.

his heart was burning. he was already imagining how he would hold his and pei qiqi's daughter like this in the future.

even if it was just making porridge, he was still not very skilled at it, and he had to carry his child.

"qi qi, can you come down? it's not good to do things like this." He coaxed her.

pei qiqi didn't want to come down. she wrapped her white and tender hands around his neck. from where he was, he could see her hurt.

He sighed in his heart. He would let her do whatever she wanted.

It took an hour to cook a porridge.

for a man who graduated from an ivy league school like tang yu, it was an insult to his intelligence. his child looked at his clumsy movements and actually laughed in a low voice while lying on his shoulder.

tang yu patted his shoulder, " you still dare to laugh! "

She opened her dark eyes and stared at him with a pair of innocent and slightly evil eyes.

Tonight, she was really clingy.

tang yu carried her to the kitchen counter. the cold surface made her uncomfortable and she was afraid he would do something, so she hugged his neck and held him tightly, not letting him kiss her.

he smacked her kasaya again with hatred.

pei qiqi cried out in pain. on one hand, it was because of the pain. on the other hand, it was because he would like yueyue.

unknowingly, she had actually tried to please him.

Tang Yu's face was buried in her neck and his voice was hoarse, " Qiqi, you're so embarrassed.

She trembled and her body froze.

Chapter 173

173 the clingy little thing (2)

slowly, she turned her small face around and looked at him.

her eyes were unbelievably beautiful under the light, as if there were countless little stars in them, dazzling and dazzling.

Tang Yu suddenly covered her eyes with his hand and leaned over to kiss her.

he was too excited and too restrained, causing his entire lean back to be twisted. he was extremely careful, afraid of hurting her.

he only dared to kiss her for a while before letting go of her little mouth, his fingers caressing yingying reluctantly.

His expression was a little profound. He whispered in her ear, " Qiqi, did you miss me? "

she widened her eyes and only said softly after a while, " i'm hurt. "

he was the one who missed yingluo.

tang yu bit her thin earlobe. after that, he looked at her with his bright eyes. pei qiqi thought of the word 'beast'.

" tang yu, i think you should be feeling guilty tonight! " she said slowly, finally regaining some of her rationality.

tang yu stared at her and couldn't believe his ears.

where did the clingy child go?

tang yu coughed, " i didn't hug her! "

but these words were also useless. his child clearly didn't want to hear yingluo's words.

"then you must have kissed her!" PEI Qiqi sat there and looked at him pitifully. Her eyes were filled with a rare innocence.

Tang Yu had never liked dolls but from this moment on, he liked them.

He was born Cold and thought that he didn't care much about all kinds of beautiful women, but now he knew that it wasn't that he didn't care, it was that those women weren't beautiful enough.

if they were as beautiful as pei qiqi, he would have fallen for them long ago.

Tang Yu was helpless. He couldn't deny this. Qiqi, you're so embarrassed.

was there no more life tonight?

she was injured today, but she was so clingy and lovable. he really wanted to love her.

PEI Qiqi bit her lip. Tang Yu, I'm hungry. he looked so pitiful.

no matter how angry he was, he put it out. he filled a small bowl for her and watched her eat.

that night, he hugged her and turned her around, but he did not succeed.

PEI Qiqi was exhausted but she didn't fall asleep. Her eyes were wide open and she stared at the ceiling. She didn't even turn off the lights.

tang yu didn't care about anything else. even if she was asleep, he could do it himself.

however, pei qiqi didn't sleep. she was still buried in his arms. tang yu held her small body and said helplessly, " pei qiqi! "

Did she think that he loved her so much that he was torturing her now?

under his deep gaze, she finally became obedient and slept well in his arms.

He closed his eyes to rest.

In fact, he didn't dare to sleep, for fear that he would squeeze her wound.

even so, she still didn't behave. she reached out and touched his smooth chin, " tang yu, are you feeling terrible? "

he pressed down on her waist and gritted his teeth."what do you think?"

pei qiqi buried herself in his arms and laughed. her laughter was a little evil.

Tang Yu didn't know what to do with her so he hugged her for a while more until his anger started to burn. In the end, he let out a long breath, " I'm going to the bathroom.

However, a small hand stopped him by the waist.

then, she crawled into his arms.

Tang Yu's voice trembled, " Qiqi, you're so embarrassed.

"didn't you want to do this?" She bit her small mouth and kissed his lips, a little naughtily.

Chapter 174

174 the clingy little thing (3)

Tang Yu let out a deep breath. As he sat up, he held onto her thin body and slipped away.

She sat in his arms and lowered her eyes, " Tang Yu, don't tease me so much.

Tonight, he was very gentle, so gentle that PEI Qiqi almost cried.

The next day, when doctor Mei checked on her, she found that PEI Qiqi's injuries had piled on top of her injuries. There were some unknown bruises on her body.

As a doctor, how could he not understand?

pei qiqi was very uncomfortable. she turned her face away, not daring to look at doctor mei's face.

As soon as she looked away, she met Tang Yu's teasing gaze.

he was sitting on the sofa in front of the window and reading a magazine. he was actually looking at her.

When their eyes met, Tang Yu chuckled. PEI Qiqi bit her lip and glared at him before looking away.

that gaze, that shy look, if it wasn't the first awakening of love, what was it?

tang yu laughed again.

Something seemed to have formed between them. Their relationship seemed to be different.

.....

zhao ke was playing mahjong with a group of ladies, listening to others gossip as they played.

" did you hear? it's going to be so lively on the day of the lin family's youngest son's wedding! " a rich lady chuckled and played a card before continuing, " zhao ke, how many days will you be happy after hearing this? "

zhao ke was a little absent-minded. " what's the matter? "

" what else could it be? the wedding was a mess that day. the bride's sister was kidnapped and the groom went to save her. tell me, where did the bride put her face? "

Zhao Ke was slightly stunned.

PEI Qiqi was kidnapped?

"what happened after that?" she asked.

mrs. fu smiled, "i knew you were interested, yingluo, you hate lin yun so much, her family is in trouble now, yingluo."

zhao ke wasn't interested in listening to her ramble. she stared at her and coughed lightly. " i mean, is that girl's hanhan dead? "

Mrs. Rich looked at her and let out a strange cry. Zhao Ke, I couldn't tell that you're so cruel and merciless. How can you die so easily?!

She read it like a storybook, " it's just like in the movies. What happened after that? your stepson, Tang Yu, saved her, Hanhan.

He was saved?

zhao ke's face was filled with disappointment as she muttered those words to herself.

How good would it be if he wasn't rescued!

here's the most important thing, Yingluo, " Mrs. Fu lowered her voice, " I heard that Tang Yu put the old thing on that girl. He's determined to marry her in the future. Tell me, if this cousin likes a woman, how will he treat Yingluo in the future? especially since that girl is a sister to the Lin family's daughter-in-law.

As he said that, everyone at the table laughed. It was indeed a mess.

Zhao Ke pulled out her chair and stood up. The other three looked at her. "Why did you stop?"

"I'm not in the mood!" zhao ke pursed her lips, her expression not too happy.

She took her bag and went out.

When the door closed, Mrs. Fu had already taken out her phone. " let's call someone else. it's not the first day that zhao ke has a strange temper. in the end, she's just a third party. she can't be put on the stage and doesn't want to give face. "

the few of them looked at each other and smiled.

when zhao ke walked out, her body was slightly trembling.

Yesterday was such a good opportunity. If PEI Qiqi Wanwan died, she wouldn't have to worry about anything anymore. She wouldn't have to worry about Tang Zhiyuan finding out about Wanwan and Tang Xin's identity one day.

she clenched her bag tightly and closed her eyes.

Chapter 175

175 the clingy little thing (4)

Zhao Ke was jealous of PEI Qiqi. In her entire life, no man had ever treated her like this.

That person did not even look at her!

Among her many men, PEI Minghe only saw her beauty and never had any feelings for her.

including tang zhiyuan.

She had Tang Xin and used all means to make him willing to marry her.

Everything that she had today was earned by herself. It had nothing to do with Tang Zhiyuan.

however, pei qiqi easily won tang yu's love!

He actually wanted to marry her!

how was that possible?

how could he do that!

zhao ke held her head high, tears rolling down her face.

after so many years, she had almost never cried, because crying was the most useless thing.

a man should not look at his tears, but his body.

However, at this moment, she felt that she was very pitiful.

the thing that she had been scheming for her entire life, pei qiqi got it so easily.

How ironic it was to tease PEI Qiqi that she was here to collect her debt.

She was going to take away everything she had in the Tang family!

.....

pei qiqi missed many classes. she refused to rest at home and insisted on going to school.

tang yu couldn't convince her, especially regarding the incident with tian tian. he was in the wrong, so he let her have her way these days.

"sure, i'll send you to class. the driver will pick you up after class and i'll bring you back after work!" in the morning, he wrapped his arms around her waist and closed his eyes as he made his final concession.

pei qiqi bit her lip and wrapped her arms around his neck, "tang yu, you you you."

"If you don't want to, then come with me to the company!" he didn't allow any room for discussion.

"oh," pei qiqi replied and carefully put on her clothes.

Tang Yu walked out and Auntie li was making breakfast. Seeing Tang Yu come out, she smiled and served the breakfast, "Mr. Tang, breakfast is ready!"

Tang Yu nodded and looked inside, "Qiqi's hands aren't convenient. See if she needs any help.

although he had been quite close to qiqi these past two days, tang yu was still an old-school man. he wouldn't be too impetuous in front of others.

auntie li took off her apron and said, "okay, i'll go and take a look."

when she entered, pei qiqi was trying hard to button up a button. her little face was scrunched up and she looked very pitiful.

Auntie li didn't hear about Tian Tian's incident and was surprised by the injuries on PEI Qiqi's face. However, Mr. Tang was at home and didn't work, so she didn't have the time to ask.

at this moment, auntie li stepped forward. as she helped pei qiqi button her shirt, she asked in a small voice, " "what's going on?"

"mr. tang, did he use force on you again?" she asked hesitantly.

If that was the case, no matter how handsome or rich he was, he couldn't follow her. What would happen if this continued?

Last time, he was violent in that area, but this time, his head, face, and body were covered in injuries.

if he continued to endure, it was possible that he would be killed.

pei qiqi got off the bed and put on her shoes. she pursed her lips and said softly, " no, i met a bad person. "

as for what happened to tian tian, she wouldn't tell her. if she did, auntie li would probably look at tang yu in a weird way.

Before Auntie li could say anything, PEI Qiqi smiled, " "it was mr. tang who saved me."

"I see!" "then you have to thank mr. tang properly," auntie li said with a smile.

Her words were meaningful and PEI Qiqi understood it. Her face heated up.

at this moment, tang yu walked in and said calmly, " oh, qiqi, thank you for the past two days! "

he was very satisfied with her thanks!

Chapter 176

176 The CEO of King Entertainment (1)

tang yu personally sent pei qiqi to school. the car drove all the way to the school.

Under her insistence, he picked a low-key Audi. After driving for a while, Tang Yu suddenly passed her a box.

pei qiqi was stunned when she opened it. the watch she was wearing was taken away by tian tian last time.

as for this one, it was brand new and had a slightly different style.

She reached over and rolled up his shirt a little. She saw that he was wearing a new watch on his wrist.

They were a pair.

pei qiqi probably knew his intentions. it would be a lie to say that she wasn't moved.

She had once read a book about a girl who did not love a rich man, but that man continued to buy her the most expensive things. She liked French Roses, so he had booked a private plane to transport them back to China and fill up the house with French Roses.

Later, the story was very cliché. The girl finally fell in love with someone else, forgot her penniless first love, and fell in love with her rich husband.

PEI Qiqi used to think that girls were gold diggers, but now she understood. That girl was moved by her husband's infatuation, Yueyue.

she raised her eyes and looked at tang yu. " childish! "

she really didn't think that he liked such a high-profile man, yingluo.

Tang Yu's eyes were focused on the front and he said nonchalantly, " I also think I'm too reserved. PEI Qiqi, why don't we watch some childish things together tonight? "

he held the steering wheel with one hand and touched his smooth chin with the other. " oh, i'll get qingcheng to download it. he has a lot of these things. "

PEI Qiqi's face turned red and she glared at him.

tang yu felt it and just smiled.

Very good, you've improved. You actually dare to glare at me!

His car drove into City B's College. The guard saw it was him and opened the gate wide to let Tang Yu's car in.

Tang Yu didn't send PEI Qiqi straight to the classroom. Instead, he went to the principal's office for a walk.

The principal bowed politely for a while, then handed in a thick stack of documents.

Tang Yu took it and flipped through it.

PEI Qiqi stood beside him like a child.

She didn't dare to act rashly in front of the principal, but she still couldn't help but reach out to take a look.

Tang Yu rolled up the documents and knocked her on the head, " okay, let's go!

outside, pei qiqi gathered her courage and snatched it over. she looked at it and was stunned, " "Big exam paper?"

"pei qiqi, be more ambitious!" Tang Yu smiled, " I'm now a board member of this school!

What's the big deal with an exam paper?

PEI Qiqi was quite excited because she didn't want to repeat a year, Yueyue.

" alright, i'll take it with me first. i'll look at it slowly at night! " tang yu pinched her little nose and looked at the wound on her face.

The wound on her face was very shallow, and she could barely see her brother.

she reached out her hand and touched it. " be good, don't run around. "

pei qiqi acknowledged, " then i'll go to class! "

she carried her bag and walked along the kapok path. tang yu just looked at her with a deep gaze.

Suddenly, she turned around and looked at him in a daze.

Tang Yu smiled and PEI Qiqi waved at him.

she walked backward and kept looking at him.

this was pei qiqi he had never seen before. his heart warmed and he couldn't help but laugh, " "you're just a little kid!"

He stood there until she could no longer see him.

The phone in his pocket rang, but he didn't pick it up immediately. Instead, he raised his hand to look at the time. He was already late.

he picked up the phone and said in a faint voice, " i'll be there in a while. "

Chapter 177

177 the ceo of KING entertainment (2)

pei qiqi went to the classroom and the originally quiet classroom suddenly became quiet.

She raised her eyes and looked at Chen Xinjie's face.

After that incident, they had almost no contact.

pei qiqi walked to an empty seat and sat down. the girl beside her said softly, " KING entertainment came to our school today to cast. "

King Entertainment?

No matter how ignorant PEI Qiqi was, she knew that King Entertainment was the top entertainment company in the country. Almost 60 – 70% of the top-tier big names in the country came from King Entertainment.

she didn't really care and just smiled.

the girl beside her made a victory gesture to her female companion.

look, pei qiqi isn't that cold. she's actually quite cute!

However, she didn't seem to care about this. King Entertainment was selecting a newcomer this time to be the female lead in the MV of the popular singer Lin Zhiqian, and she would be the main song.

of course, her image had to be pure and she had to be beautiful.

She felt that PEI Qiqi was very suitable for it. However, that Wanwan boyfriend of PEI Qiqi's probably wouldn't agree to it.

PEI Qiqi's arm still hurt a little, so she took notes.

after class, she sat in the classroom with her head lowered, sorting out the notes she borrowed from others and copying them page by page.

however, she did not know that the people from KING entertainment had already arrived.

qin anlan stood at the door and watched quietly.

he was surrounded by a dozen people in charge, including people from KING entertainment and the school leaders of B college.

He saw PEI Qiqi at first glance. It wasn't her quiet look, but her stunning beauty, Qianqian.

After half a day, he had already interviewed more than ten girls from the Department, but Qin Anlan had not found the one he was looking for.

the new artiste this time would not just be the female lead of a music video. KING entertainment would do their best to package her. this was also the reason why he had chosen to look for her in B academy. he wanted a star with both beauty and intelligence, not an idiot.

The school leader saw Qin Anlan's gaze and his heart trembled. He lowered his voice and said, "young master Qin, that might not work!"

"what?" Qin Anlan asked indifferently, " what's wrong? does he have a strong background? "

the school leader wiped the sweat from his forehead and leaned closer. " it's a little deep. " it's the people from sheng yuan."

After two seconds, Qin Anlan roughly understood what he meant, ran ran.

Tang Yu's people?

He had been abroad for the past few months and had missed such a wonderful event.

Tang Zheng had a mistress for a female college student?

qin anlan had been holding a cigarette between his fingers, but he did not light it. at this moment, his fingers moved slightly and he pinched it in half. " i want her! "

this, how could this be?

the leader was about to go crazy. this morning, mr. tang came to the school. it was obvious that this little girl was extremely important in his heart. how could he tolerate such a public appearance?

however, they didn't dare to stop qin anlan. although qin anlan wasn't in the business industry, he controlled KING entertainment and dominated the top media in B city and even the country. if the news of pei qiqi being tang yan's mistress were to spread, it would be a bad reputation for B university.

qin anlan walked over and used his long and beautiful fingers to knock on the table in front of pei qiqi. he saw the name 'qianqian pei qiqi' on her book!

PEI Qiqi looked up and saw a very good looking face.

in terms of looks, he was on par with tang yu. however, tang yu's face was made of forbidden jade and he looked extremely noble. on the other hand, qin anlan's eyes were filled with worldly flames, especially the mole under the corner of his eye, which was very attractive.

pei qiqi just looked at him calmly, ” “Is there something?”

Chapter 178

178 the ceo of KING entertainment (3)

Qin Anlan had seen many beautiful women but he had to admit that PEI Qiqi's looks were rare. It wouldn't be an exaggeration to say that she only appeared once in a hundred years.

so, even a pure-hearted person like tang yu was moved by her.

What surprised Qin Anlan the most was that he knew that his darling was also very good-looking. When women saw him, they would always want to pounce on his bed!

Apart from his extraordinary background, his appearance was also a crucial reason.

however, when pei qiqi looked at him, her eyes were very clear. there was no change in her expression. she wasn't even surprised.

qin anlan handed her a name card and said in a soft voice, ” if you're willing, i hope that you'll be the female lead this time. ”

Everyone in the classroom took a deep breath. Oh my God, was this a direct decision?

No interviews, no talent display?

PEI Qiqi looked at the name card under his beautiful fingers. King Entertainment's CEO-
Qin Anlan.

after a few seconds of silence, pei qiqi rejected him, ” i don't want to. ”

her answer was very stiff, and she did not give qin anlan any face.

however, tang yu's woman naturally didn't need to give face to others. plus, she wouldn't even take a second look at an opportunity like this.

Qin Anlan's gaze fell on the chain around PEI Qiqi's neck. His gaze was deep.

After a long time, he smiled faintly. I will wait for you.

PEI Qiqi looked back at him, ” I don't need it!

qin anlan leaned closer to her and smiled. ” you'll need it, i promise! ”

the school leader heaved a sigh of relief. did this mean that they were not forcing him?

after qin anlan finished speaking, he straightened his body and said to the staff beside him, ” you don't have to choose anymore, ran ran. ”

“PEI Qiqi will be the one.” Qin Anlan's lips twitched as he walked toward the door.

the little woman who had an unexpected gain today!

“young master qin, the young lady didn't agree to it!” the director followed behind him pitifully.

“Then I’ll wait for her to agree indefinitely!” “she’ll definitely agree,” qin anlan smiled.

the director wiped his sweat. ” what about lin zhiqian’s disc? ”

Qin Anlan had already walked to the corridor outside the classroom. He stood at the handrail and looked out condescendingly. He was holding a white handkerchief in his hand and wiping his hands. A few girls had deliberately rubbed their hands against him just now.

He slowly wiped it until he felt it was clean, then threw the handkerchief to the director’s hand and said lightly, ” “Then we’ll wait for Yingluo indefinitely.”

The director didn’t say anything else either.

qin anlan smiled and said to his assistant, ” think of a way to get a picture of pei qiqi. i want the headline tomorrow to be qianqian, the new artiste that KING entertainment will be promoting. ”

Of course, this headline wasn’t for others to see. It was for Tang Yu.

thinking about tang yu’s expression, qin anlan smiled again.

The director couldn’t understand. This wasn’t young master Qin’s style. He never praised people without ambition.

Just like that international actress. Many people didn’t think highly of her back then, but young master Qin said that there was ambition in her eyes that many people didn’t have. Yingluo was a gaudy person on normal days, but she was so beautiful in front of the camera.

qin anlan seemed to be in a good mood. he turned to the director and said, ” “director xun, pei qiqi is an exception.”

Her earth-shattering beauty would cast a huge wave in the entertainment industry.

in addition to her beauty, qin anlan also found a rare tenacity in her eyes.

This little girl would never be willing to be Tang Yu’s toy.

he was sure!

Chapter 179-I want you to hug me

when all of KING entertainment’s people left, the classroom was dead silent.

PEI Qiqi continued to copy her notes with her head down. These things didn’t affect her at all.

She didn’t like the entertainment industry and had already sold herself to Tang Yu once. She didn’t want to appear on the big screen and become the subject of other people’s fantasies.

She also knew that Tang Yu wouldn’t agree to it.

She would not think too much about things that were impossible.

but in this silence, a sharp voice rang out, ” “Qiqi, congratulations on climbing to a higher branch.”

PEI Qiqi’s body froze and the pen in her hand stopped moving.

She raised her eyes and looked at Chen Xinjie.

chen xinjie looked at her coldly, her eyes full of malice and unwillingness.

why, why did all these good things happen to pei qiqi again and again?

the heavens were so kind to her and would always give her surprises, but what about her?

She wasn't any worse than PEI Qiqi. She liked Lin jinrong earlier and deeper than PEI Qiqi.

For Lin jinrong, she was willing to sell out her best friend, Qianqian. She could use the same dirty method as PEI Huan to sleep with him. She slept with him and successfully disgusted PEI Qiqi.

but now, she was not happy at all!

chen xinjie walked over. her eyes were filled with hatred but her voice wasn't suppressed, "pei qiqi, are you in love with tang yu?"

Otherwise, why couldn't PEI Qiqi find a single trace of sadness in Lin jinrong's marriage?

In fact, she was enjoying Tang Yu's love even more. And now, Yingluo was being admired by King Entertainment's President.

PEI Qiqi's life was like a cheat.

Chen Xinjie wasn't willing to give up. she's clearly an illegitimate daughter. PEI Qiqi, what right do you have to get so much?"

Yes, she did it on purpose. She wanted everyone to know that PEI Qiqi was a Motherless Child, Yueyue.

He's a bastard!

Everyone in the classroom took in a deep breath. PEI Qiqi was an illegitimate child.

for a moment, there was a lot of discussion.

pei qiqi looked up and saw chen xinjie's malicious gaze. she lost all interest in class and slowly packed her things. she looked at chen xinjie quietly and smiled, "this is probably god's compensation to me!"

She packed her bag and looked down. As she walked, she called Tang Yu.

On the other side, Tang Yu was in a meeting when his phone suddenly rang.

he furrowed his brows in a daze.

Everyone was also wondering who was the one who was so insensible as to turn on his phone during such a meeting.

xiao ran was also stunned for a moment, but she quickly regained her senses and whispered, "president, it's your phone."

tang yu retracted his gaze and picked up his phone.

It was PEI Qiqi.

xiao ran would never admit that she was laughing. she watched as tang yu walked to the floor-to-ceiling window. all the higher-ups also pretended to be deaf and laughed.

” qiqi, ” tang yu asked softly, ” “what’s wrong?”

it was only ten o ‘clock, so she probably hadn’t had her lunch break yet.

“Can you get the driver to pick me up?” PEI Qiqi accepted that she was being pretentious. Actually, she could have taken a taxi there.

Tang Yu smiled, ” okay. Have a seat and wait for me. ”

PEI Qiqi was already at the classroom door when she suddenly turned back.

actually, she didn’t hear it clearly herself. tang yu said hanhan was waiting for him to come over, not the driver.

Originally, Chen Xinru had a triumphant expression on her face. But when she saw PEI Qiqi turn back, she was stunned.

PEI Qiqi walked back to her original position and put down her bag. She took out a piece of paper and a pen and started drawing.

Chapter 180

180 i want you to hug me (2)

Half an hour later, Tang Yu appeared in front of a classroom in B University.

Almost everyone’s eyes fell on him and then back to PEI Qiqi.

such a noble person actually came to pick pei qiqi up with just a phone call!

How much did she like him?

The mistress that Chen Xinjie mentioned didn’t seem like it at all!

pei qiqi was lying there and drawing randomly. she was drawing tang yu.

under everyone’s gaze, tang yu walked up a few steps and walked to his little friend. he leaned over to take a look and smiled. he reached out and knocked on her desk, ” you drew this in class? ”

pei qiqi looked up and pursed her lips, ” if you don’t like it, then i won’t draw it! ”

“why wouldn’t i like it!” His fingers landed on her small head and knocked it lightly. He put away his things and carried her small bag.

PEI Qiqi was still lying there.

tang yu looked at her and knew what she was thinking.

His little friend had been spoiled by him all this time!

“Do you want a hug or a back?” he asked in a low voice with a hint of amusement in his voice.

really, he had never doted on a girl like this before. even tang xin, he had almost never carried her on his back.

pei qiqi raised her little face. her long black hair fell naturally and her little face was as beautiful as a painting.

tang yu suddenly wanted to block her and keep this beauty for him to admire.

“I want a hug!” PEI Qiqi said softly.

Didn't Chen Xinjie like to see her like this? then she'll show her a high-profile yingluo.

How could Tang Yu not know what she was thinking?

he didn't know how he could indulge such a little girl's behavior. he only knew that he would probably be willing to do anything she asked him to do now.

Tang Yu reached out his hand to PEI Qiqi, ” you didn't want to hug me? ”

She looked up at him for a long time before she finally wrapped her hands around his neck.

He easily picked her up and walked towards the door.

“wouldn't this be embarrassing?” pei qiqi bit her lips and snuggled in his arms.

Tang Yu lowered his head and pressed his forehead against hers. His voice was a little hoarse, ”
“What's wrong, little friend?”

his child was not so fragile. other than the time when he fought with pei huan, he had not called his parents.

All of a sudden, Tang Yu felt like he was on cloud nine.

this joy came from her reliance on him.

PEI Qiqi leaned on his shoulder and said in a low voice, ” ” they know that i'm an illegitimate child.
”

in the past, everyone thought that she and pei huan were one year apart and that her mother was pei minghe's ex-wife.

Tang Yu patted her head and smiled, ” how could our Qiqi be an illegitimate child!

she raised her head to look at him.

tang yu smiled warmly, ” in the future, if you want to, you can have a mother too. ”

Her body stiffened. She was not stupid and knew what he meant.

but these were things she didn't dare to think about.

she didn't dare to let those restless little flames burn. she was afraid that once they were ignited, they wouldn't be able to put out yingluo.

“Are you willing to be my mother?” She laughed softly in his arms, and he patted her little P * ss. “Naughty.”

She was too young, and he knew that she had not completely let go of her worries.

as a proud man, tang yu wouldn't talk to her about anything else.

pei qiqi laughed as she leaned on his shoulder. however, she immediately stopped laughing.
