

Thank you 1831

Chapter 1831 - 1831: has he come?(3)

The dinner was held at the GM hotel's new York branch,

Tang Yu and PEI Qiqi were also in new York recently, so they brought little

Xinxin to the dinner.

ye muyun practically lived in the tang family, so he came with them. as soon as he got out of the car, he attracted a lot of reporters.

one had to know that bo yi was a multinational company and ranked in the top 50 in the world. bo yi's president's every move was eye-catching, especially since he didn't have a son. bringing ye muyun by his side was of great significance.

tang yu held pei qiqi's hand. beside him was his beloved daughter tang xue 'er. on the other side was the ten-year-old ye muyun. at such a young age, she was terrifyingly calm.

the reporters asked questions like crazy about ye muyun's identity in the tang family ...

One must know that to help someone raise a child, they were probably related by marriage.

president tang only had one daughter, yingluo. many people were guessing if she would be tang xue 'er's husband in the future.

To the question, Tang Yu smiled, " mu Yun is President Qin's eldest son. Of course, he's also the successor that I have high hopes for.

These words were like a heavy bomb.

One had to know that a son-in-law and a successor were two completely different identities!

the latter would only marry tang xue 'er after she was given supreme power.

she would not be an accessory of the tang family.

"mr. tang, do you have such high hopes for president qin's child? what if ..."
before he could finish his sentence, tang yu smiled and patted ye muyun's head,
" there won't be that 'what if'. the child i, tang yan, raise won't be bad. " His words naturally had prestige, and no one dared to refute him.

However, the tears in Xiao Xinxin's eyes were so scary. She had to be with the man-eating man every day.

She had heard that she could even marry a man-eating man when she grew up. she didn't know why her father would agree, but the man-eating big brother was already living in her house. sometimes, when she lay on her parents 'bed, her father would directly carry her to the man-eating big brother's bed.

she didn't want to!

It was so scary. The first day she slept with the man-eating big brother, he was like holding a doll. When she slept, she couldn't move at all. He would trap her and look at her with a man-eating gaze. after watching her for the whole night, she didn't dare to cry or call her mother.

because her mother was busy, her mother was being bullied by her father.

Little Xinxin was as pitiful as her mother. Would little Xinxin be pressed down and eaten by little brother? every time, her mother would cry so miserably, screaming that she didn't want it anymore, and that she was in so much pain, ran ran.

Be careful, your heart is afraid of pain, wawawawawa.

the man-eating man didn't eat her. he only stared at her for the whole night. the next morning, he seemed to be particularly happy as he held her little face and kissed her.

It was soft and comfortable.

She mustered up the courage to ask him if he would eat little Xinxin up.

she even threatened him, saying that if he ate her, there would be no more such cute little xinxin in the world.

The little brother ruffled her long hair and said that he would eat her when she grew up.

he was so bad!

but it's safe for now, yingluo.

After that, he would sneak into her room every night. Most of the time, he would bring her to his bedroom and hug her to sleep.

However, he didn't eat her again. At most, he just bit her little face and said it was fragrant.

Being small didn't smell good. If it did, she would be eaten.

At this time, she sneaked a glance at the little brother. He had a straight face, which was quite similar to his father's.

Then they should be able to eat people too. Thinking of how her mother said it was painful, little Xin Xin looked at ye mu Yun again..

Chapter 1832 - 1832: has he come?(4)

At this time, she sneaked a glance at the little brother. He had a straight face, which was quite similar to his father's.

Then they should be able to eat people too. Thinking of how her mother said it was painful, little Xin Xin looked at ye mu Yun again.

her little mouth was pouted, and her expression was pitiful.

tang yu calmly led his wife, daughter, and other people's children into the banquet hall.

pei qiqi wasn't dressed too formally tonight. she was wearing a black Imee-length dress that mr. tang picked.

He said that the color of her dress reminded him of the first time she had crashed into his room.

how could pei qiqi not know what he was thinking?

She smiled and didn't accept any interviews. Mu Yun's matter was decided by Tang Yu. She felt that little Xin was a little scared of mu Yun.

after combining an Ian and liang qiu, mu yun had become like tang yu. it would be strange if he wasn't afraid.

as soon as she entered, ye liangqiu came up to her. ye muyun stepped forward and hugged her. "mommy, happy birthday. ' with that, he took out the gift.

with that, he took out the gift.

he bought a pair of earrings with the first sum of money he earned under uncle tang's guidance.

ye liangqiu was pleasantly surprised and kissed her.

ye muyun was still a ten-year-old child. after being praised, his little face was a little red. when he looked up, he saw little Xin looking at the gift anxiously.

"i'll buy it for you next time," he said in a low voice.

He looked at the little dress she was wearing and thought that he should buy it for her. In the future, he should buy her clothes with the money he earned. in uncle tang's house, not only did he have to earn his own expenses, but he also had to pay for his life. of course, he didn't use his mother's money, but earned it himself.

Little Xinxin saw that he had shifted his attention back to her and snorted softly. "be careful, don't." her voice was crisp and delicate! however, ye muyun felt that wanwan couldn't be this cute.

a custard actually had emotions!

He smiled indulgently, ignoring her rejection.

he was too strong and she was too weak. in the next ten years, she slowly yielded to him.

What she wore, what she used, and what she ate were all decided by him.

he became her boyfriend. it was better to say that he was the one who brought her up. fortunately, he was very busy. when he was not at home, she felt like she was a prisoner.

The adults all laughed when they saw the two of them bickering.

"what are you talking about?" a man's voice sounded.

ye liangqiu looked up and saw du yuesheng walking over. she smiled and said, we're chatting. yuesheng, can i introduce you? " Tang Yu and PEI Qiqi looked at each other. Yuesheng?

When did they become so close?

Did this mean that Qin Anlan had nothing to do with this?

while he was thinking about it, du yuesheng had already walked over. she stretched out her hand and smiled. "mr. tang, i've heard so much about you! I've often heard Liangqiu mention you." tang yu also smiled, "cool autumn, you're too kind. "

He had no intention of introducing Qi Qi to this person. There was no need to.

PEI Qiqi wasn't interested and just watched from the side.

She was thinking, 'where did an LAN go? my wife is already publicly going out with someone else, so where is she hiding?'

He was really patient.

He had forgotten about Liangqiu just because he was with his beautiful secretary?

Of course she didn't believe it. if an Ian could let it go, she would have let it go a long time ago. why wait until now, or today?

however, he did not see anyone after walking around.

but that's not for certain. there will be a masked ball later, and he might appear..

Chapter 1833 - 1833: has he come?(5)

However, he did not see anyone after walking around.

but that's not for certain. there will be a masked ball later, and he might appear.

An arm wrapped around her, and a deep voice rang out. what are you thinking about? "

"i'm thinking of an Ian." PEI Qiqi said generously. Then, her lips were covered.

It was only a light kiss, but she could feel how flustered and exasperated Mr. Tang was.

Sigh, an LAN had already made so many moves, and he still minded this!

"In the future, you're not allowed to think of other people." tang yu's voice was low and hoarse, " i'll teach you a lesson when we get back. "

pei qiqi reached out and hugged his waist. she smiled, " i'm going to be fixed anyway. let me think a little more. " tang Zheng was extremely angry. she was really less and less afraid of him.

He calmly picked up the glass of wine beside him and took a small sip. He looked at her and said, "Looks like you're not afraid anymore."

In his dark eyes, there was a deep jade-like desire that only she could see.

PEI Qiqi immediately put away her fake smile, " I'm scared. I'm very scared.

He snorted softly and was determined to teach her a lesson tonight.

However, at this moment, his attention was on the stage. I heard that Liang

Qiu will be announcing her engagement to Du Yuesheng tonight? ‘ PEI Qiqi glared at him, “you don’t look much younger than him!” &Nbsp;

PEI Qiqi, your husband is 35 years old. That’s the best age for a man. he emphasized.

He paused for a moment. an LAN will come.

pei qiqi wasn’t so optimistic and shook her head.

There was no host for tonight’s dinner, so it was a French buffet.

Du Yuesheng and ye Liangqiu had been together all this time, which could be considered as an announcement of their relationship.

Everyone was guessing, so it was not strange.

Du Yuesheng had been by ye Liangqiu’s side for a long time in B city!

At ten O ‘clock, the masquerade party began.

Du Yuesheng kissed ye Liangqiu before she put on her mask.

it wasn’t a kiss on the face like she had said, but rather, he held her in his arms and gently kissed her lips.

although it was not deep enough, it was enough for Xiao hun.

no one would suspect that they were acting. du yuesheng’s expression was very engrossed. she was a man who was completely immersed in love.

ye liangqiu was stunned. he immediately pressed his lips against hers and softly said,”close your eyes. If you don’t want people to be suspicious.” She closed her eyes in a panic, but in fact, she felt a little regretful.

she should not have provoked du yuesheng. he was more serious than she thought.

Du Yuesheng chuckled, ” you shouldn’t have provoked her, but you did.

Liangqiu, you can’t run away.

he returned to the hotel and thought for a long time. in the end, he decided not to let go of this opportunity.

It didn’t matter if it was real or fake. he wanted to make their relationship real.

He did take advantage of the situation and was a little despicable, but feelings were selfish to begin with, weren’t they?

He could only apologize to Qin Anlan!

the kiss lasted for a long time because he did not allow her to escape. the seemingly gentle kiss was actually domineering.

his hand was pressed on her back, not letting her move unless she wanted to tell everyone that they were acting.

and he knew the limits and knew that she would not fall out with him.

in the crowd, among the masks, a black figure stood there, his eyes somewhat deep.
his slender figure was set off by the fitting suit, which made him look particularly tall and straight.
He just looked at her like that, and his heart ached.
Looking at his cool autumn and kissing someone else!
Was she very happy now?
Were she and Du Yuesheng really together?
Chapter 1834: I'm serious (part one)

after the kiss, ye liangqiu pushed du yuesheng away and gritted her teeth. "mr. du, that's not what you said before. "

"oh, i forgot. i'm sorry." it's rare for du yuesheng to act like a rascal. he looked around and smiled. also, i think you should call me yuesheng, otherwise i'm afraid i'll be suspected."

Ye Liangqiu glared at him. he chuckled and reached out to pinch her cheek gently. "liangqiu, you'll really be suspected if you do this. " as he spoke, he bent down and planted a light kiss on her lips. he muttered, "

"We can start the dance Now."

He personally helped her put on her mask and led her off the stage.

He said as he walked, " do you regret your decision? i forgot to tell you that you have to pay a small price for everything. tonight is no different." ye liangqiu finally came back to her senses. she gritted her teeth and said, " du yuesheng, don't you think you've gone too far? "

"Compared to what you did to me, I don't think so." he smiled slightly and turned to look at her. " liangqiu, the mask you're wearing is very interesting. "

She reached out and touched it, but she couldn't find anything. Du Yuesheng reminded her kindly, " it's the beautiful female warrior.

Beautiful female warrior?

ye liangqiu's eyes were filled with rage, but fortunately, the mask concealed it.

Du Yuesheng was wearing an elegant mask as she bent over. I prepared this especially for you. I think it suits you.

She really wanted to take it off, but if she did, it would be too much of a loss of self-control.

The dance continued. She was in his arms. Unexpectedly, Du Yuesheng danced very well and held the stage.

however, she still wouldn't forgive him for his impetuosity today.

after the song, he stopped, and her body stopped as well.

The sound waves around them seemed to be calm, and the world was so quiet that it seemed as if they were the only two people in it. Through the mask, his eyes were deep. Liangqiu, I'm serious. her gaze froze as she looked straight at him in a daze.

"If you change your mind one day, I'll be here waiting for you." His voice had the sensitivity of a forty-year-old man, and she wanted to escape.

however, it was obvious that he did not want to scare her. he then smiled faintly and said, " if you have not given up on an Ian, i can accompany you. " Anyway, he had never met a girl who was more attracted to him than her.

before ye liangqiu could refuse, a strong arm wrapped around her waist.

then, she crashed into a sturdy body, and her face was buried in the arms of a man full of masculinity. fortunately, she had a mask to cover it, otherwise, it would have been very, very painful.

she was stunned for a long time. when she looked up, she saw an ice-cold mask.

Unlike the others, this was a complete silver mask, suffused with a cold light, and his eyes also seemed to be flashing with a cold light.

The heat of his palm burned her. She looked down and found that he was wearing gloves.

Her lips trembled slightly. She restrained herself because she knew that he was an LAN.

He was here.

Only by wearing a mask could they meet under such bright lights.

Their eyes met, and neither of them looked away.

Du Yuesheng, who was not far away, smiled faintly and walked to the side. She could also tell that it was Qin Anlan.

Qin Anlan was wearing a mask. He gambled that ye Liangqiu would not dare to take off the mask. Forcing her would only force Qin Anlan to leave.

Du Yuesheng sighed softly. She held the wine glass and wanted to drink, but then she remembered that she was wearing a mask and couldn't drink. She gently put down the Kasaya..

Chapter 1835 - 1835: 1 1 m serious (2)

He wasn't young anymore, but for some reason, he seemed to be unable to let go of women when he was young.

This was not a good thing. Instead, it was very dangerous!

on the other side, after ye liangqiu recovered from her shock, she reached out and held qin anlan's shoulder. in a low voice, she said, " let's dance! "

He didn't move for a moment, but after that, she boldly hugged his waist and rested her face on his shoulder.

he was about to reprimand her, but the music playing at this time was very lingering and suitable for such a dance. the people around them were also like this, and they would only be more lingering than them.

Qin Anlan's Adam's apple bobbed as he lowered his head to look at the woman in his arms.

He suddenly reached out and removed her mask.

Her beautiful face did not stop him from wanting to see her.

His trembling hands moved from the back of her head to the front, holding her face and not moving away.

then, he moved his hand to the back of her head and pressed her face into his arms.

Hugging Yingying like this ye liangqiu's face was pressed against his chest. his heart was beating very, very fast, and he was burning.

she could still feel the temperature of his body through a few layers of clothes.

did he think that she wouldn't know it was him?

She wanted to speak, but he pressed her down and suppressed his voice. don't move! otherwise, everything will be over." her body stiffened, and she immediately understood what he meant. or rather, he had admitted his identity, but he was unwilling to come back.

her body stiffened, and she immediately understood what he meant. or rather, he had admitted his identity, but he was unwilling to come back.

"An LAN." her face was pressed against his chest, and one of her small hands sneaked into his coat. she muttered, " do you really not care? "

He lowered his head to look at her, and she also looked up in a daze.

after so many days, this was the first time they had hugged so openly.

his eyes were deep and he did not answer her. instead, he lowered his head and kissed her on the lips.

through the mask, he felt a sense of security, and he kissed her deeply as if no one was around.

he dared to do what du yuesheng didn't dare to do. du yuesheng's light kiss was not worth mentioning compared to this kiss.

This kiss seemed to be filled with anger as it ruthlessly washed her lips. Rather than a kiss, it was more like a punishment.

she did not resist and let him kiss her softly.

When he left her lips, she was on her tiptoes and her body was folded in his arms. Her eyes were blurred.

he was still wearing his mask, and his voice was hoarse. "Happy Birthday." he took out a small and exquisite box from his pocket.

There was a necklace inside. It was a beautiful diamond. However, it was not a ring.

She looked at him and raised her eyes. stay here.

There was a touch of coldness in his eyes. He gently broke away from her, turned around, and walked straight out.

The scene was in an uproar.

Everyone had guessed that it was Qin Anlan.

Only Qin Anlan's eyes were so affectionate.

After he left, she stood there, and there were two long rows of people on both sides of her.

She stood there and said softly, " Du Yuesheng, Will you marry me? " Qin Anlan's body froze for a moment, but he did not turn around. He just stood there.

When Du Yuesheng heard that, she sighed in her heart. If Yingying was smart, she would have rejected him.

however, such a request was too tempting, and he could not bear to refuse. She smiled and said, " of course I'm willing. If today was a wedding, I wouldn't reject it.

ye liangqiu's eyes were still fixed on that back, and her voice became even softer. " then, we'll hold our wedding in two months.. "

Chapter 1836: I'm serious (3)

She didn't know when, but Du Yuesheng came to her side and used the last trace of her conscience, " "are you serious? We're people of status, we can't afford to lose face like this." ye liangqiu raised her head and smiled. " i'm not joking with you. i'm serious. " du yuesheng retracted her expression and looked at ye liangqiu. " really? "

Ye Liangqiu didn't say anything. Her eyes stared at the slender figure in the distance.

Finally, he walked forward without looking back or asking her to stay.

She knew that she was being willful, but she had just given birth. Today was her birthday, so she was willing to be willful for once.

"yes, i'm serious!" as she spoke, she pulled du yuesheng into her arms and kissed him on the lips.

there was a trace of pique, and she was going all out, but she had gambled everything in exchange for him not turning back.

The scene came to an end with the male lead's departure.

however, qin anlan didn't manage to leave. tang yu had someone stop him.

The waiter was very polite. Mr. Qin, President Tang wants to invite you to a small gathering.

qin anlan turned his head. the cold light from his mask made the waiter's heart sink.

however, qin anlan followed him to a suite on the fifth floor.

The door opened and the attendant left.

Qin Anlan walked in slowly. He walked through the entrance and into the Grand Hall. Tang Yu was sitting on the sofa with two wine glasses and a bottle of red wine in front of him.

“An LAN, long time no see.” tang yu smiled and moved his chin, ” “sit.”

Qin Anlan did not move and looked inside.

qiqi is in the bedroom. xinxin and muyun are in a separate room. ” Tang Yu’s voice was calm, ” you weren’t around these past few days so I had to tell you.

At this point, Tang Zheng poured two glasses of wine and handed one to Qin Anlan, who was sitting down. He raised his handsome eyebrows slightly. is it convenient to drink with a mask on? ”

Qin Anlan glanced at him but did not say anything.

‘l’ang uneng smiled. mu Yun IS much better than you. He asked De Boys near. Also, when you grow up, you have to marry little Xinxin.

“You agree?” Qin Anlan narrowed his eyes.

“are you asking about the heir or about little xinxin?” Tang Yu looked into his eyes as if he could look into his eyes.

Qin Anlan was a little disheveled. both.

tang yu’s body fell backward and a charming smile appeared on his handsome face, ” i promised to give him a chance! as for being careful, she’ll have to be willing.”

Qin Anlan closed his eyes. Even though Tang Yu said it casually, he could imagine how difficult it was for mu Yun.

an LAN, think about it carefully, Yingluo. Are you really willing to see Liangqiu and Du Yuesheng together? ” Tang Yu’s tone became calmer, ” she’s not joking. You should know her temper.

qin anlan smiled bitterly. of course, he knew that she was angry.

He was alive. He had someone tell her that he was dead.

she was sad for so long and gave birth to the child alone, but he still refused to come out.

now that they had met, he still refused to acknowledge her.

Qin Anlan wiped his face, but what he saw was a cold expression. He let out a long sigh. what can I do to win her back? ”

“This face?” he removed his mask.

Tang Yu was a little stunned. It wasn’t because of an Lan’s face, but because of an Lan’s emotions.

“Still the same body.” qin anlan’s expression was unfathomable. he reached out to pull his coat off and unbuttoned his shirt.

Half of his body was covered in wounds, all of which were uneven..

Chapter 1837: sleeping with the wrong person (1)

tang mo forgot to drink the wine in his hand and just stared blankly.

A scream came from the bedroom door.

They looked over and saw PEI Qiqi.

pei qiqi was wearing a cute bear pajama. she told mr. tang that she had a special activity tonight.

she didn't expect an Ian to be here, nor did she expect an Ian to take off her clothes here.

She swallowed her saliva and then jumped over to tease him.

“Wow!”

“such nice skin, these injuries are so interesting! good naturel sense.” PEI Qiqi reached out and touched Qin Anlan's wound, ” Anlan, how can this wound be so ugly? ‘

she looked like she was about to drool. her small body was wagging, and her short tail was wagging. she was especially cute.

Qin Anlan looked at her, then at Tang Yu.

Their hearts were originally quite dark, but at this moment, they all felt like cursing.

Seriously, this couple, they've been married for so many years, and they're still playing with this!

And PEI Qiqi, she wasn't afraid of Qianqian when she saw his injuries. It didn't seem like she was pretending-

Really awkward Sense?

He was a little confused. He looked at her and said in a hoarse voice, “Qi Qi, don't touch it.” pei qiqi couldn't bear to part with it, ” it looks pretty good. ‘

she raised her eyes and looked at him eagerly. ” an Ian, did you know? jade is very forbidden. it makes people want to touch it. ‘

she didn't look like she was pretending at all. she continued to drool, ” if it was like this in the past, tang yu wouldn't even be here. ‘

Tang mo narrowed his eyes and glared at her, his voice a little creepy. “pei qiqi!”

PEI Qiqi stuck out her tongue, ” Oh, I'll obediently go back to my room and wait for you.

she deliberately spoke in a voice that qin anlan could hear. ” that big bad wolf's pajamas are ready for you. hurry up.

Qin Anlan felt that he simply could not bear to listen to this. This couple was really insistent.

tang yu was also embarrassed. he coughed lightly, ” go back to your room. PEI Qiqi then left reluctantly. Before she left, she touched Qin Anlan again.

how did you raise her up to be so silly and sweet? ” Qin Anlan pulled up his clothes and cursed in his heart.

at the very beginning, she was a rather cold and cheerless little girl. although she was a little twitching later on, she shouldn't be like this!

Tang Yu smiled and squinted his eyes. His eyes were filled with love, ” just spoil her.

&Nbsp; he stood up. an LAN, don't wait until you regret it.

she reached out and patted him. ” look, even qiqi admires his injuries. i think qianqian will like him too.

Qin Anlan watched as Tang Yu anxiously walked into the bedroom. The corner of his eyes twitched. he was getting more and more mischievous.

Returning to his residence, he slowly took off the mask on his face and looked at his own face in the mirror.

He was still as terrifying as ever.

if qi qi saw it and said that it had a personality, would liang qiu be afraid if she saw it?

he didn't dare to take the risk, not to mention that he, yingluo, couldn't give her anything.

He did not even stop Du Yuesheng from kissing her today.

For the first time, he was so weak because he couldn't give her everything.

Walking into the bathroom, the water washed over her body and those ugly scars!

GM hotel.

Linda sent Du Yuesheng back to the suite. She helped him in because Mr. Du was drunk.

du yuesheng was drunk because of ye liangqiu. she was unhappy and dragged du yuesheng to drink.

In the end, ye Liangqiu wasn't drunk, but Mr. Du was so drunk that he was almost unconscious. Linda had to send him back..

Chapter 1838: sleeping with the wrong person (2)

linda helped du yuesheng to lie on the sofa and went to pour him a glass of water.

there was a glass of water on the table. she took a sip and gave it to du yuesheng without thinking too much.

‘ mr. dean, how is it? ” she carefully fed him a few mouthfuls.

Linda took care of him very carefully, mainly because Mr. Du might be her boss in the future!

She saw the situation clearly today. If President Qin didn't come back, Mr. Du would most likely marry President ye!

after that, she would have to do things according to mr. du's mood. linda was not stupid. she was now chairman ye's confidant and was treated well in all aspects. if she wanted to survive, she had to look at the situation.

It was rare for Du Yuesheng to get drunk. At this moment, she was bent in a woman's embrace and could only feel a burst of fragrance.

it had been a long time since he felt this way.

He didn't control his private life too much. After all, he was single.

He liked Liang Qiu, but she was not really with him. So, he had always had a woman in Hong Kong and had never kept his virginity.

To him, women were nothing special, but now that he was drunk and uncomfortable, having a pair of gentle hands supporting him, that feeling was different.

Du Yuesheng opened her drunken black eyes and looked at the small face in front of her.

He was too drunk to tell who she was, but he hoped that she was Liang Qiu. "cool autumn?" he closed his eyes and grabbed her hand.

linda was shocked, and her eyes opened wide,"mr. dean? i'm linda." mr. du?

this voice was very unfamiliar! It was not cool autumn.

Linda was Liangqiu's little Secretary. He remembered the pretty Yingying.

du yuesheng closed her eyes and let go of linda. she muttered in a low voice, " why is it so hot? pour me some water. "

' oh, " linda said, and brought the water to his lips again. " mr. du, drink some water. "

Du Yuesheng was so drunk that she had forgotten that he was the one who poured the water and that there was a pill in it.

He had thought about it before. If Liang Qiu came over tonight, she would drink the glass of water. Then, he would end this complicated relationship.

He wanted her, he wanted to marry her!

however, he was drunk and forgot that the water was mixed with medicine. he drank it himself. a few mouthfuls were still fine, but now, he had actually swallowed it all.

It was getting hotter and hotter, so hot that it was almost unbearable.

du yuesheng squinted her eyes and opened them. she looked at the beautiful face in front of her.

That medicine made people inhumane.

it didn't matter if it was cool autumn or not.

At this time, what he wanted was to release Xuxu from the beautiful girl in front of him. He pressed her into his arms.

linda was scared, and she swallowed her saliva, "Mr. Du, I'm not Chairman ye."

Before she could finish, she was already kissed.

the man's burning aura swept through her senses. she had never experienced such a feeling before.

linda's eyes were wide open, and she desperately resisted the yingluo.

No, no, the person who was going to sleep with her now, or rather, the person she was going to sleep with soon, was president ye's man.

she couldn't help but beat and push him away with her small hands, but she couldn't push him away.

instead, as he kissed her, her body gradually heated up and a deep desire rose.

Before Du Yuesheng had sex with her, there was a moment of clarity. However, at this time, the woman in his arms was already tender. As a man, and a drunk man at that, he could not bear it.

Linda was so scared that she bit her lips and cried, "No, I don't want to hurt

Yingluo."

She had never been like this before. The way she was afraid of him was so scary, from her eyes to her body.

he looked like a wild beast..

Chapter 1839: sleeping with the wrong person (3)

However, how could she resist a man who had drunk the medicine? The drunkenness and confusion turned into ambiguous moans of breathing that didn't stop for a long time.

all these years, du yuesheng was also used to seeing the moon breeze couple. a little linda was not enough for him to mess around.

However, it was a little troublesome, because Linda was one of Liang Qiu's people.

He had touched it, so he had to give an explanation.

after the indulgence, all of her rationality returned.

Du Yuesheng took a shower from the bathroom. Besides washing her body, she also wanted to clear her head.

When he returned to the bedroom, the girl, who was as old as a flower, was in a deep sleep. Her white body was pressed against the quilt, and on the white bed sheet, a trace of red blood could be seen.

He really didn't expect that it would be her first time. She looked like she was in her mid-twenties. du yuesheng had a headache. it was her first time. it was usually not easy to get rid of a woman's first time.

he frowned and narrowed his eyes. then, he walked to the wine cabinet and poured himself a glass of red wine. he didn't have any intention of sleeping. he just stood in front of the floor-to-ceiling window and looked at the night outside.

At the end of the day, she was just waiting for the person on the bed to wake up.

When Linda woke up, it was seven in the morning.

the view from the Gm hotel's presidential suite was excellent. from here, one could see half of new York. in the early morning, a thin layer of mist rose outside, and the scenery was unique.

she had slept on her stomach for the whole night. when she moved, her body ached and she couldn't help but let out a soft cry.

the moment she called out, du yuesheng knew that she was awake. she turned around and looked at linda, her voice was hoarse like a man's, "you're awake?" Linda replied with a "hmm" and then buried her face in the pillow.

Aiya, she really should have put on an act. For example, she should have pulled the sheets and shouted, "where is this? why is she on my bed?" then she should have cried and asked him to take responsibility.

but. linda disdained to do that.

this man liked ceo ye. that glass of water last night was probably prepared for ceo ye. she didn't expect that she, a little secretary, would have sex with him. what a pity!

"mr. du, you didn't sleep all night. are you thinking about how to marry me in a grand way?"

Du Yuesheng's eyes turned dark as she put down the cup in her hand. Her expression was gentle and her voice was even gentler, "Linda, you're more humorous than Liangqiu."

The two words 'cool autumn', he said it so lovingly that Linda could not mistake it.

She smiled as well. if not, then he's thinking of how many checks he can give me to get rid of me.

Du Yuesheng smiled lightly, her expression became more and more loving, which made Linda's hair stand on end. She stuttered, "Don't tell me you slept with him and didn't even get a check?"

she gathered her courage and said, "if that's the case, you'll have to bear the consequences. ' du yuesheng grunted and smiled. "you're going to sue me?"

"No!" Linda looked at him, and she mouthed silently, "i'm pregnant."

Those few words made Du Yuesheng, who had always been shrewd and ruthless, almost jump up and down. She squinted her eyes, "I don't believe that a girl would dare to do this to herself! be good, be obedient, yingluo."

Linda was usually very gentle, but she wasn't a little lamb. She couldn't sleep with him for free, and he had taken medicine. It was the first time that she had kissed him.

du yuesheng might have guessed what she was thinking. she squinted her eyes and said, " i wasn't too rough last night.. "

the drug wasn't strong, and he was an experienced man who knew how not to hurt a woman.

"I can't be slept with for nothing!" linda sat up and looked at him with her head tilted, "why don't i ask ceo ye for a check when my stomach is bigger?"

Du Yuesheng's head ached when she heard that. Actually, he would not care about the check. It was just that it was not safe for a woman he had slept with to be by Liang Qiu's side.

After a moment of silence, he looked straight at the little girl on the bed. I'll give you ten million to leave new York.

"sure!" linda smiled, " if i had been this straightforward earlier, i would've had you, old man. '

An old man?

Du Yuesheng's eyebrows twitched. She thought to herself, 'he's more than a round older than me, so I won't argue with him.'

He walked into the study and came back a minute later. He placed a check in her hand and said with the gentleness of an old man, " be good. Remember to take your medicine.

in fact, she was quite obedient and sensible. otherwise, he might not have remembered such a morning.

most of his female companions in the past had been in brothels, and which one of them hadn't obediently settled their funeral affairs?

Linda lowered her head and saw that it was 10 million Yuan!

She accepted it with a smile. After she put on her clothes and shoes, she said with a smile, " I forgot to tell you, Mr. Du. Chairman ye is preparing to return to B city in a month's time. He asked me to go back in the next two days!

She paused for a moment. if you don't like me, I'll get lost today.

Du Yuesheng had a headache when she heard that. This little girl was really a thief.

However, the old man wouldn't argue with her. After thinking for a while, he said, " let's just pretend that last night never happened. You know how to deal with it in front of Liangqiu.

His tone was very serious when he said this.

linda answered indifferently and put away the check.

Just as she was about to walk out of the door, Du Yuesheng said indifferently, ”

“Why Don't You Want Me to take responsibility?”

Linda turned her head, with an innocent face, she waved the check, ” I'll take responsibility.

the mature man's eyes were as deep as water as he looked at her indifferently.

linda couldn't pretend anymore and squeezed out a smile. ” mr. du, i'm not interested in being a mistress. besides, you're a little old. ‘

Du Yuesheng's eyes twitched again. She raised her hand and said calmly, ”

“Alright, we can go now.” seeing her, she felt a headache coming on. at yingying's age, if he had a child earlier, he would be around her age.

so, after he woke up, he did not have any more desire for her. he did not even have any desire for her when she changed her clothes just now.

Just like the wind that rose and fell however, after linda left, du yuesheng still made a call.

Half an hour later, his Secretary knocked on the door and came in. She said in an emotionless voice, ” “Mr. Du, Miss Linda just went to the pharmacy to buy medicine and took it. I also found out that she has booked an afternoon flight to new York. ”

du yuesheng was lying on the sofa with only her bathrobe on. she was over forty years old, but she still looked out of the window with her handsome face.

in front of her was an exquisite breakfast. she seemed to be in a good mood.

He ate elegantly and only took the time to ask, ” “are you sure he bought morning-after pills and took them?”

The Secretary's mouth twitched, and she looked a little uncomfortable ...

It was true that Mr. Du was drunk last night, but he had never been so impetuous before. The other party was just a little Secretary and Mr. Du usually did not touch good women.

Du Yuesheng's voice sank.. you can't let Chairman ye know about this, understand? “
