Chapter 181

181 I want you to hug me (3)

He didn't come alone. Other than Meng Qingcheng, there were other higher-ups from Sheng Yuan. more than a dozen maybach cars were lined up in a row below the teaching building. with dozens of high-level elites standing there, the imposing manner was unparalleled.

meng qingcheng thought that it was too childish to have so many people playing girly games with the president. And he even left behind a development project worth billions!

PEI Qiqi leaned on Tang Yu's broad shoulder and secretly bit him, " childish!

tang mo sighed in his heart and smiled. " do you like it? "

PEI Qiqi couldn't say it. She just looked at him in a daze.

In her life, PEI Minghe had always played the most important role, protecting her with great difficulty.

however, one day, this person became tang yu.

an unfamiliar man who had forcefully taken everything from her.

He was very gentle, but she knew that deep down, he was a strong man who would not allow her to betray him.

he had compromised and forgiven her because of her feelings for him before they met. if it had happened after, he would not have let her off so easily.

However, it was this kind of man who had helped her time and time again when she was at her most embarrassing.

now that he was asking her if she liked his 'childish' behavior, how could she not like it? no woman would not like this kind of pampering.

pei qiqi didn't say anything and just looked at him.

tang yu patted her and carried her into a car. then, he straightened his body and looked at principal wang.

He was wearing a gray suit today and looked particularly noble, like a male model who had just walked out of a magazine ...

principal wang's sharp eyes had already noticed that on the second, third, fourth, and fifth floor of the teaching building, the railings were full of students standing there, looking at yingying.

the school was under a lot of pressure, especially principal wang. he had just received a donation of tens of millions from sheng yuan, and it had only been a few days, yet mr. tang had already come to ask if his little cutie was not happy in B school.

Principal Wang had just finished accompanying King Entertainment's Qin Anlan and now, there was Sheng Yuan's Tang Yu.

he expressed that it was getting harder and harder to be the principal. he also thought that tang yu appeared because he found out about KING, so he quickly explained, " we won't force student PEI to be the female lead of King Entertainment. Don't worry, Mr. Tang!

" KING entertainment? " tang mo's eyes narrowed slightly and a sharp glint flashed in his eyes.

Principal Wang wished he could bite off his tongue. Mr. Tang still doesn't know?

tang yu's eyes scanned pei qiqi who was in the car. then, he pursed his thin lips and didn't look too happy.

The principal immediately understood Tang Yu's thoughts. As expected, men were all dark. No one would want their woman to show her true colors in front of outsiders.

"we will deal with them." principal wang's back was already sweating, and he carefully apologized.

Tang Yu scoffed. He walked around to the front, opened the door to the driver's seat, and started the car.

Following that, the group of higher-ups also got into the car and drove away within a minute.

Only the school leaders of B University were left at the scene.

Seeing that principal Wang was still standing, the Deputy Principal reached out to help him up. principal Wang, you have to hold on.

principal wang was still in a daze. he turned around and looked at the vice principal. " i think the wife of sheng yuan's ceo will be the most beautiful girl in b university after our school has welcomed our god of fortune, xuanji! "

Chapter 182

182 I want you to hug me (4)

At this time, principal Wang had completely woken up and regained his usual calmness. He commanded calmly, " now, draft a draft and pretend to publish a statement online in the name of a reporter. Report about today's incident and increase the exposure of B University.

what's going on? " he glanced around. you can take a clear screenshot of the surveillance here, right? "

The vice-principal thought about it and felt that it was a little inappropriate. will I make Mr. Tang unhappy? "

Principal Wang gave him a look. who wouldn't be happy if I pick something nice?! Let a professor from the Chinese department write it! Write well."

as he spoke, he tidied his clothes and coughed lightly. " the competition between the universities is fierce these days. we have no choice! "

then, she added, " today, KING will be casting. just say that the person he chose is mr. tang's fiancée! "

The Deputy Principal was still a little worried. well, isn't it a little too rash to directly say that she's Mr. Tang's fiancée? "

"What do you know? it's fine even if you say you're Mr. Tang's wife!" Principal Wang snorted.

when a man likes a woman, he's a little devil!

At this moment, Tang Yu was driving his little ancestor towards the highway.

PEI Qiqi looked at the road sign and didn't dare to make a sound.

"you want to go?" He suddenly asked.

"ah?" pei qiqi was in a daze. she turned her head and looked at his handsome side profile.

tang yu coughed, " i'm talking about KING! "

" oh, " she replied, then shook her head. " no! i don't want to go!"

"Is it because you don't want to go, or is it because of me?" he asked very indifferently.

pei qiqi stared at his side profile, trying to find something on his face. however, how could a young girl like her easily see through a man of tang yu's age?

After a long time, she finally said hesitantly, " because you don't like it!

"do you like it?" it was rare for him to get an answer from her.

pei qiqi thought about it seriously,"i don't like it either!" but if i ever lack money, i'll bid for it!"

He reached out and rubbed her. this day will not come!

he wouldn't let her lack money and do things she didn't want to do.

PEI Qiqi's head was gently rubbed by him. He had done this many times, so many times that she was already used to it.

getting used to being a coward was a very scary thing.

she was in a daze.

Tang Yu, on the other hand, felt gloomy.

If there was any setback in Tang Yu's life, it would be one thing:

it was about qin anlan's disdainful attitude towards KING entertainment's ceo.

His face was a little serious. PEI Qiqi didn't dare to say anything more. She only stole glances at him from time to time.

Suddenly, he grabbed her hand. Tang Yu's voice was a little deep, " "Don't be afraid of me!"

" mmh. " pei qiqi looked ahead uneasily. she realized his car was heading to the airport and was surprised, " tang yu, where are we going? "

"A neurologist from the United States came to B city today." he said lightly, then turned to look at her. " i heard that you're very successful in your father's situation. "

PEI Qiqi's mouth was slightly open as she looked at him. She couldn't say anything for a long time.

"I was supposed to let Qingcheng pick you up, but I'm already out, so I'll take you to meet him!" Tang Yu explained further.

PEI Qiqi lowered her head and said in a soft voice, " tang yu, thank you. "

He sighed and turned the steering wheel with one hand while holding her hand with the other. Qiqi, when will you stop being so polite, huh? "

Chapter 183

183 tang yu is also very pure (1)

PEI Qiqi let out another 'Oh' and he sighed again, " "pei qiqi!"

"I'm here!" she looked at him and pursed her lips. " you don't have to repeat it like that! "

he was like an old man!

Tang mo glanced at her.

PEI Qiqi immediately stopped talking. She must have borrowed some courage just now.

He patted her little hand and let go, then focused on driving.

When they arrived at the airport, they waited in the VIP room for about half an hour before Elam Burgh came out of the special passage with a young assistant.

Tang Yu gave a brief introduction and chatted with professor Yi Lan as they walked. He spoke in English the entire time.

pei qiqi's english wasn't bad, but she was shocked. he spoke a lot of professional english and she couldn't understand a thing.

and he really looked noble and elegant. he was more restrained than usual and appeared more modest. for some reason, pei qiqi's heart throbbed.

because she knew that everything he did was for her.

Suddenly, professor Elan said in Chinese, " "dunn, your girlfriend is very beautiful."

Tang Yu glanced at PEI Qiqi. PEI Qiqi was a little embarrassed.

a moment later, mr. tang calmly said, "it's okay, but he's too young, yingluo."

Professor Yi Lan smiled at PEI Qiqi and said, "Tang likes you a lot.

pei qiqi could only smile. then, she grabbed onto tang yu's sleeve and refused to let go.

she was always a little embarrassed and unaccustomed to it.

Tang Yu simply grabbed her little hand and held it.

when they got into his car, he arranged for professor yi lan and his assistant to sit in the back. then, he reminded pei qiqi, "inform the family that we are going now. "

pei qiqi almost forgot about it. she took out her phone and called home. zhou meilin picked up. when she heard pei qiqi's voice, she sounded especially cold, "Is there something?"

she hated pei qiqi even more than before. on the day of pei huan's wedding, because of pei qiqi's disappearance, the entire wedding was ruined. pei huan lost all her face.

everyone in the lin family knew that lin jinrong liked pei qiqi and didn't care about pei huan at all. if it wasn't for the meat in his stomach, lin jinrong probably wouldn't have acknowledged it!

these days, pei huan had moved back to her mother's house, and lin jinrong had not come to see her even once. even zhou meilin's heart couldn't help but feel cold, but because of the lin family's power, she didn't dare to say anything.

now that pei qiqi called, how could she be comfortable?

pei qiqi pursed her lips, "tang yu invited an United States doctor over. he wants to show dad. "

when zhou meilin heard this, she calmed down. from the bottom of her heart, she still hoped that pei minghe could get better.

now that pei huan was being bullied in her in-law's family, without a man in the family, she felt that she was even more lacking in anger. she also had no one to rely on. the main reason was that rong lei, that pretty boy, had run away, so zhou meilin's heart also came back a little.

"Then come over! Your father just woke up!" Zhou Meilin softened her tone.

She had just hung up the phone when she saw PEI Huan coming down the stairs, holding her stomach.

"mom, it's that little b * tch pei qiqi! You're back just in time, I'm going to tear her apart!" PEI Huan's face was filled with hatred.

Her life was ruined by PEI Qiqi. If it wasn't for PEI Qiqi, she would have lived a good life with Lin jinrong.

it was all pei qiqi's fault. she stole her father from her when she was young and now, she wanted to steal jinrong.

zhou meilin looked at pei huan and frowned, " huanhuan, no matter how much you hate her, you should control yourself today. tang yu invited an expert. you want your father to get better too, right? "

Chapter 184

184 tang yu is also very pure (2)

PEI Huan's face was filled with unwillingness. She glared at Zhou Meilin and angrily went upstairs to take a walk.

Zhou Meilin sighed. She had spoiled this child.

even though she was a little annoyed, she still called out worriedly, " don't come down later, in case you can't keep your cool. "

pei huan did not say anything and went upstairs.

zhou meilin waited uneasily for yingying.

Although she was mean, she was an old woman after all, so she still knew ...

Especially since Lin jinrong was obviously not very reliable. Just based on his attitude towards PEI Huan, her heart was already cold enough.

Zhou Meilin knew very well that Lin jinrong gave the 20 million last time because PEI Qiqi gave it to him. His heart ached for that little b * tch.

zhou meilin looked on coldly-

pei qiqi's qianqian might really be the phoenix that flew up the branch. she didn't dare to do anything to pei qiqi anymore. no matter what, tang yu was not someone she could mess with. besides, she hoped that she could use tang yu to get through this difficult time.

the most important thing was that if pei qiqi really got together with tang yu and had a status, lin jinrong would give up. he wouldn't have any other ulterior motives!

an hour later, tang yu's car slowly drove into pei minghe's villa. he got out first and opened the door for professor yi lan. although professor yi lan was very polite, pei qiqi's heart was still a little moved.

A person like Tang Yu probably never begged anyone, much less open a car door for someone else.

Zhou Meilin stood at the door. She was very polite and thoughtful. She was the gentlest side PEI Qiqi had ever seen.

she followed behind tang yu and professor yi lan into pei minghe's bedroom. it was clean and well taken care of.

pei qiqi's heart was at ease. she leaned against tang yu and watched as professor yi lan examined pei minghe. she was a little nervous and her palms were sweating.

suddenly, her small hand was caught by tang mo and held in his palm.

his palm was especially warm and dry, which inexplicably calmed the uneasiness in her heart.

professor yilan's chinese was good. he asked pei minghe a few questions, and although pei minghe struggled, he could still answer.

when he didn't say anything, his eyes were on pei qiqi's face and tang yu's.

His eyes were clearly asking, who is this?

PEI Qiqi felt a little guilty. She whispered in PEI Minghe's ear, " these are Lin family's relatives.

In front of Tang Yu, she still didn't dare to say Lin jinrong's name.

PEI Minghe looked at Tang Yu and stared at him for a long time.

tang yu's hand secretly held pei qiqi's hand and then let go.

A relative of the Lin family?

was it?

professor yi lan's examination was very detailed. after about 10 minutes, he stood up and looked at tang yu, " "tang, if you persist in recuperating for a long time and use the right method, you can probably stand up again in two years."

Tang Yu smiled, " thank you.

Even Zhou Meilin was more or less happy. As a woman, she didn't have the courage to leave PEI Minghe, and she didn't want to stay with a disabled husband, so she always hoped that he would get better.

she looked at the white-haired and white-skinned professor elan and wanted to thank him, but she felt that it was strange to speak chinese, so she pursed her lips and didn't say anything.

Zhou Meilin had never felt so uncouth before.

Fortunately, Tang Yu took care of professor Yi Lan very well. After the inspection, professor Yi Lan left some information. It was the medicine that was suitable for PEI Minghe and some massage methods.

just like that, professor elan's commission was one million dollars.

Chapter 185

185 tang yu is also very pure (3)

Zhou Meilin watched as Tang Yu interacted with foreigners so naturally. His noble appearance didn't lose any of his awkwardness.

Zhou Meilin sighed in her heart. PEI Qiqi really got lucky.

After the inspection, Tang Yu left with his men. Zhou Meilin didn't even have a chance to say anything about dinner.

pei qiqi more or less wanted to stay, but she also knew that pei huan was at home and zhou meilin was in a daze.

Tang Yan stood by the car. Qiqi, let's go!

pei qiqi replied with an “oh” and walked over.

He held the door for her to get in and closed it for her. Then, he went around to the other side of the car and sat down to drive.

“doctor, do you want to go for a walk or go back to the hotel to rest after dinner?”
tang yu raised his hand and looked at the time.

professor elan seemed to be in high spirits. ” dunn, i’m not tired. i’ll just walk around and bring your cute little girlfriend along! ”

Tang Yu laughed and naturally reached out to stroke PEI Qiqi’s long hair. Then, he started the car.

professor yilan was surprisingly childish. she only played with things that children liked to play, such as game consoles and sports car simulations. pei qiqi had never played these before.

What made her eyes pop out was that Tang Yu actually took off his jacket and threw it into her arms. Then, he hopped onto the little motorcycle and began to race.

his legs were really deadly, slender and powerful to the point of making one’s hair stand on end.

pei qiqi’s sharp senses also noticed that many girls were staring at tang yu. many of them were sexy wanwan.

“What are you looking at!” Tang Yu reached out his hand, ” where’s the coin?!

PEI Qiqi gave him the money to clear.

tang yu played for about half an hour before he died-

“you used to play this often?”

tang yu raised his eyebrows, ” first time! ”

PEI Qiqi bit her alluring little mouth, ” you’re so good at it the first time!

she just went up for a minute and died, yingluo.

tang yu took the jacket from her and placed it on his arm. he looked at professor yi lan and chuckled, ” didn’t we have a good time the first time? ”

First time

PEI Qiqi understood what he meant and her face turned red.

tang yan chuckled and reached out to ruffle her hair. ” qiqi, an accident? ”

surprised about what?

It was his first time too?

but later on, when they were doing it again, he was very familiar with it.

he really didn’t look like a newbie.

pei qiqi bit her lips and didn't answer him. then, she childishly snatched his jacket and buried her hot face in it.

tang yu smiled and followed behind her.

after spending the entire afternoon with professor yi lan, tang yu finally had some time alone. he drove and looked at the kids beside him, " where do you want to go? "

PEI Qiqi saw that the lights were on outside. She turned her head and looked at him, " Tang Yu, let's go watch a movie, okay? "

He seemed to be mumbling, " PEI Qiqi, you skipped class for a day and now you want to watch a movie? " Don't you need to do your homework?"

as he said this, he stretched his arm over and wrapped it around her small body. " call me brother and i'll take you there! "

"I'm not Tang Xin!" pei qiqi had his jacket over her. she sniffed it and it had the faint smell of male cologne. it was very refreshing.

Tang Yu just smiled and took his hand back, " but you're more like a child than Tang Xin.

pei qiqi hummed and looked up, " i should have asked tang xin to come. she would be very happy. "

Then, she tilted her head and looked at Tang Yu.

Chapter 186

186 The most terrifying creature in history (1)

It was a red light, so he stopped the car and looked at her.

at this moment, a ray of light was reflected in her eyes, making her eyes look so dazzling.

"qi qi!" He called her softly, then lowered his head and gave her a light kiss on the eyelid.

she naturally lowered her eyes and let him kiss her lightly, her slender body trembling slightly.

After Tang Zheng kissed her, he looked at her and smiled faintly. call her next time!

the car behind them honked. the light in front had turned green. tang yu continued to drive. he took a turn and took her to a restaurant.

He unbuckled his seat belt. let's eat first, then go to the movies.

pei qiqi responded with an 'oh' and looked at him, " "Are you really going to take me to the movies?"

Tang Yu laughed, " what do you think? "

He held her little hand and brought her to the restaurant. The manager personally came forward and greeted, " Mr. Tang!

tang yu nodded lightly. the manager led them to a window seat, " "are you satisfied with this seat, mr. tang?"

Tang mo nodded. this is it!

pei qiqi sat opposite him. the waiter first served two glasses of pre-meal wine and a dessert.

tang yu's long fingers held onto his wine glass and he took a sip. when he put it down, he saw pei qiqi staring at him.

He smiled. What are you looking at? ”

pei qiqi pursed her lips, ” tang yu, that ... is it good? ”

“this one?” he picked up the cup of pre-meal wine again. ” it's not suitable for children. ”

PEI Qiqi looked at her cup and her eyes were filled with desire.

Tang Yu sighed. The little kid wanted to grow up, Yingluo.

“I can take a sip!” he said helplessly.

PEI Qiqi raised her eyes and looked at him pitifully. Then, she carefully picked up the glass of golden liquid, put her mouth to the tip of the glass, and took a small sip of the Yayu.

it was especially spicy!

why did these men still think that having a glass before a meal was a high-class act?

in such a high-class restaurant, he naturally couldn't lose his composure and look at pei qiqi's bitter face. he could only endure it!

Tang Yu pushed the dessert in front of her and laughed, ” “Eat something sweet to suppress it!”

pei qiqi's eyes were filled with tears.

“Disobedient little kid!” tang yu stood up and walked to her side. he leaned over slightly and let her lean into his arms.

he knew that in a restaurant like this, with his identity, it was inevitable that he would go a little overboard.

However, he still wanted to pamper her like this.

At this moment, a surprised voice sounded, ” Tang Yu? ”

PEI Qiqi felt that this voice was both strange and familiar. When she peeked out from his arms, she saw King Entertainment's Qin Anlan.

standing next to him was a woman with a special aura. she was wearing a beige knitted top and a long dress. her long wavy hair matched qin anlan very well.

At this moment, the woman's gaze was on Tang Yu's face. Her gaze was very complicated.

pei qiqi subconsciously looked at tang yu.

Tang Yu's fingers patted her and then he let go. He stood up straight and said in a calm tone, ” “An LAN!”

qin anlan glanced at the female companion beside him. "shen lian returned to B city a few days ago. i've specially prepared a welcome dinner for her. why don't we eat together?"

As he spoke, he looked at PEI Qiqi with a faint smile, "your little female companion, you don't mind, right?!"

pei qiqi wasn't in a position to answer. she just wanted to see if tang yujie minded.

tang yu didn't deny it, "then let's go together!"

Chapter 187

187 the most terrifying creature in history (2)

Actually, she wanted to see if Tang Yunjie would mind. But Tang Yu didn't deny it, "then let's go together!"

from the beginning to the end, tang yu didn't pay much attention to shen lian who was beside qin anlan. however, pei qiqi felt that he was deliberately teasing her.

tang mo grabbed her little hand and arranged for her to sit next to him. she quietly looked at him!

Qin Anlan smiled. I really couldn't tell, ran ran.

tang yu didn't explain. he just called the waiter and ordered more food.

qin anlan took the menu and politely asked shen lian, "what do you want to eat?"

shen lian supported her chin with one hand and drew circles on the table with the other, "let tang yu order for me. he knows what i like to eat!"

as she spoke, she looked up at pei qiqi, "you don't mind, do you?"

If PEI Qiqi still couldn't tell that this beautiful woman and Tang Yu had done something, she would be too stupid.

She looked at Tang Yu and smiled, "you'll have to ask Tang Yu.

Shen Lian then looked at Tang Yu.

"An LAN, you can decide!" Tang Yu declined without a trace.

Shen Lian's gaze was a little complicated but she didn't act up. She leaned back in her chair and her eyes were like water, "Tang Yu, is this your little girlfriend?"

in her eyes, she didn't even put pei qiqi in her eyes.

tang yu chuckled, "a girlfriend can't be considered a hanhan."

Then, she paused for a moment. she's the person I like. She'll probably be the child's mother in the future!

Shen Lian's expression changed when she heard this.

As for PEI Qiqi, she only felt her heart palpitate.

he had said several times that she should get married when she was pregnant, but this was the first time he had said it in front of others!

he might even say it in front of his ex-girlfriend, so she didn't think he was joking at all!

PEI Qiqi had a feeling that she couldn't escape.

In her heart, a voice was telling her, " PEI Qiqi, if you don't run now, you won't be able to escape. but, but she didn't want to run away at all.

something had broken out of her cocoon, something had told her why she was here and why she was being provoked by this woman called shen lian.

and why did she care about tang yu's reaction?!

"congratulations!" qin anlan smiled.

"qiqi is still in school!" Tang Yu said briefly and didn't want to say too much.

However, this also showed that he was serious about PEI Qiqi.

Later on, this meal wasn't very pleasant.

At first, PEI Qiqi thought that she would be the only one who would be unhappy when they sat down together. After all, she was too far away from their circle. But now, she realized that she was the happiest.

tang yu didn't have much of an expression on his face. qin anlan was the same. shen lian was even more so. she didn't seem interested.

PEI Qiqi couldn't help but admit that Shen Lian was a very beautiful woman. She was fashionable and exquisite.

He was a different Yingluo from a little girl like her.

A woman's intuition was very accurate. When PEI Qiqi looked at him like that, Tang Yu glanced at her indifferently. His expression was quite profound.

"I'm going to the washroom!" PEI Qiqi felt that it might be inconvenient for them to talk with her here, so she spoke softly.

tang yu's lips twitched. he agreed.

When PEI Qiqi stood up, he naturally supported her with the back of his hand. PEI Qiqi lowered her head and smiled.

Qin Anlan spoke lazily, " Tang Yu, why do I feel like PEI Qiqi is like a little pet you're raising?!

Chapter 188

188 The most terrifying creature in history (3)

Shen Lian's gaze fell on his hand and she was a little dazed.

pei qiqi walked out of the washroom and saw qin anlan.

he was wearing a black shirt and a pair of casual pants of the same color. he was just leaning there, his gaze a little unpredictable.

pei qiqi glanced at him and didn't say anything. she just walked over to wash her hands.

"they used to be lovers!" qin anlan's tone was a little lazy.

PEI Qiqi lowered her head, " in the past? "

This was not the main point, alright? qin anlan smiled faintly. " you don't mind? "

pei qiqi looked up and saw qin anlan in the mirror. she thought that it wasn't strange for him to know tang yu because of their identities.

"What about you?" pei qiqi's lips curved up, " do you mind? Tang Yu and Yingluo?"

Qin Anlan's eyes narrowed slightly, and an almost disheveled look flashed across his eyes.

He had never been forced into such a state before. Although it was just a simple sentence, it struck his heart.

how do you know Yueyue? " Qin Anlan stood up straight and stood behind her. This gave PEI Qiqi an invisible sense of pressure.

PEI Qiqi didn't move. She continued to look at him in the mirror.

She had only met this man twice, but her intuition told her that he was not to be trifled with.

if tang yu was cold and arrogant, then the man in front of him would definitely be described as yingluo's sinister!

Qin Anlan leaned over slightly as if he was covering her small body with his. His warm masculinity enveloped her in an instant. His lips were next to her ear, " PEI Qiqi, why don't you be my female lead, hmm? "

She understood what he meant.

he wanted to take care of her on behalf of tang zheng.

"mr. qin, don't you think you've sacrificed too much?" pei qiqi turned around, " does qianqian appreciate it? "

as she spoke, pei qiqi gently pushed him away and walked to the other side of the corridor.

qin anlan stood quietly on the spot with one hand in his pocket. there was no expression on his face.

Was it worth it?

He had once asked himself if it was worth it for a woman who had never loved him.

She had always been too much to him, even using him as a substitute, Yingluo.

tang yu didn't touch her, so she came to find him after drinking and slept with him for the night.

she kissed herself in front of tang yu, trying to make him angry but she didn't tease him.

Later on, they broke up because Tang Yu didn't touch women and because she slept with Qin Anlan. How could such a noble Tang Yu still want her to flirt with him?

pei qiqi returned to her seat. the atmosphere was a little weird. when tang yu saw her, he said calmly, " "it's almost time. qiqi and i will leave first!"

"put it on my tab," he beckoned to the attendant.

PEI Qiqi stuck out her tongue,"you're done reminiscing so quickly!"

Tang Yu picked up her bag and jacket. He didn't look out of place at all.

at this moment, qin anlan also came down. he looked at tang yu. " you're leaving just like that? " i was going to buy you a drink!"

"no, qiqi still has school tomorrow!" tang yu reached out and gently tidied pei qiqi's long hair. he smiled faintly.

With one hand holding the things and the other holding PEI Qiqi's hand, they walked out.

shen lian looked at him and suddenly asked, " tang yu, how did you find her? "

she knew that he couldn't touch her in the past. he had tried it on many women, but none of them had succeeded.

she didn't believe that they would end up together if they couldn't sleep together!

tang yan paused and turned around to look at her, but his fingers still didn't let go of pei qiqi's little hand.

Chapter 189

189 The most terrifying creature in history (4)

He looked at Shen Lian quietly. There was no emotion in his eyes. she found me!

With that, he pulled PEI Qiqi into his arms and walked towards the door with her in his arms. there was no reluctance at all.

"Tang Yu!" Shen Lian stood there and muttered his name.

Qin Anlan stood at the side with a playful expression.

"he won't turn back. shen lian, this isn't the first time you've known him," he said softly after a while.

"just because i can't satisfy him?" Shen Lian's eyes were a little dazed.

She and Tang mo had grown up together and they were the golden couple in the eyes of others.

However, he couldn't touch her. They had tested each other's bodies several times.

she silently endured the fact that he went to find someone else to test it out. she clearly knew but pretended not to know, because she hoped that he would be able to recover.

A few years 'time was enough to make a woman give up.

After that, she slept with Qin Anlan and teased him in Tang Yu's bed.

They broke up. What Shen Lian couldn't stand the most was that Tang Yu acted like nothing had happened.

"anlan, do you think he ever loved me?" shen lian smiled bitterly and looked up at qin anlan.

she had actually lost to a little girl.

qin anlan pursed his thin lips. if it was said that it was unforgettable for a woman to be possessed by a man, it was the same for a man who did not get a woman. what was there to talk about?

he did not answer shen lian's question because he could not answer.

Maybe they did, maybe they never did, but the only thing I can be sure of is that I don't love her anymore, Yingluo.

qianqian pei qiqi sat beside tang yu. he still drove with one hand and held her little palm with the other.

Her heart was beating a little fast. She turned her head and looked at him. In a small voice, she said, "Tang Yu, let me go!

her little hand helplessly struggled for a while. tang yu looked at her and smiled. he didn't make things difficult for her and let go.

his eyes were looking forward, but he said to her, "Why not?"

"ah?" She seemed to be in a daze, but her answer was too fast and somewhat deliberate.

Tang Yu chuckled and coughed. Then, he said in a serious tone, "shen lian was my ex-girlfriend and we grew up together. an lan was one of them too. we dated for about two years, yingluo, and then we broke up."

PEI Qiqi just looked at him like that. She didn't really believe that he would talk about this with her.

"what's wrong? do you mind?" he suddenly turned his head to look at her, a smile in his eyes.

This was the third time today that he had asked her if she minded, Yingluo.

PEI Qiqi gathered her courage,"do you want me to mind?"

" mm. " he acknowledged her with a very faint sneer that was quite proud.

PEI Qiqi's heart was beating a little fast but she maintained a calm expression, " then I'll see that Yueyue doesn't mind.

"Oh?" Tang Yu laughed again. His long fingers skillfully turned the steering wheel and reversed the car into the parking lot of the cinema.

When the car stopped, she realized that she was not in Xia city. She had almost forgotten about the movie.

at this time, he didn't seem to want to let her go. the car stopped and she wanted to get out, but she heard a soft sound and the door was locked.

PEI Qiqi tilted her head and looked at him. Her eyes were filled with surprise.

tang yu slowly unbuckled his seat belt. he sat in the dark car and looked into her eyes.

His eyes were especially clear in the dark. PEI Qiqi's heart beat faster.

She suddenly felt that her legs were a little weak, and her limbs were powerless. She just looked up at him with her small face, hopeless.

“You don't mind?” tang yu suddenly leaned in and almost pressed his entire body against her.

PEI Qiqi struggled a little, but she couldn't break free.

He looked down at her and suddenly touched her delicate face with one hand. you don't mind kissing her like this? ”

As he spoke, he leaned forward and kissed her little mouth.

PEI Qiqi's eyes widened. She could feel him getting so close to her.

He was so close that she had nowhere to escape to. She could only look at him like this, unable to resist.

His domineering breath was mixed with hers. After a long time, he looked up and reached out to touch her slightly red and swollen mouth. you don't mind even if I do this? ”

PEI Qiqi bit her lower lip and uncomfortably turned her face to the side.

Tang Yu gently turned it around. His expression was serious, ” I can't say that Qiqi's tears don't have a past, but I promise it won't happen again.

What he said couldn't be any clearer, and he was looking at her, waiting for her response.

PEI Qiqi's body trembled as she looked at him in a daze.

to her, tang yu was so good, so good. could she really be happy?

Zhao Ke's face kept swaying in front of PEI Qiqi's eyes. PEI Qiqi felt a sense of guilt.

There was also a sense of fear.

One day, he found out that she was Zhao Ke's daughter. If she didn't fall in love with him, the only thing he could hurt her with was her body. However, if she fell in love with him, she didn't dare to think about her fate.

pei qiqi admitted that she was a coward, but tang yu was still seducing her.

he was like a dose of village medicine, luring her to move forward and kiss him.

His kindness had given her someone to rely on. Before she could become absolutely strong, he was the one who gave her a warm Harbor.

PEI Qiqi's eyes glistened with tears, making her look very alluring.

"Forget it!" Tang Yu suddenly sighed and covered her eyes.

he didn't force her any further. after calming down, he sat up straight and unlocked the car.

PEI Qiqi was still a little uneasy. While watching the movie, she would sneak peeks at him from time to time.

Of course, there were also other girls secretly looking at him in a daze.

Tang Yu simply carried her over and placed her on his knees, letting her rest on his chest.

she was soft and gentle, like a small animal in his arms.

Tang Yu felt good to be able to touch Yingying from time to time.

As for what they saw in the movie, Mr. Tang didn't think it was that important. What was important was that he and PEI Qiqi finished such an important date.

She was like a little mouse eating popcorn in his arms. She actually ate the entire serving.

Only then did Tang Yu realize how much PEI Qiqi ate.

when the movie ended, pei qiqi followed him and explained the plot. tang yu didn't understand because he didn't watch it. however, he patiently listened to her.

after having a date with her that children liked, they had to play a game that adult men liked at night.

when they got into the car, pei qiqi fastened her seatbelt and suddenly placed her hand on his arm. she bit her lips and said in a soft voice, " tang yu! "

"what?" He turned his head to look at her in a daze.

"thank you!" she was talking about professor elan.

originally, she felt like there was something pressing down on her heart. now that pei minghe had a chance to recover, it was the best news for her.

tang yu smiled but didn't say anything.

The White sports car drove under the bright lights. PEI Qiqi was a little tired so she leaned her head against the back of the seat.
