

Thank you 1761

Chapter 1761 - 1761: I won 't let you off (2)

the head nurse got someone to put her down and snorted. " i've seen many women like this. why didn't she cry or make a fuss when she was messing around? "

The young nurse beside her also spent quite a lot of time with the head nurse and would often joke with her. Thus, she pursed her small lips and smiled. how would the head nurse know that she didn't cry or scream when she was messing around? she might have screamed quite loudly.

the head nurse glared at her. " that's a good line. why is it so difficult for you to write a report? "

"don't!" "I'll admit my mistake to the leader, and I won't say such things again," the young nurse quickly said.

at first, she thought that the head nurse wouldn't let her off, but to her surprise, the head nurse looked at Xia mian and sighed. " she's such a good girl.

she's not bad looking either. she was quite popular before. why did she take things so hard and become a rich man's plaything? ' he even destroyed his own purple palace!

This was what the head nurse couldn't understand the most. Couldn't she just lead a good life?

the young nurse sighed as well,"the entertainment industry is a big dye vat!" if you're famous, you'll be worth a lot of money. if a rich old man throws out a million or ten million, will you do it?"

the head nurse glared at her, and the young nurse waved her hand. " anyway, i'm willing! It's just that my face is not as good as hers."

"Let's go for a ward round!" the head nurse knocked her on the head. " do proper work.

the young nurses left with a smile on their faces, leaving one person behind to look after Xia mian.

they had been in the hospital for a long time and had no sympathy for women like her. at most, they would just gossip about her.

when via mian woke un_ it was already two in the afternoon

she wasn't alone in the ward. there was another person she recognized even if he was reduced to ashes.

ye liangqiu!

Xia mian immediately gritted her teeth. her entire body was so weak that she couldn't move. she could only glare at ye liangqiu and say in a short voice, " "what are you doing here? Are you here to laugh at me?" ye liangqiu sat on the sofa across the hospital bed. she didn't answer Xia mian's question directly. instead, she looked around and smiled,"The environment here is not bad! My dad still has feelings for you."

at the mention of su shicheng, Xia mian's body trembled with anger. su shicheng was a demon.

Ye Liangqiu wasn't any better.

Xia mian's eyes were bloodshot as she glared at ye liangqiu. "it's you! you set me up! "

ye liangqiu chuckled and looked at Xia mian, "how can you call this a scheme?" for example, if you weren't so greedy, why would you serve an old man willingly?"

Xia mian's eyes widened as she belatedly realized her shock and anger."you arranged it!"

"right!" ye liangqiu smiled and leisurely fiddled with his fingernails. I arranged everything. However, it wasn't my idea to let you have a child, little mother Zhenzhen.

this form of address was really ironic!

Xia Mian's pale face turned ashen. At this moment, she had forgotten about her weakness and that she had just undergone surgery. All she wanted was to fight ye Liangqiu to the death.

However, she had only moved a little when she fell back down with a thud.

He looked straight at ye Liangqiu and said, word by word,"i won't let you off!" "This is also what I wanted to tell you." ye liangqiu's eyes narrowed as she slowly walked over.

Xia Mian's body shrank a little, and she sternly asked, "What do you want to

Chapter 1762 - 1762: i won't let you off (3)

ye liangqiu slowly walked over. under Xia mian's terrified gaze, she bent down and whispered into her ear.

downstairs, there are about 30 reporters waiting to report your scandal, " she whispered. Xia mian, KING entertainment announced that they've unilaterally terminated your contract this morning. your acting career is completely over."

Xia Mian stared at her and shook her head desperately."No, it's impossible!" president qin wouldn't do this to me!"

Her eyes were wide open, and her mouth was agape. She breathed desperately like a fish out of oxygen. I'm the victim. Everything is your scheme. President Qin is so smart, he will definitely see through your scheme.

"Yes!" ye liangqiu held Xia mian's hand and smiled. "so what?" she asked.

how was it?

Xia mian's eyes moved slightly, and there were tears of unwillingness in them.

She gritted her teeth. I'll definitely expose your true colors.

Ye Liangqiu chuckled. sure, but you'll have to get the chance first.

Xia mian panted for breath, her fingers grabbing ye liangqiu's collar. her voice was extremely shrill, "what do you want?"

"Not much!" ye liangqiu gently pushed Xia mian to the side.

Xia mian fell heavily onto the bed again, her eyes staring straight at ye liangqiu.

"Xia mian, what do you think you can do now?" ye liangqiu smiled.

Xia mian panted. she raised her hand, but it fell back down weakly.

ye liangqiu slowly stood up and looked down at Xia mian. "do you know why i hate you so much?" she asked.

Xia Mian's eyes were bloodshot. She glared at ye Liangqiu for a while before sneering, "It's because you can't stand the way I'm so devoted to President Qin, right?"

As she spoke, she laughed. I just like President Qin. I want to sleep with him and tease ye Liangqiu. Does it make you uncomfortable? " let me tell you something that's even more uncomfortable. in KING entertainment, there are a lot of young ladies who want to sleep with president qin. How is it? you don't feel good, do you?"

ye liangqiu wasn't as excited as she had thought, and only said indifferently, " i care about him! if i can't be with him, then i hope he can find a kind girl, not you, Xia mian."

Xia mian's expression changed. the corners of her lips twitched, and she forced a smile. "what about me? was i not innocent before?"

ye liangqiu's eyes were indifferent. " you know that the other party has a family, but you still want to sleep in the same room. is this simple? " Xia Mian bit her lip until it almost bled.

"Since you're so interested in the man in my family, I might as well let you sleep with my dad! By the way, isn't it great to be my stepmother?" Ye

Liangqiu's voice was very cold, and at that moment, Xia Mian was dazed.

Because ye Liangqiu was too terrifying.

"No," she said. She said no and slowly moved her body back, but she could not move for a long time.

Ye Liangqiu didn't want to say anything more to her. She smiled faintly and said, " you won't be able to make your own decisions in the future.

Xia mian had dug her own grave. in her cooperation with su shicheng, she had more or less tried to get herself killed.

on the other hand, old lady qin and su xiu had gossiped a lot.

Ye Liangqiu didn't know what would happen to her, but she had to fix Xia Mian's fate.

she took a step back. then, two nurses and a doctor walked in..

Chapter 1763 - 1763: I won I t let you off (4)

she took a step back. then, two nurses and a doctor pushed the door open and walked in.

Xia Mian lay down, her eyes filled with fear as she waved her hands around. “you, what do you want to do?”

However, no one paid any attention to her. The doctor took out a tube of medicine and mixed the medicine. When he squeezed out a little bit of the medicine, Xia Mian’s heart trembled for a moment. Then, she started to struggle with all her might.

The two nurses held her down with great force. She instinctively knew that they were not nurses. ye liangqiu had found these three people to deal with her.

Xia Mian wanted to scream, but in the next second, someone covered her mouth.

her eyes widened as she struggled and watched in horror as the doctor walked closer and closer to yingluo with the syringe.

“Xia mian! i think it’s time for me to let you know the reason so that you’ll know the truth before you retain your last trace of consciousness.” Ye Liangqiu stood straight, his voice flat.

yes, she admitted that she was cold-hearted and cruel.

she did this not only for qin anlan. it was not a big deal that he had slept with her, but she had to consider her three children.

would Xia mian harm her children in the future?

So, losing her mind and being locked up in the mental hospital was the best ending for Xia Mian.

Xia mian’s hands and feet struggled with all her might, trying to break free, but she was firmly held down.

That doctor’s eyes were cold and emotionless. She would never forget the cold glint in his eyes.

her only memory was not ye liangqiu or qin anlan. it was the doctor’s eyes.

As soon as the long needle pierced Xia Mian’s arm, her eyes widened as if they were about to pop out. She gasped for air, her body trembled, and she sobbed.

when the medicine was injected, her strength suddenly increased. she desperately broke free from the nurses around her and held her head, screaming and gasping desperately.

It hurts, it hurts so much. Yingying felt like she was smashed open by someone.

she hugged her head tightly and rolled around on the bed, her body curled into a ball.

Her body had split apart. Her head, her heart, and her entire consciousness had been separated ... she was no longer complete.

After about half an hour, Xia Mian fell silent.

She lay quietly on the bed, not saying a word. The drip on the back of her hand was back on.

it was quiet in the room, with only the faint sound of dripping.

the pitter-patter sound was like rain, but it was more like someone crying.

it was her child. it was her child who was crying. Xia mian curled herself up into a ball and mumbled, " it's not my fault, it's not my fault. i didn't mean to abandon you.

All she could think about was the child and the doctor's eyes.

That doctor was here to harm her child, her mother and Yueyue.

Xia mian had gone crazy.

The next day, this news became explosive news in all the major media in B city.

the hospital was completely surrounded. at first, they were still worried, but after that, the reporters disguised themselves as medical staff and sneaked into the hospital. however, Xia mian had already been transferred to another hospital. of course, it was ye liangqiu's arrangement.

After su Shicheng learned that Xia Mian had gone crazy, he was stunned for a moment. Then, he looked up at ye Liangqiu and said, "You did this?"

ye liangqiu didn't deny it. " isn't that good? If she was sober and spoke nonsense in front of the media, it would be a scandal for Asia Vision.."

Chapter 1764 - 1764 i won't let you off (5)

ye liangqiu didn't deny it. " isn't that good? if she was sober and spoke nonsense in front of the media, it would be a scandal for asia vision."

when she said the word "scandal," su shicheng's old face darkened, but he did not say anything else.

"You're abusing your power to take revenge for a private matter." after a long time, he spoke again, feeling that something was wrong.

This daughter of his was getting harder and harder to control.

Su Shicheng had already sent someone to investigate. Qin Anlan's contract with her was already in progress. This meant that if something had happened to her, the shares under her name and her 50 billion Yuan would have belonged to him and not Qin Anlan.

it was better to disappear than to control someone.

Ye Liangqiu sensed the killing intent in his eyes, but she didn't react.

After a long time, she said softly, " I've always hated her! at this time, it's only right for you to do so, unless you can't bear to."

"There's nothing I can't bear to part with!" Su Shicheng's old face fell.

he paused and looked up. " is there really nothing between you and qin anlan? "

“the procedures are already done.” “I don’t think there’s a chance!” She said softly.

Su Shicheng’s gaze was deep and serene. Liangqiu, I feel that you should try to redeem yourself. Perhaps, Yingluo.

when she looked into his eyes, it was as if she wanted to see through him, and su shicheng’s old face fell.

After a long time, he coughed and said, “I’m doing this for your own good!” if it’s the best of both worlds, that’s the best.”

at a time like this, he still said such words. didn’t he find it laughable?

Ye Liangqiu lowered her eyes and chuckled, but didn’t say anything.

when she went out, it was afternoon and dusk.

he raised his hand and looked at his watch, feeling a little dazed.

Chapter 1765 - 1765: Take her in for a night (1)

Qin Anlan’s gaze froze and he looked straight at her.

It had been almost ten years since she last wore this.

She had her hair tied up in a ponytail, making her look much younger and purer.

Qin Anlan suddenly realized that it had been a long time since she had tied her hair into a ponytail. They were not in such a good mood.

she was no longer a 19 -year-old girl. she was more mature, but at this moment, her eyes were still cautious as she looked up at him.

she was outside and had no place to sit, so she squatted in the corner and looked pitiful.

qin anlan glanced at her and ignored her. he took out his keys and opened the door.

when the door opened, he walked in without paying any attention to her. Just as he was about to enter, ye Liangqiu reached out and grabbed his arm.

qin anlan tilted his head and looked at her. ” ye liangqiu, let go. ‘ “i won’t.” She spoke softly and rascally, then looked at him with her watery eyes.

Qin Anlan’s arm struggled, and she also used some strength.

he couldn’t break free, so he looked a little flustered and exasperated. his eyes were cold as he looked into her eyes. ” ye liangqiu, what do you want? ” she lowered her head and looked up at him. ” can i stay here for a night? ‘

She placed her hand on his arm and seemed to be able to feel the vibration of his body.

qin anlan’s face was a little angry. he stared at her for a long time in a daze.

She thought he wouldn't agree. She opened her mouth slightly and was about to say something, but he had already spoken in advance. His voice was very calm. up to you.

She couldn't believe it, but she still followed him in silence.

The lights were off when she entered, and it was dark.

she wanted to turn on the light, but the sound of him closing the door was soft.

then, she felt a sharp pain in her back and the back of her head, and she was pressed against the door by him. he was the one who was close to her. His hot body was so close to her that it felt like it was going to melt her.

in the darkness, all his senses were magnified, and then magnified.

his fingers were burning hot as he caressed her red lips. his voice was suppressed and hoarse. "ye liangqiu, i don't know your purpose, but do you know why i let you in?"

At this moment, his body was very, very hot. How could she not know what he was thinking?

Or perhaps he didn't want to, but he wanted to do something.

her body trembled slightly as she looked up and smiled. "I know!"

qin anlan kissed her lips angrily and ruthlessly. she wanted to struggle, but his hand clasped hers and raised them above her head to stop her.

his lips left her slightly, and his breath was slightly chaotic. he looked at her in the darkness. "Ye Liangqiu, we're no longer legally married. Are you sure?"

without waiting for her reply, his voice rang out again, "i won't take responsibility, and i won't be soft on you just because i did it with you."

her body was leaning against the door, and her eyes were as light as water, like the white moonlight.

she raised her head and smiled. "i thought you wouldn't betray qianqian because of me, would you?"

it would have been fine if she hadn't mentioned it, but the moment she did, his entire body turned cold as he stared at her in a daze.

After that, it was a storm that she couldn't bear.

he seemed to have gone crazy. it was like the end of the world, and he wanted to crush her.

the last time was in the bathroom.

After they were done, he carried her to the bedroom and threw her on the bed. He didn't sleep but put on a bathrobe and stood in front of the floor-to-ceiling window, smoking a cigarette..

Chapter 1766 - 1766: take her in for a night (2)

his body was exhausted, but he didn't care. he just stood there quietly.

he regretted what he had done, but he could not control it.

ye liangqiu slowly sat up, wrapped herself in the bedsheet, and got off the bed.

she walked behind him and gently hugged him.

“an lan.” She pressed her face against his back. you forgive me, don't you? ” his body trembled, and after a moment, he slowly said, ” “no, i didn't,” he had already said that having slept with her once didn't mean anything.

however, he didn't understand what she meant and didn't know her purpose for coming tonight.

she pressed her face against his back and said in a soft voice, ” be good in the future. ‘

“what do you like about him?” qin anlan suddenly asked with difficulty.

Ye Liangqiu was stunned for a moment, then realized that he was talking about ah Xing.

She smiled gently. he's very good! There's nothing bad about it. ‘

“It's that simple?” He wasn't as angry as before, probably because he had to separate from her.

he turned around and patted her. ” go to sleep. we'll leave tomorrow morning. ‘

Then, he walked out of the bedroom.

He walked straight out, while she stood alone in the dark.

behind her, there was a large floor-to-ceiling window. her figure was upside down on the glass, looking so lonely.

Her body, which had been boiling hot because of him, had long since cooled down. She was slowly cooling down.

he was just next door, but she could feel that they were very far away.

her fingers gently touched the pillow. it was his, and it had his scent on it.

she leaned her face on it and gently sniffed the kasaya.

loving him had already become a habit that was deeply rooted in her bones. A teardrop slowly rolled down from the corner of her eye and fell on the pillow.

on the other hand, qin anlan was in the study room. the door was closed and the room was filled with smoke. the ashtray on the desk was full of cigarette butts.

he didn't know why she was here, but no matter how much he hated her and no matter how much he didn't want to be involved with her, he couldn't deny that he still couldn't forget her.

Let's just leave it at that. After tonight, we'll be strangers tomorrow.

he took the document from the drawer and squinted at it for a long time before he finally put it back in the drawer.

late at night, he walked out of the study and to the door of the master bedroom, but he did not go in.

He just stood by the door and looked at the faint light coming from inside.

His face was a little gloomy, and he stood there for about ten minutes before leaving the taxi and going to the guest room.

Inside the room, ye Liangqiu heard footsteps. She lay down and buried her face in the pillow.

Qin Anlan opened his eyes at dawn.

he had only slept for an hour throughout the night, and when he woke up, the house was quiet.

However, he could acutely sense that she was no longer here. She had left. She got up and walked quickly to the master bedroom door, her steps getting faster and faster.

The door of the master bedroom was wide open. Everything was the same as before, but her breath could not be detected.

His hands were pressed against the door, his face and eyes were empty, without any expression.

after a long time, he suddenly walked back to the study.

when he opened the file, the document was no longer there!

His face immediately turned livid. He stared at the drawer for a long time before closing it and sitting there, smoking a cigarette.

the last straw of their relationship was also destroyed by her..

Chapter 1767 - 1767: Jealousy flooding the air (1)

The last straw of their relationship was also destroyed by her.

She came here because she heard the news, so she used the beauty trap to sleep with him just for this document?

It was ironic to think about it, and he didn't want to think about the despicable purpose behind her actions.

He closed his eyes and smiled bitterly. He had finally reached the end.

Because ye Liangqiu had taken back a contract, King Entertainment had suffered a huge loss, and Qin Anlan had to bear the loss.

The next time they met was at a celebrity gathering, but it was also an auction In disguise.

It had only been three days since they had separated.

but in three days, he already had someone else by his side.

it wasn't one of those girls with heavy makeup, but a fresh and pleasant girl who was no more than 25 years old. her expression was also very gentle and loving.

ye liangqiu saw them walking side by side in the lobby of the hotel. she knew about their relationship because of qin anlan's coat.

the girl was wearing a light pink evening dress. qin anlan's coat was draped over her shoulders, probably because the night was a little cold. he let the girl put her hand on his arm.

Ye Liangqiu went to the bathroom and happened to bump into them.

She knew this girl. She was the daughter of a medium-sized company. She came from a good family and ran an Art Gallery at a young age.

It wasn't Qin Anlan's cup of tea, but ye Liangqiu thought that it should be the person Qin Anlan had thought about carefully.

She was the person he wanted to spend the rest of his life with.

Her heart felt like it was being pricked by countless needles. There was an indescribable pain in her heart.

Ye Liangqiu, it's fine. As long as you're alive, you still have a chance.

you can take him from someone else's hands by any means necessary, and you won't give up even if you're heavily injured.

ye liangshui walked over slowly. she was wearing a white evening dress. she looked best in white, and no one suited white more than her.

He walked slowly until he finally came face to face with them.

when the girl called shen ruo saw her, she instinctively clenched her hands, but her face was still calm. she raised her face and said in a gentlemanly manner, "an LAN, do you need a private space?"

an Ian?

ye liangqiu laughed in his heart. sure enough, their relationship was in place. She thought that there wouldn't be such progress in the past two or three days. It was likely that they had already been in contact before.

As she was thinking, Qin Anlan's gaze fell on her face, but he replied to Shen

RUO, " "There's no need. There's nothing much to say,"

This answer was obviously to please his new girlfriend.

shen ruo's face was filled with satisfaction, and she nodded at ye liangqiu.

However, ye Liangqiu spoke softly. an LAN, did you see an earring on the bed? I lost one a few days ago. I might have left it with you.

These words carried a lot of weight and were extremely lethal.

shen ruo's expression immediately changed. the pink bubbles on her face and heart immediately disappeared, and her small face fell.

Qin Anlan was much calmer. He looked at ye Liangqiu and said, "i didn't see him."

His words were the same as admitting that ye Liangqiu had spent the night in his apartment.

Shen RUO's little face turned white and red. She was furious.

she let go of qin anlan's hand, but her hand was immediately held. his voice was gentle and a little hoarse. " i slept in the guest room.. "

Chapter 1768 - 1768: a battle of length (1)

after hearing what qin anlan said, even though shen ruo knew it was fake, she felt much more comfortable.

this showed that this man cared about her. at least, between her and ye liangqiu, he had made his choice.

That was enough.

Ye Liangqiu was still smiling. I was asking about the guest room.

Her tone was slightly muddled, but on her cold face, it didn't seem out of place.

Qin Anlan's face finally turned green. He was sure that she had done it on purpose.

he pursed his lips and looked at her from the side. after a long time, he said faintly, " no. " shen ruo's face fell again as ye liangqiu walked past her.

She let go of Qin Anlan's hand. He seemed to be nonchalant and had no intention of coaxing her.

because his eyes were still on his ex-wife. his face was full of nostalgia, and the deep love and pain in his dark eyes made shen ruo's teeth hurt.

after a long time, the woman who was throwing a tantrum finally held his hand again and said in a wronged voice, " let's go in! "

No matter what, she was not willing to give up on Qin Anlan. Other than his good looks, his wealth and power were enough to make all women go after him like ducks.

qin anlan took out a cigarette with one hand and put it between his lips. shen ruo wanted to say that she couldn't stand the smell of smoke, but after thinking about it, she decided to bear with it. from now on, she was destined to fail.

Qin Anlan had never wanted a woman who would yield to him. This kind of tolerance meant that there was no joy in their relationship. This was why their emotional state was still stuck at the stage of putting on a show for so long. Qin Anlan finished his cigarette before leaving the venue.

there weren't many people, about 40 to 50 of them, and they were all influential people in B city.

Although these people were usually not gossipy, when they saw Qin Anlan bring a girl over, and ye Liangqiu was also present, it was still worth watching.

It was quite dark inside, and the seats were comfortable couches, either for two or for a few people. They were all spread out in the hall.

The lights were dim, but when they walked in, they could still feel the luxury inside.

shen ruo pulled her skirt and sat down with qin anlan, feeling a little uncomfortable.

she subconsciously looked for ye liangqiu's seat and realized that she was two small sofas away from her. qin anlan could see ye liangqiu directly from where he was sitting.

she pursed her lips and said softly, "an Ian, let's change seats!"

'i'm wearing high heels, so i can take them off inside. no one will see.'

Qin Anlan looked at her with a meaningful gaze. He did not say anything and exchanged seats with her.

shen ruo's dress was probably too long, so when she got up, she fell unsteadily toward him. qin anlan caught her. from a certain angle, it looked like he was holding shen ruo in his arms.

And this angle was ye Liangqiu's angle.

She only smiled lightly. How could she not know about this little trick of teasing Shen RUO?

She did not mind, but when Qin Anlan sat down, he deliberately looked over. When he realized that she was not looking in his direction, a hint of anger rose in his heart.

shen ruo placed her hand on the back of his and said in a gentle voice, " I heard that there's a painting being auctioned tonight. It's Zhang Daqian's, donated by Chief Manager li.

Qin Anlan retracted his gaze and looked at her.. He asked indifferently, " "You like it?"

Chapter 1769 - 1769: A battle of length (2)

" shen ruo replied softly and did not stand on ceremony.

She knew that hundreds of millions of Yuan was nothing to Qin Anlan. What was important was his sincerity and his attitude in front of ye Liangqiu. All women lacked a sense of security, and this was especially evident on Shen

RUO.

Qin Anlan did not say anything else and looked at the stage.

tonight's event began in the form of a banquet, with the president of a certain chamber of commerce and his wife as the first to dance.

In reality, the organizers had contacted Qin Anlan in private and asked him to start the dance, but he had refused.

on the stage, after the dance ended, there was a burst of applause from the audience.

The president's wife smiled sweetly and returned to her seat with the president.

the president and his wife are so loving. Shen RUO smiled and turned to look at

Qin Anlan. Anlan, don't you think so? "

qin anlan picked up the glass of wine in front of him and said in a faint voice, the president has at least three peepers outside and five or six illegitimate children.

Shen RUO was stunned. After a while, she said, ” “Then his wife must not know. ”

“I know.” Qin Anlan’s tone was still very light.

shen ruo felt uneasy. she felt that he was hinting at something.

after a long time, she finally couldn’t hold it in and asked in a low voice, ” “an Ian, would you be like this? To embarrass me like this, is there anyone out there?”

qin anlan’s gaze was as calm as water as it landed on her face. ” we can’t be sure about the future. ” there wasn’t even a guarantee!

Shen RUO’s heart was as cold as ice. She knew about Qin Anlan’s past. Before he got married, he was a Playboy. The entire King Entertainment was his harem. However, he was very loyal after marriage, so she naturally thought that he would be the same after they got married.

Shen RUO’s face froze for a while. At this moment, she wanted to leave. She wanted to turn around and leave, to show her disdain, to show that she did not have to be with him.

however, after a long time, she still sat in the same place, pretending that the conversation just now had not happened.

Yes, she gave in.

Even if he resembled that President in the future, she would still be with him.

however, her mood was a lot worse. it was only when the painting was auctioned that she felt a little better.

At that time, Shen RUO finally knew how good it felt to be pampered by a man.

When a man raised his sign and called out 10 million, 20 million, 50 million, 80 million, 100 million, just for her, he was so handsome.

For some reason, the price of that painting, which was worth less than a hundred million, had actually been raised to two hundred million. Everyone was probably making fun of Qin Anlan, saying that he had gained a new favorite.

Shen RUO’s mood improved a lot under those flirtatious eyes.

When the bid reached 200 million, she thought that no one else would bid, but ye Liangqiu raised her card. 300 million.

Everyone looked at her. Because of her identity, everyone felt uncomfortable. They were all thinking that President ye didn’t stand up to boss Qin’s new favorite on purpose.

At this moment, if President Qin didn’t follow, he wouldn’t look like a man. It would be hard to explain in front of his new pet.

hence, a drama began to play out between the new love and the old love.

One billion Yuan for a lousy painting.

Shen RUO’s heart was about to jump out of her chest. She had originally thought that it would be enough to spend a hundred million to express his love.

but a billion, a billion could be given to her!

why did he have to compete with ye liangqiu?

Chapter 1770 - 1770 a battle of length (3)

money was more important than face.

Qin Anlan's gaze fell on her face quietly. Are you sure? "

shen ruo nodded.

He put away the sign and said in a calm tone, " "Don't you like this painting?"

If you like something, don't you have to get it at all costs?

... just like ye liangqiu, who would do anything to get it, even if it meant losing blood, even if it meant losing a thousand men or eight hundred men.

shen ruo smiled lightly and said, " "It's not worth it!"

Not worth it?

qin anlan mumbled these two words and suddenly realized that not all women belonged to ye liangqiu.

not everyone was like a moth to a flame. ye liangqiu was the only one.

as for shen ruo, she was just one of the many women who liked money and his appearance.

he suddenly felt dull, but he did not push her away.

Ye Liangqiu went on stage and accepted the painting. He donated a billion Yuan without even blinking.
