

Thank you 1721

Chapter 1721 - 1721: f ** k su shicheng l s past (1)

so, is this 25% enough to influence the decision of Asia Vision? ” Qin Anlan’s voice was still cold. for example, I think it’s damaging to the company’s image that Chairman ye is going to shoot an advertisement personally.

ye liangqiu smiled. ” if president qin wants to replace me as the ceo, you’ll have to listen to mr. su. after all, he’s the biggest shareholder. besides, president qin’s main purpose today is to acquire the company. i think it’s better to talk to mr. su directly. ”

Qin Anlan’s eyes were burning with passion.

“But I won’t help you.” Ye Liangqiu’s expression was cold and indifferent. I am the executive President of Asia Vision, and I will be loyal to the company.

Qin Anlan laughed coldly. then, you’ll make thousands of people from Asia pay a terrible price.

“the person who caused the harm was you.” Ye Liangqiu sneered. since President Qin wants to do it, why pretend to be kind and righteous? ” i don’t remember you being so soft-hearted in the past.”

He narrowed his eyes and glared at her.

“President Qin, I advise you to calm down.” she leaned over and said in a soft voice, ” i’m not afraid of causing a bad influence. you can buy it by force, but i’m afraid that when the time comes, you’ll have nothing to buy. ”

He also stared into her eyes and said in a tense voice, ” “you don’t care?”

Ye Liangqiu chuckled. why should I care? President Qin, I’ve always wanted the same thing as you.”

She was not short of money, was she?

Qin Anlan narrowed his eyes and looked at her. He then pursed his lips and did not say anything.

The negotiations had broken down, but she still had to stand on the side of

Asia Vision, or rather, su Shicheng!

qin anlan did not force her. it was within her expectations.

however, he was still a little sad. he was still not used to it, or he still could not accept this fact.

He leaned against the car door and smoked while Kime waited for him quietly in the car.

kie knew very well that boss qin had already shown him mercy. if he didn’t, he would be suppressed by any means necessary.

he rolled down the window and qin anlan handed him a cigarette. he watched as KIME took it and lit it.

he puffed out a ring of smoke and said in a faint voice, " please, you saw it.

kie didn't know what to say. after all, this was boss qin's family business. Qin Anlan cursed under his breath and opened the car door to get in. As soon as the black RV left, two other vans drove over and parked in the same place.

The car door opened, and ah Xing was the first to get out of the car, carefully welcoming su Shicheng.

Su Shicheng leaned on his walking stick and looked at the building. He sighed, "it's different now."

Mr. Su, " Xing said softly, " I don't know much about this, but I'll protect you.

Su Shicheng forced a smile. that's right. Why am I telling you this? you don't understand.

after he finished speaking, he looked at Xing meaningfully and spoke even slower. " Xing, you seem to be quite happy today. '

Xing was stunned.

"I'm happy every day to be with Mr. Su," Xing said after a long while.

"You're getting better with your words, this isn't like you! dishonest!" Su Shicheng glanced at him, but he did not make things difficult for him. Xing secretly heaved a sigh of relief.

He was indeed a little happy because he could see the eldest miss again. Yingluo was just a fairy-like person like the eldest miss and wouldn't look at him more than once. Even if she did, it was probably because of something else..

Chapter 1722 - 1722: F * Ck su Shicheng's background (2)

A 'Xing's face was a little red, and he restrained himself for a long time before he could restrain himself.

when su shicheng arrived at ye liangqiu's office, he saw that she was in the middle of giving instructions to linda, so the door was not closed.

Su Shicheng stood at the door and listened for a while. Although he was anxious, he was still comforted.

this girl had always thought of asia vision and had not betrayed qin anlan.

It seemed that ambition needed time to build up. Su Shicheng's daughter would not be content with mediocrity, so Liang Qiu's current actions were the right choice.

Lightly coughing, su Shicheng slowly walked in.

Ye Liangqiu and Linda's conversation also came to an abrupt end. She looked at su Shicheng in surprise for a long time before she regained her senses and called him "President."

“you’re so unfamiliar with it!” su shicheng walked over to the sofa and sat down. he gestured with his eyes and Xing walked out.

“go make a cup of tea for mr. su,” ye liangqiu said as she looked at linda.

linda nodded and went to get a cup. when she was making tea, there was a little white powder in her hand.

her hands trembled a little, and her eyes were a little straight-

She knew what this meant. It meant that she had completely betrayed Mr. Su. If she was found out, she would die without a burial place.

linda was also hesitant, but in the end, she still chose to betray him. with trembling hands, she poured the powder down and mixed it evenly.

by the time he brought it out, linda had already put on a proper smile and was half-kneeling as she served su shicheng tea. ” i know that the president likes da hong pao, so president ye specially kept it for you.

Su Shicheng was quite satisfied. He looked at ye Liangqiu and said, ” thank you for your concern!

“It’s good that you like it, daddy.” Ye Liangqiu smiled and took a small sip from her cup. Nôv(e)B\jnn

Su Shicheng also picked it up and tasted it. The taste was indeed his favorite steamed bun.

However, tea tasting was not his main goal. He was more concerned about the future of Asia Vision.

do you have any countermeasures for the acquisition of King Entertainment? ‘ his fingers gently tapped on the cup, his eyes like a torch.

“if i say yes, will dad believe me?” ye liangqiu pursed her lips.

“naturally,” su shicheng chuckled.

he looked straight at her, as if he wanted to see through her soul.”Liangqiu, tell me about your plan.” ye liangqiu looked around and smiled. “the time isn’t right yet, yingluo.” she looked at su shicheng and deliberately tried to stall for time until the medicine took effect.

Sure enough, after five minutes of chatting, su Shicheng began to lose his patience and slowly tilted his head.

Ye Liangqiu lifted her chin slightly and looked at Linda again. She said softly,”call Xing over. ” linda’s heart was also beating rapidly. she had never done such a thing before, and the one who had collapsed was su shicheng!

she nodded and walked out without a moment’s pause to call for Xing.

when ah Xing entered, his face was still slightly red, but when he saw su shicheng’s head tilted to one side, he jumped in fright and looked at ye liangqiu with a frightened expression.

Ah Xing was not a fool. Although he knew his place, he had also heard that Sir and miss were not on good terms.

And now, Sir had collapsed. Could it be the eldest miss's doing?

his heart was beating like thunder, and there were already a hundred thoughts in his mind.

Ye Liangqiu looked at him and calmly said, " carry sir to the resting room inside. he's a little tired and has fallen asleep.

"call a doctor to take a look at sir," she said to linda.

Linda nodded and left.

only a 'Xing, ye liangqiu, and the sleeping su shicheng were left.

ah Xing was at war with himself, and he was sure that sir wouldn't fall for no reason. that was the young miss's doing!

why did the young miss do this?

Chapter 1723 - 1723: f * Ck su shicheng's background (3)

his breath was a little hot as he stared at ye liangqiu.

Ye Liangqiu stood up and walked over to ah Xing. She gently placed her hand on his shoulder and said, " ah Xing, what's wrong? why aren't you carrying Sir inside? "

Xing panted slightly and looked at her hesitantly.

ye liangqiu smiled. " he's just asleep. he'll be fine. "

Only then did ah Xing's heart feel more at ease, and after a moment of silence, he picked up su Shicheng.

su shicheng had lost a lot of weight in the past year and was now an empty shell. ah Xing was also a 1.8-meter tall man, so carrying him was as easy as blowing off dust.

he bent over and carefully placed su shicheng down. after all, he had always respected su shicheng, so even though su shicheng was unconscious, ah Xing did not dare to act rashly and had always been careful.

but when he turned around, he almost bumped into ye liangqiu.

His lips brushed past her hair, and he could only smell a touch of fragrance.

Hence, ah Xing's mind uncontrollably recalled the dream he had every night. He buried his face in the miss's long hair and sniffed this smell.

his face was very red, his breathing was messy, and he didn't know where to put his hands and feet.

Ye Liangqiu had been waiting for this moment for a long time.

she had used the downturn of asia vision in exchange for such an opportunity

A 'Xing was the only breakthrough!

"mr. su will wake up in two hours! I'll say that his sudden fainting was due to his low blood sugar." "The doctor would say the same," ye Liangqiu replied indifferently.

Xing pursed her lips and hesitated for a moment before asking, " "miss, why are you treating mr. su like this?"

"why?" Ye Liangqiu looked at ah Xing with a gentle gaze."xing, do you want to know?"

Xing nodded his head vigorously, but then he suddenly realized something and shook his head desperately. miss, please don't make things difficult for me. Xing is only responsible for protecting Mr. Su. Today's matter has already passed!

his voice became very soft, and he felt troubled.

how could ye liangqiu not know the struggle in his heart? he urged ah Xing to be honest and stubborn. she smiled and suddenly reached out to hold his hand. " what if i want to make things difficult for you? "

After he finished speaking, he looked at Xing.

ah Xing was at a loss once again. he stammered for a long time before he managed to squeeze out a sentence, "eldest young miss, yingluo." ye liangqiu chuckled. " you can call me miss. just call me liangqiu.

"I don't dare!" Xing lowered his head and said in a rough voice.

ye liangqiu saw that his face was red all the way to his collar, and his whole body was probably as red as a shrimp.

She leaned closer and said in a low voice, " you dared to have such a dream. What else are you afraid of? " hmm?"

as soon as she said it, ah Xing's eyes widened, and his voice became even more incoherent. " how did miss yueyue know? "

Ye Liangqiu smiled lightly. now, let me ask you, where is Qin PEI? "

Once he found out about Qin PEI's whereabouts, su Shicheng would no longer need to remain in this world!

A 'Xing's face was a little pale. He stared at ye Liangqiu's face and knew that he was dreaming. he had thought that the young miss had a good impression of him, but it turned out that she was thinking about that matter.

he wasn't clear about that matter and had only heard about yingluo.

After struggling for a long time, he finally said in a low voice, " "Teacher didn't say anything about that."

“but i believe you can find out, right?” Ye Liangqiu held his hand.. are you willing to follow su Shicheng like this and live a life without light? “

Chapter 1724 - 1724: i understand your thoughts (1)

ah Xing’s eyes brightened for a moment before they dimmed again.

“can i really do it?” he asked after a long while.

“of course!” ye liangqiu smiled. It just depends on whether you want to or not.”

a ‘Xing hesitated for a moment, then looked straight at ye liangqiu and slowly said, “I’m willing to work for you, young miss.”

After saying that, he broke out in a cold sweat, as did his palms.

ye liangqiu continued to smile. ” alright. ” Xing, you’re very smart, you should know what to do.”

Ah Xing’s face flushed red as he glanced at the sleeping su Shicheng and grunted in agreement.

ye liangqiu patted him. ” then you’ll be in charge of mr. su. ‘

Her words seemed to have given a ‘Xing a sacred mission, and a’ Xing’s face exuded an unprecedented glow.

after ye liangqiu finished speaking, she returned to her seat and continued reading her documents while waiting for su shicheng to wake up.

Of course, she could also kill su Shicheng now, but first, she would not be able to escape. Second, Qin PEI’s death was certain.

About an hour and a half later, su Shicheng woke up early with the document in hand.

the old eyes looked around sharply after opening, and the expression was somewhat guarded.

“Sir, you’re awake.” Ah Xing rushed forward and helped su Shicheng up, you suddenly fainted just now. The young miss has already called a doctor to check on you.

su shicheng put on his shoes and narrowed his eyes. ” what did the doctor say?

Ah Xing looked at su Shicheng sincerely and said, ” the doctor said it’s due to old age and low blood sugar. ‘

After that, ah Xing said even more sincerely, ” Sir, miss is still very concerned about you. Xing can tell.”

These words dispelled the doubts in su Shicheng’s heart and he smiled slightly, ” that’s true! we’re father and daughter, after all, and we’re different from others. ”

He looked around and saw that he was in the lounge of cool autumn’s office.

he asked Xing to help him out, and as soon as he stepped out, he saw ye liangqiu sitting behind the desk, flipping through documents.

She looked tired and dazed.

Su Shicheng lightly coughed.

“dad, you’re awake.” ye liangqiu looked up at su shicheng and immediately stood up. she walked over and helped him to the sofa.

su shicheng also felt somewhat comforted and waved his hand, ” go do your work.

ye liangqiu looked at him and didn’t say anything for a long time. after a long time, he quietly said, “Dad, don’t worry about the company. I’ll take care of it.” su shicheng patted her hand. ” if it were anyone else, i would naturally believe in your abilities. however, the other party is qin anlan. how can i be at ease? ”

Although Ya Shi could not compare to King Entertainment in terms of resources, their current weakness was still beyond his expectations.

Back then, his and su Cheng’s scandal had severely damaged the company’s strength. Otherwise, he would have personally stepped in.

Thinking of this, su Shicheng’s heart felt a little uncomfortable,”liangqiu, thank you for your hard work.”

Then, he gave a look to ah Xing. go out for a moment. I have something to discuss with the young miss.

Xing glanced at ye Liangqiu, then left and closed the door.

when su shicheng and ye liangqiu were the only two people left, su shicheng’s calm demeanor began to waver. he asked anxiously, ” how are you and qin anlan doing? ‘ ye liangqiu laughed lightly. ” you’ve seen it for yourself. the situation in asia vision is the same as my current situation.

su shicheng’s eyes narrowed and his voice softened, “if necessary, you can be a little gentler..”

Chapter 1725 - 1725: I understand your thoughts (2)

dad, ” ye Liangqiu interrupted, ” only the shares and management rights of Asia Vision can calm his anger. You should know this better than me.

At the mention of this, su Shicheng’s entire being became dispirited.

He looked at ye Liangqiu and said in a low voice, ” whether you believe it or not, this is the last thing I regret doing.

to this day, he would still dream of hong ke, looking at him with blood and tears in her eyes. she would call him shicheng and say that he had caused her to suffer so much.

when she woke up from the dream, she was covered in cold sweat.

he didn’t dare to tell anyone about this dream.

He never dared to.

Ye Liangqiu smiled faintly. dad, this isn’t important! The important thing is

Yingluo.” she looked at him. ” dad, have you ever heard of the saying ‘retreating to advance’? ”

“retreat in order to advance?” Su Shicheng muttered these words as he looked at her with a burning gaze.

ye liangqiu smiled. ” yes. ” retreating for the sake of advancing.”

Su Shicheng didn’t say anything. He quietly watched as she leaned over and whispered a few words.

su shicheng’s eyes had a strange light, suspicion, but also wavering.

Ye Liangqiu continued to smile. of course, dad can choose not to believe me.

After all, Yingluo and I used to be enemies! But now, I have no way out, don’t

1?.,

su shicheng looked at her for a long time before nodding. ” i’ll consider it. ‘ ye liangqiu poured herself a cup of tea. ” of course. ”

su shicheng’s gaze fell on her face for a long time before he stood up and raised his voice, “Xing.”

when ah Xing entered, he immediately knew that su shicheng was about to leave and quickly helped him up.

Before su Shicheng left, he repeated, ” I’ll think about it.

ye liangqiu nodded and suddenly changed the topic. ” i’ll accompany dad to the hospital for a check-up in a day. ‘

Su Shicheng was stunned for a moment before he waved his hand, ” you can just focus on the company’s matters. I have Xing to accompany me.

with that, he walked out. ye liangqiu looked at him from behind and saw that he was no different from an ordinary old man.

but she knew that su shicheng was su shicheng. as long as he didn’t die, he would still be ruthless.

su shicheng and ah Xing went out and got into the car, while ah Xing drove.

At first, su Shicheng’s eyes were slightly closed, but after a while, he suddenly opened his eyes and casually asked, ” miss wants me to transfer my shares to her. what do you think, Xing?

A ‘Xing paused and laughed dryly.”ah Xing doesn’t understand these things. you can make the decision, sir.”

su shicheng chuckled, ” yes, you don’t understand! Xing, look, I don’t even have anyone to talk to!”

Then, she sighed softly. I’m old and there are many things that I can’t do as I wish. I’m not as decisive as I used to be. It’s time for me to step down. “Sir, you’re still young. It’s still too early,” Xing quickly said.

su shicheng laughed again, “you’re the only one left who still knows how to coax an old man like me.”

after a pause, he said, " actually, i'm not afraid. liangqiu still has her own concerns. '

As he spoke, Xing's palms were sweating. He didn't say anything for a long time, afraid that he would expose himself.

As soon as they returned to their villa, su Shicheng indifferently said, " ah Xing, from now on, you'll have to work for me. you'll be rewarded handsomely. miss zhenzhen will definitely divorce qin anlan in the future. i like you very much. '

When ah Xing heard this, he was stunned. He waved his hands desperately.

Sir, I don't dare! ah Xing isn't good enough for the young miss."

"i'm only asking if you want to?" Su Shicheng chuckled, " I understand what you're thinking..

Chapter 1726: I can't win (1)

Xing's palms were full of sweat, and so was his forehead. beads of sweat dripped down like rain. after a long time, he said dryly, " "teacher only knows how to make fun of ah Xing."

Su Shicheng smiled again and patted ah Xing's shoulder, " there's something I need your help with. The only person I can trust is you."

that light pat on the shoulder made a 'Xing feel a little flattered, but also a little fearful. she stuttered, " "As long as I can do it, I will do it for you." su shicheng looked at ah Xing and smiled, " i know your loyalty! But I think if you become my son-in-law, I will trust you more."

ah Xing didn't understand what he was saying. he didn't dare to expect anything from the young miss. he only felt that sir was testing him, or perhaps he was just joking.

However, su Shicheng continued, "there's an opportunity right in front of you. It's up to you if you're willing to seize it." &Nbsp; he called ah Xing over and whispered a few words into his ear.

ah Xing was stunned and did not return to his senses for a long time before he stared blankly at su shicheng.

Xing was shocked, stunned, and scared to the point of peeing.

When he turned around, he shook his head. Xing wouldn't dare.

"as long as i dare to think and do, there's nothing i don't dare to do." Su Shicheng's voice was cold, " Xing, your loyalty will depend on your performance.

more sweat appeared on a 'Xing's forehead, bean-sized drops of sweat dripping down. he didn't dare to make a sound.

Su Shicheng's voice, on the other hand, was gentle. we'll talk about it in the future!

he was too profound, so ah Xing couldn't understand his feelings and didn't dare to ask yingluo.

However, Xing quickly understood what he meant.

A week later, on a Saturday night.

ye liangqiu and mo mo were having dinner. mo mo was already a year old and his teeth were almost fully grown. he could eat liquid food. no matter how busy ye liangqiu was, she would personally make him some baby food.

he had already lost a lot of his childhood happiness by following her, so she would try her best to do what she could. when su shicheng appeared, ye liangqiu was clearly taken aback for a moment. then, she softly said, "Dad, you're here."

He raised his voice and ordered the servants to bring more bowls and chopsticks. "Let's eat together!"

su shicheng sat down, hugged momo, and played with her for a while before handing her over to the nanny. "i've eaten."

"go and make a cup of tea for sir." Ye Liangqiu whispered to the servant beside her, "put less tea leaves in."

Su Shicheng also stood up. I'll go upstairs and rest for a while.

ye liangqiu nodded.

Su Shicheng looked at ah Xing and said in an old voice, "help me up."

Xing nodded and helped him to the living room. then, they slowly went upstairs.

Ye Liangqiu's eyes burned as he watched.

After a while, she said to the housekeeper softly, "look after the young master." she followed him quietly alone.

in the master bedroom on the second floor, su shicheng did not lie down after entering. instead, he gently pulled a mechanism.

When the entire wall was moved away, ah Xing was a little shocked and turned to look at su Shicheng, "mister?"

"Come with me." su shicheng's voice was somewhat old and stern, probably because he was about to see an old friend.

"oh," ah Xing replied obediently as he supported su shicheng through the dark secret passage.

his heart was beating very fast, thump, thump, thump, and his palms were full of sweat.

in the dim light, su shicheng's voice rang out, "xing, are you nervous?"

"There's no Zhenzhen, isn't there?" A 'Xing's voice was dry and hoarse. "This place is a little eerie." the wall behind him was not closed, and the light shone through it..

Chapter 1727: i can I t win (2)

su shicheng lightly chuckled at these words, his laughter echoing through the air and making his hair stand on end.

ah Xing's hair stood on end.

' i'll take you to see someone. the person that the young miss has always wanted to see. " at this moment, su shicheng broke free from ah Xing's grasp and walked quickly. he didn't seem like someone who had once walked through the gates of hell and seemed to have become ten years younger.

a 'Xing was taken aback and his footsteps halted. he had a bad feeling in his heart.

however, he had no other choice. su shicheng's voice was very faint, "Xing, haven't you always wanted to know my secret for the young miss? now that i've brought you here, you should be happy."

With that, su Shicheng turned around. The light from the lamp shone on his back, casting a deep shadow on his Haggard face, making him look like a ghost. Behind him, there were a few lamps and a person locked in a large wooden cell.

that person had no legs and was just sitting. his long hair was scattered over his body, and it was impossible to tell if he was male or female.

when ah Xing saw this, his lips moved, and his legs felt a little weak.

at this moment, he instinctively realized that su shicheng had long suspected him.

"Xing, do you know why I'm suspicious of you?" su shicheng chuckled, " you used the eldest miss's photo on your phone.

Xing's forehead was covered in sweat, but he still pretended to be calm. " miss is a diva. i, qianqian, admire her. "

"i admire her." Su Shicheng circled around ah Xing and finally stopped in front of him. His eyes were like torches, " then why did you help eldest miss lie to me? " he did faint that day, " Xing blurted out.

However, as soon as he finished speaking, his face turned pale and he knelt down. Mr. Su!

A black gun barrel was pressed against his forehead. He looked up, and cold sweat poured down like rain.

drop by drop, they fell on the cold ground, and soon, it became even colder.

at some point in time, four men in black had appeared beside su shicheng, each of them wearing cold expressions.

su shicheng bent over and patted his face, " Xing, you've disappointed me. " Xing Imelt down without even breathing.

Su Shicheng sighed softly. it seems that Liangqiu thinks too highly of you. Yingluo, a silly child like you is so honest. You've been tricked so easily!

ah Xing's body trembled as he looked up at su shicheng and suddenly begged,"it's ah Xing's fault, it's ah Xing's fault! ah Xing is only thinking about the young miss, and it was ah Xing who used sir's matter to encourage the young miss. this has nothing to do with the young miss."

Su Shicheng looked at him and chuckled,"you're quite loyal!"

"Since you're so devoted to Liangqiu, I'll give you a chance." su shicheng laughed sinisterly, " ah Xing, your eldest miss is at the door right now. go and get her. '

a look of fear appeared on ah Xing's face. he turned around and saw ye liangqiu holding onto the wall of the entrance, trying to escape.

But how could su Shicheng let her escape?

he gently pressed a button, and the wall of the entrance slowly closed.

The cold basement was eerily quiet.

"Now that von know mv secret. what do von want to do?" shicheng sat on a wooden chair, his expression relaxed.

Ye Liangqiu stood there for a long time. Knowing that he couldn't escape, he slowly walked over to su Shicheng,"You've been pretending all this time?"

"I'm really sick! it's all real. only your feelings for father are fake, liangqiu." Su Shicheng's expression was indifferent..

Chapter 1728 - 1728: i can't win (3)

su shicheng's expression was indifferent as he glanced at ah Xing, who was kneeling beside him, " the eldest miss is right here. if you like her, she will do the same. "I she lured you into working for her. now, i'll give you a chance to make her yours."

ah Xing shook his head violently. " i wouldn't dare. sir, i'm a rough man. i'm not worthy. "

su shicheng's eyes were sharp as he slowly stood up, snatched the gun from his subordinate, and smacked ah Xing's head with the butt of the gun, " trash! you can't even handle a woman."

a 'Xing fell to the ground, a trickle of blood on his forehead. he used all his strength to look at ye liangqiu.

ye liangqiu's face was expressionless.

Su Shicheng's gaze alternated between their faces before he sneered, did you see that? you're so concerned about her, but she didn't even plead for you!

A 'Xing was still lying on the ground, not daring to move. His voice was also weak and humble, " "ah Xing wouldn't dare to have such thoughts about the young miss."

su shicheng looked up and his subordinate immediately stepped on ah Xing's head.

su shicheng's voice was deep and unhurried, without any emotion, "there are two paths in front of you. one is to have sex with your eldest miss, and the other is for your eldest miss to have sex with someone else."

"You're not the only man here."

Xing was stunned. His head was stepped on, and his teeth were red. Blood slowly flowed out of the corner of his mouth, dyeing the cold ground red.

he tilted his gaze and his fingers struggled on the ground. every time he struggled, the man stepped on him harder.

However, he still inched forward bit by bit. In the end, he grabbed su

Shicheng's foot and tightened his grip. eldest miss Yingluo is your daughter!

Ye Liangqiu's body tensed up. She didn't say a word, because she knew that once she opened her mouth, ah Xing would become her weakness, and he would end up even worse!

It wasn't that she didn't feel guilty, but there was no turning back for her.

she could only look on coldly, without any emotion.

"you useless thing!" su shicheng kicked ah Xing.

He looked up at ye Liangqiu again. remember, ah Xing is suffering because of you!

he gestured for the man to lift his leg and sat down. "i'll count to three. if you don't agree, your young miss will have sex with someone else.

as he spoke, he looked at ye liangqiu."This is what happens if you don't behave!

what do you have to say?" from now on, she had someone else. it was impossible for her to be with qin anlan.

Moreover, he would also give Qin Anlan a big gift. When he thought of Qin

Anlan's expression, it would definitely be very interesting.

"is that so?" Ye Liangqiu's eyes were cold. there's nothing to say!

Su Shicheng looked at her suspiciously, but he soon sneered,"You're quite an understanding person."

After that, he looked at ah Xing and said, "one."

Ah Xing was panting on the ground. After hearing su Shicheng's words, he quickly crawled over and hugged su Shicheng's leg, "Mr. Su, I beg you. I beg you to let Miss Go. Miss will be obedient and listen to you from now on.

su shicheng leaned forward and gently patted his face, "two." ah Xing stared blankly at su shicheng, his eyes wide open in confusion. Why could master be so cruel to his own daughter and allow others to rape her?

The young miss was as pure as a fairy. He felt guilty just thinking about it. How could he do such a thing to her?

He couldn't tolerate others doing such things to her!

Chapter 1729 - 1729: i can't win (4)

His eyes were filled with sorrow as he looked at ye Liangqiu.

she had been very calm.

"Xing, she's my daughter! You and she don't belong to the same world. If you're cruel to her, you should walk into her world." su shicheng coldly said and threw a gun to him, "If she doesn't want to, you know what to do."

Xing looked at the gun by his feet and was stunned for a long time before he crawled over to pick it up.

He didn't mind being like a dog. He only cared that if he was like a dog, he wouldn't be able to protect the young miss.

It was his stupidity that had ruined the young miss's plans and implicated her.

Xing looked up at su shicheng and asked softly, "Really? i can have her just because i have sex with her?"

su shicheng raised his hand and one of his subordinates handed him a medicine bottle.

su shicheng took it, poured out a pill, and placed it in Xing's palm, "this can help you! It's up to you whether you want to eat it or the young miss wants to eat it.

Xing's eyes were bloodshot. he stared at the pill for a long time before he picked it up and put it in his mouth.

"Very good!" "Ah Xing, turn into a beast!" Su Shicheng smiled.

Xing slowly stood up, walked towards ye Liangqiu, grabbed her, and pressed his lips against hers.

His body was strong, and she was almost in pain from being trapped in his arms.

He kissed her hard, but their lips were rubbing against each other. His eyes were wide open as he looked at her, and so did she.

ah Xing's eyes were filled with apology and sadness.

Young miss, I'm sorry!

he picked her up and walked towards a small, dark room at the side.

Su Shicheng did not stop him.

Liang Qiu was his daughter after all. It was good that things were done. He couldn't make her too embarrassed. After all, he still needed her in the future. Ah Xing carried ye Lianzai in and she was immediately Dressed against the

wall.

ah Xing's body was burning hot, and his breathing was erratic. every breath he took was accompanied by a trace of panting.

"Young miss, I can't hold on for long! Yingluo has to scream later, understand?" He leaned into her ear and said in a hoarse voice.

Ye Liangqiu, who had been tense the entire time, finally relaxed.

"Xing, I've implicated you." "i don't blame you!" she sighed.

from the moment she returned to the su family, she was prepared to accept anything, including the worst.

Xing was stunned, and his body tensed up even more!

"Young miss, in a while, you'll have to scream." He closed his eyes and placed his large palm on her shoulder. He carefully held her in his hand, not letting her back touch the rough wall.

He was a rough man, but the young miss was a noble.

he didn't want to hurt her.

she heard the sound of fabric tearing and her body froze.

however, the expected pain and unbearable feeling did not come. only ah Xing's face was red, and he was lying on the ground, pretending to be indifferent. he made that kind of passionate voice, and his hand pinched her shoulder, and he begged in a low and hoarse voice, " "Young miss, you call out Qianqian twice."

this was the only way su shicheng would let her go and believe that he had really defiled her.

Ye Liangqiu knew that he was in great pain. He had taken su Shicheng's medicine, so he was definitely exploding.

However, he was still unbelievably gentle. He endured it and protected her.

ye liangqiu's eyes were filled with warmth. she leaned her face on ah Xing's shoulder and said softly, "i'm sorry," she said.

I'm sorry, but it's not enough to express my apology to him.

a 'Xing smiled bitterly and didn't say anything. he just continued acting. ye liangqiu was lying on the ground with her eyes closed, making a painful sound like shen yinlong's. no one doubted the authenticity of her voice.

About five minutes later, a gush of warm blood splattered on the side of her leg.

Then, a gun was shoved into her hand. Ye Liangqiu was stunned.

"young miss, ah Xing can't take it anymore." ah Xing lowered his head and rested it on her neck.

ah Xing would be a cripple in the future, but ah Xing really liked the young miss yingluo..

Chapter 1730 - 1730: at the end of the road (1)

The air was filled with the thick smell of blood.

That was ah Xing's blood. That was all his desire and love for her.

he liked her, but he knew that they weren't a good match for each other. so, he was willing to sacrifice himself for her.

Ye Liangqiu's hand was holding a gun. Her body was trembling, and her voice was the same."Ah Xing! Ah Xing! Ah Xing!" how could he be so stupid?

How could he do this!

she didn't really care about it. her so-called self-esteem had been exchanged for an innocent life. it was nothing.

besides, she was the one who dragged him into this. otherwise, ah Xing would be fine. one day, he might even marry a kind girl from his hometown and have a cute child.

She trembled, and that trembling reached her heart and the depths of her soul.

Her fingers were stained with ah Xing's blood. She had no other thoughts except for one, and that was to keep him alive.

Xing raised his eyes slightly, his gaze full of pain. young miss, Xing's death is not to be regretted. because he had been too greedy when he had treated her that way in his dream.

His forehead was covered with bean-sized sweat, dripping down drop by drop.

He couldn't stand still and slipped. Ye Liangqiu immediately held him. I won't. I won't let you die.

There was the sound of messy footsteps at the door. She looked at the door and suddenly threw the gun in her hand away. I didn't shoot, Yingluo, no, it was him, Yingluo. she covered her head with her bloodied slender fingers and shook her head desperately.

as for ah Xing, he lost his support and slid down.

and his body was full of blood.

"what's going on?" su shicheng frowned.

ah Xing tilted his head and squeezed out a sentence, " "Ah Xing deserved it."

Su Shicheng's gaze turned to ye Liangqiu. were you the one who fired the gun?

"no!" Ye Liangqiu's voice was a bit sharp, and her long hair was messy and wet with sweat, sticking to her face, making her look extremely miserable.

She looked at ah Xing in a daze, at the blood that flowed out of him, and said in a daze, "it's not my fault. you were the one who wanted to treat me like that.

it's not my fault. '

"send Xing to the hospital!" su shicheng narrowed his eyes and sneered.

The two men in Black carried ah Xing away. Su Shicheng then squatted down and looked at ye Liangqiu lovingly, "You must be very afraid, right? Dad is here, no one can bully you."

The withered yellow hand gently held her and brought her to his shoulder.

however, what he said next was cold and heartless. "i'll pass the recording to qin anlan. ran ran, think about how he'll react when he hears it.

Ye Liangqiu's eyes shot up, glaring at su Shicheng.

her gaze was extremely unfamiliar.

She couldn't understand why her father would do such a cruel thing to her.

Before she could figure it out, she had already asked softly, "what do i have to do to stop him from knowing?"

Su Shicheng gently turned her face around. Then, he slowly stood up and looked down at his daughter.

"You're finally negotiating with me, right?" Su Shicheng's eyes glinted coldly, "I want King Entertainment, do you understand? '

he pinched her chin with his fingers. "i know you have a way! qin anlan's weakness is you."

Ye Liangqiu pursed her lips. I want shares in Asia Vision.

"of course!" Su Shicheng gave her a fake smile. I believe that you won't act rashly for the sake of ah Xing's dog life..
