Chapter 1771 - 1771: One second of heartache for President Qin

(1)

qin anlan stopped in his tracks and turned to look at ye liangqiu.

On the stage, the lights were shining. She stood there, as beautiful as ever.

he had never doubted that as long as she was given a stage, she would be the most dazzling star.

Even now that they had broken up, his heart still moved as he looked on. His body stopped and he could not move a single step.

Time seemed to be frozen. He was below the stage, and she was on the stage. He needed to look up at her.

after a long while, she held the microphone and said, " the diamond ring i'm donating is the one i'm pointing at. i'm sure everyone here knows her. her name is 'pink beauty.' "

The host was also dumbfounded. Miss ye said that she was going to donate her own item, but she never said that she was going to donate a wedding ring!

Moreover, the man who gave the ring was here. Their love had passed, but this object couldn't be lost!

Wasn't miss ye deliberately trying to embarrass President Qin?

if they didn't film it, it would be embarrassing!

if i win, not only will i be embarrassed, but i'll also embarrass miss shen beside me.

the host had been in this industry for so many years, and he could tell at a glance that boss ye was trying to embarrass boss qin.

This, don't, no matter how much money you bid for it, he, he, he wouldn't dare to take it!

The atmosphere was a little tense. Everyone was looking at the two of them in silence.

it was as if everything in the entire space, everyone and everything, were no longer important. only the two of them were left.

Shen RUO, who was beside Qin Anlan, had long become a foil.

even the female lead didn't have the aura of a female lead, and couldn't even be considered a supporting role.

this was because no one else could get in between people who were truly in love ...

Even if they were no longer together.

qin anlan stood. he just stood. he did not leave nor sit down.

Shen RUO, who was beside him, was a little anxious. She pulled him and called out softly, ” “an Ian.”

But he acted as if he hadn’t heard anything, his eyes fixed on ye Liangqiu.

Ye Liangqiu’s eyes seemed to sweep over them as well. She smiled faintly and continued, ” this one is worth about 500 million.

She lowered her eyes. I have no use for it now. The starting price is 100 million! the crowd was in an uproar. 100 million was really cheap. many ladies were eager to try. it was a rare opportunity, but they were too embarrassed to make a move because the male lead was there.

The scene was silent.

The scene was a little embarrassing.

The host quickly took over the conversation and said a lot of words to smooth things over, but no one answered.

he looked at ye liangqiu with regret and sympathy. this was destined to be a one-man show.

However, what he didn’t know was that ye Liangqiu’s true intention was to anger Qin Anlan.

In this silence, Shen RUO smiled triumphantly.

“ye liangqiu, you’ve overestimated yourself. do you think you can take back an Ian like this?”

She hugged Qin Anlan tightly and said, ” “one hundred million and one yuan.” everyone’s jaws dropped.

it wasn’t because someone had filmed it.

It was because this person was Shen RUO.

how much intelligence did he have!

Furthermore, this was a great achievement. An extra Yuan, wasn’t this a slap in Qin Anlan’s face?

President Qin’s face had just been slapped by ye Liangqiu, and now Shen RUO was slapping him from the other side.

one second of heartache for president qin!

Everyone watched the show quietly and thought to themselves, ” there’s a show to watch even when doing charity.. It’s not bad!

Chapter 1772 - 1772: one second of heartache for president qin

(2)

As soon as Shen RUO finished speaking, she could feel everyone’s eyes on her.

At first, she was still feeling smug. She felt that it should not be a problem for an LAN to spend 100 million. However, those gazes made her feel a little uncomfortable. She could not figure out if she had done something wrong.

She raised her head and looked at Qin Anlan carefully, only to find that his expression was extremely ugly.

shen ruo finally realized that she had stepped on a landmine. she pulled on qin anlan's sleeve uneasily, feeling embarrassed.

In fact, from the bottom of her heart, she hoped that Qin Anlan would help her bid for it. At least, she could live with it on the surface.

however, he didn't mean it that way. he only said indifferently, "let's go!"

Shen RUO felt wronged but did not dare to say anything. She could only follow Qin Anlan.

he walked quickly and did not care about her at all. shen ruo was struggling to catch up with him.

even though her fingers were holding his arm, she could feel his entire body tense up.

She Imew that he only had eyes for the woman on the stage, but so what? Qin Anlan ignored ye Liangqiu.

As long as she didn't make any mistakes, she would be Mrs. Qin sooner or later.

Qin Anlan walked to the door, and the waiter opened it for him. Behind him, ye

Liangqiu was still embarrassed, even unbearable.

a single person's stage was like a single person standing in an empty world, forgotten.

the door slowly opened, as if he was slowly, slowly walking out of her world.

the world that had become empty and her world was probably the one that he had abandoned!

But at this moment, a voice came from outside the door, "one billion."

Everyone was stunned, and their eyes fell on the door.

a man in his forties stood by the door. he had a refined demeanor and exuded a faint scholarly aura.

Some people had already recognized her as Du Yuesheng, The Godfather of Hong Kong's entertainment industry.

What was he doing here?

qin anlan's eyes narrowed as he looked at du yuesheng.

the latter's gaze also fell on him, and he smiled faintly. "president qin, long time no see."

Qin Anlan's smile was a little forced. it has indeed been a long time since I last saw Mr. Du.

There was actually a hint of mockery in his tone.

Because of ye Liangqiu, Du Yuesheng now held 10% of King Entertainment's shares. Although she couldn't shake King Entertainment's Foundation, it was just like your house. If one brick belonged to someone else, you would feel uncomfortable.

Du Yuesheng smiled slightly, "it has indeed been a long time!" President Qin has a new beauty by his side."

shen ruo immediately responded with a faint smile. she could tell that this mr.

du was a person of high status and authority, but she did not see the subtle relationship between du yuesheng and qin anlan.

qin anlan lowered his head and glanced at shen ruo. he did not say anything, nor did he deny it.

du yuesheng walked in, walked straight up the stage, and walked to ye liangqiu's side.

He took the microphone from her hand and said in a calm voice, "i don't think there's anyone else who's going to offer a higher price, right?"

As he spoke, he raised his hand, and his attendant immediately handed over a check worth one billion.

He took the 'pink beauty' from ye Liangqiu's hands and put it on her. When he put it on for her, she shrank back instinctively, but she couldn't

escape.

"i just think that this ring suits you." Du Yuesheng muttered, "Liangqiu, there are so many people watching. Don't make me lose face.

His tone was a little overbearing, with a mature man's aura, which enveloped her..

Chapter 1773 - 1773: one second of heartache for president qin

(3)

in such an occasion, embarrassing him was also embarrassing herself.

moreover, ran ran had wanted qin anlan to hate her.

what she was most afraid of was not his rejection, but his urging for her to leave.

Her gaze was fixed on the ring. She could remember an Lan's expression when she put the ring on her finger that day.

At that moment, he had said to her in a low voice,"cool autumn, we'll be a couple for life!"

She had given up too much for these words.

giving had become a habit, and it was hard for her to turn back.

ye liangqiu slowly raised his eyes and looked at the door. he looked into a pair of cold eyes.

His eyes were filled with coldness for a moment. He lowered his head and glanced at Shen RUO, who was beside him. The two of them left hand in hand.

Ye Liangqiu instinctively reached out and touched her lower abdomen.

there might be a child here.

She had always been unscrupulous. That night, she had left herself one last way out. The reason why she was with an LAN again ...

that night was when she was pregnant.

he had forgotten to use protection, and she did not use any. if she was still alive, this child would be her salvation.

Du Yuesheng was a mature man. Looking at her actions, she could guess what was going on and smiled.

his gaze fell on her face, and he was in a daze for a long time.

His eyes were filled with nostalgia and warmth, as if he was looking for something on her face.

His luoluo was just like this, just like this silly girl.

Ye Liangqiu didn't notice the gentleness in his eyes because she only had eyes for Qin Anlan.

She didn't know how she walked out of the club or how she returned to the SU residence.

On the way, Xing told her a lot about the plan.

She perked up, but no matter how hard she tried, she couldn't listen.

It was not until they reached the entrance of the SU family's residence that she finally calmed down. Xing, repeat what you just said.

Xing's eyes widened, but he still explained in detail.

finally, he added, " eldest miss, i suspect that su shicheng will turn his act into reality this time! "

"if mr. qin doesn't listen to him, i'm afraid he'll kill the hostage," he said after a pause.

ye liangqiu nodded. " i know. ' since she had decided on this battle, she had no room to retreat.

she got out of the car and stepped on the ground. after a few steps, her legs felt weak, and in the end, it was ah Xing who reached out to support her.

just like that, he walked in step by step. every step was so difficult.

she thought to herself that she wasn't actually that great. the reason why she had tried so hard to hide it, apart from being afraid that an Ian would get hurt, was also because ran ran was su shicheng's daughter. no matter how she tried to clear her name, she couldn't clear that su shicheng's blood flowed in her.

he couldn't escape his fate!

She closed her eyes.

She had thought that su Shicheng would act quickly, but he didn't. He seemed to be able to keep his composure.

Xing said that su Shicheng has been busy choosing girls and giving birth to children recently.

ye liangqiu really wanted to see his expression when he found out that asia tv had been relegated to KING entertainment. would he still be in the mood to give birth?

just like that, she and su shicheng waited. she waited for him to take action.

The days passed, and she did not see Qin Anlan again.

But she was clear in her heart that she had pushed him step by step towards Shen RUO.

it was not shen ruo, but someone else.

Finally, there was news of his engagement with Shen RUO. It was scheduled for this Saturday..

Chapter 1774 - 1774: deliberately giving her the cold shoulder (1)

the official announcement had already come out, and shen ruo was sitting beside him, beautiful and moving, with an appropriate smile on her face.

Qin Anlan's face did not show much expression, but the corners of his mouth were curled into a faint smile.

Ye Liangqiu's fingers gently caressed his face as he said in a low voice, "he's smiling." so, he was happy, right?

Ah Xing stood at the side, not daring to make a sound. The young miss must be feeling terrible right now.

Ye Liangqiu looked for a long time. Linda was standing at the door, not daring to come in either.

"Linda, bring it in!" ye liangqiu's tone was indifferent as he ordered.

linda bit her lip and finally walked in slowly. she placed an invitation on the table and said angrily, "president qin is too much. he's getting engaged, why did he send this over?"

Ye Liangqiu reached out her hand to take it, but Linda exerted some force and refused to let go.

"bring it over!" ye liangqiu's voice was soft.

linda bit her lip, "i just can't accept it." He finally let go.

Ye Liangqiu opened it and immediately knew that it was made by Shen RUO.

The design of the invitation card was quite feminine. In order to highlight her status in the art world, they had specially invited a master designer to design it. It was quite unique, but she would not have the chance to go to the event.

She, ye Liangqiu, was not generous enough to do that.

He lowered his head and threw the invitation into the bin, then said to Linda, "Clear out tomorrow's time." linda nodded.

In fact, boss ye didn't have much work now. It wouldn't be a problem to free up a year, let alone a day.

Linda always felt bad for her, but when she saw that President ye was unhappy, she didn't dare to say anything.

She went to make arrangements. Ye Liangqiu picked up her phone and looked at it for a long time before finally dialing Qin Anlan's number.

He was not the one who picked up the call, but Shen RUO.

shen ruo must have known that it was her. she deliberately softened her voice.

miss ye, are you looking for an Ian? ”

“Yes.” Ye Liangqiu's voice was a little bitter.

regardless of whether qin anlan loved shen ruo or not, he had deliberately gotten engaged in a fit of pique. shen ruo was his fiancée, and she, ye liangqiu, would not be able to hold her own.

shen ruo bit her lower lip, and her breathing became a little messy. ” an Ian went to take a shower. he went to take a shower. he went to take a shower. ‘

Shen RUO made a strange sound. Ye Liangqiu felt uncomfortable and immediately hung up.

Her heart was beating fast, but it also seemed to sink suddenly, making her feel extremely uncomfortable.

she had expected this day to come, but when it came, she was in so much pain.

Only then did she realize that this path was far more difficult than she had imagined.

There were too many crazy thoughts in her mind, and she was about to go crazy.

she tried her best to convince herself, but she still cried.

An LAN ... Was he also in this much pain when he heard such an unsightly recording?

However, she could only watch him in pain and could not explain.

On the other hand, Qin Anlan came out of the bathroom of the club, wearing a bathrobe.

Ten minutes ago, Shen RUOs cup of coffee had drenched his clothes. He had no choice but to find a room at the last minute. When he came out, he heard her

on the phone.

He didn't know what he was thinking, but he bent down and kissed Shen RUO on the lips.

Shen RUO cried out in shock. She must have known.

In that case, she would probably be in pain!

A hint of bitterness appeared at the corners of Qin Anlan's lips. Perhaps, she had stopped feeling pain because of him a long time ago. He was just overthinking it..

Chapter 1775 - 1775: deliberately neglecting her (2)

shen ruo looked at qin anlan in a daze. she was still holding his phone in one hand and covering her face with the other.

Her eyes were wide open, and she stared at him blankly.

“What’s wrong? are you stunned?” He smiled and bent down to pick up the phone. who called? ”

Shen RUO finally came back to her senses and said, ” it was ye Liangqiu, but she hung up.

Women always had more thoughts, and Shen RUO was no exception. Seeing his indifferent expression, as if he had no intention of going further, she pursed her lips and whispered, ” “maybe i’m unhappy because i heard you kiss me.”

“is that so?” qin anlan picked up the phone and casually looked through it. he found ye liangqiu’s call history and called back. shen ruo kept staring at him. when he called ye liangqiu, she felt a little uncomfortable, but she didn’t dare to stop him.

In this relationship, she and Qin Anlan had never been on the same level.

shen ruo brushed her hair and said magnanimously, ” “I’m going to the washroom.”

Qin Anlan had already walked to the French window with his phone in hand. He glanced at Shen RUO, who had entered the bathroom.

when he reached the floor-to-ceiling window, the call went through, but the other side did not pick up immediately.

Qin Anlan also waited very patiently.

After five Rings, the other side picked up. It was ye Liangqiu’s voice.”President Qin?”

“it’s me!” His voice was a little low and calm, not as aggressive as before, ‘

“shen ruo said you were looking for me?” shen ruo, shen ruo looked at ye liangqiu and let out a deep breath. then she said, this Friday, I want to see Muyun and little Mumu. Is it convenient for you? ‘

She thought that he would make things difficult for her, but he didn’t. He said without even thinking, ” I will go to Shen RUO’s house on Friday. You can go to the apartment. Aunt su will be there too.

ye liangqiu gave a low grunt of agreement and did not refuse.

it was unknown what he suddenly thought of, but he added, ” ” after shen ruo and i get married, we won’t be staying there. we’ll renovate another house, so there’s no need to feel burdened if we go there because shen ruo won’t be going. ‘ ye liangqiu didn’t say anything more and hung up the phone.

Qin Anlan looked at his phone and sneered, ” his temper was still as bad as ever!

just then, the bathroom door opened and shen ruo walked out. she had changed into a bathrobe and smelled the same as him.

Qin Anlan was not a block of wood. He had also been a person who had walked among flowers in the past.

at this moment, how could he not know what shen ruo was thinking?

They had been together for almost two months, but apart from the necessary social activities, they had never had any intimate contact. Now that she was hinting to him, how could he not understand?

qin anlan felt conflicted. in the end, he leaned forward and kissed the corner of shen ruo's lips.

at that moment, he wanted wanwan to fulfill her wish, take her, and have nothing to do with ye liangqiu anymore.

however, when his lips touched the corner of her mouth, he instinctively felt a little repulsed, or rather, he lost interest and was not in the mood.

shen ruo closed her eyes and waited for his kiss, but he stopped after a while.

She was full of anticipation, so she opened her eyes and looked at him with a puzzled look. what's wrong? "

Qin Anlan reached out to adjust her collar and smiled. "forget it, i'll save it for the wedding." shen ruo's face was slightly red. she actually wanted him, but she couldn't force him since he said so. it would make her seem too eager..

Chapter 1776 - 1776: Deliberately giving her the cold shoulder (3)

She wrapped her arms around his and pressed her face against his arm. She said softly, " " an lan, you have to be gentler. i'll kiss you.

Even if she didn't finish her sentence, he already knew that it was Shen RUO's first time.

Qin Anlan was a little stunned. He had actually thought of ye Liangqiu's first time.

she lay in his arms like that. it was clearly painful, but she desperately endured it.

From the very beginning, she had a purpose in mind, all the way until their relationship ended.

he had once believed that she loved him.

but now, he couldn't understand her. he didn't even know what she wanted.

He was probably thinking about her, and he was a little upset.

Shen RUO also sharply felt that he was absent-minded. She bit her lower lip and retreated.

she was a little sad. he still couldn't let go of ye liangqiu.

She forced a smile. an LAN, don't forget about the engagement ceremony on Saturday.

Qin Anlan returned to his senses and looked at Shen RUO's face, which was on the verge of tears.

He suddenly realized that he had let down the girl's Yingluo. He didn't love her, but she was an innocent girl, and she was good to the two children.

He felt a little guilty. After hesitating for a moment, he reached out his phone and gently caressed her face. how could I forget! I'll pick you up in the afternoon."

Shen RUO's mood was much better, and she hummed in agreement.

He patted her. rest here for a while. I still have something to do. I'll be leaving first.

Shen RUO couldn't bear to leave him. It was rare for him to talk to her so warmly. However, he probably liked obedient women, so she nodded obediently and stayed.

Qin Anlan waited for Kime to bring his clothes over. He changed into them and left.

the two of them were in the car while kie drove. after a while, he hesitated and asked, " "You and young lady Shen have a quarrel."

"do you want to ask, or do you want to ask for ye liangqiu?" qin anlan sat in the back seat and closed his eyes to rest.

However, Kie could tell that boss Qin wasn't happy. Even though he was getting engaged, he didn't look happy at all.

why bother?

if you don't love him, why get engaged and even get married? " kie was close to him, so he was the only one who dared to say that.

qin anlan turned his head and glanced at KIME. he then smiled faintly. " i need a wife. muyun and mumu need a mother to take care of qianqian and shen ruo.

they're pretty good. '

"do you need her then?" KIME asked.

Qin Anlan did not answer. Instead, he continued according to his own wishes. "she and i won't have children. three children are enough."

Rime hesitated for a moment before he asked softly, " " you're not allowed to give her a child. are you prepared to give her a f * cking life? "

he wouldn't even give this, right? if she didn't give him this, she might as well not get married.

Wasn't this using money to hire a nanny?

Was boss Qin lying to the young lady or to himself?

he just wanted to prove that he could live well without ye liangqiu, that he could find someone else, and that ye liangqiu wasn't the only one in the world who could give him everything.

kie's question stumped qin anlan.

He did hesitate for a while, then he turned to look at him.

"You haven't thought it through?" you're not cowering, are you? " Kie laughed.

qin anlan's face turned pale.

it turned out that he was right, and he laughed.

on the other hand, qin anlan was a little annoyed. he did not think that this was a big problem. she was a woman. if he had the intention to deal with her, could he not handle her?

But later on, he really did not follow his heart.

It wasn't that he really couldn't, but he didn't want to waste time..

Chapter 1777 - 1777: A loophole in the story (1)

Ye Liangqiu had thought that she would only see aunt su and the children on Friday.

However, when the door opened, she was stunned. The person who opened the door was Qin Anlan.

The warm light in the living room spilled out, and he was standing against the light, so his expression was a little dark and unclear, forming a sharp contrast with the warm light.

Ye Liangqiu quietly looked at it, and so did he.

after a long silence, he said, "Come in!"

he turned and walked in first, ye liangqiu following behind him and closing the door.

Mu Yun and little Mumu were very happy, especially little Mumu, who was almost one year old and was about to learn how to walk.

she was like a little bird, standing in the middle of the living room with her two little arms open to balance her body. when she stood up, she was especially excited.

Qin Anlan squatted two steps away and looked at his little princess gently, encouraging her to walk toward him.

Mumu was afraid at first, but when she saw Daddi's handsome face, she still boldly took the first step. She was swaying, and her little P-shaped chubby legs were also swaying when she walked, which was especially cute.

After taking a step, she stopped for a moment. Then, she looked at her father with a dazed expression, asking for a hug.

Qin Anlan gave her an encouraging smile, and little Mumu's little face fell. However, she still staggered and tried her best to walk toward them. She was only one step away.

when she took that step, her chubby little body pounced into her father's arms. she moaned and hugged qin anlan in a very happy manner.

Qin Anlan's face was also full of gentleness. He was dressed at home, only wearing a beige sweater and black Casual pants. Little Mumu secretly rubbed her little nose on his sleeve, but he did not mind.

After Qin Anlan praised and consoled his little darling, he looked up with a slightly cold gaze. you don't have to worry too much. Mumu can already walk. In the future, she can even talk and learn how to comb her hair. I can teach her how to tidy up when she goes to school.

as he said this, he looked at her with a burning gaze.

Ye Liangqiu's eyes were also a little hot. After a while, she said softly, "you've put in a lot of effort," "shen ruo will also take care of her." qin anlan carried his younger daughter with one hand. at this moment, his gaze was already cold as he continued to say in a calm voice, " " however, no one can replace the love that mother gave her. "

; ye Liangqiu closed her eyes. an LAN, why are you still talking about this? "

Wasn't he already prepared to get engaged to Shen RUO and even get married soon?

"Why do you say that?" He repeated her words softly and smiled after a while. yeah, why say that Wanwan doesn't need it? " for a moment, the atmosphere became very subtle.

ye liangqiu was also embarrassed and didn't know what to say. after a while, she found a topic to talk about. " where's mu yun? is he in his room? "

Qin Anlan looked into her eyes and said calmly, " "Muyun has a class tonight. It's not over yet." she was a little disappointed, and then a little uneasy. she wanted to take mumu and mu yun to have a children's meal together.

after a long time, she reached out to take mumu. he did not object and gave the child to her.

"muyun will be back around nine. let's see if you want to wait." His tone was very light, and he looked at her deeply.

She nodded.

She held little Mumu tightly with her fingers. With him around, she did not dare to get too close to the child.

qin anlan walked to the kitchen and said something to su xiu before coming out again. he said in a low voice, " "we'll have dinner in half an hour."

Chapter 1778 - 1778: A loophole in the story (2)

She wanted to say that she had already eaten, but she swallowed the words.

A single meal had actually made her so greedy.

after qin anlan finished speaking, his gaze lingered on her face for a while before he entered the study.

as soon as he left, little mumu's soft and tender little hands hugged her, gave her a kiss, and mumbled, " mom.

even so, it was enough to make her happy. she pinched the little person's face and smiled."Mommy, can you teach Mumu how to walk?"

she hoped that she could live, but if she couldn't, then she hoped that she could accompany mumu to take that step.

However, Mumu only wanted to stick to her mother. The little guy refused to take a step and wanted her mother to hold him and lift him up.

Ye Liangqiu had no choice but to accompany the clingy little thing.

Su Xiu came out with the dishes and placed them on the table. She didn't immediately return to the kitchen.

she looked at ye liangqiu with a calm expression. " miss ye, you're very thoughtful. you still remember to visit the young master and young miss. " her tone was full of mockery.

Ye Liangqiu already knew that su Xiu didn't like her because of the old lady.

it had also been a long time since they had a proper conversation.

Ye Liangqiu could understand su Xiu's attitude. Even if Wanwan hadn't caused the old Madam's death and she hadn't deliberately helped su Shicheng, su Shicheng was still related to her by blood. For this reason, she couldn't blame su Xiu.

Ye Liangqiu lowered her eyes and smiled."i'm not a good mother." su xiu still wanted to say something, but she had already raised her eyes. " aunt su, i can't be a good wife, a good mother, or even a good wife. '

Her gaze gently fell on Mumu's face. the children are all young. They will forget the pain, but an LAN will not! Some pain could be endured, but some pain, even as you grew older, would still be unbearable. i'm like this, and so is an Ian." "Just think of it as me being selfish," she said in a low and hoarse voice.

It was probably her words that touched su Xiu, for su Xiu actually looked at her.

After a long while, su Xiu said lightly,"an Ian is getting engaged tomorrow! i really want to ask you something now, do you still love him?" Ye Liangqiu hadn't expected her to ask this, and her eyes froze.

after not answering for a long time, su xiu sighed and did not force her to answer.

She sighed in her heart. Previously, because of the old Madam's incident, she couldn't wait for an LAN to immediately divorce her and find another man. In the past, she thought that Xia Mian was a good person and was obedient and sensible, but she didn't expect her to be such a person.

Now, his wish was fulfilled. Shen RUO's temperament was not bad, but su Xiu had watched Qin Anlan grow up. Ever since he decided to give up on ye Liangqiu, he had not laughed.

Towards Shen RUO, he was also indifferent. Although he was too gentle, he did not have any love for her.

If this went on, she would not be happy.

However, they did not know that Qin Anlan was standing at the door of the study room while they were talking. He was about to come out, but when ye Liangqiu did not reply for a long time, he retreated.

the door closed gently, and he stood by the window, his back lonely.

there was a red dot between his fingers, and the green smoke slowly spread into the dark night.

actually, he could have avoided her today. he had told her before that he would go to shen ruo's parents 'house.

but in the afternoon, he returned.

he thought that she would be bothered by the fact that shen ruo answered his phone the other day because it was very likely that he and shen ruo had done it. but she was very calm.

it seemed that she had accepted everything calmly, so what could he not accept?

Chapter 1779 - 1779: A loophole in the story (3)

Ten minutes later, su Xiu Imocked on the door. an LAN, we can eat now.

qin anlan turned sideways and looked at the door quietly. he stubbed out the cigarette and walked out.

as soon as he went out, su xiu could smell the smoke on his body and complained, " why are you smoking again? didn't you have a serious cough a few days ago? the doctor said you had to get an IV drip, but you refused. Now you're smoking again! the old lady could not stop talking. qin anlan had to endure it and let her say whatever she wanted.

during the meal, the three adults were quite calm, and no one said anything.

there's indeed no need to say anything more to people who have decided to break up, yingluo.

Qin Anlan ate very quickly. After he was done, he took his car keys. I'm going to pick up Muyun.

It was unknown whether these words were directed at su Xiu or to ye Liangqiu.

After he finished speaking, he opened the door and left.

with the two women around, they became more talkative. su xiu looked at ye liangqiu for a long time before softly asking,"Have you ever regretted it?"

ye liangqiu didn't answer directly, but smiled faintly."What about you? do you still hate me?"

similarly, this was also a question that su xiu found difficult to answer. she got up and prepared to pack.

"I'll do it." Ye Liangqiu said in a low voice, reaching out to hold su Xiu's hand.

su xiu was stunned and looked at her.

"i might not have the chance to do such a thing again in the future." Ye Liangqiu quickly tidied up the room, but her voice was still calm. in the future, i'll have to ask aunt su to help me take care of my three children.

su xiu sat and listened to these words, feeling a little strange.

but she couldn't tell what was strange about it.

Taking care of her three children for her? that's right, she had three children.

su xiu's brain went offline, and without thinking much, she was busy taking care of mumu.

one was busy while the other was busy. it was as if they had returned to the past.

This was the scene when Qin Anlan brought mu Yun back.

he put the key down and said softly to mu yun, " "mommy is in the kitchen." mu yun put down the violin and walked towards the kitchen.

Qin Anlan also stood at the kitchen door and watched ye Liangqiu standing in front of the sink in an apron. Her long hair was tied up, and she was focused on washing the dishes.

the dim yellow light and the faint wine on her head seemed to cover her with a faint halo, making her look very gentle.

Qin Anlan leaned against the wall and watched as she caressed mu Yun's head. Then, she washed an Apple for mu Yun.

if ... if he wasn't clear-headed, he would still think that she was his wife.

he just stood there until she looked over, then he left.

qin anlan stayed in the study the entire night while ye liangqiu accompanied muyun and wenshu with mumu in her arms.

mu yun did not ask her about her and qin anlan, nor did she mention shen ruo. He was just quiet. He just felt that his mother would still be around.

ye liangqiu accompanied him. this kind of ordinary company was an extreme luxury for her ...

she accompanied mu yun to finish her homework and took care of the two children to sleep. before mu yun went to bed, she took her hand and asked, "mom, will you come again next week?"

ye liangqiu lowered her eyes and suppressed the heat in them. she forced a smile and said,"i will," only then did mu yun fall asleep peacefully, with one hand holding little

mumu.

Ye Liangqiu looked at it for an hour. He had no face to stay any longer.

before she left, it was qin anlan who went to say goodbye.

He was standing in the study room. When she pushed the door open, the room was filled with the smell of smoke.

Thinking of what su Xiu had said, she also frowned.."An LAN, don't smoke so much in the future!"

“do you still care?” he smiled but did not turn around. ” i’ll take care of myself. ‘

She slowly walked over and hugged him from behind when he was caught off guard.

He froze for a moment, but he did not push her away. He only asked, ” “ye liangqiu, what is this?”

She buried her face in his back and sobbed slightly. an LAN, you have to be good in the future.

his body stiffened even more ...

that was because he had said, ‘without you, how can i live well?’ they were in no position to say this again.

she hugged him tighter and heard him say, ” liangqiu, take care of yourself! ”

She let go of him in the end and slowly backed away.

she took a deep breath and slowly turned her head ...

She left without hesitation because she was afraid that she would turn back if she didn’t leave.

there were some things that needed to be done.

she, or an Ian, there had to be one!

then she would rather be herself.

step by step, she stepped back and looked at his back, silently saying goodbye.

‘An LAN, if I survive, I’ll try my best to make you forgive me. I’ll try my best to snatch you back.

Even if she was selfish or a bad woman, she had to be with him.

she didn’t care what other people said about yingluo.

she only wanted him to be well.

when she reached the door, she couldn’t help but turn back.

he was the same.

their eyes met, and their gazes were equally bitter.

“be careful when you go back,” he said after a long time.

she made a sound of acknowledgment, but did not say anything. she did not leave immediately, but only looked at his face.

she realized that the person she couldn’t bear to part with the most was not the child, but his hanhan.

He pursed his lips and raised his hand. let’s go!

with that, he turned around. he was unwilling and could not bear to look at her. If he continued watching, he would probably change his mind. Yingluo wasn't what he wanted to see.

finally, the door closed.

qin anlan turned his head abruptly. his eyes were red, and a layer of watery light could be vaguely seen in them.

he looked at the door for a long time and suddenly laughed softly.

The weather in April was extremely clear.

the clouds in the sky were soft and the wind was gentle.

but in the su residence, it was as cold as winter.

Su Shicheng sat on the sofa, holding a cane in his hand, his thin fingers constantly tapping on it.

"Liangqiu, it's time." He looked at the expressionless ye Liangqiu and gave a strange smile. now, I'll have to trouble you.

Ye Liangqiu pursed her lips. for the sake of Asia Vision, I don't feel wronged.

Su Shicheng actually had the nerve to say, " dad admires your sense of righteousness the most.

He placed his hand on his cane and looked at the clear sky outside the house. He suddenly sighed. " i wonder if qin anlan would give up king entertainment for you.

He did this because he was actually 50% confident. After all, Liang Qiu had gone to Qin Anlan's place a few days ago, and Qin Anlan had still slept with her. This meant that the boy with the surname Qin could not escape from Liang Qiu.

It was not a big deal to be engaged to another woman. If Liang Qiu was in danger, he would not ignore it!

su shicheng raised his hand and his subordinates immediately tied ye liangqiu's hands behind her back and gagged her, not allowing her to speak. even ah Xing was not spared. he tied shuangshuang up and pressed her to the ground. su shicheng stood up. at this moment, he had never been so high-spirited before ...

he was finally going to have KING entertainment..
