

Thank you 1751

Chapter 1751 - 1751: Xia mian I s punishment (3)

su shicheng thought for a moment, then said, “then our relationship isn’t that deep.” [1] he thought for a while and said, ” linda, as long as you marry me, it would be even better if you can have a son. i will reward you with 100 million. ‘

A reward of 100 million? Have a child?

linda wanted to curse in her heart, did he think she was a hen that laid eggs?

however, she still looked shy. ” president su, i’ve already done it with him. ”

“i don’t care!” Su Shicheng was particularly magnanimous in this regard, as if he only cared about whether she could give birth to a son.

“But I’m pregnant,” Linda blurted out.

she was pregnant?

Su Shicheng looked at her flat stomach and frowned. she’s perfectly fine. How did she get pregnant? ”

“It’s been more than a month,” Linda said with fear, and even reached out her hand to stroke her stomach.

Su Shicheng looked displeased, but he still snorted, ” you’re the one without good fortune! Also, girls should be more serious. It’s not good to get pregnant after knowing each other for half a year.” then, as if he didn’t want to talk to her anymore, he waved his hand to let her leave.

When Linda went out, her heart was still pounding as she clutched her chest. No, it would be fine if su Shicheng died now, but if he didn’t, what would happen if she lost her child?

She had to get a child!

Linda left in a hurry, leaving su Shicheng feeling anxious.

He didn’t have much time left, and cool autumn was obviously unreliable.

and he was desperate for a child. he had gone for a checkup, and there was still hope for him to have a child.

So, he thought of Linda, but Linda said she was pregnant Yingluo.

su shicheng thought of Xia mian’s promise that if that woman was pregnant with his child, and given how greedy she was, she would definitely protect ya shi and pass everything on to her child.

Su Shicheng narrowed his eyes and made a decision.

he found a gynecologist and hung Xia mian upside down for the entire day. he had forced her to drink chinese medicine because she had had sex with another man before. he was afraid that it would hurt the child, so he used chinese medicine.

he cleaned her up inside and out, took a milk bath, changed her into a set of pajamas, and brought her to su shicheng's room.

He probably wanted to give birth to a healthy and adorable child. This time, su Shicheng was especially gentle and gave Xia Mian full warmth, but Xia Mian still felt like vomiting.

in the end, she really vomited. xuxu lay by the bed and vomited.

Because she was disgusted by su Shicheng's old face, by his hands, and by everything else.

She wasn't stupid. Everything he had done showed that he wanted her to get pregnant with his child.

Xia mian vomited. she had never felt so disgusted before.

however, she had clearly angered su shicheng. he looked at her coldly and grabbed her to tease her.

"give me a child, or you can't live." he pinched her chin with his thin fingers and said coldly.

Xia mian's gaze fell on his face, and she didn't move for a long time.

Su Shicheng had tortured her to the point of death, hoping to give birth to a child.

In the end, he let go of her in a daze, as if he had thrown down goods.

there were also doctors who took care of her skin, all to make her pregnant.

However, she was treated much better. She was moved from a cold room to a luxurious bedroom.

su shicheng would call her over every night and would more or less torment her.

She knew that he had taken his medicine. Otherwise, he would not be able to do it with his body..

Chapter 1752 - 1752 give me a child (1)

Finally, her eyes fell on the guard.

they were two young and strong men. didn't su shicheng want a child?

then she'll be pregnant. if he finds out that the child isn't his, will he be angry to death?

xia mian's mind wasn't clear anymore. her heart was filled with revenge.

every time she returned from su shicheng's place, she would secretly jump a few hundred times to make sure she didn't get pregnant.

as for the two guards, she would always call one of them to her room and do things that would make her pregnant.

su shicheng knew nothing of this.

he only wanted xia mian to get pregnant and have a child.

however, after xia mian gave birth to the child, he would get his confidant to control her.

at that time, liang qiu would no longer need to live in this world.

her child was silent, and so was she.

it was not good to have the qin family's blood in his veins. when he grew up, he would always go against him. he had realized this from liang qiu.

he had not gotten rid of liang qiu yet. on one hand, he still wanted to use her to get KING entertainment. he had not given up. he felt that qin anlan would not leave ye liangqiu alone.

he would make qin anlan unable to let go of su shicheng as he leaned against the headboard and smiled coldly.

xia mian lay on the side and carefully served him."mr. su, you're in a good mood today?"

Su Shicheng placed his thin fingers on her stomach and sneered, " is there any movement here? "

"Why so soon?" Xia Mian squeezed out a smile.

Chapter 1753 - 1753: give me a child (2)

She wanted to keep ye Liangqiu's dog alive and make her watch how she would get Qin Anlan.

Just thinking about it made Xia Mian feel relieved. However, just as su Shicheng said, her beauty and wisdom had never been related. Su Shicheng dismissed her and allowed her to return to his bedroom.

by the time Xia mian returned, the two guards were already playing rock-paper-scissors to decide who would enter the room tonight.

However, Xia Mian had other things on her mind and didn't want to deal with them, so she called them into the bedroom.

Xia Mian's ambition completely conquered the two of them!

The days passed by.

the situation in asia tv was getting tougher day by day because qin anlan held 40% of the shares. he would attend the shareholders 'meetings from time to time, but there were not many people left. most of the time, it was just him and ye liangqiu.

There wasn't much to talk about in the meeting. It was nothing more than him asking her about the acquisition without any emotion.

Ye Liangqiu would only smile slightly. "President Qin, Asia Vision hasn't reached that stage yet."

' do you think that 50 billion is enough to last ya shi for a few years? " qin anlan sat across from her. " ye liangqiu, there are thousands of employees in asia vision. if we include all the expenses, it'll be in the billions. how long can you

last? also, don't you think this is a waste of resources and society? ” “Struggling won't bring you any chance to turn things around,” he said disdainfully.

“Yeah, I'm just holding on!” she smiled faintly. ” similarly, the shares in boss qin's hands are also depreciating. ‘

“you're acting on impulse!” Qin Anlan stretched out his hand and took out a cigarette. “Did su Shicheng allow you to do this?”

the shares of Asia Vision are now in my hands. “President Qin, I think I still have the final say in Asia TV.” Ye Liangqiu looked down.

“what do you think if we add that 10%?” qin anlan said slowly. then, under her gaze, he pushed a document to her. ” this is the 10%. do you want to go to the relevant department to check it? ”

He looked like he had good intentions, but every word he said was filled with sarcasm. How could she not hear it?

ye liangqiu looked at it for a long time before forcing a smile.”President Qin, you're really capable.”

“we are now on equal footing.” He looked at her with a smile. I believe that if I make my stand clear, more employees will be willing to follow King Entertainment. By then, CEO ye might not be able to live with himself.

ye liangqiu looked at him for a long time before softly chuckling.

She smiled bitterly. In fact, ever since the old lady passed away, she had been unable to control herself.

“As you wish!” she said it nonchalantly, got up, and turned to look at him.

qin anlan, i've signed the document you wanted. ‘

After she finished speaking, he was obviously stunned, but after thinking for a while, he understood what the document was.

he stared at her for a long time, then nodded slightly and said in a low voice, ‘ okay. ”

“If there's time, go and do it!” She looked at him. there's no point in dragging it on. Why don't we just leave? ”

his gaze was still fixed on her face, and he stared at her for a long time before he slowly said, ” “you want to be with the class monitor for a long time?” ye liangqiu didn't answer and walked out.

As soon as she went out, Qin Anlan snuffed out the cigarette in his hand. He didn't care about ran ran because his body didn't hurt anymore. His heart was the most painful place.

She didn't have a heart.. Her heart had been eaten by a dog!

Chapter 1754 - 1754: Dumb woman (1)

Ye Liangqiu walked to the door of her office, and her body swayed.

Linda quickly supported her, and her voice was a little worried, “chairman ye, are you alright?”

Ye Liangqiu shook her head. I’m fine.

She walked in, but instead of sitting down at her desk, she chose to sit on the sofa. She looked up at Linda, and asked in a faint voice, ” how’s Su Shicheng doing? ”

Linda pursed her lips. CEO ye, there’s something really strange about Wanwan. I’m not sure if I should tell you.

Ye Liangqiu pursed her lips and gave a weak smile. what’s wrong? ” linda hesitated again and again, but still said, ” it’s mr. su! a month ago, i went to his place and yueyue wanted me to marry him and have a child with him.” get married and have children?

Ye Liangqiu’s heart sank. Had this day finally come?

“but i went there again after that, and i think Xia mian was still there,” linda continued.

Xia Mian was surprised that su Shicheng didn’t kill her.

Ye Liangqiu seemed to have guessed su Shicheng’s thoughts.

she had seen su shicheng’s latest medical report. he had at least ten years left.

if he didn’t die, then not only would she die, but Xia mian would as well.

after KING entertainment got their hands on her, she lost her value.

ye liangqiu gently lifted her chin and smiled. she was laughing at herself, but she was also laughing at su shicheng’s wishful thinking.

Linda kept looking at ye Liangqiu, a little scared. If that day really came, she didn’t know what she should do.

That night, ye Liangqiu and Kie met again at the same café.

“is it all done?” Ye Liangqiu asked softly.

it’s all done, ” Kie said in a low and hoarse voice. I didn’t notice it when boss

Qin signed it.

he looked straight at ye liangqiu’s face. ” mr. ye, are you really not going to consider telling mr. qin? ”

he had a premonition that she was going to do something very dangerous, and the person she was going to protect was qin anlan.

Kie was uneasy, but he was afraid that he would ruin her plan if he exposed her, so he did not dare to act rashly.

Ye liangmo shook her head gently. She looked at Kime for a long time before she said softly, ” “No need,”

He seemed to be mumbling to himself, ” there are some things that are better left unknown.

She looked a little dazed. Kime was a little worried, but she quickly came to her senses and looked at him. “You’re also concerned about an LAN, right?” KIME nodded passively.

“So, don’t tell him.” “because i want him to be well,” ye liangqiu laughed softly.

Kim was a little moved and said bluntly, ” ” i don’t know how the old lady died, but chairman ye, i don’t want you to carry so much on your shoulders. ”

Ye Liangqiu lowered her head and stirred the coffee in her cup. After a long time, she said, ” “If you love someone, you won’t feel tired.”

She looked up at Kime, who was also feeling emotional.

That’s right, he wouldn’t feel that it was hard, just like how he treated su Cheng and how su Cheng treated him. All the effort he put in would not be considered hard, it would be effort.

“liangqiu, you have to take care of yourself too,” he muttered after a long time.

he guessed that one of them would get hurt, and ye liangqiu would choose him.

she must have made the decision after weighing the pros and cons, and he respected her.

Ye Liangqiu nodded.

Liangqiu, is there anything I can help you with? ” Kie asked after a long silence..

Chapter 1755 - 1755: Stupid woman (2)

ye liangqiu’s gaze fell on his face, and he slowly said,”don’t help me, that’s the greatest help you can do.”

KIME was a smart person and he understood what she meant.

He didn’t say anything. After a long time, he sighed and left the cafe.

Ye Liangqiu was still sitting there. The light from the café above shone on her head, leaving a long shadow on her side profile.

She just sat there until the coffee turned cold.

Outside, ah Xing came in and sat down gently opposite her.

Her fingers slightly clenched, ” su Shicheng’s men followed me for half a day. I had to make a huge detour before I could shake them off.

it took a lot of effort for ye liangqiu to meet with KIME.

Ye Liangqiu nodded, looked at ah Xing, and slowly asked,”Is there any movement in Xia Mian’s stomach?”

Xing hesitated for a moment and said in a low voice, ” my people can’t get close to Xia mian, so they won’t know. ” he felt a little guilty and felt that he couldn’t help the young miss.

How could ye Liangqiu not know what he was thinking? he laughed lightly, “this is none of your business. su shicheng has always been on guard against me.”

She didn’t finish her sentence, so ah Xing didn’t know her entire plan. He was a little anxious, ye liangqiu’s gaze fell on his face, and he slowly said, “You, come over.”

Xing was stunned for a moment. He quickly leaned in to whisper in her ear for a minute, and his expression changed drastically.

he looked straight at ye liangqiu.

“Ah Xing, do you dare?” ye Liangqiu looked at him.

The muscles on his face trembled. After a long time, he finally said in a hoarse voice, ” there’s nothing ah Xing doesn’t dare to do!

ye liangqiu faintly smiled, ” then do you dare to follow me to su shicheng’s place? ‘

Ah Xing looked at the time. It was already 110 ‘clock. Su Shicheng should be resting at this time, right?

but he quickly guessed ye liangqiu’s intentions and nodded. “Of course I dare.” ye liangqiu stood up, but after taking a few steps, she stopped and turned back to look at ah xing.”In the future, not only must you have courage, but you must also have wisdom, understand?”

Their lives were tied together.

If Xing was a little careless, the game would be over.

ah Xing came to a realization and patted his chest after a long while.”don’t worry, young miss.”

Ye Liangqiu left with him, and the car headed towards su Shicheng’s residence in the dark.

Coincidentally, when she arrived, Xia Mian was in su Shicheng’s bedroom. From the looks of it, they had just slept together.

Su Shicheng had his pajamas on. Xia Mian was shameless now as she stuck close to su Shicheng and stared at ye Liangqiu provocatively.

she was now su shicheng’s new favorite, while ye liangqiu was just a daughter he despised.

She didn’t need to be afraid of ye Liangqiu’s teasing.

She wrapped her fingers around su Shicheng’s neck and said in a soft and charming voice, ” Shicheng, it’s so late in autumn and you’re still here. You’re so filial, aren’t you? ‘

“Yes!” Su Shicheng chuckled.

he reached out and pinched Xia mian’s cheek.”you’re more obedient.”

Xia Mian wanted to make ye Liangqiu angry, so she pressed her face against su Shicheng’s arm and said,”I will definitely give birth to a son for you.” ye liangqiu pursed her lips.

Su Shicheng was furious!

ah Xing was a little shocked. this woman really has no brain!

could such a thing be said so casually?

as expected, su shicheng was furious. this brainless thing. A cheap person was this cheap, fighting for a single night.

he slapped her so that she would remember.

“you think you’re worthy of having my child?”

Ye Liangqiu didn’t say anything. He only felt that he was putting on an act and that it was a bit too deliberate.

However, poor Xia Mian .

Chapter 1756 - 1756: Stupid woman (3)

poor Xia mian slept with him for so long and made the old man happy, but in the end, she ruined his plan. he gave her a merciless slap.

Ye Liangqiu sneered as she looked at Xia Mian.

Xia mian was usually proud and arrogant, so she couldn’t swallow her anger, especially after she was embarrassed in front of ye liangqiu.

But even if she didn’t want to, she had to. From the bottom of her heart, she was still afraid of su Shicheng.

“Yes, I was wrong!”

Xia mian’s body shrank to the side. her tone was soft and she didn’t dare to be rash.

su shicheng looked at her for a long time before he snorted. ” it’s good that you know your own limits. ”

Ye Liangqiu and a ‘Xing exchanged glances as they watched the show.

Only then did Xing understand why the eldest miss had come here so late at night. She knew Xia Mian’s personality well.

Xia Mian was wearing a white bathrobe. After being slapped by su Shicheng earlier, she had fallen to the side, and there were actually some traces of blood on her white bathrobe.

“Mr. Su! blood!” Ah Xing’s voice was filled with surprise.

ye liangqiu glanced at him, her eyes full of praise. he was indeed much more clever.

blood?

Xia Mian and su Shicheng were dumbfounded.

su shicheng’s attitude was completely different from before. he immediately became nervous and called out to his attendant, “Call the doctor over.” ye liangqiu’s gaze fell deeply on su shicheng’s face, causing him to feel somewhat embarrassed. ” it was an accident. ”

so, dad, do you mean that you want to keep this child? ” Ye Liangqiu’s voice was low and slow, and there was suspicion in his eyes.

Su Shicheng’s eyes flickered, and after a long time, he finally said, “let’s see fate!”

Xia mian’s stomach didn’t hurt, but she had to put on an act. she furrowed her brows.”it hurts!”

even if su shicheng didn’t have any compassion for women, he would still take care of Xia mian for the sake of the child in her stomach.

hence, she consoled him and got someone to help her upstairs.

Ye Liangqiu remained seated on the sofa as she watched su Shicheng go downstairs. She took a sip of tea and quietly asked, “Dad, are you planning to let

Xia Mian’s child take over the SU family?”

“How could I!” su shicheng’s voice was gentle as he said, ” the child is still young. liangqiu, he won’t take anything from you.

“is that so?” Ye Liangqiu smiled faintly, his expression clearly disheartened.

However, su Shicheng’s attention was focused on Xia Mian’s stomach. With this bleeding, he was afraid that she was pregnant.

in his heart, he had made up his mind to keep the child. only by keeping the child could he take the risk to make plans.

The doctor arrived half an hour later. The moment he arrived, his expression was a little serious. we have to stay in the hospital for observation. I’m afraid that miss Xia’s pregnancy will not be very stable.

Su Shicheng was both surprised and happy. He was happy that she was pregnant, but he was shocked that the fetus was not stable.

she couldn’t hide her panic and personally sent him to the hospital. ye liangqiu and xing followed when they arrived at the hospital, su shicheng received a severe blow.

That child was an ectopic pregnancy, Yingluo.

su shicheng was dumbfounded. Xia mian was also stunned.

Ectopic pregnancy?

How could that be?

the male doctor removed his mask after the checkup. his voice was emotionless as he said, ” the pregnant woman’s been having too much of an affair recently. besides, wanwan might not have been very well-behaved in this aspect, which led to this result.

“you’re talking nonsense!” Xia mian was still on the examination table, shouting at the doctor. she was almost going crazy, and she wanted to tear the doctor’s mouth apart.

the doctor ignored her. he had seen many women like her..

Chapter 1757 - 1757: stupid woman (4)

The doctor ignored her. He had seen many women like her.

wasn't it all for money?

Xia mian, right? She had followed an old man. This old man probably couldn't satisfy her, so he had climbed over the wall.

As soon as Xia Mian got out of bed, su Shicheng slapped her across the face. She fell heavily onto the bed.

Then, he felt a pain in his stomach, as if something was about to flow out.

Xia Mian clutched her stomach, unwilling to give up. She turned around and knelt down on one knee in front of su Shicheng. Tears streamed down her face, and her expression was particularly pitiful."mr. su, he's talking nonsense! I've never done it with anyone else. I'm at home every day and I don't go anywhere."

Su Shicheng saw the sweat on her forehead and his heart burned with anger. He sneered,"Oh, really? are there no men in the villa?"

she was really bold to seduce his woman in his place and try to give birth to a child that was not his. He knew what she was planning.

this vicious and ungrateful woman. su shicheng's walking stick almost broke Xia mian's back.

Xia Mian no longer had the strength to support herself. She laid on the examination table, blood flowing from the corner of her mouth.

her hair was covered in sweat and stuck to her forehead, making her look pitiful.

However, compared to what she had done, it was more hateful. Ye Liangqiu looked at her without a trace of emotion on her face. She just quietly looked at Xia Mian. she was just one of the women su shicheng wanted to destroy and there was nothing special about her.

Xia Mian lay there, her body convulsing like a dying fish.

su shicheng couldn't be bothered to look at her and walked out first. " beat down this woman's evil child. "

Xia mian's entire body trembled, and she couldn't say a word. her lips moved slightly.

her beautiful dream was so short and fleeting.

And this man was so heartless that it made her hair stand on end .

ye liangqiu quietly said, " "Xia mian, you're not actually pregnant, let alone an ectopic pregnancy!"

Xia Mian was stunned!

she opened her eyes and glared at ye liangqiu, not daring to believe her words.

“your period is here, don’t you know?” ye liangqiu chuckled.

Xia mian continued to stare at her, but she soon understood.”Did you find that doctor?”

“Right!” ye liangqiu spoke bluntly, “ i was the one who found him! I’ll ask him to perform the surgery for you later.” hearing this, Xia mian’s entire body began to tremble. she stared at ye liangqiu and said,”you’re so vicious! what do you want to do? you want to cut off my purple palace so that i can’t be a woman for the rest of my life, right?”

her voice was extremely mournful. she desperately got out of bed and clutched ye liangqiu’s neck with both hands. ” i’m going to kill you! ‘

“go all out?” ye liangqiu sneered. ” what are you going to fight with? To take your useless stomach?”

she moved closer to Xia mian and whispered into her ear, “or are you going to use your relationship with those men to fight me?”

Xia Mian laughed, and her laughter was a little crazy.

“Ye Liangqiu, how much cleaner are you than me?” She shifted her gaze to ah Xing. you and your Lackey did something shameful. President Qin doesn’t want you anymore. You must be feeling terrible now, right? ”

Ye Liangqiu didn’t say anything, but ah Xing couldn’t help it. He grabbed Xia Mian’s arm and threw her to the side.

Xia mian’s head hit the wall, and a bloody gash appeared.

She was dizzy for a long time before she came back to her senses and stared at ye Liangqiu..

Chapter 1758 - 1758: A stupid woman (5)

after that, she laughed softly and tilted her head.”ye liangqiu, just you wait. Do you think you can hide the truth from the world?”

She was going to tell su Shicheng that this was all ye Liangqiu’s scheme.

she was not pregnant, but she would beg him to give her a chance to get pregnant.

Xia Mian walked away quickly, and when ah Xing wanted to chase after her, ye Liangqiu stopped him, “Let her go,”

Xing looked out of the window. Mr. SU’s car hasn’t left yet. What if she catches up to him now? ”

Ye Liangqiu sat down on a chair at the side and smiled faintly. I’ll let her catch up with me. It doesn’t matter if she can’t catch up. She’ll catch up with me. In short, she won’t give up until she reaches the Yellow River! if su shicheng wants to kill her, she can only be the one seeking her own death.”

it wasn't that she wanted Xia mian to die, but she wanted Xia mian to not have children.

Xing quickly understood, and his expression darkened.

it was drizzling in the middle of the night outside the hospital.

su shicheng was already in the car, his expression darker than the night.

"Sir, miss Xia is here." The chauffeur was about to start the car when he saw Xia Mian run out.

Barefooted and disheveled, she looked rather pitiful.

however, who asked her to betray mr. su? mr. su was still angry at this moment. she had brought herself to him, and it was still unknown whether she would live or die!

Su Shicheng sat in the carriage, his hands on his golden walking stick as he quietly waited for that b
* tch to say something.

When Xia Mian walked closer, her body clearly stopped and then she slowed down.

her clothes were a little wet from the rain, and it was uncomfortable to stick to her body.

she humbly opened the car door and carefully looked at su shicheng's side profile.

her heart skipped a beat. she pursed her lips and said with difficulty, "Shicheng, we've all been tricked by ye Liangqiu."

Su Shicheng looked up at her, his eyes wavering.

this wavering wasn't because he trusted her, but because he didn't trust cool autumn.

that child was ruthless, just like him. perhaps she had already noticed his actions, so she was playing tricks on Xia mian.

However, su Shicheng continued to look at Xia Mian without a change in expression. His voice was deep and slow as he asked, "what did I pawn?" could it be that you're not having an ectopic pregnancy and that you have a normal child in your stomach?"

Xia Mian's face was covered in rain. She reached out to wipe it away and said anxiously, "i'm not pregnant! However, I can get pregnant immediately. I'm still young. Mr. Su, please give me a chance."

She knew that her life and death depended on her stomach.

She Knew Too Much, so su Shicheng would not let her off so easily.

she wanted to get pregnant and then find a way to kill su shicheng. she needed time, and before that, she could only use su shicheng's hand to bring down ye liangqiu.

Su Shicheng pursed his lips and looked at her.

"It's true!" 'Mr. Su, please find another doctor. That doctor is in cahoots with ye Liangqiu." Xia Mian knelt down outside the room.

“But Liangqiu is my daughter! What reason does she have to harm you?” su shicheng’s gaze was cold as he looked down at the lowly woman kneeling on the ground, but Xia mian didn’t see his cold gaze.

she was too naive. she was not pregnant now, so what was the use of having her?

he only needed to spend a few million to find the best woman to carry his child.

however, Xia mian was still of use to him. he wanted to use her to see if liang qiu’s heart had changed..

Chapter 1759 - 1759: A foolish woman (6)

“But she’s always been on Qin Anlan’s side. I’m afraid that she’ll work with Qin Anlan to kill you,” Xia Mian said anxiously.

She knelt down and took two steps forward. I’m the only one who’s true to Mr.

Su because we’re going to have a little life, aren’t we? ”

Su Shicheng looked at the kneeling woman without a word.

Ye Liangqiu opened the blinds and smiled.”it looks like Xia mian’s acting is pretty good. even su shicheng’s heart is going to soften!”

Xing was a little anxious.

“don’t be afraid. it’s good that su shicheng believes her. the more he believes in her, the worse Xia mian will fall later on!” Ye Liangqiu smiled.

Fortunately, Xia Mian had acted rashly. Otherwise, if that child really existed, ye Liangqiu might have really died.

She needed time to arrange everything.

hearing her say this, ah Xing finally relaxed.

downstairs.

Su Shicheng looked at Xia Mian for a full five minutes before he finally relented, “take her away.”

Xia mian was ecstatic.

however, she still carefully got into the car, not daring to get close to su shicheng.

From tonight’s incident, she knew how ruthless he was and did not act rashly.

“Let’s go to another hospital,” su shicheng ordered.

the driver nodded and started the car.

The car sped off and arrived at a private hospital in less than half an hour. The doctor was also someone su Shicheng was familiar with.

after the examination, the doctor regretfully said to su shicheng, " it's an ectopic pregnancy. let's do the surgery in time. it'll be dangerous if we delay it.

Su Shicheng's gaze was fixed on Xia Mian.

Xia Mian was dumbfounded.

How could he be outside the palace?

impossible. ye liangqiu had clearly said that she wasn't pregnant and that she had framed her.

"no, it won't!" Xia Mian almost went crazy as she shook her head."it definitely can't be. it's a mistake. check it again."

the doctor shook his head, unable to understand how su shicheng had found such a woman.

her private life is too messy, and her internal affairs are already a mess.

we might need to get a slice for this. Miss Xia might have contracted some embarrassment. The doctor said tactfully, but Xia Mian fainted like a bolt out of the blue.

su shicheng looked at Xia mian, who had collapsed on the ground, with a cold expression. he looked at the doctor. "Just cut them all off for her."

tomorrow, he would contact the media again. he was going to destroy this woman completely.

Anyone who dared to deceive him would end up like this.

the doctor was a little hesitant, but the driver immediately handed over a check for ten million yuan.

"do it cleanly!" Su Shicheng turned to leave, his heart filled with anger. At this moment, he was already planning to find the next woman.

however, he could not wait any longer.

Perhaps he did not need to wait until the child was born. He could deal with cold autumn and King Entertainment first.

In the future, he only needed one child. Whether it was his child or not, it was not that important.

When he got home, ye Liangqiu was already there.

seeing him enter, ye liangqiu rubbed her forehead."dad, how's Xia mian?"

Su Shicheng stared at her for a while before saying, "it's an ectopic pregnancy.

now that the surgery is over, Xia mian can't be called a woman anymore. this is her retribution.'

"retribution?" ye liangqiu repeated these two words and then smiled."Dad, do you believe in karma?"

Su Shicheng's face stiffened, somewhat embarrassed, " what nonsense are you saying! Xia Mian's just an unpresentable woman, don't mention her again." "but, dad, don't you have any other thoughts in your heart? for example, if she gives birth to the child, i have to disappear?" her voice was relaxed, but every word struck his heart and hit the nail on the head..

Chapter 1760 - 1760: i won 't let you off (1)

su shicheng's old face grew even uglier. he looked at ye liangqiu for a long time before finally sighing, "Aren't you overthinking?"

Ye Liangqiu smiled faintly as she looked at su Shicheng, "dad, you know best whether i'm overthinking it or not."

Su Shicheng's eyes were fixed on her, as if he was analyzing her.

However, ye Liangqiu quickly smiled. but I believe even more that you've seen Xia Mian's true colors.

Su Shicheng was somewhat passive and actually nodded, " yes! i'll deal with this woman."

Ye Liangqiu smiled, bade him farewell, and left.

in the car, she turned to look at ah Xing. " have you settled the two people who followed su shicheng? "

Xing fastened his seat belt and did not stop. " "It's all settled. Don't worry, young miss."

Ye Liangqiu nodded. Ah Xing was becoming more and more reliable, so she had nothing to worry about.

the car drove through the night. it was already past midnight.

Everything was silent, except for the human heart.

the next day, Xia mian made the headlines, but it wasn't a good thing. it was a scandal.

Having an ectopic pregnancy with more than two men meant that she had betrayed her body and failed to get pregnant. As a result, she was beaten up and sent to the hospital.

The reporters seemed to have smelled the blood and surrounded the hospital, refusing to leave.

Xia mian, on the other hand, was awake at ten in the morning after the surgery that night.

the moment she was awake, she had already lost the right to be a woman.

Xia Mian forced herself to sit up. Her hair was disheveled, and her forehead was drenched in sweat.

She forcefully pulled out the needle from the drip, her thin fingers holding her head, and she cried out hoarsely.

she felt as if her entire body was empty. there was something missing in her stomach. if there was something missing, she was no longer a woman.

she couldn't give birth to a child, no man wanted her anymore, and she would grow old soon!

his thin fingers slowly moved to his cheek, trembling as he stroked it, imagining that it would soon be covered with wrinkles.

How could she? she couldn't. She was still young. She was only 23 years old.

she still had a long life ahead of her. she still wanted to be famous, she still wanted to be the movie queen, and she still wanted to be the queen.

she didn't want to be old!

Xia Mian pounded her stomach with all her might, cried hoarsely, and even struggled to get off the bed.

the nurse was alarmed and ran over to stop her. "miss xia, please calm down. this is not conducive to the healing of the wound, and there will be sequelae. "

"after-effects?" Xia mian's face was covered in tears as she stared at the nurse in a daze and repeated herself.

The nurse pursed her lips and said softly, " "Yes."

Xia Mian laughed so hard that tears came out of her eyes."Can I be any worse than this?"

her voice suddenly became shrill and harsh. " i don't have the purple palace, i don't have my nest, i'm not a woman anymore. what else do i care about? "

The nurse couldn't stop her, and soon, Xia Mian's Hospital gown was stained with blood.

outside, the head nurse had also heard the commotion inside. she came in with a few nurses, all of whom were slender.

however, the nurses "hands were strong, and with three or four of them, Xia mian could only be obedient.

her hand was held behind her back, and the head nurse injected a tranquilizer into her, perfectly solving the problem of a disobedient patient.

Xia mian's body slowly went limp, but she refused to close her eyes.

The head nurse got someone to put her down and snorted. I've seen many women like this.. Why didn't she cry or make a fuss when she was messing around? "
