

Thank you 1711

Chapter 1711 - 1711: su cheng's return (5)

Just as he said, it was not a good time, but after tonight, there would be no more such night.

he was very gentle, afraid to scare her.

Su Cheng was no longer the SU Cheng of the past. She was extremely reserved the entire night.

It was extremely unrefined, but it was precisely this unrefined quality that made her look especially gentle and beautiful.

after a few rounds, she lay in his arms, covered in sweat, her thin arms wrapped around his waist.

she was very tired, but she couldn't bear to sleep.

He was also half-leaning against the headboard with a cigarette in his hand. he did not smoke much, but his eyes were lowered as he stared at her in a daze.

su Cheng raised her eyes, her eyes bright. "shuheng, if you have a good woman, then be together! " don't worry about me!"

" what? " KIME paused and looked at her for a long time.

"are you sure?" he asked after a long time. There was an imperceptible sternness in his voice.

" su Cheng said slowly, " i still have eight years. i can't get any shorter sentences! "

"So, you're afraid of dragging me down. is that so?" he asked in a soft voice.

su Cheng did not deny it.

"then what is this? Did you come out just to have a party?" his tone was very rough and not very pleasant to hear.

She widened her eyes slightly, unable to believe that he would say such rough words.

His chin was pinched and his eyes were burning. su Cheng, you think this is for my own good? Just like back then, when you surrendered yourself and wanted to help everyone, did you ever think of me?"

His voice grew deeper and deeper, and in the end, it was almost hoarse.

she wanted to retreat, but he grabbed her waist and pushed her down again.

His fingers pinched her cheeks, and there was an unusual fanaticism in his eyes as he muttered, " "Don't even think about leaving me!"

He covered her lips angrily and kissed her without giving her any chance, as if he was punishing her.

su Cheng couldn't struggle, and she didn't want to struggle either. she waited for his anger to die out. when his face was buried in her neck, her fingers gently caressed the back of his neck and she comforted him in a soft voice. " i'm not leaving! "

she suddenly hugged his neck tightly and cried, " please, i'm not leaving! i won't leave again unless you chase me away!" she hugged him like a child and teased him.

They had been apart for so long, and so many things had happened. She would be afraid if she couldn't see him.

What I'm most afraid of is that you'll look at me with contempt. I'm most afraid that you won't want me. I'm most afraid that you'll think that it's a shame to have such a mother and won't let me see he Huan.

However, he still wanted her. He actually still wanted her!

She was so happy right now. Yingying's eyes were filled with tears, staining his neck. It was wet and hot, making him extremely uncomfortable.

he turned her little face and kissed her hard. their bodies were entangled again after a long time.

that night, they were each other's comfort. they only licked each other's wounds and never separated from night to dawn.

however, she only had two days. ye liangqiu also came at two in the afternoon the next day.

After Kime gave her a ride, he drove her to the northern suburbs.

when su Cheng was about to go in, she turned around and looked at ye liangqiu, silently mouthing something.

ye liangqiu didn't hear her clearly, but she understood what su Cheng meant.

she urged her to nod, and her eyes became misty.

she thought, compared to su Cheng, her relationship with an Ian was nothing.

at least, she could look at the person she loved at any time, and not be stuck inside or outside the wall..

Chapter 1712 - 1712: His suppression (1)

su Cheng stood outside the high wall with a layer of tears in her eyes. she looked at KIME and did not move for a long time.

KIME closed the car door and walked over slowly. he gently held her shoulder and pulled her into his arms.

"shuheng!" She rested her face on his shoulder and said in a low voice, " don't be too nice to me. I'm afraid I won't be used to it.

she still had to go in to atone for her sins.

It was tough inside, but her heart was calm.

it seemed that with every bit of suffering, she was one step closer to him.

She took a step back and looked at him with a clear reluctance in her eyes.

She lowered her head and her gaze fell on his neck. When she looked up again, she was determined. take good care of our child.

Finally, she dared to say to him, " wait for me to come back.

Kime stood there without saying a word. He only squeezed her hand.

She was about to leave, but he did not let go. His voice was hoarse. I will come and see you.

Su Cheng didn't say anything else. She backed away bit by bit, leaving his world and his temperature.

She really shouldn't come to see him often like this. She said softly, " "No need,"

She looked at him and smiled sweetly.

i'm sorry, " kim said. his eyes were filled with tears as he watched her leave yingying.

if it wasn't for liangqiu, he wouldn't have had the courage to do so.

when he could no longer see su cheng, he turned around. ye liangqiu stood beside the car, staring straight in the direction su Cheng had left. meeting his gaze, she pursed her lips and smiled. "Let's go back!"

it would take a full two hours to drive back to the city from here. there was a traffic jam at night, so they might not be able to reach at 8 0 'clock.

Kime replied, but he still turned around to look at the high wall.

the woman he loved the most was trapped here.

On the way back, it was still ye Liangqiu who drove. She was afraid that Kie would not be able to concentrate, and now it was obvious that he was a little distracted.

"we'll still have the chance to meet in the future." She comforted him softly.

in the past, kie had helped her a lot, but what she was doing now was only superficial.

KIME smiled bitterly and looked up. his eyes were a little hot.

He let out a long sigh. it's so bitter inside. How could she get used to it? "

Ye Liangqiu pursed her lips. After a long time, she replied, " she can't get used to it. She's just adapting.

please, " he paused. " she just wants to make herself the best su Cheng to be with you! "

Of course, he knew that. However, the price was too high!

As the car sped along the highway, Kime's voice suddenly rang out. "he went to France for something more important. it's not what you think."

ye liangqiu's grip on the steering wheel tightened. she smiled indifferently and said, "You mean, President Qin and Xia Mian are sharing a room in Paris?"

She said it nonchalantly. Kie turned his head and looked at her for a while before he said, "president qin doesn't have any feelings for her."

"Is that so?" Ye Liangqiu didn't say anything and focused on driving.

It was not until they reached his apartment that she turned her face and said in a gentle voice, "that's not important. What's important is that if we can't keep Ya Shi, I don't have the right to question who he's with, right? ' kim's face twisted and he sighed. " "i might have to offend you later." ye liangqiu smiled and changed the topic. " go back and have a good rest. "

She knew that Kime would be loyal to Qin Anlan, so she would not make things difficult for him..

Chapter 1713 - 1713: His suppression (2)

Kime nodded and got out of the car.

Ye Liangqiu sat in the car, but didn't get out immediately. Instead, she went to the front cabinet and took out a magazine.

he flipped through it. the first episode was about Xia mian and qin anlan's scandal. in front of a hotel room in hong kong, Xia mian and qin anlan were standing side by side. although they didn't do anything too outrageous, a man and a woman standing in front of a hotel room at midnight was enough to make people think of them.

Ye Liangqiu looked at it for a long time, then put it down and started the car.

Qin Anlan only returned on the sixth day of the Lunar New Year with Xia Mian accompanying him. As soon as they got off the private plane, they were blocked by reporters.

qin anlan didn't use the same passage as Xia mian. he left directly through the vip passage.

When Xia Mian was being interviewed by the reporters, she acted a lot. Her eyes were filled with tears as she said,"l think everyone knows that I was tricked by a scumbag. It was president Qin who comforted me and taught me a lot of things." comfort?

Many churches?

The reporters were all imagining a big scene. Did they comfort her in a room and teach her a lot?

The reporters wouldn't let her go, but Xia Mian didn't say anything else. She smiled and quickly left the airport. Such reports were overwhelming.

Eighth day.

Top floor office of Asia Vision.

Linda threw down a newspaper and said angrily, "this Xia mian is too shameless, she directed and acted on her own!" she really didn't understand why qin anlan would keep Xia mian's lousy hand. she didn't understand, but ye liangqiu did.

Ye Liangqiu smiled faintly, "because he knows that I care about Xia Mian." If he wants to deal with me, of course he'll do things that make me uncomfortable and disturb my mind." Linda shrunk her neck, "you don't care about your reputation anymore?"

"When has President Qin ever cared about his reputation?" Ye Liangqiu sighed softly. Only by creating a scandal for Xia Mian can we maintain a certain amount of exposure. Also, Xia Mian probably needs to change her style. Look at how she's on the cover of this season's men's outfit. She's going overboard.

Linda paused for a moment, "anyway, I just hate this woman.

"As long as President Qin doesn't hate it," Ye Liangqiu said, glancing at her. These words were said a little sourly as Linda thought in her heart.

However, Linda did mention another thing, "President Ye, President Su came to see me a few days ago."

Ye Liangqiu glanced at her. What's wrong?"

Linda pursed her lips. He asked me about your relationship with President Qin.

"Just tell me the truth. You're my personal secretary. There's nothing you can't tell me!" "There's a problem if I'm hiding everything," Ye Liangqiu said indifferently.

Linda replied with an "oh."

Ye Liangqiu closed the document in front of her. King Entertainment is about to announce a full-scale acquisition of Asia TV. Inform all the departments to be more careful from today on, especially all contact with King Entertainment. They must go through me first."

"Chairman Ye, are you saying that we can't let King Entertainment succeed?" Linda asked softly.

"Of course!" Ye Liangqiu stood up slowly. "I'm the CEO of Asia Vision." Linda nodded. Although she didn't know, she was on boss Ye's side, so she would do whatever boss Ye said.

At the start of the new year, King Entertainment began to completely ban Asia TV. Many artists working with Asia TV also went back on their word and urged them to buy the broadcasting rights. They were also repeatedly blocked, and the resistance came from King Entertainment.

King Entertainment's suppression this time was like a storm, cruelly turning on Ya Shi again and again..

Chapter 1714: his suppression (3)

Ever since King Entertainment had targeted and acquired Asia Vision, its shares had plummeted and everyone was in a state of panic.

In Asia Vision, there was an unprecedented tension. From top to bottom, everyone was uneasy.

the higher-ups who had shares started to contact KING entertainment in secret, intending to sell their shares.

they all had their own plans in their hearts ...

although chairman ye was capable, KING entertainment had the first hand resources. many of the films and productions were produced by KING entertainment. if they were to go head to head with him, chairman ye was afraid that he would not be his match.

the storm continued for more than a month. even su shicheng personally came to the company twice to express his concern, but ye liangqiu managed to get rid of him with fair competition.

when su shicheng left, although he was unwilling, it was not wise to let him take charge of the situation with his broken body.

he was a little annoyed. he had clearly seen asia vision's prosperity, so why did it suddenly become impossible?

Su Shicheng left the office, and after Linda sent him off, she returned.

"CEO ye, I overheard Mr. Su talking to a few important shareholders just now. Those Wanwan said they wanted to replace CEO ye! they all thought that it was because of ceo ye's existence that KING entertainment kept their eyes on asia tv." linda said carefully.

Ye Liangqiu lowered her eyes. then, go and check the shares of those shareholders.

linda's eyes widened, and she looked at ye liangqiu in disbelief,"boss ye, you mean wanwan.

"i think they've already sold their shares." ye liangqiu's tone was very calm. ' after investigating it, pass this information to su shicheng. it's better for him to clean up his own mess. " linda nodded, " okay! "

She went out for half an hour, and when she came back, her expression was not good.

ye liangqiu only needed to glance at her to know that she had guessed correctly.

As expected, those people had sold their shares and forced su Shicheng to kick her out.

this was also qin anlan's intention!

However, she did not understand. Was it because Qin Anlan did not want to be her enemy, or was she an opponent that he found difficult to handle?

she would rather believe that it was the latter.

On the other hand, su Shicheng was quick to get rid of the traitors. Not only that, but Linda also explained in detail about su Shicheng's methods behind their backs. Those people did not have a good ending.

Ye Liangqiu wasn't surprised by his usual style. Of course, this also shocked the other shareholders who wanted to betray Asia Vision.

those few people were examples of being drenched in blood.

linda was a little scared. "ceo ye, the ceo wasn't like this in the past. "

Ye Liangqiu knew what she was thinking and smiled lightly. She poured Linda a glass of water and said, "in the future, if su Shicheng asks you about me, just tell him. there's nothing he can't know." linda held the cup and looked at ye liangqiu for a long time before she nodded.

"i hope you'll be well." ye liangqiu was still smiling, but there was a hint of loneliness in her smile.

Under King Entertainment's attack, Asia TV was in a precarious situation. The entertainment industry was also a place where the strong were praised and the weak were stepped on. If they were bad, they would only be worse. In the end, it was to the point where even if they spent their own money to film a drama, they could not hire a celebrity.

When their capital was exhausted, they could close down their business.

Although they were in such a bad state, ye Liangqiu was still very busy. If they lost their advertising sponsorships, it would be almost over for Asia TV. However, the price of maintaining the company was that they had to attend dinner parties about five days a week..

Chapter 1715: are you here to laugh at me?(l)

Her alcohol tolerance wasn't good at first, but she got better after practicing it. However, no matter how good her stomach was, drinking like this would cause problems sooner or later.

that night, she was having a dinner with the biggest partner of asia tv. she was not feeling well at first, but she forced herself to come.

linda was quite indignant. if she went over, ceo ye would not need to beg these people.

now, all of them were shrewd and evil. they sponsored the title and even asked boss ye to endorse their products.

moreover, the other party was a bath brand under p & g. shooting this kind of advertisement meant taking off his clothes. as for how much he would take off his clothes, it would depend on the effect of the shooting.

"this is simply looting a burning house." linda and ye liangqiu walked out of the room together. she held ye liangqiu and said angrily, " president ye, why did you agree to his request? "

ye liangqiu's hand was on the wall. " if the title sponsor of asia tv's ace show doesn't renew its contract, this will be the last straw that will break the camel's back. ' how could linda not understand? she just didn't want president ye to feel wronged.

President ye was stunned. She still remembered how she used to watch President ye's movies. They were so dazzling, but now, she had to bow down to those people for Asia Vision.

Ye Liangqiu patted her hand. go to the parking lot and drive the car to the entrance. I'm going to sober up. Linda was worried, but she looked again. fortunately, boss ye was not too drunk, so she went down first.

Linda left first. Ye Liangqiu's back was pressed against the wall for a long time. Then, she moved away and prepared to go to the bathroom to wash her face with cold water.

however, she had only moved for a moment when her gaze froze.

Qin Anlan and, of course, Xia Mian were standing right in front of him.

Qin Anlan was wearing a gray sweater, black trousers, and a coat. Although it was simple, he still looked outstanding.

Xia Mian, on the other hand, looked a lot cooler. She was wearing a black dress with her coat draped over her shoulders. Her curly brown hair was a lot more exquisite than before!

ye liangqiu only needed one look to know that the coat was the one she often bought.

She didn't make a sound and just watched them bicker.

Qin Anlan only paused for a moment before he walked over ...

he brushed past her.

When he walked past her, she could feel the coldness on him. When he walked past her, Xia Mian gently placed her hand on Qin Anlan's arm and smiled sweetly. "chairman ye, you're eating here too?"

In contrast to her sweet and moving appearance, ye Liangqiu was in a sorry state.

She was wearing an ordinary turtleneck sweater, her long hair was let down, and she had a coat in her hand. She reeked of alcohol and looked like a complete alcoholic.

"I'm done!" ye liangqiu smiled and waved his hand, as if he didn't care."Goodbye, President Qin." with that, she staggered into the bathroom, ignoring the two people she had just met.

Qin Anlan stopped in his tracks. Xia Mian raised her head and looked at him. " president qin, do you want to go and see president ye? she reeks of cigarettes. did ran ran get bullied? "

Qin Anlan's gaze fell on her face. His gaze was a little sharp, and Xia Mian didn't dare to say anything more.

However, he walked straight to the washroom and said to her, " "You go in first."

Xia mian smiled triumphantly. so what if president qin went to see that woman now? ye liangqiu reeked of cigarettes and alcohol, and president qin would only detest her.

She flicked her hair and pushed open the door of a private room.

in the bathroom, ye liangqiu washed her face and felt much more clear-headed.

however, when she looked up, she saw qin anlan in the mirror..

Chapter 1716 - 1716: Are you here to laugh at me?(2)

She looked up and saw Qin Anlan in the mirror.

He paused and sneered. is President Qin here to laugh at me? ‘

qin anlan’s body leaned against the wall of the washroom. his voice was calm as he said, ” i thought that ceo ye had not reached that stage yet. ‘

Ye Liangqiu smiled faintly and turned around. With her back against the sink, she looked at him and said,”Then, President Qin, what do you think is tragic?”

he moved forward, one leg stuck between her body, and his slender body also leaned forward.

Such a posture was very embarrassing.

He lifted her chin with a finger and his eyes were cold.”when i can’t protect my yashi, when i’m like a stray dog.”

she followed his force and raised her chin. her long black hair was spread out behind her. she looked very handsome, but because she was drunk and in such a situation, she looked particularly charming.

“president qin, do you think that i’ll have such a day?” she chuckled and wrapped her arms around his neck. ” as long as su shicheng doesn’t give in, i don’t think president qin will be able to get ahold of the company even if thousands of its employees lose their jobs. ‘ Qin Anlan was unmoved by her teasing.

He stood up straight and looked at her coldly. I don’t think President ye will sit by and do nothing.

She smiled lightly and tilted her head. President Qin, don’t you think too highly of me? I’m not that great.”

he continued to look at her coldly and did not speak again. instead, he removed her arm from his neck and said in an almost insulting tone, ” ceo ye, please respect yourself! a body that i’ve slept with thousands of times isn’t that attractive to me. ‘ he took a step back, his attitude cold.

She lowered her gaze and looked at a certain spot. She was still chuckling.

President Qin, are you used to saying one thing and not what you mean now? ”

Then, he shrugged, “or is it because you have Xia Mian?” president qin is infatuated with her body?”

Qin Anlan pinched her chin. “ye liangqiu, i don’t mind letting you know if i dare to sleep with her!”

“sleep!” she smiled. ” i also want to test if other men are interested in my body.

His gaze suddenly turned cold and he released her chin with force. On her chin, there was immediately a five-fingered mark.

His voice was so cold that it was as if ice beads could be shaken out of it. ye Liangqiu, I don't mind letting you know the consequences.

"what consequences can there be?" "The worst outcome is a divorce, isn't it, Qin Anlan?" she said in a self-deprecating manner.

She looked straight into his eyes."since you've already made your move, be more ruthless."

He looked back at her deeply. this is the ye Liangqiu you were talking about.

She hummed in acknowledgment and stood up straight. Her slender fingers touched her forehead and she smiled."yes!"

she walked forward with her back straight. her voice could not be any clearer. ' qin anlan, i'm a little tired of hurting each other like this. ' her arm was caught by him.

She turned her head and saw the coldness on his face, but she still smiled.

"Ye Liangqiu, you can also withdraw." He gave in, the biggest step he had ever taken in his life. leave the SU family, leave Asia Vision, and we'll be together.

She was obviously teasing him for a moment. When he said that they were together, he meant it!

Was it the same as before?

"But an LAN, that won't happen. As long as su Shicheng is still around and Qin PEI is still in his hands, we won't be able to be together..

Chapter 1717 - 1717: are you here to laugh at me?(3)

She still had to walk the path that she should walk, Xuanji.

She didn't know the result, but she would have a clear conscience!

she had to personally deal with su shicheng so that they wouldn't face each other and that secret wouldn't be revealed.

She lowered her eyes and smiled faintly. an LAN, I don't want to force my Zhenzhen to be your accessory. Also, my surname is su, and yours is Qin. You know that."

With that, she broke free from his grasp and walked towards the hotel entrance. As she walked, she smiled so much that tears flowed out.

She would rather he be cruel to her. and she would rather this end earlier.

She was afraid that she wouldn't be able to withstand so much hatred from him. She was really afraid.

Qin Anlan looked at her back view and slowly clenched his fingers into fists.

His knuckles turned white from the force.

When he walked into the private room, Xia Mian served the investors very well. She was no longer the Xia Mian from before. After the incident with che taixian, she could no longer go down the path of a beautiful woman, so she might as well follow the rules of the entertainment industry.

When Qin Anlan walked in, a film company's CEO greeted him with a glass of wine. CEO Qin is late. You have to drink three glasses as a punishment.

qin anlan had something on his mind, but he still took the cup and drank three cups in a row.

The spicy taste entered his throat, and his Adam's apple moved slightly. It was very confusing.

Xia Mian saw that he had drunk three glasses and immediately handed him a tissue."President Qin, please wipe this!" qin anlan did not refuse and simply wiped it.

It was actually a men's party tonight, but one of them had taken a fancy to Xia Mian, so he had brought her here.

As for whether Xia Mian was willing or not, it was up to her. He wouldn't force her.

After he sat down, Xia Mian poured him a glass of red wine and said gently, "how did the conversation with chairman ye go?"

Qin Anlan glanced at Xia Mian, but he didn't say anything.

The others were all experienced, so how could they not know that Qin Anlan was already unhappy? ran ran and the others were curious. How did a woman like Xia Mian, who poked at President Qin's heart, manage to survive in King Entertainment until today?

Perhaps Yingluo was just like the rumors said. Xia Mian looked a little like ye Liangqiu, and since President Qin and President ye had fallen out, it was good to have Xia Mian by his side to relieve his boredom!

the boss who had asked for Xia mian was a little hesitant. after all, he couldn't figure out what president qin was thinking.

if something really happened between president qin and Xia mian, wouldn't he be offending president qin by snatching her away?

Therefore, during the meal, he only said a few words to test Qianqian and Qin Anlan, " "it's fine,"

This was enough to show his stance. Chairman ding was immediately overjoyed and toasted Xia Mian repeatedly, Downing a few glasses of wine.

Xia mian was in a good mood, and she came over with qin anlan, so she didn't think much about ran ran.

during the meal, she couldn't keep her cool and told him that ye liangqiu had taken part in the advertisement for p & g.

Xia Mian couldn't keep a straight face when it came to other people.

If President Qin didn't care, he would have left his office to deal with Asia TV and su Shicheng, not ye Liangqiu.

Which man would be willing to let his wife take off her clothes to shoot such an advertisement?

No matter how elegant it was, it was also a form of escape! if he was a man, he would care and go crazy. moreover, when boss ye looked down on ye tian, which man didn't treat her as a goddess?

It was strange. In the entertainment industry, no one wanted to sleep with ye Liangqiu, except for President Qin, who was secretly protecting her. Perhaps it was because she was too cold, but no one dared to think about it for a few

seconds..

Chapter 1718: What can 't be bought without money (1)

The event in the private room went on for two to three hours, and the men would probably say some vulgar words together.

Xia mian was already used to it, so she played on her phone without making a sound. occasionally, chairman ding would call her over for a drink.

Xia Mian was a little tipsy from drinking too much. She wanted to leave the table, but she didn't want to give up this opportunity.

Perhaps when she left, President Qin would send her back. There wouldn't be many opportunities like this.

hence, she held on until the end of the dinner. however, at the end, she could not take it anymore and was almost drunk. she did not even know that qin anlan had left.

when Xia mian woke up, she was on the bed in the hotel room. she was only wrapped in a single sheet.

her female instinct told her that she had had sex with a man.

He opened his eyes and closed them again. He felt a vague feeling of fullness, and the corners of his mouth curved up slightly.

a refreshing masculine scent wafted into her nose, and then she was kissed on the lips.

“President Qin,” She was elated, shy, and timid. She closed her eyes, accepted the man's kiss, and murmured.

however, the gentle love that she had imagined did not happen. instead, the man slapped her mercilessly. ” “You're a slut!” this voice?

Xia Mian opened her eyes and looked at the man in front of her in shock. It wasn't President Qin.

she knew him. other people called him chairman ding.

why was she on his bed?

Xia Mian wrapped herself tightly in the bedsheet. Her eyes were filled with tears as she stared at Chairman ding, her lips trembling slightly.

chairman ding was in his forties. he was actually quite good-looking and loved to play with celebrities. however, he knew very well which celebrities he could play with and which he couldn't.

Just like this Xia Mian, she looked like a noble and virtuous person, but after watching the wonderful video with the taixian, she was shocked. After the channel, in his eyes, it was just a sale. since he was out to sell, as long as he spent money, he could sleep with her.

Chairman Ding was quite well-built, and he only had a towel wrapped around him. Seeing that Xia Mian was unwilling, he straightened up and casually took a pack of cigarettes from the bed.

He took out a cigarette and held it to his lips. He lit it up and took a long drag. Then, he looked at Xia Mian and sneered, "I've already slept twice."

He was quite satisfied with her body. After all, Xia Mian was still young and hadn't had too many relationships with men, so she was relatively clean.

Besides, she was playing with female celebrities, so it was like playing with thorns. It was nothing to spend more money.

Xia Mian's lips trembled, and she buried her head in her knees without saying a word.

Seeing her like this, Chairman Ding was a little unhappy. His face was cold. "Do you think you can climb into Chairman Qin's bed?"

Xia Mian pursed her lips tightly, and the color of her lips faded.

"If President Qin was interested in you, you wouldn't have appeared in my bed." Chairman Ding was expressionless. "Tell me, what number do I need before you're willing to sleep with me?"

Chairman Ding was a Northerner in the real world. He was very crude and did not have much artistic cells in him, so he spoke very rudely about such things.

Xia Mian couldn't take this, and tears welled up in her eyes.

Chairman Ding found her annoying. Wasn't it normal for a female star to sleep with him? Why did she make it sound so chaste? Was it fun?

However, men often had a bad habit. The harder it was to get a woman, the more they wanted her. just like now.

Chairman Ding turned around and wrote a few checks. He threw one in front of Xia Mian.

"One million!"

Xia Mian didn't say anything.

"Two million," Another check was thrown down.

Xia Mian looked up and pursed her lips. "I'm not for sale.."

Chapter 1719: what can't be bought without money (2)

Chairman Ding threw the check in his hand aside. "Ten million. Are you selling?"

Ten million Yuan? Xia Mian looked at the checks.

ten million yuan was enough for her to buy a house in B city.

She hesitated.

ding sneered. he knew that she was willing to sell herself. he lifted her chin and slowly moved his hand up. he tightened his grip, and she was forced to open her mouth.

he stood on the bed while she knelt on the bed. under her knees was the check.

it was as humiliating as if she was kneeling on money, but she was also greedy and eager.

“Use this to serve me, and I’ll add another five million!” His rough fingers touched her red lips, and his voice was already hoarse. Xia Mian carefully moved over, her fingers gently tapping the air.

chairman ding sneered.

there had never been a female celebrity that he couldn’t get. if he wanted to sleep with her, he would usually sleep with her.

Of course, he had also thought of ye Liangqiu, but it was just a thought.

it wasn’t entirely because of president qin, but because ye liangqiu gave him the feeling that he could just admire her from a distance, like the bright moon.

Xia mian served him very well, and he was very satisfied.

when it was over, he gave her another five million.

after putting on his pants, chairman ding left without any hesitation, leaving Xia mian and the fifteen million behind.

Xia Mian went to the bathroom to wash herself and che taixian like crazy. She could accept the fact that it was for the role.

but this time, he had completely betrayed his body.

She desperately washed herself, but she couldn’t wash herself clean.

when she came out in a bathrobe, the check was still scattered on the bed, and it had ceo ding’s smell on it.

she was extremely disgusted. she picked up the checks and wanted to tear them apart, but she couldn’t bear to do it.

She had worked so hard to get this money.

late at night, Xia mian’s legs were trembling as she walked out of the hotel. mr. ding was very strong, and every time he touched her, it hurt as if a wooden stake was being driven into her body.

but it was even more humiliating.

Xia mian didn’t call for her assistant. instead, she hailed a taxi. when the driver asked her where she was going, she subconsciously gave qin anlan’s address.

After she said it, she was in a daze, and after the Qingming Festival, she felt that it was a little boring.

But the car had already left, and she didn't stop Yingying from looking out the window.
after the car arrived, Xia mian paid and got out.

She stood in front of the mansion, looking at the tall building in the dark.

Once upon a time, she could almost enter and exit this place. She believed that even if ye Liangqiu did not return, she would still be able to enter Qin Anlan's heart.

However, ye Liangqiu had returned, and she had been eliminated with three strikes so quickly.

She really wanted to ask Qin Anlan why he sent her to someone else's bed!

Xia mian's body was leaning against the cold wall. she had a cigarette in one hand and a phone in the other as she dialed qin anlan's number.

She knew that he had insomnia. Su Xiu was the one who told her that he was still awake at this time.

The call was picked up by him. She should be glad that ye Liangqiu wasn't sleeping with him.

'Why did you do this?' Xia Mian's voice was a little shrill.

Qin Anlan was indeed awake. He stood on the balcony of the bedroom and looked expressionlessly at a small dot downstairs. It was Xia Mian, who was sitting on the ground in a sorry state.

He knew in his heart that Xia Mian had slept with Chairman ding.

Since she had already slept with him, what was the point of going downstairs now?

"Pay attention to your identity and your position." His voice was cold and he was about to hang up.

Xia Mian felt it too. She took a deep puff of her cigarette and said anxiously, "I just want to know why Yingluo knew that I liked you..

Chapter 1720 - 1720: What can't be bought without money (3)

You like Yingluo?

when qin anlan heard this, a hint of mockery appeared at the corner of his mouth. he said slowly, "Xia Mian, you don't like me, you like power."

The phone slipped out of Xia Mian's hand.

Power?

Perhaps it was!

From the first time she saw him, she had already fallen for him.

but he didn't want her. yingluo didn't want her.

No matter what ye Liangqiu did, no matter how bad she was, he couldn't leave her behind.

that's right, he loved that cheap person! he loved her to death!

Xia mian got up from the ground and walked to the road in a daze. one car after another flew past her, and the white lights were so bright that she couldn't open her eyes.

however, Xia mian didn't seem to feel anything and continued to walk forward like a ghost.

she kept mumbling, "i'm overthinking it, yingluo, i'm overthinking it, yingluo."

Qin Anlan stood on the balcony and looked at Xia Mian. His lips were pursed into a straight line.

at this moment, he knew very well that Xia mian was a hopeless case. her self-control was too weak, and her personal charm wasn't enough to ascend to the altar.

He had never given up on her, probably because she looked a little like Liang

Qiu.

after looking at it for a while, he went back to his bedroom and lay on the bed. he swiped on his phone and looked at the photos.

It was a photo of him and Liang Qiu in the past.

"Do you know how detestable you are?" His fingers landed on her face as he said softly.

However, no matter how much he said, she couldn't hear him.

she actually wanted to shoot that kind of advertisement. did she think he was dead?

how could he not know that she had been forced into a dead end? However, they had their own game rules, and she had broken them.

it was a new week.

ye liangqiu was sitting in her office, looking at the report on her desk. linda was standing beside her, not daring to make a sound.

Ye Liangqiu raised his head and said indifferently, "how much longer can the episodes that we bought last?"

"less than two months." Linda sighed softly. Chairman ye, the person in charge of King Entertainment has an appointment this afternoon. Are you going to meet him? "

"Is there something important?" ye liangqiu's tone was particularly indifferent, and he lowered his head to look at the report.

After a moment of hesitation, Linda said softly, " he said he's here to talk about the acquisition.

ye liangqiu's hand slammed on the table, and her voice was loud. linda was startled, and she didn't dare to say anything.

After a long time, ye Liangqiu's voice could be heard."let's set a time! I also want to meet President Qin."

"I'll make the arrangements." Linda nodded.

seeing that mr. ye was in a bad mood, she didn't dare to disturb him anymore. she went out and closed the door.

after she left, ye liangqiu looked up in a daze.

She frowned slightly.

Qin Anlan had already closed the net on Asia Vision, and it seemed like it was time for her to fight with her life on the line.

Although it was risky, she would give it a try as long as there was a 50% chance.

At three O'clock in the afternoon, ye Liangqiu met Qin Anlan in the guest room. Other than Linda and Kime, there was no one else.

the atmosphere didn't relax even a little because of the small number of people. instead, it was very tense.

Qin Anlan immediately threw out a set of information. " this is the 25% of shares that i've collected. i think if there's another 20%, asia tv will become

KING entertainment's property. "

"president qin, don't you think it's too easy?" ye liangqiu smiled.

wants it, you should go to su shicheng. this 25% is not enough for president qin to make a big fuss here.. "
