

Thank you 1781

Chapter 1781 - 1781: a variable at the engagement (2)

he was finally going to get KING entertainment. he was going to tell hong ke that he had gotten everything. he had gotten her, and he had also gotten a man like her life's work, qin pei. he was just a good-for-nothing.

It was the same physically and mentally.

he looked at ye liangqiu and a 'Xing, who were sitting on the ground, and a touch of ruthlessness flashed across his eyes.

After this, they couldn't stay.

it was a scheme, but he would kill the hostage regardless of whether he had the shares or not.

If she wanted to blame someone, she could only blame her for not listening. This kind of daughter was too difficult to control. She was better off being

Yingluo.

su shicheng stood under the afternoon sun and calmly asked his subordinate, " what time is it now?"

"it's four o'clock, mr. su," the subordinate replied calmly.

Su Shicheng nodded and smiled. it seems like the engagement ceremony is about to begin.

call Qin Anlan and tell him that ye Liangqiu is in my hands. If he doesn't come on time, I'll kill his woman. His voice was ruthless.

at that moment, ye liangqiu and a 'Xing looked at each other and were certain that su shicheng really wanted to silence them.

No matter what the result is, Yingluo

Su Shicheng slowly walked out and saw about twenty people standing outside.

He turned around and said softly,"bring the young lady to my place and look after her!" and so is a 'Xing."

This place would only be an empty city.

qin anlan cared about liang qiu's words and would obediently do as he was told.

A moment later, ye Liangqiu and ah Xing were stuffed into a black RV. Before they left, photos of them were taken and sent directly to Qin Anlan's phone.

then, they called qin anlan's phone, but they could not get through this is a big joke, yingluo.

before qin anlan and shen ruo's engagement, he was in the lounge. although they were engaged, he was still dealing with work.

In the middle, Kie had called him out for something, so the phone he had taken from him was left on the table.

shen ruo happened to be there and received the photo.

it was a picture of ye liangqiu being tied up. he had sent it to qin anlan's phone to get qin anlan to make an exchange.

No matter what the conditions were, it was not good for Shen RUO.

At least, today's engagement was canceled.

Shen RUO looked at the photo for a long time. Her fingers trembled, and she finally deleted it.

Then, she switched off Qin Anlan's phone and threw it under the sofa.

This way, their engagement would not be disturbed.

as for ye liangqiu, she felt that it was that woman's scheme. she was just trying to get an Ian back.

when qin anlan returned, shen ruo smiled at him. "It's almost time, let's go out."

Today, Shen RUO was very elegant. Her white dress showed the advantages of her figure, but Qin Anlan did not pay much attention to it. After seeing ye Liangqiu, what other woman could attract him?

He only nodded his head, his eyes swept across the table, and his expression seemed to be different. However, in the end, he did not say anything and let Shen RUO hold his hand and walk out of the suite.

Kie was at the door. When he saw them coming out, he had a complicated expression on his face.

the engagement was over, but it wasn't something that could be canceled just because he wanted to. had president qin really made his decision?

in contrast to qin anlan's coldness, shen ruo seemed to have the taste of a bride-to-be.

her bashful face and timid gaze were a stark contrast to qin anlan's cold expression.

Today's event was not small, and most of them were people from the business world. Qin Anlan's arrangement was not done deliberately for the sake of others..

Chapter 1782 - 1782: a variable at the engagement (3)

he looked around but did not find the person he was looking for.

she did not come.

last night, he didn't ask if she was coming, and she didn't say.

This topic was like a taboo, and no one was willing to speak about it.

his feelings were quite complicated now. he didn't know if he hoped that she would come or not.

she's here. do you want to see regret on her face, or do you want her to take me back?

his heart turned a thousand times, and Shen Ruowang was in his arms, smiling and teasing him.

The emcee was also King Entertainment's best host, and the atmosphere was especially good.

Shen Ruowang's family all went up the stage, while Su Xiu was on Qin Anlan's side.

That was what Qin Anlan thought in his heart. Su Xiu had always hoped that he could start a family again. Now that her wish had been fulfilled, he thought that she would be happy. However, Su Xiu went on stage and did not give it much thought.

Su Xiu's spirit had been a little dazed. She always felt that there was something in her mind that had not been sorted out.

What was it?

What was it?

He felt that it had something to do with Ye Liangqiu.

Liangqiu had come over yesterday and said a few words to her. After that, she felt uneasy and uneasy.

Which part was wrong?

Su Xiu couldn't remember and Xuxu also sighed in her heart. After all, she was old and useless.

Just as she was about to give up, Qin Anlan held her arm and said gently, "Aunt Su, are you feeling uncomfortable?"

Su Xiu hesitated for a moment, but still nodded. "I'd better sit in the audience.

The lights on this stage are too bright and eye-piercing, so I can't remember anything."

Qin Anlan's heart trembled. He felt that Aunt Su's spirit had not been good recently.

He personally helped Aunt Su down and sat her down in the corner.

With his attitude, the Shen family naturally did not dare to underestimate Su Xiu's position in the Qin family.

One had to know that when Su Xiu went on stage, the Shen family was still unhappy.

The Qin family's main branch was gone, but any elder from the side branch would be more dignified than a servant on stage. However, since Qin Anlan insisted on this, they did not dare to say anything.

The Chen family's parents were already planning in their hearts that when their daughter married over, they would have to properly display the aura of a Madam and not be controlled by the servants.

Su Xiu naturally knew what Qin Anlan was thinking. She patted the back of his hand. "You're so thoughtful! I'm fine. I've lived for so long, it's better for me to go back to the countryside in the future."

Qin Anlan comforted ran ran with warm words.

everyone on and off the stage was a little surprised. wasn't this an engagement? why didn't he go on stage?

the bride's family just stood there and watched the show.

Su Xiu listened to Qin Anlan's words and suddenly thought of something. "by the way, momo, did momo take it?"

MO?

qin anlan's eyes dimmed. "momo is at the chen family. "

su xiu's expression was a little strange. after a long time, she said, "That's not right. Liangqiu asked me to take care of the three children. silently not here, yingying."

Qin Anlan's expression changed slightly. He reached out and grabbed su Xiu's hand. His voice was also slightly tense. "Aunt su, what did you say? Liangqiu asked you to take care of Momo?"

su xiu came to her senses and nodded. " yes, that's what she said last night. " she told me to take good care of her three children and to take care of you, yingluo."

As su Xiu said this, her expression changed. Why did it sound like she was explaining something?

qin anlan thought about the night before and the way she had hugged xuxu before she left. a bad feeling rose in his heart!

something had happened to liangqiu!

Chapter 1783 - 1783: He must take care of her (part one)

Qin Anlan's expression became more and more serious. He pursed his lips and looked at Kime. contact Liang Qiu immediately.

Just as Kim was about to speak, his phone rang.

he looked up with a solemn expression, " it's su shicheng. "

qin anlan took the phone and tried his best to calm himself down. when he opened his mouth, his voice was already extremely hoarse. "Where is she?" a burst of maniacal laughter came from the other end of the phone, followed by su shicheng's gloomy voice, " if you want to know where she is, we'll have to see if president qin is sincere. " qin anlan's voice was brief. " what do you want? "

Su Shicheng was stunned for a moment. He did not expect Qin Anlan to ask so directly.

Then, he laughed smugly. President Qin, today is your big day, yet you're so concerned about your ex-wife? "

Qin Anlan's expression was as dark as water. Mr. Su is right. Today is my big day. There's no need to waste time and effort on irrelevant people.

This time, su Shicheng was completely stunned and did not recover for a long time.

After a long time, he narrowed his eyes and looked at ye Liangqiu and ah Xing, who were tied up. He smiled sinisterly and said, "I don't believe that you'll leave her alone! It's so sweet.

su shicheng's voice was deep and slow, with a hint of greed, "transfer the ownership of KING entertainment and bring it here. otherwise, i'm afraid i'll be ruthless and take a look at that photo. you should have received it, right? 'photos?"

Qin Anlan's hand touched his pocket. His phone seemed to have been left in the lounge and then disappeared.

he gave KIME a look, and KIME immediately ordered his men to dig three feet into the ground.

the muscles on qin anlan's face were clearly twitching. he suppressed his voice and said, "mr. su, you must be joking. KING entertainment is the qin family's business. how could it be destroyed for a woman?"

Moreover, if he really signed the document, Liang Qiu would not be able to live.

su shicheng was naturally annoyed by his reply. he did not expect qin anlan to reject him so decisively.

do you really not care about her life and death?" he asked coldly.

qin anlan's voice was even colder than his. "i'm sorry, i have to go through with my engagement." With that, he hung up the phone.

At that moment, Kim took his phone and said in a low voice, "i found it under the sofa."

Qin Anlan's gaze fell on Shen RUO, who was on the stage.

Shen RUO's lips moved slightly, and after a long time, she finally squeezed out a sentence, "Anlan, we're getting engaged today. Zhenzhen, I don't want to be disturbed by anyone.

she was selfish, but it was normal for her to be selfish.

ye liangqiu had already divorced him, so it was abnormal for her to pester him like this.

Shen RUO felt that she did nothing wrong, but she felt lonely as she stood on the stage.

She was overjoyed when he said he wanted to get engaged. She thought that she had finally gotten what she wanted.

but in the end, he only had ye liangqiu in his heart, and this almost drove her crazy.

qin anlan looked at her but ordered KIME, who was standing beside him, "prepare the car! also, prepare the documents. i'll leave first, and you can follow me when you're done." he didn't hesitate. at this moment, there was no more of his mother's death and no more hatred for her.

it was only then that he realized that as long as this woman was in danger, he would not hesitate to use his everything and his life to exchange for her.

As he walked out, he took off his bow tie and unbuttoned the top two buttons of his shirt.

the bodyguard at the side silently handed over a small gun..

Chapter 1784 - 1784: He must take care of her (part two)

All of this happened in front of everyone.

Just like his love for ye Liangqiu, it was intense, burning, and unreserved.

“an Ian!” Shen RUO let out a heart-wrenching scream. Her body swayed and trembled.

She couldn't believe that he had really abandoned her like this. He would take everything he had with him to find ye Liangqiu.

his career, his feelings, and his life.

“do you really care about her that much?” shen ruo's lips curled into a smile, looking a little sad.

all of her hope, all of her confusion about the future, was gone.

At this moment, he had completely disappeared.

shen ruo rushed down and hugged qin anlan from behind without a care. she buried her face in his back and sobbed. ” an Ian, this could be a conspiracy. the mastermind could be herself! why do you always trust her, again and again? yueyue, have you forgotten how she hurt you?”

qin anlan's fingers pried her away bit by bit. he did not blame her for hiding the phone.

She was not wrong.

it was because human emotions were selfish. the life and death of others had nothing to do with themselves.

but he couldn't ignore ye liangqiu. even if the world had come to an end, even if they had broken up a hundred times, he would still care about her.

It was because she was the little girl who was scared to death the first time they were together. She was the first girl who dared to scheme against him like that. She was pregnant and had hidden for so many years!

yes, how could he not care about the woman who gave birth to his three children?

“Yes, it could be a conspiracy.” qin anlan raised his head slightly. ” however, even if she's only one percent in danger, i can't just ignore it. ”

he finally broke free from her, pushed her aside, and quickly walked out of the hall.

Behind him, there were about thirty people.

Kie quickly went to prepare the materials. He hesitated for a moment, but after seeing boss Qin's expression, he didn't hesitate anymore and printed the materials.

On the other side, su Shicheng put down his phone, his face gloomy and terrifying.

qin anlan had actually rejected ran ran without any mercy!

how could he accept this?

he held the phone and walked toward his daughter step by step. he squatted down and said in a voice so soft that it made one's hair stand on end."Did you hear that? He has abandoned you. i don't want you anymore. i'm going to get engaged to another woman."

"didn't you say that you made up in the apartment last time? Didn't you say that he still cares about you?" His voice became even colder and emotionless. you dare to trick me? '

Ye Liangqiu and ah Xing sat back to back with their hands and feet tied.

"do you think he'll still love me after his mother passed away?" she sneered. you're the one who killed his mother, so it's destined that we can't be together. furthermore, you're offering KING entertainment to me with both hands? " ye liangqiu's eyes were as cold as ice.

Su Shicheng laughed eerily for a moment, "very good! So, you planned this on purpose? For what?"

He paced back and forth in front of her, his fingers caressing his chin. let me think about it. You're doing this because you want to fight to the death with me. Have you thought about it? Qin PEI is still in my hands. Also, I'll tell Qin Anlan the truth about his mother's death right now.

seeing the change in ye liangqiu's expression, su shicheng laughed in an unrestrained manner..

Chapter 1785 - 1785: he must take care of her (part three)

seeing the change in ye liangqiu's expression, su shicheng laughed, " did i hit your sore spot?

Liangqiu, I'm your father. You're still too young to play these little tricks. Are you tired of dealing with me? Do you want to fight with your back to the water? However, didn't anyone teach you to not be too greedy? you want qin pei to live, but you also want to keep this secret, isn't it a little too difficult?"

"however, you still have a chance to redeem yourself!" Su Shicheng coldly laughed,"don't you still have a child?" He won't just leave us alone, will he?" ye liangqiu's eyes were calm. " su shicheng, it's a pity that you're a human. " His expression changed, and he quickly raised his hand.

however, his subordinate came over and whispered a few words to him, causing su shicheng's expression to become even uglier, " that's good. you're promising. i've already prepared for this! " he looked at her and then at Xing. " then, you can only die. '

"I wonder who will die first!" ye liangqiu's voice slowly rang out. then, she actually stood up.

he was holding a gun in his hand and pointing it at su shicheng.

Xing, who was behind her, did the same. he stood up immediately, leaving a few lonely ropes on the ground.

Su Shicheng retreated, and the people behind him immediately blocked his path, their black guns pointed at ye Liangqiu.

The two factions each had a dozen or so people, pointing at each other and not giving in.

“It seems like you’re planning to cut off all means of retreat? You don’t want Qin PEI to live, do you?” su shicheng said with a fake smile, his face like a wax doll.

Ye Liangqiu took a step forward. dad, didn’t you just teach me not to be too greedy? therefore, whether he lives or not will depend on his fortune.”

Su Shicheng’s face froze and his eyes narrowed slightly as he stared at her, trying to find something in her eyes.

but she didn’t. her eyes were calm.

he was the one who had given birth to this child. he had grown up outside, but he was also so ruthless.

the most ruthless realm was not against others, but against oneself.

She actually didn’t care about her own life and death anymore. She had nothing to fear. This kind of person was the most terrifying.

a trace of fear appeared in su shicheng’s old eyes, and he took a step back.

Ye Liangqiu’s gun was already in the air, and she fired without hesitation.

With a thump, the person in front of su Shicheng fell to the ground in a pool of blood.

su shicheng stopped and coldly laughed, “Liangqiu, are you really going to break up with your daughter?”

“i only hate that i didn’t do this earlier.” ye liangqiu looked at him, his voice as cold as water.”today, only one of us will be able to walk out of here! I won’t feel uneasy if I kill you.” this was because this person was not her father, but a demon.

how many people had he killed?

Su Shicheng chuckled, ” Liangqiu, don’t be naive! do you think that you can get out of here by killing me?”

He raised his head. there’s a bomb here. As long as you press the switch, everyone will be blown to pieces.

“bang! it was like setting off fireworks!” He looked at her. just treat it as a gift for Qin Anlan’s engagement. Think about it, are you willing to accept it? ” ye liangqiu’s voice was strained. ” there’s nothing to be unwilling about. ‘

he raised his eyes and saw an elevator behind him. a wooden prison was slowly rising, and the person locked inside was qin pei..

Chapter 1786 - 1786: He must take care of her (part four)

su shicheng watched with her. ” liangqiu, shoot. if you shoot, i’ll blow qin pei up into a million pieces. i think it can even be a special show for qin anlan’s engagement. ” ye liangqiu’s gaze fell on qin pei.

She had seen Qin PEI three times, and there was blood every time.

For the first time, an Lan’s mother had left.

the second time, a ‘Xing was crippled.

Who was it this time?

his gaze slowly returned to su shicheng’s face, his voice calm, “the reason why you’re telling me so much is because you don’t want to fight to the death with me, right?”

She laughed softly, “you’re thinking about everything that shouldn’t be there!” “an Ian’s mother, KING entertainment, but you don’t know that i’ve already given away your life’s work.” su shicheng’s eyes narrowed. ” what did you say? ‘

I might as well tell you that I’ve already transferred the shares of Asia Vision under my name to Qin Anlan. The contract has already come into effect. Ye Liangqiu tilted her head and smiled.”Don’t you think this is the best engagement gift?” Su Shicheng was clearly furious!

how dare she do this?

how could he hand over his life’s work?

He even gave it to the Qin family?

su shicheng’s eyes were bloodshot, and his eyeballs were about to pop out of their sockets. he glared at ye liangqiu. ” i’m going to kill you! i’m going to kill you! ” ye liangqiu was unmoved. she had long since stopped feeling sad because of him.

“Do it!” She said softly.

However, su Shicheng did not make a move on her. Instead, he ordered his subordinates, ” kill Qin PEI.

As soon as he finished speaking, ye Liangqiu’s gun fired again.

su shicheng was shot in the abdomen.

He lowered his head and looked at his own wound. He watched as blood flowed out and stained his clothes red.

He looked up again and saw her cold face.

once again, he went up the roof without hesitation.

“that’s good!” su shicheng coldly laughed, ” i’ve raised a female devil who can kill without blinking, right? ” he dodged a bullet from her, grabbed the gun at the side, and fired at her.

he dodged a bullet from her, grabbed the gun at the side, and fired at her. To him, she was still of value. Ye Liangqiu had been shot with her left hand.

the bullet pierced through her hand. this was the second time her palm had been shot, and blood dripped down from her fingers.

Xing stepped forward and fired a few shots at su shicheng.

The two sides were in a chaotic battle, and the cameras kept sweeping. and qin pei seemed to have been forgotten.

su shicheng did not want to die, but this old monster had not given up!

He hadn’t lost yet. As long as he held onto that secret, it actually didn’t matter if Qin PEI died or not.

He reached out and pressed a button. Suddenly, a red light in the villa swept over Yingying.

su shicheng sneered, ” ye liangqiu, you can continue to fight me to the death!

but the end result was that none of us could get out. In five minutes, this place will become flat ground.”

He was already prepared.

he was still worried about her and guarded against her.

The villa was filled with smoke. Su Shicheng didn’t want to play with her any longer. She was in the open, and he was in the dark. He could find her to settle scores at any time.

But ye Liangqiu knew that he only had one chance.

If she let su Shicheng off and he went into hiding, it wouldn’t just be her. An LAN, the children, and everyone else would become dangerous.

He was a lunatic.

and she had the madman’s blood in her!

enduring the pain in her palm, she covered her mouth and nose as she held her gun. ah Xing cooperated with her and moved forward step by step, looking for su shicheng.

The entrance was also blocked..

Chapter 1787 - 1787: He must take care of her (5)

in the smoke, su shicheng’s gritted teeth voice sounded, ” are you crazy? There’s less than four minutes!”

“dad, i’ve already done my part by dying with you!” Ye Liangqiu’s voice was calm.

after that, she shouted towards the top, “qin pei!” “Whether she lives or dies is no longer within my control. However, I will protect an LAN.”

“we have three children,” she continued after a pause.

Qin PEI made a whimpering sound, and ye Liangqiu’s heart trembled. She knew that he couldn’t speak.

She quickly squatted down, and sure enough, she heard the sound of bullets flying above her.

“it’s a pity that i didn’t kill you!” su shicheng’s voice was strange,”liangqiu, if you’re not my daughter but my opponent, it’ll be fun.”

“too bad, you can’t even deal with one k entertainment! don’t you think you’re useless?” ye liangqiu also fired a shot in the direction of the voice, but su shicheng was crafty enough to avoid it.

Bullets rained down, and people were injured from time to time. Xing stuck close to ye Liangqiu and slowly moved forward.

the smoke had slowly dissipated, and the air was much clearer.

Without the barrier, the frequency of gunshots increased.

by the time everything became clear, su shicheng had thirty to forty people standing behind him, while cold autumn only had seven or eight people.

“Liangqiu, you’re still too young.” su shicheng’s voice was cold. ” if you apologize to your father now, i’ll let you off. ‘

He raised his hand, and the men stepped forward, forcing ye Liangqiu and a ‘Xing into a corner.

ye liangqiu’s voice was low. ” ah Xing, are you afraid of death? ” young miss isn’t afraid, so I’m naturally not afraid, ” said ah Xing.

in a while, we just need to hold him back until the end, ” ye Liangqiu’s voice was faint, like a touch of desolation in the spring.

“alright,” Xing nodded.

Ye Liangqiu estimated that they didn’t have much time left, and she and a ‘Xing should be able to hold su Shicheng back.

she couldn’t live on anymore. in her final moments, she thought of an Ian.

Was he engaged? in the future, there would be a woman to take care of him and their child.

she had nothing to worry about.

Su Shicheng, the secret, and her would all be buried in the sea of fire.

it didn't matter if they exploded together until not a single strand of hair was left. she was born in such a miserable family, and she could die in such a grand way.

And an LAN was the only dazzling beauty in her life.

she had no regrets.

the number of red lights on the button in su shicheng's hand was getting closer and closer, decreasing bit by bit.

He had forced her, but she wouldn't let go.

In the final confrontation, the two of them pointed at each other's heads.

they were all cold and emotionless.

su shicheng's cold voice rang out, " i'm warning you, there's still two minutes! "

"i don't need it! we can die together!" ye liangqiu's right hand held the gun, and his left hand was bleeding.

"Do you really want to die together?" su Shicheng was a little annoyed.

"right!" Ye Liangqiu laughed miserably. you never gave me a chance to live. Su Shicheng, your retribution has come!

su shicheng's men wanted to shoot, but if they did, mr. su would die.

ye liangqiu was going all out to die together.

No one dared to move.

the air seemed to have frozen.

At this moment, a sound came from the door. "Release her." Su Shicheng lightly laughed, his laughter unrestrained..

Chapter 1788 - 1788: He must take care of her (6)

The air seemed to have frozen.

at this moment, a sound came from the door. " "Release her."

Su Shicheng lightly laughed, his laughter unrestrained. su shicheng lightly laughed, his laughter unrestrained.

"my little darling cool autumn, it seems that even the heavens won't let me die.'

you want both sides to suffer, but qin anlan can't just watch you die. " su shicheng chuckled, " look who's here. the man who claimed that he doesn't care about you is here to save you. let's guess, did he bring KING entertainment's transfer agreement? '

Ye Liangqiu looked up, her heart trembling.

qin anlan stood at the door. he was travel-worn and his face was pale.

Her eyes met his, but she could not say a word to him.

her lips moved, but she was unable to say anything.

little baby, think about it. Is that secret more important or is King Entertainment more important? do you think that if I tell you now and you survive, you won't have the face to be with him anymore? ”
su shicheng laughed happily.

even the heavens were helping him!

ye liangqiu pursed her lips. ” qin anlan, get out. this is a personal grudge between me and him. ‘
however, she did not expect that qin anlan would shoot instead of su shicheng.

the person he had hit was not su shicheng, but ye liangqiu.

The bullet grazed her hand, and the gun in her hand fell to the ground.

She took a step back and looked at Qin Anlan in shock.

she knew him. he did not want her to die.

However, did he know that su Shicheng could use her to threaten him?

Everything became passive.

qin anlan would never be so stupid. he was really stupid and foolish to do this!

tears finally welled up in her eyes. her lips moved. ” leave quickly. ”

Towards the end, his voice was already heart-wrenching.

in fact, it was his heart and lungs that were torn apart.

After seeing the person in the wooden cell, what else did he not understand?

Su Shicheng chuckled. what a big surprise, an LAN? ” you didn't expect that your disappointing father is still alive, did you?”

he reached out and pulled ye liangqiu over. ” now, what else do you have to say? Just like Liangqiu said, you've easily destroyed a good hand of cards. You could've ignored her life and death, let her sacrifice herself, let her die with me, but you fell in love with the enemy's daughter and insisted on saving her. ‘

su shicheng laughed so happily that his hair stood on end and his voice was extremely cold, “from now on, you have to listen to me.”

he had never felt so carefree before. the sky was so blue, and the air was so wonderful.

even the sound of the bomb was so pleasant to hear.

He was simply intoxicated!

Su Shicheng chuckled and looked at Qin Anlan. now, give me kine entertainment.

“On what basis?” “Actually, there’s another outcome,” Qin Anlan suddenly said.

ye liangqiu’s heart beat faster as she looked at him.

His eyes were gentle. Liangqiu, don’t be afraid!

he then looked at su shicheng and said, “isn’t it just death?” At most, the three of us will die together!”

He raised the gun in his hand and laughed softly. “she’s not afraid, so what do i have to be afraid of?”

Su Shicheng was stunned for a moment before he laughed, Anlan, why do you have to do this? is it worth it for the sake of your enemy’s daughter? ”

Chapter 1789 - 1789: cool autumn, be obedient (1)

Qin Anlan looked at su Shicheng quietly. His expression was unbelievably calm, as if he could not hear the countdown of the bomb. His voice was deep and slow as he said, ” whether it’s worth it or not is my business.

he paused for a moment and said in a very light tone, ” i think, if i don’t want to, neither of us can get out of here. ”

su shicheng was clearly no longer as calm as before, his turbid eyes showing that he had lost his momentum as he sternly said, “You’re actually like this!” “i was actually tricked by you,” he muttered.

Qin Anlan interrupted him, and his voice became even fainter. no, I lied to myself.

he looked at ye liangqiu and smiled. ” liangqiu, i’m here! ” are you happy? Ye Liangqiu shook her head with all her might, her tears falling non-stop. an LAN, leave. Don’t worry about me!

her voice was almost torn. ” i don’t need you to care about me. go back and get engaged. go on! ”

Her tears kept falling, blocking her eyes like rain.

she couldn’t see, but she could feel his gentle gaze on her.

in the most dangerous time, he was actually very calm.

because he had already decided to use himself to exchange for her safety.

Everything she had done in the past and now was for her!

The truth wasn’t that important anymore. The most important thing was that she loved him, and he still loved her.

they had once been like children, testing each other and hurting each other.

But from the beginning to the end, they had left some room for their relationship.

yes, he had never given up.

She didn't, and he definitely wouldn't.

Qin Anlan's heart had never been so clear, but his face was calm.

"all these years, i've never regretted treating you well or bad. " He smiled slightly and looked at her. He said almost cruelly, " "Ye Liangqiu, I'll give you two choices. One, the three of us die together. Two, you live."

before ye liangqiu could reply, su shicheng had already gloomily interjected, Qin Anlan, do you think you can decide everything? "

"If you can't, then we'll die together."

su shicheng was stunned, but he continued to negotiate, " use your life and

ye liangqiu shook her head lightly. " an Ian, don't! It's not worth it. "

Her voice was shrill. I'm his daughter. I'm not worth it.

qin anlan looked at her with a burning gaze. it was even more intense than when they had their wedding. at this moment, his feelings were so strong that they were about to overflow and he could not control himself.

However, he still had to endure it because he wanted his Liang Qiu to live.

Su Shicheng's subordinate walked over and handed the document to him, his fingers trembling.

Finally, he had King Entertainment.

ye liangqiu reached out to grab the document, but qin anlan stopped her.

“Liangqiu, the three children are waiting for you at home,” he said softly.

He had heard su Shicheng’s words and could guess that his mother’s past was the truth that Liang Qiu had been trying to hide.

The fool teased him about the tears in his eyes, but they did not fall.

He would not cry easily. He wanted her to always remember that the man who loved her would not cry.

he slowly walked forward and spoke in a deep voice, ” if you don’t let her go, i guarantee that su shicheng will be turned into a hornet’s nest.

Su Shicheng sinisterly laughed. He had obtained everything he wanted, so what if he spared ye Liangqiu’s life?

ye liangqiu looked at qin anlan and began to struggle.

she looked at him with teary eyes. he was dressed in a formal suit, his handsome face peaceful, and he was walking quietly towards the wooden cell.

“An LAN!” She shrieked, ” I don’t want you to be like this. I don’t want you to die! Did you hear that? if you dare to die, I promise I won’t live either!!” he didn’t stop and continued to walk forward.

“Did you hear that? I won’t live. Yingluo won’t forgive you.” her face was full of tears, and her body was struggling desperately. the blood on her palms had dried up.

But she could no longer feel pain.

qin anlan stood in front of the wooden cell and slowly turned around to look at her.

His dark eyes were complicated, with all the love he had for her. Yes, at this moment, there was only love left.

“Liangqiu, be a good girl,” he said softly.

“no, i don’t want to be obedient! ” an lan, come down here to take a walk. ” she struggled with all her might, crying incoherently. ” an lan, come down. even if we die together, it’s better than this. come down, come down here to take a

He could only do this much for her.

And in the wooden cell was his father.

Qin Anlan's voice was very calm. dad, our family of three can probably be reunited now.

Even though that person was no longer the person in his memory, he still remembered his aura.

She slowly squatted down and reached out to brush away his long hair.

qin pei instinctively dodged. how could he have the face to see an Ian?

"Dad, it doesn't matter! It's all in the past. " Qin Anlan's voice was very soft. mom
