

Thank you 1821

Chapter 1821 - 1821: the wolf of wall street (1)

as time passed, she even suspected that he was still in new York.

However, she soon knew that he was still there.

There was a Wolf on Wall Street. The wolf from the East, very mysterious. Some people called him King.

In just two or three months, he swept the Wall Street Stock market and became a legend there.

all sorts of reports appeared, and it was the headline of the financial section every day. however, no matter how hard the reporters tried to capture it, they could only capture the back view.

ye liangqiu sat in front of the floor-to-ceiling window in the study. he put down the newspaper in his hand, looked at KIME, and said in a faint voice, ”

“it’s an lan.”

‘ yes, ” kim nodded.

ye liangqiu looked at him. ” i’m going back to B city.

liangqiu, don’t you want to look for him? ”

Ye Liangqiu looked at the newspaper and smiled bitterly. did you see that? He’s become a legend again, and he always succeeds easily. We can’t find him now, and we can’t find him at all.” moreover, if she stayed at a place where he could see her at any time, she thought that he would probably never appear again in this life.

It took a while for Kie to understand ye Liangqiu’s thoughts. He asked in a low voice, ” “when do you plan to leave?”

Ye Liangqiu looked at the sky outside. let’s wait for the beginning of autumn. The Maple leaves must be very beautiful in B city’s autumn.

“Please, I’m a little tired,” she said softly. i want to wait for him at home. new York is not my home.”

” alright. ” kim nodded.

however, he still did not understand her feelings and did not know what a woman would do.

Qin Anlan did not appear throughout the entire Midsummer. It was as if he had disappeared.

however, the legend that belonged to him had always been there.

Ye Liangqiu ordered all the newspapers in new York and cut out the reports about him one by one.

She flipped through the pages with her fair and slender fingers, and her eyes suddenly froze.

she saw his back view as he walked towards a high-class rv. his handmade suit made him look even more slender.

beside him was a young woman with black hair. she was wearing an expensive and appropriate suit that wrapped around her perfect body. she was standing beside him and looking up as if she was talking to him.

the scene was completely a show between a domineering president and a beautiful secretary.

ye liangqiu's fingers paused, then she slowly cut the report and read it in detail.

the girl's name was Zhang yuanyuan. she was from B city and had graduated from harvard university. she was only 28 years old.

She did a quick search and found a photo of Zhang Yuanyuan from the front. She was a very beautiful and intellectual woman.

Was he so high-profile just to show her this?

was he not afraid that this woman would despise his face?

in his heart, there was a rage that he had no way to vent. Then, he cut off the Kasaya between him and the woman.

in less than half an hour, KIME rolled in from the outside.

ye liangqiu looked at him and said, " help me arrange it. i'm going to hold a 100-day celebration for my child. i'll invite the famous people in the chinese district. oh right, please invite mr. du. "

Du Yuesheng?

KIME's jaw dropped in shock, but he quickly saw the newspaper that she had cut and understood. so, she had been triggered!

ye liangqiu pursed her lips and looked at him. "difficult?"

Kime gulped. "it's not difficult, but i'm just afraid that i can't explain it to aunt su. she really wants president qin to come home."

ye liangqiu threw a tantrum, which was rare for her. " am i not looking forward to it? " it's just a photo, and it's his secretary, " kie whispered. " he used to have a female secretary before, and he even used wanwan.. '

Chapter 1822 - 1822: The Wolf of Wall Street (2)

boss qin used to have a harem! I don't see you being so restless, boss ye?

ye liangqiu gave him a sidelong glance. " that's different.

kie laughed bitterly in his heart. he knew that they were going to fight.

boss qin had a lot of time to polish his face and body. he just had to make himself look better. why did he have to do this?

Or was there something in boss Qin's heart that he didn't say?

kime was a man, so he naturally thought of many things. the more he thought about it, the more he felt that it was possible.

Did President Qin do that?

She had her suspicions, but she didn't dare to tell ye Liangqiu. If this matter was confirmed, boss Qin wouldn't dare to come back.

what men wanted the most was face.

on ye liangqiu's birthday, they held a 100-day celebration for their child.

kie even found Zhang yuanyuan's contact information and officially invited her boss.

the wolf of wall street-king.

Zhang yuanyuan was a chinese-american who grew up in the United States. she was proficient in eight languages, including chinese, and was a standard top student.

She got out of the car, closed the door, and walked into the tallest building on Wall Street. King's office was located on the top floor of the building. Other than her, there were only a few traders.

Her high heels clicked rhythmically as she pushed open the door to a luxurious office.

The person inside was wearing a simple shirt and long pants. Although it was very hot, the long sleeves were still buttoned up properly, and the collar was also curly.

half of his face was covered by a silver mask, and the other half was perfect.

Zhang yuanyuan had been in United States for many years and had seen many men with prominent facial features, even superstars. but KING's face still attracted her.

at that moment, KING was bending over to play with a water ball. he was a mysterious man. until now, she only knew that his name was KING and that he had a lot of wealth. she knew nothing else.

however, she knew that her salary was very high, millions of dollars a year, so she was willing to work with him.

she held a beautiful invitation in her hand and walked to his side. her slender and beautiful fingers buckled the invitation onto the pool table and she smiled. ' someone gave it to me. he said it was an old acquaintance of yours. '

Qin Anlan's eyes narrowed as he asked calmly, " call him 'Kime'? "

"that's what he said," Zhang Yuanyuan flicked her hair, then put her hand behind her back and tied her long hair into a ponytail. boss, are you going? "

He handed the golf club to her, took the invitation card, and sat down on the sofa. He opened it and looked at it for a while.

Zhang yuanyuan finished the game for him and sat down beside him. she smiled. " do you need me to reject? "

Qin Anlan put down the invitation in his hand and said in a hoarse voice, ‘ “Aren’t you curious about who this is?”

The birthday party.

How could he have forgotten Liang Qiu’s birthday?

He probably understood the reason why she was holding a birthday party now. She was probably unhappy!

because of his beautiful secretary.

Qin Anlan himself did not know why he wanted the reporter to put up such a photo. It was very childish and seemed like a little trick that only children would play.

He clearly didn’t want to go back. He had clearly given up, or perhaps he was forcing her to give up.

Now, he knew that she had not given up.

his heart was in a mess, and he had mixed feelings. he didn’t know if he wanted her to give up or not.

Zhang Yuanyuan didn’t ask. She was waiting for his answer.

“it’s my ex-wife,” he finally said after a long time.

Zhang Yuan asked him a question almost immediately, ” then, boss, do you still love her? “

Chapter 1823 - 1823: A familiar kiss (part one)

Qin Anlan looked at her, then clenched his fist and placed it on his chest. here! Zhang Yuanyuan understood, but she felt a little disappointed.

an excellent boss indeed had a story behind him. she had also searched for that woman.

She was very beautiful. She used to be a movie actress and was even famous in the United States. She was the dream girl of countless men.

She had even watched her movies, and she was an unforgettable person. “then, do i need to refuse?” Zhang yuanyuan asked softly and carefully.

“no need!” qin anlan muttered.

The most direct rejection was to not respond.

Zhang yuanyuan didn’t continue. she knew that her boss needed some time alone, so she smiled and said, ” i’ll go out first. ”

The boss didn’t respond, and she knew that he was thinking about his ex-wife.

In fact, the boss would often be in a daze.

he must have been thinking about his beautiful ex-wife when he was in a daze.

after they left, qin anlan picked up the invitation again and stuttered,

she smiled bitterly. she must be very angry now!

He still remembered that she had once said that if he dared to have another woman, she would not want him anymore, Yingluo. Liangqiu, do you not want me anymore?

he picked up his coat and walked out.

He usually stayed in the suite in the office, but he didn't want to be here today. he had not seen her for many days, many days, yingluo.

Ever since she gave birth to the child, he only knew that the child was fine. She was fine, and Hanhan didn't dare to visit her again. He was afraid that he wouldn't be able to control himself. he had also thought about wearing a mask in front of her and even going to bed awkwardly, but he had no choice.

He was no longer the Qin Anlan of the past. What else could he give her?

With both hands on the steering wheel, the car drove fast. The Ferrari with good performance was like a gust of wind on the streets of new York.

With a creak, it stopped outside the apartment.

He looked up and his eyes were a little wet and hot.

That was his home, Yingluo, his wife, and his children.

She had given birth to four sons for him, and only one was little Mumu. He still remembered the feeling of holding that soft little daughter in his arms.

The child must have grown up after not seeing him for so long. She wondered if he could still remember her.

Even if she remembered, it was not how he looked like now.

qin anlan closed his eyes slightly. his silver mask flashed with a cold and hard light.

No matter how perfect the mask was, it could only hide his ugly appearance, not his twisted soul.

he looked at it with enthusiasm and then closed his eyes in disappointment.

He wanted to see her so much! Perhaps, he can, Yingluo.

yes, he could try.

The banquet was held on Saturday night, but ye Liangqiu disappeared on Friday night.

He just went out for a trip, but he disappeared into thin air.

Her eyes were covered with a piece of black cloth, and the front was dark.

Her hands and feet were tied, and she was lying on a soft bed.

she should have been kidnapped, yingluo.

at this moment, her hearing and sense of smell were extremely sensitive and amplified by several times.

Footsteps sounded at the door, and she could smell the alcohol.

she could smell the 1982 raffer right away.

The sound of footsteps was getting closer and closer. The pores on her body enlarged, and she was extremely afraid ...

She didn't know why they had kidnapped her, but she could imagine what would happen next if they could tie her to the bed.

his breath was getting stronger and stronger. she could feel that the man had already walked to the bed. the smell of alcohol mixed with a light scent of cologne was very tempting.

also, there was a familiar smell.

Chapter 1824 - 1824: a familiar kiss (2)

when she smelled that familiar scent, ye liangqiu wanted to struggle, but when she smelled that familiar scent, she froze.

was it an Ian?

All the pores on his body stood up to sense his existence.

the bed caved in and he sat beside her.

Her fingers were clenched tightly, and her body was a little tense and a little hot.

It had been a long time since they had last met, so she was actually nervous and eager.

She was also a woman, and there were many nights where she couldn't sleep because of her desire for him.

That's right, even if he was burnt, she still desired him.

she yearned for his appearance and body. although it was a little heavy, she didn't want to deny it.

a palm was placed on her shoulder. she did not even dare to breathe. she pursed her lips tightly and felt his presence.

She had her eyes covered, but her eyes were a little hot and she wanted to cry.

If her hands were not tied, she would have chosen to hug him.

But he couldn't.

She had to keep her cool.

Her lips were kissed.

His soft lips were gently and carefully testing hers.

Ye Liangqiu pursed her lips tightly, not allowing him to enter.

But her face was immediately pinched, and then her lips were firmly blocked.

It was a deep, rough kiss that attacked her from head to toe, from her spirit to her body.

Her eyes were dark, and she couldn't move her hand. She was forced to be kissed.

He seemed to have changed his method on purpose so that she would not find out that it was him .. his method was like a rapist who kidnapped a woman, using a very low-class method to treat her.

she started to feel uneasy and struggled.

she was extremely afraid. the breath on her neck was like that of a wild beast. don't wail! the voice was broken and sounded like it was begging for mercy.

he didn't stop and stubbornly kissed her. he kissed all of her lips but didn't go any further.

she screamed and bit him, but she could not stop hanhan.

There was a mysterious aura in the air, carrying a hint of fishy sweetness.

finally, he leaned on her neck, panting.

the skin on her face was smooth.

She really wanted to touch the remaining half of her face, but she couldn't. She didn't dare to.

The man lay down and panted for a long time before he propped himself up. His voice was a little hoarse. it doesn't taste good!

Not much?

Ye Liangqiu asked softly, "are you going to roast and eat me?"

"maybe!" his voice was so hoarse that she could not hear it, but his eyes looked at her as if they were on fire.

A moment later, a trace of pain flashed across his black eyes.

He stood up and walked to the floor-to-ceiling window. He looked at the moonlight outside like a trapped beast.

"i'm just a lonely old man who wants company." He lowered his head, laughed at himself, and reached out to touch his face.

Ye Liangqiu was lying there, her silk pajamas in a mess. She was so beautiful that it was soul-stirring.

suddenly, he remembered that she was still feeding the child. his adam's apple bobbed a few times, and he asked in a deep voice, "are you in pain?" pain?

ye liangqiu was confused.

However, he had already slowly walked over and pounced on Yingying again.

when she got up, she wiped her lower lip and said in a lower voice, "i'll come to see you regularly in the future. "

Ye Liangqiu cursed in her heart. What was this? was she snatching food from an an Lanlan?

and he ate it all, leaving nothing behind.

this time, she was really in pain.

if she could, she wanted to glare at him to death.

“i need this.” he acted like a pervert who only ate gn, and his voice was reminiscing. ” remember, don’t resist, don’t call the police, or else “

Chapter 1825 - 1825: a familiar kiss (3)

he bent down and placed his index finger on her lips. ” “otherwise, i’ll eat you.” “Don’t you think you’ve changed?” She couldn’t help but kick him.

What Wolf of Wall Street, what King, pfft, it’s just one dead and one pervert!

did he think that no one would be able to see through such a clumsy trick?

ye liangqiu sneered.

“Don’t you want to live?” he held her down and looked at her beautiful appearance. he looked at her black hair on the pillow and looked at her devastatingly beautiful appearance.

He touched his face and suddenly remembered that they were like a beauty and a beast.

He could only hide in the dark.

She was right, he was a pervert!

His black eyes stared at her face. He wanted to kiss her, but he was afraid.

he actually didn’t dare to touch her.

“What, didn’t you want to eat me? didn’t you want to rape me?” She twisted twice, deliberately making herself look more beautiful and fragrant. She believed that an LAN would not be able to resist it.

sure enough, his breathing became a little hot, and his eyes seemed to be on fire as he stared at her.

Although she couldn’t see, she could feel it.

Her face was so close to him.

however, in his heart, the distance between them was like the distance between clouds and mud.

he finally straightened his body and left her.

His voice was hoarse and cold. I’ll get someone to send you away.

“why?” ” why did you let me go? ” she asked.

he looked at her, his lips pursed into a straight line. that half of his face looked even more sinister and terrifying.

“You’re so thirsty, you want a man?” He laughed coldly. unfortunately, I’m not interested in you.

after he finished speaking, he laughed strangely, causing her hair to stand on end.

in fact, she was a little worried about his mental health. could it be that hanhan was bored to death? but she still had to pretend, pretend that she didn’t know it was him, and pretend to be angry.

“You kidnapped me and brought me here, yet you said you weren’t interested.” She sneered.

He didn’t seem to want to waste any more time talking to her. He tidied up her clothes, put on his coat, and buttoned it up tightly.

Her hand was temporarily released. At that moment, she really wanted to hug him and not let him go again.

But what could he do even if he hugged her? he always had a way to throw her away.

she used all her strength to hold back her tears.

she was sent away.

at the venue, the lights were turned on .

qin anlan was draped in a dark sleeping robe. the front of the robe was slightly open, revealing half of his body that was covered in scars.

and that face, it was half an angel and half a demon. However, he was still the same. It looked good.

However, he didn’t feel anything.

he poured himself a glass of red wine and took a sip, but he couldn’t taste it.

That was because her body was even sweeter, especially that round and delicious one. He wanted more after drinking it.

He couldn’t help but smile bitterly as he recalled how she had called him a pervert!

He wanted to change his attitude, but he couldn’t.

‘Qin Anlan, this kind of despicable thing, just once is enough.’

however, he seemed to be addicted to it. only in this darkness could he look at her, kiss her, and do as he pleased.

moreover, she also had a reaction when he kissed her.

She was a Yingluo with desire.

qin anlan is a normal woman, and you can’t give her anything.

he raised his hand and looked at his watch. it had been two hours since he tied her up.

He chuckled softly, as despairing as a beast in the tower.

what did he have to love her? He was no longer the Qin Anlan of the past, and she was not the only one.

Now, all he had was a pitiful self-esteem..

Chapter 1826 - 1826: jealous (1)

when ye liangqiu returned to the apartment, su xiu was extremely anxious. they had agreed to come back at eight, but it was already half past ten.

an an and lan lan played around for a while, but in the end, they had no choice but to make milk.

But the two little guys clearly didn't enjoy the food. Now that ye Liangqiu had returned, they could finally breathe a sigh of relief.

“What happened?” su xiu's nose was very sharp. when she got close, she smelled a man's scent.

And it was a wild man's, and he even sprayed perfume on it?

young madam has a man?

What stage had it developed to?

aunt su was dumbfounded. aunt su was anxious. how can you do this? What would young master do if he had a wild man?

Initially, she had only taken a whiff and made a guess, but later on, she was certain.

Ye Liangqiu went to the babies 'bedroom. The two babies were asleep, but when they heard the sound of footsteps, they both started wailing.

i'm so hungry, i'm not full at all.

Ye Liangqiu didn't remember at first and picked an an up, but it was too late when she realized it.

An 'an didn't get to eat it. She felt wronged and cried loudly.

The child was fine as he could not be coaxed, but su Xiu, who was at the side, was stunned.

He had eaten once before he left the house. It had been four hours. He shouldn't have not taken a nap.

There was only one possibility, and that was that she had been eaten by a wild man.

that's right, the wild man must have eaten it.

Su Xiu's heart turned cold. Young master, if you don't come back soon, there will be nothing left.

At this moment, young lady had probably already changed sides.

but su xiu couldn't blame liangqiu. young master wasn't coming back, yingluo.

She looked at him helplessly, then wiped her tears and went back to her room. She cried even more miserably than an ‘an!

Ye Liangqiu didn’t know whether to laugh or cry. She knew what su Xiu was thinking, and she could also smell her own body.

It was the scent of a man.

After making some milk and coaxing the two little ones, she went to aunt SU’s bedroom.

Aunt su was kneeling with her face facing the east, mumbling “sorry” to the old lady, Huahua.

Ye Liangqiu was both amused and angry, but her heart ached for him.

Aunt su was old and didn’t know how to get angry. She didn’t dare to ask anything and only dared to secretly wipe her tears.

after looking at her for a while, he slowly walked over. instead of pulling her sleeves up, he half-knelt beside her and said in a gentle voice, ” “Aunt su, I also miss the old lady, but we can’t disturb her, can we?”

She deliberately wanted to make su Xiu happy. She smiled and continued, ‘ perhaps she still wants to find a young man downstairs. After all the crying and shouting, she has lost her mood.

as expected, su xiu was amused. she looked at her and said in a bad mood, it’s all nonsense. Our old lady is such a faithful person. How could she like a young man? ”

ye liangqiu looked at su xiu and smiled. ” aunt su, i’m the same as the old lady. don’t worry. ”

Su Xiu wiped her tears and looked at her, “you mean Yingluo?”

she couldn’t believe it and shook her head. ” young madam, i didn’t mean it that way! you’re still young. if you really want to find one, i won’t stop you. As long as you take good care of the children.” ye liangqiu helped her up. ” aunt su, you’ve watched too many 8 pm shows! ” “look at me, who would like me?” ye liangqiu helped her sit down and personally poured her a cup of tea.

su xiu held the tea, looking quite small-minded

Chapter 1827 - 1827: jealous (2)

su xiu held the tea and looked quite small-minded. who said that? look at that Du Yuesheng. The moment you said that, she immediately rushed over from Hong Kong. I don’t believe that he doesn’t have any feelings for you.

“if he’s interested, i want to be with him.” Ye Liangqiu coaxed her like she was coaxing a child. all these years, I don’t believe that no one has ever liked aunt su. Isn’t aunt su still in the Qin family, guarding the old Madam and an LAN? ”

“that’s different! Aunt su is a servant.” su xiu sighed. ” as for you. it’s always too hard on you to support such a big family. ‘ then we’ll just sell KINE entertainment. that’ll be easy, ” ye liangqiu laughed.

“How can we do that!” she sighed. ” really. young madam, if you want to find someone, i won’t stop you. ”

ye liangqiu shook her head. ” it’s true. there’s no such thing as a man. what should i do to make you believe me? ”

Su Xiu’s eyes reddened, and so did her old face. After a long pause, she turned her old face away and coughed lightly. there, there’s a big finger mark on it. An an Lanlan can’t even drink it. That can’t be done by a woman, right? ”

Ye Liangqiu knew it was because of this and sighed. if I say it was an LAN, would you believe me, aunt su? ”

“An LAN?” su xiu’s eyes were wide open, and she was hesitant.

he didn’t want to say it, but he had to.

ye liangqiu explained what had happened that night and gave him some instructions.

su xiu was confused and did not come to his senses for a long time.

what the hell was this?

the young master had kidnapped his wife and done something perverted. the worst thing was that he had snatched his son’s food.

Su Xiu thought about it and also felt that young master was very abnormal.

she looked at ye liangqiu. ” so we’re just going to be taken advantage of like this? ”

“is there any way?” ye liangqiu sighed. ” if he doesn’t come back, i don’t want to force him. this is good. ”

“what’s so good about that! If an an Lanlan always ties you up, you’re fine with it, but if young master doesn’t have a body full of bad habits, Won’t You Be able to live well in the future?” the more su xiu thought about it, the more she felt that young master had changed!

She looked at ye Liangqiu carefully. She wasn’t sure. After all, Mr. Du looked like a gentleman. Now that the young master’s appearance was bad and he was so different, what if the young Madam hated him?

however, she thought that it was good to be covered like this. it was the most uncomfortable to be hung up and not allowed to see and not be able to eat the kasaya.

thinking about it, although it was abnormal, it was quite brilliant.

su xiu tried to think positively, but she still felt that it was very abnormal!

young madam, you’ve worked hard!

once su xiu’s emotions had stabilized, ye liangqiu returned to her bedroom.

she undid her jacket and found that she was still wearing her pajamas, a set of pajamas that did not belong to her.

She sniffed it. It was filled with a man's scent, mixed with Cologne and a light alcohol.

It was no wonder that su Xiu was suspicious from the beginning. Now that she thought about it, her small eyes were also funny.

her pajamas fell to the ground, and she looked at herself in the mirror. just as su xiu had said, there were finger marks on her body, all left by him uncontrollably.

He would like her if she was still beautiful, right?

Ye Liangqiu, I didn't think that one day, you'd reach the point where you'd have to use your body to keep him.

she clearly knew that if she didn't cooperate today and give him some benefits, he probably wouldn't look for her in the future..

Chapter 1828 - 1828: jealous (3)

However, she was not sure why he did not take her tonight.

His eyes were clearly moving in a daze.

she washed her body clean and applied medicine on the finger marks. the children wanted to eat it, and she felt a little embarrassed to keep it for herself.

After she was done, she returned to her bedroom. As she lay down and closed her eyes, she recalled the scene in the dark.

she had insomnia. this was the first time she felt that qin anlan was so despicable!

du yuesheng arrived at noon. kie was the one who picked her up. ye liangqiu had made a reservation at a restaurant and had a meal with du yuesheng.

after lunch, kie left the restaurant, leaving the two of them in the private room.

Du Yuesheng sat on the sofa and watched ye Liangqiu pour tea indifferently.

In front of him, she was very submissive, as if she was treating him like a benefactor.

to be honest, he really liked it.

He liked the confident look on her face the first time she went to find him. At that time, she said that she would agree to any condition he had.

in fact, his only condition was herself, but this little liar left after using her.

When Qin Anlan came to him, he could have rejected her because he was still angry at her.

but in the end, he still agreed because he was reluctant.

He had seen her cry her heart out for Qin Anlan. At that time, he had thought that he should have given up. Her heart could not accommodate anyone else. However, her calmness made him wonder if he didn't know her well enough.

she seemed to have calmed down very quickly, wanwan. perhaps he still had a chance?

he was willing to stay in B city and be a slave. after he was done, he realized that she was staring at him. it was another trap.

the obsession in her heart was still qin anlan.

The maple forest was planted, and the whole of B city was illuminated by the fiery red. He gave up and returned to Hong Kong.

However, with one phone call from her, he came back and worked like a horse for her, being used by her.

she had used him in an open and aboveboard manner.

She would offer him some benefits other than feelings. Did she think that she would not owe him anything?

he wanted her to owe him so much that she couldn't pay him back.

in fact, there were so many beautiful women waiting for him to love, like, and admire them, but he still couldn't let her go. it was probably because what she couldn't get was always in her hands!

Or perhaps, she was too similar to someone.

That person was no longer there, but ye Liangqiu was still alive and well in front of him.

Du Yuesheng looked at her steadily. I heard that an LAN is the king? " As she poured the tea, she lowered her head and said, " "It's him!"

"Do you have any plans?" he then asked indifferently,"do you think a banquet can force him out?" if it was that simple, his name wouldn't be qin anlan, and he wouldn't be able to cause such a huge commotion on wall street." moreover, qin anlan was very smart. he knew that he could not hide it, so he did not completely live in seclusion. instead, he chose to strengthen his own power. this way, she could not do anything to him for the time being. He thought that the only person who could touch ye Liangqiu's heart was the Secretary, Zhang Yuanyuan.

He had experienced a woman's jealousy for himself. A single gesture of "take care" was enough to provoke ye Liangqiu to the point of turning the world upside down.

"he can't, but i don't think he can remain indifferent. At least before he does anything, he will think about whether I will go even further than him." her little face was tense.

du yuesheng only felt that she was cute, but also hateful.

because she cared about qin anlan.

And he had taken in two young girls in Hong Kong, but she had not moved at all.

love and not love, the outcome was clear.

Chapter 1829 - 1829: has he come?(1)

he picked up the tea and sniffed it. it had a trace of her fragrance.

after a pause, he still took a sip and said in an indifferent voice, ” “It’s just a photo. It’s nothing. Why do you have to do this?”

“I just care!” it was rare for her to be so unreasonable, and when he looked at her, he felt like he was looking at the old ye liangqiu.

She had also unreasonably asked him to buy her shares and work like a horse for her!

du yuesheng looked at her and paused for a moment. after a while, she smiled. does he know that you care so much? If he doesn’t come, then everything would have been in vain.”

“he won’t come, but i think he’ll know.” Ye Liangqiu snorted. I don’t believe he’ll pay attention to it.

When she said this, she looked like a little girl, and it was quite vivid.

du yuesheng looked at him for a long time and sighed in her heart. after all, she was not that person. that person did not have such a side to him.

There was a look of reminiscence on his face. He looked at her for a long time and smiled faintly. Liangqiu, I suddenly feel that I’m old.

she looked at him for a long time before she slowly said, ” “i’m indeed old.”

He was in his early forties, wasn’t he old?

du yuesheng glared at her. she felt that all her calmness had disappeared.

however, seeing her smile, he could guess that she probably knew it in her heart.

he was really a girl who made people love and hate her at the same time. he was old, and she was younger than him by more than ten years.

He pursued her like an old cow eating young grass, the kind that he couldn’t get.

but he was still willing to be with her. he looked at her face calmly and felt very comfortable.

the little bit of regret in his life seemed to have been filled.

This bad girl clearly knew what he was thinking, but she pretended not to know.

if she did not expose him, he could only continue to play dumb. perhaps, he was waiting, waiting for her to give up on qin anlan.

That was how people were. If she had given up, she probably wouldn't have fallen in love with him, who was more than ten years older than her. However, he thought that even if it was for other reasons, he would be satisfied as long as she was willing to be with him.

Du Yuesheng knew that she liked ye Liangqiu, but if it was love, he couldn't tell if it could be considered love.

he was not young, and it was rare to meet a woman he liked, so he did not want to look for her anymore.

he took a sip of tea and smiled. "sometimes, age doesn't matter. 'there was a strong hint in his words, and ye liangqiu understood.

But she could only pretend that she didn't understand. This kind of thing involving men and women was not suitable for her to talk about alone with him.

Seeing that she was silent, Du Yuesheng smiled slightly, "how do you want me to help you?"

Ye Liangqiu slowly said, "tonight, we will announce the news of our engagement.

Du Yuesheng almost lost her composure. She almost spat out the tea in her mouth.

he looked at her and said slowly, "can i enjoy the rights that a fiancé has? "

there was a spark hidden in his eyes, and he looked at her with a warm and passionate gaze.

ye liangqiu coughed lightly after being dodged. "a kiss on the cheek should be fine. "

du yuesheng sneered, "just a kiss on the cheek and i'll have to carry the identity of a married man. ye liangqiu, this deal doesn't seem worth it! " moreover, you'll be retaliated against at any time."

'what if you add in KING entertainment's management rights? " she smiled and looked at him.

du yuesheng's eyes darkened and she stared at her for a long time before she smiled. "that's a good idea, chairman ye.. "

Chapter 1830 - 1830: Has he come?(2)

Du Yuesheng's eyes darkened and she stared at her for a long time before she smiled. that's a good idea, Chairman ye.

She was going to chase after the man and leave the company to him to manage. When she was done, she would come back to get it.

If it was someone else, he would have agreed immediately, but this was ye Liangqiu.

However, he couldn't reject her. It wasn't because of King Entertainment, but because she had said that she could kiss him on the cheek.

In that case, he would kiss her face properly. Also, it seemed like his lips were also on his face.

Du Yuesheng thought immorally, 'if I kiss him, I wonder what Qin Anlan will think when he sees it.

Would he be jealous?

He looked at her with a gentle gaze. He thought that if Qin Anlan retreated, he would not give up. He would hold her hand tightly and tell her that he wanted her.

when ye liangqiu left, du yuesheng sent her all the way to the hotel.

When she got into the car, she turned around and looked at him deeply. “mr dean, you should have loved someone before!”

He didn’t say anything.

ye liangqiu lowered her eyes and smiled. ” mr. du, you haven’t forgotten about it, have you? ”

His body trembled, and he knew what she meant.

She was indeed the woman Qin Anlan liked. She was too smart and could not hide anything from her.

He reached out and touched the center of her hair. you and her are actually different.

No one was a substitute. In his eyes, she was still ye Liangqiu.

if they looked alike, then he could find another woman who looked more like her. the reason he was so interested in her was probably because of her good personality.

ye liangqiu smiled and didn’t say anything more. she got into the car and said goodbye.

Du Yuesheng also smiled and told her that he would see her tonight. However, his eyes flashed and he changed his mind .

He leaned over and kissed her quickly on the cheek. Before she could resist, he whispered, ” you were the one who said you could Kiss My Face.

He only kissed her once before straightening up. Ye Liangqiu reached out and touched her face, somewhat dazed.

“Get used to it, or else it won’t be convincing.” du yuesheng returned to her previous gentlemanly appearance. in front of her, he had always been polite.

She also hoped that the accident just now was as he said.

Ye Liangqiu smiled and slowly drove the car away.

when she returned to the apartment, the styling team had already arrived and brought the latest items of the season. there were more than ten gowns for her to choose from. of course, each gown came with matching jewelry, shoes, and bags.

Ye Liangqiu took a bath and dried her hair. She looked especially refreshed and comfortable.

her fingers moved through the dresses and she quickly chose a dior starry dress.

“miss ye, you have good taste. many socialites and celebrities like this gown.” the designer smiled and took the gown down.

ye liangqiu changed and slowly walked to the mirror.

the starry sky of the gown was a gradual change. it was supported by two very thin shoulder straps, which had high requirements for the figure.

the entire dress was very fairy-like, like a little fairy, and it also made her look much younger!

she especially tied her long hair behind her head, looking extremely gentle.

“This dress is the most suitable for miss ye.” the stylist couldn’t help but praise her as she helped her put on the droplet-shaped earrings.

Ye Liangqiu smiled. is that so? ” she looked at herself and also felt that it was a little unbelievable.

she had given birth to five children, but her waist was so thin. of course, a certain part of her body was a lot fuller, and besides the fairy-like aura, there was also a bit of temptation.

happy mid-autumn festival! happy mid-autumn festival, everyone..
