

Thank you 1851

Chapter 1851: aren't you afraid?(I)

The veins on Qin Anlan's forehead were popping out.

"you don't agree?" She chuckled. didn't you arrange this? i like linda too, she's pretty good."

"You're quite magnanimous," he sneered.

he pinched her cheek hard, and she cried out in pain, staring at him with teary eyes.

qin anlan's voice was tense. " you were so fierce just now. why aren't you acting like that now? " Hmm?" he had not put his hand down, and he kept pinching her face.

she bit her lip and glared at him.

Qin Anlan pinched her again. As she cried out in pain, he said in a deep voice, " now, you're like the little girl from before.

Ye Liangqiu's heart trembled. She looked up at him. then you're willing to let your little girl marry an old man and share him with other women? "

she wrapped her arms around his neck and pressed her body against his. " do you want me to serve him like this at night too? "

as she spoke, she kissed the wound on his neck with a touch of sincerity, not frightened at all.

His body was stunned, not because of the love Jade, but because of shock.

it was because of what she was doing to him.

his voice was tense as he squinted his eyes."You really don't care?"

"what do you care about?" she moved down and pressed her face against his mask. her voice trembled slightly as she said, " an lan, do you care about your injuries? Or do you care about your little Secretary?" he lowered his head and looked at her, his voice even more hoarse. "You won't like it."

"Whether I like it or not, I'll only know after I see it." She kissed his lips directly but did not go too deep. She just leaned against him and muttered, " maybe it's headache? "

Her long eyelashes trembled. She opened her eyes and looked into his eyes. an LAN, I can still feel it! It's for your body and your people."

her hands slowly moved down and wrapped around his waist. " an lan, do you still feel anything? " he lowered his eyes and was a little speechless. if he didn't feel anything, why did he kidnap her?

did they really think he was a pervert?

Ye Liangqiu laughed when she saw him staring at her. Her smile was a little sweet, but it was also a little emotional. ” anlan, i don’t care what you look like.

you are you. you are qin anlan, my husband. ‘

“we’re divorced.” his voice was hoarse as he kindly reminded her.

She deliberately teased him, her little hand rubbing here and there. then, can I marry Du Yuesheng?
,

every night, i sleep beside him. he wants to kiss me and want me. an Ian, should i reject him? ” by the end of her sentence, she was already groaning softly because he suddenly grabbed her hand. with a heavy grip, she groaned softly and said that it hurt.

her voice was as sweet as honey. ” an Ian, what do you think? ” his face darkened. ” what did you just say? didn’t you just say you wanted me to return to your side, and now you’re going to marry an old man?”

he tortured her too much, so she could only groan softly and put her face on his shoulder, hanging weakly from time to time.

after a long while, she raised her head again. ” you’re the one who arranged for this old man. ‘

He looked at her and found her to be really detestable. He lowered his head and kissed her.

It was a very, very deep kiss that hurt her. She clenched her fists and punched his shoulder, desperately begging Yingying.

However, he couldn’t let go, Yingying.

Recovering what he had lost was the only thing he missed now.

The kiss became intense.

when she came back to her senses, she was pressed against the glass of the floor-to-ceiling window and was entangled with him..

Chapter 1852: aren ‘t you afraid?(2)

The kiss became intense.

When she came back to her senses, she was pressed against the glass of the floor-to-ceiling window and was entangled with him.

behind him was the cold glass and half of new York’s night view.

being pressed down like this was like floating in the air, in danger of falling at any time.

She didn’t dare to push him, for fear that she would be crushed into pieces.

man and woman, perfect and ugly, now perfectly combined. He kissed her so deeply that she felt pain in the depths of her soul.

finally, he was satisfied and let go of her body.

Ye Liangqiu's legs gave way and she fell.

he didn't help her up. under the light, the mask on his face stood out.

he looked down at the panting woman and said in a hoarse voice, "ye liangqiu, are you sure? are you sure that this face won't disgust you? it will even give you nightmares.

She was half-leaning against the glass and had to support herself with one hand.

"You can try and see if I'll have nightmares." she looked at him stubbornly and spat out a sentence.

His expression darkened even more. ye Liangqiu, when did you become so unreserved? "

she smiled and said in a flirtatious manner, "qin anlan, when have i ever been reserved?"

he didn't say anything else, only placing his fingers on his mask. his voice was like a tight string. "don't you regret it! "

He then added, " I won't make you regret it!

an LAN, I like your last sentence. she was still in the mood to argue with him.

qin anlan's adam's apple bobbed a little before he said, " "you don't know shame. " these words, no matter how one heard it, sounded a little awkward.

He was the one who kidnapped her and did all the shameful things, but now he was blaming her.

but she didn't argue with him, her eyes burning.

Finally, he took off his silver mask.

It was not very clear against the light, but he could still see 70 – 80% of it.

Ye Liangqiu paused for a moment, and there was pain in his eyes. if you regret it, you can leave.

she was still half-sitting with her head raised. her voice was very, very light, and dreamy. " just now, you said that i'm not allowed to regret it. "

"alright," he said. He reached out to pull her up and pulled her into his arms, his arm holding her waist firmly.

the glove was also thrown away by him, and his scarred palm held her sharp chin, forcing her to look up at his face.

half of his face was that of an angel, while the other half was that of a devil.

his eyes were bottomless, so dark that it was almost strange. " ye liangqiu, did you see clearly? How scary is that face?" her eyes were fixed on his face, up and down, and she looked at him all over. That burning gaze made his originally dark thoughts a little angry. "ye liangqiu, do you need to be so careful?"

Do you want me to give you a magnifying glass to take a good look?

She looked at it for a long time before finally saying, "it's quite scary. Half of his face was already pale. He was ugly no matter if he was happy or unhappy.

the other half of her face was completely black.

don't be unhappy. There was still half a chance to see it, but it's all the same now. she was not afraid and even dared to laugh at him.

Qin Anlan's face was completely black. He pinched her chin and said, "ye Liangqiu, your reaction is very unique.

"I thought you would be surprised, my dear." It was rare for her to be so cute.

He did not know how to react.

she was really too hateful, too hateful!

Chapter 1853: aren't you afraid?(3)

ye liangqiu smiled, her fingers trembling as she touched his face. she said, 'anlan, i'm not as calm as you think i am. i also care about your injuries, but what is more important than your life? "

"I'm afraid too!" she gave a faint smile. "i'm lying if i say i'm not afraid!" The palm covered his face like a spring breeze, soothing his soul.

"I'm afraid because I care what you think! actually, it's good to be ugly, because no woman will come to fight with you if you're ugly." There were obvious tears in her eyes, but the smile she forced out looked uglier than crying.

He looked at her with a burning gaze. it's not that no one will fight for it! Qiqi said that my face has a special personality now." her hand paused, "an Ian, tang yu raised pei qiqi into a three-year-old child.

how could you believe her words?! "

Could his face be sold for money?

Qin Anlan was not happy. my Secretary thinks that I'm charming too.

"Because you're her boss. Take off your mask and see if she still wants to climb into your bed." She snorted. if you're so confident, why are you still hiding? "

Qin Anlan looked at her for a while before he slowly said, " "Ye Liangqiu, are you jealous?" she sneered, "i used to, but not anymore. you're quite safe now. "

His eyes darkened. She still cared.

ye liangqiu rolled her eyes at him. "i told you, staying alive is the most important thing! I can't lie and say that you're very handsome now, Yingluo." her fingers touched his face and she smiled. "

"although i don't hate it, i quite like it."

Men were all childish. At this moment, his mood was much better. He coughed lightly.”you just said that you wouldn’t say anything nice to coax me.”

“every word i say is the truth.” ” hmph! ” she snorted softly. ” it’s not a pleasure to be with this superficial person, but an Ian is definitely not enduring. ”

As she spoke, she tiptoed and kissed his lips, showing that she did not care.

Their lips were intertwined, and her hands hugged him without any force.

After a long time, she stepped back and looked at him. do you still doubt me now? ” his eyes trembled slightly and were filled with warmth. after a long time, he finally said hoarsely, ” “i won’t,”

He added, ” at night, you’ll only be considered as one if you sleep with me.

Ye Liangqiu couldn’t take it anymore, but she had to endure it.

He was very sensitive right now.

“Alright.” she raised her eyebrows and adjusted her pajamas, running around looking for something.

she probably couldn’t find it. she turned her head to the side and looked at him again. her voice was relaxed as she said, ” an Ian, did you kidnap my phone? ” he glared at her, then threw out a phone for her to use.

She smiled and dialed the home phone. It was aunt su who answered. liang qiu was like a young girl who had just returned home at night, her voice nervous.”Aunt su, I have something to do tonight, so I won’t be back.”

on the other side, su xiu’s head was in a mess. young madam really had an affair!

Wiping her tears, aunt su softly agreed, “Okay, young Madam. Have fun.”

When ye Liangqiu heard this, she knew that she had misunderstood. She didn’t know whether to laugh or cry. She lowered her voice and said, ” aunt su, what are you thinking? I’m with an LAN now.” su xiu immediately came to life. she dragged out her voice, ” it’s an Ian! ” She was both surprised and happy. In a while, she would immediately burn incense for the old lady. The young couple would be reunited tonight..

Chapter 1854: aren ‘t you afraid?(4)

The flowers were beautiful and the moon was full, the years were peaceful and beautiful, these were the old words that aunt su could think of.

however, it was fine as long as he could achieve the intent realm.

but after a while, she was a little worried about the injuries on young master wanwan’s body. did young madam see that?

this woman was a woman after all. she was as soft as water. would young madam be able to accept the fact that young master's appearance was ruined?

aunt su was worried. she wanted to ask, but she didn't dare to. she hesitated and didn't say anything for a long time.

Ye Liangqiu saw that she didn't speak for a long time and could guess what she was thinking. She smiled faintly. aunt su, don't worry! An LAN is very good, Yingluo is very good."

she didn't say it so directly, but aunt su had been with her for a long time, so she understood.

Although he did not see it with his own eyes, he was still moved to tears.

She had seen the young master's appearance before. It was very aggrieved to have the young Madam's flower-like appearance to make do with it.

aunt su wiped her tears and said, "have fun. i'm at home. no matter what, there's still KIME. he's also good at taking care of children.

Sigh, I'll be so embarrassed and I'll cry if I continue!

it's better to go back and burn some incense for the old lady. aunt su felt that she had no regrets in this life.

ye liangqiu hung up the phone and turned to look into qin anlan's eyes. " alright, i don't have to go home anymore.

She walked towards him barefooted and wrapped her slender arms around his neck. carry me to the bathroom. I want to take a shower.

his adam's apple bobbed. he wanted to refuse, but he really couldn't resist such temptation.

Pursing his lips, he reached out to carry her and walked straight into the bathroom.

The dense water vapor continued to make his vision hazy.

She was kissed by him against the bathroom wall, and that was it.

She actually wanted to, but they had been apart for so long. He didn't do anything, so she didn't want to take the initiative.

after the hot bath, she slipped away like a steamed shrimp.

qin anlan stood underwater while she leaned against the wall and watched.

Suddenly, she agreed with Qiqi's words that Xuxu's body was quite a character.

"are you sure you want to keep looking at me like this?" He continued to rush forward, and his voice was heard.

She gave a slight smile. yes.

She walked over and hugged him from behind, refusing to put him down.

He let her hug him and said in a hoarse voice, "Liangqiu, you're a mother of five now." there's no one else here. I just want to hug you and feel your warmth. As she spoke, she kissed his back and pressed her face against his back.

"You're not a child anymore," he said in a hoarse voice.

"I'm a child now, I want a hug." She was completely shameless, a completely different person from the woman who had been clamoring earlier.

he was quite speechless.

He turned around and held her face in his hands, staring at her for a long time.

At this time, he should actually tell her, tell her about his illness, and let her decide whether she wanted to be with him or not.

however, he couldn't say it out loud. this was the bottom line of a man.

Sometimes, he would even think that it was probably because he had played with too many women in the past, and this was retribution from the heavens.

After a long time, he picked her up, wrapped her in a bath towel, and walked into his bedroom.

he fulfilled her wishes and took care of her like a baby. he wiped her clean, made her smell nice, and put her in his bed.

as he did all this, she kept looking at his face, her eyes filled with reliance. She kept looking at him like that. When he was about to get up, she pulled him back. an LAN, I want you to accompany me..

Chapter 1855: Aren 't you afraid?(5)

his expression was a little frozen.

She knew that he had retreated and pursed her lips. you said you wanted me to accompany you.

his fingers gently caressed her red lips and he smiled. "you will be afraid."

"I'm not afraid." she hugged his thin waist, buried her face in it, and muttered, '

"an lan, i'm not afraid!"

she even pulled him to her side and hugged him like a child. "look, i'm not afraid. '

"aren't you afraid even if you turn off the lights?" his voice was hoarse and damaged, not as elegant and pleasant as before.

She shook her head desperately. I'm not afraid, really.

She kissed half of his body. not perfect, but it's real.

He had no idea how much she yearned for this warmth.

When she went to the mortuary, the cold aura of death scared her.

And she had only been to the cemetery a few times.

Perhaps, from the bottom of her heart, she was unwilling to accept the fact that he had died.

fortunately, he had returned.

Her an LAN had returned.

Her eyes were filled with tears as she looked at him emotionally.

an Ian, i wasn't just saying that when i said i wanted to feel your presence. I really want to hug you. I want to be sure that you're alive and not the cold body you were before.

i'm afraid, afraid that this is all a dream, afraid that i'll wake up after a dream.

hug me, i won't be afraid anymore.

perhaps it was because her gaze was too eager, but he still slowly leaned against the bed and gently hugged her.

he still wore a tight silk nightgown, trying not to expose any of his body. he even wanted to wear a mask. She stopped him.

she didn't want him to be like this.

She held his fingers tightly with both hands, and she leaned into his arms, kissing him like a little baby Beast.

her small teeth bit open the strap of his pajamas.

He was shocked. cool autumn!

What was she trying to do?

He clutched his pajamas like a young girl who had been raped.

she laughed, and her voice was very delicate. " an Ian, i want to hug you.

he understood what she meant and closed his eyes. " is this not enough?

liangqiu, give me some time." his voice was indescribably fragile.

After a long time, he did not get a response from her. He slowly opened his eyes, thinking that she was angry.

when he opened his eyes, he saw her chuckling. her chin was resting on his chest, and her fingers were playing with his chin. " an Ian, when did you become so chaste but so strong? " his expression froze, and he patted her. " "alright, time to sleep. behave."

Oh, " she said. Her voice was a little long. She reached out and turned off the light.

Liangqiu, Are you sure? " he asked in a light voice.

she pressed her face against his arm. I'm not afraid. You're an LAN. Why would I be afraid? "

Qin Anlan did not know how to reply. He seemed to be touched.

However, she just couldn't be touched. She was like the wind and rain. She was no longer the cold autumn from before.

It seems to have become a lot more mischievous he didn't feel good. he held her and sank into the long night.

In the middle of the night, ye Liangqiu was still awake.

in his arms, she gently raised her eyes. the moonlight was like water, and it filled the entire bedroom. it was quite beautiful. However, this did not include her an LAN.

his face was incomplete.

she cared!

he really cared!

because he became like this because he wanted to use his life to exchange for hers.

an Ian had used everything in exchange for her well-being..

Chapter 1856: the office, even more ambiguous (part one)

an Ian had used everything in exchange for her well-being.

she wanted to do something for him, to take revenge for him, but the enemy was already dead, so there was nothing she could do.

To be good to him and make it up to him, he could only use his life.

She couldn't hurt his self-esteem and make him think that what she cared about and what he cared about were actually different.

but it was all for each other.

her fingers gently stroked his face.

she was not a fool. she had been with him for so many years.

It definitely wouldn't just be his face.

tonight, he didn't want her. even after being in contact with her for so long, she still didn't feel his love.I move.

She didn't dare to ask, for he would leave if she did.

men treated this as important as their lives. even if she didn't care, it would still affect their lives.

because he cared!

She pressed herself against his chest and felt his loving presence. 'an Ian, as long as you're alive, i don't care about anything, really!

she mumbled as she fell asleep.

In the morning, when she woke up, he was no longer in bed. It seemed to be his voice outside, and a woman's voice.

was it his secretary?

Ye Liangqiu slightly leaned back, quietly thinking.

If a beautiful secretary Yingluo returned to B city, would he go back?

also, would his beautiful secretary follow him when he returned? She didn't ask any of this last night, nor did she dare to ask.

they had recognized each other, but everything was different now.

She wasn't that optimistic, Yingluo.

As she thought about it, she got up. Her bathrobe was let loose on her shoulders, and her hair was also languished. She didn't even wear shoes.

she walked all the way to his office. the light was very good, and she could even smell the smell of coffee.

he couldn't have cooked this, because he always liked to order others around. not only was the beautiful secretary his assistant, but she also took care of his daily life. had the female secretary ever slept in the bed that she had slept in last night?

Qin Anlan was wearing an expensive handmade suit and a mask. He was standing in front of the floor-to-ceiling window and making a call.

ye liangqiu walked over and wrapped her soft body around him from behind.

she didn't say anything and just hugged him.

he was on the phone and knew that she wouldn't mess around, so he just patted her hand, signaling her to finish as soon as possible.

However, he had overestimated his understanding of her. Two minutes later, she probably lost her patience and bit him from behind.

he winced in pain, and the muscles on his back tensed up. he urged her to reach out and poke him, and he smiled a little happily.

Qin Anlan answered the phone and turned around to look at her in the morning.

It was very sunny.

With one hand holding the phone, he carried her up with the other and walked straight to his desk. He placed her on it and spoke absent-mindedly in French. Then, he began to torture her with the other hand.

or rather, it should be called punishment.

Not only did she not stop him, but she also bit her lip and teased him even more impudently.

A place like an office was even more secretive than a bedroom, and it could also arouse some evil thoughts.

in the end, she was already in a mess, and she groaned as she begged him.

She didn't know if she should beg him to stop, or put down the phone and focus on walking around.

just as the temperature was rising, the office door was pushed open. Zhang yuanyuan looked at everything inside in shock.

A woman, a very beautiful woman, wearing only a bathrobe and sitting on the BOSS's desk.

Her face was a little pale, and she couldn't believe that a woman would appear..

Chapter 1857: the office, even more ambiguous (part two)

he had always looked down on the forbidden jade.

or did he need a woman?

Zhang Yuanyuan spoke, her voice sharp like a female protagonist. why are you here? ”

it was probably because the woman on the desk was too flirtatious, so her intuition told her that she was a prostitute. Ye Liangqiu's voice was a little lazy. why not here? ” qin anlan furrowed his brows. ” get out! ”

Zhang Yuanyuan's lips curled into a triumphant smile.”Boss, what's the check

Ye Liangqiu lazily smiled. no matter how much money it is, I don't want to leave him. What should I do? ”

As she spoke, she placed her face on Qin Anlan's shoulder and smiled at Zhang Yuanyuan.

Zhang yuanyuan felt that she had been deeply insulted. she was a girl with a higher education. when did she need to deal with such a promiscuous woman?

Just as she was about to lose her temper, she suddenly felt that the woman in bathrobe in front of her looked familiar. After taking a closer look, even Zhang Yuanyuan, who was used to seeing women, couldn't help but gasp.

It was ye Liangqiu.

how could it be ye liangqiu?

“Why not me?” ye liangqiu pressed her face against his and smiled. if she had been a fairy just now, she was an angel now.

Zhang Yuanyuan was embarrassed. She pursed her lips and said in a firm voice, this is the office. Isn't it a little inappropriate for miss ye to be like this? ” she brought out the aura of a professional and stared straight at ye liangqiu.

Ye Liangqiu chuckled and tilted her head to look at Zhang Yuan. “but an Ian likes it.”

qin anlan was speechless at her nonsense. liang qiu was not like this in the past.

He raised his hand and motioned for Zhang Yuanyuan to leave first. Although Zhang Yuanyuan was unwilling, she could do nothing about it.

after the office door closed, ye liangqiu looked up at qin anlan. ” your female secretary is very beautiful.

There was a little dissatisfaction in her tone.

Qin Anlan chuckled. Liangqiu, you weren’t this childish before.

“you didn’t use a female secretary in the past.” She quickly replied and glared at him.

At this time, his palm was already on her shoulder. When he heard her, he let go. go in and change your clothes. I’ll send you back later.

His voice was light, unlike last night.

Ye Liangqiu’s eyes stared straight at his face, as if trying to figure out the meaning behind his words.

After a long time, she gathered her bathrobe and asked softly, ” “an Ian, what about you? Aren’t you going back with me?” qin anlan reached out and stroked her long hair. he sighed. ” if you’re free, come over and accompany me. ‘ although it was tactful, it was expressed very clearly that he was not willing to go back.

She stared at him for a long time before smiling. I understand, an LAN.

She didn’t force him. She even said one more word before turning around and walking towards the bedroom.

However, her footsteps and the sound of the door slamming did not indicate that she was in a good mood.

qin anlan stood there. the morning light shone on his silver mask, making him look mysterious and ridiculous.

his heart was a little pale.

He turned around and looked out of the window.

sometimes, getting and losing were equally painful and equally difficult.

what should we do, liangqiu? we’ve met, and it’s already very difficult to go back to the past.

You can accept me, but what about the child?

mumu, momo, an, an, and lanlan look at me like this.. aren’t they afraid?

Chapter 1858: Please respect my wife (1)

we sleep together every night. if you want me, how should i tell you that i can’t satisfy you?

After a while, she came out in a new set of clothes. It was his.

“I’ll be leaving first.” she said softly, not as thick-skinned as last night to stay.

He turned his head and looked at her. He was stunned for a moment, but in the end, he did not say anything and only gave a faint hum.

“qin anlan, i might not be coming back,” ye liangqiu said as she looked at him.

he hummed again.

qin anlan, once i return to B city, i'll marry du yuesheng immediately. ” she was determined.

this time, he opened his mouth with a faint smile, ” didn't du yuesheng sleep with linda? how are you going to get married?” she kicked him angrily and quickly walked out.

Qin Anlan grabbed her arm and said in a low voice, ” Liangqiu, don't mess around.

He hugged her from behind and pressed his face against the side of her face.

She could feel the coldness of the mask and her heart slowly calmed down.

She was indeed furious, but that didn't mean that she couldn't think for him.

She did not make a sound and listened to him.

“liangqiu, is it okay to stay like this for now?” He mumbled, ” I didn't think about getting a skin transplant before because half of my body was destroyed and I couldn't get it done. Now, at least I can get my face done, okay? ” give me some time, ” he pleaded.

her body softened. she turned around in his arms and looked up at him. ‘ an lan, am i being too willful? ” he gave a faint smile. ” i allow the child's mother to be willful. ‘

She blushed and pushed him away. stop it. I don't believe you.

Even so, she knew that he was hesitating, but she still took a step back.

She had no choice but to take a step back.

Qin Anlan got someone to send her back. Zhang Yuanyuan opened the car door for her in the parking lot. She paused for a moment before saying, ” miss ye, I don't think you know that boss is King now, not Qin Anlan. I think he's happier being King.

“we don't need outsiders to interfere in the matters between us husband and wife.” Ye Liangqiu's voice was cold.

Zhang yuanyuan laughed softly, “really?” If you're so confident, why didn't King go back with you?”

She looked straight at ye Liangqiu. people change! Miss ye knows better than I

do whether he's happy or not after he returns. i just want to tell miss ye that one can't be too selfish!”

Ye Liangqiu's heart jumped.

She pursed her lips and got into the car.

She leaned against the back seat and closed her eyes ...

although Zhang yuanyuan's words were selfish, they were not without reason.

Would an LAN be happy if she went back?

She was indeed a little too selfish. She had brought him along to face everything.

He let out a long breath, his mind in a mess.

After Zhang Yuanvuan sent him off, she returned to the ton floor office. When

she opened the office door, she saw Qin Anlan sitting on the sofa and smoking.

The entire office was filled with smoke and it was very suffocating. Zhang Yuanyuan immediately opened the window. boss, miss ye is already in the car.

Qin Anlan nodded and did not respond.

Zhang yuanyuan hesitated for a long time before she gathered her courage. ‘

“will you be returning to B city?” qin anlan looked up at her and smiled. ”
“maybe.”

“New York is more suitable for you,” Zhang yuanyuan blurted.

qin anlan did not move from his seat. he looked at her with a deep gaze and said in a self-deprecating manner, ” “you mean, only new york is suitable for a man with a disfigured face, right?”

Zhang yuanyuan shook her head. ” no! ” she lowered her eyes. ” i’m just ... afraid that you’ll get hurt, yingluo.. “

Chapter 1859: please respect my wife (2)

“Miss Zhang, I think you’re overthinking it.” Qin Anlan’s voice suddenly turned a few degrees colder. there are no personal feelings between us.

He paused for a moment. please show some respect the next time you see my wife. Otherwise, it will be difficult for us to work together. Zhang Yuanyuan was stunned by his ruthlessness.

she had always thought that he treated her in a special way.

because she had seen the most private side of him. other than him, she was the only one who used this office.

she even knew how to take care of his daily needs. it wouldn’t be an exaggeration to say that she was half a wife to him. that was why she had the confidence to say those words in front of ye liangqiu.

now, he was saying that yingying was innocent, as if nothing had happened.

Zhang Yuanyuan couldn’t take it anymore and said with difficulty, ” “KING, i thought i had a chance. We’ve been getting along well, haven’t we?”

she thought for a moment and even said, ”i know you’ve already divorced her.

i'm not the third party, am i?"

Qin Anlan snuffed out the cigarette in his hand. He looked at her and said in an indifferent tone, "I've always treated you as a business partner."

"It's because she's back, isn't it?" "That's why you rejected me," Zhang Yuanyuan said in a sharp voice. "That's why you denied everything I've done for you." Qin Anlan's gaze was deep. After a moment, he took off the mask on his face.

The silver light flashed past, revealing half of his face.

He threw himself in front of her, looked at her stunned expression, and laughed at himself. Now, do you still want to say what you just said? "

Yes, she had taken care of him.

She had done everything she should and shouldn't have done.

He didn't reject her because in some ways, Zhang Yuanyuan was like cool autumn.

But now, not cool autumn would have revealed such a shocked and hurt expression.

She would only hug him and tell him that she didn't mind. This was very characteristic of her and she wasn't ugly at all.

Qin Anlan put his mask back on and looked at Zhang Yuanyuan, who was still in a daze. He said indifferently, "Go out first!"

Zhang Yuanyuan returned to her senses and looked at Qin Anlan. She said instinctively, "King, I'm not Yingluo."

However, no matter how much he tried to defend himself, he was powerless.

After a long time, she finally went out.

When she went out, her legs were still trembling. She was still a little shocked.

It was too scary. It was too scary. Yingluo really didn't know if she should continue.

Qin Anlan stood up, picked up his phone, and made a call.

After a while, he got up, took his coat, and walked out.

Zhang Yuanyuan lowered her eyes, not daring to ask where he was going.

Two hours later, Qin Anlan was lying on the examination table in a private hospital. KIME came over.

KIE conversed with the doctor, and his gaze finally landed on Qin Anlan's face.

He was a little surprised. Boss Qin had been quite resistant before, why was he willing to get a skin transplant now?

after the examination, qin anlan slowly sat up and conversed with dr. york in fluent english. ” how many times do you need? ” dr. york smiled. ” it should be within eight times. ” what’s wrong? ” Kie frowned and looked at Qin Anlan.

however, qin anlan did not mind. he nodded and made an appointment with dr. york.

After leaving the hospital, Kie sat in the car and turned his head. President Qin, when are you going to be admitted? ‘

“Next week,” Qin Anlan replied with a smile.

alright, i’ll make the arrangements. ”

Qin Anlan smiled and did not say anything else.

Kime would definitely tell ye Liangqiu.

He thought that Liangqiu would be happy. He wanted to make her happy..

Chapter 1860: he wanted to make her happy (part one)

He thought that Liangqiu would be happy. He wanted to make her happy.

As expected, not long after Kime left, she called.

an LAN, I don’t mind. her voice was soft and light, with the gentleness of a wife.

qin anlan smiled slightly. after a while, he said, ” liangqiu, i just want to be able to go out with you during the day and walk on the streets together, instead of wearing a mask at night. ”

Although it was a very ordinary sentence, it was like the most touching words of love in the world.

her heart was filled with an indescribable gentleness.

after a long while, he hummed in agreement. ” i’ll go with you. ‘ His words had resolved her uneasiness about whether he was happy or not.

She thought that she still cared.

qin anlan’s heart softened a little. he had been lonely for a long time. he had stayed alone in that plain white place for a long time.

In fact, he was a little repulsed by that kind of place.

but now, she said she would go with him.

He also imitated her and hummed softly.

Ye Liangqiu laughed, and so did he.

“i’ve coaxed the child tonight. should i come over?” her voice was soft, as if she was afraid of his rejection.

He froze for a moment, and his whole body was a little tense because of this. He longed for her too much.

she was both eager and afraid.

he didn't know where his courage came from. perhaps it was because Zhang yuanyuan looked at him differently from her!

One was an unknown infatuation, and the other was his wife. She was his wife.

"i'll come over early. i'll cook for you." He said softly.

He had not cooked for a long time, let alone for a woman to eat.

At one point, he had given up on himself and life, just living numbly.

But now, life had come to life again, the world had become colorful, and those doctors were not so annoying anymore.

this was probably how they felt after being reunited after a long time.

his looks were not that important to her, but she wanted him to be happy.

if plastic surgery could make him happier by her side, she would support it.

It might be very painful, but she would be with him.

by the time ye liangqiu arrived at his place, it was already ten o'clock at night.

she drove her own car and called him before she took the elevator. once the elevator door opened, he stood there waiting for her.

In her hand was a bouquet of white roses.

she was a little surprised. holding it in her arms, she sniffed it deeply and raised her face."where did you buy it?"

The corners of his lips curved into a happy arc. "I ordered it by phone. Do you like it?"

jiaojiao said " like " sweetly, then wrapped her arms around his. " an Ian, what dinner did you prepare? "

After she finished speaking, she was stunned.

in front of him was a five-star meal.

In front of the floor-to-ceiling window, red roses were placed everywhere. A long dining table was quietly placed, and silver candles were burning. There were silver utensils on the table. It was impossible to see what they were, but the fragrance could be smelled.

"you did this?" she pressed her face against his arm like a little girl. " an LAN, what should I do? I have a feeling that I'm stealing glances.

"you mean, my face?" he looked down at her.

she chuckled. " yes! ' qin anlan pinched her face and smiled. " come and try it. "

He helped her sit down and sat on the other side.

Ye Liangqiu was wearing a long white dress, her long curly hair hanging on her shoulders. She was very beautiful.

she was very happy, as if she was in a dream.

She had never thought that one day, she would be able to sit with him and eat his cooking..
