

Thank you 1741

Chapter 1741: the final pk begins (4)

She knew su Shicheng and had met him a few times. In the past, he was still pretty good-looking, but now, he was just a dry old man, just like the changes in the television. They looked the same.

she was dressed in a strange chinese tunic suit and held a dragon-headed walking stick in her hand. just looking at her made her feel nauseated, so how could she fall asleep?

“i don’t want this money anymore!” Xia mian was wearing a light purple dress. she immediately turned around to leave.

She walked very quickly, afraid that the people behind her would not agree to her leaving.

She had a premonition that su Shicheng would never let her off. He was ye Liangqiu’s father, and neither of them were good people.

it was useless no matter how fast she walked. her long hair was still pulled from behind.

su shicheng’s hand moved.

He pulled Xia Mian’s hair and dragged her back into the living room. He threw her onto the sofa and looked down at her.

the dark yellow face was a little flagstone, as if stiff flesh was flat on the skull, and it looked creepy.

“miss xia, you’ve just arrived and you’re already thinking of leaving?” His gaze was deep and serene, with a small flame hidden within, making one think of spiritual fire.

Xia mian sat up and curled up on the sofa. she hugged her knees and tried her best to curl up. her voice was trembling, “mr. su, i didn’t take a single cent with me! If you don’t believe me, you can count.”

Su Shicheng turned around and continued to look at her faintly. you don’t have to count. It’ll all be yours in a while.

Xia Mian swallowed hard. She looked at su Shicheng’s body and trembled in fear.

in her eyes, su shicheng looked like a half-dead man who had just stepped into a coffin. it was truly a frightening sight.

what if he died while lying on top of her? wouldn’t that scare her to death? Xia mian’s lips trembled. after a long time, she said carefully, “i don’t want to sell it anymore.”

su shicheng laughed. he raised the golden dragon-headed walking stick in his hand and gently stroked Xia mian’s delicate little face. his smile was as sinister as that of a living dead person. ”

miss xia, it's always the customer who picks the chicken. how could there be a chicken picking the customer? ”

as he said that, he gently undid two buttons to let her look at his aged skin. ” do you think i'm old? ”

He paused for a moment, and his voice became even gentler with a hint of seduction. ” but money is not old. look, the grandpa mao on it is the same. everyone's money is the same, and it's dirty. ” It's just that it won't be dirty if you put it in your pocket. Isn't that right, miss Xia?”

Xia mian started crying.

su shicheng suddenly rapped his walking stick on her arm with great force she shrieked and cried, half out of pain and half out of fear.

“miss xia, i've long wanted to get close to her!” su shicheng picked up the stack of money on the coffee table, took out a stack, and scattered it all over Xia mian's body. ” i have a lot of money, and you have a young body.

as he said that, he laughed so hard that his hair stood up and he leaned over to her ear. ” let's go upstairs and play something different. ‘ Xia mian's body kept trembling, as if something was different.

he was indeed a pervert!

however, she had no choice. she would be tortured without money, so she might as well take the money.

“i want 50 million,” Xia mian said as she boldly stretched out her hand.

su shicheng coldly laughed, ” let's see if you're worth the price. ” the muscles on Xia mian's face twitched. after a long time, she forced a smile and said, ”i will serve mr. su well..”

Chapter 1742: a bunch of old bones, scattered (1)

she was even thinking that it would be a good choice if she became ye liangqiu's stepmother.

at that time, she would be above ye liangqiu.

However, su Shicheng did not think the same way. In his heart, other than Hong Ke, who was a goddess, other women, including Liangqiu's mother, were nothing.

After using it, it could be discarded.

However, no matter what, as su Shicheng tortured Xia Mian, he forgot about his weak body. After this, his bones almost fell apart and he had a high fever. At dawn, su Shicheng's body was weak and he fell to the side, even foaming at the mouth.

Xia Mian was scared to death. Her body curled up like a shrimp as she desperately backed away until she reached the head of the bed.

her fingers clutched tightly to the edge of the bed as she watched su shicheng's half-dead and half-alive appearance.

She was extremely afraid. If su Shicheng died, would she go to jail?

su shicheng's eyes rolled upwards, and after struggling a few times like a dead fish, he stopped moving.

Xia mian let out a hoarse cry and covered her mouth with a frightened expression.

She instinctively looked towards the bedroom door. The door was tightly shut, so no one should have noticed su Shicheng's abnormality.

Xia Mian pursed her trembling lips. After a long time, she finally mustered up the courage to reach out and touch it.

su shicheng was still warm!

she wasn't sure, but she also couldn't help but wonder if su shicheng was still alive.

She gritted her teeth and held back the scream that was about to come out of her mouth. Then, she touched her nose again.

He was still alive. she heaved a sigh of relief and curled herself down the bed, her eyes still fixed on su shicheng.

However, her hand accidentally slipped, and a phone on the bed slid to the ground.

one look at the design and one could tell that it was su shicheng's.

Xia Mian was a little hesitant. She wanted to run away, but she didn't want to give up on the twenty million.

besides, could su shicheng be hiding some secret on his phone?

Xia Mian's fingers trembled as she picked it up. She wanted to swipe it, but the phone was locked with a fingerprint lock.

She glanced at the withered old man lying on the ground and carefully crawled over. She grabbed su Shicheng's hand and used it to unlock the phone.

he turned on his phone. there was nothing in it, but he had received a voice message from ye liangqiu.

Xia Mian opened it and was a little stunned when she heard what he said.

That woman's voice sounded like ye Liangqiu?

Xia Mian immediately heard it again, and after repeating it four or five times, she was sure that it was ye Liangqiu.

She laughed sinisterly, and her laugh was particularly cold.

So ye Liangqiu wasn't much cleaner than her?

so, she had been raped before!

why did that voice sound so melodious? it was so pleasant to the ears!

Xia Mian forgot about her fear and laughed so hard that her hair stood on end in the middle of the night.

she put on her pajamas and leaned against the headboard. she looked at the message and forwarded it. the recipient was qin anlan.

Xia Mian's heart was filled with joy when she saw that the message had been successfully sent.

She thought of countless times when Qin Anlan and ye Liangqiu were in love, and she had been like a Dancing Clown from the beginning to the end. But now, it was different. Ye Liangqiu was no longer pure. Would Qin Anlan still want her?

she would probably hate her to death!

After Xia Mian sent the message, she erased all traces of her phone.

She laughed softly. From now on, she was going to watch a good show..

Chapter 1743: a bunch of old bones, scattered (2)

on the other side of the su residence.

ye liangqiu wasn't asleep. she sat on the sofa in front of the floor-to-ceiling window, leaving ah Xing with her back.

Ah Xing stood there obediently. Suddenly, his phone rang. He picked it up and looked at it. Then, he looked up. Chairman ye, su Shicheng just sent a message. It's from Xia Mian.

ye liangqiu sat quietly without turning his head. after a while, he asked, "Where's Su Shicheng?" after drinking that medicine, the aftereffects were strong. Yingluo isn't in good condition now! "should we do it now?" Xing asked hesitantly.

Make a move?

ye liangqiu also wanted to do it, but she couldn't.

no one knew where qin pei was, only su shicheng himself.

"get someone to guard the door and don't let Xia mian leave for now. Ye Liangqiu stood up and said, "Xing, don't let su shicheng know what Xia mian did for now!"

Xing nodded. alright! I'll make arrangements with the other side, and the doctor we've invited will also give special instructions."

Ye Liangqiu nodded. you've done well.

a trace of confusion appeared on a 'Xing's face. he didn't know what was good and what was bad.

He only knew that Mr. Su was too cruel. He could not believe that he would do such a thing to the eldest miss.

In the past, he had thought that the eldest miss was too high to reach, but now he felt that the eldest miss was very pitiful.

The young miss was living in a trap, and she was trying her best to protect the people she wanted to protect.

ah Xing knew that miss only had president qin in her heart. if miss wanted to protect president qin, then he, ah Xing, would protect her well.

in this world, there was no absolute right or wrong. as long as it was beneficial to the young miss, he, ah Xing, felt that it was right. Xing walked out, and the door opened and closed.

ye liangqiu slowly turned his head around in a daze.

everything went smoothly, and just as she had expected, Xia mian found out the secret and sent it to qin anlan.

She wanted Qin Anlan to hate her and give up on her.

what she wanted was to fight to the death and completely shatter su shicheng's last hope.

she couldn't drag this on any longer, she was going crazy.

however, she also knew that an Ian would hate her to death if she did this!

he would be extremely disappointed!

The phone in her hand rang urgently, one after another, as if it was pressing for her life.

she knew that it was a call from qin anlan.

it was already dawn, and the weak light was actually piercing to the eyes.

her eyes were sore and a little painful. But her heart was slowly turning cold.

She had to be cold and hard.

on su shicheng's side, Xia mian had her way. she wanted to escape, but when she opened the door, she saw two men in black standing guard outside. She hesitated for a moment, then closed the door and glared at the dead man on the bed!

su shicheng could no longer be seen with his clothes on, but now that he was not wearing anything, it was even more frightening.

She stared at him for a long time before finally opening the door again. She smiled sweetly. Mr. Su seems to have overexerted himself. Can you call a doctor? ”

the man at the door stuck his head out and then immediately came in, followed by his companions.

after seeing su shicheng, she immediately contacted the doctor.

Xia mian wanted to run away, but she ended up being watched over by someone. when the doctor arrived and examined her, su shicheng happened to wake up as well. however, he still had a high fever.

the doctor said something meaningful, ” old su, you’re old. the young lady looks like a flower, but it’s best if we just take a look.. “

Chapter 1744 - 1744: A bunch of old bones, scattered (3)

su shicheng laughed awkwardly. after all, he had embarrassed himself in front of his old friend!

wasn’t this a typical case of excessive indulgence in jade?

however, the doctor did not mention a single word about the medicine su shicheng consumed.

He took 10 million Yuan as hush money.

Su Shicheng and Dr. Li had known each other for many years. He propped himself up and smiled bitterly. look at me now. What else do I want? all I can do is touch the little girl.

“then touch as hard as you can, but don’t lose strength,” doctor li smiled.

As he spoke, he wrote down a set of medicine names. just get someone to buy these medicines. The main purpose is to reduce the fever. If you can’t get out of bed for a day, you’ll have to get an IV.” su shicheng nodded weakly and had someone send dr. li out. After they left, su Shicheng glanced at Xia Mian, who was tied up in the corner, and waved his hand.”Let her go!” He said. Give her the money.”

Xia Mian couldn’t believe her ears.l did he really want her to leave?

After a moment of shock, su Shicheng’s subordinate walked over and threw a large bag of money to her. let’s go!

Xia Mian looked at the bag of money and was overjoyed. However, she couldn’t carry it all by herself, so she begged someone to send the money downstairs.

After she left, su Shicheng took another dose of medicine. After lying down, he felt the world spin around him and sighed softly. He had finally grown old.

However, Xia Mian, that Little Vixen, was really well-dressed. She looked like a proper lady, but in reality, she was very unrestrained.

su shicheng laughed sinisterly. after he took care of qin anlan, he would definitely make Xia mian go crazy.l The goods served him every day.

Thinking of this, she felt much better.

Su Shicheng was sick, and ye Liangqiu had called to say that she would visit him in the afternoon. after hanging up the phone, linda said, “Why does CEO ye still want to see him?”

Linda thought, why would she go to see him if she didn’t burn some paper money now?

ye liangqiu raised her eyes. ” after work, come with me to take a look! ”

Linda responded with an “Oh,” and mumbled unwillingly.

“He won’t eat you.” ye liangqiu smiled. ” don’t worry! ” when she got off work, linda was waiting for her at the door, and as usual, Xing drove.

however, the car was robbed in the parking lot of ya shi. the person who robbed the car was qin anlan, who had been looking for ye liangqiu the whole day.

his face was ashen. he opened the car door and looked coldly at ye liangqiu. get out. ”

Before ye Liangqiu could say anything, ah Xing opened his mouth, “President Qin, if you continue to be impolite to President ye, I won’t be nice to you

As soon as he finished speaking, Qin Anlan reached out and pulled her out of the car.

Xing wanted to give chase, but he quickly stopped. he looked straight in their direction and pursed his lips, not saying a word.

linda wanted to open the door and get out of the car, but ah Xing’s voice was calm. ” let ceo ye handle it himself! ”

Linda looked at ah Xing, and suddenly felt that ah Xing was a little different. She coughed lightly and said, “Xing, why do I feel like you’re like Yingluo?”

“Do you like CEO ye?” she coughed suddenly.

she did not expect any response, but ah Xing did. ” yes, i like ceo ye. it’s not a crime to like someone. ‘

‘it’s a crime to hurt someone,’ Xing added silently in his heart.

Linda was stunned. First, she didn’t expect ah Xing to admit it. Second, when did ah Xing become so domineering?

it was simply overbearing! There was also a little bit of art..

Chapter 1745 - 1745: The rupture you wanted (1)

On the other side, Qin Anlan dragged ye Liangqiu to a place where no one was.

With a bang, she was thrown against the car door, and her back hurt.

Then, he leaned over and pinched her chin with his cold and hard fingers. tell me, what happened? ”

Ye Liangqiu looked straight at him. su Shicheng sent this to you?

He narrowed his eyes. ye Liangqiu!

His tone was gloomy, as if a storm was brewing.

she leaned her head on the back of the car and smiled. ” what do you want me to say? are you going to say that i was forced?”

she looked at him, and her tone was a little indifferent. ” an Ian, it was indeed forced at the beginning. after that, it was zhenzhen. ‘

he panted heavily and stared at her. ” ye liangqiu, you’d better think carefully before you say anything. ‘

He reached out his hand and smashed the window behind her. Because it was made of reinforced glass, there was only a loud thud. Then, warm blood spurted on the side of her face.

she closed her eyes tightly and had a fragile expression on her face. ” qin anlan, i give up. ‘

His entire body was tense as he stared at her, as if he was trying to carve his gaze into the depths of her soul.

For a long time, they did not make a sound.

He looked at her trembling eyelashes and her slightly frightened face. He only felt that she was a stranger.

“ye liangqiu, don’t you have anything you want to say to me?” His fingers caressed the side of her face and his voice trembled slightly. I’ll believe you as long as you say it.

believe that you are innocent, believe that you were forced.

she opened her eyes and looked into his.

She could read the pain in his eyes.

Ye Liangqiu smiled bitterly and shook her head. no, an LAN, it’s not what you think.

she sighed softly. ” i know you’ve already prepared a separation agreement.

since there’s no possibility between us, zhenzhen. ‘

she suddenly changed the topic. ” just like back then. you should understand how i feel. ” as soon as she finished speaking, he stared at her as if she was a stranger.

How could he not understand?

yes, he understood!

but what he did not understand was why she did this!

In his heart, there was always a happy ending. He had given in to her and indulged her again and again, but he could not tolerate this matter.

He had questioned her in the name of her husband, but in exchange, she had spoken so casually.

he smiled bleakly and took a step back. he looked at her carefully from top to bottom, as if it was his first time, and also as if it was his last.

“liangqiu, you know what? even so, i still think that i can forgive you!” he raised his head slightly. he didn’t seem to be talking to her, but more like he was talking to himself. ” i’m becoming less and less like myself! ”

Her heart was trembling. How could she not know his decision?

No matter how much he changed for her, she had challenged his bottom line, and he would become the original Qin Anlan.

this was exactly what she wanted!

perhaps she had been too greedy from the start!

Sometimes, she would doubt herself and wonder if it was worth it.

however, she knew that he might be in pain after losing him. this kind of pain would fade with time. however, an Ian would never be happy if she knew the truth.

He slowly lowered his eyes and focused on her. He said softly, "liangqiu, i'll send you the divorce agreement." her heart clenched tightly.

he didn't ask her again if something had really happened between her and 'that man'. on one hand, it was a man's pride. on the other hand, he was an adult man. that kind of voice was enough to prove that something had happened..

Chapter 1746 - 1746 The rupture you wanted (2)

an LAN, you must be happy. She said in a low voice.

He stopped, turned around, and looked at her with deep eyes.

After a long time, he said indifferently, "Is that so?"

Without her, how could he be happy?

However, he didn't know how to love her anymore. He didn't know how to maintain this love.

in that recording, whenever he closed his eyes, his mind would be filled with the man's panting and her screams.

Later on, it was not like that anymore. She seemed to have done it willingly.

he could distinguish the sounds of men and women when they were having fun.

No pain, only enjoyment.

"ye liangqiu, you said that if i dare to have another woman, you won't want me."

now, you have someone else. can i not want you anymore?

he stopped in his tracks and looked at her.

she was the same.

At this moment, ah Xing quickly walked over to ye Liangqiu's side and asked in a concerned voice, "chairman ye, are you alright?"

ye liangqiu shook her head. "i'm fine. "

Qin Anlan was about to leave, but his body suddenly trembled.

it was ah xing's voice!

it was only then that he noticed that xing's voice was the same as the one in the recording.

ah xing was the man who had taken her!

qin anlan's expression became extremely ugly. he stared at ah xing and turned to ye liangqiu, asking softly, "He's the loyal dog you keep? Or is he a man who's used to satisfy you?"

ye liangqiu took a step back, and a 'xing stepped in front of ye liangqiu."president qin, don't you dare insult our president ye."

Chapter 1747 - 1747: The rupture you wanted (3)

Actually, she wasn't lying. To a certain extent, she felt much more at ease with ah Xing by her side.

It was not that she did not have any feelings for ah Xing, just like how Xing Yuan had felt back then. They were like family.

if ah Xing was beaten up, she would also be in pain.

The deepest pain in her heart was left for Qin Anlan.

When ye Liangqiu arrived at su Shicheng's place, Qin Anlan had already made his move.

The whole world already knew that Qin Anlan was going to divorce ye Liangqiu. This time, President Qin was serious about it.

As soon as ye Liangqiu entered the bedroom, su Shicheng threw an expensive cup at her and roared,"you still have the face to see me?"

The teacup grazed her forehead, leaving a long bloody mark on it. It was a ghastly sight.

Ye Liangqiu turned her body to the side, and the cup smashed into the floor tiles outside, breaking into pieces.

Looking over again, su Shicheng panted and gloomily looked at her, "tell me, why did you break off your relationship with qin anlan?"

Ye Liangqiu pursed his lips and slowly said, "i bumped into qin anlan in the parking lot just now. "

"Did you ask for his forgiveness?" su shicheng panted, his eyes turbid. "don't you want to know why he wanted to break off relations with me?" ye liangqiu chuckled.

Su Shicheng's eyes glinted as he glared at her.

"You just have to ask yourself!" "How did the recording get into Qin Anlan's phone?" ye Liangqiu asked expressionlessly.

su shicheng was clearly taken aback. he had never considered this reason, because he had not done anything.

however, he quickly thought of Xia mian!

it must have been done by this cheap person! there was no one else but her.

Su Shicheng's heart was filled with regret. He had actually made such a mess of things for the sake of a cheap person.

if qin anlan and liang qiu had broken up, how was liang qiu going to carry out her plan?

although he had his own thoughts, he didn't say them out loud. he only said with a dark face, " i will investigate this. "

he was probably feeling guilty, so his voice softened. " "In that case, I've wrongly blamed you!"

his gaze was still burning. " you have to think of a way to get qin anlan's forgiveness. if necessary, you can do whatever it takes. you should understand.

of course, she understood. it was nothing more than to seduce qin anlan.

However, wasn't su Shicheng too naive? once a man's heart died, was it something that could be resolved by the body?

"i'll try my best." she nodded.

"you must do your best." Su Shicheng's voice was cold. Qin PEI's life or death will depend on your performance.

ye liangqiu's eyes were cold as he lowered his eyes."i'll go back first."

Su Shicheng looked at the wound on her forehead. He was still thinking about how to deal with that little b * tch Xia Mian, so he nodded."alright! let Xing get a doctor to take a look!" ye liangqiu nodded, " i will. "

"miss, why did you agree to mr. su's request?" Xing was confused.

she turned her head to the side, and ah Xing handed her a tissue, asking her to hold her forehead.

Ye Liangqiu covered her mouth with the tissue for a while before slowly throwing it away. I have to stand on su Shicheng's side right now.

only when she and qin anlan were completely done for would su shicheng be driven to desperation.

And she was waiting for the final blow.

she looked at ah Xing with a gentle gaze. " at the last moment, ah Xing, you have to protect yourself. ' of course, I have to protect the young miss, " said Xing.

Chapter 1748 - 1748: the rupture you wanted (4)

he was an honest man. after thinking for a while, he added, " " i don't care what others say. i just want to protect the young miss. i don't have any other requests.

he was already a person without roots. he liked the eldest miss, and he was already satisfied to be by her side like this.

ye liangqiu looked at ah Xing and smiled. " ah Xing, you should have your own life. "

"Young miss's life will be my life in the future," Xing disagreed.

ye liangqiu's heart was touched. ah Xing reminded her of her past self. back then, she had also treated qin anlan's life as her own.

Her throat felt a little blocked. She smiled and said, "okay."

A satisfied smile appeared on Xing's honest face.

he drove her to the hospital. after the doctor's examination, it was only a superficial wound and she would be fine after applying an bandaid.

When they left, ye Liangqiu saw that ah Xing's face was tense and couldn't help but console him, "Look, it's just a small external wound!"

Xing was driving, disagreeing with her. "a small injury is still an injury. what if you hurt your head?"

Ye Liangqiu laughed. it's bad. It's actually pretty good. At least I don't have to worry about it.

it was the first time that ah Xing glared at her, and it was the kind that was so fierce.

ye liangqiu didn't say anything more. she smiled and sat down.

the car drove through B city at night. neon lights filled the entire city, leaving no place to escape.

she leaned her head against the back of the chair and looked out the window quietly.

It took a long time for ah Xing to come back to his senses. He turned to look at her. young miss?"

Ye Liangqiu sniffed. Xing, don't worry about me. I want to be alone.

ah Xing was stunned for a moment. then, he realized that he would never be able to enter the miss's heart in this lifetime.

even if the miss didn't treat him as an outsider, she still liked a man like president qin.

Xing drove quietly and opened the door for her when they reached the su residence.

When the car door opened, she was still sitting there, and there was an unconcealable look of embarrassment in her eyes.

she cried.

Xing was a little helpless. He didn't know how to comfort the Miss, and he didn't know if he should leave now.

After a long time, he reached out with a trembling hand and wiped ye Liangqiu's eyes, his voice chaotic. "young miss, don't cry. Xing doesn't know how to comfort people."

his hands were rough, and she had cried before, so her eyelids were a little thin. it actually hurt a little when she wiped them like this.

however, ye liangqiu laughed and looked up with tears in her eyes. "ah Xing, you're already doing a good job."

ah Xing's face turned red at her words. he was at a loss for words as he rubbed his clothes. " miss, you're making fun of me again.

"No, it's true!" ye liangqiu patted him, got out of the car, and smiled at him. Ah Xing looked at her in a daze, and after a while, he also laughed foolishly.

After they left, su Shicheng's side did not idle around.

He took a look at his phone and saw that the message had been deleted.

however, he still sent someone to check, and the results proved that a message had indeed been sent from his mobile phone.

it was a voice message.

Su Shicheng had no doubt that Xia Mian was behind this. Xia Mian had always had feelings for Qin Anlan. After discovering ye Liangqiu's weakness, it was only logical for her to send the message to Qin Anlan.

su shicheng would never have imagined that this was all a trap ye liangqiu had set for him.

Qin Anlan was the one who was being forced, and su Shicheng was even more

so..

Chapter 1749 - 1749: Xia Mian's punishment (1)

at this moment, su shicheng was on the verge of going crazy. he shouted madly, " dig out that woman, Xia mian! "

His ruthlessness was as if he wanted to whip the corpse.

His subordinates immediately received the order. In less than two hours, they brought Xia Mian over and threw her on the floor of the living room downstairs.

Xia Mian was sprawled on the ground. She had been hit in the head and had passed out.

at this moment, a large basin of cold water was poured on her head and face.

she had woken up even if she didn't.

Shaking her head, she struggled to lift it up and saw su Shicheng sitting on the sofa with a dark expression.

Xia mian's body instinctively shrank. she wanted to get up, but her foot slipped, and she immediately fell back to the ground. it was as if all the bones in her body were going to be dislocated.

a foot stepped on her palm. if she dared to move again, her hand would be crippled.

Xia mian didn't dare to act rashly. she lay on her stomach, turned her face, and stared at su shicheng in a somewhat disheveled manner. she pleaded, "teacher su, why are you doing this to me?" she seemed to have thought of something and hurriedly said, " "i can keep mr. su company, however many times you want." su shicheng remained seated on the sofa, not saying a word. however, one of

his subordinates stepped on Xia mian and coldly said, “Even Mr. Su would feel disgusted if he touched someone like you.”

at this moment, su shicheng raised his hand. ” Xia mian’s body is still in good condition. this has nothing to do with her intelligence. ‘

Xia Mian’s heart trembled. She guessed that it was related to the information she had given her and immediately knelt on the ground. Mr. Su, I didn’t do it on purpose. I just didn’t want to give up!

“Not willing?” su shicheng laughed coldly, “you like qin anlan, don’t you?” Are you looking down on me, this old man?”

Xia mian swallowed hard and shook her head vigorously. ” no, i don’t, ran ran. i admire mr. su. really, ten ceo qins can’t compare to mr. su. ”

“Admire?” su shicheng stood up and slowly walked over to Xia mian. he looked down at her from above and stared at her coldly with his dark eyes. ” then let’s see how you admire me. ”

He crouched down and pinched Xia Mian’s sharp chin.”you have to know that if i find out that you’re lying, you’ll be punished by yingluo.”

His voice was extremely gentle, but it was the cruelest words in the world.

Xia Mian’s entire body trembled in fear, but she didn’t dare to disobey su Shicheng.

otherwise, he would really kill her!

She bit her lips desperately, endured the disgust, and served him Yingluo.

however, halfway through, su shicheng kicked her away and looked up at his subordinates, ” didn’t you say you wanted to have a taste of being a celebrity? ”

he paused for a moment. under Xia mian’s terrified gaze, su shicheng enunciated each word, “this woman is yours.”

He turned around and left. Behind him, he heard Xia Mian’s shrill scream, “No!”

However, su Shicheng did not stop. He could hear the unbearable sounds behind him.

He was unmoved. This kind of woman should be treated like this.

If she dared to betray him right in front of his eyes, he would make her suffer a hundred times over.

He sat on the sofa and watched Xia Mian struggle and suffer with a cold gaze. It was as if he was watching a performance.

finally, he raised his hand. ” it’s almost time. ” save it for tomorrow!” tomorrow, tomorrow-

Xia Mian lay on the ground, barely breathing. She closed her eyes in despair..

Chapter 1750 - 1750: Xia Mian’s punishment (2)

su shicheng looked at Xia mian, who was on the ground, with a cold gaze that sent shivers down one's spine.

he had already treated his beloved hong ke like that, let alone Xia mian.

after looking at her for a long time, he said softly, "take her away and lock her up. don't let her leave."

"Then, when will you let her go?" the subordinate asked hesitantly.

He reminded him, "Sir, shouldn't we keep a low profile at this time and not kill anyone?"

Su Shicheng glanced at the talkative man and sneered, "Just don't kill her!

when she's pregnant, we'll let her go and give her another ten million. it'll be enough for her to sell for a long time."

As for the child in Xia Mian's stomach, it could be a cat's or a dog's baby.

This was probably what a proud woman like Xia Mian couldn't stand.

When that time came, she would definitely not want this child. At that time, he would destroy her again.

he also wanted to let her know how powerful she was. she was not even fully grown yet, and she wanted to defame others in this way.

Those who came out to make a living had to pay.

Xia Mian lay on the ground. Her entire body was cold, and the pain in her body could not compare to the trembling in her heart.

Only now did she realize how terrifying su Shicheng was. He was so terrifying that she could not even imagine it.

He was not human at all.

Xia Mian let out a shrill cry, but no one paid her any attention.

She was dragged away without even a piece of clothing.

Xia Mian had disappeared for a while, and King Entertainment's people couldn't find her. However, because she had always acted like a big Shot, she didn't attract much attention. It was fine if they couldn't find her a few times, but no one expected that Xia Mian would be locked up and humiliated in such a way.

su shicheng called for linda.

Linda was ye Liangqiu's confidant, so he had to ask her at a critical time.

from the moment she stepped into su shicheng's house, linda's heart trembled slightly, but she still pretended to be calm.

su shicheng sat there, his body still not fully recovered and extremely weak.

She took a sip of tea and glanced at the assistant before saying slowly, "Linda, you've been following me for a few years, right?"

Linda's voice became a little soft, "yes, I've been with Mr. Su since I graduated. Su Shicheng faintly grunted and looked up, his gaze sharp. how did I treat you?"

linda's heart skipped a beat. usually, when the boss asked this question, it meant that he wanted her to take a side.

She was in a difficult position, but Chairman ye had told her not to hide anything.

"President su is very good to me," Linda said, forcing a smile.

now, the president of asia vision is your president ye! " Su Shicheng smiled slightly, but his eyes were full of probing, "you're still willing to follow me?" follow him?

Linda was confused, what did he mean?

Su Shicheng smiled and said in all seriousness, "my wife and i have long since ceased to exist except in name. i want to marry you, linda. are you willing?"

linda was stunned, and her smile froze on her face for a long time.

After a long time, she finally came back to her senses. She probably felt that she had been too deliberate, so she coughed lightly. "Yingluo has a boyfriend." su shicheng responded with an "oh" and then asked with a pleasant expression, "What does it do?"

"I'm in charge of software development." Linda said.

su shicheng slowly smiled, "i've never heard you mention it. are you new friends?" linda pursed her lips and nodded. "yes, we've only known each other for less than half a year..
